

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## KEY TO READY REFERENCE .

The **Life Insurance Manual** is a book of comparisons. When comparing policies of different companies, it is better to have no other subject matter intervening. This is also the case when comparing premium rates, cash values, extended insurance, loans, paid-up values, etc.

The arrangement of this book is: First, policy forms alphabetically arranged as to companies (pages 4-573); second, premium rates (pages 574-784); third, Letters Re Reserve Bases (pages 785-802), after which the alphabetical arrangement is:

C—Cash values, alphabetically as to companies.....	803- 893
E—Extended Insurance, “ “ “ .....	894- 992
L—Loans, “ “ “ .....	993- 998
P—Paid-up Insurance, “ “ “ .....	999-1096
R—Reserve values, American 3 per cent .....	1104-1130
“ “ “ 3½ “ .....	1131-1157
“ “ “ 4 “ .....	1158-1173

To save space, we group, wherever possible, rates or guaranteed values for companies using similar data—to illustrate see pages 622-623, 783-784, 914; 1017.

We suggest that frequent use be made of the very complete index in latter part of book.

**In Witness Whereof**, the said Aetna Life Insurance Company has by its President and Secretary (or Assistant Secretary) signed this contract in the City of Hartford and State of Connecticut this *First day of March, 1913*.

M. G. BULKELEY,

Secretary.

President.

1  
CONSIDERA-  
TION

THE FOREGOING AGREEMENT is made in consideration of the application for this policy, which application is hereby made a part of this contract and a copy of which is attached hereto and in further consideration of the *annual* premium of *Three Hundred Seventy-three* and *so-100ths* Dollars to be paid to the Company in advance at its Home Office or to its agent at or before five o'clock P. M. of the *first day of March* in each and every year until *twenty* full years' premiums have been paid or until the prior death of the insured.

2  
PREMIUMS  
WHEN  
PAYABLE

The amount becoming due from the Company by reason of the death of the insured shall be payable to the death beneficiary as follows: *Mary Roe, wife of the Insured, if she survives the Insured, otherwise to the Insured's* executors, administrators or assigns, less any unpaid premium for the current policy year; and the amount due from the Company by reason of the maturity of the endowment, or the cash value or the loan value, or the dividends if paid during the lifetime of the insured, shall be payable to the party herein called the life beneficiary as follows: *the insured* and all such payments shall be subject to the rights herein granted for varying the provisions of this policy and to any indebtedness to the Company on account of this policy including all loans made by the Company as herein provided.

3  
DEATH  
BENEFICIARY

4  
LIFE  
BENEFICIARY

5. CHANGE OF BENEFICIARY.—The beneficiary above designated may be changed before this policy matures as an endowment, provided the policy is not then assigned by the life beneficiary and is then returned to said Company with a request for such change duly signed by the life beneficiary alone, and such change shall take effect on endorsement of the same hereon by the Company.

6. PREMIUMS MAY BE PAID ANNUALLY, SEMI-ANNUALLY OR QUARTERLY.—The Company will accept the premium payable for annual, semi-annual or quarterly periods, according to its published rate for such at the time this policy is issued, provided that before any change is made from the method of payment herein stipulated the policy shall be forwarded to the Home Office of the Company for proper endorsement.

7. CONDITIONS REGARDING PAYMENT OF PREMIUMS.—This policy shall not take effect until the first premium hereon shall have been

actually paid during the good health of the insured, a receipt for which payment shall be the delivery of the policy. If any subsequent premium be not paid when due then this policy shall cease, subject to the values and privileges hereinafter described; except that a grace of thirty-one days, during which time the policy remains in full force, will be allowed for the payment of any premium after the first, provided that with the payment of such premium interest at the rate of six per cent per annum is also paid thereon for the days of grace taken; but for any reckoning herein named the time when a premium becomes due shall be the day herein stipulated therefor without grace.

No renewal premium shall be considered paid, unless a receipt shall be given therefor bearing the original or lithographed signature of the Secretary or Assistant Secretary of this Company and countersigned by the agent.

**8. INCONTESTABLE AFTER ONE YEAR.**—This policy and the application herefor constitute the entire contract between the parties hereto and it shall be incontestable after one year from its date of issue except for non-payment of premium; but if the age of the insured has been misstated the amount payable hereunder shall be such an amount as the premium paid would have purchased at this Company's published rate now in use for the correct age.

**9. STATEMENTS OF INSURED NOT WARRANTIES.**—All statements made by the insured shall in the absence of fraud be deemed representations and not warranties and no such statement shall avoid the policy or be used in defense to a claim under it unless it is contained in the written application herefor and a copy of such application is endorsed upon or attached to this policy when issued.

**10. SUICIDE.**—If the insured shall commit suicide within one year from the date hereof, while sane or insane, this policy shall be null and void.

**11. DIVIDENDS.**—Until this policy becomes a claim it shall be entitled to share in the divisible surplus of the participating business of the Company at the end of each policy year, and the amount of surplus accruing under it shall then be determined and accounted for, provided the insured is then living and there has been no default in the payment of premium.

**12. APPLICATION OF DIVIDENDS.**—Such dividends shall be payable at the option of the life beneficiary by one of the following methods, provided that if no election is made the dividends will be paid in cash.

**First Method:** In reduction of the premium on this policy if the remainder of such premium is paid as herein required.

**Second Method:** In cash.

**Third Method:** In paid-up additions to the sum insured for an amount in each case bearing the same proportion to the amount of the dividend that the paid-up policy at that time shown in Table A bears to the corresponding cash value.

**Fourth Method:** In being left with the Company to accumulate at a rate of interest not less than three per cent per annum. The dividends so accumulated, or any portion thereof, will be paid to the life beneficiary when desired during the lifetime of the insured, or, after the death of the insured, will be paid to the payee of the policy in addition to the sum insured; but no premium shall be construed as paid either wholly or in part by reason of dividends remaining with the Company.

**13. DIVIDENDS MAY REDUCE THE NUMBER OF PREMIUMS OR HASTEN THE MATURITY OF THE POLICY.**—When the total cash value of this policy, consisting of said accumulated dividends, the cash value of dividend additions, if any, and the cash value shown by Table A, less indebtedness, if any, secured hereby, equals the net single premium for a policy of the same amount and kind as the sum insured, issued on the same life and due at the same time, a paid-up participating policy will be issued for the sum insured if this policy is then duly surrendered to the Company for that purpose. Said single premium will be the same proportion of the sum insured that the tabular cash value at that time bears to the corresponding

paid-up policy shown by Table A. Or when such total value equals the sum insured the said sum insured shall then be due and payable.

14. **LOANS.**—After two full years' premiums have been paid hereon, before default in the payment of premium, and before the policy becomes a claim, the Company will loan upon the sole security of this policy at six per cent interest payable annually in advance the whole, or, at the option of the borrower, any part of the cash value shown by Table A at the end of the current policy year and the cash value of dividend additions, if any, less all indebtedness to the Company hereon and less also any unpaid portion of the premium and interest on the loan for the remainder of the current policy year. For the purpose of such loan the policy shall be returned to the Company together with a proper assignment of the same and said assignment may be executed by the life beneficiary alone provided the interest of such beneficiary is not then assigned.

15. **AUTOMATIC PREMIUM LOAN.**—If a request for the automatic premium loan privilege has been signed by the life beneficiary and assignee, if any, and is received at the Company's Home Office together with this policy before default in the payment of premium, such privilege will be endorsed hereon by the Company, and thereafter, until a written revocation of said request signed by the life beneficiary and assignee, if any, has been endorsed hereon by the Company, the amount of any premium not paid in cash when due or within the days of grace less any dividend applicable thereon, will, without further action by the owners, be loaned by the Company in payment of such premium and charged as an indebtedness secured by this policy, subject to interest at the rate of six per cent per annum as above described for loans, provided that the net loan value as above described is sufficient to pay the premium and interest then due.

16. **WHEN INSURANCE WILL TERMINATE FOR NON-PAYMENT OF INTEREST.**—Interest on any indebtedness hereon not paid when due shall be added to the principal and reckoned as a part thereof. Failure to pay any loan or interest due thereon will avoid this policy when the total indebtedness hereon to the Company shall equal or exceed the loan value at the time of such failure, but not before that time, nor until one month after notice of the same has been mailed by the Company to the last known address of the person to whom the loan was made and of the insured, and assignee, if any.

17. **NON-FORFEITING VALUES, EXTENDED INSURANCE.**—After two full years' premiums have been paid hereon and any subsequent premium becomes due and is unpaid the entire reserve then existing under this policy, including that of dividend additions, if any, less not more than two and one-half per cent of the sum insured and dividend additions and less also any indebtedness hereon to the Company, will, without action by the owner, be applied as a net single premium at the then age of the insured to extend as non-participating term insurance without the right to loans the sum insured by this policy and dividend additions, if any, less any indebtedness to the Company secured hereby. The reserve and single premium named herein shall be computed according to the American Experience Table of Mortality and three per cent interest. If said net single premium is more than sufficient to purchase such term insurance to the end of the endowment term of this policy the excess thereof will be applied in like manner to the purchase of a non-participating pure endowment payable at the end of such endowment term if the insured is then living; or

**PAID-UP POLICY.**—If requested by the life beneficiary and assignee, if any, and if this policy is surrendered to the Company within two months after the first unpaid premium becomes due the said net single premium will be applied to the purchase of a paid-up non-participating stock policy payable at the end of the endowment term of this policy if the insured is then living, or at the prior death of the insured; or

**CASH VALUE.**—Under the conditions applicable to the issue of the paid-up policy above described, or after all premiums required hereon have been paid, the Company will pay for the surrender

hereof a cash value at least equal to the sum which would otherwise be applicable to the purchase of the extended term or paid-up insurance above provided.

The extended term insurance or the paid-up policy above provided will be entitled to a cash surrender value of the entire reserve existing thereon at the time of surrender according to said table of mortality and rate of interest, and the paid-up policy will be entitled to a loan equal to its cash value upon the conditions herein prescribed for a loan under this policy.

TABLE A.

This table shows the non-forfeiting values above described for \$1000 of insurance at the end of completed policy years when there is no indebtedness to the Company secured by this policy and no existing dividend additions. The paid-up policy, the cash value, and the pure endowment, if any, for insurance of a greater or less amount than \$1000 will be proportionate. Each full quarter of a year that has elapsed after the end of any policy year and for which quarter year the premium due has been paid will increase the cash value and the paid-up policy one-fourth of the increase for the full year. The term of the extended insurance will be reckoned from the time when the first unpaid premium becomes due, and will not vary with the amount of the insurance.

No deduction from these values will be made for a surrender charge.

Values provided for in the policy and not shown in this table will be computed upon the same basis as those given.

This policy will mature and be payable in full as an Endowment at the end of the policy year falling nearest to age 85 of the insured if then living.

The entire loan value for the end of any policy year will be available during the same year if the premium for that year has been paid.

**EFFECT OF DIVIDEND ADDITIONS AND INDEBTEDNESS ON NON-FORFEITING VALUES SHOWN BY TABLE A.**—The cash value of dividend additions, if any, will be paid in addition to the cash value shown by Table A. The cash value shown by Table A will be decreased by the amount of any indebtedness. The paid-up policy shown by Table A will be increased by the amount of the dividend additions, and decreased in the same proportion that any indebtedness bears to the cash value hereof.

The cash value of dividend additions, if any, will be the same proportion of such additions that the cash value shown in Table A at that time bears to the corresponding paid-up policy.

**18. CASH VALUE IN EVENT OF PERMANENT TOTAL DISABILITY.**—Twelve months after proof is received at the Home Office of the Company that from causes originating after the delivery of this policy, the insured has become wholly, continuously and permanent-

ly disabled and will for life be unable to perform any work or conduct any business for compensation or profit, then in lieu of all other values, benefits or privileges herein provided, without further payment of premium, all premiums previously due having been paid, the Company will pay in full settlement of this policy upon request duly executed by the life beneficiary and assignee, if any, one-twentieth of the sum insured and dividend additions, if any, and will pay the same amount annually thereafter until twenty such payments in all have been made; or will pay the amount of annuity shown by the following table of annuities for the age of the insured at the last birthday preceding the receipt of such proof, and the same amount annually thereafter during a fixed period of nine years (making ten annuity payments certain) and for as many full years longer as the insured shall live, provided that at every such annuity payment after the tenth satisfactory proof is furnished that the insured is then living. Any indebtedness to the Company on account of this policy will reduce the amount of either of said annual payments in the same proportion that said indebtedness bears to three-fourths of the sum insured and dividend additions, if any.

The Company will extend the privileges and benefits for permanent total disability above described to cover the irrecoverable loss of the entire sight of both eyes, or the total and permanent loss by removal or disease of the use of both hands or of both feet or of such loss of one hand and one foot all from causes originating after the delivery of this policy and before default in the payment of premium.

Any benefit for disability within the meaning of this policy is conditioned upon the Company being permitted to examine the insured when desired within one year after the receipt of the proof, and such benefit will not be included in the paid-up policy herein provided to be issued on default in payment of premium.

19. REINSTATEMENT.—Within five years after default in any premium payment, if this policy has not been surrendered, it may be reinstated upon evidence of insurability satisfactory to the Company and by payment of arrears of premiums with interest at the rate of six per cent per annum and by payment or reinstatement of whatever indebtedness to the Company existed hereon at the date of default with interest from that date.

20. MODES OF PAYING THE INSURANCE.—If the policy is not assigned by the life beneficiary the life beneficiary may elect, or the payee after the death of the insured without such election may elect, by written notice filed at the Home Office of the Company, before any payment on the sum insured has been made, to have the net sum payable by the Company under this policy either as a death

claim, matured endowment or as a cash surrender value paid by one of the following modes in lieu of payment in one sum, provided the one sum to which every such payee would otherwise be entitled amounts to Five Hundred Dollars or more. Any mode of payment involving life instalments shall apply only to personal payees, the right of any payee contingent upon the death of a previous payee after the death of the insured shall be only such of the instalments certain as remain unpaid at the death of the last previous payee, and any election shall take effect only upon an endorsement of the same person by the Company. The first instalment or annuity by either of these modes will be paid when the one sum becomes payable as hereinbefore provided, and the remaining instalments will be payable annually thereafter on the anniversary of the payment of the first instalment.

Under the third and fourth modes the attained age of any payee will be reckoned, under a death claim, as that of the last birthday of such payee preceding the death of the insured; or in case of a matured endowment, or cash surrender value, as that of the last birthday preceding the time when the sum insured or the value first became payable by the Company, and satisfactory evidence of the date of birth of the payee, or payees, must be furnished before the instalment payments commence.

21. **SUM MAY REMAIN WITH COMPANY AT INTEREST.**—First. The payment annually in advance of three per cent interest on the net sum payable, and the payment of the said sum at the death of the payee, less the unearned part of said interest, if any; and unless otherwise elected the payee may at the end of any interest year require the payment of the principal sum or any portion thereof.

22. **INSTALMENTS FOR LIMITED PERIOD.**—Second. The payment of equal annual instalments for a limited number of years. The amount of instalment for each one thousand dollars in the net sum payable is shown in Table B.

23. **INSTALMENTS DURING LIFE.**—Third. The payment of equal annual instalments for a fixed period of twenty-five years and for as many full years longer as the payee shall live. The amount of instalment for each one thousand dollars in the net sum payable is shown in Table C opposite the attained age of the payee.

24. **LIFE ANNUITY.**—Fourth. The payment of equal annual instalments for as many full years as the payee shall live and no longer. The amount of instalment for each one thousand dollars in the net sum payable is shown in Table D opposite the attained age of the payee. (Table on next page).

25. **INSTALMENTS INCREASED BY DIVIDENDS.**—Under the above modes of paying the insurance all annual payments required by the first and second modes and the first twenty-five instalments stipulated in the third mode will be increased by such dividends as may hereafter be declared by the Company.

26. **HOW PAYABLE AFTER DEATH OF PAYEE.**—Unless otherwise provided, any sum payable by the Company after the death of a payee under the first, second and third modes shall be payable to the executors, administrators or assigns of the payee.

27. **SUPPLEMENTARY CONTRACT.**—When this policy becomes a contract, if an election has been made requiring payment by annual instalments, the policy shall, if required by the Company, be surrendered and a supplementary contract issued for the mode of payment elected.

28. **COMMUTATION OF INSTALMENTS.**—Unless otherwise elected by payee or payees under the second and third modes, may at any time surrender the contract for the commuted value of the instalment payments yet to be made, computed upon the same basis as the computations in the second mode, provided that no such commutation will be made under the third mode except after the death of the payee or payees occurring within the aforesaid twenty-five years.

29. **ASSIGNMENTS.**—No assignment of this policy shall be binding upon the Company until the original or a duplicate thereof is

filed at its Home Office. The Company does not assume any responsibility for the validity of an assignment.

Tables B, C and D show the amount of each annual instalment for \$1000 the net sum payable. Instalments for a greater or less amount will be proportionate.

AMERICAN CENTRAL LIFE INSURANCE COMPANY  
INDIANAPOLIS.

AGREES TO PAY *Ten Thousand* Dollars, the amount of insurance, for the consideration and under the conditions stated herein, to the Beneficiary, *Mary Alston, Wife*, of the Insured, *Abner Alston*, or the Insured, himself, if this policy be in force at end of policy year nearest age eighty-five.

The entire contract between the parties hereto shall be this policy and the application therefor, a copy of which is attached and made a part hereof.

The Insured is entitled without the consent of the Beneficiary to receive every benefit, exercise every right, and enjoy every privilege conferred on the Insured by this policy.

STATE OF INDIANA—INSURANCE DEPARTMENT.

I hereby certify that the net cash value of this and all other policies issued by The American Central Life Insurance Company and in force, is secured by the deposit with this department of securities, as prescribed by and in compliance with, the Indiana Legal Reserve Compulsory Deposit Law.

DALE J. CRITTENBURGER,  
*Auditor of State.*

ALL PREMIUMS or installments thereof are payable in advance either at the Home Office of the Company, or to an agent of the Company upon delivery of a receipt signed by the Company's President, First Vice-President, Secretary or Treasurer, and countersigned by such agent. Premiums after the first may be paid in semi-annual or quarterly installments at the Company's rates therefor. The payment of a premium or installment thereof shall not maintain this policy in force beyond the due date of the next premium or installment, except as herein provided.

CASH LOANS.—Beginning with the third policy year, the Company, at any time while the policy is in force, provided no premium be in default, will loan to the Insured on the execution of a proper assignment of the policy and on the sole security thereof, any sum not exceeding the amount stated in the Table of Loan and Surrender Values for the end of the current policy year. From such loan value there will be deducted any existing indebtedness on or secured by the policy and any unpaid balance of the premium for the

current policy year. Interest, at the rate of six per centum *per annum*, will be collected on the loan to the end of the current policy year and shall thereafter be payable annually in advance. The Company may, at its option, defer a cash loan (except where the proceeds are to be applied in payment of premiums on policies issued by this Company) for not to exceed ninety days after the application therefor is made.

**FAILURE TO REPAY ANY SUCH LOAN** or to pay interest thereon shall not avoid the Policy, but if interest is not paid when due shall be added to and become a part of the indebtedness, provided that whenever the total indebtedness on the policy shall exceed the loan value of the policy, the policy shall become void thirty days after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any.

**LOAN INSURANCE.**—Any cash loan made hereunder may be covered by loan insurance, which loan insurance shall be applied in the event this policy matures as a death claim, to the cancellation of any such cash loan. Loan insurance will be granted only under the following conditions:

(a) The insured shall furnish evidence of insurability satisfactory to the Company, and the loan insurance shall not be effective until the insured shall have received a certificate thereof from the Company.

(b) The premium for loan insurance shall be computed at the insured's attained age nearest birthday at the time of making or renewing such loan insurance and shall be as indicated in the table on the back of this policy. For periods less than a year the premium for each month or fraction thereof shall be one-tenth of the premium for one year, but in no event to exceed the premium for one year.

(c) Loan insurance will not be granted for a period extending beyond the next anniversary date of this policy, but may be renewed from year to year subject to payment of the premium at the insured's attained age. No loan insurance will be granted or renewed when the insured shall have attained age sixty years nearest birthday.

(d) Any loan insurance in excess of the total indebtedness to the Company under this policy shall be void, and the Company will refund to the insured any unearned premium therefor.

**AUTOMATIC PREMIUM LOANS.**—If any premium or installment thereof on this policy be not paid in cash on or before the due date thereof or within the period of grace, the Company will charge each premium or installment and any subsequent premium or installment not paid in cash, with interest in advance at the rate of six per centum *per annum* to the end of the current policy year against the then loan value of this policy, as stated above, provided that such loan value be sufficient and provided that written request therefor has been made by the insured on the Company at any time while there is no default in payment of any premium hereunder. Any premium or premiums or installments the

of so charged against the loan value of this policy shall be considered as a loan upon the policy and shall be subject to the same terms and conditions as any loan made in accordance with the "Cash Loans" provision above. Such request may be revoked at any time in writing by the insured; provided, however, that such revocation shall not affect any loan which may have been previously made hereunder.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days will be granted for the payment of every premium or installment thereof after the first premium, during which time the policy shall remain in force.

**CHANGE OF BENEFICIARY.**—If there be no existing assignment of the policy made as herein provided, the insured may, with the consent of the Company, at any time while the policy is in force, change the beneficiary by filing with the Company at its Home Office written request therefor, duly acknowledged. Such change shall take effect when endorsed on the policy by the Company and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall vest in the insured unless otherwise provided herein.

**ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company unless such assignment be made in duplicate and both copies filed with the Company at its Home Office, where one copy will be returned. The Company will assume no responsibility as to the validity of any assignment.

**THE AMOUNT OF INSURANCE** is payable to the beneficiary *immediately* upon receipt of due proof of death of the insured and of the interest of the claimant.

**INCONTESTABILITY.**—After one year from the date hereof this policy shall be incontestable except for non-payment of premium and except for violation of its conditions as to military or naval service in time of war.

This policy is unrestricted from issue as to travel, residence or occupation or as to military or naval service in time of peace.

Death while engaged in military or naval service in time of war or in consequence of such service shall render the Company liable for only the reserve under this policy unless the Company's permission to engage in such service shall have been obtained and such extra premium or premiums as the Company may require shall have been paid.

**REINSTATEMENT.**—At any time after any default in premium payment, upon written application by the insured and presentation at the Home Office of evidence of insurability satisfactory to the Company, this policy may be reinstated, upon the payment of arrears of premiums with compound interest thereon at the rate of five per centum per annum.

**INSTALLMENT PRIVILEGES.**—The insured may change the mode of payment of the amount of insurance as a death claim from pay

ment in one sum to payment in installments as provided on the fourth page hereof.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this policy (including any unpaid portion of the premium for the policy year current at death) will be deducted in any settlement or payment under this policy.

**MODIFICATIONS.**—No condition, provision or privilege of this policy can be waived or modified in any case except by an endorsement hereon signed by the President, the First Vice-President, the Actuary or the Secretary. No agent has power in behalf of the Company to make or modify this or any other policy, to extend the time for paying a premium, to waive any forfeiture, to grant any permit or to bind the Company by making any promise or making or receiving any representation or information.

**STATEMENTS OF THE INSURED.**—All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it be contained in the written application.

**SELF-DESTRUCTION.**—Self-destruction during one year from the date hereof, whether the insured be sane or insane, is a risk not assumed by the Company; but in such event the Company will return the premium paid.

**MISSTATEMENT OF AGE.**—If the age of the insured has been misstated, the amount of insurance payable shall be such as the premium would have purchased at the correct age.

**NON-FORFEITURE PROVISIONS.**—The insured may, at the end of the third policy year or at any time thereafter during the period of thirty-one days following the due date of any unpaid premium or installment thereof, either

(a) Surrender this policy at the Home Office of the Company for its cash value; or,

(b) Surrender this policy at the Home Office of the Company for a policy of paid up insurance payable at the same time and under the same conditions, except as to premium payments, as this policy; or,

(c) Have the full amount of insurance continued in force as extended term insurance from the due date of the unpaid premium.

**THE CASH VALUE** shall be the sum indicated in the Table of Loan and Surrender Values and shall be at least equal to the sum which would otherwise be available for the purchase of Extended Term Insurance. At the option of the Company, payment of the Cash Value may be deferred for not to exceed ninety days after application therefor is made.

**THE AMOUNT OF PAID UP INSURANCE** shall, in the absence of indebtedness, be the sum indicated in the Table of Loan and Surrender Values. If there be any indebtedness the amount of Paid Up Insurance otherwise available shall be reduced in the ratio of such indebtedness to the net value of such Paid Up Insurance.

**THE PERIOD OF THE EXTENDED TERM INSURANCE** shall, in the absence of indebtedness, be the period indicated in the Table of Loan and Surrender Values, and, if the insured survive to the end of such period, there shall be paid him in cash the amount of Pure Endowment, if any, stated in said Table. If there be any indebtedness the same shall be deducted from the sum of the net values of the Extended Term Insurance and Pure Endowment otherwise available and the amount of insurance continued for the period purchased by such difference applied as a net single premium; provided, that, if such difference be in excess of the net single premium which will purchase term insurance for the period indicated in the absence of indebtedness, such excess shall be applied as a net single premium to purchase pure endowment payable to the insured in cash if living at the end of such period.

If the insured shall not surrender this policy to the Company at its Home Office for its Cash Value as provided in option (

above, or for a policy of Paid Up Insurance as provided in option (b), the amount of insurance will be continued in force as Extended Term Insurance as provided in option (c).

All net values and net single premiums herein mentioned shall be based on the American Experience Table of Mortality with interest at the rate of three and one-half per centum per annum.

The reserve under this policy shall be computed on the basis of the American Experience Table of Mortality with interest at the rate of three and one-half per centum per annum. The first year's insurance under this policy is term insurance, purchased by the whole or part of the premium to be received during the first policy year and the policy shall be valued according to its terms and the laws of the State of Indiana. The net value of each benefit in the Table is equal to the reserve less a surrender charge in no case in excess of two and one-half per centum of the amount of insurance under this policy. If fractional premiums in addition to premiums for whole years be paid, due allowance will be made in the above benefits. Values for each year after the twentieth, not shown in the Table, will be equivalent to the full reserve. After the end of the premium paying period, if no premium be in default, the cash value hereof will be available on surrender of this policy at the end of any policy year or within thirty-one days thereafter.

The Consideration for this Policy shall be the application therefor and a premium of *Three Hundred Six and 50/100 Dollars* for the period terminating *August 15, 1916*, and a premium of like amount payable on said date and annually thereafter during the continuance of this policy or until *twenty* such premiums in all shall have been paid.

In Witness Whereof, AMERICAN CENTRAL LIFE INSURANCE COMPANY has caused this policy to be signed as of the *fifteenth* day of *August, 1915*.

Secretary.

President.

**AMERICAN CENTRAL LIFE INSURANCE COMPANY  
TOTAL AND PERMANENT DISABILITY BENEFIT.**

Supplemental Contract attached to and part of Policy No. 99999, on the life of Abner Alston, the insured.

In consideration of the fact that the premium payable in accordance with the provisions of this policy includes an extra premium of one dollar and eighty cents (\$1.80) for disability insurance, it is hereby agreed that if the insured, before attaining the age of sixty years, and after the first premium has been paid to the Company on account of this policy and before default in the payment of any subsequent premium, shall furnish proof satisfactory to the Company that he has from any cause whatever since the issue of this policy become permanently disabled to such an extent that by reason of such disability he is and will be permanently and wholly prevented from performing any work for compensation or profit, or from following any gainful occupation and that such disability has at the time of such proof existed for not less than sixty days, the Company will, by endorsement on the policy, waive the payment of any premium or premiums which may become payable thereafter under this policy.

The premiums waived in accordance herewith shall not be deducted from the sum payable under the policy, and the benefits provided in the policy shall, in all respects, continue the same as if payment of the premiums waived had actually been made to the Company, so that the loan and non-forfeiture values provided in the policy shall in no way be modified on account of the waiver.

Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the insured shall at any time on demand, furnish to the Company satisfactory proof of the continuance of such disability; and if the insured shall fail to furnish such proof, or if it shall appear to the Company that the insured is able to perform any work or to follow any occupation for compensation, gain, or profit, all premiums becoming due thereafter shall be paid by the insured in accordance with the provisions of the policy.

It is especially agreed that, notwithstanding any of the above provisions, permanent loss of the sight of both eyes, or loss or severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered disability within the meaning of this supplemental contract.

This supplemental contract may be cancelled upon written request by the insured and return of the policy for endorsement, whereupon the above specified extra premium shall be no longer payable and the entire premium payable under the policy will be reduced to *Three Hundred Six and 50-100 Dollars* (\$306.50), but in no event shall payment of said extra premium be required after the insured shall have attained the age of sixty years.

DISABILITY BENEFITS.

No. 99999.

AGE 35.

AMOUNT \$10,000.

PREMIUM \$373.00.

ATLANTIC LIFE INSURANCE COMPANY,  
RICHMOND, VIRGINIA.

Amount **Agrees to Pay** — *Ten Thousand* — Dollars to  
Beneficiary *Mary Doe, wife of the Insured, or to any substituted*  
Beneficiary, at its Home Office, Richmond, Virginia,  
immediately upon receipt and approval of proofs of  
the death of *John Doe, of Richmond, Va.*

INSURED INVESTMENT AND INSTALMENT OPTIONS.—At the written request of the Insured, the Company will provide by endorsement on this Contract that the amount payable hereunder, or any portion thereof, when the same matures as a death claim, shall be left with the Company as a trust fund for such period as the Insured may direct, the Beneficiary to receive semi-annually interest at the rate earned by the Company (after deducting losses on investments) on its admitted assets during the preceding calendar year, less one-eighth of one per cent. of the amount of said trust fund for investment expenses. The principal sum left in trust under this provision shall be payable in cash to the Beneficiary or to the Estate of the Beneficiary on the expiry of the period stipulated by the Insured. The Insured may also stipulate in said request that no assignment or hypothecation of this Contract, or any part thereof, or any income therefrom, shall be made by the Beneficiary.

In lieu of the above, the Insured may also exercise any one of the Instalment Options provided on the fourth page hereof.

ANNUAL DIVIDENDS.—The Company will determine at the end of each year the amount of surplus to be allotted to this Contract. Upon payment in cash of the second and each succeeding premium, the surplus allotted to this Contract shall, at the option of the Insured, be either—

1. Paid in cash; or,
2. Applied toward the payment of any premium or premiums;  
or,
3. Applied without re-examination to the purchase of non-forfeitable additional paid-up participating insurance payable at the same time and in the same manner as the principal sum herein provided; or,
4. Left with the Company to accumulate to the credit of this Contract with interest at three and one-half per centum for each full year left with the Company, said interest to be compounded annually. When the reserve on this Contract, together with such accumulations, shall equal the net single premium required to purchase a paid-up Contract for the principal sum herein provided at

the attained age of the Insured, this Contract shall then become paid-up for its full amount, and no further premiums shall be required. The amount of surplus on deposit may be withdrawn by the Insured at any time.

Unless the Insured shall elect otherwise, within three months after the mailing by the Company of a written notice requesting such election, it shall be construed as an election on the part of the Insured to continue this Contract under Option (3). After all premiums required by this Contract shall have been paid, it shall, while continued in force, participate annually in the surplus as herein provided. Should the premiums be paid otherwise than annually, the surplus shall be applied in the manner in which premiums are paid.

**PERMANENT DISABILITY BENEFITS.**—If, prior to attaining age 60, while this Contract is in full force by the payment of premiums, the Insured shall furnish proof satisfactory to the Company that from causes originating after the delivery of this Contract, he has become totally and permanently disabled, and will by such disablement be prevented for life from engaging in any gainful occupation, the Company will by endorsement hereon waive the payment of premiums falling due during the continuance of such disability, and the right of the Insured to Dividends or Surrender Values shall continue as if the premiums were duly paid by the Insured. Should such total and permanent disability occur after the Insured attains age 60, the Company will advance future premiums as they become due as a lien against the Contract without charging interest on such advances.

**OPTIONAL BENEFITS.**—In lieu of the benefit aforesaid, the Company will, on like proof of such disability before the Insured attains age 60 and on surrender and cancellation of this Contract, issue a new Contract in lieu thereof providing for the payment to the Insured in ten equal annual instalments of the sum due in the event of death, the first instalment to be payable on approval of the aforesaid proof and surrender of this Contract, and subsequent instalments annually thereafter. In the event of the death of the Insured before the said ten instalments shall have been paid the amount of the remaining unpaid instalments shall be paid in one sum to the Executors, Administrators or Assigns of the Insured. Any indebtedness to the Company secured by this Contract shall reduce the amount of each instalment by the proportion that said indebtedness bears to the commuted value of said instalments. At the option of the Insured any or all of the aforesaid instalments may be left with the Company under the terms of the Investment Option.

**GRACE.**—A grace of one month, during which time this Contract will remain in full force, will be allowed in payment of all premiums except the first, subject to interest at 6% per annum for the days past due.

**PREMIUM.**—This Contract is issued in consideration of the written and printed application, a copy of which is attached hereto.

and made a part of this Contract, and of the payment of Three Hundred Seventy-Three and no/100 Dollars in advance, before this Contract shall take effect, as the premium for an insurance terminating one year from the date hereof, and will be renewed and extended thereafter as a Limited Payment Life Contract upon the further payment of a like amount due one year from the date hereof and on the same anniversary day in every year thereafter and payable on said date annually or within the grace period as above provided until a total of twenty annual premiums shall have been paid on this Contract.

**SPECIFIC CAUSES OF DISABILITY.**—The Company will consider the entire and irrevocable loss by accident or disease of the sight of both eyes, or the total and permanent loss by accident or disease of the use of both hands or both feet, or of one hand and one foot as total and permanent disability within the meaning of this provision.

**OCCUPATION AND TRAVEL.**—This Contract is entirely free from all restrictions as to Residence, Occupation and Travel.

**INCONTESTABLE.**—This Contract shall be incontestable after one year from its date, except for non-payment of premium, provided however, that if the age of the Insured is misstated the amount payable under this Contract shall be the insurance which the actual premium paid would have purchased at the true age of the Insured.

**SUICIDE.**—Should the Insured die by his own act (whether sane or insane) within one year after the date of this Contract, the Company's liability shall not exceed the premium paid on account of this Contract.

**CHANGE OF BENEFICIARY.**—If this Contract has not been assigned, the Insured may change the Beneficiary at any time by filing at the Home Office written request for such change on the Company's form, and by forwarding this Contract for endorsement of change. If the Beneficiary does not survive the Insured, the proceeds hereof shall be paid to the Executors, Administrators or Assigns of the Insured.

**AUTOMATIC NON-FORFEITURE PROVISION.**—Upon the non-payment of any premium after the second, the Company will advance such premium, also subsequent unpaid premiums, with interest at 6% per annum due annually in advance, as a premium loan secured by this Contract, so long as such loan together with all other indebtedness and with interest at 6% per annum does not exceed the Cash Value of this Contract at the end of the period to which any such premium or interest applies. All indebtedness thus created shall be a first charge against the Contract ranking in priority to the claim of any Beneficiary or Assignee.

At any time while this Contract is continued as aforesaid, payment of premiums may be resumed without any medical re-examination of the Insured.

If the available Cash Value be insufficient to pay a full annual premium, the Company will continue the insurance under the Extended Term Insurance Provision set forth herein for such time as the balance of value will permit. Should the total liens charged against this Contract at any time exceed the Cash Value thereof, the insurance hereunder will terminate one month after notice shall have been mailed to the last known address of the Insured and Assignee, if any.

**PAID-UP INSURANCE.**—After premiums for two full years have been paid, on the non-payment of any succeeding premium, this Contract shall, after endorsement by the Company upon request of the Insured within ninety days (including days of grace) after said non-payment, take effect for the amount of Paid-up Participating Insurance stated in the table of Surrender Values herein as determined by the number of years the Contract has been in force by payment of premiums.

**CASH VALUE OR EXTENDED TERM INSURANCE.**—After premiums for two full years have been paid, on the non-payment of any subsequent premium, the Insured, on satisfactory release and surrender of this Contract within ninety days thereafter (including days of grace), shall be entitled to the Cash Surrender Value as stated in the table of Surrender Values, or in lieu thereof the Insured shall be entitled to Participating Extended Term Insurance as stated in said table. The aforesaid values shall be determined by the number of full annual premiums paid on this Contract, and the acceptance of either one of these values shall be in lieu of all other values herein provided. Such values are based upon the reserve by the American Experience Table of Mortality with three and one-half per centum interest. Payment of the Cash Value may be deferred ninety days.

**LOAN VALUE.**—The Company will make loans to the Insured upon the sole security of this Contract at any time after premiums for two full years have been paid, and while this Contract is in full force. The amount of such loans shall not exceed the Cash Surrender Value at the end of the year for which premiums in full (excluding premiums paid in advance) have been paid, and shall include any previous loans or liens then unpaid. Interest shall be paid annually in advance at the rate of six per centum per annum, but should the Insured fail to pay interest on said loan or any premium due on this Contract, the Company shall advance said interest and premium on the security of this Contract as an additional lien, bearing interest as above, in accordance with the terms of the Automatic Non-Forfeiture Provision of this Contract. Upon endorsement on the Contract by the Company as to the existence of any loan, the Contract will be returned to the Insured. Payment of Loans, unless for premiums due the Company, may be deferred ninety days.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Contract, including any unpaid premium or portion thereof,

will be deducted in any cash settlement of this Contract, or will be deducted from the reserve used in the calculation of any benefit provided herein.

**PREMIUMS—WHERE AND HOW PAYABLE.**—All premiums are payable annually in advance at the Home Office, Richmond, Virginia; but may be paid to an authorized Agent of the Company in exchange for a receipt signed by the President, Secretary or Treasurer.

**PROOF OF DISABILITY.**—After acceptance of either of the disability provisions herein provided, the Insured shall keep the Company informed at all times of his residence and address, shall give immediate notice should such total disability not prove to be permanent and shall on demand of the Company at any time and from time to time furnish additional proof of the continuance of such disability and permit the Company to examine him. Should disability not prove total and permanent, notwithstanding prior approval by the Company of proof thereof, instalment payments or waiver of premiums shall be discontinued, and the Insured shall have the option of reinstating this Contract for its face value, less any instalment payments received, upon payment of the premiums due thereafter (according to the rate used in determining the premium for this Contract) for the amount of insurance to be continued.

**REINSTATEMENT.**—This Contract, should it have lapsed, may be reinstated at any time upon evidence of insurability satisfactory to the Company, and the payment of all past due premiums, with interest at 6% per annum, and the payment or reinstatement of any indebtedness or cash payment made on account of this Contract with interest at the same rate.

**ASSIGNMENT.**—Any assignment of this Contract must be made in duplicate, and one copy filed at the Home Office. The Company assumes no responsibility for the validity of any assignment.

**ADDITIONAL DEPOSIT.**—In addition to the premium mentioned on the first page, the Insured may, at any time within ten years from the date of Contract, if in force by payment of premiums, elect to make an additional annual deposit, which shall be accumulated by the Company as a Pure Endowment, according to the American Experience Table of Mortality with interest at three and one-half per centum per annum. The accumulated value of such payments will be added to the Cash or Loan Value stated on the third page hereof and when the reserve on this Contract, plus the accumulated deposits, equals the single premium for a Life Policy at the attained age of the Insured, this Contract shall become fully paid-up, or deposits may be continued until the reserve, plus such accumulations, equals the face of the policy, when it will be paid as a Endowment. The provisions of the clause entitled "Permanent Disability Benefits" shall not apply to this additional deposit.

**THE CONTRACT.**—This Contract cannot be modified except by endorsement signed by an Executive Officer of the Company, and no Agent is authorized to extend the time for payment of an premium, waive provisions, modify or discharge Contracts. This Contract is not to take effect until the first premium shall have been paid during the life and good health of the Insured, but after said event shall be considered as having been in force from the date hereof.

**LOAN PAYMENT IN THE EVENT OF DEATH.**—The Insured may upon evidence of insurability satisfactory to the Company provide by a certificate to be issued at the Home Office for the cancellation when death claim under this Contract is paid, of any indebtedness outstanding by reason of a policy loan against this Contract. Said certificate shall not take effect until its receipt by the Insured; it shall not be issued for a period exceeding one year, but may be renewed from year to year upon evidence of insurability satisfactory to the Company; it shall automatically be reduced or cancelled upon the partial or complete payment of the indebtedness, in which even the unearned portion of the premium shall be refunded. The premium on the original certificate and on each renewal thereof shall

be paid in advance; it shall be based upon the attained age of the insured at issue or renewal and shall be calculated according to the following schedule of rates:

made, whether annual, semi-annual or quarterly, shall be considered as indicating the manner in which subsequent payments are to be made unless otherwise requested in advance by the insured in writing to the Company at its Home Office. Any payments required to complete the premiums for the current policy year in which death occurs shall be deducted from the insurance payable.

At the end of the first policy year, if the second year's premium is paid in cash, and at the end of each subsequent policy year this Policy, while in force (except as Extended Insurance), shall be credited with its portion of the divisible surplus as annually determined by the Company. Such annual dividend may be used by the insured for any one of the following purposes:

First—Applied toward the payment of any premium or withdrawn in cash; or

Second—Applied to the purchase of participating paid-up additions to the Policy payable with the original insurance; or

Third—Left to accumulate to the credit of the Policy with interest at not less than three and one-half per cent per annum as determined by the Company and payable at the maturity of the Policy, but withdrawable on any anniversary of the Policy.

Unless the insured shall elect otherwise within three months after any dividend is due, the same shall be applied to the purchase of Paid-up additions to the Policy (with cash surrender value available at any time at least equal to such dividend), or under such other automatic option as may be required by the laws of the State in which this Policy is delivered.

The Full Reserve on this Policy shall be secured by deposits with the Insurance Department of the State of Iowa of interest bearing securities as required by law; the reserve being based upon the American Experience Table of Mortality with three and one-half per cent interest and net level premiums.

This Policy is subject to the provisions set forth on

the following pages hereof, which form a part of the Contract as fully as if recited over the signatures hereto affixed.

Dated at Des Moines, Iowa, the 21st day of February, Nineteen Hundred and Sixteen.

#### PROVISIONS.

**POLICY CONTRACT.**—This Policy and the application therefor, copy of which is attached hereto, constitute the entire contract between the parties hereto. All statements made by the insured shall in the absence of fraud, be deemed representations and not warranties and no statement of the insured shall void this Policy or be used in defense to a claim thereunder, unless it is material and contained in the written application therefor and a copy of such application is attached to this policy when issued. No modification of this contract shall be valid unless signed by the President, Vice President, Secretary or Assistant Secretary of the Company.

**INCONTESTABILITY—AGE.**—This Policy shall be incontestable after one year from its date of issue, except for non-payment of premium, provided, however, that if the age of the insured has been misstated, the amount payable under this Policy shall be such as if the premium would have been purchased at the correct age, unless the laws of the State in which this Policy is delivered shall prescribe another method of settlement.

**SUICIDE.**—Self-destruction, while sane or insane, within one year from the date hereof is a risk not assumed by this Company but in such case it will return the premiums actually received under this Policy.

**MILITARY OR NAVAL SERVICE.**—If the death of the insured shall occur within one year from the date of this Policy while or as a result of being engaged in military or naval service in time of war without permission of the Company, then the sum payable under this Policy shall be the amount of the premiums received.

**PREMIUM PAYMENTS.**—All premiums are due and payable to the Home Office of the Company in the City of Des Moines, Iowa, but will be accepted elsewhere if paid to a duly authorized collecting agent in exchange for the Company's receipt signed by the President, Secretary or Assistant Secretary and countersigned by such agent.

This Policy shall not take effect until the first premium has been actually paid and the Policy delivered while the insured is in good health and shall then become effective from its date. In case a subsequent premium is not paid when due, this Policy shall cease to be in force and all payments made hereon shall remain the property of the Company, except as herein otherwise agreed.

**GRACE.**—Thirty-one days of grace without interest will be allowed in payment of any premium after the first; the Policy shall remain in force for its full amount during such period. If death occurs within the period of grace, the unpaid premium for the current policy year shall be deducted from the amount payable hereunder.

**ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company unless it be filed with the Company at its Home Office. The original assignment must be produced when the Policy is presented for payment. The Company assumes no responsibility as to the validity of any assignment.

**CHANGE OF BENEFICIARY.**—When the right of revocation has been reserved or in case of the death of any beneficiary under either a revocable or irrevocable designation, the insured, if there be

sisting assignment of this Policy, may while the Policy is in force, designate a new beneficiary with or without reserving right of revocation by filing written notice thereof at the Home Office of the company accompanied by the Policy for suitable endorsement hereon. Such change shall take effect when endorsed on the Policy by the Company and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall pass equally to the survivor or survivors, unless otherwise provided in the Policy. If no beneficiary shall survive the insured, then payment shall be made to the executors, administrators or assigns of the insured.

**REINSTATEMENT.**—At any time within five years after default in payment of any premium, or thereafter by special arrangement, if this Policy has not been surrendered to the Company, it may be reinstated upon presentation at the Home Office of evidence of the insurability of the insured satisfactory to and approved by the Company, and the payment of all premium arrears with interest thereon at the rate of six per cent per annum and payment or reinstatement of any indebtedness which existed at the time of such default with interest at the rate of six per cent per annum.

**PAID UP OR MATURED BY DIVIDENDS.**—By giving the Company written notice at its Home Office, the Insured may elect to have this Policy endorsed as a **FULL PAID PARTICIPATING LIFE POLICY** for its face amount, when the reserve value of this Policy together with the reserve value of any paid-up additions, and the accumulated value of any dividends left at interest to the credit of the Insured, (said additions and dividend credits being thereby cancelled) equal the net single life premium at the attained age of the insured, according to the American Experience Table of Mortality with interest at three and one-half per cent per annum, for the face amount of the policy, any indebtedness to the Company on account of the Policy to remain as a lien in accordance with the terms of the Policy and with interest payable as provided; or, this policy may be **MATURED AS AN ENDOWMENT** for its face amount when the reserve values and accumulated dividends above referred to equal said amount of insurance, any indebtedness to the Company on account of the Policy being deducted in such settlement as herein provided.

**OPTION TO CHANGE FORM OF POLICY.**—At any time while no premium is in default, this Policy, if properly surrendered to the Company, may be exchanged, without re-examination, for any form of Policy issued by the Company at the date hereof and of equal amount requiring a higher rate of premium, upon payment of the differences between the premiums paid hereunder and the premiums for the new Policy (based on the age of the insured at the date of exchange) with six per cent interest per annum on such differences with adjustment for the difference in annual dividends.

#### NON-FORFEITURE PROVISIONS.

In event of default in premium payments after premiums shall have been paid for three full years, the insured shall have the following options:

**EXTENDED INSURANCE.**—(A)—Extended Insurance.—Without action on the part of the insured, the insurance will be automatically extended from date of default in premium payments, without participation in surplus, for a sum equal to the face amount of the Policy and existing dividend additions, less any indebtedness to the Company hereon. The term of extended insurance will be the same as the cash surrender value hereinafter provided for will purchase at net single premium rates, according to the attained age of the insured. (See Table of Guarantees below.)

**PAID-UP VALUE.**—(B)—Paid-up Insurance.—Upon the written request of the insured and assigns, if any, prior to the expiration of the thirty-one days' grace and the surrender of this Policy to the Company, it will issue a Paid-up Participating Policy, payable as

herein provided: The amount of the Paid-up Policy will be such the cash surrender value, hereinafter provided for, will purchase net single premium rates, according to the attained age of insured. (See Table of Guarantees below.)

The Extended Insurance or the Paid-up Policy will be entitled to cash surrender values according to the reserve thereon at time of surrender, computed upon the basis hereinafter mentioned less any indebtedness to the Company.

**CASH SURRENDER VALUE—SURRENDER CHARGE.—(C)—C** Value.—Within one month from date of default in premium payment, to surrender this Policy to the Company at its Home Office for its cash surrender value, which shall be equal to the entire reserve on this Policy, and dividend additions thereto, according to the American Experience Table of Mortality, with interest at three and one-half per cent per annum, less any indebtedness on Policy and a surrender charge as follows: During the third, fourth and fifth policy years, one per cent of the amount of insurance, decreasing one-tenth of one per cent annually thereafter until the end of the fourteenth year, after which no surrender charge is made. The payment of such cash value may be deferred for not exceeding six months after the application therefor is made, should the Company deem such action necessary. (See Table of Guarantees below.)

**LOANS.**—After three full years' premiums have been paid, Company, at any time while this Policy is in force, except as to Extended Insurance, on proper assignment of this Policy and on sole security thereof, will advance at the rate of six per cent interest per annum, a sum equal to, or at the option of the owner of Policy less than, the cash surrender value at the end of the current policy year as shown in column four of the "Table of Guarantees" below, deducting therefrom all indebtedness hereon to the Company and any unpaid balance of premium for the current policy year and interest in advance to the end of such year on the amount of the loan. Such loan, unless made to pay premiums on this policy, may be deferred for not exceeding six months after the application therefor is made. Failure to repay any such advance or interest shall not void this Policy, unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time such failure nor until one month after notice shall have been made by the Company to the last known address of the insured, and the assignee, if any, on record at the Home Office of the Company.

**PREMIUM LOANS.**—At any time while this policy is not assigned and while there is no premium in default, the insured may draw by written notice to the Company at its Home Office, that a premium has been paid for three years, any subsequent premium not paid prior to the expiration of the grace period shall be charged against the policy as a loan at six per cent interest per annum subject to the provisions above in regard to loans, except that assignment of the policy shall not be required and the interest shall be added to the loan each year unless paid to the Company. Such premium loan may be repaid at any time, and the insured may at any time, by written notice to the Company, revoke the direction such loan as to premiums thereafter payable.

**POLICY CLAIMS.**—Upon maturity of this Policy its legal surrender will be required, and any indebtedness of the insured to the Company under this Policy will be deducted in any settlement thereunder. All proofs of death must be furnished upon blanks supplied by the Company.

#### AGREEMENT FOR DISABILITY BENEFIT.

To be attached to and form a part of the Policy No. 99999, dated February 21st, 1916, of the Bankers Life Company, Des Moines, Iowa, on the life of John Doe.

The premium set out in the Policy No. 99999 includes an additional premium of Five and 50/100 Dollars per annum, as the consideration for the following additional benefits:

**DISABILITY BENEFIT.**—After the premiums have been paid for at least one full year and provided no premium is in default, if the insured, before attaining the age of sixty years, becomes totally, permanently and incurably disabled as a result of accident or disease (not due to any cause or condition existing at the time of application for this agreement) and is thereby prevented permanently, continuously and wholly from performing any work or following any occupation for compensation or profit, the Company will make payment of premiums thereafter becoming due under said Policy which shall be continued in force for the same amount and with the same cash surrender and loan values (except as herein-after provided) as if such premiums had been paid, and beginning one year after receipt of due proof of such disability, if the policy is in full force, the Company will pay the policy to the insured as a monthly income for ten years, dividing the face of the policy into the equal monthly installments; the policy to be returned to the Company for endorsement thereon of each payment. The amount of the policy shall be reduced by the amount of each monthly installment paid, and any balance of the policy remaining upon the insured's death, or at maturity, shall be paid in accordance with the policy provisions. The cash surrender and loan values shall decrease in the same proportion as the amount of the policy.

**INSTALLMENTS LEFT AT INTEREST.**—The monthly income payments above provided for may be left with the Company to accumulate at a rate of interest to be determined by the Company, but not less than three and one-half per cent per annum; such accumulated amount to be withdrawable on any anniversary date of this agreement.

The granting of these benefits shall be subject to the conditions and full compliance with the requirements herein set forth.

**WHEN BENEFITS BEGIN.**—This agreement shall become operative upon receipt by the Company, at its Home Office, of due proof of such disability of the insured, such proof to be furnished on the Company's forms and while no premium is in default.

**EVIDENCE OF DISABILITY.**—Before approval of the proof of disability or at any time thereafter, any medical examiner or other accredited representative of the Company, shall be permitted to make such physical examination of the insured relative to his disability as the Company may desire.

**RECOVERY FROM DISABILITY.**—If, at any time, it is found that the insured has recovered from his disability, or has become able to perform any work or follow any occupation for compensation or profit, no further premiums shall be waived and no further monthly installments shall be paid to the insured by the Company, but the policy may then be continued in force for the net amount of insurance, after deducting any monthly installments paid from the original amount of the policy; the premiums subsequently payable, to be adjusted accordingly. The non-forfeiture values of the policy shall be reduced in the same proportion as the amount of insurance.

**DIVIDEND CREDITS APPLIED.**—Upon approval of proof of disability, the full legal reserve value of any paid up additions and the accumulated value of any dividends left at interest to the credit of the policy shall be applied on any indebtedness to the Company on the policy, or if there be no indebtedness shall be paid to the insured in cash, and such paid up additions or dividend credits shall thereby be cancelled.

**INDEBTEDNESS, HOW CANCELLED.**—Any indebtedness against the policy remaining unpaid after this agreement becomes operative shall be paid to the Company with accrued interest, in full, or in installments so as to reduce the indebtedness in the same proportion that the policy is reduced by the monthly payments to the insured and any such installment due and unpaid on the indebtedness, with accrued interest, shall be deducted from any monthly income payment due the insured.

**SPECIFIC CAUSES.**—Without prejudice to any other cause of disability the entire and irrevocable loss of the sight of both eyes or the severance of both hands above the wrist or of both feet above the ankles or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this agreement.

**DISABILITY AFTER AGE SIXTY.**—If the insured becomes totally disabled, as herein defined, after the age of sixty, and the requirements for furnishing due proof of such disability are complied with the Company will waive cash payment of all premiums thereafter becoming due, while the cash value of the policy is sufficient, charging such waived premiums with interest at three and one-half per cent per annum against said policy as indebtedness to be deducted in any settlement as provided in the policy. When the cash value at the end of any policy year is not sufficient to cover all indebtedness then existing with due or accrued interest, and the annual premium for the succeeding year, payment shall be waived on the terms above provided of only such part of the interest and premium as will keep the total indebtedness, including the payments so waived, within the cash value of the policy, the balance of such interest and premium to be paid in cash to continue the policy in force.

**PREMIUM TO AGE SIXTY.**—The additional premium for the Disability Benefit shall not be payable after the insured is sixty years of age.

**TO CANCEL AGREEMENT.**—This agreement may be cancelled by the insured, at any time before it becomes operative by proof of disability, by giving the Company written notice at its Home Office and after receipt by the Company of such notice, together with the policy for endorsement, no further additional premiums shall be payable, the policy to be continued on the same terms as though this agreement had not been issued.

## SPECIAL SETTLEMENT OPTIONS.

Policy is payable in one sum (as provided in face of policy) unless Company is given written notice as indicated below.

**WRITTEN NOTICE OF ELECTION REQUIRED.**—The insured may elect, by written notice delivered to the Company at its Home Office at any time while this Policy is not assigned, that out of the proceeds payable in a single sum as provided in the face of the Policy upon the Insured's death, any specified amount, instead of being paid in one sum, shall be applied under any one or divided between two or more of the options set out below, except that any amount less than \$1000.00 becoming payable to one beneficiary under any one option shall be paid in a single sum. The insured may revoke such election at any time by written notice delivered to the Company at its Home Office, indicating the manner in which payment shall be made.

**INSTALLMENTS AND SINGLE SUM.—OPTION 1.** The specified amount applied under this option shall be paid (beginning immediately) in twenty annual payments each equal to one-twentieth of said amount and at the end of the twenty year period, a further payment equal to one-half of said amount. Instead of the annual payments, the Company will make monthly payments, each equal to one-twelfth of the annual payment upon request of the insured or the beneficiary hereunder.

**LEFT ON DEPOSIT AT INTEREST.—OPTION 2.** The specified amount applied under this option shall be left with the Company on deposit at three and one-half per cent interest per annum payable at the end of each year, or such interest will then be divided into twelve equal installments payable monthly if request therefor has been made by the insured or the beneficiary hereunder, and unless otherwise directed in the above required notice of election, said specified amount with any accrued interest shall be paid upon the death of the insured or the beneficiary hereunder to the executors or administrators of said beneficiary.

**MONTHLY INCOME FOR FIXED PERIOD.—OPTION 3.** The specified amount applied under this option shall be paid as a monthly income (beginning immediately) for the fixed period stated in the above required notice of election; the monthly payments to be at the rate designated in the following table for each \$1000.00 applied hereunder.

**PARTICIPATING SUPPLEMENTARY CONTRACT.**—When settlement made under this Policy, a participating supplementary contract shall be issued to each beneficiary under each of the above options becoming operative, but any specified amount designated to be applied under any one of the above options which becomes payable to the executors, administrators or assigns of the insured shall be paid in one sum, unless the insured has otherwise directed in the required written notice to the Company. Interest dividends shall be payable under each supplementary contract as apportioned by the Company at the end of each year; such dividends being based upon the apportioned interest earnings in excess of the rate of three and one-half per cent per annum on the commuted value of the unsettled payments under options one or three, or on the sum left on deposits under option two, or on the commuted value of the unsettled payments for the minimum fixed period under option four.

**BENEFICIARY MAY NOT COMMUTE.**—When the insured has elected that payment shall be made to a beneficiary under any one of the above options, said beneficiary shall not have the right to assign or commute the payments provided for, unless the insured has specifically granted that right in the required written notice to the Company.

**SETTLEMENT FOR COMMUTED VALUE.**—If the beneficiary receiving payments under any one of the above options dies during the fixed payment period, the commuted value of any remaining payments shall be paid in one sum, upon surrender of the supplementary contract, to the executors or administrators of said beneficiary, unless otherwise directed in the written notice of election above required; said commuted value to be calculated on the basis of three and one-half per cent compound interest per annum and to include all unsettled payments under options one and three and all unsettled payments for the minimum fixed period under option four.

**BENEFICIARY OR INSURED MAY ELECT OPTIONS FOR SELF.**—Upon the death of the insured, the right granted to the insured to elect settlement under the above options shall be extended to the beneficiary, provided the insured has not otherwise directed. Or if this Policy is surrendered by the insured for cash, the cash proceeds may be applied by the insured in whole or in part for his own benefit in exact accordance with the provisions above for payment to the beneficiary.

## CONDITIONS AND AGREEMENTS REFERRED TO AS A PART OF THIS CONTRACT.

**NOTICE.**—No person has authority to erase, waive or modify in any way any of the terms or conditions of this policy.

**PAYMENT OF PREMIUMS.**—All premiums are payable at the Home Office of the Company, in Lincoln, Nebraska, but will be accepted elsewhere, when made in exchange for the Company's receipt signed by the President, Secretary or Treasurer. The delivery and acceptance of this policy is notice that each and every premium is due and payable at the date named in the policy, and any other or further notice is expressly waived. This policy shall not be in force until the first premium shall have been paid, while the insured is in the same condition of health described in the application, to the Company or to some person authorized by the Company to receive it. A failure to pay premiums, or any indebtedness to the Company, on this policy when due shall render this contract void, and all payments previously made shall be forfeited to the Company, except as hereinafter provided.

**GRACE.**—A grace of one month will be allowed in payment of subsequent premiums after this policy shall have been in force three months, subject to an interest charge at the rate of six per cent per annum, for the number of days during which the premium remains due and unpaid. During the month of grace this policy remains in force, and the unpaid premium, with interest as above, remains an indebtedness to the Company, which will be deducted from the amount payable under this policy, if the death of the insured shall occur during the month.

**INCONTESTABILITY.**—After two years from date of issue, the only conditions which shall be binding upon the holder of this policy are that the premiums shall be paid when due, and that the requirements of the Company as to military and naval service in time of war shall be observed. If the insured shall engage in military or naval service in time of war without first obtaining the written consent of the Company, this policy shall be null and void and of no effect.

**REINSTATEMENT.**—This policy may be reinstated (unless previously surrendered) at any time within three years after default in the payment of any renewal premium, provided the insured applies therefor and furnishes evidence of insurability satisfactory to the Company, and pays in cash all past due premiums with interest thereon at the rate of six per cent per annum from date when due; and, provided also, that any indebtedness to the Company on this policy at date of default, with interest thereon until date of reinstatement, will be a first lien against the policy.

**ASSIGNMENTS.**—No assignment of this policy will be recognized by the Company unless it shall be in writing, and assented to by the Company. The insured shall have the right to dispose of this policy to the Company without the consent of the person or persons named as beneficiary, if any, and shall also have the right at any time during his lifetime, if the policy has not been assigned, to change the beneficiary by written notice accompanied by the policy, with the consent of the Company and on endorsement of the change upon the policy by the Company.

**IF THE AGE OF THE INSURED IS MISSTATED,** the amount payable hereunder shall be the insurance which the premium paid would have purchased under this policy at the true age of the insured.

**THIS POLICY AND THE APPLICATION** therefor (a copy of which application is attached hereto) constitute the entire contract between the parties hereto. Statements of the insured, in the absence of fraud, shall be deemed representations and not warranties, and no such statement shall avoid the policy unless contained in the copy of the written application attached to the policy.

**SURRENDER VALUES.**—This policy is automatically non-forfeitable, as follows: If any premium, after premiums shall have

paid for three full years, is not paid before the expiration of the month of grace herein allowed, this policy will, without any action of the insured, or payment of further premiums, continue as non-participating paid-up term insurance for the principal sum insured but without loan or surrender values, as follows:

1. If there is no indebtedness to the Company on this policy the insurance will be for the term specified in Column 2 of the table of surrender values herein (the net value of which is the full reserve by the Actuaries' Table of Mortality at four per cent interest, less not more than two and one-half per cent of the face of the policy), such term to be reckoned from the due date of the unpaid premium.

In lieu of such term insurance, upon the insured's written request and legal surrender of this policy within one month from the due date of the unpaid premium, the Company will

(a) Issue a non-participating paid-up life policy for the amount specified in Column 1 of said table (the net value of which is not less than the full reserve by the Actuaries' Table of Mortality at four per cent interest, less not more than two and one-half per cent of the face of the policy), or

(b) Pay the cash value specified in Column 3 of said table (which is not less than the full reserve by the Actuaries' Table of Mortality, at four per cent interest, less not more than two and one-half per cent of the face of the policy), payment of which, however, may be deferred for not exceeding six months, at the option of the Company.

2. If there is any indebtedness to the Company on this policy such indebtedness shall be deducted from the net value of the term insurance provided for in paragraph 1 above, and the insurance shall be for such term, reckoning from the due date of the unpaid premium, as the excess of such net value over the indebtedness will purchase at the insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid.

In lieu of such term insurance, upon the insured's written request and legal surrender of this policy within one month from the due date of the unpaid premium, the Company will

(a) Issue a non-participating paid-up life policy for such amount as the excess referred to will purchase at the insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid, or

(b) Pay the cash value specified in Column 3 of said table less such indebtedness, payment of which, however, may be deferred for not exceeding six months, at the option of the Company.

In case of default in the payment of a premium due at an intermediate period, the non-forfeitable values will be computed on the same basis as the corresponding values for the end of the policy year last expired. The values provided for above will be increased by the reserve, less not more than two and one-half per cent of the face amount, on all dividend additions to this policy, if any.

**LOANS.**—After three full years' premiums have been paid on this policy, the legal holder will be entitled to cash loans on the sole security of this policy. The aggregate loans hereunder, including any unpaid premiums, and interest to the end of the current policy year, shall not exceed the sum stated in the table of loan values herein (which shall be the full reserve at the end of such current policy year by the Actuaries' Table of Mortality at four per cent interest, less not more than two and one-half per cent of the face of the policy). A proper note or loan agreement and assignment of the policy must be executed by the insured on forms provided by the Company and the policy deposited with the Company. Interest shall be at the rate of six per cent per annum, payable in advance; failure to pay any loan or interest thereon shall not void this policy, unless the total indebtedness to the Company on this policy shall equal or exceed the loan value as given in the table of loan values herein, nor until one month after notice has been

called by the Company to the last known address of the insured and of the assignee, if any, of record at the Home Office of the Company. The values above provided for will be increased by the reserve less not more than two and one-half per cent of their face amount on all dividend additions, if any, to this policy. The payment of any loan applied for under the above provisions may be deferred for not exceeding six months, at the option of the Company.

**DIVIDENDS.**—This policy, while in force, shall participate in the surplus of the Company, and, beginning not later than the end of the third policy year, and annually thereafter, the Company will determine and account for the portion of divisible surplus accruing to this policy, and the dividends awarded hereon shall, at the option of the insured, as elected at time of making application be, (1) payable in cash, or (2) be used to purchase additional paid-up insurance, payable according to the terms of this policy, or (3) be applied in reduction of premiums, or (4) be allowed to accumulate to the credit of the policy holder with interest at three per cent per annum. If no election is made, as provided above, the dividends shall be payable in cash.

Any indebtedness to the Company on this policy, including any balance of the current year's premium remaining unpaid, will be deducted in any settlement of this policy.

#### APPLICATION.

It is hereby expressly stipulated and agreed: 1st. That the above application, together with the statement made to the examining physician, and the report of the examining physician and this declaration, and the policy that may be issued to me, shall be the contract between me and THE BANKERS LIFE INSURANCE COMPANY OF NEBRASKA; and I hereby represent the same to be full, complete and true, whether written by my own hand or not; the representation being a condition precedent to, and a consideration for, the policy which may be issued hereon. And it is fully understood and agreed, that if any fraudulent answers shall be or shall have been made, or if I should neglect or refuse to pay any premium on or before the dates when they shall become due, then, in that event, the said policy shall become null and void, and all money which shall have been paid shall be forfeited to the Company, except as provided in the policy.

2d. That said Company shall not be liable, during the first two years under the policy hereby applied for, if my death shall be the result or consequence of violation of law, or while I am resisting attempting to escape arrest therefor. It is also understood and agreed, that if I shall engage in blasting, submarine labor, aeronautical travel, the manufacture or handling of highly inflammable or explosive substances, or service upon any vessel or railroad during the first two years under this policy, or in any military or naval service in the time of war, without first obtaining the consent of said Company in writing, then the policy shall be null and void and have no effect, except as provided in the policy.

3d. That inasmuch as only the officers at the Home Office of said Company, in the City of Lincoln, Nebraska, have authority to determine whether or not a policy shall issue on any application, and as they act on the written statements and representations referred to, no statements, representations, promises or information made or given by or to the person soliciting or taking this application for a policy, or by or to any other person, shall be binding on said Company, or in any manner affect its rights, unless such statements, representations, promises, or information be reduced to writing and presented to the officers of said Company, at the Home Office of this Company.

4th. That in any distribution of surplus or profits, the principles and methods which may be adopted by said Company for the distribution, and its determination of the amount equitable belonging to any policy which may be issued under this appli-

tion, shall be and are hereby ratified and accepted by and for every person who shall have or claim any interest under such policy.

5th. And it is agreed that there shall be no contract of insurance until a policy shall have been issued and delivered by the Company, and the first premium thereon paid while the person proposed for insurance is living and in good health.

6th. That no suit shall be brought against said Company under said contract after the lapse of six years from the time when the cause of action accrues.

I also understand that no person is authorized to erase, write or change in any manner any of the blanks or printed matter contained or furnished by the Company, or to promise any other terms or conditions than those published by the Company in its printed material.

#### MEDICAL EXAMINER'S FORM

I HEREBY DECLARE that I have read the above questions, written answers, and that the answers as written are true.

## PROVISIONS AND CONDITIONS.

REFERRED TO ON THE FIRST PAGE OF THIS POLICY

1. **INCONTESTABILITY.** This policy and the application there constitute the entire contract between the insured and the company and shall be incontestable after one year from date hereof, except for non-payment of premiums or for military or naval services time of war without the written consent of the Company.

All statements made by the insured shall in the absence of fraud be deemed representations and not warranties, and no such statement shall avoid this policy unless it is contained in the written application therefor, a copy of which is attached hereto or endorsed hereon when issued.

If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

2. **GRACE.** A grace of one month (not less than thirty days) subject to an interest charge at the rate of six per centum per annum, shall be granted for payment of every premium after the first day of the month during which month the insurance shall continue in force. If the insured shall die during the month of grace the overdue premium shall be deducted in any settlement hereunder.

3. **VALUATION.** The first year's insurance under this policy shall be valued on the basis of term insurance.

4. **CHANGE OF BENEFICIARY.** The insured may at any time during the continuance of this policy, provided said policy has not been assigned, change the beneficiary, upon written request to the home office of the Company, together with a surrender of the policy.

5. **PAYMENT OF PREMIUMS.** Premiums hereon after the first year are due and payable in advance, either at the home office or to the agent of the Company, upon delivery of a receipt signed by the President, Secretary or Treasurer.

Except as herein otherwise provided, the payment of a premium or instalment thereof shall not maintain the policy in force beyond the date when the next premium or instalment thereof is payable.

This policy is based upon premiums payable annually in advance, but upon written notice to the Company the insured shall have the option at the time any premium falls due of paying annual, semi-annual or quarterly premium, according to the Company's schedule for this kind of policy, and the same will continue this policy in force for the time paid for, the receipt for which must be signed as aforesaid.

6. **DIVIDENDS.** This policy shall participate in the surplus of the Company, and beginning at the end of the third policy year the Company will annually determine and account for the portion of the divisible surplus accruing hereon.

Dividends accrued as above may at the option of the insured be either:

- (1.) Paid in cash, or
- (2.) Applied toward the payment of any premium or premiums, or
- (3.) Applied to the purchase of paid-up additions to the policy, or

(4.) Left to accumulate to the credit of the policy with interest at three per centum per annum and payable at the maturity of the policy, but withdrawable on any anniversary thereafter. When at the end of any policy year the dividends so accumulated plus the cash surrender value hereon, shall equal or exceed the single premium for a Whole Life Policy at the attained age, the Company will at the option of the insured issue in lieu of the policy a paid-up non-participating Whole Life Policy for the amount hereof.

Unless the owner of this Policy shall elect otherwise within three months from the mailing by the Company of a written notice requiring such election, the dividends shall be paid in cash.

7. **AUTOMATIC PAID-UP INSURANCE.—First Option.** After three full years' premiums have been paid hereon, upon default in the payment of any premium, if the insured has selected no other option, the Company, without action on the part of the insured, will continue this Policy as a paid-up non-participating Whole Life Policy for the amount stated in the table on the first page hereof, plus any outstanding dividend additions hereto, purchasable by the reserve according to the American Experience Table of Mortality and three and one-half per cent interest, less not more than one per centum of the amount insured by this Policy and of any existing dividend additions hereto and less any existing indebtedness to the Company hereon.

8. **EXTENDED INSURANCE.—Second Option.** If after three full years' premiums have been paid hereon, this policy shall lapse by default in the payment of any premium when due, then, upon surrender of this policy within one month after such default, the reserve hereon according to the American Experience Table of Mortality and three and one-half per cent interest, less not more than one and one-half per centum of the amount insured by this Policy shall be applied to the extension of this Policy for its face amount for the term stated in the second option in the table on the first page hereof, without further payment of premiums, but without future participation or the right to loans. If there be any dividend additions to this Policy the values shall be proportionately increased from the reserve on such additions, computed on the same basis. If there should be any indebtedness hereon the values shall be diminished proportionately on the same basis.

9. **CASH SURRENDER VALUE.—Third Option.** After three full years' premiums have been paid hereon, if this policy is surrendered to the Company within one month after the non-payment of premium when due, the Company will pay therefor, within ten days from the date of such surrender, the amount stated in the table on the first page hereof, plus the reserve on any existing dividend additions, according to the American Experience Table of Mortality and three and one-half per cent interest, less not more than one per centum of the amount insured by this policy and of any existing dividend additions hereto and less any existing indebtedness to the Company hereon. The cash value hereby available is at least equal to the amount otherwise applicable to the purchase of paid up insurance and is greater than the amount otherwise applicable to the purchase of extended insurance.

10. **LOANS.—Fourth Option.** After three full years' premiums have been paid hereon, and while this Policy is in force, the Company, upon written application, will loan, within sixty days after such application is received, an amount not to exceed the loan value of the policy, being the reserve on this policy at end of the current policy year, plus the reserve on any outstanding dividend additions, according to the American Experience Table of Mortality and interest at three and one-half per cent, less not more than one per centum of the amount insured by this policy and of the dividend additions hereto and less any existing indebtedness to the Company hereon. At the time of making such loan the Policy shall be duly assigned and surrendered to the Company as sole security therefor. Interest in advance at six per cent to the

of the current policy year, and any unpaid premium for the current policy year shall first be deducted. Failure to repay any such advance, or to pay interest, shall not void this policy, unless the total indebtedness hereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any. No condition other than as herein provided shall be exacted as a prerequisite to any such advance.

11. **ASSIGNMENT.** No assignment of this policy shall be binding upon the Company until it is filed with and approved by the Company at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

12. **REINSTATEMENT.** This policy may be reinstated within three years from default in the payment of any premium hereon upon proof of good health satisfactory to the Company and the payment of all defaulted premiums with interest thereon at six per cent per annum. This privilege shall not apply if the policy has been surrendered to the Company for its cash surrender value and been canceled.

13. **POWER OF AGENTS.** No person other than the President, Secretary shall have authority to make, alter or discharge the contract, or to modify or extend any of its terms, conditions or provisions either before or after its issue and delivery. No statement, promise, estimate, representation or waiver of any of its terms, provisions or conditions herein shall be binding upon the Company unless written or printed in the Policy and duly signed by said President or Secretary.

14. **PROOF OF LOSS.**—If this Policy while in force shall become a claim by the death of the insured, settlement thereof, less an indebtedness thereon, will be made upon receipt of due proof of death, and upon due notice of death, blanks will be furnished upon which to submit proof.

15. **PERMANENT DISABILITY OPTION.** Should the insured hereunder become totally and permanently disabled from accident, while this Policy is in full force and effect, upon evidence satisfactory to the Company of such disability, the Company will pay to said insured, on surrender of this Policy duly receipted, one-half of the principal sum named on the face of this Policy, the place and within the time thereinbefore mentioned, deductible from the amount thereof any unpaid loan or other indebtedness thereunder. Provided in the event the cash value of the Policy and the additions thereto exceed fifty per cent of the face of the Policy, such cash value will be available at date of due proof of disability and approval of said disability claim.

16. **OPTIONS AT MATURITY.** The insured, by written notice, the Company at its Home Office, and with the written consent of the assignee, if any, may elect to have the net sum payable under this policy at the death of said insured, paid either in cash or follows.

(1.) By the payment of interest thereon at three per cent per annum, payable annually to the payee under this policy at the end of each year during the life of the payee and by the payment

upon the death of the payee of the said net sum and accrued interest to the executors, administrators, or assigns of the payee, unless otherwise directed in said notice.

The premium: *Three hundred sixty-one and 70-100 Dollars*, payable upon the delivery of this policy in accordance with the provisions of the application therefor, and a like sum payable on or before the *first* day of each *January* succeeding the *first* day of *January, 1914* (which last named date shall be taken as the beginning of the policy year and of the insurance hereunder), until the premiums have been fully paid for *twenty* successive years, or until the prior death of the insured.

In Consideration of the application for this Policy, which is hereby made a part of this contract, a copy of which application is hereto annexed, and of the payment of premiums as above described, the Berkshire Life Insurance Company promises to pay the Sum Insured, at its Home Office in Pittsfield, Mass., to the beneficiary herein named upon receipt at its said Home Office of due proof of the death of the insured occurring during the continuance of this Policy, and on its surrender, the balance of the premium, if any, for the then current policy year, and any other indebtedness on account of or secured by this Policy, being first deducted therefrom; subject, however, to the insured's right, if any, to change the beneficial interest hereunder, as hereinafter specified, and provided that if no beneficiary shall survive the insured, such payment shall be made to the executors, administrators, or assigns of the said insured.

## PROVISIONS, REQUIREMENTS AND BENEFITS.

MODIFICATIONS, ETC.—This policy while in force shall not be modified or altered, except upon the request in writing of the insured, and of other parties in interest, if any, and the approval on behalf of the Company of the President, a Vice-President, the

retary or an Assistant Secretary. All modifications and alterations shall comply with the legal requirements of the state within which the policy is issued.

**ENTIRE CONTRACT.**—This policy and the application therefor constitute the entire contract between the parties. All statements made by the applicant shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defense to a claim under this policy unless it is contained in the application and a copy of the application is endorsed hereon or attached hereto when the policy is issued.

**PREMIUMS.**—Premiums are payable in advance at the Home Office, but will be accepted elsewhere, on or before the date when due, in exchange for the Company's official receipt, signed by the President, or a Vice-President, the Secretary, or an Assistant Secretary, and countersigned by the agent authorized to deliver the same. In case of failure to pay any premium when due, or within the grace period, if any, or to pay when due the interest on any premium obligation, the Company's only liability shall be such, if any, as is set forth hereinunder. (See "Non-Forfeiture Benefits.") Subject to the grace provisions of this policy, no premium payment shall continue in force beyond the date on which the next premium will become due by the terms of this policy or amendments thereto.

**GRACE.**—After the first premium on this policy has been paid overdue premiums will be accepted within thirty-one days from the date the premium is due, the policy meantime being continued in force, and the premium unpaid being a lien upon the policy.

**SURPLUS.**—This policy, while in force, will participate each year in the distribution of the surplus funds of the Company. At the option of the holder of the policy, dividends will (a) be payable in cash, or (b) be applied in reduction of premiums, or (c) be used to purchase paid-up additions to this policy, or (d) may be left with the Company to accumulate to the credit of the policy, with interest at the rate of three per cent. per annum, payable at the maturity thereof or withdrawable in cash on demand by the holder of the policy. If no election is made by the holder of the policy prior to any anniversary thereof the dividend for that anniversary shall be held by the Company as provided in Option (d).

**PAYMENT OF PREMIUMS FROM SURPLUS.**—If any premium remains unpaid at the expiration of the period of grace, the Company will apply the dividend accumulations under Option (d) to the payment then due, if such accumulations are sufficient to make said payment in full.

**PAID-UP OR ENDOWMENT PROVISION.**—When the cash value of the policy and additions, together with any accumulated surplus held at interest, shall equal the reserve for a fully paid-up policy of the same form and amount at the then attained age of the insured the Company, upon written request, will endorse this policy a fully paid-up; or when such amount shall equal the face of this policy, the Company, upon written request and release by all parties in interest, will pay such amount as an endowment, after deducting any indebtedness hereon or secured hereby.

**CHANGE OF PLAN.**—Upon written request of all parties in interest, this policy, if in full force, may be exchanged at any anniversary of its issue, without medical examination, for any other form of policy now written by the Company, except the continuous instalment plan, provided the rate of premium shall not be diminished thereby, upon payment of such amount as the Company may require. The new policy shall be for the same amount, shall bear the same number and date, and shall be written as of the same age as this policy.

**ASSIGNMENTS.**—The Company shall not be held to have notice of any assignment of this policy until the original assignment, or a duplicate thereof, is filed in the Company's Home Office; the Company will not assume any responsibility for the validity of an assignment, and before payment of the policy the claim of an assignee shall be subject to proof to the satisfaction of the Company. No assignment of this policy shall be deemed to transfer the title to any dividends or dividend additions or accumulations, accrued or to accrue hereon, unless the same shall be specifically included in such assignment.

**APPOINTING OR CHANGING BENEFICIARY.**—The insured, subject to the rights of any assignee, may, if the right to do so has been reserved in the application for this policy, appoint a beneficiary or beneficiaries, provided none be herein named, and also from time to time during the continuance of this policy, may change the beneficiary or beneficiaries, whether named in the policy or not, by filing with the Company a written request therefor. Such appointment or change shall take effect only upon the endorsement of the same on the policy by the Company at its Home Office.

**LOANS.**—After two full annual premiums have been paid hereon, and on a proper assignment of this policy, upon its prescribed form, the Company, at any time within thirty days after the application therefor, will lend on the sole security of this policy, with interest at five per cent. per annum, payable in advance, the whole or any part of the cash value of the policy and of all paid-up additions thereto at the end of the policy year during which application for the loan is made, provided that from such loan the Company will deduct any existing indebtedness on account of or secured by the policy and any unpaid portion of the premium for the current policy year. Failure to repay any such loan, or to pay interest thereon, shall not avoid the policy unless the total indebtedness thereon shall equal or exceed the loan value at the time of such failure, nor until thirty-one days after notice has been mailed by the Company to the last known address of the insured and of the assignee of record at the Home Office of the Company, if any.

**TRAVEL, RESIDENCE, OCCUPATION.**—This policy is free from any restriction as to travel, residence or occupation.

**ERROR IN AGE.**—If the age of the insured has been misstated in the application for this policy, the amount payable shall be such as the premium would have purchased at the rate for the correct age.

### NON-FORFEITURE BENEFITS.

In case of default in the payment of any premium, after two full annual premiums have been paid hereon, the holder of this policy shall be entitled, by a writing filed with the Company at its Home Office during the period of grace, to elect one of the following options:

(1). **CASH VALUE.**—To surrender the policy, and, with the written assent of the person or persons to whom it is made payable, receive within thirty days of the application therefor its then cash value, which will be the cash value stated in the accompanying table, increased by the value of any dividend additions or accumulations and diminished by the amount of any indebtedness hereon or secured hereby.

(2). **PAID-UP INSURANCE.**—To have the policy continued as paid-up insurance payable at the same time and on the same conditions as in the original contract, for such an amount as its then cash value, as above defined, will purchase as a net single premium. Such insurance shall participate annually in the distribution of surplus and shall have increasing cash values.

(3). **EXTENDED INSURANCE.**—To have the policy continued as extended term insurance from the due date of the premium in default for its face amount, increased by any dividend additions and diminished by any indebtedness hereon or secured hereby, for such time as its then cash value, as above defined, will purchase as a net single premium. Such extended insurance shall not have the right to loans but shall have a cash surrender value and shall participate in the annual distribution of surplus, the share apportioned thereto to be payable in cash.

**AUTOMATIC PROVISION.**—If, during the aforesaid period of grace, the holder shall not elect one of the foregoing options, this Policy shall be continued as participating paid-up insurance under the second option.

The values for this policy are stated in the accompanying table for even years. If the default occurs after the payment of not less than a quarterly instalment of the current year's premium, the values will be proportionately increased. They will also be increased by the value of any dividend additions or accumulations and decreased, in the manner set forth above, by the amount of any indebtedness hereon or secured hereby. After all premiums have been paid on this policy, or if this policy becomes paid up for a reduced amount, or if extended term insurance is taken hereunder, the insurance will have a cash surrender value which will be its legal net value and will be available within thirty days of application therefor on legal surrender of the policy.

The values in the above table, and the corresponding value for intervening and subsequent years (which will be furnished on request), are based upon the American Experience Table of Mortality, with interest at the rate of three per cent. per annum. The amount deducted from the reserves in computing the values for the second to the ninth policy years inclusive, is in no case more than one and four-tenths per cent. of the amount insured, and no deduction from the reserves is made in computing the values for the tenth and subsequent years. Loan Values are available at any time after two full years' premiums have been paid.

## REINSTATEMENT.

This policy may be reinstated at any time after the date of default in the payment of any premium (unless the cash value has been paid, or the extension period has expired), upon the production of evidence of insurability satisfactory to the Company, and the payment of all overdue premiums, and the payment or reinstatement of any other indebtedness to the Company on account of or secured by said policy, with interest at the rate of six per cent. per annum.

## INSTALMENT OPTIONS.

**INSTALMENT PROVISIONS.**—The insured, with the power of revocation, shall have the right to elect that the payment of this policy when due shall be in instalments rather than in one sum. Each instalment certain after the first will be increased by such share of surplus interest as may be allotted thereto by the Directors. The Company will, on the surrender of this policy when due, give in exchange an agreement to pay in accordance with the method elected by the insured under either Option A or Option B hereinafter stated. If the insured shall not have previously elected either of said Options, the beneficiary or beneficiaries, when this policy becomes payable, shall have the right of election.

Any such election, revocation or appointment, must be in writing, duly executed in form satisfactory to the Company, and this policy returned to the Home Office of the Company for appropriate endorsement.

## OPTION A.

## INSTALMENTS FOR A DEFINITE NUMBER OF YEARS.

**LIMITED INSTALMENTS.**—At the death of the insured, to have the whole, or any part not less than \$1,000 of the proceeds of this Policy, including any dividend additions then in force, paid in a specified number of annual instalments, as per table below, which shall apply pro rata per \$1,000 for the amount so paid, the first instalment being payable upon the issue of the agreement.

The number of instalments under this option may be changed at any time by the insured. Unpaid instalments will be computed on the basis of three per cent. compound interest and paid in one sum at any time when an instalment is due, upon the written request of the beneficiary or beneficiaries, if of lawful age, provided the insured shall not otherwise have directed in writing.

## INSTALMENTS CONTINUOUS FOR LIFE (TWENTY CERTAIN).

**CONTINUOUS INSTALMENTS.**—At the death of the insured, to have the whole, or any part not less than \$1,000 of the proceeds of this policy, including any dividend additions then in force, paid in annual instalments, continuous during the lifetime of the beneficiary, of an amount corresponding to that stated in the table below for the age of the beneficiary or beneficiaries at the date of the death of the insured, which table shall apply pro rata per \$1,000 for the amount to be so paid, the first instalment being payable upon the issue of the agreement. If there be more than one beneficiary, the amount to be so paid shall be considered as divided into equal parts and the amount of each beneficiary's annual instalment shall be determined pro rata for the age attained.

**PAYMENT AFTER DEATH OF BENEFICIARY.**—In the event of death of the beneficiary before receiving all the instalments under Option A, or all the first twenty instalments under Option B, such unpaid instalments as may then remain unpaid will be commuted on the basis of three per cent., compound interest, and paid in one sum to the executors, administrators or assigns of such beneficiary provided, however, that the insured, by a writing filed with the Company, may designate some person who, in case of the death of the beneficiary before receiving all of said instalments, shall be entitled to receive annually such of the same as may then remain unpaid. If the insured shall not have made such designation, the beneficiary may do so when this policy becomes payable.

**SEMI-ANNUAL, QUARTERLY OR MONTHLY INSTALMENTS.**—Under either of the foregoing options, annual instalments may be taken in equivalent semi-annual, quarterly, or monthly payments. The equivalent of each \$100 of annual instalment is \$50.40 paid semi-annually; \$25.30 paid quarterly; or \$8.45 paid monthly.

The assured is hereby notified that by virtue of this policy he is a member of the BERKSHIRE LIFE INSURANCE COMPANY and is entitled to vote either in person or by proxy at any and all meetings of said Company. The annual meetings are held at the Home Office on the 20th day of January in each year, at 2 o'clock P. M., or on the 21st day of January, in case the 20th should be Sunday.

## APPLICATION.

I agree that the insurance hereby applied for shall not be in force until the acceptance and approval of this application by the Company at its Home Office, the delivery of the policy to me or my agent, and the payment of the first premium as required therein during the condition of my health described and certified to in this application; and that upon such delivery said policy shall be taken and accepted as having become effective upon the date stipulated in the policy as the date on which the insurance begins.

2. **SUM ASSURED.**—(\$10,000) *Ten Thousand Dollars.*
3. **PREMIUM.**—\$379.50, payable in advance, every *twelve* months from the *15th* day of *March, 1916*, during the life of the assured, until premiums for *twenty* full years shall have been paid.

This assurance is subject to the privileges, provisions and options hereon endorsed, which form a part of this contract as fully as if the same were stated over the seal and signatures hereto attached.

**Signed and Sealed** at Toronto, Canada, this *15th* day of *March, 1916.*

C. R. ACRES,

*Secretary.*

H. C. Cox,

*President.***PRIVILEGES.**

1. **NO RESTRICTIONS.**—No restrictions are placed upon the assured as to residence, travel or occupation, except as stated in Provision 8 hereof.
2. **GRACE.**—Thirty-one days of grace are allowed for the payment of every premium after the first.

3. **INDISPUTABILITY.**—After being in force one full year this policy shall, subject to the payment of premiums, and to Provision 8 hereof, be indisputable.

4. **PAYABLE IN GOLD.**—The sum assured shall be payable in gold coin of the present legal standard of weight and fineness. The premiums may be paid either in such gold coin, or its equivalent in currency of Canada or the United States, at the market value.

5. **SURRENDER VALUES.**—After premiums for three full years have been paid the assured may (at any time within sixty days after the due date of a premium payment) upon legal surrender of this contract (a) receive the surrender value in cash, (b) obtain a non-participating paid-up insurance, or (c) obtain a non-participating extended term insurance. These values are stated in the Table on page 3 hereof. If non-participating extended term insurance be taken, and if there be any indebtedness outstanding, the amount of such term insurance and the period for which it will run shall be determined as in Privilege 8. These options are to be construed agreeably to the automatic insurance privilege hereinafter provided.

6. **LOANS.**—At any time after premiums for three full years have been paid the Company will lend upon the sole security of this policy (in the absence of statutory restrictions and on execution of a proper loan agreement and delivery of this policy to the Company) up to the loan value specified in the Table on page 3 hereof, at a rate of interest which may be but shall not exceed 6 per cent per annum payable in advance to the end of the current policy year. The interest upon any such indebtedness, if not paid when due, shall be compounded yearly, and if the accumulated indebtedness on this policy exceed the entire cash surrender value hereof all liability of the Company under this policy shall thereupon terminate (subject, however, to the right of the assured to have the policy reinstated as provided for in Privilege 10 hereof) but such termination shall not take effect until at least one month after the Company has mailed notice as to such termination to the last known address of the assured and assignee, if any.

7. **AUTOMATIC PREMIUM LOAN.**—If in the application for this policy the assured shall have so requested, this policy shall not after premiums for three full years have been paid, lapse or become forfeited by reason only of the non-payment of the premium within the days of grace allowed herein, provided the cash surrender value of the policy and of any dividend additions thereon (less any indebtedness on the policy) is equal to or greater than the premium then due and unpaid. In such event the Company will without further request treat the premium then due as paid and the amount of such premium (with interest as hereinafter provided) shall become a first lien upon the policy in the Company's favor in priority to the claims of any assignee or of any other person.

If the net available cash surrender value be less than the premium that is due, the Company will without further request continue this insurance in force until such value is exhausted (that is for a period which bears the same ratio to the full premium period then ensuing as such net value bears to the full premium then due and if prior to the expiration of such reduced period the last due premium be not paid in full, all liability of the Company on this policy shall thereupon terminate, subject to the right of the assured to have the policy reinstated as provided for in Privilege 10 hereof).

The rate of interest chargeable under these automatic loan may be but shall not exceed six per cent per annum, together with an expense fee of one per cent per annum upon the loan. The said interest and expense fee shall be payable annually on January 1st and if not then paid shall bear interest at six per cent per annum compounded yearly.

If requested by the assured in writing while this policy is in force the Company will cancel the further operation of this automatic loan privilege and thereafter the extended insurance privilege (No. 8) will become available automatically in lieu of this privilege, and the extended insurance shall be subject to any existing indebtedness under this privilege or otherwise.

8. **EXTENDED INSURANCE.**—This policy, after premiums for full years have been paid, shall not lapse or become forfeited for reason only of non-payment of premium; but in such event the insurance shall continue in force for the time and amount in this privilege mentioned (provided there be no indebtedness thereon) as non-participating extended term insurance for the sum assured, to run from the due date of the premium in default and to continue in force for the period stated in the Table on page 3 hereof (with adjustment for intermediate periods on the same basis, in the case of default of a half-yearly or quarterly premium). If there be any indebtedness on this policy, the amount of such term insurance shall be the face amount of this policy less the amount of the indebtedness, and the period for which the said term insurance will run shall be that for which the cash surrender value of the policy at such indebtedness will carry such amount at single premium rates, based on the British Offices Life Tables, 1893, OM (\*) at interest at three per cent, which shall also be the basis for the calculation of the extended insurance value after the expiration of the period covered by the Table hereon. Provided that such extended insurance may be surrendered to the Company at its Head Office within one month from the date of default in payment of premium for a cash value at least equal to the sum which would otherwise be available for the purpose of such extended insurance, provided also that the original policy contract may be reinstated as provided for in Privilege 10 hereof. Any dividend additions shall be added to the amount of extended insurance provided above and the cash value of such additions shall increase the period for which such insurance will be continued. This privilege only to become operative when the assured has not made a request (either before or after the policy contract is made) for the automatic premium loan privilege, or where, if such request has been made, the same has been cancelled.

9. **BENEFICIARY.**—The assured may appoint a beneficiary or beneficiaries, or may change the beneficiary or beneficiaries already appointed, or declare that this policy shall be for the benefit of himself or his estate at any time during the continuance of this policy by written notice to the Company at its Head Office, accompanied by this policy, provided this policy has not then been assigned notice thereof given to the Company, and provided there is no living beneficiary then living. The assured may at any time, by written notice to the Company, accompanied by this policy, declare a beneficiary then named to be the absolute beneficiary under this policy. Such an appointment of beneficiary, change of beneficiary, or declaration, shall not take effect until endorsed on this policy by the Company at its Head Office. During the lifetime of the absolute beneficiary the right to change the beneficiary will not exist in the assured.

Provided always that if the assured be domiciled in Canada, if the sum assured be (under the policy or any declaration) for the benefit of such of the relatives of assured as by the law of such country shall be free from the claim of creditors, then this privilege shall not apply or have any effect.

In the event of this policy becoming a claim before the appointment of any beneficiary the sum assured hereunder shall be payable to the assured's executors, administrators or assigns. If any beneficiary die before the assured the interests of such beneficiary shall vest in the assured.

10. **REINSTATEMENT.**—If this policy becomes terminated, as a result of the exercise of Privileges 6 or 7, or by Provision 3, the assured shall have the right to have the policy reinstated with

three years thereafter by furnishing satisfactory evidence of insolvency and upon payment of overdue premiums and all other indebtedness to the Company with interest thereon at six per cent  $\frac{1}{2}$  annum, compounded yearly. If in accordance with Privilege 8 the insurance be continued in force as non-participating extended term insurance, the original policy contract may be reinstated on the same terms.

#### PROVISIONS.

1. The due date of a premium shall be that stipulated on the face hereof.

2. No agent has authority to put this policy in force by delivery thereof without the payment of the premium and the delivery of the proper receipt therefor. If it goes into the possession of an interested party without such payment or receipt it is only for loan, and it is not thereby put in force. A receipt for premium shall be valid or binding upon the Company only when issued from the Head Office in Toronto, upon the Company's printed form and signed by the President or Vice-President or General Manager and Secretary. Premiums are payable at the Head Office, but, for the convenience of the assured, they may, when not overdue, be paid to an agent of the Company in exchange for the official receipt signed as above stated, and countersigned by the agent.

3. If any premium, due prior to the time when the automatic insurance privilege commences to operate, be not paid within thirty-one days of grace, this contract shall *ipso facto* become void but it may be reinstated as provided for in Privilege 10 hereof.

4. Self-destruction (whether the assured be sane or insane) during the first policy year is a risk not assumed by the Company under this contract.

5. The age of the assured will be admitted at any time before the maturity of this policy upon satisfactory evidence of such being furnished to the Company at its Head Office, but if not admitted and if the age has been misstated the amount payable hereunder shall be such as the premium would have purchased at the correct age.

6. This policy and the application therefor contain the entire contract between the parties hereto, and all statements made by the assured shall in the absence of fraud be deemed representations and not warranties. Provided that where the laws of the country of domicile of the assured at the issue of the policy so require, no such statement shall avoid the policy unless it be contained in the written application therefor and a copy of the same be endorsed on or attached to the policy when issued. This contract cannot be varied except in writing hereon signed by one of the following Executive Officers of the Head Office of the Company in Toronto, namely, the President, Vice-President, General Manager, Secretary or Actuary. Any such variation shall not contravene the law of the domicile of the assured.

7. An assignment of this policy shall not be binding upon the Company unless in writing and filed at its Head Office in Toronto, Canada. The Company by filing an assignment assumes no responsibility for the validity or effect thereof.

8. Should the assured engage in any active military or naval service in time of war without the written consent of the Company evidenced by the signature of two executive officers thereof, and payment of such extra premiums as the Company may determine the Company's liability in the event of his death during such service or within six months after the termination of such service, shall be limited to the reserve on this policy at the time of death, according to the American Experience Table of Mortality with interest at three per cent.

9. In the event of this policy becoming a claim, the title of the person claiming the money shall be duly proven before payment

this contract delivered to the Company with a valid discharge therefor. Any loan or indebtedness to the Company on the policy, and the unpaid balance (if any) of the current year's premium will be deducted from the sum payable under the policy at settlement.

### OPTIONS.

**DIVIDEND OPTIONS.**—This policy while in force shall participate in the distribution of surplus of the Company at the end of the first policy year upon payment of the second year's annual premium, and at the end of each subsequent policy year. The assured may elect to apply his annual dividends either (a) by purchasing a paid-up addition to the policy, (b) by payment in cash, (c) by reduction of the premium for the ensuing year, or (d) by allowing the dividends to remain with the Company and accumulate to the credit of the policy with interest (annually) at not less than three per cent per annum, and payable at maturity of the policy, but withdrawable at demand at the end of any policy year. If no other option is elected by the assured, the dividend shall be paid in cash.

If the assured shall have selected Option (d), the Company, provided written request therefor be made, will pay the sum assured thereunder as an endowment when the reserve on the policy, based on the British Offices Life Tables, 1893, OM <sup>(5)</sup> with interest at three per cent, together with such accumulated dividends, shall amount to the sum assured; or such accumulated dividends may, at the assured's direction, be applied at any premium due-date as an annuity (computed by the Company) towards cancellation of future premiums. The declared accumulated dividends under Option (d) shall be available in or towards payment of premiums under the automatic loan privilege (if uncanceled). No interest will be allowed if any dividend be withdrawn within one year of its declaration.

If Option (d) has not been previously selected, any of the first three options may be chosen at the time of any annual distribution, except that to change from Option (b) or (c) to (a) the consent of the Company shall be required.

Any option duly elected shall remain in effect until superseded by another of the above mentioned options.

**OPTIONS AT MATURITY.**—The assured, by written notice to the Company at its Head Office, and with written consent of the assignee or absolute beneficiary, if any, may elect to have the net sum payable under this policy upon the death of the assured paid either in cash or as follows:

**OPTION 1.** By the payment of interest thereon at three per cent per annum, payable annually, to the beneficiary under this policy during the life of the beneficiary and by the payment upon the death of the beneficiary of said net sum and accrued interest to the executors, administrators or assigns of the beneficiary, unless otherwise directed in said notice.

**OPTION 2.** By the payment of equal annual instalments for a specified number of years (the first instalment being payable immediately) in accordance with the following table for each \$1,000 of net insurance.

**OPTION 3.** By the payment immediately of a certain sum in cash, and equal annual instalments for a specified number of years (the first instalment being payable at the end of one year) in accordance with the following table, for each \$1,000 of said net insurance.

**OPTION 4.** By the payment immediately of a certain sum in cash, and equal monthly instalments for a specified number of months (the first instalment being payable at the end of one month) in accordance with the following table which is based on \$1,000 of net insurance.

**OPTION 5.** By the payment of equal annual instalments (the first instalment being payable immediately) for a fixed period of twenty years and for so many years longer as the beneficiary is

survive, in accordance with the following table, which is based on \$1,000 of net insurance.

Guaranteed instalments payable under Options (2), (3), (4) or (5) which shall not have been paid prior to the death of the beneficiary shall be paid, unless otherwise directed in said notice to the executors, administrators or assigns of the beneficiary.

If the assured shall not have directed otherwise the beneficiary may, after the death of the assured, by like written notice and with the written consent of the assignee (if any) select any one of the above options.

Unless otherwise specified by the assured, the beneficiary may on any interest date receive the amount yet due under Option (4) and may at any time when a payment is due receive the commuted value of the guaranteed payments yet to be made under Option (2), (3) or (4) computed upon an interest basis of three per cent but under Option (5), commutation (on such basis) will only be made in event of the death of the beneficiary occurring within a period of twenty years.

The cash value in any year is equal to the value of the extended insurance calculated on the basis of the above mentioned table of mortality and rate of interest. After the twentieth year the minimum basis for values shall be the above mentioned table of mortality and rate of interest, less an amount not exceeding one per cent upon the sum assured.

#### THE CANADA LIFE ASSURANCE COMPANY.

To be attached to Policy No. 99999 on the life of *John Smith* to be read as part thereof.

**TOTAL DISABILITY BENEFIT.**—(a) After this policy shall have been in force one full year, if the assured before attaining the age of sixty years shall furnish during continuance of this contract satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or disease, so that he shall not be permanently, continuously and wholly prevented therefrom performing any work for compensation or profit, or from pursuing any gainful occupation, and if premiums have been duly paid to the end of the policy year, in which such proof is approved, the Company will waive payment of the premiums thereafter falling due while such disability remains total and permanent and not otherwise, and will make endorsement hereon to that effect, which premium so waived will not be an indebtedness hereon and this policy will continue in full force.

(b) In addition to waiving premiums as aforesaid the Company, after proof of such disability as provided in (a), will pay, one year after such proof, one-tenth of the sum assured under the policy and a like amount yearly thereafter upon the anniversary of the first payment until ten such payments in all have been made. Should the death of the assured occur before the total of the payments so made is equal to the sum assured, the difference between the total payments made and the sum assured shall be paid in one payment to the beneficiary or other person entitled. Each such payment shall reduce to that extent the amount of assurance in force, and the Loan and Surrender Values shall be based upon the reduced amount. If at any time, when any such payment is due, there is an indebtedness on the policy in excess of the Cash Surrender

Value of the reduced amount of assurance, the Company will apply such part of the payment as may be necessary to reduce the indebtedness to the amount secured by such Cash Surrender Value.

PROVIDED ALWAYS that notwithstanding proof of disability may have been accepted by the Company, the assured shall, as often required by the Company, but not oftener than once a year, furnish satisfactory proof of the continuance of such disability. If the assured shall fail to furnish such proof or if he shall so far recover as to be able to engage in any gainful occupation, then no further premiums shall be waived and no further payments under (b) shall be made by the Company. In such an event, if the amount of the assurance shall have been reduced by the amount of the payment made under (b), such reduced amount of assurance shall thereafter be deemed the sum assured hereunder and the premiums thereafter falling due, as well as all benefits under the policy, shall be reduced proportionately.

Without prejudice to any other cause of total and permanent disability the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot as total and permanent disability within the meaning of this provision.

This benefit is granted in consideration of an extra annual premium of *Seven and no/100 Dollars*, and this extra premium is included in the amount of the premiums stated on the first page of this policy. This benefit and the extra premium therefor may be cancelled by the written request of the assured at any premium anniversary upon endorsement of such cancellation upon the policy by the Company.

If this benefit be continued in force until the assured has attained his sixtieth birthday any premiums which may fall due thereafter on this policy shall be reduced by the amount of the extra premium above stated for this benefit.

**THE CAPITOL LIFE INSURANCE COMPANY  
OF COLORADO.****HOME OFFICE DENVER, COLO.**

By this Policy of Insurance agrees to pay the sum of *(\$10,000.00) Ten Thousand Dollars*, at its Home Office in the City of Denver, IMMEDIATELY upon the receipt of due proof of the death of *John Doe*, of *Denver*, County of *Denver*, State of *Colorado*, (the Insured under this Policy), to *Mary Doe, Wife*, at the right of revocation, subject to all the requirements, privileges and provisions stated on this and the following pages, which are conditions precedent, and are a material part of this contract as fully as if they were recited at length over the signatures hereto affixed.

THIS CONTRACT is made in consideration of the written application of the above named Insured, which is made a part hereof, a copy of which is hereto attached, and the payment in advance to said Company, on the delivery of this policy, of *Three Hundred Eighty-one and 40-100 Dollars*, being the premium for the insurance ending on the *Fourth* day of *February*, 1916, and further payment of a like sum annually upon the *Fourth* day of the month of *February* in every year during the life of the Insured, until the premiums for twenty full years shall have been duly paid to the said Company.

In Witness Whereof, the Company has caused this Policy to be executed this *Fourth* day of *February*, 1915.

THOS. F. DALY,  
President.

**PREMIUM WAIVER AND DISABILITY BENEFIT.**

**SECTION 1.**—After one full year's premium has been paid hereon before default in the payment of any subsequent premium, if the Insured prior to attaining age sixty (60) shall furnish satisfactory proof that he has since such payment become totally and permanently disabled by bodily injuries or disease and will be permanently, continuously and wholly prevented thereby for life from pursuing any and all gainful occupations, the Company by endorsement in writing hereon will continue the insurance in force during the disability without payment of premiums, and the values in Article 1" shall remain the same as if the premiums were paid by the Insured.

Upon the written request of the Insured, the beneficiary and assignee, after proof as aforesaid, the Company will pay in any year during such total and permanent disability, if there shall be no indebtedness against the policy, not more than one twentieth (1/20) of the amount originally insured as stated on the first pay-

hereof, or if there shall be an indebtedness not more than twentyeth (1-20) of the difference between such indebtedness and the amount originally insured, each of such payments shall reduce to that extent the amount of insurance then in force, and in the proportion of such payments to the amount originally insured shall reduce the values set forth in "Table 1," and, if when the payments so made shall, together with any indebtedness to the Company, equal the amount originally insured, the Company's obligation under this policy shall be fully satisfied and discharged.

The Insured shall furnish satisfactory evidence of continuing total and permanent disability whenever so requested by the Company.

Without prejudice to any other cause of disability the following will be considered as total and permanent disability within the meaning of this provision:

(a) The entire and irrecoverable loss of sight of both eyes; (b) the severance of both hands at or above the wrists; or (c) the severance of both feet at or above the ankles; or (d) the severance of one entire hand and one entire foot.

Should this policy be surrendered for paid-up insurance under part (b), or for extended insurance under part (c), of Section of the "Options on Surrender," the provisions of this section, (Section I), shall not apply.

#### GUARANTEED COUPON OPTIONS.

SECTION II.—(a) At the maturity of any coupon attached hereto, the amount thereof may, upon the surrender of the coupon to the Company, be applied to the annual premium then due on this policy; or, upon the payment of the said premium in full, the amount of the said coupon, upon its surrender to the Company may be withdrawn in cash, or, within thirty (30) days thereafter applied to the purchase of a reversionary addition.

(b) If, however, after the first policy year, the premium, when due hereon, be paid in full, and the amount of the coupon then due on the insured be left with the Company, the said amount shall accumulate at interest; and, at any time thereafter, within twenty (20) years from the date hereof, the said amount, together with interest thereon compounded at three and one-half (3½%) per cent annum for each full year, will be paid upon the presentation of said coupon; provided always that, if, at any time, this policy be discontinued in force through the operation of the "automatically forfeitable" condition thereof, then, as provided in the said condition, the amount of any and all matured unpaid, and matured coupons, with any interest thereon, together with the reserve value of any and all reversionary additions, shall be applied to further continue this policy in force.

(c) In the event of the death of the insured while this policy is in force, the amount of any and all matured unpaid coupons shall, upon the surrender to the Company of this policy and all coupons then thereon, be paid in addition to the amount of the policy, and any indebtedness to the Company.

(d) If the twenty annual premiums required on the first year hereof be paid in full, and if, as each coupon attached hereto matures, the amount thereof shall have been left with the Company to accumulate at interest until the end of twenty years from the date hereof, then, upon the surrender to the Company of this policy and all the said original coupons, the insured shall have the option of one of the following modes of settlement;

1. Receive the sum of *Seven Thousand Six Hundred Ninety Dollars (\$7,690.00)* in cash; or,

2. Receive an annuity of *Six Hundred and Twenty Dollars (\$620.00)* payable at the end of the first year, and annually thereafter during the lifetime of the said insured; or,

3. Receive a paid-up life policy for *Ten Thousand Dollars (\$10,000.00)* and the sum of *Two Thousand and Thirty Dollars (\$2,030.00)* in cash.

(e) If the annual premium required on the first page hereof be paid in full for fifteen (15) years, and if, as each coupon matures, the amount thereof shall have been left with the Company to accumulate at interest until the end of fifteen (15) years from the date hereof, then, upon the surrender to the Company of all the coupons originally attached hereto, the Company will endorse this policy paid-up for *Ten Thousand Dollars*.

(f) If the annual premium required on the first page hereof be paid in full for twenty (20) years, then, irrespective of the manner in which the insured may have applied the amounts of the matured coupons, the said insured shall, at the end of the said twenty (20) years from the date hereof, have the option of one of the following modes of settlement:

1. Surrender to the Company this policy with any reversionary additions and any unpaid coupons then thereon, and receive the sum of *Five Thousand Six Hundred and Sixty Dollars, (\$5,660.00)* in cash, together with the cash value of such reversionary additions and coupons; or,

2. Surrender to the Company any unpaid coupons then on this policy, for their cash value, and receive a paid-up policy for *Ten Thousand Dollars (\$10,000)* and any reversionary additions; or,

3. Surrender to the Company this policy with any reversionary additions and any unpaid coupons then thereon, and receive an annuity of *Four Hundred and Fifty Dollars (\$450.00)* increased by whatever amount the cash value of such reversionary additions and coupons will purchase; payable at the end of the first year, and annually thereafter during the lifetime of the said insured.

**THIS POLICY IS AUTOMATICALLY NON-FORFEITABLE, AS FOLLOWS:**

**SECTION III.**—If the owner shall not, within one month from default, surrender this Policy to the Company at its Home Office, in accordance with one of the Options on Surrender, and if any premium due hereon be not paid in accordance with the provisions of this contract, the amount of the premium, without any action on the part of the Insured, shall be charged against the Policy as a loan provided the loan value on the premium due date, as stated on Page 3 hereof, after deducting therefrom all existing loans and indebtedness with accrued interest, be sufficient to permit of advance of the premium and interest to the end of the policy term in which the loan is made. Interest on such loan shall be paid in advance at a rate not exceeding six per cent per annum, unless paid in advance shall be added to and form part of the principal of the loan, so long as the loan value of the policy will so permit. If the loan value or the balance thereof shall not be sufficient to permit of the advance of the premium and interest to the end of the policy year in which the loan is made, then it shall be required to continue this Policy in force for such shorter period (even if but one day) as the said loan value or balance thereof shall permit. Such loan and interest accumulations, if not paid in cash, shall constitute a first lien against the Policy until repaid, in priority to the claim of any beneficiary or assignee; and at any time while this Policy is thus maintained in force, payment of premiums may be resumed without any medical re-examination.

It is further understood and agreed that, upon the exhaustion of the loan value referred to above, the amount of any and all matured unpaid, and maturing, coupons, with any interest thereon, together with the reserve value of any and all reversionary additions, shall be applied to further continue this policy in force, in the same manner and upon the same conditions as the said loan value.

The termination of this policy from any cause, or the surrender of any benefit thereunder, voids all unmatured coupons then thereon and the said coupons, on demand, shall be returned to the Company.

#### CONDITION REFERRED TO ON THE FACE HEREOF.

If the amount of this coupon, at or after its maturity, shall be applied, under the Automatically Non-Forfeitable condition of the Policy, then, without notice, this coupon shall become null and void.

NOTE.—As provided in the policy, the Insured may, at the maturity of this coupon, leave the amount thereof with the Company to accumulate at interest: or within thirty (30) days after maturity return this coupon, properly endorsed, to the Company, for the reversionary addition option.

SECTION IV.—LOANS.—After three full years' premiums have been paid hereon, the Company will loan, upon proper assignment of this policy and upon the sole security thereof, at a rate of interest not greater than six per cent per annum, a sum not exceeding the amount specified in the Table No. One of Loan Values herein set forth.

DEDUCTIONS.—The Company will deduct from any loan made hereunder any existing indebtedness on the Policy, any unpaid premium for the current policy year and interest in advance on the loan to the end of the current policy year.

INTEREST.—If the interest on any loan be not paid when due it shall be added to the principal of the loan and bear interest at the same rate. Failure to repay any loan or the interest thereon, when due, shall not avoid this Policy until the total indebtedness shall equal or exceed the cash value, nor until thirty days after notice shall have been mailed to the last known address of the Insured, or to any assignee of record.

SECTION V.—OPTIONS ON SURRENDER.—After three full years' premiums have been paid hereon, the Insured, on surrender of this Policy within one month after any default, may elect, according to Table No. One of Surrender Values herein set forth: (a) to receive the value of this Policy in cash; or, (b) to receive Non-Participating Paid-up Insurance, payable at the same time and on the same conditions as this Policy; or, (c) to have the Insurance extended in force from date of default, without participation and without right to loans, for its face amount, less any indebtedness to the Company hereon.

SECTION VI.—SURRENDER VALUES.—After three full years' premiums shall have been paid hereon, any surrender value available as specified in Table No. One, will be the reserve at the date of

default, computed according to the American Experience Table of Mortality, and interest at the rate of three and one-half per cent per annum less a Surrender Charge, which shall in no case exceed twenty-five dollars per thousand dollars of Insurance. The Cash Surrender Value shall at least equal the amount available for the purchase of Paid-up or Extended Insurance.

The values, specified in Table No. One, apply only if the Policy is free from indebtedness. If there be any indebtedness hereon and if Paid-up or Extended Insurance be applied for within one month after default, such indebtedness will be deducted from the amount of reserve used in the calculation of the values specified in said Table No. One and will reduce said values in the proportion that such indebtedness bears to the amount of such reserve.

If any premium be not paid when due, or if any note or obligation given for a premium be dishonored or not paid when due, this policy without any action or notice by the Company, shall become forfeited and void except as provided in Section III. "Automatically Non-Forfeitable," or Section V, "Options on Surrender."

**RENEWAL PREMIUMS.**—Renewal Premiums may be paid Annually, Semi-Annually or Quarterly, in advance, in accordance with the Company's Table of Rates applicable hereto, and the Insured may change from one to another of such modes of payment upon written request therefor to the Home Office of the Company.

Such change shall take effect upon the endorsement of the same on the Policy by the Company. If any beneficiary shall

die before the Insured, and if no new beneficiary be substituted, the interest of such beneficiary shall vest in the Insured or in the estate of the Insured.

**SECTION IX.—ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company until it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

**SECTION X.—INDEBTEDNESS.**—Any indebtedness to the Company on this policy will be deducted in any settlement hereunder. Any unpaid portion of the premium for the policy year current at the date of death is an indebtedness to the Company.

**SECTION XII.—GRACE.**—A grace of one month (not less than thirty days) without any interest charge therefor, will be granted for the payment of every premium after the first, during which time the insurance shall continue in force.

**SECTION XIII.—AGE.**—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**SECTION XIV.—INCONTESTABILITY.**—This Policy, together with the application therefor, shall constitute the entire contract between the parties, and shall be incontestable after one year from its date except for non-payment of premiums, nor shall any statement made by the Insured avoid this Policy, nor be used in defense to a claim hereunder, unless such statement is contained in the written application herefor, a copy of which is attached hereto.

All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties.

In case of the death of the Insured by his own hand while sane or insane, during the first policy year, the total liability of the Company under this Policy shall be limited to the surrender of the premium paid.

**SECTION XV.—RIGHTS OF THE INSURED.**—This Policy is issued upon the express understanding that the Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the Insured by this Policy.

**SECTION XVI.—NON-PARTICIPATING.**—This Policy is non-participating.

President.

The first year's insurance under this policy is term insurance.

CHANGE OF BENEFICIARY.—When the right of revocation has been reserved, or in case of the death of any beneficiary under a revocable or irrevocable designation, the insured, subject to any existing assignment of the policy, may designate a new beneficiary with or without reserving right of revocation by filing written notice thereof at the Home Office of the Company, accomplished by the policy for suitable endorsement thereon. If any beneficiary shall die before the insured and the insured shall not be designated a new beneficiary, the interest of such beneficiary shall be payable to the insured, his executors, administrators or assigns.

PAYMENT OF PREMIUMS.—The Company will accept payment of premiums at other times than as stated above as follows:

Semi-annually, One Hundred and Sixty-five Dollars and Forty cents on the First day of January and July, or quarterly, Eighty-two Dollars and Thirty Cents, on the First day of January, April, July and October.

Except as herein provided the payment of premium or installment thereof shall not maintain the policy in force beyond the time when the next premium or installment thereof is payable.

All premiums are payable in advance at said Home Office or an agent of the Company upon delivery of a receipt signed by

the President, Vice-President, Secretary, or Assistant Secretary and countersigned by said agent.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days shall be granted for the payment of every premium after the first during which period the insurance shall continue in force. If the insured shall die during the period of grace, the overdue premium will be deducted from any amount payable hereon in any settlement hereunder.

**LOANS.**—After three full years' premiums have been paid, the Company at any time, while this policy is in force, will advance on proper assignment of this policy and on the sole security thereof, at a rate of not greater than six per centum per annum, with interest, if not paid annually, shall be added to the principal and bear the same rate of interest, a sum equal to, or at the option of the owner of the policy less than the reserve at the end of the current policy year on this policy, as computed according to the American Experience Table of Mortality three and one-half per centum basis, less a sum not more than two and one-half per centum of the amount insured by this policy. At the time of making such loan any existing indebtedness on account of this policy and any unpaid balance of premium for the current policy year including the interest in advance on the loan to the end of the current policy year will be deducted. The Company reserves the right to defer the making of a loan for not more than sixty days after the application therefor has been made. Failure to repay any such advance or to pay interest shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure, and within one month after notice shall have been mailed by the Company the last known address of the insured and of the assignee, record at the Home Office of the Company, if any.

**ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company until it or duplicate thereof be filed with the Company at its said Home Office. The Company assumes responsibility as to the validity of any assignment.

**OPTION ON SURRENDER OR LAPSE.**—After this policy shall have been in force three full years the owner, within one month after any default, may elect (a) to accept the value of this policy in cash, or (b) to have the insurance continued in force from date of default, without the right to loans for its face amount less any indebtedness to the Company hereon, or (c) to purchase non-participating paid-up insurance payable at the same time and on the same conditions as this policy. The cash value will be the reserve at the date of default on this policy computed according to the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum, less not more than two and one-half per centum of the amount insured on this policy and any existing indebtedness to the Company on this policy. The term for which the insurance will be continued, or the amount of the paid-up policy will be such as the cash value will purchase as a net single premium at the attained age of the insured according to the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum.

The Company reserves the right to defer the making of a cash value for not more than sixty days after the application therefor has been made.

If the owner shall not, within one month from default, surrender this policy to the Company at its Home Office for its cash surrender value or paid-up insurance, as provided in options (b) and (c), the insurance will be continued as provided in option (a).

The figures in the following tables are computed in accordance with the above provisions and upon the assumption that there is no indebtedness on the policy.

**INCONTESTABILITY.**—This policy and the application therefor constitute the entire contract between the parties and shall be incontestable after one year from its date except for non-payment of premiums.

The insured is free from restrictions as to residence, occupation, travel or place of death.

All statements made by the insured shall in the absence of evidence to the contrary be deemed representations and not warranties, and no such statement shall avoid this policy unless it is contained in a written application and a copy of such application shall be endorsed upon and attached to this policy when issued.

If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

Unless otherwise specified by the insured the payee may any interest date receive the amount yet due under option (1), may at any time receive the commuted value of payments yet to be made, computed upon the same basis as option (2) in the following table, provided that no such commutation will be allowed under (3) except after the death of the payee occurring within the aforesaid twenty years.

**OPTIONAL DISABILITY BENEFIT.**—The insured at the time of making application for this policy, and upon the additional payment of twenty-five cents per annum per one thousand of insurance, may elect the benefit shown under the following clause added "Protection in Event of Total Disability."

**PROTECTION IN EVENT OF TOTAL DISABILITY.**—After one full annual premium shall have been paid upon this contract, and before a default of payment of any subsequent premium, and prior to attained age of 55, if the insured shall furnish satisfactory proof that he has, since such payment, become wholly disabled by bodily injury or disease, and will be permanently, continually and wholly prevented thereby for life from pursuing any and all gainful occupations, the Company by an endorsement in writing hereon will continue the insurance during such disability without payment of premiums, and the values in the Table on Page 2 shall increase in the same manner as if the premiums were paid by the insured. Or, Second: At the option of the insured and subject to the above conditions, all future premiums upon this policy shall be discontinued, and the insured shall receive upon the furnishing of said proof, one twentieth of the face of this policy in cash, and one twentieth upon the anniversary of said payment on each year thereafter until twenty full annual payments have been made. Each payment shall reduce to that extent the amount of insurance in force, and the table of values set forth on Page 2 of this policy shall be correspondingly decreased. If there shall be an indebtedness upon this policy at the time of total disability one-twentieth of the difference between such indebtedness and the face of the policy shall be paid each year specified above.

In the event of the death of the insured after payment of one or more installments, the remaining portion of the policy shall be paid to the beneficiary after deducting all indebtedness together with the amount paid by installments.

In addition to or independently of all other causes of total permanent disability the Company will consider the entire irrevocable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or one entire hand one entire foot as total and permanent disability in the meaning of the above provision.

Upon any anniversary of this contract the above provisions of "Protection in Event of Total Disability" may be canceled by the insured in which event the subsequent annual premiums will be reduced twenty-five cents for each One Thousand of insurance under, and such reduction shall be endorsed hereon.

**In Witness Whereof**, the Company has, by its President and Secretary, signed this policy at the City of Boston, this *2nd* day of *March, 1916*.

THE COLUMBIAN NATIONAL LIFE INSURANCE COMPANY  
ARTHUR E. CHILDS, Wm. H. BROWN,  
*President.* *Secretary.*

**BENEFITS AND PROVISIONS.**

**PREMIUMS.**—All premiums are payable in advance at the Office in Boston, but may be paid to an agent of the Company in exchange for a receipt signed by the President or Secretary. No modification of this contract shall be made except over the signature of one of such officers.

**THIRTY-ONE DAYS' GRACE.**—Thirty-one days' grace is allowed for the payment of all premiums after the first, during which the policy remains in full force. Upon default in payment of premium or note given therefor, this policy shall lapse, and the Company's only liability shall be such, if any, as is herein provided.

**REINSTATEMENT.**—Should this policy lapse, it may be reinstated at any time upon evidence of insurability satisfactory to the Company and payment of all past due premiums with interest at

per cent. per annum and payment or reinstatement of any other indebtedness hereon with interest at said rate, unless the Cash Value has been paid or the Extended Insurance period has expired.

**ASSIGNMENT.**—No assignment of this policy shall be effectual against the Company unless it is filed at the Home Office while this policy is in force. The Company assumes no responsibility for the validity of any assignment.

**CHANGE OF BENEFICIARY.**—If there be no existing assignment of this policy, the Insured may designate a new beneficiary by filing at the Home Office written notice thereof on forms provided for this purpose.

**PROTECTION BY STATUTE.**—All statements made by the Insured in the application are, in the absence of fraud, representations and not warranties, and no such statement shall avoid the policy or be used in defence to a claim under it unless contained in the written application and a copy of the same attached hereto.

**SELF-DESTRUCTION.**—Self-destruction during the first policy year, whether the Insured be sane or insane, is a risk not assumed by the Company; in such case only the net reserve on the policy will be paid.

**PAID-UP VALUE.**—In the event of the lapse of this policy after the premiums for three full years have been paid, the policy shall become effective automatically for Paid-up Insurance, payable as provided on page one hereof, the amount granted being as stated in the table endorsed hereon for the number of years the policy has been in force. This Paid-up Insurance shall have increasing Cash and Loan Values.

**CASH VALUE—EXTENDED INSURANCE.**—In lieu of said Paid-up Insurance, the Insured, on satisfactory release and surrender of this policy within the days of grace, may procure either the Cash Value or Extended Term Insurance as similarly stated in the table endorsed hereon.

**LOANS.**—After three years' premiums have been paid hereon, the Insured, on the sole security of this policy properly assigned, may borrow at the interest rate of six per cent. per annum, payable in advance, any sum not in excess of the Loan Value shown in the table endorsed hereon. If interest is not paid when due, it shall be added to the existing loan and bear interest at the same rate. Non-payment of loan or interest shall not avoid the policy until the total indebtedness exceeds the Cash Value hereunder, nor until thirty-one days after the Company has mailed notice of such termination to the Insured and Assignee of record, if any, at their last known address. Payment of Cash or Loan Values may be deferred for thirty days after the application therefor.

**DEDUCTION OF INDEBTEDNESS.**—Any indebtedness to the Company on this policy, including any unpaid premium or portion thereof for the then current policy year, shall be deducted upon settlement of any claim hereunder. If there be any such indebtedness, the Cash and Loan Values will be diminished thereby, and the Paid-up or Extended Insurance will be such as may be purchased by the Cash Value so diminished, such extended insurance to be for an amount equal to the face of the policy less such indebtedness.

**RESERVE.**—The reserve on this policy is computed upon the American Experience Table of Mortality with interest at three and one-half per cent. The Cash or Loan Value is the same as the Net Value of the Paid-up or Extended Insurance provided for herein and equals such reserve less not more than two and one-half per cent. of the amount insured. The values stated herein at least equal those required by the Statutes of Massachusetts, and no surrender charge is made after the nineteenth year.

**PURE ENDOWMENT OPTION.**—The Insured under this policy have the option of continuing the payment of the premium

vided for on page one hereof for *nine* years beyond the *twentieth* year to establish a pure Endowment fund. If such premiums be regularly paid, this fund, together with the cash value of this policy, will on the *second* day of *March, 1945*, amount to *Ten Thousand One Hundred Seventy-three and 90/100* Dollars, which amount will then be paid to the Insured for the surrender of this policy, or in event of prior death the amount as named on page one shall be payable as hereinbefore provided.

In the event of the previous surrender of this policy after the *twentieth* year, the Company will add to the surrender value hereof the total amount of the premiums paid hereon after such *twentieth* year.

In event of total and permanent disability, this option will not be continued by the Waiver of Premium clause.

#### WAIVER OF PREMIUM.

If, after this policy has been in force one full year and before default in the payment of any subsequent premium, the Company receives due proof that the Insured, prior to attaining age 60, has become so disabled by bodily injuries or disease as to be permanently, continuously and wholly prevented for life from pursuing any and all gainful occupations, it will, by forwarding official receipt therefor, waive payment of the premiums thereafter becoming due under this policy during the continuance of such disability and the values in the above Table shall increase in the same manner as if the premiums were paid by the Insured. Should the Insured recover so as to be able to engage in any gainful occupation, the premiums thereafter falling due shall be paid by the Insured in conformity with this contract. In addition to and independently of all other causes of permanent and total disability, the Company will consider the entire and irrecoverable loss of sight of both eyes or the severance of both hands at or above the wrists, or both feet at or above the ankles, as total and permanent disability within the meaning of this provision. The annual premium for the benefit

provided in this section is *Two and 50/100 Dollars*, payable in addition to and in same manner as the regular premiums under this contract, but not beyond age 60.

BENEFITS AND PROVISIONS.

GENERAL PROVISIONS.—This policy and the application thereto constitute the entire contract between the parties and all statements made in the application shall, in the absence of fraud, be deemed representations and not warranties. No statement shall be used in defense to a claim under this policy unless it is contained in the written application and a copy of the application is attached to the policy when issued.

Only the President, Vice-President, Secretary or Assistant Secretary has power in behalf of the Company to make or modify the contract of insurance.

PAYMENT OF PREMIUMS.—This policy shall not take effect until the first premium is actually paid as hereinafter provided, and if the second annual premium be not fully paid when due within thirty-one days thereafter, this policy and all claims under it shall be void, and the premiums already paid shall be forfeited to the Company.

In case of default in payment of any premium after the second year this policy shall thereafter be in force only to the extent and subject to the Company's non-forfeiture provisions.

All premiums are due and payable in advance at the Home Office of the Company, but will be accepted elsewhere, if paid to a

authorized Agent in exchange for its receipt signed by the President or Secretary, and countersigned by the Agent designated therein.

The insurance under this policy is based upon annual premiums payable in advance, but payments may be made semi-annually or quarterly in advance, such rates being 51% and 26% respectively of the annual rate. Change from one method of payment to another may be made on any policy anniversary.

**GRACE.**—A grace of thirty-one days, without interest, will be granted for the payment of every premium after the first, during which time the insurance shall continue in force, but in case the policy becomes a claim during the period of grace, before the overdue premium or the deferred premiums of the current policy year, if any, are paid, the amount of such premiums will be taken from the face of the policy in settlement.

**ASSIGNMENTS.**—The Company will not be bound nor in any way affected by any assignment of this policy, or of any interest thereunder, until the original assignment or certified copy thereof shall be delivered at its Home Office; and the Company will not assume any responsibility for the validity of any assignment.

**REVIVAL IN EVENT OF LAPSE.**—This policy, if not surrendered for cash, will be reinstated on written application therefor at any time after non-payment of any premium if evidence of good health satisfactory to the Company is furnished, and premiums to date of reinstatement and any other indebtedness to the Company hereon are paid with interest at the rate of six per cent. per annum.

**SUICIDE,** sane or insane, within one year from date hereof is not a risk assumed by the Company.

**INCONTESTABILITY.**—After one year from its date of issue, if the premiums are duly paid, this policy is incontestable. If the age of the Insured be misstated, the liability of the Company shall be the amount of insurance which the premium paid would have purchased at the correct age on a similar plan.

**PREMIUM REFUND.**—Upon payment of the second year's premium and at the end of the second and each subsequent policy year during the continuance of this policy under its original conditions, the Company will determine the portion of surplus to which the policy is entitled as a refund on account of any previous overpayment. The Insured may apply the amount of any refund in any one of the following ways:

1. In reduction of premium.
2. To purchase additional full paid participating insurance which may be surrendered at any time for a cash value of the full reserve.
3. As a deposit with the Company at not less than 3½% compound interest computed annually. Such deposit may be withdrawn at any time.
4. To convert the policy into an endowment payable at a gradually decreasing age.
5. To shorten the premium paying period.
6. To purchase full paid participating pure endowment which may be surrendered at any time for a cash value of the full reserve. Or he may receive the amount in cash.

After the payment of all premiums as provided in this policy the Company will annually determine the amount of surplus earnings which this policy is entitled and will pay the same to the Insured in cash or if directed apply it under option 2, 3 or 4.

Unless otherwise provided by law if no option is specified by the Insured the refund will be used in reduction of the next premium. This policy in this respect does not conform to the laws of the State of which the Insured is a resident at the date of issuing the policy, the statutory provision regarding the option to be

## 84 CONNECTICUT GENERAL LIFE INS. CO., HARTFORD, CONN.

matically applied shall be deemed to supersede the provision for applying the refund in reduction of premium, or if the policy be full paid, for the payment of the surplus earnings in cash.

**CHANGE OF BENEFICIARY.**—The right to change the Beneficiary under this policy, provided it be not assigned, is reserved by the Insured, but such change shall only be made by the return of the policy to the Company with a written request therefor on a form provided by the Company, and no change shall be operative until the policy is duly endorsed therewith by the Company.

### NON-FORFEITURE PROVISIONS.

**AUTOMATIC EXTENDED INSURANCE.**—On default in payment of any premium after the second year, if there is no indebtedness against the policy and if no other option is called for, the insurance will be automatically extended for the full face of the policy and of any additional insurance credited to it, without participation in surplus, for such term in whole number of months as the cash value applied as a net single premium will purchase.

If there be an indebtedness the amount thereof will be subtracted from the amount otherwise available as a net single premium, and the balance will be applied as a net single premium to purchase non-participating extended term insurance as above for the full face of the policy and of any additional insurance credited to it, less the indebtedness.

**CASH VALUE.**—On default in payment of any premium after the second year, or within thirty-one days thereafter, on legal surrender of the policy at the Home Office, the Company will pay a cash value of the amount set forth in the table below, provided that the Company may defer such payment for a period not exceeding sixty days from date of application therefor.

**LOANS.**—At any time after two full years' premiums have been paid, and while this policy is in force under its original conditions the Company will loan, upon satisfactory assignment of this policy and upon sole security thereof, any amount which shall not exceed that sum which with six per cent. interest thereon shall equal the cash value at the end of the policy year for which the premium have been duly paid. Interest on the loan shall be at the rate of six per cent. per annum, payable annually on each anniversary date of the policy. The Company may defer the making of a loan (unless the loan be for the purpose of paying premiums to the Company) for a period not exceeding sixty days from date of application therefor. Failure to repay such loan or to pay interest shall not void the policy unless the total indebtedness thereon to the Company shall equal or exceed the cash value at the time of such failure nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured and of the Assignee, if any.

**PAID-UP POLICY.**—Upon surrender of the policy and written request by the Insured within three months from the date of default in payment of any premium after the second year, if the policy has not been surrendered, the Company will apply the cash value plus one-half the surrender charge deducted from the reserve in calculating said cash value, as a net single premium to purchase a participating paid-up policy, payable at a like time and in like manner with the original. The amount of such paid-up policy is set forth in the table below.

**EXTENDED OF PAID-UP INSURANCE** taken as above described may be surrendered at any time for a cash value consisting of the full reserve or the Company will loan on such paid-up insurance. The cash value or loan will be granted on the same terms as stated above in the case of the original insurance.

**AUTOMATIC PREMIUM LOANS.** Upon written request of the Insured and Assignee, if any, made prior to default in payment of any

premium, the premiums thereafter coming due, if not paid, will be charged against the policy as a loan bearing compound interest at the rate of six per cent. per annum until such time as the accumulated loan together with any other indebtedness with interest thereon shall equal or exceed the cash value hereof, in which case this policy shall thereupon become null and void and be surrendered to the Company in consideration of the cancellation of the indebtedness, subject however to the notice of termination as set forth in the loan clause herein.

If at any time the equity in the policy is not sufficient to continue the insurance in force for a full year, then in that case it will be kept in force for such whole number of months as the remaining equity will allow.

While this policy is thus continued in force, all its non-forfeiture provisions remain operative, and the owner may, without furnishing evidence of the good health of the insured, resume payment of premiums at any time.

#### TABLE OF NON-FORFEITURE PROVISIONS REFERRED TO ABOVE.

All non-forfeiture provisions hereunder are based on the American Experience Table of Mortality with interest at the rate of  $3\frac{1}{2}\%$  per annum. In computing the values under this policy no deduction of more than  $1\frac{1}{2}\%$  of the amount insured has been made from the reserve. The cash value for the twentieth and subsequent years is the full reserve in even dollars for each \$1,000 of insurance under this policy.

These figures apply to the original sum insured and to full-paid policy years only. The payment of any semi-annual or quarterly instalment of an annual premium will proportionately increase the values. Any additions or accumulations credited to the policy will increase and indebtedness will decrease the values.

\*Loan values are available at any time after two full years' premiums have been paid, as set forth in above loan provision. A loan may be repaid at any time, either partially or wholly, while the policy is in force under its original conditions.

### PROTECTION IN EVENT OF TOTAL AND PERMANENT DISABILITY.

**WAIVER OF PREMIUM.**—If the Insured under this policy shall furnish due proofs that before reaching the age of sixty years and because of accident or disease occurring after the payment of one full premium on said policy, and before the default in the payment of any subsequent premium, he has become wholly, continuously and permanently unable to pursue any gainful occupation, and presumably will for life be unable to perform any work or engage in any business for compensation or profit, one year after receipt of such proofs the Company will relieve him from the payment of any further premiums on said policy. In case of such relief the premiums shall not be a lien against the policy and the surrender and loan values shall increase in the same manner as if the premiums were being paid by the Insured.

If such total and permanent disability shall occur under the conditions above stated, but after the Insured has reached the age of sixty years, the Company will, one year after receipt of due proof thereof, waive payment of each premium thereafter becoming due during such disability, but the face amount of the policy shall be reduced by the amount of each such waived premium, and all benefits under the policy shall be reduced accordingly and shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid. Future premiums shall be reduced in proportion to the reduced amount of insurance.

**PAYMENT IN INSTALLMENTS.**—Or upon written request of the Insured and of the Assignee and Beneficiary, if any, provided such disability shall occur before the Insured has reached the age of sixty years one year after receipt of proofs as aforesaid and during the continuance of such total and permanent disability, if there is no indebtedness against the policy, the Company will pay one-twentieth of the face amount of the policy and a like sum annually thereafter until twenty such payments have been made; or, if there is any indebtedness against the policy, the Company will pay under like conditions one-twentieth of the difference between such indebtedness and the face of the policy and a like sum annually thereafter until twenty such payments have been made. Each such payment shall reduce by the amount thereof the insurance remaining in force and the surrender and loan values shall no longer be available. When the total amounts so paid together with any indebtedness hereon to the Company shall equal the face of the policy, the Company shall be released from all further liability under this policy.

**RECOVERY FROM DISABILITY.**—By the acceptance of this contract the Insured agrees that any Medical Examiner appointed by the Company shall be allowed opportunity at any and all times within one year from the commencement of the disability, and not oftener than once a year thereafter, to satisfy himself as to the alleged disability by examination of the person of the Insured, and if it is established that the Insured has so far recovered as to be able to again engage in some gainful occupation the Company will thereupon cease to extend further relief from payment of premiums and no further instalment payments will be made by the Company. If the amount of the insurance shall have been reduced by the payment of any instalments, such reduced amount of insurance shall thereafter be the face amount of the policy and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance and all benefits under the policy will be reduced accordingly.

**GENERAL PROVISIONS.**—The irrecoverable loss of the entire sight of both eyes, or the total and permanent loss by removal or disease of the use of both hands or both feet, or of one hand and one foot shall be deemed to constitute total and permanent disability within the meaning of this contract.

The portion of each annual premium for this policy charged for protection in event of total and permanent disability is twenty-five cents for each one thousand dollars of insurance and on the issuance or on any anniversary of this contract the provision for such protection may be cancelled at the request of the Insured, in which event the subsequent annual premiums will be reduced by twenty-five cents for each one thousand dollars of insurance hereunder. Such reduction shall be endorsed hereon.

### OPTIONS ON SETTLEMENT.

**GUARANTEED INCOME.**—The proceeds of this policy may be left in the Company as a principal sum, and the Company guarantees to pay the Beneficiary interest on such proceeds at the rate of 4% per annum, such proceeds to be returned to the executors, administrators or assigns of the Beneficiary in the event of the death of said Beneficiary. At the time any interest payment becomes due the Beneficiary, if of legal age, shall have the right to withdraw the principal sum thus left with the Company, in addition to such interest payment, provided the Company has not been specifically directed to the contrary by the Insured.

**ANNUITIES.**—In any cash settlement of this policy, the privilege is hereby granted the then owner to deposit the proceeds in a sum not less than \$1,000 or in multiples of \$500 which sum will be applied to the purchase of a Guaranteed Life Annuity, first payment immediate, upon his or her life in an amount set forth in the table below. The annuity contract in addition to providing for the payments as stated therein yearly until the death of the Annuitant, also provide that should he or she die before the sum of the payments made shall have amounted to the original deposit, the amount of the difference between the sum of the payments made by the Company and the deposit will be payable in one lump sum to the executors, administrators or assigns of the Annuitant.

**PROVISIONS, BENEFITS, AGREEMENTS AND TABLES REFERRED TO ON THE FIRST PAGE AND MADE A PART OF THIS POLICY.**

**DIVIDENDS.**—This Policy, upon payment of the second annual premium and during its continuance thereafter as a premium-paying, paid-up or extended insurance policy, will participate annually in the divisible surplus which shall be determined and apportioned by the Company.

The dividend

- (1) shall be payable in cash to the Insured or his assigns, or, at the option of the payee thereof, if the Company be directed in writing by said payee prior to the expiration of thirty-one days after such dividend becomes payable, may be
- (2) left with the Company, subject to withdrawal, to accumulate at such rate of interest, credited annually at not less than three per centum, as the Company may determine, or
- (3) applied on a premium due hereon, or
- (4) converted into a paid-up addition to the sum insured hereunder. Any such additions will participate annually in the divisible surplus as determined and apportioned by the Company and at the maturity of the Policy will be payable with the sum herein insured to the payee of such insurance; but any such addition may at any time during the lifetime of the Insured and prior to the maturity of the Policy be surrendered by the Insured or his assigns to the Company for cash in an amount equal to the then reserve thereon but if this Policy shall become a policy of Paid-up Insurance or Extended Insurance, any such addition then existing shall be treated as hereinafter provided.

Any dividends due and unpaid at the maturity of this Policy shall be payable with the sum herein insured to the payee of such insurance.

**APPLICATION OF DIVIDENDS TO MAKE POLICY FULLY PAID-UP OR TO ACCELERATE MATURITY.**—Whenever the reserve hereon, with any accumulated dividends credited and the cash value of any paid-up additions hereto, shall equal the reserve on a fully paid-up policy of this same kind and amount for the then age of the Insured at nearest birthday, upon request by the Insured or his assigns and release of such dividends and paid-up additions, all premiums then due shall have been paid as herein provided the Company will endorse this Policy as fully paid-up upon presentation hereof at its office in Hartford, Connecticut. Whenever, during the lifetime of the Insured, the cash value of the Policy and of any paid-up additions hereto, together with any accumulated dividends credited hereon, shall equal the face amount of this Policy, then upon surrender hereof and release of such dividends and paid-up additions at such office, the Company will pay to the Insured or his assigns the face of the Policy as a matured endowment, less any indebtedness to the Company on or secured hereby.

**OPTIONAL PAYMENT OF PREMIUM BY DIVIDENDS.**—If any premium or instalment of premium be not paid as herein provided and if there be at the expiration of the time herein provided for such payment accumulated cash dividends credited on account of this Policy at least equal to the payment required, if the Company, before such expiration, be so directed in writing by the payee of such accumulations, said payment shall be made by the application of an equal amount of such credit, or if such credit be less than the required payment then out of such credit if sufficient, shall be paid a semi-annual or quarterly instalment of the annual premium.

**NON-FORFEITURE BENEFITS.**—If, after due payment of the full annual premiums hereon, a premium or instalment

if premium be not paid as herein provided, the Company will grant either:

**PAID-UP INSURANCE.**—(1) Paid-up Insurance for the remainder of the term of this Policy in the amount specified in the Table of Values hereon, increased by the sum of any paid-up additions hereto, payable as herein provided; except that if there be any indebtedness to the Company on account of or secured by this Policy, the amount of such Paid-up Insurance shall be such as the cash value of this Policy and of any outstanding paid-up additions, less such indebtedness, will purchase as a net single premium; or

**EXTENDED INSURANCE.**—(2) Extended Insurance for the full amount of this Policy, for the term specified in the Table of Values hereon reckoned from the due date of such unpaid premium or instalment of premium, and if the Insured survive the original term of this Policy will then pay to the Insured the amount, if any, specified in the column headed "Pure Endowment"; except that if there be any paid-up additions hereto or indebtedness to the Company on account of or secured by this Policy, the amount of such Extended Insurance shall be increased by the amount of such paid-up additions and decreased by the amount of such indebtedness, and the term of such Extended Insurance shall be such as the cash value of this Policy and of any outstanding paid-up additions, less such indebtedness, will purchase as a net single premium, provided, however, that the term shall not extend beyond the original term of this Policy, and the excess value, if any, shall be applied as a net single premium to purchase paid-up pure endowment insurance, payable at the end of such term if the Insured be then living.

**AUTOMATIC INSURANCE.**—Upon premium default as above this Policy will be automatically binding upon the Company (Extended or Paid-up, as requested by Insured), Insurance above defined.

**OPTION.**—At any time, however, while this Policy is a pre-paying policy or within thirty-one days after the expiration of the days of grace allowed for the payment of such unpaid premium or instalment of premium, upon written application by the Insured, with assignee if any, filed at the Home Office of the Company on its form therefor, accompanied by the fee for suitable endorsement, this Policy will be made binding upon the Company for the alternative insurance above provided in lieu of the insurance herein automatically provided, such change to become effective only upon the endorsement of the Company on the Policy by the Company during the lifetime of the Insured.

**CASH SURRENDER VALUE.**—At any time after due payment of two or more full annual premiums hereon, and on surrender of this Policy at the Company's office in Hartford, Connecticut, the Company will, if there shall have been no failure to pay premiums as provided in this Policy, pay the cash value specified in the Table of Values hereon, or, if it be a policy of Paid-up or Extended Insurance, pay as a cash value the then reserve hereon; less, in either case any existing indebtedness to the Company on or secured by this Policy; and any such cash amount shall be increased by the cash value as herein provided any paid-up additions hereto and shall be made to the Insured or his assigns, and shall be in full settlement of the Company's liability under this Policy; provided that the Company may defer such surrender and payment for a period not exceeding sixty days after application therefor.

**POLICY LOAN.**—At any time after due payment of two or more full annual premiums hereon, while this Policy is in force otherwise than as Extended Insurance, and on proper assignment and delivery of this Policy, and on the sole security thereof the Company will loan any sum up to the limit secured by the cash value of this Policy and of any paid-up additions here-

to less any existing indebtedness on or secured by this Policy provided that (unless the loan be for the purpose of paying premiums to the Company) the Company may defer the making of such loan for a period not exceeding sixty days after application therefor. Such loan shall bear interest at the rate of six per centum per annum, not in advance, principal and interest to be payable at the Company's office in Hartford, Connecticut. An interest when due and unpaid shall be added to the principal of the existing indebtedness and shall bear the same rate of interest; but failure to pay either loan or interest shall not avail this Policy until the total indebtedness to the Company secured hereby, including accrued interest, shall equal or exceed the cash value, when this Policy shall immediately cease and become void, but not until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured, and to the assignee of record at the Home Office of the Company, if any. The Company will credit upon such indebtedness payments made at any time at its Home Office.

**PREMIUM LOAN.**—If written application by the Insured filed at the Company's Home Office upon its form therefor with this Policy is a premium-paying policy, the amount of any premium or instalment of premium not paid as herein provided shall be charged as an indebtedness against and secured by this Policy provided the entire indebtedness hereon including such charge shall not exceed the limit secured by the cash value hereof, and such indebtedness to bear interest from the due date of such premium or instalment, and to be subject to the terms herein provided for policy loans, but without assignment or delivery of this Policy, and any premiums or instalments so charged will be treated as paid.

#### TABLE OF VALUES.

The Cash and Loan Values for the end of any policy year (reckoned from the due date of the first annual premium) shall be the net value of the Paid-up Insurance and also the net value of the Extended Insurance and Pure Endowment, if any, guaranteed by and subject to the provisions and conditions of this Policy, are equal to the terminal reserves hereon less the charge per \$1,000 insured hereunder, which, if not more than five full annual premiums are paid, is \$10 and thereafter reduced by \$1 for each full annual premium paid after the first and until fifteen are paid when the charge is eliminated. Subject to the provisions and conditions of this Policy, the Cash and Loan Values (if there shall have been no failure to pay premiums as provided herein), and the amount of Paid-up Insurance for each \$1,000 insured hereunder and the period of Extended Insurance together with the amount of Pure Endowment per \$1,000 insured, if any, (determined upon the basis of payment of a premium or instalment of premium as herein provided), for the end of the years specified will be as set forth in this Table, opposite the number of years elapsed; a proportionate adjustment will be made on account of the payment of any additional instalment of an annual premium hereon in excess of full annual premiums. The Cash Value at other premium due dates will be the Cash Value at the end of the term for which premiums are paid discounted at the rate of five per centum per annum, but in no event less than any previous Cash Value.

The Cash or Loan Value for other years, as provided in this, is the reserve and will be stated upon request.

**PREMIUM PAYMENTS.**—All premiums hereon shall be payable in advance either at the Home Office of the Company or an agent of the Company upon delivery of a receipt signed by its President or Secretary and countersigned by the agent; and the possession of such receipt shall be the sole evidence of the authority of any agent to receive any premium on account of this Policy. If any premium or instalment of premium on this Policy be not paid as herein provided, then all liability on account of this Policy shall wholly cease and determine except otherwise herein provided.

**PREMIUM INSTALMENTS.**—The annual premium, with an addition of two per centum thereof if paid in semi-annual instalments or three per centum thereof if paid in quarterly instalments, may, on written request, be paid in such instalments beginning with the due date of the annual premium.

**GRACE IN PAYMENT OF PREMIUM.**—After payment of the annual premium hereon or an instalment thereof, payment of any subsequent premium or instalment of premium may be made within thirty-one days after the same shall have become due by the Policy meanwhile continuing in force; but in the event of the death of the Insured during said thirty-one days, the premium, if unpaid, shall be deducted from any sum payable on account of this Policy.

**REINSTATEMENT.**—This Policy, if not previously surrendered, canceled, on account of any loan indebtedness hereon, will be restored to full force at any time after default in premium payment upon receipt of evidence of insurability satisfactory to the Company and payment of arrears of premiums with interest at a rate to be determined by the Company not exceeding six per centum per annum; but if this Policy be reinstated on account of indebtedness to the Company on or secured hereby and if paid-up additions hereto existing at the due date of such reinstated premium will be reinstated with the interest on such indebtedness from such date.

**ADMISSION AND CORRECTION OF AGE.**—The age of the Insured will be admitted by the Company at any time upon satisfactory proof. If the age has been misstated the amount payable under the Policy shall be such as the premium would have purchased at the correct age.

**CHANGE OF BENEFICIARY.**—The Insured, if of lawful age may, at any time while this Policy is in force and if no interest herein under any assignment by him, other than to the Company, be then outstanding, change any beneficiary by filing written notice thereof at the Home Office of the Company, the Company's form therefor, accompanied by the Policy and suitable endorsement thereon, such change to become effective only upon the endorsement of the same on the Policy by the Company during the lifetime of the Insured.

**CHANGE OF PLAN.**—At any time while this Policy is a premium-paying policy, it may, upon the execution of such paper and the payment of such charge as shall be required by the Company, be exchanged without medical examination for a policy upon any other form and published premium rate in use by the Company at the issue of this Policy, provided the rate of premium be not thereby diminished or the term of insurance increased. The policy issued in exchange shall bear the same number, be for the same amount, and be written as of the same premium due date and rated age as this Policy.

**ASSIGNMENTS.**—Any claim under an assignment of this Policy shall be subject to satisfactory proof of interest. Originals or duplicates of all assignments are to be filed at the Company's Home Office. The Company will in no case be responsible for the validity of any assignment.

**RESERVE.**—Reserves and net premiums are to be computed upon the basis of the American Table of Mortality and the per centum compound interest.

**OPTIONAL SETTLEMENTS.**—Upon application by the Insured with the beneficiary or assignee, if any, during the continuance of this Policy the Company will agree to issue at its maturity or upon application by the payee at its maturity the Company will issue, upon surrender and satisfactory release hereof, a contract to pay, in lieu of the amount then due in a single sum (or any fractional part thereof) as herein provided:

**INTEREST INCOME. OPTION 3.**—Interest at the rate of three per centum per annum upon such amount, to the payee named in such application during the life of the payee or for a shorter fixed period if requested therein, and thereafter to pay said amount in such manner and to such persons as shall have been agreed upon with the Company at the time of the application;

suant to Options 1, 2 or 3 shall provide for annual participation through any interest paying or instalment certain period in the divisible surplus as determined and apportioned by the Company, the first dividend to be payable one year after the issue of the contract. Any agreement to issue a contract as above provided shall contain provision for revocation by the Insured and for avoidance in case of assignment, other than to the Company, change of beneficiary, or death of the payee or payees before the maturity of this Policy. If there be more than one beneficiary or payee under this Policy these privileges shall be available only with the Company's consent.

**EVIDENCE OF CONTRACT.**—This Policy and the application therefor, a copy whereof is hereunto annexed, shall constitute the entire contract between the parties, and all statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used to avoid this Policy or in defence to a claim hereunder unless contained in said application and a copy of the application shall be attached to the Policy when issued. Agents of the Company have no power or authority to alter or modify any of the terms, conditions, or agreements of this Policy, or to waive any of the provisions thereof.

I hereby agree that the answers and statements in this application, consisting of Parts 1 and 2 on separate sheets, are true and full; that any Policy to be issued upon this application shall not be in force or binding on the Company until the advance premium thereon shall have been actually paid while I am living; and that this application and the several answers, statements and agreements herein contained shall be the basis of and a part of the consideration for the Contract of Insurance, and this application and such Policy shall constitute the entire contract.

#### TOTAL AND PERMANENT DISABILITY AGREEMENT. WAIVER OF PREMIUM.

#### THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY OF HARTFORD, CONNECTICUT.

In Consideration of the Application herefor, which is the basis of and a part of this Agreement, by *John Doe*, the Insured under Policy No. 99999, issued March 1, 1916, by said Company and of the payment to said Company of the additional annual premium of *Two and 20/100* Dollars on the *1st* day of *March* 1916, and of a like additional annual premium on or before the anniversary of the same date in every year during the continuance of such Policy until *twenty* additional annual premiums shall have been paid.

**HEREBY AGREES** that, if there shall have been no failure to pay premiums as provided in said Policy, upon receipt at the Home Office of the Company of due proof that the Insured, prior to his attaining the age of sixty years, shall have become totally disabled by bodily injury or by disease so that he then is and will be thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, and that such disability has existed continuously for not less than sixty days, payment of each subsequent full annual premium on said Policy and on this Agreement shall be waived as it becomes due during the said disability of the Insured, and any premium so waived shall not be deducted from

any settlement under said Policy, and any values and benefits provided for in said Policy shall be the same as if said premium had been duly paid to the Company, except that any dividends apportioned to said Policy during said disability shall be payable in cash.

Notwithstanding that proofs of such disability shall have been accepted, the Company may thereafter, at its pleasure, but not oftener than once a year, demand of the Insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it appears to the Company that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums will be waived.

Without prejudice to any other cause of disability, the total and irrecoverable loss of sight of both eyes, loss of both hands at or above the wrist, loss of both feet at or above the ankle, or similar loss of one hand and one foot, shall be considered to constitute total and permanent disability within the meaning of this Agreement.

The additional annual premium hereon, with an addition of two per centum thereof if paid in semi-annual instalments or three per centum thereof if paid in quarterly instalments, may, on written request, be paid in such instalments beginning with the due date of the additional annual premium.

The payment of the additional premiums as herein provided is the consideration for the additional risk incurred under the provisions hereof, and does not entitle the Insured or any Beneficiary under said Policy to any additional participation in any division of the Company's surplus, or to any additional cash, loan or paid-up value thereunder; and failure to pay any additional premium hereon when due as herein provided or within thirty-one days thereafter, or to pay any premium or instalment thereof as provided in said Policy, will forthwith terminate all liability of the Company hereunder or on account of any payments made hereon; provided, however, that this Agreement may be reinstated at any time upon receipt of evidence of insurability satisfactory to the Company and payment of all arrears of premiums on said Policy and on this Agreement with interest at a rate to be determined by the Company not exceeding six per centum per annum.

TOTAL AND PERMANENT DISABILITY AGREEMENT.  
WAIVER OF PREMIUM WITH LIFE INCOME.

## THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY

OF HARTFORD, CONNECTICUT.

In Consideration of the Application herefor, which is the basis of and a part of this Agreement, by *John Doe*, the Insured under Policy No. 99999, issued *March 1st, 1916*, by said Company, and of the payment to said Company of the additional annual premium of *Six and 20/100* Dollars on the *first* day of *March, 1916*, and of a like additional annual premium on or before the anniversary of the same date in every year during the continuance of such Policy until *twenty* additional annual premiums shall have

been paid, hereby agrees that, if there shall have been no failure to pay premiums as provided in said Policy, upon receipt at the Home Office of the Company of due proof that the Insured, prior to his attaining the age of sixty years, shall have become totally disabled by bodily injury or by disease so that he then is and will be thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, and that such disability has existed continuously for not less than sixty days.

(A) payment of each subsequent full annual premium on said Policy and on this Agreement shall be waived as it becomes due during the said disability of the Insured, and any premium so waived shall not be deducted in any settlement under said Policy and any values and benefits provided for in said Policy shall be the same as if said premium had been duly paid to the Company except that any dividends apportioned to said Policy during said disability shall be payable in cash; and

(B) in addition that, if after one year from the date of receipt of proof as aforesaid due proof of the continuance of such total and permanent disability be furnished, upon satisfactory release and surrender by all parties in interest of said Policy (subject to restoration as hereinafter provided, and reserving the rights to any paid-up additions to the payees thereof), the Company will issue either

- (1) a Contract whereby the Company will agree (a) to pay to said Insured each month, while living, one per centum of the amount insured by said Policy (exclusive of any paid-up additions) less any then existing indebtedness to the Company secured thereby until 100 such payments shall have been made (the first of such monthly payments to be made one month after issue of such Contract) and, in the event of the death of the Insured before 100 such payments shall have been made, then to pay an amount equal to the remainder of such 100 payments to such persons as, except for such surrender, would have been the payees of said Policy at its maturity, and (b) in the event that said Insured shall be living at the expiration of 100 months from the date of issue of such Contract, to pay thereafter to him a life annuity, the amount of each annual payment to be five times the amount of a monthly payment as aforesaid (the first of such annual payments to be made one year after the expiration of said 100 months, and such annual payments to terminate with the last payment due prior to the decease of the Insured); such Contract not to participate in any division of the Company's surplus;

or, at the option of said Insured,

- (2) a Contract whereby the Company will agree to retain the amount insured by said Policy (exclusive of any paid-up additions) less any then existing indebtedness to the Company secured thereby, and to pay to the Insured such interest thereon from the date of issue of such Contract; shall, from time to time, be determined and thereto apportioned by the Company, but at a rate not less than three per centum per annum, payable annually or, at the option of the Insured, semi-annually, quarterly or monthly, and upon the death of the Insured, or upon the date when said Policy would have matured as an endowment if prior to

such death, to pay the amount so retained, together with any accrued interest, to such persons as, except for such surrender, would have been the payees of said Policy at its maturity.

Notwithstanding that proofs of such disability shall have been accepted, the Company may thereafter, at its pleasure, but not oftener than once a year, demand of the Insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it appears to the Company that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums will be waived, and no further payments under either of said options will be made; and any Contract issued as above provided shall be canceled, and said Policy shall be restored reduced in amount by the sum of any and all payments made under such Contract, but subject to any indebtedness to the Company on said Policy existing at the time of issue of such Contract, which indebtedness shall be reinstated.

Without prejudice to any other cause of disability, the total and irrecoverable loss of sight of both eyes, loss of both hands at or above the wrist, loss of both feet at or above the ankle, or similar loss of one hand and one foot, shall be considered to constitute total and permanent disability within the meaning of this Agreement.

The additional annual premium hereon, with an addition of two per centum thereof if paid in semi-annual instalments or three per centum thereof if paid in quarterly instalments, may, on written request, be paid in such instalments beginning with the date of the additional annual premium.

The payment of the additional premiums as herein provided is for the consideration for the additional risk incurred under the provisions hereof, and does not entitle the Insured or any Beneficiary under said Policy to any additional participation in any division of the Company's surplus, or to any additional cash, loan or paid-up value thereunder; and failure to pay any additional premium hereon when due as herein provided or within thirty-one days thereafter, or to pay any premium or instalment thereof as provided in said Policy, will forthwith terminate all liability of the Company hereunder or on account of any payments made hereon; provided, however, that this Agreement may be reinstated at any time upon receipt of evidence of insurability satisfactory to the Company and payment of all arrears of premiums on said Policy and on this Agreement with interest at a rate to be determined by the Company not exceeding six per centum per annum.

CONTINENTAL LIFE INSURANCE COMPANY,  
SALT LAKE CITY, UTAH.

Hereby insures the life of *John Doe* (hereinafter called the Insured) and promises to pay at its Home Office at Salt Lake City, Utah, *Ten Thousand Dollars* immediately upon receipt of due proof of the death of the Insured, to *Mary Jane Doe, Wife of the Insured* (hereinafter called the Beneficiary of the Insured), if living; otherwise, to the executors, administrators or assigns of the Insured, provided this policy is then in force, and is then surrendered, properly released.

The Consideration for this insurance is the application therefor, a copy of which is hereto attached or endorsed hereon; the payment of *Three Hundred Sixty-Eight and 50/100 Dollars*, for insurance for the term ending on the *first* day of *May, 1916*, and the further payment of a like amount on or before the corresponding day in each year thereafter until *twenty* full annual premiums, including the first, shall have been paid, or until the prior death of the Insured.

## ANNUAL DIVIDENDS.

Upon the payment of the premium or premiums for the second policy-year, and at the end of the second and of each subsequent policy-year, this policy, while in force, will receive annually such dividends as may be apportioned to it by the Company.

Dividends thus apportioned shall, at the option of the Insured, be either—

OPTION No. 1. Paid in cash; or,

OPTION No. 2. Applied toward the payment of any premium or premiums; or,

OPTION No. 3. Applied to the purchase of paid-up additions to the policy; or,

OPTION No. 4. Left to accumulate to the credit of the policy, with interest at the rate of three and one-half per cent per annum, payable in case of death of the Insured, and withdrawable at the option of the Insured.

Unless the Insured shall elect otherwise within one month after the mailing to the Insured by the Company of a written notice requiring the election of one of the four above options, the dividends will be applied to the purchase of paid-up additions to the Policy as provided in Option No. 3.

This policy is absolutely free from conditions and restrictions as to residence, travel, place of death or occupation, except as to military or naval service under a foreign government. No permit or extra premium will be required for military or naval service in time of peace or in time of war, while insured is actively serving in the United States army or navy.

## PRIVILEGES AND PROVISIONS.

1. PAYMENT OF PREMIUMS.—All premiums are payable in advance at the Home Office of the Company on or before the date specified in this Policy, or, at the pleasure of the Company, to a designated agent or collector; but in any case, only in exchange

for the Company's receipt signed by the President, Vice-President, Secretary or Assistant Secretary, and countersigned by such agent or collector. No notice of the non-payment of a premium, and no acceptance of a premium or premiums after maturity elsewhere than at its Home Office is to be construed as a waiver by this Company of any provision of this Policy, no matter how often repeated.

This Policy is issued upon the payment of premiums *annually* but premiums may be paid at other times as follows:

Annually \$368.50, or semi-annually \$191.70, or quarterly \$97.70, or monthly \$33.80, and the Insured may change from one to another of such methods of payment upon the written approval of the Company.

If any premium shall not be paid when due, or if any note or part thereof, or interest thereon, or any bill of exchange or writing of any kind whatsoever given by the Insured, or Beneficiary in this Policy named, or by any other party in payment or in part payment of a first or any subsequent annual or other premium due or to become due under this Policy, and whether given to said Continental Life Insurance Company or one or more of its agents, or to any other person or persons as payee therein, is not paid when due, this Policy shall thereupon *ipso facto* become null and void, except as otherwise provided in this Policy for automatic premium loans and days of grace. In the event of the death of the Insured while this Policy is in force, all sums, if any, due by the Insured to the Company shall be deducted from the amount of the death claim hereunder, including any unpaid portion of the premium for the then current policy year.

2. **GRACE.**—A grace of one month (not less than thirty days), subject to an interest charge at the rate of not to exceed six per cent per annum, will be granted for the payment of any premium after the first, during which period the insurance hereunder shall continue in force. If death occurs within the days of grace the premium for the then current policy year, or any unpaid installment thereof, will be deducted from the amount payable hereunder. Except as herein expressly provided, the payment of any premium or installment thereof shall not maintain this Policy in force beyond the date when the succeeding premium or installment thereof becomes payable.

3. **LOANS.**—After two full annual premiums have been paid hereon, the Insured, upon a proper assignment of this Policy to the Company and the deposit of the Policy with the Company as security, may borrow at any time from the Company, a sum not greater than the cash surrender value hereof less any indebtedness to the Company hereon. Any unpaid balance of the premium for the then current policy year will be deducted and interest at not to exceed six per cent per annum will be charged in advance to the next anniversary of the Policy and annually in advance on that date and thereafter. Failure to repay any such loan or to pay interest shall not void this policy unless the total indebtedness hereon to the Company shall equal its Cash Surrender Value, nor until one month after notice of such fact shall have been mailed by the Company to the last known address of the Insured and of the Assignee of record at the Home Office of the Company, if any.

4. **TABLE OF CASH SURRENDER OR LOAN VALUES, PAID-UP AND CONTINUED INSURANCE.**—The figures contained in the following table are for completed policy years and will be increased by the value of any dividend due and not paid or otherwise redeemed by the Company and by the value of paid-up additions bought with such dividends, but in case the Insured elects Option No. 4 of the dividend clause then by the amount credited to the Insured as provided under said Option. They will be reduced to the extent of any indebtedness hereon. The loan obtainable at the end of any given year may be secured during that year if the premium for the entire year has been paid.

Cash or Loan Values for later years will be equal to the reserve accumulated hereon, and will be furnished on request.

5. **PRIVILEGES OF SURRENDER.**—After two full annual premiums have been paid hereon, this Policy, while in force or within month of grace allowed for the payment of premiums, may be rendered to the Company by the Insured. Thereupon,

(1) If there is no indebtedness to the Company hereon, Insured may elect (a) to receive in cash the surrender value of Policy, or (b) to purchase non-participating paid-up life insurance payable at the same time and on the same conditions as this Policy, or (c) to continue the insurance in force for its face amount without the right to loans.

The cash surrender or loan, paid-up insurance and continued insurance values are shown in Columns 2, 3 and 4, respectively in the table herein. Said values are from the third policy-year or equivalent to the entire reserve on this Policy, according to American Experience Table of Mortality, with interest at the rate of three and one-half per cent per annum.

(2) If there is any indebtedness to the Company hereon, shall be deducted from the cash surrender value, and the Insured may elect (a) to receive in cash the surrender value of this Policy less such indebtedness, or (b) to apply the remainder to purchase non-participating paid-up life insurance, or (c) to apply the remainder to continue the insurance in force, but without the right to loans, for its face amount and for the period which the afore-mentioned remainder will purchase at the then age of the Insured.

6. **ACCELERATED MATURITY PRIVILEGE.**—If all dividends, as they become due, shall be left with the Company at interest, then at the expiration of any policy year when the reserve hereon plus accumulated dividends shall equal or exceed the net single premium at the attained age of the Insured, this Policy will, at the option of the Insured, be endorsed by the Company as a fully paid-up policy with annual dividends and without any further payment of premiums; or whenever the reserve hereon plus such accumulated dividends shall equal or exceed the sum insured hereby, the Insured shall be entitled to surrender this Policy and receive the principal sum named herein as an Endowment. Should the Insured die before exercising either of the options of this subdivision, the accumulated dividends will be paid in addition to the sum insured hereon.

**7. AUTOMATIC PREMIUM LOANS.**—If this Policy is not surrendered as provided above, said Policy shall not lapse nor become void, provided that the then loan value hereon shall exceed the amount of any premium then unpaid and of any indebtedness of the Insured to the Company. In such event the Company will, without request, charge the amount of such premium, with interest thereon in advance, at a rate not exceeding six per cent per annum, as a loan against the Policy, thereby continuing said Policy in force, subject to such indebtedness, and this Policy shall hereupon be entitled to all the privileges herein, the same as if the premium had been paid in cash. Such loan shall be increased by the amount of subsequent premiums and interest as stated, as said premiums shall due and remain unpaid, and this Policy shall remain in force and effect as long as the increasing loan value is sufficient to pay for pro-rata insurance for one additional day, and to secure all existing indebtedness hereon with interest.

At any time while this Policy is in force, under the preceding paragraph, the Insured may reinstate said Policy without medical examination, and may thereupon resume payment of premiums as provided herein. The existing indebtedness may be either paid in whole or in part, or allowed to remain as a loan on the Policy, subject to interest.

**8. REINSTATEMENT.**—Should this Policy lapse or become void for reason of the non-payment of any premium or of any indebtedness or interest thereon, said Policy may be reinstated at any time for such non-payment of premium, upon the Insured furnishing evidence of insurability satisfactory to the Company, and paying all indebtedness and arrears of premiums with interest thereon at a rate not exceeding six per cent per annum.

**9. TOTAL AND PERMANENT DISABILITY PRIVILEGE.**—If, after the payment of one full annual premium and before default in the payment of any subsequent premium the Company receives due proof that the Insured before attaining the age of sixty years has become totally disabled by bodily injury or disease so that he is and will be presumably thereby permanently and continuously prevented from engaging in any occupation whatever for remuneration or profit, the Company will waive the payment of each premium as it thereafter becomes due during said disability.

In making any settlement under this Policy the Company shall deduct any part of the premiums so waived and the loan and surrender values shall increase from year to year in like manner as if the premiums had been regularly and duly paid in cash. During the period of total and permanent disability, provided benefit is made therefor by the Insured, and his or her assignee, beneficiary, and of the Beneficiary, and within one year after the beginning of such disability, will pay a monthly income to the Insured amounting to one per cent of the face of the Policy, if there be no existing indebtedness owing by the Insured or his or her assignee to the Company, or if there be such indebtedness, one per cent of the face value of the Policy less such indebtedness; such payments shall continue until the total amount of payments shall have equaled the face of the Policy, less the indebtedness, if any, due, at which time the Company's liability under this Policy shall cease. In the event of the death of the Insured before the full amount of the Policy has been paid to the Insured or to his or her assignee, beneficiary, the Company will pay the remaining amount due upon this contract upon proof of death. The cash loan and surrender values shall bear the same proportion to the full cash loan and surrender values stated herein as the remaining amount of insurance under the contract bears to the original amount of insurance. Should the Company accept under this Policy, proof of disability, it may nevertheless at any time thereafter and from time to time demand of the Insured proof of the continuance of such disability, and upon failure to furnish such proof, or if it appear that the Insured has been able to engage in any occupation whatever for remuneration or profit, no further premiums shall be waived.

**10. GENERAL PROVISIONS.**—(1) This Policy and the application hereof contain the entire contract between the Company and the Insured. All statements made by the Insured in the absence of fraud, shall be deemed representations and not warranties, and no such statements shall be used in defense to a claim under this Policy unless said statement is contained in the written application hereof, a copy of which is attached hereto and endorsed hereon.

(2) No assignment of this Policy, or of any interest therein, shall be binding upon the Company until the signature of the assignor is duly acknowledged before an officer duly authorized to take such acknowledgment, and until it is filed with the Company at its Home Office; and the Company assumes no liability as to the validity of any assignment, and satisfactory proof of the assignee's interest must be produced on making claim.

(3) All endorsements, agreements or modifications of a policy or provisions in this Policy must be in writing and signed by the President or Secretary or Assistant Secretary of the Company. No agent or any person other than the officers stated may alter or waive any of these privileges or provisions or make an agreement binding upon the Company. No statement made to or by any such agent or other person, not contained in the application, shall be taken or considered as having been made or brought to the notice or knowledge of the Company, or as charging it with any liability by reason thereof.

(4) The first year's insurance under this Policy is Term Insurance and this Policy shall be so valued for all purposes.

**11. CHANGE OF BENEFICIARY.**—Provided this Policy is not assigned, the Insured may at any time while this Policy is in force change the Beneficiary or Beneficiaries hereunder by due written notice thereof to the Company at its Home Office, such change take effect only upon the endorsement of the same on this Policy by the Company, whereupon all rights of the former Beneficiary or Beneficiaries shall cease.

The Insured, without the consent of the Beneficiary, may exercise every right and enjoy every privilege conferred upon said Insured in the Policy.

**12. AGE.**—The amount of insurance payable under this Policy if the age has been misstated, shall be the amount which the premium charged would have purchased at the Company's rates in effect at the date hereof, for the Insured's correct age.

**13. INCONTESTABILITY.**—This Policy shall be incontestable after one year from the date of issue except for non-payment of premiums. Self-destruction, sane or insane, within one year from the effective date herein, is a risk not assumed by the Company hereunder.

Military or naval service in time of peace or war, other than in the military or naval service of the United States, are risks assumed by the Company hereunder, and should the insured die while engaged in any military or naval service, in time of peace or war, other than in the military or naval service of the United States, then the Company's liability upon this Policy shall be the then cash value of the reserve which is credited to this Policy at the time of the death of the Insured.

#### METHODS OF PAYMENT OF DEATH BENEFIT.

The face of this Policy, unless otherwise requested by the Insured, or by the Beneficiary as hereinafter provided, shall be paid in one sum as provided on Page 1 hereof.

The Insured, during his lifetime, or the Beneficiary, after the death of the Insured, in case the Insured has made no selection, this Policy is not then assigned, and if request is made to the Company on the proper form, may change the payment to any one of the following methods:

## TRUST FUND.

**METHOD ONE.**—The amount insured, or any portion thereof not less than One Thousand (\$1,000) Dollars, may be left during the lifetime of any Beneficiary, in trust with the Company, and the Company will annually pay interest thereon at the rate of three and one-half per cent per annum, so long as the said amount insured or said portion thereof remains with the Company. The said trust fund will be paid at the death of the Beneficiary to the executors, administrators, or assigns of the Beneficiary, and may be withdrawn at any time with accrued interest, unless the Company is otherwise directed in the request selecting this benefit.

The trust fund method may not be selected if the Beneficiary under this Policy be a corporation or a firm.

## ANNUAL INCOME FOR NUMBER OF YEARS STATED.

**METHOD TWO.**—The following table is for each \$1,000 of the amount insured. To find the annual income on this Policy multiply Annual Income per \$1,000 shown in the table by the number of thousands insured by this Policy:

Number of years.....	30	25	20*	15	10
Annual income per \$1,000.....	\$52	\$58	\$68	\$84	\$116
Number of years.....	5	4	3	2	
Annual income per \$1,000.....	\$214	\$264	\$345	\$508	

\*Illustration: If an annual income for twenty years is selected, the amount of each annual payment will be sixty-eight (\$68) Dollars for each One Thousand Dollars insured by this Policy.

If the Insured so directs during his lifetime, the Beneficiary may neither assign nor commute any payments hereunder before same are due.

No selection, change or revocation of any one of the above methods shall take effect until endorsed on this Policy by the Company at its Home Office. After endorsement this Policy will be returned to the Insured.

## PROVISIONS RELATING TO THE FOREGOING TABLE.

**LOANS.**—At any time, while this policy is in force, after three years' premiums have been paid, the Society will advance or

## 110 EQUITABLE LIFE ASSURANCE SOCIETY, NEW YORK, N. Y.

proper assignment and delivery of this policy, and on the sole security hereof a sum which, with interest, shall not exceed the cash value at the end of the then current policy year (as stated in the above Table), less any indebtedness to the Society hereon, provided all premiums or instalments of the same have been fully paid. Interest shall be at the rate of six per cent per annum, and shall be payable on the premium anniversary date of this policy. The loan may be increased by the cash value of dividend additions credited to this policy, if any. Unless the loan is for the purpose of paying premiums due the Society, the granting of the same may be deferred by the Society for a period not exceeding ninety days after receipt of application therefor. Failure to repay such loan or to pay interest thereon shall not avoid this policy unless the total indebtedness hereon shall equal the total loan value, nor until thirty-one days after notice shall have been mailed to the Insured, or to the assignee of record, if any, to their addresses last known to the Society.

**OPTIONS ON SURRENDER OR LAPSE.**—After three full years' premiums have been paid hereon, upon any subsequent default in payment of any premium or instalment thereof, and within twelve months after such default, this policy may be surrendered by the Insured (or assignee, if any) who may elect one of the following options:

(a) To receive the Cash Surrender Value of this policy, payment of which may be deferred by the Society for a period not exceeding ninety days after the receipt of the application therefor.

(b) To purchase non-participating paid-up life insurance payable at the same time and on the same conditions as this policy.

(c) To continue the insurance for its face value (and outstanding dividend additions) as paid-up extended term insurance for the period shown in the above Table, or for such further period as the dividend additions (if any) will purchase, but without future participation or right to loans.

In the event of default in the payment of any premium or instalment thereof after this policy has been in force three full years if the Insured (or assignee, if any) does not select one of said options within three months of such default, the insurance shall continue as provided under Option (c).

If there be any indebtedness against this policy, the cash surrender value shall be reduced thereby, the paid-up insurance shall be reduced proportionately, and the extended term insurance shall be for the face value of the policy less the indebtedness and such period as the reduced cash value will purchase.

**BASIS OF COMPUTATION.**—The Reserve for which funds are held upon this policy shall be computed upon the American Experience Table of Mortality with interest at three per cent by the net level premium method.

The values stated in the foregoing Table are mathematical equivalents and each is equal to the full Reserve at the end of the then current policy year, on the basis stated in the preceding paragraph, less a surrender charge of not more than one and one per cent of the face of this policy until the completion of the first policy year, at which time and thereafter there is no deduction made as a surrender charge, except that fractions of a month or fractions of a dollar are not allowed.

**TOTAL AND PERMANENT DISABILITY.**—1. If the Insured, less than sixty years of age and while this policy is in full force and effect, shall become totally and permanently disabled, and shall furnish due proof that he is physically or mentally incapacitated to such an extent that he is rendered wholly and permanently unable to engage in any occupation or perform any work for any kind of compensation of financial value, and that such disability has existed for not less than sixty days, the Society will, upon re-

of said proof, waive the payment of any premium or premiums that may become payable thereafter under this policy during such disability.

2. And, six months after receipt of said proof of disability, the Insured may draw a sum not to exceed one-tenth of the face amount of this policy and a like sum annually thereafter during the continuance of such disability. In the event of the death of the Insured before the sums so drawn equal the face of the policy, the difference between the amount drawn and the face of the policy shall be payable to the beneficiary.

3. If the Insured after he has attained the age of sixty shall furnish proof of disability as required in paragraph (1) above, the Society will allow all premiums falling due after receipt of such proof to accumulate without interest as an indebtedness on this contract, and in such case the values in the table of loan and surrender values shall increase in the same manner as if the premiums were being paid by the Insured.

4. Each payment made under the terms of paragraph (2) shall reduce, by its amount, the sum insured. If at the time such payment becomes due there shall be an indebtedness on the policy in excess of the cash surrender value of the reduced amount of insurance, the Society will apply such part of the payment as may be necessary to reduce the indebtedness to the amount reduced by such cash surrender value.

5. If the Society accepts proof of disability under this policy, it shall have the right at any time thereafter, but not more frequently than once a year, to demand of the Insured proof of the continuance of such disability and if the Insured shall fail to furnish such proof, or if it at any time appears that the Insured has become engaged in any occupation whatsoever for remuneration or gain, no further premiums shall be waived and no further installment payments will be made hereunder. But if the amount of the insurance shall have been reduced under any of the foregoing provisions, such reduced amount of insurance shall thereafter be the face amount of the policy and the premiums thereafter falling due, as well as all benefits under the policy, will be reduced in proportion to the reduced amount of insurance.

6. This Privilege is granted in consideration of the payment of an additional premium of \$5.60 with each annual premium payable, which is included in the whole premium charged for this policy as shown on the second page hereof. The Insured may upon any anniversary of this policy discontinue this agreement by returning this policy to the Society for proper endorsement with a written request signed by the Insured and thereafter the payment of the aforesaid additional premium shall not be required.

**PRIVILEGE OF CONVERTING THIS CONTRACT INTO AN ENDOWMENT POLICY.**—When all the premiums due under this contract, covering a period of twenty years, have been paid, the Insured may, if the policy is then in force, exchange it for an Endowment Policy for the same amount and continue the payment of premiums for eight years longer, at the end of which period the Society will pay the sum insured (less any indebtedness to the Society thereon) together with the cash value of any dividend additions that may stand to its credit, to the Insured or assigns, if the Insured is living and the policy is then surrendered properly released.

In the event of the prior death of the Insured, if premiums have been duly paid and the contract is then in force, the principal sum due (together with any dividend additions credited to it) shall be paid to the beneficiary upon due proof of death and the surrender of the policy properly released.

**MODES OF SETTLEMENT AT MATURITY OF POLICY.**—The Insured may, at the maturity of the policy, elect to have the sum insured paid to the beneficiary after the Insured's death in case the Insured has made no election) may, by written notice to the Society at its Home Office, elect to have the net sum due under this policy upon the death of the Insured, either paid in cash; or,

# 112 EQUITABLE LIFE ASSURANCE SOCIETY, NEW YORK, N. Y.

**OPTION 1.** Left on deposit with the Society during the lifetime of the beneficiary, to be paid upon the death of the beneficiary, the beneficiary's legal representatives or assigns. The Society guarantees to pay interest on this deposit during its continuance the rate of three per cent. If a higher average annual rate shall be earned by the Society, the amount may be increased by an interest dividend as determined and apportioned by the Society.

**OPTION 2.** Paid in a fixed number of Annual Instalments set forth in the following table; or,

**OPTION 3.** Converted into a fixed Income to the beneficiary life, by the payment of a fixed amount annually for twenty years certain, said payments to be continued thereafter during said life shown by the following table, provided that if this option be availed of, the Society will require satisfactory evidence of the age of payee.

Under Options 2 and 3, the amounts payable are based upon assumed rate of interest of three per cent. If a higher average annual rate shall be earned by the Society, the amount of the instalments under Option 2 and of the first twenty instalments under Option 3 may be increased by an interest dividend as determined and apportioned by the Society.

If one of the foregoing options is elected, this policy must be surrendered upon its maturity and a supplementary contract issued for the purpose of carrying out said option; under Options 2 and 3 the supplementary contract is to be non-commutable, unless the insured otherwise orders during lifetime by written notice to the Society at its Home Office.

#### PROVISIONS AND BENEFITS.

**THE POLICY CONTRACT.**—This policy, together with the application therefor, shall constitute the entire contract between the parties hereto. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defense to a claim thereunder, unless it is contained in the written application, a copy of which is endorsed upon, or attached to, the policy when issued. No Agent is authorized to make, modify, discharge contracts, or to waive forfeitures.

**INCONTESTABILITY.**—This policy shall be incontestable after one year from the date hereof, except for non-payment of premium.

**MISSTATEMENT OF AGE.**—If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium actually paid would have purchased at the correct age at the rates under the Company's rates at date of issue, unless the laws of the State in which this policy is delivered shall prescribe another method of settlement.

**SUICIDE.**—If, within one year, from the date hereof, the insured shall commit suicide, whether sane or insane, the liability of the Company shall be limited to the amount of cash premium paid on the policy.

**RISKS NOT ASSUMED.**—If, within one year, from the date hereof, the insured shall reside in any part of the Torrid Zone; or shall be personally engaged in the occupation of blasting; underground mining; submarine operations; aerial ascensions; handling electric wires or dynamos, where the voltage used is over 600; or as a fireman; or in ocean or lake navigation; or working upon railroad trains as engineer or fireman; or in switching or coupling cars; or as conductor or brakeman upon freight trains; or in the production or transportation of highly explosive substances; or the manufacture or sale of spirituous or malt liquors (except as druggist); or shall engage in the military or naval service in time of war, this policy shall become null and void, and all payments thereon shall be forfeited.

**PAYMENT OF PREMIUMS.**—All premiums after the first, are payable in advance at the Company's Home Office, but may be paid elsewhere to an authorized collecting agent in exchange for receipts signed by the President, Vice President, or Secretary, and countersigned by such agent. Failure to pay any premium, or to note accepted therefor, when due and payable, shall cause this policy to cease and determine, and, unless reinstated, all payments made thereon shall remain the property of the Company, except hereinafter provided. The mode of premium payments may be changed, on any anniversary of the policy, from Annual to Semi-Annual or Quarterly, or vice versa, at rates now in use; but payment of any premium shall not maintain the policy in force beyond the date on which the next payment is due.

**GRACE IN PAYMENT.**—A grace of thirty-one days, during which the policy shall remain in full force, will be allowed for the payment of any premium, after the first; and if death occurs within the thirty-one days of grace, the unpaid portion of the then current year's premium shall be deducted from the amount payable hereunder.

**REINSTATEMENT.**—This Policy, if not previously surrendered, may be reinstated at any time within five years after date of default in premium payment, upon furnishing evidence satisfactory to the Company of the insurability of the insured, together with the payment of all premium arrears, with interest at not to exceed six per cent per annum, and the payment or reinstatement of all indebtedness existing against the policy, at the time of such default, with accumulated interest at not to exceed six per cent per annum.

**ASSIGNMENTS.**—No assignment of this policy shall be binding upon the Company until the original or a duplicate thereof shall be filed at its Home Office; but in no case will the Company be responsible for the sufficiency or validity of any assignment. Any claim against the Company, arising under this policy, made by an assignee, shall be subject to satisfactory proof of interest, and to any indebtedness to the Company hereon.

**DIVIDENDS AND HOW APPLIED.**—Upon payment of the second annual premium, and annually thereafter, this policy shall, at the end of each year to which premiums have been fully paid, be credited with a dividend as apportioned by the Company from the surplus to policies of the same age and class.

Dividends, at the option of the owner of this policy, may be either—

- 1st. Applied to purchase paid-up additions to the policy, or,
- 2nd. Applied to the payment of any premium or premiums, or,
- 3rd. Paid in cash, or,
- 4th. Left to accumulate to the credit of the policy, with compound interest at the rate of not less than three and one-half per cent per annum, as determined by the Company, and payable at maturity of the policy, but withdrawable at any time.

Unless the owner of this policy shall elect otherwise, within one month after any dividend is due, the dividend shall be paid in cash, or applied under such other automatic option as may be required by the laws of the State in which this policy is delivered. Apportionment of dividends, as above, shall include the allotted surplus arising from paid-up additions while this policy is kept in full force, but not otherwise. Paid-up additions may be surrendered for their net value at any time.

**PAID-UP AND ENDOWMENT OPTIONS.**—On written request and return of this policy for endorsement, any existing dividend additions hereon may, upon proper release, be used to convert this policy into a fully paid-up participating policy for its face amount, when the reserve on this policy and on such dividend additions equals the net single premium at the attained age of the insured, on the reserve basis of this policy for such a fully paid-up policy of the same kind and amount. Any indebtedness to the Company, existing against this policy, will continue as a lien against the paid-up policy. When the reserve on this policy, and any existing dividend additions, equals the face amount of this policy, the Company will, upon due surrender of this policy and release of such dividend additions, pay the face amount of this policy, less any existing indebtedness to the Company thereon.

**PRIVILEGE TO CHANGE TO OTHER FORMS.**—At any time, upon legal surrender while in full force, this policy may be exchanged, without medical re-examination, for a participating policy of the same amount, bearing the same date and based upon the same age, on any plan (except the Continuous Monthly Income) now issued by the Company at a higher premium rate. The payment to the Company for such exchange shall be the difference between the premiums paid on this policy and those required for the new policy, at the Company's present rate, with compound interest at not to exceed six per cent per annum, and with adjustment of corresponding dividends.

**OPTIONS OF SETTLEMENT.**

Whenever this policy becomes due and payable either by maturity, surrender, or the death of the insured, and there be no existing assignment, the insured, or the beneficiary after the death of the insured, in case the insured shall not have otherwise directed, may, by written notice to the Company and due surrender of this policy at its Home Office, elect to have the net proceeds of this policy paid in cash in one sum, or applied in one or more of the methods described in the following options, provided the amount to be applied under any one of such options is not less than \$1,000.

**GUARANTEED INCOME.—1.**—The payment of interest at the rate of three per cent of the amount left with the Company as a principal sum, payable at the end of each year during the lifetime of the payee, and the payment, upon the death of the payee, of said principal sum together with any accrued interest for the then current year, unless otherwise directed in said notice, to the payee executors, administrators or assigns.

**CONTINUOUS INSTALLMENTS.—3.**—The payment of equal annual installments for 10, 15, 20 or 25 years certain, and continued thereafter so long as the payee shall live, the first installment being payable immediately, and subsequent installments on the anniversary of the first—the amount of each installment to be in conformity with the amount stated in Table "B," herein set forth for each \$1,000 to be applied under this option, corresponding with the attained age of the payee when this policy becomes payable, and the specified number of years certain.

**PARTICIPATING SUPPLEMENTARY CONTRACT ISSUED.—A** supplementary contract shall be issued for each option elected, which shall provide that the Guaranteed Income under Option 1; and the installments under Option 2, or for the specified number of years certain under Option 3, on each anniversary after the payment of the first installment; shall be increased by such annual dividends as may be apportioned by the Company.

**SURRENDER OF SUPPLEMENTARY CONTRACT.—Any** installment payable for the specified years certain under Options 2 or 3, remaining unpaid at the death of the payee, shall, on due surrender of the supplementary contract, be commuted at the rate of three per centum per annum compound interest and paid in one sum to the executors, administrators or assigns of such payee, unless otherwise provided by the insured in the written notice of direction for settlement.

Unless otherwise specified in said notice, the payee may, at any time, surrender any contract issued under Option 1, and withdraw the principal sum and accrued interest thereon; and may, at any time, surrender any contract issued under Option 2 and receive the commuted value of the installments yet to be paid, computed upon the basis above specified. **NON-FORFEITURE, LOAN AND CASH SURRENDER PROVISIONS.**

**AUTOMATIC PAID-UP INSURANCE.**—1st.—If, after the payment of premiums for three or more full years, default is made in the payment of a subsequent premium, this policy shall, upon such default, without action on the part of the insured, continue as a reduced, paid-up non-participating policy for the amount set forth in Table "A" below, together with any outstanding paid-up additions or.

**EXTENDED INSURANCE.**—2nd.—Upon written application of the insured and assigns, if any, and the presentation of this policy to the Home Office for endorsement, within three months after the date of such default, the Company will continue the full amount of this policy as non-participating, extended term insurance for the term stated in Table "A" below counting from the date of default in premium payment. Any outstanding paid-up additions shall remain in force, unless surrendered for cash.

Any existing indebtedness to the Company, on account of this policy, if not paid, will reduce the amount of paid-up or extended insurance in the ratio of such indebtedness to the cash value of this policy at the time of default in premium payment as shown in Table "A."

**CASH SURRENDER.**—3rd.—Upon request of the insured and assigns, if any, and the legal release and surrender of this policy, to its Home Office, at the end of the third or any subsequent policy year, or within the thirty-one days' grace provided herein, premiums having been paid in full to the end of such year, the Company will pay in cash, to the legal owner hereof, the amount stated in Table "A" below, together with the value of any existing dividend additions, and less any existing indebtedness to the Company on account of this policy. Payment of such cash surrender value may, in case of necessity, be deferred by the Company for not exceeding six months after application therefor is made.

**POLICY LOANS.**—4th.—After the payment of premiums for three or more full years, there being no default in any premium payment, the Company will, at any time, loan on proper assignment and deposit of this policy, and on the sole security thereof, at not to exceed six per cent. per annum interest, (which interest, not paid annually, shall be added to the principal and bear the same rate of interest) a sum equal to, or, at the option of the owner of this policy, less than, the amount stated in Table "A" below, together with the value of any existing dividend additions; deduct therefrom interest in advance to the end of the current policy year and all existing indebtedness to the Company hereon. Failure to repay any policy loan and interest shall not void this policy, unless the total indebtedness thereon shall equal or exceed the cash value hereunder, in which case the policy shall immediately cease and become void; but such termination shall not take effect until one month after notice shall have been mailed by the Company to the last known address of the insured and assigns, if any, on record at the Home Office. Such loan may, in case of necessity, be deferred by the Company for not exceeding six months after application therefor is made. The whole or part of a loan may be repaid at any time while the policy is in force.

In case this policy shall, according to its terms, become a reduced, paid-up, non-participating policy, its cash and loan value shall be the full reserve, less not to exceed one and one-half per cent of the amount insured thereunder.

TABLE "A."

The following table shows the values guaranteed under this policy, upon the assumption that premiums have been fully paid in cash for the completed years stated, except that outstanding dividend additions, if any, will increase, and any existing indebtedness to the Company, on account of this policy, will diminish said values, in the manner above stated. Values for intermediate periods, after the third year, will be proportionately adjusted.

### NON-FORFEITURE, LOAN AND CASH SURRENDER PROVISIONS.

**AUTOMATIC PAID-UP INSURANCE.**—First. If, after the payment of premiums for three or more full years, default is made in payment of a subsequent premium, this policy shall, upon such default, without action on the part of the insured, continue as a reduced, paid-up non-participating policy for the amount set forth Table "A" below; or,

**EXTENDED INSURANCE.**—Second. Upon written application the insured and assigns, if any, and the presentation of this policy at the Home Office for endorsement, within three months after date of such default, the Company will continue the full amount of this policy as non-participating, extended term insurance for the term stated in Table "A" below, counting from the date of default in premium payment.

Any existing indebtedness to the Company, on account of this policy, if not paid, will reduce the amount of paid-up or extended insurance in the ratio of such indebtedness to the cash value of this policy at the time of default in premium payment as shown in Table "A."

**CASH SURRENDER.**—Third. Upon request of the insured and assigns, if any, and the legal release and surrender of this policy at its Home Office, at the end of the third or any subsequent policy year, or within the thirty-one days' grace provided herein, premium having been paid in full to the end of such year, the Company will pay in cash, to the legal owner hereof, the amount stated in Table "A" below, less any existing indebtedness to the Company on account of this policy. Payment of such cash surrender value may, in case of necessity, be deferred by the Company for not exceeding six months after application therefor is made.

**POLICY LOANS.**—Fourth. After the payment of premiums for three or more full years, there being no default in any premium payment, the Company will, at any time, loan, on proper assignment and deposit of this policy, and on the sole security thereof, at not exceeding six per cent per annum interest, (which interest, if not paid annually, shall be added to the principal and bear the same rate of interest) a sum equal to, or, at the option of the owner of the policy, less than, the amount stated in Table "A" below, deducted therefrom interest in advance to the end of the current policy year and all existing indebtedness to the Company hereon. Failure to repay any policy loan and interest shall not void this policy, until the total indebtedness thereon shall equal or exceed the cash value hereunder, in which case the policy shall immediately cease to become void; but such termination shall not take effect until one month after notice shall have been mailed by the Company to the last known address of the insured and assigns, if any, on record at the Home Office. Such loan may, in case of necessity, be deferred by the Company for not exceeding six months after the application therefor is made. The whole or part of a loan may be repaid at any time while the policy is in force.

In case this policy shall, according to its terms, become reduced, paid-up, non-participating policy, its cash and loan value shall be the full reserve, less not to exceed one and one-half per cent of the amount insured thereunder.

The following table shows the values guaranteed under this policy, upon the assumption that premiums have been fully paid in cash for the completed years stated, except that any existing indebtedness to the Company, on account of this policy, will diminish said values, in the manner above stated. Values for intermediate periods, after the third year, will be proportionately adjusted.

Values for other and later years will be furnished upon request.

Note—While any owner of this policy (either as beneficiary or assignee) is a minor, no loan can be made by the Company for the purpose of paying current premiums; and before the surrender value can be paid, the interest of such minor must be provided for by a duly appointed legal guardian.

## OPTIONS AND PROVISIONS.

**PREMIUMS—WHEN AND WHERE PAYABLE.**—All premiums, after the first, are due and payable at the Home Office of the Company in the City of Chicago or to suitable persons authorized to receive such premiums, at other places on or before the due dates, but only on the production of the Company's receipt therefor, signed by its Secretary or Assistant Secretary and countersigned by the authorized person to whom the payment is made. Although this contract is based on the receipt of premiums annually in advance, the renewal premiums may be paid in semi-annual or quarterly installments, in advance, the amount of which will be named by the Company on application. If any premium or part of premium shall not be paid when due or within the period of grace, the policy shall become void, except as otherwise herein provided, without notice to any person interested.

In any settlement of this policy or of any benefit hereunder the indebtedness hereon will be first deducted including, in the case of a death claim, any unpaid balance of premium for the current policy year.

**INCONTESTABILITY.**—This policy shall be incontestable after two years from the date of issue except for non-payment of any premium and except for violation of its conditions in regard to military or naval service in time of war, provided, however, that if the policy was misstated in the application, then the Company shall be liable for such an amount as the premium paid would have purchased at the correct age.

The Insured may serve in the militia in time of peace or for the purpose of preserving order in case of riot. Before engaging in military or naval service in time of war a written permit must be obtained by the Insured from the Company. Upon written request and payment of the extra premium charged therefor a written permit will be granted for military or naval service in time of war.

In case of the death of the Insured while engaged in military or naval service in time of war without such written permit having been obtained, the liability of the Company under this policy shall be limited to the reserve thereon at the time of the death of the Insured.

Should death occur as the result of any illegal act or from suicide, sane or insane, intentional or unintentional within two years from the date hereof, the liability of the Company shall be limited to the premiums actually paid hereon.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of one month (not more than thirty days) *without interest* will be allowed for the payment of any premium hereon except the first, and during such time the policy will continue in full force and effect.

**AUTOMATICALLY NON-FORFEITABLE.**—If any premium hereon shall not be paid when due or within the period of grace, prior request therefor having been made by the Insured, the Company shall charge the same as a loan with interest at six per centum per

annum against this policy, if the loan value specified on the this page herein be sufficient to cover such loan in addition to the existing indebtedness and accrued interest, otherwise the Company shall apply the available loan value to pay the premium for a proportionate period, and at any time while this policy is thus sustained in force the payment of premiums may be resumed without medical examination. This provision may be revoked by the Insured in writing at any time prior to default in premium payment.

**DIVIDENDS.**—This policy shall participate in the surplus of the Company and the proportion of surplus to which it may be entitled shall be provisionally calculated to the end of the third year and annually thereafter and dividends shall be apportioned therefrom the end of *three years* and *annually* thereafter and at the request of the Insured may be used in any one of the following ways, viz:

1. Applied to the payment of any premium or premiums,
2. To purchase paid-up insurance payable at the same time and on the same conditions as this policy upon satisfactory evidence of good health, or
3. Left to accumulate to the credit of this policy with interest compounded annually at three and one-half per centum payable at the maturity of this policy but withdrawable at any time in cash upon thirty days' written notice to the Company, or
4. Received in cash.

In case no option is selected by the Insured the dividend shall be paid in cash.

**PREMIUMS MAY BE PAID UP WITH SURPLUS.**—Whenever the end of any policy year, the surplus apportioned as herein provided is sufficient to prepay all premiums, no further premiums will be required.

**SURPLUS TO BE PAID IN EVENT OF DEATH.**—In event of the death of the Insured all surplus which has been apportioned as herein provided, and not withdrawn or applied, will be paid to the beneficiary in addition to the sum insured.

**REINSTATEMENT.**—At any time after any default, this policy will be reinstated upon written application therefor, subject to evidence of insurability satisfactory to the Company and also subject to any indebtedness existing against the policy at the date of default with interest thereon and the payment of past due premium with interest thereon at six per centum per annum.

**ASSIGNMENT OF POLICY.**—Any assignment hereof must be made in duplicate on blanks furnished by the Company. Both duplicates with the policy, must be sent to the Home Office, one to be filed, the other attached to the policy, after which the policy will be returned. The claim of any assignee shall be subject to proof of interest, the Company assuming no responsibility for the validity of any assignment.

**POLICY AND APPLICATION THE ENTIRE CONTRACT.**—This policy and the application therefor taken together constitute the entire contract which cannot be varied nor any of its terms waived except

in writing endorsed hereon and signed by the President or Secretary of the Company at its Home Office, Chicago. The statements of the Insured, in the absence of fraud, shall be deemed representations and not warranties, and no such statements shall void the contract unless contained in said application.

No agent has authority to waive, modify or change any of the terms hereof or to deliver any policy contrary to its provisions or the agreements contained in the application herefor.

**NON-FORFEITURE OPTIONS.**—Upon default in the payment of any premium after three full years' premiums shall have been paid in cash and while this policy is in force the reserve value at date of default, computed according to the American Experience Table of Mortality with interest at three and one-half per centum less a deduction in no case exceeding one per cent of the amount of the insurance hereunder and decreasing 1/10 of such deduction annually until the thirteenth year, after which there will be no such deduction), may be used at the option of the Insured in any one of the following ways (all of equal value) as set forth in the following table, provided there be no indebtedness against the policy.

**OPTION 1.**—Received in cash upon surrender of this policy before the expiration of the days of grace. (Column 1.)

**OPTION 2.**—Applied to the purchase of paid-up non-participating insurance on written request and the surrender of this policy before the expiration of the days of grace. (Column 2.)

**OPTION 3.**—Applied to the extension of this policy for its face amount as non-participating term insurance from the date to which premiums have been paid in cash without any further payments, and without the right to loans or cash surrender values. (Column

If no request has been made by the Insured for the extension of this policy under the automatic non-forfeiture provisions thereof and if no option has been exercised by the Insured during the days of grace, this policy will be continued under Option 3.

**CASH LOANS.**—At any time after premiums for three years shall have been paid hereon, and while this policy is in full force, upon proper assignment thereof and execution of proper loan agreement by the Insured on forms furnished by the Company, the Company will loan on the sole security thereof with interest at six per centum annum payable in advance to the end of the current policy year, the whole or any part of the loan value of the policy, as hereinbefore set forth in Column 1, table below; provided that from such loan the Company will deduct any indebtedness hereon and any unpaid portion of the premium for the current policy year. Failure to repay any such loan or interest thereon shall not render this policy void unless the total indebtedness hereon shall equal or exceed the loan value at the time of such failure, nor until one month (not less than thirty days) after notice shall have been mailed by the Company to the last known address of the Insured or of the assignee, if any.

The guaranteed values in the above table will be increased by the equivalent of the full reserve on any dividend addition hereon.

The values for the years not specified in the table will be equivalent of the full reserve according to the above standard. When the amount of extended insurance is so determined the time of extension shall be the same as if there were no indebtedness.

If the premiums on this policy be paid in quarterly or semi-annual installments, due allowance will be made in computing benefits for that portion of a year's premium paid in addition to the number of years' premiums paid.

**INSTALLMENT BENEFITS.**—Without change of premium this policy, if not assigned, may be made payable in installments of a definite number or in continuous installments, as provided in the table on the following page.

**MONTHLY INSTALLMENT PROVISION.**—By request of the Insured in writing the proceeds of this policy payable as a death benefit may be made in 240 installments of \$5.75 each for each \$1,000 payable hereunder, the first one payable immediately upon receipt of due proofs of the death of the said Insured and one each on the first day of each succeeding month until 240 such installments shall have been paid. In case the beneficiary at the time of the death of the said Insured hereunder shall not live to receive all of said installments the remaining installments shall be commuted on the basis of three and one-half (3½) per centum compound interest and paid in one sum to the estate of the said beneficiary.

This policy being for \$10,000 the monthly installments so payable hereunder would be \$57.50 each.

THIS POLICY is issued in consideration of the application therefor, a copy of which is hereto attached and made a part hereof and in consideration of the payment of *Three Hundred Sixty-Two 20/100* Dollars, payable in advance, and in further consideration of the payment of a like amount on the *seventeenth* day of *February* in each and every year for nineteen years, or until the prior death

of the Insured. The first year's insurance under this policy is term insurance.

One installment shall be paid immediately upon the maturity of this policy or upon receipt of due proofs of the death of the Insured while this policy is in force, and annually thereafter till all are paid. Should the beneficiary die before twenty such payments shall have been made, the Company will pay to the estate of the Insured or of the beneficiary as requested, or to a second beneficiary if one be nominated by the Insured, a sufficient number of installments to make twenty in all; and when so paid this policy shall be surrendered to the Company and be deemed satisfied in full.

In any such case the premium so paid shall not be a charge on said policy or charge against the insured, and the cash value and values of said policy in the table on the third page thereof shall increase in the same amounts as if the premiums were being paid by the insured. **PAYMENT OF PREMIUMS.**—Every premium is due and payable  
at the Head Office of the Company in the City of Philadelphia  
may be paid to an authorized agent of the Company on or before  
the date when due upon delivery of a receipt signed by the President  
and Treasurer of the Company and countersigned by said agent.  
The premiums are payable annually in advance, but by request in  
writing, and not otherwise, may be made payable in semi-annual

quarterly instalments.

**DAYS OF GRACE.**—A grace of thirty-one days will be granted for the payment of every premium after the first, during which time the insurance shall continue in force. If the insured shall die within the days of grace, the amount of such premium, together with any unpaid instalments of premium for the current policy year, will be deducted from the amount payable hereunder. Except as herein provided, the payment of a premium or instalment thereof shall not maintain this policy in force beyond the due date of the next premium or instalment of premium. Upon default in the payment of any premium or premium obligation, this policy shall immediately cease and determine and become void, and all premiums previously paid shall be forfeited to the Company, except as hereinafter provided.

**PARTICIPATION IN SURPLUS.**—This policy shall participate in the surplus of the Company annually. Upon payment of the second year's premium and at the end of the second and each subsequent year while this policy is in force, the Company will determine and apportion the divisible surplus accruing hereon. The owner of this policy shall have the right, each year on the premium date defined on the first page hereof, to have the current dividend arising from such participation either

- (a) Paid in cash, or
- (b) Applied to the payment of any premium or premiums, or
- (c) Applied to the purchase of a participating paid-up addition to this policy, or
- (d) Left to accumulate to the credit of this policy, at such rate of interest as the Company may declare on such funds, but not less than 3%, compounded and credited annually, and payable at the maturity of this policy or withdrawable in cash at any anniversary of the policy.

Unless the owner of this policy shall elect otherwise within six months after the mailing by the Company of a written notice requiring the election of one of the four options recited above, the dividend shall be applied to the purchase of a paid-up addition to this policy. Any outstanding paid-up additions may be surrendered any time for a cash value which shall not be less than the original dividend.

**POLICY LOANS.**—At any time after three full years' premiums have been paid and while this policy is in force the Company will advance upon proper assignment of this policy and upon the security thereof, a sum which, together with interest to the end of the current policy year, and any unpaid portion of the premiums for the current policy year and all other indebtedness hereon to the Company, shall not exceed the cash surrender value of this policy at the end of the current policy year. Interest on such advances will be at the rate of 6% per annum, payable annually on the premium specified on first page hereof, and any interest not paid when due shall be added to the principal and bear interest at the same rate. Any advance with accrued interest may be repaid in whole or in part at any time while this policy is in force. The granting of an advance may be deferred by the Company for a period not exceeding ninety days after receipt of application therefor, unless the advance be solely for the purpose of paying premiums on policies owned by the Company.

Failure to repay any such advance or to pay interest thereon shall not void this policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value at the time of such failure, nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the person to whom the advance was made and of the insured and of the assignee, if any, of record at the Head Office of the Company.

**Benefits on Surrender or Lapse.**—After three full annual premiums shall have been paid, the owner, at any time within three months after any default in payment of premium, but not later, may surrender this policy;

- a) For its cash surrender value less any indebtedness to the Company hereon, or
- b) For participating paid-up insurance payable at the same

time and under the same conditions as this policy, with the right to loans and cash surrender values computed in accordance with the provisions contained in the "Basis of Values" section, or

(c) If the policy be not surrendered as above, the insurance shall be automatically continued for the face amount of this policy for such a term as is hereinafter provided, but without the right of participation in surplus or loans.

**BASIS OF VALUES.**—The cash surrender value shall be at least equal to the entire reserve on this policy at date of default plus reserve on any paid-up additions thereto, and any dividends standing to the credit of this policy, less a surrender charge during the first twenty years only, not exceeding  $2\frac{1}{2}\%$  of the sum insured. The reserve shall be computed upon the American Experience Table of Mortality with interest at 3%, and on the Select and Ultimate Basis which assumes that the rates of mortality during the first five policy years will be the following percentages of the rates shown by the American Experience Table, to wit, first insurance year 50%, second insurance year 65%, third insurance year 75%, fourth insurance year 85%, and fifth insurance year 95%.

The amount of paid-up insurance, or the term for which the insurance will be continued, shall be such as the cash surrender value less any indebtedness to the Company hereon will purchase as a net single premium at the age of the insured at date of default according to the American Experience Table of Mortality and interest at 3%. The payment of the surrender value in cash may be deferred for not exceeding ninety days after receipt of application therefor.

This table shows the maximum values at end of policy year premiums have been paid in full for the number of years stated and if there are no outstanding dividends nor any indebtedness to the Company on this policy. Loans may be obtained during policy years as herein provided.

Values not stated will be furnished on application to the Head Office.

**MATURING AS ENDOWMENT.**—After twenty full annual premiums shall have been paid as herein provided the insured may continue thereafter to pay such annual premiums until such time as he desires to pay additional premiums, with interest at the rate of 3% per annum compounded annually, together with the reserve upon the policy, and upon any paid-up additions hereto, shall equal the face amount of the policy, at which time the Company will, upon surrender of the policy and all paid-up additions, pay to the insured said amount of the policy in cash. If the insured shall die before maturity of this policy as an endowment as herein provided,

such additional premiums paid, with interest thereon at the rate of 3% per annum, compounded annually, shall be paid to the beneficiary hereunder in addition to the sum insured hereunder and under any paid-up additions hereto. If the insured shall continue the payment of premiums after twenty years as herein provided, and there are no paid-up additions hereto, this policy will mature as an endowment on the fifteenth day of May, 1943, and prior thereto if there are any paid-up additions. If the policy be surrendered for its cash value after twenty annual premiums shall have been paid and before maturity hereunder as an endowment, the additional premiums paid, with interest thereon at the rate of 3% per annum, compounded annually, will be paid in addition to such cash surrender value.

**CHANGE OF BENEFICIARY.**—When the right of revocation has been reserved, or in case of the death of any beneficiary under a revocable or irrevocable designation, the insured, while the policy is in force and if there be no existing assignment, may designate a new beneficiary, with or without reserving right of revocation, by filing written notice thereof with the Company accompanied by this policy for suitable endorsement thereon. Such change shall take effect when endorsed on the policy by the Company, and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall vest in the insured, as otherwise expressly specified in this policy.

**REINSTATEMENT.**—This policy may be revived at any time within three years from date of default in payment of premium, on production of evidence of insurability satisfactory to the Company and the payment of all over-due premiums and the payment or statement of any other indebtedness to the Company upon this policy, with interest at a rate not exceeding 6% per annum.

**ASSIGNMENT.**—Any assignment of this policy must be made in writing, and no assignment of this policy shall be binding upon the Company until it be filed with the Company at its Head Office. The Company assumes no responsibility as to the validity of any assignment.

**CONTRACT.**—This policy and the application therefor, a copy of which is attached hereto when this policy is issued, constitute the contract between the parties hereto. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defense to a claim thereunder unless it is contained in a written application and a copy of such application shall be endorsed upon or attached to the policy when issued.

**MISCELLANEOUS PROVISIONS.**—(a) If the age of the insured has been misstated, the sum payable hereunder shall be such as the premiums paid would have purchased at the correct age.

(b) If the insured shall within one year from the date hereof die by his own hand or act, whether sane or insane, the only amount payable under this policy shall be the premiums hereon which have been paid to and received by the Company.

(c) Any indebtedness to the Company on account of this policy and any unpaid instalments of the premium for the current year of the death of the insured will be deducted from the sum insured.

(d) No agent is authorized to make, modify or discharge contracts or to waive forfeitures, or extend the time for paying a premium.

(e) The expense of management shall not exceed, excluding the first policy year, the net premium loading, plus any taxes imposed by law.

(f) The insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the insured by this policy.

(g) Except when this policy is valued on the Select and Ultimate Basis as herein provided, the insurance hereunder for the first

year is term insurance, and upon payment of the second and subsequent annual premiums the policy is continued as a nineteen payment life policy at an age one year greater than the actual age issue.

#### TOTAL AND PERMANENT DISABILITY BENEFIT PROVISION

IN CONSIDERATION of the payment of an annual premium \$8.80, which is included in the premium stated in this policy, it agreed as follows:

**DISABILITY PRIOR TO AGE 63.—First.**—After the premium for one full year shall have been paid hereunder, and prior to default in payment of any subsequent premium, and before the insured shall have attained the age of sixty-three years, upon receipt by the Company at its Head Office of due proof of total and presumable permanent blindness, or of the severance at or above the wrist of both entire hands, or of the severance at or above the ankle of both entire feet, or of the severance at or above the wrist or ankle respectively of one entire hand and one entire foot of the insured hereunder, or that the said insured has become so disabled by bodily injury or disease that he is, and presumably will be, permanently and continuously prevented thereby from engaging in any occupation whatever for remuneration or profit, the Company shall waive the payment of each premium as if thereafter becomes due during the insured's said disability.

**INSTALLMENT BENEFIT.**—In addition to waiving the payment of premiums as aforesaid, the Company, one year after the receipt of proof of such disability, shall pay to the insured one-eighth of the face amount hereof, and a like amount annually thereafter during the continuance of such disability prior to the maturity of the policy, upon condition that the same be returned to the Company by endorsement thereon of each payment. Any such payment or installment may be left with the Company to accumulate until the maturity of this policy at such rate of interest as the Company may declare on funds so held by it, but not less than 3% compound annually.

The insurance in force hereunder shall be reduced by the amount of each instalment paid, and the loan and surrender value provided herein shall be reduced in proportion to the reduced amount of insurance.

When any instalment becomes payable, if there shall be indebtedness hereon in excess of the cash surrender value of the reduced amount of insurance, the Company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such cash surrender value. Whenever the total amount of such instalments together with the amount of the remaining indebtedness to the Company shall equal the original face amount of this policy plus any paid-up additions or unpaid dividends, then the Company's obligation under this policy shall there be fully satisfied and discharged without further action.

**DISABILITY AFTER AGE 63.—Second.**—In the event of disability occurring after the insured shall have attained the age of sixty-three years, and under all the conditions aforesaid, the Company shall waive payment of each premium thereafter becoming due during such disability, and the face amount of this policy shall be reduced by the amount of each such premium waived, and the loan and surrender values provided herein shall be reduced in proportion to the reduced amount of insurance.

**RECOVERY FROM DISABILITY.—Third.**—The Company after accepting proof of disability under this provision may demand of the insured at any time thereafter, but not oftener than once a year, proof of the continuance of such disability. Upon failure to furnish such proof, or if it appear that the insured has become able to engage in any occupation whatsoever for remuneration or profit, further premiums shall be waived, and no further instalment payments shall be made by the Company. If the amount of the

insurance shall then have been reduced under any of the foregoing provisions, such reduced amount of insurance shall thereafter be the face amount of this policy; the premiums thereafter falling due and all benefits under the policy shall be reduced accordingly.

**MODES OF SETTLEMENT AT MATURITY.**—The insured, or the beneficiary after the insured's death in case the insured shall have made no election, if there be no existing assignment of this policy, may, by giving written notice to the Company at its Head Office, elect to have the proceeds of this policy paid under one of the following options instead of in one sum.

Upon approval of proof of the death of the insured this policy shall be surrendered to the Company, and a supplementary contract shall be issued to each beneficiary evidencing his or her rights and benefits under the option selected.

**TRUST FUND PRIVILEGE.**—Option 1. The proceeds of this policy, any part thereof, may be left with the Company subject to withdrawal in whole or in part at any time on demand in sums of not less than one hundred dollars. The Company shall pay interest annually on the sum so left with it at such rate as it may each year declare on such funds, not less, however, than 3% per annum. Upon the death of a beneficiary the sum then remaining with the Company, together with any interest accrued thereon to the date of such death, shall be paid to the executors, administrators or assigns of the beneficiary, unless otherwise agreed in writing.

**INSTALMENT PRIVILEGE.**—Option 2. By the payment of equal instalments for an agreed number of years from two to twenty—payable upon receipt of due proof of death of the insured and annually, semi-annually, quarterly or monthly thereafter, as may be agreed. The amount of each annual instalment shall be in accordance with the instalment table on this page.

**CONTINUOUS INSTALMENT PRIVILEGE.**—Option 3. By the payment of equal instalments for a fixed period of twenty years, and for as many years thereafter as the beneficiary shall live, payable upon receipt of due proof of the death of the insured and annually, semi-annually, quarterly or monthly thereafter, as may be agreed. The amount of each annual instalment shall be determined by the instalment table of the beneficiary at the date of death of the insured and in accordance with the instalment table on this page. If this method is selected the Company will require satisfactory evidence of the death of the beneficiary.

The instalments payable under Options 2 and 3 must be at least \$2.00 when paid annually, \$25.00 when paid semi-annually, \$15.00 when paid quarterly; and \$10.00 when paid monthly, otherwise Options 2 or 3 cannot be exercised, and the total of the fractional instalments each year shall be equal to the annual instalment provided for by the table.

In the event of the death of a beneficiary, any unpaid instalments under Option 2, or any unpaid instalments for the fixed period of twenty years only under Option 3, shall be commuted at 3% per annum, compounded annually, and, unless otherwise agreed in writing, shall be paid in one sum to the executors, administrators or assigns of such beneficiary.

The instalments under Options 2 and 3 are based upon an assumed interest earning of 3%, but if in any year the Company shall declare for that year upon funds held by it under such options, a higher interest rate than 3%, such excess interest will be paid in addition to the instalment for that year, but under Option 3, the instalments for the fixed period of twenty years only shall be so increased.

Unless the insured shall otherwise specifically direct in writing filed with the Company at its Head Office, the supplementary contract issued under any option may be assigned or surrendered to the Company at any time for the then present value of all payment yet to be made, computed at 3% per annum, compounded annually provided that no such surrender and commutation will be made under Option 3; except as to the instalments payable during the fixed period of twenty years only.

If there be more than one designated beneficiary, the proceeds of the policy, unless otherwise therein specifically provided, shall be considered as divided into as many equal parts as there are beneficiaries, and shall be credited and paid to each beneficiary severally.

Trust Fund and Instalment privileges are not applicable to policy which is payable to a corporation, association or co-partnership, nor to policies under which the sum payable is less than one thousand dollars.

## THE FRANKLIN LIFE INSURANCE COMPANY SPRINGFIELD, ILLINOIS.

HEREBY PROMISES AND AGREES TO PAY *Ten Thousand Dollar* the principal sum insured, upon receipt of due proofs of the death of *Benjamin Franklin*, the Insured, to *Deborah Franklin* (*wife of the Insured*) as *Beneficiary*, subject to the terms and provisions hereinafter contained.

This Insurance is Granted in consideration of the application herefor, which is hereby made a part of this contract and the payment in advance of *Three Hundred Nine and 20/100* Dollars, being the premium to provide term insurance for one year from *January 1st, 1915* to *January 1st, 1916*, which is the first Policy Year, and of the further payment in advance of the Annual renewal premium of *Three Hundred Nine and 20/100* Dollars on or before the *First* day of *January* in every year thereafter until renewal premiums for nineteen years shall have been paid, or until the prior death of the Insured.

A **Grace of One Month** (without interest charge) will be allowed for the payment of renewal premiums, during which month this Policy will remain in full force.

### STATE OF ILLINOIS—INSURANCE DEPARTMENT.

Springfield, *January 1, 1915.*

This Policy is Registered; and Approved Securities, equal in value to the Legal Reserve hereon, are held in Trust by this Department.

SPECIMEN POLICY,  
Insurance Superintendent.

Renewal Premiums may be paid Annually, Semi-Annually, Quarterly, in advance, in accordance with the Company's table rates applicable hereto, and the Insured may change from one to another of such modes of payment upon written request therefor to the Home Office of the Company.

Premiums must be paid at the Home Office of the Company, the City of Springfield, Illinois, or to a designated collector, but in any case only in exchange for the Company's receipt therefor, signed by the President or Secretary, and countersigned by such collector.

Failure to pay when due any premium or any note given therefor, shall cause this Policy to cease and determine except as hereinafter provided, and all payments made thereon shall remain the property of the Company.

This Policy is Automatically Non-Forfeitable, as follows: any renewal premium due after the second policy year is not

before the expiration of the month of grace herein allowed, this Policy will, without action of the Insured or payment of further premiums, continue as non-participating paid-up term insurance for the principal sum insured, but without loan or surrender values, as follows:

1. If there is no indebtedness to the Company hereon, the insurance will be for the term specified in Column 1 of the table on the third page hereof, such term to be reckoned from the due date of the unpaid premium.

In lieu of such term insurance, upon the Insured's written request and legal surrender of this Policy within one month from the due date of the unpaid premium, the Company will

(a) Issue a non-participating paid-up life policy for the amount specified in Column 2 of said table, or,

(b) Pay the cash value specified in Column 3 of said table, provided that the payment of the same may be deferred by the Company for a period not exceeding three months from date request is received.

2. If there is any indebtedness to the Company hereon, such indebtedness shall be deducted from the net value of the term insurance provided for in paragraph 1 above, computed according to the American Experience Table of Mortality with interest at the rate of  $3\frac{1}{2}\%$  per annum, and the insurance will be for such term, reckoning from the due date of the unpaid premium, as the excess of such net value over the indebtedness will purchase at the Insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid.

In lieu of such term insurance, upon the Insured's written request and legal surrender of this Policy within one month from the due date of the unpaid premium, the Company will

(a) Issue a non-participating paid-up life policy for such amount as the excess above referred to will purchase at the Insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid, or

(b) Pay the cash value specified in Column 3 of the table on third page hereof, less such indebtedness, provided that the payment of the same may be deferred by the Company for a period not exceeding three months from date request is received.

If this Policy has become paid-up for life, the Company will pay the cash value of the same (less any indebtedness to the Company hereon) at any time upon the Insured's written request and legal surrender of this Policy, provided that payment may be deferred by the Company for a period not exceeding three months from date request is received.

This Policy may be reinstated (unless previously surrendered) any time after default in the payment of any renewal premium, provided the Insured applies therefor on the Company's form and furnishes evidence of insurability satisfactory to the Company and pays in cash all past due premiums with interest thereon at the rate of  $5\%$  per annum from date when due; and provided also, that any indebtedness hereon to the Company at date of default with interest thereon to date of reinstatement shall be a first lien against this Policy.

This Policy is unrestricted as to Travel, Residence and Occupation of the Insured, in time of peace or war, and after one year from date of issue is incontestable if all premiums shall have been paid. This Policy covers death from any cause, but in case of death of the Insured (whether sane or insane) by self-destruction, within one year from date of issue, a sum equal to the premiums received hereon, and no more, shall be paid.

**Change of Beneficiary:** The Insured may change any designated Beneficiary at any time during the continuance of this Policy, subject to the written consent of the Assignee, if any, by filing with the Company a written request accompanied by this Policy such change to take effect upon the endorsement of the same of the Policy by the Company, whereupon all interest of the former Beneficiary shall cease. If no Beneficiary shall survive the Insured the Policy shall be payable to the Insured's Executors, Administrators or Assigns.

**Instalment Privilege:** The Insured may change the mode of payment of the principal sum insured under this Policy, if it is not assigned, from payment in one sum to payment by instalments as provided on the fourth page hereof.

The Insured is entitled to cash loans on the sole security of this Policy at any time after the first policy year if no premium is in default. The aggregate loans hereunder shall not exceed the sum stated in Column 3 of the table below for the end of the current policy year. A proper loan agreement and assignment of the Policy must be executed on forms provided by the Company, and the Policy deposited with the Company, or the amount of the loan endorsed hereon by the Company. Any unpaid balance of the premium for the current policy year shall be deducted by the Company in the adjustment of the loan. Interest shall be at the rate of 6% per annum, payable in advance to the end of the current policy year and annually in advance thereafter. The granting of any loan hereunder, unless such loan is entirely for the purpose of paying premiums under this Policy, may be deferred by the Company for a period not exceeding three months from date of receipt of application for such loan. Failure to pay any loan or interest thereon shall not void this Policy unless the total indebtedness hereon to the Company shall equal or exceed the loan value of this Policy nor until one month after notice shall have been mailed by the Company to the last known address of the Insured and of the Assignee if any.

In case of default in the payment of a premium due at an intermediate period the non-forfeiture values will be computed on 1

same basis as the corresponding values for the end of the Policy Year last expired. The values shown in this Table are equivalent to the entire reserve less an amount not exceeding  $2\frac{1}{2}\%$  of the amount insured and the cash value is not less than the value of the continued insurance. If this policy continues after the 20th policy year, cash and loan values will be equivalent to the entire reserve; figures will be furnished on request to the Home Office of the Company.

#### GENERAL PROVISIONS.

(1) Only the President or Secretary has power in behalf of the Company (and then only in writing) to make or modify this or any contract of insurance, or to extend the time for paying any premium, and the Company shall not be bound by any promise or representation heretofore or hereafter given by any agent or person other than the above.

(2) If the age of the Insured is misstated, the amount payable hereunder shall be such as the premium paid would have purchased under this Policy at the true age of the Insured.

(3) This Policy is non-participating and therefore does not participate in the Company's surplus nor in profits or dividends earned or apportioned by the Company.

(4) No assignment of this Policy shall be binding upon the Company unless filed in duplicate at the Home Office, one to be retained by the Company and the other to be returned. The Company assumes no responsibility for the validity of any assignment.

(5) This Policy is payable at the Home Office of the Company in Springfield, Illinois. Before any amount shall be paid hereunder, proof of the interest of the claimant must be furnished and any indebtedness hereon to the Company, including the amount, if any, necessary to complete the premium for the current Policy year, must be settled.

(6) The reserve basis of this Policy is the American Experience Table of Mortality with interest at the rate of  $3\frac{1}{2}\%$  per annum, computed according to the preliminary term method prescribed by the law of Illinois.

(7) This Policy and the Application herefor (a copy of which Application is attached hereto) constitute the entire contract between the parties hereto. All statements made by the Insured shall in the absence of fraud be deemed representations and not warranties, and no such statement shall void the Policy unless it is contained in such application.

In Witness Whereof, The Franklin Insurance Company has caused this Policy to be signed by its President and Secretary, and countersigned by its Actuary, at Springfield, Illinois, this first day of January, 1915.

## Instalment Benefits

The Insured may change the mode of payment of the principal sum insured under this Policy, if the Policy is not assigned, from payment in one sum as provided on the first page to payment by any one of the instalment methods stated below. The Insured may subsequently change any selection of instalment method, or revoke all selections, thereby making this Policy again payable in one sum. Any selection, change or revocation must be made by the Insured in writing and filed with the Company at its Home Office accompanied by this Policy before any instalment has been paid, and shall not take effect until endorsed on this Policy by the Company. The Company shall not be required to apply any method that produces instalments of less than Ten Dollars (\$10.00) each under this Policy. The Payee, if a person other than the Insured, can neither assign nor commute unpaid instalments unless such right is given by the Insured when payment by instalments is directed.

If this Policy has become payable by the death of the Insured, and no instalment method has been selected, the Company unless otherwise directed by the Insured, upon proper application will allow the Beneficiary to make selection from the said instalment methods.

When the Policy shall become payable by its terms, and an instalment method has been selected, the Company, upon legal surrender of the Policy, will issue in place thereof a supplementary contract, which shall express the terms of the instalment method selected. The first instalment under any method shall be payable at the time the principal sum insured would otherwise have been payable, and subsequent instalments shall be payable annually thereafter. In event of the death of the Payee after having received one or more instalments, the Company, unless otherwise directed by the Insured, upon proper application and legal surrender of the supplementary contract, will commute any instalments remaining unpaid at 3½% compound interest and pay such commuted value to the Payee's Executors or Administrators.

Any annual instalment may be made payable in semi-annual, quarterly or monthly parts equal respectively to one-half, one-quarter or one-twelfth of the annual instalment.

The following tables show the annual instalment payable in lieu of \$1000 payable in one sum. They will apply pro rata according to the amount payable in one sum under this Policy.

## DISABILITY BENEFIT.

Supplement Agreement to Policy No. 99,999 on the life of *Benjamin Franklin* issued by THE FRANKLIN LIFE INSURANCE COMPANY.

If the Insured, before attaining the age of sixty years, and after the issuance of said Policy and the payment of at least one full annual premium thereon and before default in the payment of any subsequent premium, shall become totally and permanently disabled by bodily injury or by disease so that he is and will continue to be for life totally and permanently prevented thereby from the performance of any work or the transaction of any business for compensation or profit, and shall furnish proof satisfactory to the Company of such disability, the Company agrees to waive further payment of premiums under said Policy, such agreement to become operative only after endorsement of the same has been made on said Policy by the Company. Any premiums so waived shall not be deducted from the sum payable under said Policy but the waiver of premium payments shall have the effect of providing the same dues and benefits as though the premiums waived had been actually paid in cash.

It is further provided that notwithstanding proof of said disability may have been accepted by the Company as satisfactory, the Insured shall furnish at any time on demand proof satisfactory to the Company of the continuance of such total and permanent disability. If the Insured shall fail to furnish such proof or if he has become able to perform any work or to transact any business for compensation or profit, all premiums falling due after such disability shall have ceased to be total or permanent must be paid by the Insured in accordance with the terms of said Policy.

The total and permanent disability benefit hereunder and the continuance thereof are conditioned upon the Company being permitted to have a physical examination of the Insured made with respect to such disability by a medical examiner designated by it often as it may require.

Without prejudice to any other cause of disability,

- (1) The entire and irrevocable loss by the Insured of the sight of both eyes, or
- (2) The severance of both hands above the wrist, or
- (3) The severance of both feet above the ankles, or
- (4) The severance of one hand above the wrist and one foot above the ankle, will be treated in the same manner as total and permanent disability within the operation of this Agreement.

IN WITNESS WHEREOF, THE FRANKLIN LIFE INSURANCE COMPANY has caused this Agreement to be signed by its President and Secretary and countersigned by its Actuary at Springfield, Illinois, this First day of January, 1915.

Secretary.

GEORGE B. STADDEN,

I AGREE on behalf of myself and of any person who shall have or claim any interest in any policy issued hereon: (1) That if the premium for the first policy year is paid in full at the time this application is made, the policy applied for, if issued by the Company shall become effective from the date of its registration by the Insurance Superintendent of the State of Illinois. (2) That unless the premium for the first policy year under the policy herein applied for is paid in full at the time this application is made, the Company shall not incur any liability upon this application until the policy has been issued by the Company and the first premium has actually been paid to and accepted by the Company, or its authorized agent, at the time the policy has been delivered to and accepted by me during my lifetime and good health; (3) That any policy issued hereon shall, on the "Non-Participating" plan, that is to say, it shall not participate in the Company's surplus nor in any profit or dividend earned or apportioned by the Company; (4) That if within one year from the date of any policy issued hereon I shall die by self-destruction, sane or insane, there shall be payable the amount of the premium received by the Company under such policy and no more; (5) That this instrument marked Part I and the "Answers made to the Medical Examiner" marked Part II, together form the application for and shall be construed as a part of any policy issued thereon.

20 PAYMENT LIFE SPECIAL RATE POLICY WITH DIS-  
ABILITY BENEFIT RIDER.

No. 99,999.

AMOUNT, \$10,000.00.

AGE, 35.

PREMIUM, \$315.90.

GEORGE WASHINGTON LIFE INSURANCE COMPANY  
CHARLESTON, W. VA.

In Consideration of the payment of the premiums hereinafter specified promises to pay at the Home Office of the Company in Charleston, West Virginia, upon receipt of due proof of the death, within one year from the date hereof, of *John Doe*, of Charleston, County of Kanawha, State of West Virginia, herein called the Insured, to the *Wife of the Insured, Mary Doe*, beneficiary, with....right of revocation, *Ten Thousand Dollars* less any indebtedness to the Company, and any unpaid portion of the premium for the current policy year;

And, In Further Consideration of the payment of the premiums hereinafter stated, the GEORGE WASHINGTON LIFE INSURANCE COMPANY will renew said insurance from year to year, and PROMISES TO PAY to the beneficiary above named, upon receipt at said Home Office of due proof of the death of the Insured, the said sum of *Ten Thousand Dollars*, less any indebtedness hereon to the Company, and any unpaid portion of the premium for the then current policy year. The first year's insurance under this policy is modified preliminary term insurance.

Premium, *Three Hundred Fifteen and 90/100 Dollars*, (\$15.90) payable on delivery of this policy and thereafter annually at the Home Office of the Company in exchange for the Company's receipt on or before the *Twenty-Sixth* day of *February* in every year during the continuance of this policy until twenty full years' premiums shall have been paid, or until the death of the Insured.

DIVIDENDS.

There shall be apportioned to this Policy each year after the first a share of any surplus earned by this policy, as determined by the Company.

DIVIDEND OPTIONS.

Dividends, at the option of the owner of this policy, shall, when received, be either:

- (1) Paid in cash; or
- (2) Applied to the purchase of paid-up additions to the policy above indicated; or

(3) Left to accumulate to the credit of the policy, with interest at three per cent. per annum and payable at the maturity of the policy, but withdrawable on any anniversary of the policy.

Unless the owner of this policy shall elect otherwise, within three months after the mailing by the Company of a written notice requiring such election, the dividends shall be paid in cash.

#### PAYMENT OF PREMIUMS.

Except as herein provided, the payment of a premium or instalment thereof shall not maintain the policy in force beyond the date when the next premium or instalment thereof is payable.

All premiums are payable in advance at said Home Office, to an agent of the Company upon delivery of the official receipt of the Company, signed by one or more of the following officers, viz: President, Vice-President, Secretary, Assistant Secretary, Actuary or Treasurer, and countersigned by said agent.

A grace of one month, not less than thirty days, subject to interest charge at the rate of six per cent. per annum, shall be granted for the payment of every premium after the first, during which month the insurance shall continue in force. If the insured shall die during the month of grace, the overdue premium, with accrued interest, will be deducted from any amount payable hereon in any settlement hereunder.

#### AUTOMATIC PREMIUM LOAN.

After two full years' premiums shall have been paid on the policy, if any subsequent premium due hereon be not paid on or before its due date or within the period of grace allowed hereon, the Company will, as of said due date, advance the amount of the then current policy year's premium or the unpaid portion thereof and charge the policy with a loan of such amount that if interest for the period of the loan at six per cent. per annum be deducted in advance, the balance of said loan shall be exactly sufficient to pay all existing indebtedness and pay the premium due on aforesaid due date. This provision is automatic, and will be carried out by the Company without any action on the part of the insured. The indebtedness thus created shall be a first charge against the policy and all proceeds thereof, ranking in priority to the claim of the beneficiary or assignee.

If the loan value of the policy and any existing dividend accumulations or the balance of said loan value as defined above shall be sufficient to pay the then current policy year's premium or the unpaid portion thereof and interest, the Company will continue the policy in force for such a fraction of one year (measured in days) that the maturing loan increased by the same fraction of the amount by which said loan would require to be increased in order to provide for the payment of (1) the current policy year's premium the unpaid portion thereof and (2) interest in advance on the increased loan for the policy year or balance thereof, shall be equal to the cash value of the policy at the date of maturity of the loan, increased by said fraction of the difference between said cash value and the cash value of the policy at the end of the policy year assuming premiums paid in full to the end of said year. If prior to the expiration of such reduced period the last due premium be paid in full, all liability of the Company on this policy shall terminate upon termination, subject to one month's notice having been made by the Company to the last known address of the insured and of Assignee of record, if any, at the Home Office of the Company.

At any time while this policy is thus maintained in force, payment of premiums may be resumed without medical re-examination of the insured, and the accumulated loans may be paid off or allowed to stand as a lien against the policy.

Interest on these automatic premium loans shall be deducted in advance at six per centum per annum from the dates the respective premiums loaned become due until the dates of maturity of the respective loans and shall be compounded annually on the anniversary of premium payments in each year, if said interest be unpaid.

### LOANS.

After two full years' premiums have been paid and while this policy is in force the company will advance, within ninety days after an application for loan is received, on the proper assignment or pledge of the policy and on the sole security thereof with interest at the rate of six per cent. per annum, a sum equal to, or, at the option of the owner of the policy, less than, the reserve at the end of the current policy year on this policy and on any dividend additions thereto, computed according to the American Experience Mortality Table, and interest at the rate of three and one-half per centum per annum, less a surrender charge not to exceed one per centum of the amount insured by this policy and of any dividend additions thereto. The loan values available from year to year are given in the schedule below.

The Company, however, will deduct from such loan value any existing indebtedness to the Company on the policy and any unpaid balance of the premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year. Failure to repay any such advance or to pay interest shall avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such loan and until one month after notice shall have been mailed by the Company to the last known address of the insured and of the assignee of record, if any. No condition other than as herein provided shall be exacted as a prerequisite to any such advance.

### ASSIGNMENT.

No assignment of this policy shall be binding upon the Company unless such assignment or a certified copy thereof be filed with the Company at its said Home Office. The Company assumes responsibility as to the validity of any assignment.

### OPTIONS ON SURRENDER OR LAPSE.

After this policy shall have been in force two full years, if there be no indebtedness against the policy, the owner, within one month after any default, and on the proper surrender of this policy to the Company at its Home Office may elect (a) to accept the value of the policy in cash, or (b) to purchase non-participating paid-up insurance, payable at the same time and on the same conditions as the policy, or (c) to have the insurance continued in force from the date of default, without future participation and without the right of loans, for its face amount, including any outstanding dividend additions, less any indebtedness to the Company hereon. The amounts of cash surrender value, and paid-up insurance, exclusive of the value of any undrawn dividend additions, also the periods of continued insurance, are as shown in the following

### TABLE OF LOAN AND SURRENDER VALUES.

The figures apply to a policy for \$1,000. As this contract is for \$10,000.00, the loan, cash, or paid-up insurance available in any year will be TEN times the amount stated in the table for that year.

All indebtedness on account of this policy, outstanding at time of settlement, will be deducted from the reserve used in calculation of the value above specified, and will reduce said continued insurance or paid-up value by the proportion that such indebtedness bears to said reserve.

If the premiums on this policy be paid for other than an integral period of years (in excess of two years) due allowance will be made in computing benefits from the above table for that portion of a year's premium paid over and above the full number years premiums indicated.

If this policy be continued in force beyond the twentieth year a Table of Cash Surrender and Loan Values, as above, after twentieth year, will be furnished on application to the Home Office.

#### CHANGE IN BENEFICIARY

When the right of revocation has been reserved, or in case the death of any beneficiary under either a revocable or irrevocable designation, the insured, subject to any existing assignment of the policy, may designate a new beneficiary, with or without serving right of revocation, by filing written notice thereof at the Home Office of the Company, accompanied by the policy for a valid endorsement thereon. If any beneficiary shall die before insured, and the insured shall not have designated a new beneficiary, the interest of such beneficiary shall vest in the insured, his executors, administrators, or assigns.

#### INCONTESTABILITY.

This policy, including the application therefor, a copy of which is endorsed hereon or attached hereto, constitutes the entire contract between the parties, and shall be incontestable one year from its date except for non-payment of premiums and except as otherwise provided in this policy. All statements made by the insured, in the absence of fraud, be deemed representations and warranties, and no such statement shall avoid this policy unless it is contained in a written application and a copy of such application shall be endorsed upon or attached to this policy when issued.

Self-destruction, sane or insane, within one year from date of the issuance of this policy, is a risk not assumed by the Company.

If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

#### REINSTATEMENT.

In case of continued temporary insurance under the above provisions, this policy, upon evidence of insurability satisfactory to the Company, may be reinstated within the first three years of term for which the insurance is continued by payment of arrear premiums with interest at six per cent. per annum.

#### OPTIONS AT MATURITY.

The insured, by written notice to the Company at its Home Office, and with the written consent of the Assignee and irrevocable beneficiary, if any, may elect to have the net sum payable under this policy paid either in cash or as follows:

(1) By the payment of equal annual instalments for a specified number of years the first instalment being payable immediately in accordance with the following table for each \$1,000 of said sum.

(2) By the payment of equal annual instalments, payable at the beginning of each year, for a fixed period of twenty years, for so many years longer as the payee shall survive in accordance with the following table for each \$1,000 of said net sum.

Instalments payable under options (1) or (2) which shall have been paid prior to the death of the payee shall be paid, unless otherwise directed in said notice, to the executors, administrators or assigns of the payee.

If the insured shall not have directed otherwise, the benefits

may, after the death of the insured, by like written notice, and with the written consent of the assignee, if any, select either of the above options.

Unless otherwise specified by the insured, the payee may at any time receive the commuted value of payments yet to be made, computed upon the same basis as option (1) in the following table, provided that no such commutation will be made under option (2) except after the death of the payee occurring within the aforesaid twenty years.

SUPPLEMENTAL AGREEMENT TOTAL AND PERMANENT  
DISABILITY CLAUSE.

GEORGE WASHINGTON LIFE INSURANCE COMPANY,  
CHARLESTON, W. VA.

IN CONSIDERATION OF the additional premium of *Two Dollar and Forty cents* to be paid with the premium falling due upon each anniversary of the date of entry of Policy No. 99999 on the life of *John Doe* hereby agrees that if the insured thereunder before attaining the age of sixty years, and after payment of the premium thereon for at least one year and before default in the payment of any subsequent premium, shall furnish due proof to the Company that he has become totally disabled by bodily injury or by disease so that he is and shall be permanently, continuously and wholly incapacitated for life and prevented thereby from pursuing an gainful occupation, and that such disability has existed continuously for not less than sixty days, the Company, by endorsement thereon shall agree to waive the payment of premiums which may thereafter fall due during the continuance of such disability. Premiums shall have been waived as herein provided, the insured shall on demand furnish to the Company due proof of continued disability at the date when any premium would have fallen due. Failure to submit such proof shall operate as a cancellation of the benefit, and premiums thereafter falling due must be paid in accordance with the conditions of the policy. The insured agrees to keep the Company informed of every change in his address and residence, and to give immediate notice should he recover from his total disability. The irrecoverable loss of sight in both eyes, or the total and permanent loss by accident or disease of the use of both hands or both feet or of one hand and one foot, shall constitute total disability within the meaning of this contract without prejudice to any other cause of disability. Waiver of premiums by the Company under the foregoing provision shall not affect the right of the insured to any dividend or other benefit provided for in said policy, the surrender value of which, as well as dividends and other benefits shall continue with the same force and effect as the premiums were duly paid by the insured. And it is further provided that should total and permanent disability be purposely caused by the insured, or by committing any criminal action, the insured shall have no claim to the waiver of premiums as above.

It is AGREED that this Disability benefit may be discontinued by the insured at any time as of any anniversary of the date of entry of said Policy by written request to the Company, such discontinuance to take effect upon surrender and cancellation by the Company at its Home Office of this Supplemental Agreement, and on such discontinuance or when the insured attains the age of sixty years the extra premium charged for this benefit will thereafter cease. Surrender values will not be changed if this Disability Benefit is discontinued. Non-payment of the additional premium in accordance with the above will void the benefits secured hereby.

IN WITNESS WHEREOF, the GEORGE WASHINGTON LIFE INSURANCE COMPANY has caused this agreement to be executed this 26 day of February, 1916.

JNO. C. RHELDATTA,  
Secretary.

HARRISON B. SMITH,  
President.

## BENEFITS AND PROVISIONS.

1. ANNUAL DIVIDENDS.—This policy shall participate in the surplus of the Company and the proportion of divisible surplus accruing hereon shall be ascertained and distributed annually.

2. DIVIDEND OPTIONS.—At the option of the Insured or the Company dividends declared will at the end of the first and each succeeding policy year, without any condition as to payment of premium, be

- (a) paid in cash; or
- (b) applied toward payment of premium; or
- (c) left on deposit with the Company to accumulate with interest compounded and credited annually at such rate, not less than three per centum per annum, as the Company may from year to year determine. Such deposit will be payable with the policy at maturity, but may be withdrawn at the end of any policy year; or
- (d) applied to the purchase of a paid-up addition to the sum insured hereunder, with participation in surplus. Any such addition may at any time be surrendered for cash value, which shall be equal to the reserve thereon (increasing yearly), but in no case less than the amount of the original cash dividend, provided such reserve is not included in any value granted under the provision of paragraph 4, "Loans," or of paragraph 5, "Options on Surrender or Lapse."

Unless the Insured or the owner of this policy shall elect otherwise within three months after the mailing by the Company of a written notice requiring the election of one of the four above options, the dividend will be applied according to option (d) above.

3. **PAID-UP AND ENDOWMENT OPTIONS.**—When the reserve on this policy and on any outstanding dividend additions (paragraph 2, option (d)) according to the American Experience Table Mortality with interest at the rate of three per centum per annum together with any accumulated dividends held at interest (paragraph 2, option (c)), shall equal or exceed the reserve on the same mortality and interest basis for a fully paid-up policy of the same amount and payable at the same time and on the same conditions as this policy, at the then attained age of the Insured, the Company will make this policy paid-up in full with participation in surplus, any indebtedness to the Company hereon to be a lien against such paid-up insurance; or, when such aggregate amount shall equal or exceed the face amount of this policy, the Company will mature this policy and pay such amount as an endowment to any indebtedness to the Company hereon, provided in either case that a proper request be made therefor together with a satisfactory release.

4. **LOANS.**—At any time after two full years' premiums have been paid, and while this policy is in force, the Company will loan on proper assignment and delivery of the policy and on the security thereof an amount which, at the option of the Insured or the owner, shall be equal to or less than the cash surrender value of the policy at the end of the current policy year. Any unpaid portion of the premium for said policy year, together with any existing indebtedness to the Company on or secured by this policy, shall be paid out of the proceeds of such loan. Interest on the loan will be at the rate of five per centum per annum payable in advance to the end of the current policy year, and in advance for each year thereafter, principal and interest to be payable at the Home Office of the Company. If interest is not paid when due, it shall be added to the existing loan and bear interest at the same rate.

The whole or any part of a loan may be repaid to the Company at any time while this policy is in force. Failure to repay such loan or to pay interest thereon when due shall not avoid this policy, unless the total indebtedness hereon to the Company shall equal or exceed the cash surrender value at the time of such failure, nor until one month after notice to that effect shall have been mailed by the Company to the last known address of the Insured or the owner and of the Assignee of record at the Home Office of the Company, if any.

5. **OPTIONS ON SURRENDER OR LAPSE.**—After premiums shall have been paid on this policy for two full years, then in case of default in the payment of any subsequent premium or installment of premium, if such default continues after the period of grace herein provided for, the policy will have one of the following optional values:

(a) **AUTOMATIC PAID-UP LIFE INSURANCE.**—Without any action on the part of the Insured or the owner, the policy will be continued in force as paid-up life insurance of a reduced amount, payable at the same time and under the same conditions as this policy, with participation in surplus and with increasing loan and cash surrender values; or

(b) **CASH SURRENDER VALUE.**—Upon due surrender of the policy by the Insured or the owner, its value will be paid in cash and the insurance terminated. The cash surrender value shall be equal to the reserve at the date of default for the face amount of this policy and for any outstanding dividend additions thereto, computed according to the American Experience Table of Mortality with interest at the rate of three per centum per annum, less an amount having a maximum of one and four-tenths per centum of the sum insured at the end of the second policy year, and decreasing annually thereafter. Beginning with the end of the tenth policy year the cash surrender value shall be equal to the full reserve. Any indebtedness to the Company on the policy existing at the time of surrender shall be deducted from any such cash surrender value; or

(c) **PAID-UP EXTENDED TERM INSURANCE.**—Upon written request made by the Insured or the owner and received at the Home Office of the Company together with the policy duly surrendered within three months from the due date of the premium in default, the Company will grant paid-up term insurance reckoned from said date, without participation in surplus and without the right to cash for an amount equal to the face amount of this policy and outstanding dividend additions thereto, less any indebtedness to the Company.

The amount of the automatic paid-up life insurance under option (a) above, or the term of the paid-up extended insurance obtainable under option (c) above, will be such as the cash surrender value obtainable under option (b) above, less any indebtedness hereon to the Company, will purchase when applied as a net premium on the mortality and interest basis as stated above.

The paid-up life insurance and the paid-up term insurance provided for will be entitled to cash surrender values, which shall be equal to the full reserve thereon at the time of surrender, computed on the basis above mentioned, less any indebtedness to the Company on account of such paid-up insurance.

Any accumulated cash dividends (paragraph 2, option (c)) owing to the credit of this policy at the date of surrender or shall then be payable in cash in addition to the payment of cash value or the granting of the paid-up life or extended term insurance above provided for.

The Insured will be entitled to receive any cash dividends due on this policy or the loan value or the cash value above provided for, except when the interest of any beneficiary hereunder without revocation, in which case the right to receive any such interest shall vest in the Insured and the beneficiary jointly.

While any owner of this policy, either by the terms hereof or assignment, is a minor, no loan can be made by the Company except for the purpose of paying premiums; and before a cash surrender value can be paid, the interest of such minor must be fully released by a duly appointed guardian.

#### TABLE OF LOAN AND SURRENDER VALUES.

The figures in the following table represent the minimum values obtainable at the end of completed policy years, if there be no indebtedness against the policy and provided premiums have been paid for the full number of years stated or for the full number of years required by this policy if less than the number stated. These values will be increased on account of any outstanding dividend additions. If there be any indebtedness to the Company on this policy the figures will be modified as herein provided.

Values for later years will be computed upon the above stated basis, and be furnished upon request.

The cash surrender value or the loan value set forth in the above table for end of a policy year, less interest thereon at the rate of five per centum per annum to the end of such policy year, may be obtained at any time during such policy year, provided all premiums shall have been duly paid as required.

The values provided for in the above table will be proportionately increased by the payment of additional instalments of premium beyond the full paid policy year.

**6. PAYMENT OF PREMIUMS.**—All premiums hereunder are payable on or before the specified dates at the Home Office of the Company or to a duly authorized agent or agency cashier presenting the official receipt signed by an Executive Officer (President, Vice-President, Second Vice-President, or Secretary) and countersigned by such agent or agency cashier.

On premiums paid one month or more before the date when due a discount will be allowed at the rate of three per centum per annum from the date of payment to the date when due.

Premiums are payable annually in advance, but the Company will accept payment in semi-annual or quarterly instalments according to its published rates at the time this policy was issued. Any change in the method of payment herein stipulated may be made at the end of any policy year, upon a written request for such change to be filed at the Home Office of the Company before the anniversary date on which the change is to take effect.

Except as herein expressly provided, the payment of a premium or instalment thereof shall not maintain this policy in force beyond the date when the next premium or instalment thereof is due.

**7. GRACE.**—A grace of one month (not less than thirty days) shall be allowed for the payment of every premium after the first without any interest charge, during which time the insurance shall continue in force. If the death of the Insured occur during the period of grace, the overdue premium and any unpaid portion of the premium for the then current policy year will be deducted from the amount payable hereunder.

**8. PREMIUM EXTENSION BEYOND GRACE PERIOD.**—If a request therefor is made in writing by the Insured or the owner and received at the Home Office of the Company within the period of grace, an extension for a further period expiring not later than

thirty days from the due date will be granted by the Company for the payment of any overdue premium, upon the execution and subject to the conditions of an extension agreement on the Company's part, and, if required, upon the payment of a deposit on account of such premium. Any cash dividend then available may be used to increase the deposit. At the expiration of the extension period the premium less the deposit, if any, is payable with interest thereon at five per centum per annum for the extension period granted beyond the period of grace.

9. **AUTOMATIC PREMIUM LOANS.**—Upon a satisfactory request therefor made by the Insured or the owner and received at the Home Office of the Company before default in the payment of premium, and until a written revocation of such request has been filed with the Company at its said Home Office, the amount of any premium or interest not paid in cash when due, less any dividend applicable thereon, will, without further action of the Insured or the owner, be loaned by the Company in payment of such premium and interest, if any, and charged as an indebtedness incurred by this policy, subject to interest as above specified in paragraph 4, "Loans," provided that the net loan value (after deducting any indebtedness hereon to the Company) then available is sufficient to pay the premium and interest then due.

10. **AUTOMATIC PAYMENT OF PREMIUM BY DIVIDENDS.**—If a premium is unpaid at the end of the period of grace and provision for payment shall not have been made in accordance with paragraph 8 or paragraph 9, then if any accumulated dividends (paragraph 2, option (c)) are standing to the credit of the policy at least equal to the payment required, such payment will be made by the application of an equal amount of such dividend credit; or if the credit be less than the required payment, then out of such credit, if sufficient, shall be paid a semi-annual or quarterly installment of premium, and such application shall be a proper discharge of the Company for the dividend credit so applied.

11. **ERROR IN AGE.**—If the age of the Insured was misstated in the application for this policy, and there has been no adjustment of account of such misstatement, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

12. **SUICIDE.**—If the Insured shall, within one year from the date thereof, commit suicide or die by his or her own hand or act, whether sane or insane at the time, the liability of the Company shall be limited to the amount of the reserve for this policy, computed according to the American Experience Table of Mortality with interest at the rate of three per centum per annum.

13. **REINSTATEMENT.**—This policy, if not previously surrendered, may be restored to full force at any time after default in payment of any premium, upon evidence satisfactory to the Company of the insurability of the person upon whose life this policy was issued, and upon payment of arrears of premiums with interest at the rate of five per centum per annum compounded annually on the premiums and on any indebtedness to the Company existing at the time the policy at date of default, which indebtedness and arrears of premiums and interest shall at the option of the Insured be paid in cash, or, to the extent of the cash surrender value at the date to which reinstatement is made, be settled by a loan on the policy in accordance with the provisions of paragraph 4, "Loans." The Insured will state upon request in what form evidence of insurability shall be furnished and will bear the cost thereof.

14. **ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company unless it be filed with the Company at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

15. **CHANGE OF BENEFICIARY.**—If the right to change the beneficiary has been reserved to the Insured, he may, if of full age, at any time during the continuance of this policy, change and successively change the beneficiary hereunder whether original or substituted, without the consent of such beneficiary, but the interest

of the newly substituted beneficiary shall be subject to the terms of any then existing assignment of this policy. The Insured must declare the designation of any beneficiary to be irrevocable. During the lifetime of any irrevocably designated beneficiary the Insured shall not have the right to revoke or change the designation of the beneficiary without the written consent of such beneficiary filed with the Company. If any beneficiary, revocable or irrevocable, dies before the Insured, the interest of such beneficiary shall vest in the Insured, unless otherwise specifically provided. Every change of beneficiary or change from revocable to irrevocable designation must be made by written notice to the Company at its Home Office accompanied by the policy, and will take effect only when endorsed on this policy by the Company.

16. **PRIVILEGE OF CHANGE TO OTHER FORMS OF POLICIES.**—This policy while in full force may be changed at the end of any policy year upon due release, without medical re-examination of the Insured, to any other plan in use at the time this policy was issued requiring a higher rate of premium, except the continuous instalment or life income plan. The new policy shall be written at the same age, bear the same number and date and be for the same amount as this policy, and shall be effective upon the payment of a sum equal to the difference between the premiums on the new policy and the premiums paid on this policy with compound interest at a rate of five per centum per annum from the due date of each premium to the date when the change is made, provided, however, that the amount to be paid to secure such change shall in no case be less than the difference in the reserves for the respective policies according to the American Experience Table of Mortality with interest at the rate of three per centum per annum. Any accumulated cash dividends held at interest (paragraph 2, option (c) and the cash value of any outstanding dividend additions (paragraph 2, option (d)), as well as any dividends that would have accrued on this policy had it originally been issued on the plan form chosen, in excess of the cash dividends actually declared on this policy, may be used in settlement of the amount so payable.

17. **POLICY AND APPLICATION ENTIRE CONTRACT.**—This policy and the application herefor constitute the entire contract between the parties hereto. All statements made by the Insured as a basis for the contract shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defense to a claim hereunder, unless it is contained in the written application herefor and unless a copy of the application is endorsed hereon or attached hereto when the policy is issued.

18. **NOTICE.**—Agents have no authority to extend the time for payment of a premium or interest or to make, alter or discharge the contract or to waive a forfeiture or to bind the Company by statement or promise.

19. **OPTIONAL METHODS OF SETTLEMENT.**—Unless otherwise provided by written notice filed at its Home Office, the Company will, at the option of the payee, make settlement under this policy in case of death claim or as a matured endowment according to one of the following methods:

(a) **CASH.**—Pay the net proceeds of the policy in cash.

(b) **GUARANTEED INCOME.**—Retain the net proceeds of the policy as a principal sum and pay interest thereon at the end of each year during the lifetime of the payee at a rate not less than three per centum per annum, and pay said principal sum with accrued or unpaid interest thereon upon the death of the payee to his or her executors, administrators or assigns.

(c) **LIMITED INSTALMENTS.**—Pay the net proceeds of the policy in equal monthly instalments, provided the amount of each instalment is not less than ten dollars, the first instalment to be payable immediately, and the amount of each instalment to be determined in conformity with the accompanying table.

At any time while this policy is in force and unassigned, the Insured, or, if the interest of any beneficiary hereunder is irrevocable, the Insured and beneficiary jointly, upon written request to the Company filed at its Home Office, may elect any one of the above described options of settlement. If the policy is assigned, the signatures of the owners will be required. A revocation of any such election may be effected in like manner.

### BENEFITS AND PROVISIONS.

#### WAIVER OF PREMIUMS IN CASE OF DISABILITY.

If, after payment of premiums on this policy for at least one full year and before default in the payment of any subsequent premium, satisfactory proof shall be furnished to the Company that the Insured before attaining the age of sixty years has become wholly disabled by bodily injury or disease (any such cause originating after the delivery of this policy) so that he is and presumably be permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, the Company, by endorsement hereon, will agree to waive payment of the premiums thereafter becoming due during the continuance of such disability. If premiums are so waived, they shall not be deducted from the amount payable hereunder and the policy

shall participate in surplus and the values provided for in paragraph 4, "Loans," and in paragraph 5, "Options on Surrender or Lapse" shall increase from year to year in the same manner as if the premiums had continued to be paid to the Company regularly when due. Any dividends declared on this policy during its continuance after the provisions of this paragraph have taken effect shall be paid in cash.

Provided always that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall as often as required by the Company furnish satisfactory proof of continuance of such disability. If the Insured shall fail to furnish such proof or if it shall appear to the Company that the Insured has so far recovered as to be able to engage in any occupation whatsoever for remuneration or profit, then all premiums thereafter falling due shall be paid as originally provided in this policy.

Without prejudice to any other cause of disability, the entire and irrevocable loss of the sight of both eyes, or the severance of both hands above the wrists or of both feet above the ankles or of the entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this paragraph.

At the end of any policy year, upon the written request of the Insured or the owner, the provisions of this paragraph may by endorsement on this policy be made inoperative. After such a change, if no such change has been made, after the Insured has attained the age of sixty years, provided premiums are then still payable, the premiums required by this policy will be reduced to *Three Hundred Sixty-two dollars and Twenty cents*.

NOTE.—The foregoing printed paragraphs contain all the benefits and provisions referred to on the first page hereof. Any additional benefits or provisions will be stated below over the signature of an Executive Officer of the Company.

The Company's Official receipt for the first premium, counter-signed by the agent, must be delivered with this policy upon due payment of such premium.

NOTICE.—To collect the amount payable under this policy it is necessary to employ any person, firm or corporation.

#### APPLICATION.

I HEREBY DECLARE AND AGREE that the foregoing statements, together with this declaration and my statements and answers to the Company's Medical Examiner in Part II hereof, shall constitute my application for insurance on my life; that all of said statements and answers are full, complete and true, are material to the risk, and are offered by me as a consideration for, and as the basis and part of the proposed contract of insurance. I also agree that there shall be no contract of insurance until a policy shall have been issued and delivered to me, and the first premium thereon paid, during my lifetime and continued good health, and that such delivery and payment shall constitute acceptance of the policy as issued. I further agree that only an Executive Officer of the Company has authority to make or alter a contract of insurance, and to bind the Company by any promise or statement.

#### MEDICAL EXAMINER'S FORM.

I hereby certify that I have read and find correctly recorded as made by me each of the above statements, and I renew and confirm the declaration as to such statements made by me in Part I of this application. I expressly waive on behalf of myself and of any person who may have or claim any interest in any policy issued upon this application, all provisions of law forbidding any physician or other person who has attended or examined me, or who hereafter attend or examine me, from disclosing any knowledge of information thereby acquired.

## DISABILITY ANNUITY AGREEMENT

DISABILITY AGREEMENT SUPPLEMENTAL TO POLICY No. 99999. Annual Premium as stipulated in the policy, \$365.60. Additional Premium for disability benefits as specified below, \$14.30. Total, \$379.90.

THE GERMANIA LIFE INSURANCE COMPANY OF THE CITY OF NEW YORK, by this Supplemental Agreement, attached to Policy No. 99999 on the life of *John Doe*.

IN CONSIDERATION of *Fourteen Dollars*, and *Thirty cents*, to be paid together with each *Annual* premium required by said policy during the period terminating at the end of the policy year in which the Insured shall attain the age of 60 years,

GRANTS THE FOLLOWING DISABILITY BENEFITS in addition to the benefit provided for in the paragraph of said policy entitled "Waiver of Premiums in Case of Disability," namely:

1. **DISABILITY BEFORE AGE 60.**—If disability as described in the aforementioned paragraph shall occur before the Insured attains the age of 60 years and while no premium is in default, six months after due proof of such disability shall have been received by the Company, provided such disability then exists and this agreement is in force, the Company will pay to the Insured, with the written consent of the assignee, if any, one-tenth of the face amount of said policy and one-tenth of such face amount annually thereafter during the continuance of such disability until the policy shall become a claim either by the death of the Insured or as a matured endowment.

If the age of the Insured was misstated in the application for said policy, the annuity payable under the provisions of this agreement shall be such as the actual premiums paid would have purchased at the correct age; any overpayment or overpayments by the Company by reason of understatement of age shall be charged with interest thereon against any payments to be made after a judgment under the provisions either of this agreement or of said policy.

The annuity payments provided for in this section will not apply if disability occurs as a result of military or naval service in war.

2. **DISABILITY AFTER AGE 60.**—If due proof shall be received by the Company that disability as aforesaid occurred after the Insured attained the age of 60 years and while no premium is in default, the Company, by endorsement on the policy, will agree to waive payment of the premiums which thereafter may become due under the policy during the continuance of such disability. Each premium so waived will reduce by its amount the face amount of the policy; the amount of the premium will be correspondingly reduced and all values under the policy shall be reduced to correspond to the reduced insurance and will be calculated as if the premium for the reduced insurance had been paid when due. If, under this provision, the loan value of the policy is reduced so as to become equal to or less than any outstanding indebtedness on the policy, the Company's liability under the policy shall terminate.

**Recovery from Disability.**—If, in accordance with the paragraph "Waiver of Premiums in Case of Disability," upon recovery from such disability premiums as stipulated in the policy and this agreement respectively shall again become payable, no further disability annuity payments shall be made, and if the insurance shall have been reduced under the provisions of this agreement, such reduced insurance shall thereafter be the face amount of the policy and the premiums thereafter falling due and all the benefits under the policy will be reduced accordingly.

At the end of any policy year, upon the written request of the Insured or the owner, accompanied by this agreement, its provisions will be discontinued and thereafter the payment of the aforesaid additional premium shall not be required.

If default be made in the payment of the said additional premiums, this agreement shall cease and determine and the premiums thereunder shall remain the property of the Company.

Except as provided above, all the conditions and privileges of the policy shall remain unchanged.

In WITNESS WHEREOF, The Germania Life Insurance Company caused this agreement to be executed this First day of April, 1916, at New York City.

H. CILLIS,  
President.

Secretary.

Surrender and Loan values are quoted in the Table below for completed years only; but if a policy be continued in force by semi-annual or quarterly payment for a fraction of an additional year, surrender values will be proportionately increased for the additional time the policy is thus maintained in force.

**LOANS AND SURRENDER OPTIONS.**

**LOANS; POLICY SOLE SECURITY.**—After two full years' premiums have been paid and while this Policy is in force the Company will advance, within ninety days after an application for loan is received, the due assignment or pledge of the Policy and on the sole security thereof, an amount which with any existing loan hereon, and interest to the end of the current policy-year on the total loan, and with any unpaid portion of said current policy-year's premium, shall be equal to or, at the option of the owner, less than Cash Value at the end of such current policy-year; interest on loan will be at the rate of six per centum per annum, payable in advance, and this interest if not paid annually shall be added to existing loan and shall bear interest at the rate at which the loan is made. Failure to repay any such advance or to pay interest shall not avoid this Policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value at the time of default, nor until one month after notice shall have been mailed to the Company to the last known address of the Insured and of assignee of record, if any, at the Home Office of the Company.

**SURRENDER OPTIONS.**—After this Policy shall have been in force two full years, the owner, within three months after any default in payment of premium, but not later, may elect (a) to surrender the Policy for its Cash Value; or, (b) to have the insurance continued in force as term insurance from the date of such default, without future participation and without the right to loan or cash

**PAID-UP; OR EXTENDED INSURANCE.**—The term for which insurance will be continued under option (b), or the amount of paid-up participating life insurance obtainable under option (c) shall be such as the Cash Value less indebtedness obtainable under option (a) will purchase at the attained age of the Insured at date of default when applied as a net single premium according to the reserve basis aforesaid.

#### TABLE OF MINIMUM LOAN AND SURRENDER VALUE

The figures in the following Table give the minimum value available at the end of complete policy years if there be no indebtedness against the policy and provided premiums have been paid in full for the number of years stated. These values will be increased on account of any dividends which have been allotted and have been withdrawn in cash up to the date of surrender or loan. If there be any indebtedness to the Company the figures will be reduced as hereinbefore provided.

Values for later years will be computed upon the above basis and will be furnished upon request.

**AUTOMATIC EXTENDED INSURANCE.**—On default in the payment of any premium hereon the insurance shall be continued, without action on the part of the insured, as paid-up non-participating Term Insurance as provided in option (b) aforesaid if the insured shall die within three months after such default surrender this policy to the Company at the Home Office for its Cash Value, or paid-up insurance.

**REINSTATEMENT 5 YEARS AFTER DEFAULT.**—This policy may be reinstated at any time within five years from the date of default in the payment of any premium, upon evidence of insurability satisfactory to the Company and upon the payment of the arrears of premiums and of any cash surrender value allowed to the Insured with interest thereon at the rate of six per centum per annum, and, at the option of the Insured, either (a) upon payment in cash to the Company of any indebtedness which existed at said date of default together with interest thereon at the above rate, or (b) upon reinstatement of such indebtedness increased by the amount of interest thereon at the above rate, provided such reinstated indebtedness does not exceed the loan value at the date to which reinstatement is made.

#### PERMANENT TOTAL DISABILITY.

**WAIVER OF PREMIUMS.**—If, after one full annual premium shall have been paid hereon and before default in the payment of any subsequent premium, the insured shall, before attaining the age of 65 years, furnish due proof to the Company that he has become permanently disabled by bodily injury or by disease, so that he is and will be permanently, continuously and wholly incapacitated for life and prevented thereby from pursuing any gainful occupation, the Company by endorsement hereon shall agree to waive the payment of premiums which may thereafter fall due during the continuance of such disability.

If premiums shall have been waived as herein provided, the Insured shall on demand furnish to the Company due proof of continued disability at the date when any premium would have fallen due. Failure to submit such proof shall operate as a cancellation of this benefit, and premiums thereafter falling due must be paid in accordance with the conditions of the policy. The Insured agrees to keep the Company informed of every change in his address and telephone, and to give immediate notice should he recover from his disability.

The irrevocable loss of sight in both eyes, or the total and permanent loss by accident or disease of the use of both hands or both feet or of one hand and one foot, shall constitute total disability within the meaning of this contract without prejudice to any other cause of disability.

Waiver of premiums by the Company under the foregoing provisions shall not affect the right of the insured to any dividend or benefit provided for in this policy, the surrender value of the policy, as well as dividends and all other benefits, shall continue to have the same force and effect as if the premiums were duly paid by the insured. This Disability Benefit may be discontinued at the Insured's option; if so discontinued, or if the Insured attain age 65, premiums thereafter will be reduced by one dollar and ninety cents annually, being the additional premium for such benefit.

**DISABILITY MODIFICATION.**—If the Insured enter upon Military or Naval service in time of war or if while a civilian he engage in a similar occupation involving an association with Military or Naval maneuvers in time of war, the benefits of this provision shall continue with the extra premium therefor, shall immediately cease at that date a pro rata refund shall be made of the extra premium for the year then current.

### PREMIUM LIENS.

**UNPAID PREMIUMS ADVANCED.**—In lieu of automatic extended insurance the Company will, on receipt of a satisfactory request from the owner hereof at any time prior to default in payment of any premium, advance the amount of any unpaid premium as a lien on the policy with interest in advance at the rate of six per centum per annum if, after deducting from the cash value all existing indebtedness and interest thereon to the end of the period which the unpaid premium applies, the balance shall equal or exceed the overdue premium with interest to the same date. Subsequent premiums will in like manner be advanced from time to time as they fall due until the Cash Value as aforesaid is not sufficient to cover the accumulated indebtedness and advance the premium. Any indebtedness thus created shall be a first charge against the policy and all proceeds thereof, ranking in priority to the claim of any beneficiary or assignee.

If the Cash Value or balance thereof be not sufficient to pay the entire premium and interest it shall be used to pay a quarterly premium and if insufficient to pay an entire quarterly premium an excess of the Cash Value hereon over the indebtedness shall be used to purchase extended term insurance as aforesaid.

At any time while the policy be thus continued the insured without medical re-examination may resume payment of premiums.

### SPECIAL PROVISIONS.

This Policy shall be incontestable, except for non-payment of premiums, after one year from its date of issue.

**AGE.**—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**SUICIDE.**—This Policy shall become null and void if within one year from its date of issue the Insured shall commit suicide.

**ASSIGNMENTS.**—No assignment of this Policy shall be binding upon the Company unless such assignment or a certified copy thereof be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

### OPTIONAL MODES OF SETTLEMENT.

**INSTALMENTS 20 YEARS CERTAIN, LIFE THEREAFTER.**—2. In equal annual instalments payable at the beginning of each year for a fixed period of twenty years and for so many years longer as the payee shall survive, in accordance with the following Table for each \$1,000 of said net sum; or

**ANNUITY.**—3. As an annuity during the life of the payee in accordance with the following Table for each \$1,000 of said

um, the last annuity payment to be the regular payment immediately preceding the death of the payee.

Supplementary contracts for fixed instalment periods shall participate in surplus, usually as apportioned by the Company.

Unless otherwise specified by the owner or by the beneficiary in making such election, the payee under options (1) or (2) may at any time surrender the contract guaranteeing the payment of instalments for the commuted value of the payments yet to be made, computed upon the same basis as option (1) in the following table; provided that no such surrender and commutation will be made under option (2), except after the death of the payee occurring within the aforesaid twenty years.

**ILLINOIS LIFE INSURANCE COMPANY**

**Agrees to Pay** the principal amount of *Ten Thousand Dollars*, together with such Fully Paid Additions as may have been credited to this policy, as provided on the second page hereof, to *Martha Priscilla Brown*, wife of the insured, or to such other beneficiary as may have been duly designated, at the Head Office of the Company, in Chicago, Illinois, immediately upon receipt of due proofs of the death of *Richard Gordon Brown*, the insured, of *Chicago*, County of *Cook*, State of *Illinois*, provided this policy is in force at the time of the death of insured.

**YEARLY SURRENDER OPTIONS.**

All premiums hereon having been paid in full in cash, and this policy being free from indebtedness, the insured, upon surrender and cancellation thereof on the second anniversary of its date of issue, or upon the date upon which any subsequent annual, semi-annual or quarterly premium may become due, a thirty days' previous notice in writing of insured's intention so to surrender having been furnished to the Company at its Head Office, will be entitled to one of the following options, the respective values or extensions thereof being shown in the Tables of Values on the fourth page hereof, which said Tables, with the explanation, illustration and statements prefixed thereto are a part of this policy:

First option—Cash.

Second option—Paid-up Insurance.

Third option—Extended Insurance.

**NOTE.**—The election of the second or third option will be effected by the issuance of a new policy in lieu of this policy.

Cash Loans, as provided on second page hereof.

**THIS IS TO CERTIFY** that Illinois Life Insurance Company will pay to the beneficiary under Policy No. *Specimen*, issued by said Company, the sum of One Hundred Dollars within three days after the receipt of this Certificate, in the event of the death of insured while said policy is in force for the full face amount thereof; provided said Certificate is accompanied by an affidavit, stating the fact of the death of the insured thereunder, and the time, place and cause thereof, duly executed by the said beneficiary and the Judge or Clerk of any Court of Record of the County in which the said insured resides at the time of his death, or by any reputable physician, clergyman in good standing, or postmaster, residing in said county. The said payment shall apply on account any amount due under said policy and, being made in advance of the receipt of due proofs of death, is made and accepted without admission by the Company of its liability on said policy.

ILLINOIS LIFE INSURANCE COMPANY,

By JAMES W. STEVENS, President.

Countersigned by.....Secretary-Recorder.

**ONE MONTH'S GRACE.**—A grace of one month from the due date of any premium, during which period of grace the insurance shall remain in force, will be allowed in the payment of premiums hereof during the second and subsequent policy years subject to an interest charge at the rate of five per cent per annum. In case of the death of the insured during said month, the unpaid premium shall be deducted from the proceeds hereof.

**POLICY AUTOMATICALLY CONTINUED.**—Should the insured fail to pay any premium hereon, after premiums for three years have been paid, without having exercised any one of the several options set forth on the first page hereof, the Company will, without any action on the part of the insured, grant the Third Option (Extended Insurance) mentioned on the first page hereof. The Company will revive and reinstate this policy at any time within five years of the date of default, upon being furnished with evidence satisfactory to it of the then insurability of the insured and payment of arrears of premiums and payment or reinstatement of any other indebtedness with interest at the rate of five per cent per annum.

As provided on the fourth page hereof, the term of Automatic Extended Insurance will be increased if, at the time of default, there are any Fully Paid Additions to the credit of this policy.

**OPTIONAL CASH SETTLEMENT.**—As provided by the laws of the State of Illinois, the right is reserved to the insured hereunder to surrender this policy to the Company within thirty-one days of default in payment of any premium and receive in cash the full legal reserve value (American Experience  $3\frac{1}{2}\%$  basis) of the Extended Insurance automatically available under the above provisions.

**CASH LOANS.**—The Company will make loans on the sole security of this policy at any time, and from time to time after it has been in force one full year, charging interest in advance at not to exceed five per cent per annum. The Company may require a thirty days' previous notice at its Head Office before making any loan and will require the execution of a proper Loan Agreement and proper assignment and delivery of this policy. The amount of loan available from time to time, as indicated on the fourth page hereof, shall be increased by the amount of the Legal Reserve (American Experience  $3\frac{1}{2}\%$  Basis) on any Fully Paid Additions to the credit of this policy, and shall be subject to the deduction of any existing indebtedness on or secured by this policy, together with any unpaid balance of the premium for, and interest in advance on, the loan to the end of, the policy year in which the loan is made. Failure to repay any such loan, or to pay renewal interest thereon, shall not void this policy unless the total indebtedness on said policy shall equal or exceed the amount of loan available at the time of such failure; nor until one month after notice shall have been mailed by the Company to the last known address of the insured and of any Assignee of Record at the Head Office of the Company. In computing said "total indebtedness" interest if not paid when due shall be added to the principal of such loan and shall bear interest at the rate of five per cent per annum.

**SUICIDE.**—Death by the insured's own hand or act, whether sane or insane, within two years from the date hereof, is a risk assumed by the Company, and in event of death as aforesaid, the liability of the insurer hereunder shall be limited to an amount equal to the premiums actually paid hereon.

**MILITARY OR NAVAL SERVICE IN TIME OF WAR** shall not invalidate this insurance, but the insured shall be bound to pay to the Company a single extra premium of Fifty Dollars for Each Thousand Dollars insured to cover the risk of such service, with extra premium, if not paid in cash, shall be a lien upon this policy with interest in advance at five per cent per annum.

**CHANGE OF BENEFICIARY.**—The insured may, without expense at any time, and from time to time, during the continuance of this policy, provided it is not then assigned, change the beneficiary beneficiaries, by written notice to the Company, at its Head Office accompanied by this policy, such change to take effect only upon

approval of the application therefor by the Company and upon endorsement of the same on the policy by the Company. If the beneficiary last designated shall not be living at the death of the insured, the amount then insured by this policy shall be paid to the estate of the insured.

**PREMIUMS, WHERE AND HOW PAYABLE.**—All premiums hereon are due and payable in advance at the Head Office of the Company in Chicago, Illinois, but may be paid to agents of the Company, in advance, in exchange for the Company's official receipt, signed by the President or Secretary, and countersigned by the agent. A premium other than an annual will be accepted according to the Table of Payments endorsed hereon and made a part hereof; provided that the receipt of any such premium, less than a full annual, shall not have the effect to continue this policy in force longer than three months in case of a quarterly premium, or six months in case of a semi-annual premium. Failure to pay any premium when due shall, except as herein otherwise provided, void this policy and forfeit all premiums paid hereon to the Company, and terminate and forfeit the insured's right to pay any further premiums hereunder.

**INSTALMENT OPTION.**—The insured may at any time, provided the policy is not then assigned, change the manner of payment of insurance hereunder from one payment to payment in Limited Instalments or in Continuous Annual Instalments in accordance with and subject to the provisions headed "Instalment Benefits" in the appropriate table thereunder. Such change will take effect upon endorsement of the same on the policy by the Company. See copy of Application herewith and if errors or omissions are found therein, note the same and return the Policy to "Illinois Insurance Company, Chicago, Ill.," for correction.

#### YEARLY ADDITIONS TO AMOUNT INSURED.

During twenty years from the date hereof, upon renewal of this policy at the end of each year by payment of premium for the next year then beginning, it shall be credited with Fully Paid Additions to the amount insured hereunder payable upon receipt of proofs of death of the insured, to the beneficiary herein, in addition to the principal amount of this policy. The amount of this policy and the Fully Paid Additions credited thereto, from time to time, and which includes Additions previously credited, is shown in the table below opposite the number in the first column indicating the years for which premiums have been paid.

### THE COMPANY GUARANTEES:

1st. That when all premiums hereon, without reduction, have been paid for 16 Years, the then Fully Paid-up Insurance Value of this policy (available upon its surrender as elsewhere herein provided) and the Additions thereto, payable upon the death of the insured, shall be \$10070.00.

	Annual.	Semi-Annual.	Quarter

Annual Guaranteed Reduction commencing with premium for second year.....	\$84 80	\$32 30	\$16 1
Premium after Reduction.....	\$317 80	\$166 50	\$85 2

Should the insured elect the Premium Reduction Option with the first policy year, this policy is guaranteed to become Fully Paid-up for its Principal Amount, without Addition Credits, with premiums for 20 Years shall have been duly paid.

GENERAL PROVISIONS.—(1) This policy and the application therefor, a copy of which is hereto attached, taken together, constitute the entire contract, which cannot be varied, except by the President or Secretary of the Company, in writing, and no condition, privilege, provision or modification of this contract endorsed hereon or attached hereto unless signed by the President or Secretary shall control or be binding upon the Company, or in any manner be regarded as a part of this contract. (2) All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it is contained in the written application, copy of which is attached hereto. (3) If the age of the

ured is misstated, the amount payable under this policy shall be such as the actual premium paid would have purchased at the correct age of the insured, according to the Company's published rate at the date of the issue hereof. (4) Upon the maturity of this policy by the death of the insured, any unpaid balance of the annual premium for the current insurance year, together with any and all other indebtedness hereon shall be a first lien on this policy, and will be deducted and set off against any amount becoming due hereon. (5) The Tables of Values on the fourth page hereof apply only to policies free from indebtedness. On policies subject to indebtedness the benefits shown in said Tables of Values shall be reduced in the following manner: Any indebtedness, including any loan made on the security of this policy, shall first be deducted from the net reserve value of the benefit applied for (if application be duly made), or of the Automatic Extended Insurance (if application be not duly made), the respective benefits indicated by said tables being proportionately reduced. (6) The failure to pay any premium hereon when due, or the maturity of this policy by death or otherwise, shall render any loan hereon forthwith due and payable. (7) Any assignment of this policy must be made in duplicate and both copies sent to the Head Office, one to be retained by the Company and the other to be returned. The Company assumes no responsibility for the validity of any assignment. (8) No suit shall be brought or maintained to collect under this policy unless commenced within six years from the time the cause of action accrues, and within six years from the date of death of the insured. (9) This policy is not entitled to participate in the profits or surplus of the Company. (10) The insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the insured by this policy. (11) The Cash, Loan and Surrender Values in this policy, to but not including the twentieth year, are based on the reserve hereon, computed according to the American Experience Table of Mortality with interest at the rate of  $3\frac{1}{2}$  per cent per annum, and for the twentieth and subsequent years according to the same table of mortality with interest at the rate of 3 per cent.

This policy shall be incontestable after two years for the amount due, except for the non-payment of premiums.

**This Agreement is Made in Consideration** of the written and printed application therefor, which is hereby made a part hereof, and of the payment in advance of *Three Hundred Eighty-two and 40/100 Dollars* (said payment comprising the advance reserve hereon set apart to the credit of this policy and the premium for term insurance terminating on the *twenty-second day of March, 1915*), and in further consideration of the renewal of this policy for the whole life period from above date by the payment of *Three Hundred Eighty-two and 40/100 Dollars* on the said *twenty-second day of March 1915*, and the payment of a like sum on the *twenty-second day of each March* hereafter, until but not including the *twenty-second day of March, 1934*, after which no further payment of premiums will be required.

In Witness Whereof, the ILLINOIS LIFE INSURANCE COMPANY has caused this agreement to be signed by its President and Secretary, and countersigned by its Recorder or Assistant Recorder this *twenty-second day of March, One Thousand Nine hundred and Fourteen*.

### INSTALMENT BENEFITS.

The insured may, at any time, change the mode of payment of the proceeds of this policy as a death-claim, if the policy is not then assigned, from payment in one sum, as provided on the first page, to payment by Annual Instalments, as stated below. Notwithstanding such change, however, the proceeds of the policy shall be paid in one sum only, if at the time of the death of the insured such proceeds are less than One Thousand Dollars.

If the insured has changed the mode of payment to Annual Instalments, he may at any time subsequently entirely revoke said change, thereby making the proceeds of this policy again payable in one sum, or may select any other Instalment Benefit herein provided for.

The payment of the first instalment shall be made immediately upon receipt of due proofs of the death of the insured, and subsequent instalments shall be paid annually thereafter.

If the beneficiary shall survive the insured and shall die before all instalments have been duly paid, the remainder of the instalments shall be commuted and paid in one sum to the Executors, Administrators or Assigns of the beneficiary.

Each change of mode of payment, or revocation of any change must be requested by the insured in writing, and shall not take effect until endorsed on this policy by the Company at the Head Office.

The beneficiary can neither assign nor commute unpaid instalments, unless such right is given to the beneficiary by the insured in writing, and is endorsed on this policy by the Company at the Head Office in Chicago, during the lifetime of the insured. If however, the proceeds of this policy or any part thereof, are payable to Executors, Administrators or Assigns, such proceeds shall be commuted and paid in one sum.

The following tables are based upon a policy, the proceeds of which are One Thousand Dollars, and will apply pro rata to this policy.

Applicable, under the conditions specified herein, to policies free from indebtedness.

EXPLANATION: The Cash Loan Value for each \$1,000 of this policy is the amount shown in Table 1 below, in the column under the age at which the policy is issued and opposite the number in the first column indicating the number of full years' premiums paid hereon.

The amount of the Cash Surrender Value and of the Paid-up Insurance Surrender Value for each \$1,000 of this policy, and the term of Extended Insurance from the original due date of the unpaid premium, are shown in Tables 1, 2 and 3 below, respectively, in the column designating the age at which this policy is issued and opposite the number indicating the full years for which premiums have been paid. ILLINOIS LIFE INSURANCE COMPANY  
CHICAGO.JAMES W. STEVENS, *President.*WAIVER OF PREMIUM IN EVENT OF PERMANENT TOTAL  
DISABILITY.

## Before Attaining Age 60.

The premium stated in policy No. 99999 (to which this agreement is attached and of which it forms a part) includes an additional premium of 25 cents per annum for each One Thousand dollars of insurance. In consideration of such additional premium Illinois Life Insurance Company hereby grants the following Waiver of Premium in event of permanent total disability.

After this policy has been in force one full year, the Company will waive payment of the premiums thereafter becoming due if, while the insured has attained the age of sixty years and before payment in the payment of any premium, the Company shall receive satisfactory proof to it that the insured has become wholly disabled by bodily injury or by disease, so that he is and presumably is permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or following any gainful occupation. Such waiver shall not become effective until the same shall be endorsed upon said policy by an officer of the Company at its Head Office. Any premium so waived shall not be deducted from the sum payable under the policy, and the loan surrender values set forth in the Tables of Values shall be the same as if such premiums had been paid in cash: Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the insured shall at any time, on demand, furnish the Company satisfactory proof of the continuance of such disability; and if the insured shall fail to furnish such proof, or if he shall appear to the Company that the insured is able to perform any work or to follow any occupation whatsoever for compensation, or for profit, all premiums thereafter falling due must be paid in conformity with the policy contract. Without prejudice to any cause of disability, the entire and irrecoverable loss of the left eye or both eyes or the severance of both hands above the wrists, or both feet above the ankles, or of one entire hand and one foot will be considered as total and permanent disability within the meaning of this provision.

When the insured shall have reached age 60 the annual premium stated in the within policy (if any premiums, by the policy's terms, are thereafter due) shall be reduced by the amount of the additional premium which, as above set forth, is included in the sum stated in said policy.

Signed concurrently with and as part of the within policy the date and date therein written.

*Secretary.*

**SURRENDER FOR CASH.**—If any premium after the third shall not be paid on or before the date when due, and if there be no indebtedness to the Company, upon written request therefor within six months from such default in payment and on surrender of policy, the Company will pay in cash the net value of either paid-up or extended insurance hereunder, which is the amount specified in Column One (1) of the Table of Guaranteed Values for the year to the end of which premiums in full have been paid.

**CASH LOANS.**—On or after the beginning of any policy after two years from date hereof and on demand in writing to Home Office of the Company, the Insured may borrow on the security of this policy an amount not to exceed that specified in Column One (1) of the Table of Guaranteed Values for the year in which the loan is made.

Interest, if not paid when due, shall be added to the principal and bear the same rate of interest. The amount available at any time includes any previous loans then unpaid.

Unless the total indebtedness hereon shall equal or exceed the cash value of this policy, and then not until one month (not less than thirty days) after notice shall have been mailed by the Company to the last known address of the Insured and Assignee, if any, failure to pay any loan or interest thereon shall not void this policy, but, in the event of such default, when the premium becomes due and is not paid, an amount of insurance equal to the face amount of this policy, less the indebtedness, shall automatically continue from the date of default as Term Insurance for the term, including the period of grace which the excess of the cash value over the indebtedness will purchase at the then age of the Insured according to the American Experience Table of Mortality and interest at the rate of three and one-half per cent. ( $3\frac{1}{2}\%$ ); or, in the event of such Term Insurance, the Company will (upon written request of the Insured and surrender of this policy within one month after the date of default), either pay said excess in cash or issue a paid-up policy for the amount which said excess will purchase at the then age of the Insured according to the said Table of Mortality and rate of interest. The Term Insurance specified in this policy shall not be subject to cash loans.

The values used for surrenders, loans, extended term and paid-up insurance, shown in the Table of Guaranteed Values are calculated upon the reserves established by said Table of Mortality and Interest, less a surrender charge which in no case exceeds two and one-half per cent. This policy is incontestable after one year except for non-payment of premiums.

MASSEY WILSON, President.

**TOTAL DISABILITY BENEFITS.**

After one full annual payment shall have been made and before default in payment of any subsequent premium, if the Insured, prior to attaining age sixty, shall furnish satisfactory evidence that he has been wholly disabled from bodily injury or disease and will be permanently, continuously and wholly prevented thereby for life from pursuing any and all gainful occupations, immediately upon receipt of due proof of said disability by the Company and proper endorsement upon the policy, premium payments by the Insured shall cease during the continuance of such disability, and the Insured may elect one of the three following options:

**OPTION 1.**—To have all premiums which would have become payable during the continuance of said disability paid by the Company. Premiums so paid shall not be a lien on this policy, and the cash loans and the values of this policy in the schedule as given herein shall increase in the same manner as if the premiums were paid by the Insured. If, however, the Insured shall recover so as to be able to engage in any gainful occupation during the premium-paying period, the Company's obligation to pay the premiums will cease and the Insured shall resume payment of premiums in accordance with this policy on the first premium due date following such recovery.

**OPTION 2.**—In lieu of all other benefits under this policy, and there be no indebtedness to the Company, to receive eighty-five per cent (85%) of the face amount of the insurance under this policy in ten equal annual installments, to be paid by the Company to the Insured, or legal representatives.

**OPTION 3.**—In lieu of all other benefits under this policy, and there be no indebtedness to the Company, to receive the face amount of insurance under this policy in twenty equal annual installments, to be paid by the Company to the Insured, or legal representatives, and the Company agrees to continue to make annual payments of like amounts during the life of the Insured until the said twenty annual installments have been paid.

Under Options Two and Three the first installment shall be paid immediately upon receipt by the Company of due proof of the total permanent disability of the Insured. Should the Insured subsequently recover from said disability so as to be able to engage in any gainful occupation, payment of installments by the Company shall immediately cease. This policy may then be reinstated for the full amount and all the original benefits hereunder restored, without medical re-examination, on payment to the Company of the full amount of installments paid and all arrears of premiums with compound interest at a rate not exceeding six per cent (6%) per annum; said payment to be made in cash, or, if not in excess of the cash value of the policy, the amount of said payment may remain as a loan on the policy, subject to the loan provisions herein. Any medical advisor of this Company shall have the privilege at any time to examine the Insured regarding any alleged disability.

If the Insured shall furnish satisfactory evidence of total and permanent disability occurring after he shall have attained the age of sixty years, the Company, without further action on the part of the Insured, will allow the subsequent premiums to accumulate without interest as an indebtedness on this policy. In any such case the cash loans and the values in this policy, as shown in the schedule of values herein, shall increase in the same manner as if the premiums were being paid by the Insured.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, shall be considered as total permanent disability within the meaning of this contract.

## GENERAL PROVISIONS.

**RIGHTS OF INSURED.**—The Insured, without the consent of the beneficiary, may receive every benefit, exercise every right and enjoy every privilege conferred upon him by this policy.

**GRACE IN PAYMENTS OF PREMIUMS.**—A grace of one month during which this policy will remain in full force, will be allowed in the payment of all premiums except the first.

**REINSTATEMENT.**—In case of the default in the payment of any premium or interest, the Company will reinstate this policy at any time, if not previously surrendered for its cash value, upon written application by the insured to the Company at its Home Office, with evidence of insurability satisfactory to the Company and payment of all premiums that would have been paid in the intervening time if no default had been made, with interest thereon at a rate not exceeding six per cent. (6%) per annum computed from the premium due date, and payment or reinstatement, with interest at like rate, of any indebtedness existing at the time of default.

**CHANGE OF BENEFICIARY.**—Provided this policy is not assigned the Insured at any time, and from time to time during its continuance, may change the Beneficiary, to take effect only when such change and the written consent of the Company thereto are endorsed upon the policy or attached thereto at the Home Office of the Company, whereupon all rights of the former Beneficiary shall cease. It is hereby understood and agreed that the Beneficiary has no vested right in this policy. Should the Beneficiary die prior to the death of the Insured, and there be no other nomination, the proceeds of this policy shall be paid to the executor or administrators or assigns of the Insured.

**MODIFICATIONS.**—No agent can make, alter or discharge the contract or extend the time for payment of premiums, nor can the policy be varied or altered, or its conditions waived or extended, in any respect except by the written agreement of the Company signed by the President or one of the Vice-Presidents and the Secretary or Assistant Secretary, whose authority will not be delegate.

**MISSTATEMENT OF AGE.**—If the age of the Insured was incorrectly stated in the application for this policy, the amount payable hereunder shall be the insurance which the actual premium paid would have purchased at the true age of the Insured according to the Company's published rates at date of issue. Age will be admitted on satisfactory proof.

**NON-PAYMENT OF PREMIUMS.**—If any premium shall not be paid on or before the date when due the liability of the Company shall be only as hereinbefore provided.

**ASSIGNMENT.**—No assignment hereof shall be binding upon the Company unless made by an instrument in writing endorsed upon this policy or attached hereto, nor unless a duplicate shall be furnished to the Company forthwith upon its execution. The Company shall not be held responsible for the validity of any such assignment. Any claim made under an assignment shall be subject to proof of interest and extent thereof.

**INDEBTEDNESS.**—Any indebtedness to the Company, including any balance of the premium for the insurance year remaining unpaid, will be deducted in any settlement of this policy.

**SUICIDE.**—In case of suicide, committed while sane or insane, within one year from the date on which this insurance begins, the limit of recovery hereunder shall be the premium paid.

**ENTIRE CONTRACT.**—This policy and application herefor constitute the entire contract between the parties hereto. All statements of the Insured shall, in the absence of fraud, be deemed representations and not warranties. No statement of the Insured shall void this policy, or be used in defense to a claim under this policy unless contained in the application, a copy of which is attached hereto.

**PLAN OF PAYMENTS.**—The plan of premium payments can be changed so that premiums may be paid in quarterly or semi-annual installments or changed from such form to annual, on any anniversary of this policy by application in writing to the Home Office of the Company. The rate when so changed shall be on the basis of the Company's published rate for plan desired.

### PREMIUMS.

This policy is issued in consideration of the application hereon, which application is made a part hereof, the payment of *Three Hundred Eighty-three and 40/100 Dollars* in advance on delivery of this policy for term insurance for one year from date hereof, and the further payment of a like amount either at the Home Office of the Company, at St. Louis, Missouri, or upon delivery of a receipt signed by the Secretary and countersigned by the authorized agent of the Company, on or before the *twenty-second day of February* in every year hereafter during the life of the Insured until *twenty full annual premiums, including the last, shall have been paid.*

**Illustration.**—If at the death of the Insured the Beneficiary should be 35 years of age last birthday, the amount of each annual installment will be \$51.00 and each monthly installment will be \$4.32 for each \$1,000 of insurance, payable during the entire life time of the Beneficiary, but if the Beneficiary should die before expiration of 20 years the remainder of the installments will continue to be paid annually to the executors, administrators or assigns of the Beneficiary.

**TRUST PROVISION.**—The Insured or Beneficiary may leave proceeds of this policy in trust with the Company, in which event the Company will pay interest at the rate of three and one-half per cent ( $3\frac{1}{2}\%$ ) per annum, and the first payment of interest shall be made one year from the date the trust is created and annuities thereafter during the continuance of the trust, which may be revoked at any time.

**SPECIAL SETTLEMENT.**—The proceeds of each \$1,000 will be paid in 20 annual installments of \$50.00 each and \$525.00 at the end of 20 years, making the total payment \$1,525.00.

The Insured or Beneficiary selecting any installment herein may subsequently, by written notice to the Company, either change the selection or revoke all selections, thereby making the policy payable as provided on the first page hereof, provided no installment has been paid; where any installment has been paid the installments remaining unpaid will be commuted on basis of interest at three and one-half per cent ( $3\frac{1}{2}\%$ ) per annum and paid in a single sum.

If the Insured elects that the proceeds of this policy shall be payable to the Beneficiary in installments, the Beneficiary shall neither assign nor commute future installments unless that right shall be given by the Insured to the Beneficiary in writing and such assignment or endorsement shall be endorsed on this contract by the Company at its Home Office during the lifetime of the Insured.

No selection, change or revocation shall take effect until the policy is endorsed on this policy by the Company. After endorsement the policy will be returned to the Insured.

The payment of the first installment shall be made immediately upon the date the proceeds of this policy become payable and subsequent installments shall be paid annually or monthly thereafter in accordance with the option selected.

20 PREMIUMS LIFE ANNUAL DIVIDEND POLICY WITH  
DISABILITY BENEFITS.

No. 99999.

AGE,

AMOUNT, \$10,000.

PREMIUM, \$350.

JEFFERSON STANDARD LIFE INSURANCE COMPANY  
GREENSBORO, NORTH CAROLINA.

DOES HEREBY INSURE *John Washington Doe*, hereinafter called the insured, in the sum of *Ten Thousand Dollars*, payable at its Home Office in the City of Greensboro, N. C., unto *M. Elizabeth Doe (wife)* immediately upon receipt of due proof of death of the Insured, within one year from the date hereof, thereafter while this policy is in force. In event of the death of the beneficiary the benefits hereunder will be paid to executors, administrators, or assigns of the Insured.

## TOTAL AND PERMANENT DISABILITY.

Upon receipt of due proof of the total and permanent blindness or deafness of the Insured, or of the loss of both hands above the wrist; or of the loss of both feet at or above the ankle; or of the loss of one limb and one eye; or of the loss of one hand at or above the wrist and of one foot at or above the ankle; or that he has become wholly disabled by bodily injuries, loss of reason, or disease, and will be permanently, continuously and wholly prevented thereby from pursuing any and all gainful occupations, after one full annual payment shall have been made before a default in the payment of any subsequent premium provided that such total and permanent disability shall occur before the Insured attains the age of sixty years, the Company by endorsement in writing on this contract will, at the option of the Insured, either (a) Agree to pay for the Insured the premiums which shall thereafter become payable during the continuance of such disability. In any such case the premium paid shall not be a lien on this contract and the values in the Table of Values on the second page hereof shall increase in the same manner as if the premiums were being paid by the Insured; or,

(b) The Company will grant an endowment for the value of the policy, under which no premiums will be required payable in ten equal annual installments, the first installment to be paid immediately upon receipt of due proof of any disability or incapacity. If the Insured should not live to the total number of installments, the remainder will be paid to the beneficiary, or commuted and paid in one sum.

If, however, the Insured shall recover so as to be able to engage in any gainful occupation the Company's obligation to pay the premiums or installments shall cease and the Insured

shall resume the payment of premiums in accordance with this contract on the premium due date following such recovery, any premiums already having been paid by the Company NOT being charged as a lien thereon; but any installments paid hereunder shall be counted a lien on this policy.

Proof of total and permanent disability of the Insured will be required on forms prescribed by the Company, and any medical adviser of the Company shall be allowed to examine the person of the Insured in respect to any alleged disability.

This Contract is free from conditions as to residence, occupation, travel or place of death in connection with the payment of the above insurance in case of death, no permit or extra premium being required for Military or Naval Service in time of war or in time of peace.

### STIPULATIONS AND AGREEMENTS.

**DIVIDENDS.**—At the end of the first year and annually thereafter this policy while in force will be credited with a dividend as apportioned by the Directors of the Company from the surplus; and when so apportioned, the dividend may be used, (1) in the reduction of the next annual premium; or (2) in the purchase of paid-up additions to the face of this policy. Dividends will be due and payable only upon payment of the next succeeding annual premium.

### SPECIAL PRIVILEGES.

Instead of using the dividends annually as provided above, the Insured may elect to leave the dividends with the Company to be used as follows:

**TO PAY UP ALL PREMIUMS.**—Whenever at the end of any policy year the dividends together with the reserve equal the single premium at the attained age of the Insured, this policy may become fully paid-up participating policy, but the Insured may continue payment of premiums to the end of the premium paying period, increase the dividends or to mature this policy as an endowment.

If the Insured elect a paid-up participating policy, paid up by application of dividends, or at the end of the premium paying period, the dividends will be paid annually thereafter in cash, less left to mature this policy as an endowment.

**TO MATURE THIS POLICY AS AN ENDOWMENT.**—Whenever the dividends together with the reserve equal the face of this policy, the Insured shall mature as an endowment and be payable at once to the Insured.

In the event of the death of the Insured while this policy is in force, all dividends which have been left with the Company under either of the foregoing options will be paid to the beneficiary in addition to the sum insured.

### NON-FORFEITURE PROVISIONS.

This policy is non-forfeitable as follows: After three full years from the date hereof, if there be no indebtedness to the Company, the Insured shall, within sixty days from the date of non-payment of any premium after the third, be entitled to a surrender value—in cash, paid-up non-participating insurance, or extended insurance—as set forth in the Table below.

For the protection of interests of all policyholders the Company reserves the right to defer payment of the Cash Value for not more than ninety days after written application is made therefor.

If Paid-Up non-participating insurance is selected, the policy shall have a yearly increasing surrender value. If extended insur—

ance is selected, the policy will have a decreasing surrender value expiring with the extension term.

Values for years after those given in table below will be furnished upon application.

#### GUARANTEED OPTIONS FOR \$1,000 INSURANCE.

The Options below stated, except Extended Insurance, which is not affected by the amount, apply to a policy of \$1,000—this Contract being for \$10,000 the various options at the end of any year will be respectively ten times the amounts guaranteed for that year.

It is guaranteed that no surrender charge exceeding two and one-half per cent. of the face amount of this policy has been deducted from the reserve in computing surrender or loan value. The reserve under this Contract is based on the American Experience Table of Mortality, with interest at three and one-half per cent.

#### INSTALLMENT PRIVILEGE.

The Insured, or after the Insured's death, the beneficiary, written notice to the Company at its Home Office, may elect to have the total sum payable under this policy, paid either in cash or as follows:

(1) By payment of equal annual installments at the beginning of each year, for a specified number of years, the first installment being payable immediately, in accordance with the following table for each \$1,000 of said total sum; or,

The Beneficiary can neither assign nor commute unpaid installments unless such right is given to the Beneficiary by the Insured in writing and is endorsed on this Contract by the Home Office, during the lifetime of the Insured.

The insured may subsequently change or revoke his selection of these Installment provisions by written notice to the Company; such change or revocation to take effect upon receipt of such written notice at the Home Office of the Company in Greensboro, N. C. and the endorsement of the same upon this policy, by the Company.

**LOANS.**—After three full years from the date hereof, if premiums on this policy have been fully paid, the Company will lend money at six per cent. per annum—subject to its loan agreements in use—the sum named in the table on second page. Any subsequent loan shall not exceed the amount in said table indicated for the year it is applied for, less the amount of any prior loan and interest. For the protection of the interest of all policyholders the Company reserves the right to defer for a period of not more than ninety days the making of a policy loan for any other purpose than the payment of premiums.

**AUTOMATIC PREMIUM LOANS.**—If the insured does not elect one of the guaranteed options on second page, the Company will charge unpaid premium against the loan value hereon, as a loan, continuing the policy in full force the same as if the premium had been paid by the Insured in cash. Such premium loans shall be continued as long as the loan value on the policy, less indebtedness, meets the premiums as they fall due, with interest at six per cent. added. When the loan value, less all prior loans and accrued

interest is insufficient to pay a full annual premium it shall be up to the Insured to continue the policy in full force for that portion of the year till the remaining loan value bears to the full annual premium payable under this contract, at the expiration of which time this policy shall automatically terminate. At any time while the policy is in force the Insured may pay up all loans with interest, or continue such loans as a lien against this policy, and resume the payment of premiums without medical examination.

**GRACE IN PAYMENT OF PREMIUMS.**—In the payment of a premium under this policy, except the first, a grace of thirty days will be allowed, subject to an interest charge of six per cent.

**INCONTESTABILITY.**—After one year from date, if premiums have been duly paid, this policy shall be incontestable for any cause.

**SELF-DESTRUCTION.**—In case of self-destruction committed whether sane or insane, within one year from the date hereof, the extent of recovery hereunder shall be the premium paid.

**ADMISSION OF AGE.**—The Company will admit age upon satisfactory proof; otherwise, if age is not truly stated in application the benefits hereunder will be what the premiums actually paid would have purchased at the true age.

**RE-INSTATEMENT.**—Should this policy cease and determine by non-payment of any premium, it may be re-instated at any time by the payment of the defaulted premiums with six per cent. interest and by furnishing the Company with satisfactory evidence of insurability.

**ASSIGNMENT.**—No assignment of this policy shall take effect unless made in writing in duplicate, the original attached to this policy, and the duplicate filed in the Home Office of the Company. The Company will not assume any responsibility for the validity of an assignment.

**CHANGE OF BENEFICIARY.**—Provided this policy be not assigned, the Insured may at any time and from time to time change the beneficiary hereunder. Such change to take effect upon the written endorsement of the same upon the policy by the Company.

**NOTICE.**—Only the President, Vice-President, or Secretary whose authority will not be delegated, shall have the power to modify, or alter this contract, to bind the Company by making a promise, or by accepting any representation or information contained in the application for this policy; and, if done by them, shall be binding only when in writing, duly signed and attached hereto. The Insured may, without the consent of the Beneficiary, receive every benefit, exercise every right, and enjoy every privilege conferred upon the Insured by this policy.

**PREMIUMS.**—The insurance provided for by this policy is based upon the payment of premiums annually in advance, but after the first year the annual premium may be paid by installments as follows: Semi-annually in advance, \$182.40, or quarterly in advance, \$92.90. The payment of any such installment shall not have the effect to continue this policy in force longer than until the next installment is due. This policy does not take effect until the first annual premium shall have been actually paid and the policy delivered during the lifetime and good health of the Insured. Subsequent premiums are payable to the Company at its Home Office, but may be paid to an authorized agent in exchange for an official receipt signed by the Secretary and countersigned by the Agent. In case of settlement under this policy the remainder of the then current year's premium, if any, together with all indebtedness will be first deducted. In case of default in the payment of any premium or in giving for any premium or portion thereof, this policy shall cease and determine, and the payments received hereon shall become the property of the Company, except as specified on the second page hereof.

THE INSURANCE HEREUNDER is granted in consideration of the application for this policy, which is a part hereof and copy attached hereto, and of the premium of *Three hundred fifty and 70/100 Dollars*, to be paid on delivery hereof.

This policy will be renewed and extended as a Limited Payment Life Contract, on the same terms and for the same amount, in the further consideration of the payment of a like sum, to be paid one year from date, and every year thereafter while the policy is in force until *Twenty* such premiums, including the first, shall have been paid, after which no further premiums will be required.

In Witness Whereof, the JEFFERSON STANDARD LIFE INSURANCE COMPANY has caused this contract to be signed by its President and Secretary, at its Home Office in the City of Greensboro, N. C., on this the *first* day of *August*, One Thousand Nine hundred and *Fifteen*.

A. C. TAYLOR,  
Secretary.

20 PAYMENT LIFE ANNUAL DIVIDEND POLICY WITH  
DISABILITY BENEFITS.

No. 99,999.

AMOUNT, \$10,000.

AGE, 3

PREMIUM, \$348.

JOHN HANCOCK MUTUAL LIFE INSURANCE  
COMPANY,

OF BOSTON, MASSACHUSETTS.

In Consideration of the representations in the application hereof, a copy of which is endorsed hereon or attached hereto and made a part hereof, and of the premium of *Three hundred forty-eight and 70/100* Dollars to be paid on delivery of this policy and of the payment of a like premium on or before the first day of *March* in each succeeding year until the premiums for *twenty* full years shall have been paid or until the prior death of the Insured, the JOHN HANCOCK MUTUAL LIFE INSURANCE COMPANY hereby insures the life of *John Hancock of Boston, Massachusetts*, in the sum of *Ten Thousand* Dollars.

If the Insured shall die during the continuance of this policy the Company will pay the sum insured, less any indebtedness to the Company hereon or secured hereby and less any unpaid balance of premium for the uncompleted policy year, upon due proof of death and the surrender of the policy, at the Company Home Office in Boston, subject to the conditions and provisions hereinafter recited, to *his wife, Dorothy Q. Hancock*, if living, or to such other beneficiary as may be finally substituted under the conditions hereof, or if no such beneficiary be then living, then to the executors or administrators of the Insured.

POLICY AND APPLICATION ENTIRE CONTRACT.—This policy and the application herefor constitute the entire contract between the parties, and all statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy or be used in defense to a claim hereunder unless it is contained in a written application herefor and unless a copy of such application is endorsed on or attached to the policy when issued.

WHEN IN EFFECT.—This policy shall not take effect until the first premium or regular instalment, as herein provided, shall be actually paid during the lifetime of the Insured.

CHANGE OF BENEFICIARY.—If the right has been reserved in the application herefor, the Insured may change the beneficiary from time to time, subject to the rights of any assignee, by written request upon the blanks of the Company filed at its Home Office, but such change shall take effect only upon endorsement hereon.

PAYMENT OF PREMIUMS.—All premiums hereunder are payable in advance, annually, or in regular equivalent semi-annual or quarterly instalments at the Company's published rates, at the Home Office of the Company, or to a duly authorized agent presenting the official receipt signed by the President or Secretary, and countersigned

signed by the agent designated on such receipt. Except as herein expressly provided, the payment of any premium or instalment thereof shall not maintain this policy in force beyond the date when the succeeding premium or instalment becomes payable.

**GRACE PERIOD.**—A grace of thirty-one days, during which the policy shall remain in force, will be granted for the payment of premiums or regular instalments thereof, after the first. If the death of the Insured occur during the days of grace, the sum necessary to complete payment of premium for the then current policy year will be deducted from the amount payable hereunder.

**ADVANCE PREMIUMS.**—Any premiums paid one year or more prior to the date when due will be discounted at the rate of three per centum per annum, and at the death of the Insured any such premiums paid for a period beyond the then current policy year will be returned, discounted at the same rate of interest.

**ANNUAL PARTICIPATION IN DIVISIBLE SURPLUS.**—At the end of each policy year so long as this policy shall remain in force, there shall be distributed hereon the proportion of the divisible surplus attributed by this policy, but such distribution at the end of the last year shall be contingent upon payment of the next succeeding premium.

**DISTRIBUTION OPTIONS.**—Such surplus distributions may be—  
 (a) taken in cash, (b) applied in abatement of premium payments, (c) left on deposit with the Company to accumulate with interest at the rate of not less than three per centum per annum, payable with the policy or withdrawable in cash on demand by the holder, or (d) applied to purchase participating paid-up additions payable with the policy, which may be surrendered at any time for their cash value. Election of options may be made annually by the holder by writing filed with the Company, and any option so elected shall remain in effect until a new option shall be duly substituted. If no such election is in effect on any anniversary, the distribution for that anniversary shall be held on deposit, as provided in option (c), and if any premium remains unpaid at the expiration of the grace period the Company will apply the deposit to the payment of the premium in default, if said deposit be sufficient for that purpose, otherwise to the payment of such smaller regular instalment as the deposit may be sufficient to pay in full, and any such application of such deposit shall be a discharge to the Company for the amount so applied. Surplus apportioned to this policy while it is running as extended insurance shall not be available to maintain the policy in force beyond the extension term.

**APPLICATION OF SURPLUS DISTRIBUTIONS TO SHORTEN TERM OF PREMIUM PAYMENTS OR MATURE POLICY.**—Whenever the surplus accumulations under this policy, or the reserve under any outstanding paid-up additions hereunder, or both, together with the policy reserve, shall equal the reserve on the same basis for a fully paid-up policy of the same kind and amount at the then attained age of the Insured, the Company will, upon written request of the Insured and upon due release, endorse the policy, subject to any indebtedness, as paid up in full with participation; or when the aggregate amount of all reserves and accumulations shall equal the face amount of this policy, the Company will on request pay the policy as an endowment, less any existing indebtedness hereunder, upon due surrender.

**LOANS.**—At any time, while the policy is in force, after three years' premiums shall have been paid, the Company (unless the policy is running as extended insurance) will loan, upon proper assignment, and upon the sole security of this policy, with interest at the rate of six per centum per annum, a sum not exceeding the surrender value at the end of the then current policy year, of the policy and of any outstanding dividend additions, less any outstanding indebtedness and interest on the total amount loaned to the policy anniversary, and less any unpaid balance of premiums for the current policy year. Any interest in default will be added to the principal of the loan.

**PREMIUM LOANS.**—Such loans when made to pay premiums only may be effected upon the sole signature of the Insured except that if the policy be assigned, the signature of the assignee will be required. Upon written request by the Insured and any assignee upon the Company's prescribed forms, provision may be made by endorsement hereon for automatic application of the premium loan provision to the payment of future premiums.

**REPAYMENT OF LOANS.**—The whole or any part of a loan may be repaid at any time. Failure to repay the loan or to pay interest thereon, shall not avoid the policy while the indebtedness is less than the cash surrender value. When the indebtedness equals such value, the policy shall become void thirty-one days after notice has been mailed to the Insured and any assignee.

**CONVERSION PRIVILEGE.**—At any time while this policy is in force it may be exchanged without medical re-examination, upon demand, for a policy of not greater amount, upon any plan having higher premium rate, except a continuous monthly instalment joint life or corporation plan, which the Company issues at the date hereof, but without the right to disability benefits. The new policy shall bear the date of this policy, premiums shall be at the rate in use for the age at said date for the form chosen, and the cost of change shall be the difference between the premiums under the new policy and the premiums paid under this policy (exclusive of the special premiums paid for disability benefits) for the same period and the same amount of insurance, with interest compounded annually at the rate of six per centum per annum, and with proper adjustment of differences between the amounts of surplus distributions under the two forms of policies.

**REINSTATEMENT.**—At any time after default in payment of premium (unless the cash surrender value shall have been paid, or the extension term expired, if the policy shall have been so carried), the policy may be reinstated, upon production of evidence of insurability satisfactory to the Company and approved at its Home Office, upon payment or reinstatement of any indebtedness to the Company hereon or secured hereby, and payment of arrears of premiums, with interest at the rate of six per centum per annum.

**ASSIGNMENTS.**—No assignment hereof shall be binding on the Company until filed at its Home Office. The Company assumes responsibility as to the validity of any assignment.

**LIMITATIONS.**—The liability of the Company hereunder during the first policy year shall be limited to the premium paid hereon if the Insured shall die by suicide, while sane or insane, during said year; or if he shall die during said year as the result of military or naval service in time of war or as the result of making or undertaking an aerial flight, without a permit for such service or flight from the Company, signed by the President, a Vice-President, the Secretary, or an Assistant Secretary.

**INCONTESTABILITY.**—After this policy shall have been in force for one full year from the date of issue it shall be incontestable except for non-payment of premium, but in case the age has been misstated, the amount payable hereunder shall be that which the premium paid would have purchased at the correct age at the rate in use at the date hereof.

No suit shall be maintained under this policy unless commenced within six years from the time when the cause of action accrued.

**ALTERATION AND ENDORSEMENT.**—No modification or alteration hereof or endorsement hereon will be valid unless made by the President, a Vice-President, the Secretary, or an Assistant Secretary, and no other person is authorized on behalf of the Company to make, alter or discharge this contract or to waive forfeitures. Agents are not authorized to modify or waive any of the terms or conditions of this policy nor to extend the time for payment of premiums or other moneys due to the Company, or to bind the Company by making any promise or by accepting any representation or information not contained in the application for this policy.

## TABLE OF NON-FORFEITURE VALUES.

The values as herein stated, are for full paid policy years, and will be increased by outstanding additions and by payment of instalments of premiums beyond the full paid policy year, but will be decreased by any indebtedness hereon or secured hereby.

**NON-FORFEITURE OPTIONS.**—After three full annual premiums have been paid hereon, then in case of default in the payment of any subsequent premium or instalment, continued after the days of grace,

**OPTION A**—Without action on the part of the holder, the policy will be continued for its value in participating paid-up life insurance (without disability benefits) which will have a yearly increasing surrender value; or

**OPTION B**—If the holder so elect, the policy will be terminated and the surrender value paid in cash; or

**OPTION C**—Upon written request by the holder filed at the Home Office of the Company within ninety days from the due date of the premium in default, the policy will be continued at its face amount including any outstanding additions and less any indebtedness to the Company hereon or secured hereby, for its value in participating extended term insurance (without loan privilege or disability benefits) dating from said due date. Such insurance will have a decreasing surrender value expiring with the extension term.

Upon due request of the holder filed at the Home Office of the Company while no premium is in default under this policy, extended term insurance may be made the automatic non-forfeiture option by endorsement hereon.

The surrender value due under any option will be paid upon surrender of the policy with the written assent of the person to whom it is made payable.

Said surrender value at date of default in payment of premium will be the full reserve on the policy and any outstanding additions,

less a sum having a maximum at the end of the third year not in excess of six-tenths of one per centum of the face amount of the policy, and thereafter decreasing, and less any indebtedness to the Company hereon or secured hereby.

The legal reserve under this policy is computed upon the American Experience Table of Mortality, with interest at three and one-half per centum per annum.

The paid-up and extended insurance under Options A and C as such as will be purchased by the surrender value as herein defined applied as a net single premium at the attained age of the Insured upon the mortality and interest basis adopted for the reserve computation hereunder.

**SETTLEMENT OPTIONS.**—In lieu of payment in one sum, the Insured, subject to the rights of any assignee, and with the right to change, or the beneficiary after the Insured's death if no election has been made by the Insured, may, subject to the terms and conditions which follow, elect, by written notice to the Company, to have the net proceeds of this policy, or any part thereof, not less than \$1,000 paid as provided in any of the following options. The mode of payment elected by the Insured shall not be varied by the payee, but payment is being made under an election by the beneficiary, such beneficiary may, except as to Option 2, revoke the election and receive the unpaid amounts in one sum; but if the stipulated instalments under Option 1 or Option 3 remaining unpaid at any time are commuted and paid in one sum they shall be discounted at the rate of three per centum per annum.

Any portion of the net sum due hereunder which may be payable to an assignee, shall be paid in one sum, and the remainder, if not less than \$1,000, shall be paid according to the terms of the option elected.

The amounts of the several instalment and annuity payments for each \$1,000 of the net sum so payable are shown in the table Instalments and Annuities herein, and under Options 2 and 3 the amounts of such payments will be based on the attained age of the beneficiary at the date of death of the Insured.

The first instalment under Options 1, 2 and 3 will be payable upon due proof of death of the Insured.

If an instalment option becomes effective this policy will be exchanged by the Company for a supplementary contract which shall provide for settlement according to the option elected, and shall further provide that there will be allowed upon the funds held for the payment of the stipulated instalments under Option 1 or under Option 3 remaining unpaid from year to year such share of interest earned in excess of three per centum per annum as the Company may from year to year determine.

**OPTION 1.**—Payment by a stipulated number, either 5, 10, 15, 25 or 30 equal annual instalments.

**OPTION 2.**—Payment by an annuity during the life of the beneficiary.

**OPTION 3.**—Payment by a stipulated number, either 10, 15, 25 or 30 equal annual instalments and by an annuity for as many years thereafter as the beneficiary shall live.

**OPTION 4.**—The net sum due under this policy, or any part thereof not less than \$1,000, may be left on deposit and the Company will pay interest thereon annually at such rate not less than three per centum as may from year to year be determined by the Company, the first payment to be made one year after the death of the Insured.

The amount of said deposit may be withdrawn on any interest date if so provided when the option is elected, but if not so withdrawn, then upon the death of the person last entitled to receive interest payments under the terms hereof, the Company will pay the amount of said deposit together with any accrued interest for the then current year, in such manner as may be directed when the option is elected.

**NOMINATION OF PROVISIONAL PAYEE.**—The Insured, with the right to change, may, by written notice to the Company at its home Office, name a provisional payee to receive in accordance with the terms of the option elected, any stipulated payments remaining unpaid under Option 1 or Option 3, or interest payments under Option 4, upon due proof of the death of the beneficiary after such beneficiary has become entitled to payments.

The privilege of nomination of a provisional payee shall not apply under Option 2, nor shall the beneficiary have the right to name a provisional payee under any option. If there be no provisional payee living at the death of the beneficiary after becoming entitled to payment under Option 1 or Option 3, or if a provisional payee shall die after becoming entitled to such payment, any stipulated payments under said Options 1 or 3 then remaining unpaid shall be commuted and paid in one sum to the executors or administrators of the one so entitled.

If there be no named beneficiary or provisional payee entitled to receive payment under this policy at the death of the Insured the net sum payable hereunder will be paid in one sum.

Annual payments of \$100 and over, under the terms of any option or under the Disability Provision herein, may be taken in equivalent semi-annual, quarterly or monthly payments.

The equivalent of each \$100 of annual payment is \$50.40 paid semi-annually; \$25.30 paid quarterly; or \$8.45 paid monthly.

#### TOTAL AND PERMANENT DISABILITY BENEFIT PROVISION.

1. **PAYMENT BY INSTALMENTS.**—After one full year's premium shall have been paid upon this policy, then if at any time, while no premium is in default, the Company shall receive due proof that the Insured, prior to attaining the age of 60 years, has become wholly and permanently disabled by bodily injury or by disease sustained or contracted after the date hereof, and that thereby he will be wholly, continuously and permanently prevented from the pursuit of any form of mental or manual labor for compensation, gain or profit whatsoever, and has been so disabled for not less than sixty days, the Company will waive, after the then current policy year, payment of further premiums during the continuance of the disability, and, at the end of one year from the date on which said disability is proved, provided the disability then exists, will pay to the Insured, with the written consent of the assignee, if any, one-tenth of the face amount of this policy, and one-tenth annually thereafter during the continuance of the disability, until the said face amount, less any indebtedness, shall have been paid in full, or until the maturity of the policy when any unpaid remainder of the sum insured, less any indebtedness, will be paid as provided in the policy. In case there are any accumulations or policy additions from surplus distributions then outstanding they shall be payable with the final payment.

The sum insured shall be reduced by each annual instalment so paid and the cash surrender and loan values from year to year will be those shown by the table of non-forfeiture values in the policy, reduced proportionately to the reduced insurance, less any existing indebtedness.

Whenever the existing indebtedness shall exceed the cash surrender value of the reduced insurance, the succeeding instalment shall be reduced by the amount of such excess, and the indebtedness correspondingly reduced.

Whenever the instalments paid and credited together with the indebtedness shall equal the face amount of the policy and of any accumulations or additions from surplus distributions, the liability of the Company shall cease.

The policy must be forwarded to the Home Office for endorsement of the payment of each disability instalment.

2. **WAIVER OF PREMIUMS AFTER AGE 60.**—If the Company, while no premium is in default, shall receive due proof that the Insured

after attaining the age of 60 years, has become disabled as aforesaid and has been so disabled for not less than sixty days, the policy will be maintained in force, without payment of further premiums during the continuance of the disability, for a decreasing sum, which shall be the face amount of the policy less the premiums waived, and less any existing indebtedness. The amount of the premium waived yearly will decrease in proportion to the decreasing sum insured, and the cash surrender and loan values from year to year will be those shown by the table of non-forfeiture values in the policy, reduced proportionately to the reduced insurance, less any existing indebtedness.

3. **RECOVERY FROM DISABILITY.**—The Company shall have the right to require at any time, but not oftener than once a year, due proof of the continuance of the disability. If the Insured shall fail to furnish such proof when required to do so, or shall so far recover as to be able to perform work of any kind for compensation, gain or profit, no further premiums will be waived, and no further disability instalments will be paid. In such case the insurance will be the face of the policy less the instalments paid (Sec. 1) or the premiums waived after age 60 (Sec. 2) as the case may be, and the non-forfeiture values, as well as the premiums payable, will be in proportion to the reduced insurance.

4. **DISABILITY PREMIUM.**—The disability benefits set forth in this provision are granted in consideration of the statements and representations in the application for this policy and of a special yearly premium of *Five* dollars and *Twenty* cents payable in addition to and as a part of the regular premium of the policy during its premium paying period, or until the Insured reaches the age of sixty years. The special premium may be discontinued at any policy anniversary upon request by the Insured, and the presentation of the policy to the Company for cancellation of the disability benefit provision.

5. **RECOGNIZED DISABILITIES.**—Without prejudice to any other cause of disability, the following will be recognized as disability within the meaning of this provision; namely, the total and irrecoverable loss of the use of both eyes or of both hands or of both feet, by removal or disease; or such loss of the use of one hand and one foot.

#### GENERAL PROVISIONS AND PRIVILEGES.

1. This Policy shall not take effect unless the first premium hereon has been paid and this Policy delivered to the applicant within thirty days from the date hereof, or unless the applicant is in good health at the time of its delivery.

2. The first year's premium only may be paid to the agent. All subsequent premiums are due and payable in advance at the home office of the Company without notice. However, they may be paid to an authorized agent of the Company on or before the date when due, but only in exchange for a receipt signed by the President, Vice-President, Secretary or Assistant Secretary and countersigned by such agent. Upon failure to pay a premium on or before the date when due, or upon failure to pay any premium note when due, this Policy will become null and void without any action or notice by the Company, and all rights shall be forfeited to the Company, except as hereinafter provided.

3. Notice of each and every premium due or to become due hereon, is given and accepted by the delivery and acceptance of this Policy. Notice of premiums coming due is sent to the insured as a matter of accommodation, but the Company assumes no responsibility for the failure to send or the miscarriage or non-delivery of any notice.

4. Any indebtedness to the Company including loans and interest accumulations and any balance of the then current policy year's premium remaining unpaid will be deducted in any settlement under this Policy.

5. The lapse of five years from the date the cause of action shall accrue shall be an absolute bar to any action or suit brought upon this Policy. Death by self-destruction, sane or insane, within one year from date of issue hereof shall limit the amount payable by the Company to the total premium paid by the insured.

6. This Policy is issued with the understanding that with the consent of the Company the insured may assign same or change the beneficiary to any person authorized by law, by filing with the Company a written request therefor. Such change will take effect upon its acceptance by the Company and the endorsement of the same upon this Policy by the President, Vice-President, Secretary or Assistant Secretary. The claims of any assignee when the assignment has been thus made shall be subject to proof of interest and the Company will assume no responsibility as to the validity of any assignment.

7. If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no statement made by the insured shall avoid this policy or be used in defense of a claim hereunder unless the same is contained in the application therefor.

8. No agent has power on behalf of the Company to modify this Contract, to extend the time of payment of premium, to waive any forfeiture, to bind the Company by making any promise or any representation, or to deliver any Policy contrary to the provisions of Section One (1) hereof. These powers can be exercised only by the President, Vice-President, Secretary or Assistant Secretary of the Company and will not be delegated.

9. The insured may without the consent of the beneficiary receive any benefit hereunder and exercise every right and enjoy every privilege conferred upon the insured in or by this Policy.

10. In case of default in the payment of any premium hereunder or of any premium note when due, the Company will reinstate the Policy, if not previously surrendered, at any time upon written request by the insured to the Company at its home office, accompanied by evidence of insurability satisfactory to the Company and the payment of all premium arrears and the payment or reinstatement of any indebtedness existing at the date of default, together with interest thereon at the rate of five per centum per annum.

11. GRACE IN PAYMENT OF PREMIUMS.—A grace of one month (without interest charge) during which the insurance will remain in full force will be allowed in the payment of all premiums except the first.

#### NON-FORFEITURE AND LOAN FEATURES.

After payment of premiums for three or more full years the following options shall become effective.

1st. EXTENDED INSURANCE—AUTOMATIC.—If any premium on this Policy shall not be paid when due, without action on the part of the insured the Company will extend and continue in force from each due date, the full amount of this policy as non-participating term insurance for the term of years and months as provided in the accompanying table. Or,

2nd. PAID-UP INSURANCE.—If any premium on this Policy shall not be paid when due, upon request of the insured within sixty days of such default, the Company will endorse the policy as fully paid non-participating insurance for the reduced amount as provided in the accompanying table. Or,

3rd. CASH SURRENDER VALUE.—Any time within sixty days after default in payment of any premium, the Company will, upon request, with a full and valid surrender of the policy and all claims hereunder, pay a cash surrender value in accordance with the accompanying table, less any existing indebtedness to the Company on this policy.

## LOAN PRIVILEGES.

4th. **PREMIUM LOAN.**—If any premium on this policy shall not be paid when due the insured shall have the right, upon application to the Company, to have charged against the cash value of this policy an annual premium loan with interest at 6 per cent. per annum so long as the loan value of the policy shall be sufficient to cover such premium charge in addition to any existing indebtedness and accrued interest. If the loan value or the balance thereof shall not be sufficient to pay the entire premium due, then it shall be used, if sufficient, to pay the premium for a shorter period, but no less than one entire quarterly premium. And if not sufficient to pay a quarterly premium, the policy shall cease to be in force and any residue of the surrender value of said policy shall be paid in cash on surrender of the same. The accumulation of such premium loan, with accrued interest thereon, shall be a first lien on the policy but may be paid at any time in whole or in part.

5th. **CASH LOANS.**—If this policy be not then extended as term insurance, the Company will advance, on proper assignment of this policy and on the sole security thereof, at the rate of 6% interest per annum, subject to the laws of the State in which the insured resides at time of issuance of this policy a sum equal to, or, at the option of the insured, less than the amount stated in the accompanying table, of loan and surrender values, in accordance with the number of years for which premiums have been fully paid. The Company will deduct from such Loan Value any existing indebtedness on or secured by the policy and any unpaid balance of the premium for the current policy year, and interest in advance. If said loan is not paid when due, interest in advance shall be payable to the end of the current policy year and thereafter shall be payable annually in advance. Any interest so payable and not paid shall be added to the principal and bear interest at the same rate. In the event of failure to pay any loan on this policy no forfeiture of same shall occur until the loan and interest thereon is equal to the loan value, nor until one month after notice has been mailed by the Company to the last known address of the insured and of the assignee, if any, but failure to repay such loan after the total indebtedness as aforesaid shall equal said loan value and after giving such notice shall render the policy void.

TABLE OF LOAN AND SURRENDER VALUES.

This table will apply if this policy be free from indebtedness, but any existing indebtedness may be paid in cash and the table will then apply; or if not so paid the loan and cash values will be reduced by the indebtedness and the amount paid-up or the term of extended insurance will be reduced in the ratio of the indebtedness to the reserve on this policy. If default occurs after a fractional part the current year's premium has been paid, the values will be proportionately adjusted.

## DIVIDENDS.

This policy is issued on the Twenty Year Accumulation plan and will receive its full share of the profits as apportioned by the Company at the end of that period if the insured be then living, and if all the premiums have been duly paid hereon; however, the company hereby guarantees to pay in anticipation of said profits, if the policy be kept in force by the payment of premiums in cash, an annual cash dividend, as shown by the Coupons hereto attached which may be used in partial payment of the annual premiums due on the dates indicated on said Coupons. Should, after the first policy year, the insured elect to pay the premiums semi-annually or quarterly, then in that case a pro rata portion of each Coupon will be applicable upon payment of each premium. In consideration of the guaranteed payment in cash from the surplus by the coupons hereto attached the insured hereby agrees that any annually determined portion of the divisible surplus in addition to the amounts stipulated in the coupons shall be allowed to accumulate until all premiums contracted hereon have been paid.

If the insured should so elect at the beginning of the second policy year, the successive guaranteed dividends accruing under this policy will be converted into participating paid-up additional insurance, such insurance being purchased at the Company's regular single premium rates for participating insurance according to the attained age of the insured. The election of this option at any time other than specified above will be conditioned upon evidence of insurability satisfactory to the Company.

If the insured shall elect to pay all premiums in full, without reduction, and leave with the Company the dividends represented by the Coupons on this contract, the Company guarantees that this policy will be fully paid-up after paying the premiums in cash for fifteen full years and delivering all the attached Coupons to the Company. In case the insured should elect to leave the Coupons to make this a fully paid-up policy in fifteen years and he should die while this policy is in force, but before it is fully paid-up as above provided, all the Coupons bearing date prior to said death shall be paid to the beneficiary with compound interest at the rate of  $3\frac{1}{2}$  per centum per annum in addition to the sum insured.

In case the insured shall not elect as above provided, but shall, nevertheless, leave said dividends with the Company, the same shall be payable on presentation of the Coupons at any time, with compound interest at the rate of  $3\frac{1}{2}$  per centum per annum for each full year such dividends are left with the Company.

At the end of twenty years from the date hereof, in addition to receiving in cash such dividends as may have accrued to the credit of this policy in excess of those guaranteed, the insured may at his option surrender this policy for its cash value as shown on the second page hereof, or continue the policy as a participating life policy fully paid-up for its face amount.

**THIS POLICY IS ISSUED IN CONSIDERATION** of the stipulations, agreements and representations made in the application for this policy, a copy of which application is hereto attached and made a part hereof, and said policy and application constitute the entire contract between the parties hereto, and in further consideration of the annual premium of Three Hundred Eighty-three Dollars and Forty cents for one year's term insurance from date hereof. This Policy will be continued upon the further payment of a like amount on or before the First day of April each year thereafter until premiums shall have been paid for twenty years, including the first, until the prior death of the insured.

This Policy is absolutely free from conditions as to residence, occupation, travel, time or place of death. No extra Premium will

be required from the Insured for military or naval service in time of war or in time of peace.

This Policy is incontestable after one year from date of issue.

I hereby warrant that I am not intemperate in the use of intoxicating liquors or narcotics of any kind.

I agree that in any distribution of surplus or profits the principles and methods which may be adopted by the Company for such distribution, and its determination of the amount belonging to any policy which may be issued by the Company, shall be and are hereby ratified and accepted by and for every person who shall have or claim any interest under such policy.

That it is expressly agreed to and understood upon my part that this contract is to be null and void and of no binding force whatever, unless my application is received and accepted at the home office of the Company and approved by the Medical Director and the policy of insurance is delivered to me or my beneficiary during my lifetime and while in good health.

And I further agree that any money, note or other thing of value given to this Company or its agent taking this application on account of the first premium charge on the policy applied for, in whole or in part, shall be held by this Company as a deposit merely and not as payment, until such time as this application shall be accepted or rejected; if same be accepted, such money, note or other thing of value shall be applied on such first premium charge; if rejected, same shall be returned to me, my heirs, administrators or assigns.

I hereby certify that I have carefully read (or heard read) the foregoing application, together with my statements therein made and hereby warrant the truthfulness of the same. If not true, then any policy issued hereon shall be void.

THE LINCOLN NATIONAL LIFE INSURANCE  
COMPANY,

OF FORT WAYNE, INDIANA.

**Agrees to Pay** at its Home Office *Ten Thousand Dollar* and in addition thereto any existing dividend accumulations upon receipt at the said office of due proofs of the interest of the claimant and of the death of *Abraham Lincoln* (hereinafter called the Insured) to *Nancy Hanks Lincoln, his mother, beneficiary, living, otherwise* to the Insured's executors, administrators or assigns, deducting therefrom any indebtedness on or secured by this Policy and any unpaid premium for the then current policy year. Or the Company will pay the said sum to the Insured, living, at the end of the policy year nearest to age eighty-five.

This insurance is granted in consideration of the payment of *Three Hundred Sixty-three and 10/100 Dollars*, the receipt of which is hereby acknowledged, and the *Annual* payment of a like sum to the said Company on or before the *First* day of every *January* thereafter until premiums for *Twenty* full years from the date hereof shall have been paid or until the prior death of the Insured.

**Annual Participation in Profits.**

During the continuance of this Policy by the payment of premium or as a fully paid-up policy, it shall be credited with its fair share of surplus as apportioned by the Board of Directors at the end of two years from the date hereof and annually thereafter.

The Benefits of the Guaranteed Loan and Non-Forfeiture Provisions and the Automatic Premium Loan Privilege, together with the other Benefits, Privileges and Provisions set forth on the following pages of this Policy, are made a part of this contract.

**In Witness Whereof**, THE LINCOLN NATIONAL LIFE INSURANCE COMPANY has caused this contract to be signed this *Fifth* day of *January*, Nineteen Hundred and *Fifteen*.

ARTHUR F. HALL,

SAML. M. FOSTER,

*Vice-President.*

*President.*

FRANKLIN B. MEAD, *Secretary.*

INSURANCE DEPARTMENT—STATE OF INDIANA—OFFICE  
OF AUDITOR OF STATE.

I HEREBY CERTIFY that The Lincoln National Life Insurance Company, of Fort Wayne, Indiana, does business under the Compulsory Deposit Law of the State of Indiana, approved February 14, 1899, and in accordance with Section Ten of said law, maintains in approved securities in the office of the Auditor of State of Indiana, an amount in excess of the net cash value of all outstanding policies.

DALE J. CRITTENBERGER,  
*Auditor of State.*

**GUARANTEED AUTOMATIC LOAN AND NON-FORFEITURE  
BENEFITS.**

**ONE MONTH OF GRACE.**—One month of grace (not less than thirty days) without interest charge shall be allowed in the payment of any premium after the first, during which time this Policy shall remain in force.

**AUTOMATIC PREMIUM LOANS.**—This Policy shall not lapse or become forfeited by reason of the non-payment of the premium within the month of grace allowed herein, provided the cash surrender value of the Policy and of any dividend addition thereon is any indebtedness on or secured by this Policy is equal to or greater than the premium then due and unpaid. In such event the Company will treat the premium then due as paid, and the amount of such premium (with interest as hereinafter provided) shall become a first lien upon the Policy in the Company's favor in priority to the claims of any assignee or of any other person. If the net available cash surrender value be less than the premium that is due, the Company will continue this insurance in force until such time as the cash is exhausted (that is, for a period which bears the same ratio to the full premium period then ensuing as such net value bears to the premium then due) and if prior to the expiration of such period the last due premium be not paid in full, all liability of the Company on this Policy shall thereupon terminate subject to notice as hereinafter provided. While this Policy is thus maintained in force the payment of premiums may be resumed without medical examination and the accumulated loans may be paid or allowed to stand as a lien against the Policy. These automatic premium loans shall bear interest at 6% per annum from the dates the respective premiums loaned become due and shall be compounded yearly on the thirty-first day of December in each year, if unpaid.

The Automatic Premium Loan Privilege is granted at the request of the Insured in his application for this insurance, or upon written request made subsequently, but may be revoked at any time upon written notice to the Company at its Home Office.

**POLICY LOANS.**—After three full years' premiums have been paid upon this Policy, if no premium payment is in default, the Company will lend on proper assignment and delivery of this Policy and on the sole security thereof a sum not exceeding the cash value stated in the table less any existing indebtedness on or secured by this Policy and any unpaid balance of the premium for the current policy year; provided interest at 6% per annum on the whole amount of the loan is paid in advance to the end of the current policy year. Interest at the same rate will be due and payable annually in advance thereafter, and if not so paid will be added to the principal and bear the same rate of interest. Failure to pay any loan or interest shall not avoid this Policy unless the total indebtedness shall equal or exceed the full amount available hereunder and in no event until thirty days after notice thereof shall have been mailed to the last known address of the Insured, and of any assignee, if any.

TABLE OF GUARANTEED LOAN AND SURRENDER VALUES  
FOR EACH \$1,000 OF INSURANCE.

As this Policy is for \$10,000 the values will be *ten times* those stated below. The term for which extended insurance will be granted remains the same without regard to the amount of the Policy.

Dividend accumulations, paid-up additions or the payment of any portion of a year's premium over and above the full number of years' premiums indicated will increase the values shown in this table. Any existing indebtedness on or secured by this policy will be deducted from the cash value of this policy and will reduce proportionately the amount of paid-up insurance and the extended insurance shall be for the face value of the policy less the indebtedness and for such period as the net cash value of the option less the indebtedness will purchase. If the sum applicable to the purchase of extended insurance shall be more than sufficient to continue the insurance to the end of the policy year nearest to age eighty-five, the excess shall be used to purchase in the same manner a paid-up pure endowment payable to the Insured, if living, at the end of the policy year nearest to age eighty-five.

\$1000 Policy Fully Paid Up  
Participating Annually in Profits.

The reserve under this Policy shall be computed according to the American Experience Table of Mortality and  $3\frac{1}{2}\%$  interest, the values shown in this table are equivalent to the full reserve the Policy less a sum not more than  $2\frac{1}{2}\%$  of the amount insured. The first year's insurance under this Policy is term insurance, purchased by the whole or part of the premium to be received during the first policy year; and the Policy shall be valued according to its terms and the laws of the State of Indiana. Cash and loan values for years subsequent to the twentieth will be the full reserve computed upon the above basis.

**CASH VALUE.**—The cash value stated in the table, which is less than the sum otherwise available for the purchase of paid-up or extended insurance, will be paid to the Insured upon due surrender of this Policy to the Company at any time within one month after default in payment of premium.

The Company shall have the right in a time of general depression and in order to conserve the interests of all its policyholders

to defer payment of the cash value, or the making of the loan (unless for the purpose of paying renewal premiums on policies in this company) for a period not exceeding six months.

**EXTENDED INSURANCE.**—If the Insured has not made a request or the Automatic Premium Loan Privilege, or has made such request and revoked it in writing duly acknowledged by the Company, and if there be any default in the payment of premium after three full years' premiums shall have been paid, in such event the insurance hereunder shall from the due date of such premium automatically continue as term insurance for the period stipulated in the table of Guaranteed Loan and Surrender Values.

**PAID-UP INSURANCE.**—A paid-up endowment Policy payable at the same time and upon the same conditions as this Policy for the amount stated in the table of Guaranteed Loan and Surrender Values will be issued upon due surrender of this Policy to the Company within one month after default in payment of premium.

### DIVIDEND OPTIONS.

Dividends, at the option of the owner of this Policy, may be

1. Taken annually in cash or applied toward a reduction of premium for the then current policy year; or,
2. Used to purchase non-forfeitable, participating, paid-up additions to the Policy; or,
3. Allowed to accumulate at the rate of  $3\frac{1}{2}\%$  compound interest for any number of years during the continuance of the Policy.

If no other selection is made within one month from the due date of premium payment, this option shall automatically apply. Accumulated dividends are non-forfeitable, are withdrawable in cash any time, are payable in addition to the face of the Policy in case of death of the Insured, and increase the value of the Policy in the amounts stated in the above table.

4. Used to shorten the premium-paying period as follows:

Whenever at the expiration of any policy year the accumulated dividends, together with the cash value of the Policy, equal or exceed the net single premium for this insurance at the attained age of the Insured, this Policy may be exchanged for a fully paid-up policy with dividends payable annually thereafter.

**IF PAYMENT OF PREMIUMS IS WAIVED IF INSURED IS TOTALLY AND PERMANENTLY DISABLED AND THE INSURED HAS THE OPTION OF HAVING THE INSURANCE IMMEDIATELY PAYABLE IN INSTALLMENTS.**

At any time after one full year's premium shall have been paid before default in the payment of any subsequent premium, if the Insured before attaining his sixtieth birthday, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or by disease and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit, or from following a gainful occupation, then

**First**—The Company will, by an endorsement on this Policy, agree to pay for the Insured, subject to the conditions herein recited, subsequent premiums, if any, as they shall become due, during the period of such total and permanent disability. Any premiums paid shall not be a lien on this Policy, and the guaranteed values set out in the tables herein shall increase in the same manner as if premiums had been paid by the Insured.

**Second**—The Company will also, upon written request of the Insured and of the Beneficiary and Assignee, if any, by an endorsement on this Policy, agree to pay, subject to the conditions her-

recited, in lieu of all other values, benefits or privileges herein provided, and in full settlement of this Policy, one-twentieth of the sum insured plus dividend additions, if any, immediately, and a like amount annually thereafter until twenty of such instalments in full shall have been paid. Any indebtedness to the Company on or secured by this Policy will reduce the amount of said annual instalments in the same proportion that said indebtedness bears to three-fourths of the sum insured, plus dividend additions, if any. Should the Insured die before the twenty annual instalments shall have been paid, the face amount of this Policy, plus dividend additions, if any, less the sum of the instalments paid and less any indebtedness on or secured by the Policy outstanding at the time of the payment of the first instalment with interest at 6% per annum from that time will be paid to the Beneficiary upon receipt of due proof of the death of the Insured.

Provided always that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall as often as required by the Company furnish satisfactory proof of the continuance of such disability. If the Insured fails to furnish such proof, or if he shall so far recover as to be able to engage in any gainful occupation, then all premiums thereafter falling due must be paid as originally provided in the Policy; and if the second option shall have been availed of, the Company's obligation to pay any further instalments shall immediately cease, and the original Policy shall be restored for its face amount, plus dividend additions, if any, less the sum of the instalments paid. Any indebtedness on or secured by the Policy outstanding at the time of the payment of the first instalment shall be restored together with interest at 6% per annum from that time, and the Guaranteed Values in the table attached hereto shall be reduced proportionately by the amount of the annual instalments paid and the original indebtedness, if any, with interest.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning hereof.

On any anniversary of this Policy this provision may be cancelled by the Insured, provided he make written request for such cancellation and return the Policy to the Company for endorsement, in which event the subsequent annual premiums will be reduced *thirty-two cents* for each one thousand of insurance hereunder.

#### PLANS OF SETTLEMENT.

At the end of the original premium paying period of this Policy, or within one month thereafter, the Insured may elect to continue or surrender this Policy under one of the following options:

**OPTION 1.**—Continue this Policy as a fully paid-up participating Policy for its full amount, no further premium payments being required, and in addition thereto draw in cash any existing dividend accumulations.

**OPTION 2.**—Draw entire cash value, consisting of guaranteed cash value as fixed in the above table, together with any existing dividend accumulations.

**OPTION 3.**—Convert the entire cash value into a life annuity at the Company's published rates at that time.

**OPTION 4.**—Convert entire cash value into a paid-up participating endowment Policy, maturing at the end of the policy year nearest to age eighty-five, subject to evidence of insurability satisfactory to the Company for any excess in paid-up insurance over the amount of the original policy.

## Trust Bond and Instalment Settlement Options

At maturity of this Policy, as an endowment or a death claim, all or any part of the proceeds not less than \$1000 may be exchanged for one of the Company's 3½ Interest-Bearing Trust Bonds.

A death claim under this Policy is payable in our sum as specified on the first page; but the Insured during his lifetime, with the privilege of revocation, or, if the Insured shall not have otherwise expressly directed, the Beneficiary after the death of the Insured, shall have the right to elect, in lieu of payment in one sum, any one of the following options of settlement; provided, however, that the amount payable in one sum is not less than \$1000, and provided that request for such change in the mode of payment has been properly made in writing to the Company and this Policy returned to its Home Office for appropriate endorsement.

Should the Beneficiary die before having received the full number of instalments selected under the first or second option, the contracted value of the unpaid instalments shall be paid to the executor, administrators or assigns of the Beneficiary. The second option cannot be selected if there is more than one Beneficiary under this Policy.

iums

This Policy is issued in consideration of the payment in advance, of the *annual* premium of *Thirty-two and 43/100 Dollars* on the *first* day of *February* during the first year of this Policy, and of the further payment of *Thirty-one and 25/100 Dollars* upon each *first* day of *February* thereafter during the continuance of this Policy until *twenty* full years' premiums shall have been paid, or until the prior death of the Insured, but after one full annual premium has been paid, the Company by endorsement on this Policy, will waive payment of premiums under the conditions stated on the third page entitled "Waiver of Premiums."

**CHANGE OF BENEFICIARY.**—When the Insured has reserved the right to change the beneficiary, or in case of the death of any beneficiary under either a revocable or irrevocable designation, the Insured, if there be no existing assignment of the Policy made herein provided, may, while the Policy is in force, designate a new beneficiary with or without reserving right of revocation by filing written notice thereof at the Home Office of the Company, accompanied by the Policy for suitable endorsement thereon. Such change shall take effect upon the endorsement of the same on the Policy by the Company. If any beneficiary shall die before the Insured the interest of such beneficiary shall vest in the Insured.

**DIVIDENDS MAY BE APPLIED TO MATURE POLICY.**—Whenever the reserve on this Policy and the reserve on any outstanding dividend additions, together with any dividend accumulations, shall equal the face amount of this Policy, the Company upon surrender of this Policy, accompanied by a satisfactory release, will pay the face value of this Policy, less any outstanding indebtedness.

**DIVIDENDS MAY BE APPLIED TO MAKE POLICY FULLY PAID-UP.**—Whenever the reserve on this Policy and the reserve on any outstanding dividend additions, together with any dividend accumulations, shall be equal to the net single premium at the attained age of the Insured, according to the American Experience Table of Mortality, and interest at three and one-half per centum, for an amount of insurance equal to the face amount of this Policy, the Company upon written request will make an endorsement on this Policy showing it has become fully paid-up, subject to any outstanding indebtedness as a lien.

**PAYMENT OF PREMIUMS.**—All premiums are payable in advance at the Home Office of the Company or to any agent or agency cashier of the Company on or before date due, upon delivery of a receipt signed by an Executive Officer (President, a Vice-President, Secretary or Assistant Secretary) of the Company and countersigned by said agent or agency cashier.

The mode of premium payments may be changed, by the Insured giving written notice to the Company at its Home Office not more than forty-five days prior to any anniversary of this Policy, from annual payments to semi-annual, or quarterly, or vice versa, at the premium rates and on the conditions in force at the date thereof. Except as herein provided the payment of a premium or instalment thereof shall not maintain the Policy in force beyond the date when the next premium or instalment thereof is payable.

**GRACE.**—A grace of thirty-one days, without interest, shall be granted for the payment of every premium after the first, during which time the insurance shall continue in force. If death occur within the period of grace, the unpaid premium for the then current policy year shall be deducted from the amount payable hereunder.

**RE-INSTATEMENT.**—Upon evidence of insurability satisfactory to the Company, this Policy, if it has not been surrendered, may be reinstated at any time after default, upon payment of arrears of premiums with interest at the rate of five per centum per annum, together with the reinstatement or payment of any indebtedness and the payment of the loan interest thereon.

**ASSIGNMENT.**—No assignment of this Policy shall be binding on the Company unless it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

**PARTICIPATION IN SURPLUS.**—The proportion of the surplus accruing upon this Policy shall be ascertained and distributed annually and not otherwise.

Such dividend, at the option of the Insured, shall each year on anniversary of the Policy, be either—

- (1) Paid in cash; or,
- (2) Applied toward the payment of any premium or premiums; or,
- (3) Applied to the purchase of paid-up additions to the Policy; or,
- (4) Left to accumulate to the credit of the Policy, with interest at three and one-half per centum per annum, and payable at the maturity of the Policy, but withdrawable on any anniversary of the Policy.

Unless the Insured shall elect otherwise within three months after the mailing by the Company of a written notice requiring such election, the dividend shall be applied to purchase paid-up additions to the Policy. Such paid-up additions may be surrendered for cash at any time, and the cash value thereof shall not be less than the original cash dividends.

**CASH LOANS.**—After three full years' premiums have been paid the Company at any time while this Policy is in force, will loan the Insured (or assignee, if any) on the delivery of this Policy as proper assignment by the insured (or assignee, if any) and on the sole security thereof, with interest in advance at the rate of 5 per centum per annum, a sum which with accrued interest at the end of the current policy year will not exceed the cash surrender value at the end of such policy year, including the cash surrender value of the dividend additions, if any. The Company will deduct from such loan value any existing indebtedness on the Policy, and any unpaid balance of the premium for the current policy year. The granting of such loan may be deferred for a period not exceeding ninety days after receipt of application therefor, unless the loan is for the purpose of paying premiums due the Company. Any interest if not paid when due shall be added to the principal and shall bear interest at the same rate, provided the entire indebtedness then outstanding shall be within limits of the cash surrender value. Failure to repay any such loan, or to pay interest shall not avoid this Policy, unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, and until one month after notice shall have been mailed to the Company to the last known address of the Insured and assignee, if any. The loan with accrued interest may be repaid at any time.

The amount of such paid-up life insurance shall be such as the net cash value under (A) will purchase as a net single premium at the attained age of the Insured, according to the American Experience Mortality Table and interest at three and one-half per centum per annum; or,

**PAID-UP TERM INSURANCE.—(C)** To have the policy continued in force from date of default, as paid-up term insurance without future participation in surplus and without the right to loans. The amount of such paid-up term insurance shall be equal to the face of the policy, plus any outstanding dividend additions and less any indebtedness due the Company under this policy. The term for which such paid-up term insurance will be continued shall be such as the net reserve on this Policy at the time of default and on any dividend additions thereto, computed according to the American Experience Mortality Table, select and ultimate method, and interest at three and one-half per centum per annum, less a surrender charge in no case exceeding one and one-half ( $1\frac{1}{2}$ ) per centum of the amount of the insurance and decreasing annually until the fourteenth year after which the surrender charge shall not exceed one-tenth of one per centum of the amount of the insurance, and less any indebtedness to the Company on this Policy, will purchase as a net single premium, at the attained age of the insured, according to the American Experience Mortality Table, and interest at three and one-half per centum per annum.

If the insured (or assignee, if any) shall not, within three months from date of default in the payment of any premium, elect one of the foregoing three options as provided in (A), (B) or (C), the insurance will be continued as provided in Option (C).

**STATEMENTS.—**All statements made by the Insured, shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this Policy, or be used in defense of a claim hereunder, unless it is contained in the written application and a copy of the application is attached to this Policy as a part thereof when issued.

**SUICIDE.—**If the Insured shall within two years from date of issue die by his own act, either sane or insane, this Policy shall be null and void, but in such case the Company will return the premiums actually received.

**AGE.—**If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Policy will be deducted in any settlement hereunder. A portion of the premium for the current policy year remaining unpaid at the death of the Insured shall be considered as indebtedness.

**RESIDENCE, TRAVEL, ETC.**—This Policy contains no conditions to residence, travel, occupation, or military or naval service.

#### WAIVER OF PREMIUMS.

The Company by endorsement hereon will waive payment of the premiums thereafter becoming due, during the disability described below, if the Insured, before attaining the age of sixty years and after paying at least one full annual premium and before default in the payment of any subsequent premium, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or by disease so that he cannot and will be permanently, continuously and wholly prevented thereafter from performing any work for compensation or profit. Any premiums so waived shall not be deducted from the sum payable under this policy, and the values provided for in the sections entitled "Loans" and "Non-forfeiture Benefits" and the "Table of Loans and Surrender Values" shall be the same as if such premiums had been paid in cash. Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time, on demand, furnish the Company satisfactory proof of the continuance of such disability; and if the Insured shall fail to furnish such proof, or if it shall appear to the Company that the Insured is able to perform any work for compensation or profit, all premiums thereafter falling due must be paid in conformity with this contract. Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists or of both feet above the ankles, or of one entire hand and one entire foot will be considered as total and permanent disability within the meaning of this provision.

This provision will be cancelled on any anniversary of the policy by the Insured filing previous written request at the Home Office of the Company, accompanied by the policy for suitable endorsement thereon, in which event the premiums hereon will thereafter be reduced *Thirty Cents* for each *One Thousand Dollars* (\$1,000) insured hereunder.

In Witness Whereof, THE MANHATTAN LIFE INSURANCE COMPANY has caused this Policy to be executed as of the first day of February, 1916.

#### TRAVEL ACCIDENT CONTRACT.

Providing Indemnity for Loss of Life by Accidental Means as Herein Limited and Provided.

THE MANHATTAN LIFE INSURANCE COMPANY hereby insures John Doe (the Insured), whose place of residence is stated in copy of the application for this contract, and agrees to pay One Thousand Dollars to Mary Doe, his wife, the Beneficiary, should the Insured, while this contract is in force, suffer the loss of life directly, independently and exclusively of all other causes from Bodily Injuries effected solely through accidental means—suicide while sane or insane is not covered—if such injuries are sustained while a passenger in or on a public conveyance (including the platform, steps or running board thereof) provided by a common carrier for passenger service.

Loss of Life shall mean death resulting from such injuries within ninety days from the date of the accident.

This contract is issued in consideration of the payment in advance of the annual premium of One and 00/100 Dollars and of the payment of a like sum upon each first day of February hereafter during the continuance of this contract.

This contract shall not go into effect until same is delivered to the Insured, together with the first premium receipt signed by an officer and countersigned by a duly authorized agent of the Company.

STANDARD PROVISIONS:—1. This policy includes the endorsements and attached papers, if any, and contains the entire contract of insurance. No reduction shall be made in any indemnity herein provided by reason of change in the occupation of the Insured or by reason of his doing any act or thing pertaining to any other occupation.

2. No statement made by the applicant for insurance not included herein shall avoid the policy or be used in any legal proceeding hereunder. No agent has authority to change this policy or to waive any of its provisions. No change in this policy shall be valid unless approved by an executive officer of the Company and such approval be endorsed hereon.

3. If default be made in the payment of the agreed premium for this policy, the subsequent acceptance of a premium by the Company or by any of its duly authorized agents shall reinstate the policy, but only to cover loss resulting from accidental injury thereafter sustained.

4. Written notice of injury on which claim may be based must be given to the Company within twenty days after the date of the accident causing such injury. In event of accidental death immediate notice thereof must be given to the Company.

5. Such notice given by or in behalf of the Insured or Beneficiary, as the case may be, to the Company at its Home Office in the City of New York, or to any authorized agent of the Company, with particulars sufficient to identify the Insured, shall be deemed to be notice to the Company. Failure to give notice within the time provided in this policy shall not invalidate any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

6. The Company upon receipt of such notice, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not so furnished within fifteen days after the receipt of such notice, the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

7. Affirmative proof of loss must be furnished to the Company at its said office within ninety days after the date of the loss for which claim is made.

8. The Company shall have the right and opportunity to examine the person of the Insured when and so often as it may reasonably require during the pendency of claim hereunder; and also the right and opportunity to make an autopsy in case of death where it is not forbidden by law.

9. All indemnities provided in this policy will be paid immediately after receipt of due proof.

11. Indemnity for loss of life of the Insured is payable to the Beneficiary if surviving the Insured, and otherwise to the estate of the Insured. All other indemnities of this policy are payable to the Insured.

12. If the Insured shall at any time change his occupation to one classified by the Company as less hazardous than that stated in the policy the Company, upon written request of the Insured and surrender of the policy, will cancel the same and will return to the Insured the unearned premium.

13. Consent of the Beneficiary shall not be requisite to surrender or assignment of this policy, or to change of beneficiary or to any other changes in the policy.

14. No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after proof of loss has been filed in accordance with the requirements of this policy, nor shall such action be brought at all unless brought within two years from the expiration of the time within which proof of loss is required by the policy.

15. If any time limitation of this policy with respect to giving notice of claim or furnishing proof of loss is less than that permitted by the law of the State in which the Insured resides at the time this policy is issued, such limitation is hereby extended to agree with the minimum period permitted by such law.

16. The Company may cancel this policy at any time by written notice delivered to the Insured or mailed to his last address as shown by the records of the Company, together with cash or the Company's check for the unearned portion of the premiums actually paid by the Insured, and such cancellation shall be without prejudice to any claim originating prior thereto.

• 18. Upon the payment of claim hereunder any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

It is agreed that if the Company exercises its right and cancels this policy as provided for in Standard Provision No. 16, such cancellation shall be without prejudice to the Life Insurance policy with which this policy is issued.

IN WITNESS WHEREOF, The Manhattan Life Insurance Company has caused this Policy to be executed as of the first day of February, 1916.

MELVIN DE MOTT,  
Secretary.

T. E. LOVEJOY,  
President.

# OPTIONAL MODES OF SETTLEMENT

(1) By the payment of interest at the rate declared yearly on such funds (which rate shall never be less than three per centum per annum), payable at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said net sum, together with any accrued interest for the year then current, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.

(2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each one thousand dollars of said net sum.

PROVISIONS AND BENEFITS.

**CONTRACT.**—This policy, and the application therefor, constitute the entire contract between the parties hereto. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement of the insured shall avoid, or be used in defense to, a claim under this policy, unless contained in the application therefor. In case of violation of any of the conditions upon which this policy is issued and accepted by the insured, or if any premium, or any note, expressed to

payable to the Company, given for a premium, be not paid when due, the policy shall be void, and all premiums shall be forfeited to the Company except as herein provided.

**MODIFICATION.**—No agent has power on behalf of the Company to make or modify this contract; to extend the time for payment of a premium; or to bind the Company by making any promise or by receiving any representation or information not contained in the application for this policy. This contract can not be modified nor any forfeiture thereof waived, except by written agreement signed by the President, a Vice-President, the Secretary, the Auditor, or the Actuary.

**PREMIUMS.**—Premiums shall be paid in cash on or before date due at the Company's Home Office in Baltimore, but payment to an agent of the Company will be accepted elsewhere in exchange for Company's receipt signed by the President, a Vice-President, the Secretary, the Auditor, or the Actuary, and countersigned by said agent. This policy shall not take effect until the first premium shall have actually been paid during the continued good health of the insured.

The insurance under this policy is based on annual premium payable in advance, but payments may be made semi-annually or quarterly in advance at the premium rates therefor now in use by the Company. Change from one mode of payment to another may be made at the end of any policy year upon written request signed by the insured alone, if policy has not been assigned. Except as herein provided, the payment of a premium, or instalment thereof, shall not maintain the policy in force beyond the date when the next premium, or instalment, becomes payable.

**31 DAYS GRACE.**—The time when a premium becomes due is the day herein stipulated therefor, but after the first year thirty-one days of grace without interest will be allowed for the payment of premiums, the policy being meanwhile kept in force. If death occurs during the grace period, any unpaid premium, or portion of premium for the then current policy year, will be deducted in settlement of the policy.

**RESIDENCE AND TRAVEL.**—This policy is free from any restrictions as to residence and travel.

**SUICIDE, OCCUPATION, WAR SERVICE.**—If within one year from date hereof, this policy being in force, the insured shall die by his own hand or act, sane or insane, the policy shall be void, but the Company will pay the amount of the reserve. After one year from date this policy is free from any restrictions as to occupation as set forth in the application, except that if during the continuance of this policy the insured shall engage in any military or naval service in time of war without the written consent of the Company the policy shall be void and no claim exist thereunder in the event of the insured's death save to the extent of the reserve on the policy increased by the reserve on any dividend additions and by any dividend accumulations.

**INCONTESTABILITY.**—After one year from the date of issue the policy shall be incontestable, except for the non-payment of premium or for engaging in military or naval service in time of war without the consent of the Company in writing. If the age of the insured has been misstated, the amount payable under this policy shall be such as the premium actually paid would have purchased of the same kind of insurance at the correct age.

**ASSIGNMENT.**—The Company will not notice any assignment of this policy until the original, or a duplicate thereof, be filed in the Home Office in Baltimore. Due proof of interest on the part of the assignee must be submitted with the proofs of death. This Company will not assume any responsibility for the validity of any assignment, and all assignments shall be subject to any indebtedness of the Company on account of, or secured by, this policy.

**POLICY SETTLEMENT.**—Any and every sum due under this policy shall be payable only at the Company's Home Office, Baltimore.

Maryland, and from any sum payable hereunder there shall be deducted any indebtedness to the Company on this policy or secured thereby.

**CHANGE OF BENEFICIARY.**—When the right of revocation is reserved under this policy, the insured, if of full age, may at any time, and from time to time, during the policy's continuance, subject to any previous assignment, change the beneficiary hereunder without the consent of said beneficiary, or substitute the insured's personal representatives or assigns, by filing a written request on the Company's form at the Home Office, accompanied by the policy, the change to be inoperative, however, until endorsed on policy by the Company during the insured's lifetime. The insured may declare the designation of any beneficiary irrevocable. The right to change beneficiary is reserved to the insured, and cannot be assigned. If any beneficiary under either a revocable or irrevocable designation dies before the insured, the interest of such beneficiary shall rest in the insured unless otherwise provided in or endorsed by Company on this policy.

**REINSTATEMENT.**—At any time, before this policy, if continuously maintained, would have become fully paid up, it may be revived after default in payment of any premium, unless the cash value has been paid or the extended term insurance period expired, provided evidence satisfactory to Company that the insured is safely insurable be furnished, and all overdue premiums with interest at six per cent. per annum be paid, and all indebtedness to Company at time of default on account of or secured by this policy, with interest at same rate, which indebtedness and interest and arrears of premium and interest shall, at option of the owner, be paid in cash or, to the extent allowed by the loan value at date of reinstatement, remain as a lien against the policy.

**ENDOWMENT OPTION.**—While this policy becomes fully paid up upon payment, in accordance with its conditions, of the whole number of premiums stipulated for in said policy, yet if desired the payment of premiums can be continued for one or more full years after the insurance becomes paid-up, and the policy by such continuation be converted into an endowment. By each additional full year's premium paid the maturity of the endowment will be hastened, and, upon application, a table will be furnished to the insured or owner of this policy showing the date of its maturity as an endowment after the payment of one full year's additional premium, and how much this date will be accelerated by the payment of every full year's premium thereafter. If payment of premiums is thus continued the policy will continue to participate in dividends as before, and the guaranteed loan and cash values will be increased.

#### PARTICIPATION IN SURPLUS.

**DIVIDEND OPTIONS.**—This policy shall participate in surplus, and the distributive share of surplus as determined and apportioned by the Company will be allotted on the 31st day of February, 1913, and annually thereafter, provided the policy is in full force, and not as extended term insurance. The first and second annual allotments of surplus, or dividends, are each conditioned upon the payment of the premium for the next succeeding policy year then due. Each annual dividend when credited may, at the option of the insured stated in writing to the Company's Home Office, be:—

- (1) applied in reduction of premium, or
- (2) drawn in cash, or
- (3) used to purchase additional paid-up life insurance, payable in the same manner as this policy, or
- (4) used to purchase additional insurance on the paid-up endowment plan, maturing at age 65, and payable at maturity to insured, or otherwise payable in the same manner as this policy, or
- (5) left with the Company to accumulate at not less than 3½ per cent. interest annually. Accumulations to be payable at maturity.

ity of policy but withdrawable on demand, but no allowance will be made for interest for a fractional part of a year.

The insured may elect one of the aforesaid options not later than thirty-one days after any dividend becomes payable, and any option so elected shall remain in effect until superseded by another, but if no election is in effect then said dividend will be held by the Company under option (5).

**DIVIDENDS APPLIED TO MAKE POLICY PAID-UP OR MATURE AS AN ENDOWMENT.**—Whenever at the end of any policy year the total accumulations (5) increased by the reserve on dividend additions, if any, and increased also by the reserve on this policy, shall be equal to the net single premium, American Experience Table of Mortality with  $3\frac{1}{4}$  per cent interest, on a whole life insurance at the attained age of the insured for an amount equal to the face of this policy, the Company will, on execution and delivery of satisfactory form of release and presentation of policy at its Home Office, make an endorsement thereon showing it has become fully paid-up, subject to any existing indebtedness.

Or whenever at the end of any policy year the total accumulations (5) increased by the reserve on dividend additions, if any, and increased also by the reserve on this policy, shall equal the face of said policy, then, on satisfactory release and surrender of said policy and additions, if any, at its Home Office, the Company will pay the face of the policy as a matured endowment, less any existing indebtedness.

Or at the end of any policy year the existing accumulations (5) may, upon satisfactory written request to Company, be applied to purchase pure endowments at Company's rates for the same at the attained age of the insured, and subject to the Company's regulations, for the purpose either of diminishing the number of future annual premiums required on the policy before it becomes fully paid up, or to mature the policy as an endowment some time in the future. If either of these two methods be once adopted, however, subsequent accumulations cannot be applied to the other, or vice versa.

The right to any dividends paid during the lifetime of the insured shall, unless otherwise expressly provided herein, vest in the insured, but any dividends due and unpaid at the maturity of this policy shall be payable with the sum herein insured to the payee of such insurance.

**PREMIUMS PAID BY DIVIDENDS.**—If any premium on this policy (either annual, semi-annual or quarterly), be not paid at the expiration of the days of grace, the Company will keep said policy in force by applying any dividend accumulations towards the payment of premium, provided such accumulations are sufficient to pay at least one quarterly premium, and any such application of accumulations shall be a discharge to the Company for the sum so applied. No portion of any remaining accumulations less than one quarterly premium will be applied to continue the policy in force.

### LOAN PROVISIONS.

**LOANS.**—After three full years' premiums have been paid, and while this policy is in full force, and not as an extended term insurance, the Company, upon delivery of policy to its Home Office satisfactorily assigned to it as security, will lend thereon such an amount as when added to any existing indebtedness will make the total indebtedness with interest at six per cent. to the end of current policy year not greater than the cash surrender value at the end of said year. But any unpaid portion of premium for said policy year shall be paid out of said loan. The obligation for the loan an assignment of the policy shall be on Company's forms, and a option of Company the loan may be deferred not exceeding sixty days after application, unless said loan is to be applied solely to pay a current premium hereon. Interest on loans is to be payable semi-annually at a rate not exceeding six per cent. per annum, but if a loan be made at any other time than the end of a policy year the first instalment of interest will fall due at the end of the current policy year and semi-annually thereafter.

If any interest on a loan is not paid when due, the policy being still in force, it shall be added to the principal and bear interest at the same rate. Failure to re-pay any loan or to pay interest shall not avoid this policy unless and until the total indebtedness hereon to the Company shall equal or exceed the cash surrender value at the time of such failure, nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the insured, and of the person to whom the loan was made and of the assignee of record at the Home Office of the Company, if any.

**AUTOMATIC PREMIUM LOANS.**—Upon a satisfactory written request therefor from the insured or the owner received at the Home Office of the Company before default in the payment of premium, and thereafter until a written revocation of such request is duly filed with the Company at its Home Office, the amount of any premium after three full years' premiums have been paid, or interest on any premium loan not paid in cash when due, less any dividend applicable thereon, will, without further action of the insured or owner, be lent by the Company in payment of such premium and such interest, if any, and be charged as an indebtedness, subject to interest and the other conditions governing loans described in the above loan provision, provided the net loan value is described in said provision, then available, after deducting all indebtedness including accrued interest, is sufficient to pay the premium and interest, if any, then due. And provided further that any funds arising from dividends left to accumulate at interest with the Company shall first be utilized for the payment of such premium.

#### NON-FORFEITURE PROVISIONS.

**NON-FORFEITURE OPTIONS.**—After three full years' premiums shall have been paid upon this policy, the owner, within sixty days (including the grace period) succeeding the failure to pay any subsequent premium when due, may elect in writing in accordance with the following table any one of the four settlements specified below, the policy being duly released and surrendered to the Company at its Home Office.

**CASH.**—(1) Cash value increased by reserve on any dividend additions but less any indebtedness to the Company.

**EXTENDED TERM INSURANCE.**—(2) Paid-up term insurance, non-participating, for the full amount insured by this policy without right to loans, or cash value, dating from the day to which premiums have been duly paid and continuing for the term indicated in table. Provided, however, if there be any indebtedness the amount of paid-up term insurance shall be the face of this policy less said indebtedness, and the term for which said paid-up insurance shall run shall be changed to that period in whole months for which the cash value less the indebtedness will carry the modified amount at single premium term rates according to the American Experience Table of Mortality and  $3\frac{1}{4}$  per cent. interest at the age attained by the insured at the date of default. Similarly if there be any dividend additions the amount thereof will be added to the amount of paid-up term insurance, the term being changed by adding the reserve on such additions to the cash value applied at single premium term rates as above indicated.

**PAID-UP LIFE INSURANCE.**—(3) Paid-up life insurance, non-participating, payable at the same time and on the same conditions as this policy, for an amount stated in the following table, unless there is any indebtedness, in which event the amount of said paid-up life insurance will be diminished in the same proportion that the amount of the indebtedness bears to the reserve (American Experience,  $3\frac{1}{2}$  per cent.) on the paid-up life insurance stated in the table. If there are any dividend additions to this policy on the life plan the paid-up insurance will be increased by the amount of such additions. If any on the endowment plan a separate paid-up endowment contract will be issued for the amount of such additions, unless the amount is less than \$50, in which case the amount of the paid-up life insurance will be increased by the paid-up life insurance that the reserve on the said additions will pur-

chase at the age attained by the insured at the time of default applied as a single premium according to the American Experience Table of Mortality, and  $3\frac{1}{2}$  per cent. interest.

**PAID-UP ENDOWMENT AT 65.**—(4) Provided the attained age of the insured at the time of default is not over sixty, paid-up endowment insurance, non-participating, maturing at age sixty-five, for an amount stated in the following table, unless there is any indebtedness, in which event the amount of said paid-up endowment insurance will be diminished in the same proportion that the amount of the indebtedness bears to the reserve (American Experience,  $3\frac{1}{2}$  per cent.) on the paid-up endowment insurance stated in the table. If there are any dividend additions to this policy on the endowment plan, the paid-up endowment insurance will be increased by the amount of such additions. If any on the life plan the reserve on such additions will be applied as a single premium, according to the American Experience Table of Mortality and  $3\frac{1}{2}$  per cent. interest at the age attained by the insured at the time of default, to purchase additional paid-up endowment insurance maturing at sixty-five.

The paid-up insurance granted under either Settlement (3) or (4) will have a cash surrender value which at the time said paid-up insurance is granted will be equal to the cash value of this policy at the time of default, and said cash surrender value will increase with every additional completed year of the continuation of said paid-up insurance.

If no election is made by owner within time specified the insurance will be extended as paid-up term insurance in accordance with option (2).

Values for years beyond the period covered by the table will be furnished on application. If time of default any semi-annual or quarterly premiums have been paid in any policy year without completing said year, the surrender values will be the values for the last policy year for which the year's premium was paid in full plus a proportionate part of the increase of the values at the end of the next succeeding year. The cash value, if the policy is surrendered during a policy year, the premiums for the full year having been paid, will be the same as that at the end of the policy year unless the reserve at the time of surrender is less than the reserve at the end of the year,

which event the cash value will be equally reduced. For loan values when loans are obtained during a policy year and not at its end, see loan provision.

The cash values given in the above table are the full reserve on the policy according to the Company's Standard, American Experience Table of Mortality, with  $3\frac{1}{4}$  per cent. interest less a deduction not exceeding at any time two and one-half per cent. of the sum insured. The values of the paid-up life and endowment insurances given in the table are also at no time less than the reserve on the policy less a deduction not exceeding two and one-half per cent. of the sum insured. The sum used to purchase paid-up term insurance is the cash value stated in table.

#### METHODS OF SETTLEMENT.

**OPTIONAL SETTLEMENTS.**—The insured (with the right of revocation of any election and of re-election from time to time) or the beneficiary (or each beneficiary to the extent of his interest if there be more than one) after the insured's death, in case the insured shall have made no election, may, subject to the rights of any assignee, elect by written notice to the Home Office of the Company to have settlement of the net sum payable under this policy at the death of the insured made in any one of the following methods, or by combination of two or more of the following methods. Provided, however, that if there be more than one beneficiary and payment is not made in cash, the beneficiaries shall not jointly participate in any one method (unless a satisfactory special agreement is made with the Company to that effect), but a special supplemental contract applying to one beneficiary only shall be issued for each method selected. Provided, further, that settlement in any event must be made in cash if the net sum payable under this policy is less than \$500, and if any combination of methods is elected the net amount applicable to each method, save that of cash payment, must never be less than \$500.

**CASH.**—(1) Payment in cash.

**AT INTEREST.**—(2) Payment of interest at the rate of  $3\frac{1}{4}$  per cent. per annum on said net sum payable at the end of each year during the lifetime of the beneficiary, and upon the death of said beneficiary payment of said net sum together with any accrued interest to the beneficiary's legal representatives or assigns.

**INSTALMENTS.**—(3) Payment of equal annual instalments for a specified number of years, the first instalment being made payable immediately, and the amount of each instalment to be in accordance with the following table.

**INSTALMENTS AND ADDITIONAL SUM.**—(4) Payment of said net sum in twenty equal annual instalments, the first instalment being immediate, and the payment of an additional amount equal to 47 per cent. of said net sum at the end of twenty years after the first instalment becomes due; or in twenty-five equal annual instalments and an additional amount equal to  $66\frac{2}{3}$  per cent. of said net sum at the end of twenty-five years after the first instalment becomes due; or in thirty equal annual instalments and an additional amount equal to 90 per cent. of said net sum at the end of thirty years after the first instalment becomes due.

**INSTALMENTS AND ANNUITY.**—(5) Payment of said net sum in twenty, twenty-five or thirty equal annual instalments as in method (4), and by the payment in addition beginning at the end of twenty, twenty-five or thirty years, as the case may be, after the first instalment becomes due, of an annuity on the life of the beneficiary, said annuity being the amount that 47 per cent.,  $66\frac{2}{3}$  per cent. or 90 per cent. as the case may be, of the said net sum will buy according to the following table at the age of the beneficiary attained at the end of the period. This method to be available only if attained age of beneficiary is 50 or over.

**CONTINUOUS INSTALMENT.**—(6) Payment of equal annual instalments for a fixed period of twenty years (the first instalment being payable immediately), and for as many years longer as the

ciary shall survive, the amount of each instalment to be in accordance with the following table.

The yearly instalments under methods (3) and (4), (or under method (5) so far as the instalments for the fixed period of years is concerned but not the annuity), provided each yearly instalment is not less than \$100, may at the option of the insured or at the option of the beneficiary, unless otherwise provided by special endorsement hereon, be changed to semi-annual, quarterly or monthly payments. On the basis of an annual payment of \$100, each semi-annual payment would be \$50.37, each quarterly \$25.23, each monthly \$8.41.

#### METHODS OF SETTLEMENT.

Each annual instalment after the first under methods (3) or (4) (or under methods (5) or (6) as far as the instalments for the fixed period of years therein named are concerned), and each annual instalment of interest provided for in method (2) will be increased each year by such extra interest as the Company may allot thereto.

At any time while policy is in force the Company will, upon written request to its Home Office by the insured, subject to the rights of any assignee, limit by endorsement on the policy the settlement of the net sum payable at the death of the insured to any one or to any specified combination of the above described methods. Revocation of such limitation and subsequent establishment of a new limitation from time to time may be similarly secured.

Unless otherwise provided by special endorsement hereon, the beneficiary, if the second method has been chosen, may at any time secure the payment of the principal sum in cash with any accrued interest upon giving satisfactory release. Subject to the same conditions the beneficiary may at any time commute in one payment and receive the value of any unpaid instalments under method (3) and of any unpaid instalments and of the additional sum under method (4), or so far as the instalments for the fixed period of years and the value of the annuity at the end of the fixed period are concerned, under method (5), provided the annuity has not actually been entered upon. The commuted value will be determined by discounting the unpaid instalments at the rate of  $3\frac{1}{4}$  per cent. per annum.

Should the beneficiary die before the payments provided for in methods (3) or (4) have all been made, or before the annuity provided for in method (5) has been entered upon, or the payments provided for the fixed period of twenty years in method (6) have all been made, the unpaid instalments, including the sum available for the purchase of the annuity under method (5), but excluding any payments to be made subsequent to the fixed period under method (6), shall be commuted in one sum discounting at the rate of  $3\frac{1}{4}$  per cent. per annum, and the commuted value shall be paid on satisfactory release to the executors, administrators or assigns of said beneficiary. If the beneficiary dies after any annuity has been entered upon all liability of the Company will cease with the last annuity payment if any, preceding said death.

If there be no named beneficiary at the death of the insured entitled to receive payment under this policy, or if no election is

made, the net sum payable hereunder shall be paid in cash. Any portion of said net sum which may be payable to an assignee shall also be paid in cash.

Whatever method of settlement may be followed the policy must first be duly surrendered and released, and if settlement is not made in cash a new supplementary contract shall be issued for the mode of settlement elected.

#### PROVISIONS AND BENEFITS.

**PREMIUMS.**—Premiums are payable, in advance, at the Home Office, or to the agent or cashier holding the Company's official receipt therefor signed by the President, or a Vice-President, or the Secretary, which receipt shall not be valid unless countersigned by said agent or cashier. In case of failure to pay any premium when due, or within the grace period, the Company's only liability shall be such, if any, as is set forth hereinunder (see "Non-Forfeiture Provisions"). Subject to the grace provisions of this policy, no premium payment shall continue it in force beyond the date at which the next premium will become due by the terms of this policy or amendments thereto.

The payment of premiums may be changed from annual payment to semi-annual, or quarterly, or vice versa, at the request and on the individual signature of the insured, except that the assent of the assignee will be required if the policy is assigned.

**DIVIDENDS.**—This policy, while in force, will participate at the end of the first policy year, and annually thereafter, in the distribution of the surplus funds of the Company. At the option of the insured, dividends will (1) be paid in cash, or (2) be applied in reduction of premiums, or (3) be used to purchase participating paid-up additions to this policy, which additions shall have a cash surrender value (full reserve) available within thirty days of the application therefor, or (4), subject to withdrawal, they may be left with the Company to accumulate to the credit of the policy;

so left, the fund arising will be credited, annually, at the end of the policy year, during the continuance of the policy, with interest at such a rate, not less than three per cent., as may be determined by the directors, and outstanding dividend accumulations will be included in any cash settlement of the policy. If no election is made prior to any anniversary, the dividend for that anniversary will be held by the Company to accumulate.

Whenever, at the end of any policy year, the dividend accumulations, or the reserve on the paid-up additions, or both, together with the reserve on the policy shall equal the reserve on the same basis on a fully paid-up policy of the same kind and amount, at the then attained age of the insured, the Company will indorse the policy as paid-up in full; or when such aggregate amount shall equal the face amount of this policy, the Company will mature and pay the policy as an endowment; provided, in either case, request is made therefor and a satisfactory release is given.

### LOANS.

**POLICY LOAN.**—After two full annual premiums have been paid hereon, on a proper assignment of this policy to the Company, the Company will, within thirty days of the application therefor, loan on the sole security of this policy, with interest at the rate of six per cent. per annum, the whole or any part of the cash value of the policy, and of all paid-up additions thereto, at the end of the policy year during which application for the loan is made, provided that from such loan the Company will deduct any existing indebtedness on account of or secured by the policy, and any unpaid portion of the premium for the current policy year. If this policy is not assigned the Company will loan on the signature of the insured alone, under the conditions described in this paragraph, provided the right to change the beneficiary has been reserved in the application for, or amendments to, this policy, or provided the loan is made for the sole purpose of paying the premium, or interest on any indebtedness to the Company under this policy, or both. The whole or any part of a loan may be repaid at any time.

**PREMIUM LOAN.**—Upon the written request of the insured, and assignee, if any, filed with the Company prior to default in payment of a premium hereunder, the Company will loan the insured the amount of said premium, less any dividend payable on the due date of said premium, and charge the same as an indebtedness against the policy, bearing interest at the rate of six per cent. per annum, if the tabular cash surrender value of the policy after the payment of such premium will be equal to the total indebtedness on account of or secured by this policy with interest thereon to the thirty-first day after the due date of the next premium payable hereunder, or to the next anniversary of the policy if no further premium will be payable; provided, however, that any funds arising from dividends left with the Company to accumulate at interest shall first be utilized for the payment of such premium, and that while any such premium loan is outstanding dividends apportioned to the policy shall be applied to the reduction of said loan. The whole or any part of such loan may be repaid at any time.

**AUTOMATIC PREMIUM LOAN.**—If, while the policy is in full force with no premium overdue and unpaid, a request therefor, on

a form furnished by the Company, is filed at the Home Office of the Company, signed by the insured, and approved by the assignee, if any, the premium loan provision, by an indorsement hereon at said Home Office, will be made to apply automatically (without further action by the insured or the assent of any subsequent assignee) to any future premium that may remain unpaid on the last day of grace. Such request may be revoked at any time by a writing signed by the insured alone and filed with the Company at its Home Office.

**FAILURE TO REPAY LOAN.**—Failure to repay a policy loan or premium loan, or to pay interest thereon, shall not avoid the policy unless the total indebtedness thereon shall equal or exceed the loan value at the time of such failure, nor until thirty-one days after notice has been mailed by the Company to the last-known address of the insured and of the assignee of record at the Home Office of the Company, if any.

**ASSIGNMENT.**—The Company will not recognize any assignment of this policy until the original assignment, or a duplicate, or a certified copy thereof, shall be filed in the Company's Home Office, nor will it assume responsibility for the validity of an assignment.

**CHANGE OF BENEFICIARY.**—The insured may designate one or more beneficiaries, if none be named herein, and, further, may, if the right to do so has been reserved in the application for this policy, or amendments thereto, change and successively change the beneficiary hereunder without the co-operation or assent of other parties in interest: provided, that any proposed beneficiary shall have an insurable interest in the life insured, that any change in beneficiary shall be subject to the rights of any assignee, and that any such change shall become operative only when indorsed upon the policy, at the Company's Home Office, pursuant to such form of request for amendment as the Company may require.

**CHANGE OF PLAN.**—This policy, while in full force, may be changed at the end of any policy year, without medical examination, to any other plan in use by the Company at the time this policy was issued, except the continuous installment and continuous monthly income plans, provided the rate of premium will not thereby be diminished, on the payment of such an amount as may be required by the Company for such change; but nothing herein shall give the insured the right under the new policy to any disability provision not contained in this policy and in force at the time of change. The new policy shall be written at the same age bear the same number and date, and be for the same amount as this policy, and all parties in interest must join in the request for change and execute such papers as the Company may require.

**ENTIRE CONTRACT.**—This policy and the application hereof constitute the entire contract between the parties. All statements made by the applicant shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defense to a claim under this policy unless it is contained in the application and a copy of the application is hereto annexed.

**ERROR IN AGE.**—If the age of the insured was misstated in the application for this policy, and there has been no adjustment on account thereof, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

#### NON-FORFEITURE PROVISIONS.

**GRACE.**—Any premium after the first may be paid when no more than thirty-one days past due, during which period the policy will be continued in full force.

**PAYMENT OF PREMIUMS FROM DIVIDEND ACCUMULATIONS.**—If a premium hereon remains unpaid at the expiration of the grace

period, and there are dividend accumulations to the credit of this policy sufficient to pay such premium in full, so much of such accumulations as may be needed therefor will be used in payment of the overdue premium, and the insured will forthwith be notified of the amount of the accumulations so used and of the balance thereof.

### OPTIONS IN CASE OF DEFAULT.

**AUTOMATIC PAID-UP INSURANCE—EXTENDED TERM INSURANCE—CASH SURRENDER VALUE—AUTOMATIC EXTENDED TERM INSURANCE.**—Upon default in the payment of any premium, after two full annual premiums have been paid hereon, this policy will be binding upon the Company as participating paid-up insurance of a reduced amount, payable at the same time and on the same conditions as in the original contract; but at any time within thirty days from the date of such default, the insured may elect in lieu of such paid-up insurance, by a writing filed with the Company at its Home Office, to have the insurance continued in force as participating extended term insurance, from the due date of the premium in default, for its original amount and any outstanding paid-up additions, less any indebtedness hereon or secured hereby, but without the right to loans, or may surrender the policy; and, with the written assent of the person to whom it is made payable, receive in cash, within thirty days of the application therefor, its value at the time of default.

Extended term insurance, as above described, may be made the automatic option in case of default in the payment of any premium, by an indorsement placed upon the policy at the Company's Home Office, pursuant to a written request therefor signed by the insured and filed at said Home Office when there is no premium due and unpaid.

The values stated in the accompanying table are for even years and apply to this policy, except that if there are outstanding paid-up additions to the policy, the values will be increased in consequence, but if there is any indebtedness to the Company on account of or secured by this policy, the said values will be diminished. If the default occurs after a fractional part of the current year's premium has been paid, the values will be proportionately adjusted.

After this policy has become paid-up by payment of all required premiums, or if it becomes paid-up for a reduced amount by operation of law, or if extended term insurance is taken hereunder, the insurance will have a cash surrender value available within thirty days of the application therefor on legal surrender of the policy.

**REINSTATEMENT.**—This policy may be reinstated at any time after default in the payment of any premium, unless the cash value has been paid, or the extension period has expired, upon the production of evidence of insurability satisfactory to the Company, and the payment of all overdue premiums, with interest at the rate of six per cent. per annum on such premiums and on any indebtedness to the Company on account of or secured by this policy at the time of default, which indebtedness, if not repaid, shall be reinstated as a lien against this policy.

A part or the whole of the overdue premiums may be settled by policy or premium loan, if the cash surrender value of this policy, after reinstatement, will be sufficient security therefor and for any reinstated indebtedness. See conditions in "Loans" paragraphs above.

**NOTICE.**—This policy while in force shall not be modified or altered, except upon the written request of the insured, and of other parties in interest, if any, and the approval on behalf of the company of the President, or a Vice-President, or the Secretary, or an Assistant Secretary. All modifications and alterations shall comply with the legal requirements of the State within which the policy is delivered.

The values in the above table are based upon the American Experience Table of Mortality, with interest at the rate of three per cent. per annum. No deductions has been made from the reserve in computing the values for the tenth and subsequent years, nor will any deduction be made in computing the values for years not shown in the table. In computing the values for the years prior to the tenth, no deduction has been made from the reserve of more than one and four-tenths per cent. of the amount insured. The paid-up value, or extended insurance value, at the end of any policy year, is the mathematical equivalent of the cash value (See Table on last page).

# INSTALLMENT OPTIONS.

THE INSURED, with the assent of the assignee, if any, may elect by a writing filed with the Company, with the right of revocation, to have the proceeds of this policy (including paid-up additions and dividend accumulations, if any), if not less than \$1,000, paid in equal annual installments according to any one of Options "A," "B," and "C," beginning upon receipt of due proof of the death of the insured, in lieu of payment in one sum, or the insured may in like manner elect to leave the proceeds of this policy with the Company in accordance with Option "D"; and any such election or revocation shall become operative only when indorsed upon the policy, at the Company's Home Office, pursuant to such form of request as the Company may require. No installment under Option "A," "B," or "C" may be commuted by any beneficiary, except upon the written authority of the insured filed with the Company. If the insured shall not have made any such election, the beneficiary or beneficiaries entitled to receive said proceeds may when the same become payable, exercise such right of election. If no beneficiary survives the insured, said proceeds will be paid in one sum to the executors, administrators, or assigns of the insured.

At the death of the last surviving beneficiary occurring subsequently to the death of the insured, any balance under Option "A" will be paid in one sum to the executors, administrators, or assigns of the said beneficiary, and any installments under Option "B" or any stipulated installments under Option "C" then remaining unpaid will be commuted upon the basis of three per cent. compound interest per annum and paid in one sum in like manner.

Provision may be made for the payment of a portion of the proceeds in cash and for treatment of the remainder, if not less than \$1,000, as hereinunder described.

Semiannual, quarterly, or monthly installments may be taken in lieu of annual installments. The equivalent of each \$100 of annual installment will be two semi-annual installments of \$50.37 each, or four quarterly installments of \$25.28 each, or twelve monthly installments of \$8.45 each.

OPTION A.—Equal annual installments, each of such an amount as may be elected, to continue until the proceeds, together with the interest herein specified, are exhausted; provided, that the final installment shall be for the balance only of said proceeds and specified interest. On each anniversary of the first installment interest at not less than three per cent. per annum will be added to the unpaid balance of said proceeds.

OPTION B.—A specified number of equal annual installments, each of an amount (for each \$1,000 of such proceeds), corresponding to the number of installments shown in the first table following. On each anniversary of the first installment, but continuing only so long as installments are being paid, there will also be paid such interest dividend as may be allotted by the directors.

Illustration: If the proceeds of the policy are \$7,600 and the number of installments desired is twenty, each instalment will be  $\$45.25 \times 75.10 = \$489.37$ .

OPTION C.—Equal annual installments, continuous during the life of the beneficiary entitled to receive the first thereof, each of an amount (for each \$1,000 of said proceeds), as shown in the accompanying table, corresponding to the number of stipulated installments selected and to the completed age of the beneficiary at the date of the death of the insured. If the said beneficiary, having received one or more of such installments, shall die before the payment of all the stipulated installments, the remainder of said stipulated installments, and no more, will be paid as they fall due to the contingent beneficiary or beneficiaries, if any be named. If there are two or more beneficiaries entitled to share in the first of such installments, the said proceeds will be divided in proportion to the interests of the several beneficiaries, and in determining the amount of the annual installment to be paid to each beneficiary, the share of each will be considered as the proceeds of a separate policy. On each anniversary of the first installment, but continuing only so long as installments are being paid, there will also be

paid such interest dividend as may be allotted by the directors, except that if installments are paid annually no interest dividend will be paid after all the stipulated installments have been paid.

OPTION D.—The proceeds of this policy, or any part thereof, but not less than \$1,000, may be left with the Company, and the Company will pay interest thereon annually at such rate, not less than three per cent., as may be determined by the directors, the first interest payment to be made one year from the receipt of due proof of the death of the insured. The amount so left may be withdrawn as shall be agreed upon with the Company in the election of this option.

### CASH VALUE IN INSTALLMENTS.

NOTICE:—The insured is hereby notified that by virtue of this policy he is a member of the MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY, and is entitled to vote either in person or by proxy at any and all meetings of said Company. The annual meeting is held at its Home Office on the third Wednesday of January each year, at 2 o'clock P. M.

### PROVISION FOR WAIVER OF PREMIUM.

#### IN THE EVENT OF PERMANENT TOTAL DISABILITY.

If the insured, after the payment of premiums for the first policy year, and before default in the payment of any subsequent

year's premium, and before attaining the age of sixty years, and while this policy is in full force, shall furnish due proof to the Company at its Home Office that he has become wholly and permanently disabled by bodily injury or disease so that he is and will be permanently, continuously, and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, and that such disability has existed continuously for not less than sixty days, the Company, by indorsement hereon, will waive the payment of all premiums becoming due under this policy after the expiration of the then current policy year. The premiums so waived shall not be deducted from the sum payable under this policy, and the values provided for under "Non-Forfeiture Provisions" shall be the same as if such premiums had been paid in cash. Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the insured shall at any time, on demand from the Company, furnish due proof of the continuance of such disability, and if the insured shall fail to furnish such proof, or if the insured is able to perform any work or to follow any occupation whatsoever for compensation, gain, or profit, all premiums thereafter falling due must be paid in conformity with the conditions of this policy.

It is further agreed that the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision, and that the Company upon due proof of such loss or severance, will waive the premium becoming due under this policy after the expiration of the then current policy year.

This provision is granted in consideration of the payment of an additional premium of \$1.90 with each annual premium payable and this amount is included in the whole premium charged for this policy. This provision may be discontinued by the insured on an anniversary of this policy by written request to the Company, such discontinuance to take effect upon indorsement thereof on this policy by the Company at its Home Office. When the insured has passed the age of sixty years, the additional premium charged for this provision will be discontinued without the request of the insured. Non-payment of said additional premium will void this provision and the benefits secured thereby.

THE POLICYHOLDER IS REQUESTED TO READ THIS POLICY, THAT HE MAY BE INFORMED OF ITS PROVISIONS.

#### APPLICATION.

This application, made to the MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY, of Springfield, Massachusetts, is the basis and a part of the proposed contract for insurance.

13. Do you reserve the right to change and to successively change the beneficiary without the consent of the beneficiary? Answer *yes* or *no*.

[If this right is reserved, the policy may possibly become part of the estate in case of bankruptcy].

I agree that the insurance hereby applied for shall not be in force until the approval of this application by the Company at its Home Office, the delivery of the policy to me or my agent and the payment of the first premium as required therein during my present condition of health (except as these conditions may have been modified, if I have paid the said first premium, by the terms of the Company's conditional receipt given in exchange for said premium) and that thereupon said policy shall be considered as having become effective upon the date stipulated in the policy as the date on which the insurance begins.

I also agree that military and naval service in time of war are risks not assumed by said Company during the first policy year, unless a written permit therefor, at a rate of extra premium to be fixed by the Company, shall be granted; and that if without such permit I shall engage in any such service during the first policy year, said policy shall thereupon become void, and no claim shall exist thereunder except for the net reserve held against it, reckoned according to the legal standard of Massachusetts; it being a condition of the foregoing that I may serve at any time, without a permit, in the militia of any State.

I further agree that if I shall die by my own hand or act during the first policy year, whether I be at the time sane or insane, the Company shall be liable only for the net reserve held against said policy, reckoned according to the legal standard of Massachusetts.

I understand and agree: (1) That the policy, if issued, cannot be modified or altered except upon my written request, and that of other parties in interest, if any, and the approval, on behalf of the Company, of its President, or a Vice-President, or the Secretary, or an Assistant Secretary, and that any modification or alteration shall comply with the legal requirements of the state in which the policy is delivered. (2) That no agent of the Company has any authority to make or modify contracts on behalf of the Company, or to alter or waive any of the conditions or requirements herein contained.

I hereby declare, on behalf of myself and of any person who shall have or claim any interest in any policy issued upon this application, that, to the best of my knowledge and belief, each of the foregoing answers in Parts I and II of this application is full, complete, and true, and that I am in sound physical condition, and a proper subject for life insurance.

The first year's insurance under this policy term insurance, purchased by the whole or part of the premium be received during the first policy year and the policy shall be void according to its terms and the laws of the State of Indiana.

**CASH LOANS.**—After three full years' premiums have been paid, Company will loan upon the sole security of this policy, while in force, within six months from date of written application for a loan, any sum not in excess of the amount stated in the Table

Failure to repay any such loan or to pay interest thereon shall not avoid this policy unless the total indebtedness to the Company hereunder shall equal or exceed such loan value at the time of such failure, and until thirty days after notice shall have been mailed by the Company to the last known address of the insured and to the assignee if any, if such assignee has notified the Company of his address.

**NON-FORFEITURE PROVISION.**—If after the premiums for three full years have been paid there shall be a default in the payment of any premium when due, this policy being then in force, the Company, without any action on the part of the insured, will continue this policy in force as paid-up non-participating term insurance for the term specified in the Table of Options for the end of the last year for which full annual premiums shall have been paid, provided that any unpaid note given for a premium and any existing indebtedness to the Company on account of, or secured by this policy shall reduce the amount of such Extended Insurance in the ratio of such indebtedness to the net value of such Extended Insurance; at the written request of the insured, made within thirty days after such default in premium payment, the Company will, upon surrender of this policy properly receipted, pay to the insured its cash value as specified in the Table of Options, which shall not be less than the sum which would otherwise be available for the purchase of Extended Insurance as aforesaid, or will issue to the insured paid-up non-participating policy for an amount of insurance, stated in said Table, the said cash and paid-up values to be subject to any existing indebtedness.

**OTHER BENEFITS.**—Any paid-up, participating policy issued at the end of the premium paying period, under the provisions of this contract, or this policy, if continued, will participate annually thereafter in the distribution of surplus, and any such policy may be surrendered for its cash value on any anniversary of its date, and the Company will loan at such times an amount not exceeding the reserve value in accordance with the Company's rules as here provided for loans.

**TRUST FUND PRIVILEGE.**—When this policy matures as a claim by reason of the death of the insured, the amount payable hereunder, or any portion thereof, not less than One Thousand Dollars may be left in trust with the Company during the lifetime of the beneficiary, and the Company will pay interest annually upon the amount so left on deposit at the rate of three per cent. per annum together with such annual dividend as may be apportioned by the Company, so long as the amount shall remain on deposit with the Company. The said trust fund may be withdrawn with accumulated interest at any time upon sixty days' notice, thereupon terminating the trust; or upon the death of the beneficiary the amount of the trust fund, with accumulated interest and dividends apportioned, will be paid to the executors, administrators or assigns of the beneficiary.

**INSTALLMENT BENEFITS.—INSTALLMENT SETTLEMENTS.**—At any time prior to the maturing of this policy as a death claim, provided there be no assignment of the policy outstanding on the record of the Company, the insured may change the manner of its payment by written notice to the Company, accompanied by this policy and endorsement thereon, so that in event of his death, the equivalent

of the amount insured shall be payable in any specified number of equal annual installments according to the following table, which is based upon a policy of \$1,000 and will apply pro rata to the amount payable under this policy:

Two	annual installments of \$213.99 each, total guaranteed \$1,069.96	
Five	" " " 116.17 " " "	1,161.70
Seven	" " " 83.88 " " "	1,258.20
Twenty	" " " 67.98 " " "	1,359.60
Twenty-five	" " " 58.62 " " "	1,465.50

The first installment shall be payable at the same time that the original amount would have been payable under this policy, and subsequent installments shall be payable on the succeeding anniversaries of the first payment. Unpaid installments can neither be assigned nor commuted, and in the event of the death of the beneficiary intestate, any unpaid installments shall be paid to the estate of the beneficiary.

**SECURITY.**—This policy will be secured by a deposit of its full cash reserve value with the Insurance Department of the State of Indiana, in accordance with the Indiana Legal Reserve Compulsory Deposit Law of 1899.

**INCONTESTABILITY.**—In case of death after one year from date of issue, this policy shall be incontestable except for non-payment of premiums, provided the covenants as to military and naval service at the time of war, as provided in the application, shall have been complied with.

**PREMIUMS.—Where Payable.**—All premiums are due and payable in advance at the Home Office of the Company. The Company may, however, designate suitable persons authorized to receive said premiums at other places on or before the dates due, but only in exchange for the Company's official receipt, signed by the President or Secretary and countersigned by the authorized person to whom payment is made. If any premium be not paid when due, this policy shall be void and all premiums forfeited to the Company except as herein provided.

**GRACE IN PAYMENT OF PREMIUMS.**—In the payment of any premium under this policy, except the first, a grace of thirty-one days will be allowed, during which time the policy will remain in force, subject to an interest charge at the rate of six per cent. per annum.

**REARRANGEMENT OF PAYMENTS.**—Upon ten days' notice, prior to the time any premium becomes due, the insured may have the privilege of changing from an annual to semi-annual or to quarterly payments, or upon any anniversary of the policy may change from semi-annual or quarterly to annual rate in payment of premiums. Each semi-annual or quarterly payments being made in accordance with the terms of the policy will continue this policy in force for the term specified.

**REINSTATEMENT IN EVENT OF LAPSE.**—This policy may be reinstated on written application at any time after default in the payment of any premium, subject to evidence of good health satisfactory to the Company, and payment of premiums due to date of reinstatement with interest at the rate of six per cent. per annum, compounded annually.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this policy, including any of the current year's premium remaining unpaid, will first be deducted in any settlement under this policy.

**ASSIGNMENT.**—This policy may be assigned, but the assignment must be in writing, and the Company shall not be deemed to have knowledge of such assignment unless the original or a duplicate thereof is filed at the Home Office of the Company and its receipt duly acknowledged. The Company will not assume any responsibility for the validity of any assignment.

**CHANGE OF BENEFICIARY.**—This policy is issued with the express understanding that the insured may, from time to time during its continuance, change the beneficiary or beneficiaries, by filing with the Company a written request duly acknowledged, accompanied by this policy, such change to take effect upon the endorsement of the same upon the policy by the Company, provided this policy has not been assigned, or, if assigned, that all assignments shall have been duly cancelled or released on the books of the Company.

**PREMIUM NOTICE.**—Notice of each and every payment due or to become due hereon at the date named is given and accepted by the delivery and acceptance of this policy, and further notice required by any statute is hereby waived.

**CONSTRUCTION OF CONTRACT.**—This policy and the application therefor, taken together, constitute the entire contract, which cannot be changed or modified except by consent of the Company, duly recorded by written endorsement hereon over the signature of its President or Secretary; and the Company shall not be bound by any promise or representation affecting this contract made at any time by any person other than the above mentioned Officers of the Company. All statements made by the insured in the application shall, in the absence of fraud, be deemed representations and warranties. This contract is to be construed under the laws of the State of Indiana, it being agreed that the place of this contract is at the Home Office of the Company.

If the age of the insured is understated, the amount payable hereunder shall be the sum which the premium paid would have purchased at the correct age of the insured.

**POLICY IN FORCE.**—No obligation is assumed by this Company upon this policy until the first premium has been paid, and the policy duly delivered during the lifetime and good health of the insured.

#### PROVISIONS AND BENEFITS.

1. **PAYMENT OF PREMIUMS.**—All premiums are payable in advance at said Home Office or to any agent of the Company upon delivery, on or before date due, of a receipt signed by the President, Vice-President, Secretary or Actuary of the Company and countersigned by said agent.

A grace of thirty-one days, without interest charge, shall be granted for the payment of every premium after the first day of which period the insurance shall continue in force. If death occurs within the days of grace the full premium for the then current policy year, or any unpaid portion thereof, shall be deducted from the amount payable hereunder.

The payment of a premium or instalment thereof shall not maintain the Policy in force beyond the date when the next premium or instalment thereof is payable except as herein provided.

At any anniversary of this Policy, on written request of the Insured, approved by the Company at its Home Office, premium payments may be changed so as to be made payable annually, or semi-annual or quarterly instalments in accordance with the published rates in force at the date of issue of this Policy.

2. **AGE.**—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

3. **INTESTABILITY.**—This Policy (and the application therefor) constitutes the entire contract between the parties and, except for non-payment of premiums or violation of the conditions of this Policy relating to Military or Naval Service in time of war, shall be incontestable after two years from the date of its issue.

All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no statement shall avoid this Policy or be used in defense of a claim hereunder, unless it is contained in the written application therefor and a copy of such application is securely attached to this Policy when issued.

4. **ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company unless it be executed upon blanks furnished by the Company and filed with the Company at its Home Office in the City of New York. The Company assumes no responsibility for the validity of any assignment.

5. **OPTIONS ON SURRENDER OR LAPSE.**—Upon failure to pay a premium or any part thereof when due, this Policy, except as otherwise provided herein, shall immediately lapse. If, however, the lapse occur after three full years' premiums shall have been paid by the owner hereof, provided there be no indebtedness hereon, shall upon written request filed with the Company at its Home Office together with the presentation of this Policy for legal surrender or for endorsement within three months from the due date of the premium in default, be entitled to one of the following options:

First—A cash surrender value.

The Company in its discretion may defer the payment of the cash value for a period not exceeding ninety days after the application therefor is received by the Company.

Second—To have the insurance continued for a reduced amount of non-participating paid-up insurance (including any dividend additions to the credit of the policy), payable at the same rate.

and under the same conditions as this Policy. Such paid-up insurance shall have an increasing cash surrender value equal to the full reserve at the date of surrender, or a loan value up to the limit of the cash surrender value. Interest on loan under such paid-up insurance shall be payable annually in advance to the end of the policy year at the rate of six per centum per annum.

Third—To have the insurance continued for its original amount as term insurance in whole number of months from due date of premium in default, without participation and without the right to loan, but with a cash surrender value decreasing each year and ceasing entirely upon the expiry of the extension term, which value shall be the full reserve in even dollars for each one thousand dollars of insurance at the date of surrender.

If the owner shall not, within three months from due date of premium in default, surrender this Policy to the Company at its Home Office for a cash surrender value or for endorsement for paid-up insurance or term insurance as provided in the above options, the policy shall be continued for a reduced amount of paid-up insurance as provided in the second option.

The values of these options are mathematical equivalents, and have been calculated on the basis of the American Experience Mortality Table, with interest at three and one-half per centum per annum (omitting fractions of a dollar per thousand of insurance) less a surrender charge not exceeding in any case two and one-half per centum of the face of the Policy; except that after the time for which premiums are payable as stated on the first page hereof, no surrender charge has been made. These values as computed produce the results set forth in the table herein at the end of the respective years. Values for other years (after the twentieth) will be computed upon the same basis, for the entire reserve in even dollars for each one thousand dollars of insurance, and for even months in the event of election of term insurance and will be furnished upon request of the Insured.

If on surrender or default there be any indebtedness to the Company under this Policy, the cash surrender value shall be reduced thereby, the paid-up insurance shall be reduced proportionately, and the extended term insurance shall be for the face of the Policy, less the indebtedness, and for such period as the reduced cash value will purchase.

The reserve for which funds are to be held upon this Policy shall be computed upon the American Experience Mortality Table, with interest at three and one-half per centum per annum.

The Cash Value, or Loan Value at any time other than the end of the policy year (provided the full year's premium has been paid)

shall be the value at the end of the current policy year, discounted at the rate of six per centum per annum.

Should surrender or default be at any other time than at the anniversary date of the Policy, the values for the preceding policy year shall be proportionately increased for the portion of the policy year for which premiums have been paid.

6. **LOANS.**—At any time after three full years' premiums have been paid and while this Policy is in force, the Company, on proper and lawful assignment and delivery of this Policy, will loan, on the sole security thereof, up to the limit secured by the cash surrender value as increased by the value of any paid-up additions. The loan will bear interest at the rate of six per centum per annum payable annually on the anniversary of the Policy. If interest be not paid when due, it shall be added to the principal, provided the entire outstanding indebtedness shall be within the limit secured by the cash surrender value; otherwise, non-payment of interest shall render the Policy null and void, after one month's notice shall have been mailed by the Company to the last known address of the Insured and of the assignee of record, if any. After the expiration of the premium payment period interest in advance to the end of the policy year will be required. The whole or any part of the indebtedness may be repaid at any time while the Policy is in force. At the option of the Company, the loan may be deferred for a period not exceeding ninety days after application therefor is received by the Company, unless such loan is to be applied solely to the payment of premiums due to the Company.

7. **REINSTATEMENT.**—If this Policy shall lapse in consequence of non-payment of any premium when due, it may be reinstated at any time upon the production of evidence of insurability satisfactory to the Company, and the payment of all overdue premiums with interest at six per centum per annum; any loan which existed at date of default, together with interest at the same rate to the date of reinstatement, to be, at the option of the owner on application for such reinstatement, either repaid in cash or continued as an indebtedness against the Policy.

8. **PARTICIPATION IN DIVISIBLE SURPLUS.**—This Policy is a participating contract and the Company will annually ascertain and apportion any divisible surplus accruing hereon. The surplus as ascertained and apportioned shall, at the option of the owner, be either (a) paid in cash; or, (b) applied within the grace period toward the payment of any premium or premiums; or, (c) applied to the purchase of a participating paid-up addition to the sum insured; or, (d) left to accumulate to the credit of the Policy at such rate of interest as the Company may declare on such funds and payable at maturity of the Policy or withdrawable in cash or any anniversary date of the Policy, the rate of interest to be no less than three and one-half per centum annually. If the insured or owner, fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said distribution and the options available as aforesaid which options he selects, the Company shall then apply said distribution to the purchase of a paid-up addition to the sum assured. Such paid-up addition may be surrendered at any time for a cash value not less in amount than that of the surplus originally applied to it purchase. The payment or apportionment of the divisible surplus shall not be conditioned upon the payment of the next premium. When in event of surrender or lapse this Policy is continued a paid-up insurance or continued term insurance it shall not share in the Divisible Surplus.

(See "Notice to Policy-holder" below.)

**NOTICE TO POLICY-HOLDER.**—The surplus accruing under policies of this class will probably not be sufficient to enable the Company to make a distribution of surplus under this policy before the end of the fifth year.

## OPTIONAL SETTLEMENTS.

9. **MODES OF SETTLEMENT.**—Having hereby reserved such right the Insured, with power of revocation, by written notice to the Company at its Home Office, may elect to have the whole or any part of the net sum payable under this Policy, upon the death of the Insured, retained by the Company and paid out as provided below instead of in one sum. In case no such election has been made by the insured the beneficiary may so elect.

This Policy is to be surrendered at maturity and a supplementary contract issued for the option elected.

These modes of settlement are, however, not applicable to a Policy which is payable to an assignee, to a corporation, to a co-partnership or association, or when the amount to be retained is less than one thousand dollars.

**OPTION 1. INTEREST PAYMENTS.**—The payment of interest on the amount left with the Company at the rate which the Company may each year declare on such funds (but at no less rate than three and one-half per centum per annum), payable at the end of each year for a specified number of years or during the lifetime of the payee, and at the end of the specified period or upon the death of the payee by the payment of the amount retained, together with any accrued interest for the year then current, to the person designated in said notice, or, if there be no person so designated, to the executors, administrators or assigns of the payee.

**OPTION 2. INSTALMENT PAYMENT.**—The payment of equal annual or semi-annual instalments covering a specified number of years, in accordance with the table below for each one thousand dollars of said net sum, the first instalment being payable upon receipt of due proof of the death of the Insured.

**OPTION 3. LIFE INCOME.**—The payment of equal annual instalments for a fixed period of twenty years and for so many years

longer as the payee shall survive, in accordance with the table below for each one thousand dollars of said net sum, the first instalment being payable upon receipt of due proof of the death of the Insured.

Any instalments payable under option 2 or option 3 which shall not have been paid prior to the death of the payee, unless otherwise directed in said notice, shall be commuted at three and one-half per centum compound interest and be paid in one sum to the executors, administrators or assigns of the payee.

In lieu of semi-annual instalments under option 2, or annual instalments under option 3, quarterly or monthly payment thereof in proportionate parts may be elected, provided that no such proportionate payment be for less than ten dollars.

Unless otherwise specified in the written notice making such election, the supplementary contract on legal release thereof may at any time be surrendered for the amount retained, with any accrued interest, under option 1, or for the commuted value of the stipulated instalments yet to be paid under option 2, or for the commuted value of any of the first twenty instalments then remaining unpaid under option 3; such commutation under this option (3) shall, however, in nowise affect the payments conditional upon the lifetime of the payee after the term during which the instalments certain would have been payable; such commuted value under either option to be the amount as calculated by the Company on the basis of three and one-half per centum compound interest.

The sums payable under the foregoing options are based upon an assumed interest earning of three and one-half per centum, but if in any year the Company shall declare for that year, upon funds held by it under such options, a greater interest rate than three and one-half per centum, the sum payable under Option 2, or under Option 3 within the fixed period of twenty years, shall be increased accordingly.

**10. TOTAL AND PERMANENT DISABILITY BENEFITS.**—If, after this Policy has been in force one full year, and before default in the payment of any subsequent premium, the Company receives due proof that the Insured before attaining the age of sixty years, has become wholly and permanently disabled by bodily injury or disease so that he is and will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, the Company will waive payment of each premium as it there after becomes due during the Insured's said disability.

Any premium so waived shall not be deducted from the sum payable hereunder, and the values provided for under the provision "Options on Surrender or Lapse" shall be the same as if such premiums had been paid in cash. Provided, that always notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time, on demand from the Company, furnish due proof of the continuance of such disability; and if the Insured shall fail to furnish such proof, or if the Insured is able to perform any work or to follow any occupation whatsoever for compensation, or profit, all premiums thereafter falling due must be paid in conformity with the conditions of the Policy.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision.

This provision is granted without additional cost to the insured.

This receipt is not binding until the premium stipulated herein has actually been paid in cash, nor until countersigned by an authorized representative of the Company. If a check or draft is given in payment or part payment this receipt shall be void and of no effect if said check or draft is not paid on presentation.

This policy shall not take effect unless or until the full premium has been paid.

THE MICHIGAN MUTUAL  
LIFE INSURANCE COMPANY

**Hereby Agrees** and promises to pay the sum of *Ten Thousand Dollars*, the amount of this Policy, at its Home Office, in the City of Detroit, (any balance of the current year's premium and any indebtedness of the insured or beneficiary to this company being first deducted therefrom) when it has received due proof of the death of *John Doe*, of *Detroit*, County of *Wayne*, State of *Michigan*, whose life is hereby insured, subject to the conditions contained herein: If at the time the application is made, the insured has therein reserved the right to change the beneficiary, this policy will be payable to the person last designated under that right, and the insured may, providing this policy has not been assigned, change the beneficiary or beneficiaries at any time by filing with the Company a written request, duly acknowledged and accompanied by this policy; such change to take effect upon the endorsement of the same upon the policy by the Company. Subject to the above provision, the sum insured is payable to *his wife, Mary Doe, if living; if not living, then to his administrators, executors or assigns*. This policy is issued in consideration of the application therefor, a copy of which is attached to and is made a part of this contract, the same being accepted by the insured on the following conditions: The *Annual* premium of *Two Hundred Eighty-five and 00/100 Dollars* shall be paid in advance to the Company at its Home Office in the City of Detroit, or to its authorized agent, on delivery of this policy, and a like sum shall be paid before twelve o'clock noon on the *15th* day of *January* in each succeeding year during *twenty* years or until the prior death of the insured. Such payment of premium shall be made in advance either at the Home Office of the Company or to an authorized agent of the Company upon delivery of a receipt signed by the President or Secretary and countersigned by the collecting agent.

This policy shall not take effect unless the first premium is paid in cash or a note for extension of time for such payment is accepted by the Company at its Home Office at Detroit, Michigan, nor unless the insured be alive and in good health at the time of its delivery.

**LOAN.**—After three full years' premiums have been paid, the Company will, at any time while this policy is in force, advance upon proper assignment of the policy and upon the sole security thereof a sum equal to (or, at the option of the insured, less than) the reserve on this policy at the end of the current year; (such reserve being computed upon the basis of the American Experience Table of Mortality with three and one-half per cent interest) less a sum not more than two and one-half per cent of the amount

insured by the policy, first deducting from said loan value any unpaid balance of the current year's premium and any other existing indebtedness to the Company on account of this policy.

Interest on said loan will be charged at the rate of *six* per cent per annum, payable in advance to the end of the current policy year and semi-annually thereafter.

The Company, at its option, may defer completion of the loan for six months after application therefor is made.

Failure to repay any such loan or interest will not void the policy unless the total indebtedness thereon, to the Company, equals or exceeds the loan value of the same, nor until one month after notice has been mailed, by the Company, to the last known address of the insured and his assignee, if any.

**EXTENDED INSURANCE.**—If the premiums are not paid as provided herein, then in every such case the Company shall not be liable for the sum insured and the policy shall cease and determine, excepting only that if default be made in the payment of any premium *after* three full years' premiums have been paid and there be no indebtedness on account of this policy, the full amount of this policy will be carried as Non-Participating Term Insurance for such a period as the reserve of the policy (computed upon the three and one-half per cent American Experience Table of Mortality) less a sum, not more than two and one-half per cent of the amount insured, will pay for when used as a net premium.

If there be any loan or other indebtedness against the policy at the time of default, the value that otherwise would be used to purchase extended insurance will be reduced by the amount of the loan or indebtedness, with interest, and the remainder used as a net premium to purchase Non-Participating Term Insurance for an amount equal to the face of the policy less such indebtedness.

This Non-Participating term insurance shall be subject to all the conditions of this policy, except as to the payment of premiums and except the right to loans and surrender values.

**PAID-UP INSURANCE.**—In lieu of the Extended Insurance hereinafore provided for, after the payment of three full years' premiums and default in the payment of any subsequent premium, the insured may, by return of the policy with a written request to the Company within one month after such default, have the policy carried as Paid-up Non-Participating insurance for a fractional part of the sum insured, according to the table of values endorsed hereon; such values being subject to decrease on account of any indebtedness of the insured or beneficiary to the Company. All values after the twentieth year not endorsed in the table of paid-up insurance hereon, will not be less than the equivalent of the full reserve of this policy according to the Michigan standard of valuation.

**CASH VALUE.**—After premiums have been paid for three full years, if default be made in the payment of any subsequent premium and this policy be surrendered fully receipted by the insured and beneficiary within one month after such default, the Company will pay for such surrender an amount at least equal to the sum that would otherwise be available for the purchase of Extended Insurance, less any unpaid balance of a current year's premium and any other existing indebtedness to the Company on account of this policy.

The amount of this cash value, subject to indebtedness, is shown in the table printed hereon and payment of the same may be deferred not longer than six months after application for it is made. Cash values after the twentieth year not endorsed upon this policy will not be less than the full reserve of this policy according to the Michigan standard of valuation.

**RESTORATION OF POLICY.**—If this policy shall not have been surrendered to the Company and cancelled, it may be reinstated on written application within three years after the non-payment of any premium, subject to evidence of insurability satisfactory to the Company and the payment of arrears of premium with five per cent interest and the repayment or renewal of any indebtedness out-

standing at the time of default in the payment of premiums, with interest.

**GRACE IN PAYMENT OF PREMIUMS.**—After this policy has been in force one year, a grace of one month will be allowed for the payment of any premium due thereon, during which period this policy shall remain in force for the full amount; but in the event of the death of the insured during such term of grace the full premium for the then current policy year, or any unpaid balance thereof, shall be deducted from the amount payable under the policy.

**INCONTESTABLE PROVISION.**—This policy with the application herefor, a copy of which is hereto attached, shall constitute the entire contract between the parties thereto and shall be incontestable after two years from date, except for infraction of the provisions for the payment of premiums, for military or naval service in time of war, or for fraud.

If the age of the insured is misstated, the Company will be liable only for such an amount as the premium received would have paid for at the rates charged by the Company at this date for persons of the insured's correct age.

No agent has the power to change the terms of this contract or to extend the time for the payment of any premium.

It is UNDERSTOOD AND AGREED that when the first premium has been paid the insurance under the terms and conditions of this contract shall commence and take effect from the day and date of this policy.

**ASSIGNMENTS.**—If this policy is assigned or held as security, written notice shall be given to the Company, and proof of interest produced with proof of death.

The Company will take no responsibility as to the validity of any assignment.

**NON-PARTICIPATING.**—This policy shall not participate in any distribution of surplus.

**ALL STATEMENTS** made by the insured in the application for this policy shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it is contained in the written application, a copy of which is hereto attached and made a part of this policy.

AGREEMENT SUPPLEMENTARY to Policy No. 99,999, upon the life of John Doe.

In consideration of the payment of an additional premium of Two and 50/100 Dollars, and a like payment at the beginning of each policy year during the continuance of this agreement, the Michigan Mutual Life Insurance Company, of Detroit, Michigan, hereby grants the following:

**WAIVER OF PREMIUMS IN EVENT OF PERMANENT TOTAL DISABILITY.**

After payment of premiums for at least one full year and before default in the payment of any subsequent premium, if the insured, before attaining the age of 60 years, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or by disease, so that he is and will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, and that such disability has then existed for not less than sixty days (60 days), the Company will waive payment of the premium thereafter becoming due under the policy during the continuance of such disability. The premiums so waived shall effect no change in the table of Loan and Surrender Values, and such values shall be the same as if the premiums had continued so to be paid to the Company regularly when due. Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time, on demand, furnish to the Company satisfactory proof of the continuance of such disability; and if the Insured shall fail to furnish such proof, or if it shall appear to the Company that the Insured is able to perform any work or to follow any occupation whatsoever for compensation, gain or profit, all premiums thereafter falling due shall be paid by the Insured in conformity with the terms of the policy.

It is further agreed that the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrist or of both feet at or above the ankles, or of one entire hand and one entire foot by the Insured before attaining the age of sixty years will be considered as total and permanent disability within the meaning of this provision, and the Company upon satisfactory proof of such loss or severance will waive the premiums thereafter becoming due under the policy.

Detroit, Michigan, January 15, 1916.

O. R. LOOKER,  
*President.*

**APPLICATION**

I hereby reserve the right to change the beneficiary at any time, with the consent of the Company, provided the policy has not been assigned, and I agree for and on behalf of myself and the beneficiary or beneficiaries named above or hereafter designated that if such right is exercised it shall be in the manner provided by the policy to be issued under this application, and the payment to the beneficiary or beneficiaries last designated by such change shall be in full satisfaction and discharge of said policy.

I HEREBY DECLARE AND REPRESENT, That the above are true answers to the foregoing printed questions, and I hereby agree that these statements, whether written by my own hand or not, shall form the basis of the contract for the policy of insurance hereby applied for, and that any fraudulent answers, any suppression of facts in regard to my health, habits, occupation or circumstances, or neglect to pay the premium on or before the day it becomes due, as specified in said policy, shall void the policy and forfeit all payments made thereon, except as provided in the policy.

I hereby agree that the policy shall not take effect unless the first premium is paid in cash to the Company or its authorized agent, and a note for extension of time for such payment is accepted by the Company at its Home Office in Detroit; nor unless I am alive and in good health at the time of its delivery.

And I further agree that if the first or any subsequent premium on the policy shall be settled wholly or in part by note or other obligation, whether of the beneficiary, myself, or any third party, such settlement shall not be deemed a payment, but only an extension of the time for the payment of such premium; and, if such note or other obligation, or any renewal thereof, shall not be fully paid when due, then for any loss occurring while such note or other obligation remains due and unpaid, the Company shall not be liable, but the whole amount of the premium included in such note or other obligation shall be considered as earned and the Company may collect the same.

I also agree for myself and for all who may be interested as claimants under any policy issued upon this application, that I will not engage in any Military or Naval service in time of War, and that should I commit suicide within two years next following the date of issue of any such policy issued hereon (whether sane or insane at the time of such act), in that event the amount then payable under said policy shall be only the amount of the legal reserve upon such policy, computed in accordance with the statutes of the State of Michigan.

I also agree for myself and for all who may be interested as claimants under any policy issued upon this application, that if the replies to the foregoing questions are written in by a representative of the insuring company, it is done with the distinct understanding by me that such replies are dictated by me; that I have carefully reviewed the same; that they are all correctly recorded herein and I also further agree that any statements or representation made by me or any other person to such representative in connection with this application for life insurance will not be binding upon the said insurance company unless the same are expressly stated herein.

All statements made by me in the application for this policy shall, in the absence of fraud, be deemed representations.

I also understand and agree that no agent has the power to change the terms of this contract nor to extend the time for the payment of any premium.

IT IS UNDERSTOOD AND AGREED, That when the first premium has been paid, the insurance under the terms and conditions of this contract shall commence and take effect from the day and date of the policy.

It is also understood that the payment of any note or obligation received under the terms of this application shall, in no manner whatsoever, be contingent upon any conditions not expressed in such note or obligation.

#### MEDICAL EXAMINER'S FORM.

I have reviewed and understand all of the above questions and answers thereto, and they are hereby made part of my application for insurance in the MICHIGAN MUTUAL LIFE INSURANCE COMPANY and I hereby declare said answers and each of them, as written to be full, complete and true, that I am the person described above and in Part I of this application, that the application was signed by me, and that the answer to each question in Parts I and II my application was hereon recorded in writing before I signed the same.

I declare that I saw the applicant sign this application, and that the applicant reviewed with me the above declaration, and also the answers to questions, all of which were written in before he signed the same.

All premiums upon this policy shall be paid in advance either at the Home Office of the Company in Detroit, Michigan, or to an authorized agent of the Company upon delivery of a receipt signed by the President or Secretary.

The following provisions or clauses in this form are the same as in the preceding policy: "Loan," "Extended Insurance," "Restoration of Policy," "Grace," "Incontestable Provision," "It is Understood and Agreed," "Assignment," "Non-participating," "All Statements," and "Installment Benefits."

**PAID-UP INSURANCE.**—In lieu of the Extended Insurance hereinafore provided for, after the payment of three full years' premiums and default in the payment of any subsequent premium, the insured may, by return of the policy with a written request to the Company within one month after such default, have the policy carried as Paid-up Non-participating insurance for a fractional part of the sum insured, according to the table of values endorsed hereon. The amount of such Paid-up Non-participating insurance will be endorsed upon the policy, and shall be at least equal in value to the extended insurance above provided for. All values after the twentieth year not endorsed in the table of paid-up insurance hereon will not be less than the equivalent of the full reserve of this policy according to the Michigan standard of valuation.

**CASH VALUE.**—After premiums have been paid for three full years, if default be made in the payment of any subsequent premium and this policy be surrendered fully receipted by the insured and beneficiary within one month after such default, the Company will pay for such surrender an amount at least equal to the sum that would otherwise be available for the purchase of Extended Insurance as hereinbefore provided.

The amount of this Cash Value is shown in the table printed hereon and payment of the same may be deferred not longer than six months after application for it is made. Cash values after the twentieth year not endorsed upon this policy will not be less than the full reserve of this policy according to the Michigan standard of valuation.

No agent has the power to change the terms of this contract nor to extend the time for the payment of any premium, nor by any writing or otherwise to bind the Company in any way not set forth in this policy.

## 20-PREMIUMS LIFE ANNUAL DIVIDEND POLICY WITH DISABILITY BENEFITS.

No. 99,999.

AGE 35.

AMOUNT, \$10,000.00.

PREMIUM, \$374.80.

THE MINNESOTA MUTUAL LIFE INSURANCE COM-  
PANY OF MINNESOTA.

(ORGANIZED AUGUST SIXTH 1880)

In Consideration of the annual premium of *Three Hundred Seventy-four and 80/100* Dollars, and of the further payment of a like sum on or before the *First* day of *January* in every year during the life of the Insured, or until premiums for *Twenty* full years shall have been duly paid,

Promises to pay at the Home Office of the company in St. Paul, Minnesota, immediately upon receipt of due proof of the death of *Richard Roe*, of *St. Paul*, State of *Minnesota*, herein called the Insured, *Ten Thousand* Dollars, less any indebtedness hereon to the Company and any unpaid portion of the premium for the then current Policy year, to *his wife, Mary Roe*, Beneficiary with right of revocation.

**PAYMENT OF PREMIUMS.**—The Company will accept payment of premiums at other times than as stated above, as follows:

*One Hundred Ninety-four and 90/100* Dollars on the *1st* day of *January* and *July*, or *Ninety-nine and 30/100* Dollars on the *1st* day of *January*, *April*, *July* and *October*. Except as herein provided, the payment of a premium or instalment thereof shall not maintain this Policy in force beyond the date when the next premium or instalment thereof is payable. All premiums are payable in advance at said Home Office, or to an agent of the Company upon delivery of a receipt signed by the President or Secretary, and countersigned by said agent.

A grace of one month, not less than thirty days and without interest therefor, shall be granted for the payment of every premium after the first, during which month the insurance shall continue in force. If the Insured shall die during the month of grace the overdue premium will be deducted from any amount payable hereon in any settlement hereunder.

**SPECIAL DISABILITY FEATURE.**—After one full annual payment shall have been made and before default in the payment of any subsequent premium, if the Insured shall not have attained the age of 60 years, and shall furnish to the Company satisfactory proof that he has become totally and permanently disabled by bodily injuries or disease, so that he is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit, or from following any gainful occupation, the Company by an endorsement in writing on this Policy will waive the payment of premiums thereafter becoming

due. Any premiums so waived shall not be deducted from the sum payable under the Policy and the loan and cash values described on the second page hereof shall be the same as if such premiums were actually paid in cash. Provided, that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time on demand furnish the Company with satisfactory proof of the continuance of such disability; and if the Insured shall fail to furnish such proof or if it shall appear to the Company that the Insured is able to perform any work or engage in any occupation whatsoever, for gain, compensation or profit, payment of subsequent premiums shall then be resumed by the Insured as originally provided in the Policy.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision.

**RIGHTS OF THE INSURED.**—When the right to change the beneficiary is reserved, the Insured subject to any existing assignment of the Policy, may without the consent of the beneficiary or beneficiaries, receive every benefit, exercise every right, and enjoy every privilege conferred by this Policy.

**PARTICIPATION.**—This policy shall participate in the Surplus of the Company, and beginning at the end of the second Policy year the Company will annually determine and account for the portion of the divisible surplus accruing hereon.

Dividends at the option of the owner of the Policy shall, at the end of two years from the date hereof, and annually thereafter, be either

- (1) Paid in cash, or
- (2) Applied toward the payment of any premium or premiums, or
- (3) Applied to the purchase of paid-up additions to the Policy, or
- (4) Left to accumulate to the credit of the Policy with interest at not less than three and one-half per centum per annum and payable at the maturity of the Policy, but withdrawable on any anniversary of the Policy.

Unless the owner of this Policy shall elect within three months after the mailing by the Company of a written notice requiring such election, the dividends shall be paid in cash. Paid-up additions are convertible into cash at any time, and if so converted their cash value will be the full reserve therefor on the American Experience Table of Mortality with interest at three and one-half per centum per annum, not less however than the amounts of the original dividends.

**PAID-UP OPTION.**—Whenever the reserve on this Policy and on any existing dividend additions, at the end of any Policy year shall equal or exceed the single premium at the Insured's attained age according to the American Experience Table of Mortality with interest at three and one-half per centum, for an amount of Insurance equal to the face of this Policy, the Company at the written request of the Insured will endorse the Policy (subject to any

existing indebtedness) as participating paid-up insurance for such an amount as the said reserve will purchase at the premium named.

**CHANGE OF PLAN.**—While this Policy is in full force it may be changed at any time, without medical examination to any other form of Life or Endowment Policy in use by the Company at the time this Policy was issued, provided the rate of premium is not thereby diminished. For any such change the Company will require the payment of such an amount as is determined by it under its then existing rules and the new Policy shall be of the same number, age at issue, date of issue and amount as this Policy.

**OPTIONS ON SURRENDER OR LAPSE.**—After premiums have been paid hereon for three full years, this Policy will have a value equal to the full reserve on the Policy and on any paid-up dividend additions, computed as of the date to which premiums have been paid, and based upon the American Experience Table of Mortality with interest at three and one-half per centum per annum, less any existing indebtedness to the Company on this Policy.

Said value may be used at the option of the Insured in any one of the following three ways: (1) Applied to the purchase of extended insurance, commencing from the date to which premiums have been paid, without future participation, and without the right to loans or cash values, for the face amount of the Policy, plus any outstanding paid-up dividend additions and less any indebtedness hereon, and for such a term of years and months as said value taken as a single premium at the Insured's then attained age will provide according to the American Experience Table of Mortality with interest at three and one-half per centum per annum. Any outstanding dividends which have been left to accumulate at interest will be then paid in cash, or, if the Insured so elects before the expiration of the days of grace they may be left at interest but withdrawable on any subsequent anniversary of the Policy or at the expiration of the term of extension. (2) Applied to the purchase of non-participating paid-up insurance, payable at the same time and on the same conditions as this Policy, but without the right to loans or cash values, for such an amount as said value taken as a single premium at the Insured's then attained age, will provide according to the American Experience Table of Mortality with interest at three and one-half per centum per annum. Written request must be made for this option accompanied by this Policy for surrender or endorsement at the Home Office before the expiration of the days of grace. Any dividends which have been left to accumulate at interest will be then paid in cash or if the Insured so elects before the expiration of the days of grace they may be left at interest but withdrawable on any subsequent anniversary of the Policy, or on payment of the paid-up insurance as a death claim. (3) Collected in cash on written request and proper surrender of this Policy before the expiration of the days of grace. The amount of any outstanding dividends which have been left to accumulate at interest will also be paid in cash in that event. Payment may be deferred by the Company for a period not exceeding ninety days.

The figures in the following table are computed in accordance with the above provisions and upon the assumption that there is no indebtedness on the Policy and that there are no outstanding dividends or dividend additions. Figures for years not shown will be furnished upon request and will be upon the same basis;

After premiums for three full years shall have been paid, if default occurs in payment of any subsequent premium, and if the Insured shall not elect before the expiration of the days of grace to have the value of the Policy applied under Option (2) or Option (3), the value will be applied as provided in Option (1). If default occurs before premiums for three full years have been paid this Policy will have no value and the insurance will cease and determine.

**REINSTATEMENT.**—Unless surrendered for cash, this Policy may be reinstated at any time after default upon evidence of insurability satisfactory to the Company, and by payment of arrears of premiums with interest at six per centum per annum; any indebtedness which existed at date of default together with interest to the date of reinstatement, to be at the option of the Insured on application for reinstatement, either repaid in cash or continued as an indebtedness against the Policy.

**CONDITIONS AND PRIVILEGES.**—The Insured is privileged to travel or reside in any part of the world and may engage in any occupation. This Policy does not insure against the death of the Insured caused by his or her own hand or act, while sane or insane, during the first year from the date hereof, and in the event of such death the liability of the Company shall be the amount of the premiums paid.

This Policy and the application therefor, a copy of which is hereto attached and made a part hereof, constitute the entire contract between the parties and shall be incontestable after one year from the date hereof except for non-payment of premiums and except as otherwise provided in the Policy. All statements made by the Insured shall in the absence of fraud be deemed representations and not warranties, and no such statement shall avoid this Policy unless it is contained in the written application herefor.

If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company until it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity or effect of any assignment, and any claim made by reason of any such assignment shall be subject to proof of interest and extent thereof.

**LOANS.**—After three full years' premiums have been paid and while this Policy is in full force by the payment of premiums, the Company will loan on the sole security of the Policy and on proper assignment thereof, an amount not exceeding its cash value at the end of the then current Policy year. Interest on loans will be at a rate not exceeding six per centum per annum, which if not paid annually shall be added to the principal and bear interest at the

same rate. The Company will deduct from such loan any existing indebtedness or previous advances on the Policy and any unpaid balance of premium for the current Policy year, and may collect interest in advance on the loan to the end of the current Policy year. Failure to repay any such advance, or to pay interest, shall not avoid this Policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value of the Policy at the time of such failure, and until one month after notice shall have been mailed to the last known address of the Insured and of the assignee, if any. Consummation of loans may be deferred by the Company for a period not exceeding ninety days. No condition other than as herein provided shall be exacted as a prerequisite to any such advance.

**VALUATION.**—The first year's insurance under this policy is Term Insurance.

**CHANGE OF BENEFICIARY.**—When the right of revocation has been reserved, or in case of the death of any beneficiary under either a revocable or irrevocable designation, the Insured subject to any existing assignment of the Policy may at any time, and from time to time, nominate a new beneficiary or beneficiaries by filing with the Company a written request duly acknowledged, accompanied by this Policy for endorsement. Such change shall not take effect, however, until it has been endorsed upon the Policy by the Company. When the right of revocation has not been reserved such right may be resumed by the Insured at any time by filing with the Company a written request signed by the Insured and the then irrevocable beneficiary or beneficiaries and duly acknowledged. The resumption of such right of change shall be operative when so acknowledged by the Company. If the beneficiary or beneficiaries named hereunder shall die before the Insured, and the Insured shall not have named a new beneficiary, the proceeds of this Policy shall be payable to the Insured's executors, administrators or assigns.

**OPTIONS AT MATURITY.**—The Insured, by written notice to the Company at its Home Office, and with the written consent of the assignee and irrevocable beneficiary, if any, may elect at any time and from time to time to have the net sum payable at maturity under this Policy paid either in cash or as follows:

(1) By the payment of interest thereon at three and one-half per centum per annum, payable annually to the payee under this Policy at the end of each year during the life of the payee and by the payment upon the death of the payee of the said net sum and accrued interest to the executors, administrators, or assigns of the payee, unless otherwise directed in said notice.

(2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each One Thousand Dollars of said net sum.

(3) By the payment of equal annual instalments payable at the beginning of each year for a fixed period of twenty years or for so many years longer as the payee shall survive, in accordance with the following table for each One Thousand Dollars of said net sum. This option cannot be selected if there be more than one payee.

Instalments payable under options (2) or (3) which shall not have been paid prior to the death of the payee shall be paid, unless otherwise directed in said notice, to the executors, administrators or assigns of the payee.

Unless otherwise specified by the Insured the payee may on any interest date receive the amount yet due under option (1), and may at any time receive the commuted value of payments yet to be made, computed upon the same basis as option (2) in the following table, provided that no such commutation will be made under (3) except after the death of the payee occurring within the afore-said twenty years.

No change in mode of payment or revocation of any change shall take effect until endorsed on the Policy by the Company at its Home Office.

#### DIVIDEND OPTIONS.—

1. Draw the dividend in cash; or,

Any dividend not drawn or applied as per Option 1, 2 or above, within one month from the date when credited, shall become an interest bearing deposit as per Option 4.

Dividends applied to purchase paid-up insurance additions left on deposit may be used by the insured:

(a) To Shorten the Premium Paying Period of the Insurance in which event the Company will grant a profit-sharing paid-up policy for the face amount hereof when the accumulated dividend deposits and the reserve on this policy and on any paid-up insurance additions hereto, shall equal or exceed the net single premium then required for such a paid-up life policy by the American Experience Table of Mortality, with interest at three per cent. per annum;

(b) To Mature this Policy as an Endowment, in which event the Company will pay the face amount hereof when the accumulated dividend deposits and the reserve on this policy and on any paid-up insurance additions hereto, shall equal or exceed said face amount.

#### POST MORTEM DIVIDEND

### SURPLUS INTEREST PARTICIPATION

Interest payments under the Trust Fund Privilege and Instalment Payments under the Instalment Privilege of this policy shall be increased by such annual dividends from interest earnings as may be apportioned by the Company, commencing with the payment due at the end of one year from the date on which any such privilege may become effective.

**CONSIDERATION.**—This insurance is granted in consideration of the application herefor, a copy of which is attached hereto and made a part hereof, and of the payment in advance of *Three Hundred Eighty-Two and 80-100 Dollars*, being the premium for the first year's insurance under this policy ending on the *second day of June 1915*, which is term insurance. The insurance will be continued thereafter as whole life insurance upon the payment of the annual premium of *Three Hundred Eighty-Two and 80-100 Dollars*, on or before the *second day of June* in every year during the continuance of this policy until premiums for twenty policy years, including the first, have been paid.

### OPTIONS:

**CASH VALUE.**—1. To surrender this policy at the Home Office of the Company for its cash value; or,

**CONTINUED INSURANCE.**—3. To let the insurance for the

amount hereof, plus amount of existing paid-up insurance additions, continue as non-profit-sharing term insurance, reckoned from the due date of the unpaid premium.

If the insured shall not, within the period of grace, surrender this policy at the Home Office of the Company for its cash value as provided in Option 1, or for a paid-up life policy as provided in Option 2, the insurance will be automatically continued as provided in Option 3.

Values will increase annually thereafter, will be furnished on application to the Home Office and will be equal to the entire reserve.

**RESERVE.**—The reserve on this policy shall be computed upon the American Experience Table of Mortality, with interest at three per cent. per annum.

The Company will allow a cash surrender value at any time on any paid-up life or paid-up term insurance.

**REINSTATEMENT.**—If any premium is not paid on the date when due, or within the period of grace, and this policy has not been surrendered, the Company will reinstate the policy as of said due date at any time thereafter, upon evidence of insurability satisfactory to the Company and payment of all arrears of premiums with interest, together with the payment, or reinstatement, of any indebtedness on this policy on said due date, with interest.

**PROFIT-SHARING ENDOWMENT OPTION.**—The insured may mature this policy as a profit-sharing annual dividend endowment by continuing to pay the same annual premium, after the first twenty years, as is provided herein for the said twenty years, and in consideration of such continued payment of premiums, the face amount hereof, together with the amount of any existing paid-up insurance additions shall be payable on the death of the insured, or the Company will pay *Ten Thousand One Hundred Seventy Dollars*, together with the entire reserve on any existing paid-up insurance additions on the second day of June, 1942, if the insured be then living. If the insured avails himself of this privilege the loan and surrender values after the said original premium paying period shall be equal to the full reserve on the endowment policy and a table thereof will be furnished on request.

**PRIVILEGE OF EXCHANGE.**—This policy may be changed while in full force to any other form of policy, in use by the Company at the time this policy is issued, except to a continuous instalment form, on the following conditions:

If the premium rate per \$1,000 of insurance is not thereby diminished, the change may be made without medical examination on the payment of such an amount as may be required by the Company.

If the premium rate per \$1,000 of insurance is thereby diminished, evidence of insurability satisfactory to the Company must be furnished, and an allowance may be made by the Company which shall be applied toward payment of premiums thereafter payable on the new policy, provided at least two years' premiums have been paid hereon.

The new policy shall be written at the same age, bear the same date, and be for an amount not in excess of the face amount hereof, and all parties in interest must join in the request for change and must execute all papers which the Company may require.

**TOTAL AND PERMANENT DISABILITY CLAUSE.**—The Company will pay for the insured the premiums required hereon for every policy year following the date of approval by the Company of proof that the insured has become totally and permanently disabled as hereinafter defined, if such proof is received by the Company before the insured has attained the age of sixty years and if premiums have been duly paid by the insured to the end of the policy year in which such proof is approved. The premiums so paid by the Company will not be an indebtedness hereon, and this policy will continue in full force towards maturity, sharing in the profits of the Company among policies of its class, and with loan, cash and other guaranteed values increasing and progressing from year to year, in like manner as if the premiums were being duly and regularly paid by the insured.

The Company will also pay annually to the insured one-twentieth of the face amount, the first payment to be made one year after approval of proofs as aforesaid, and subsequent payments annually thereafter during the continuance of such disability, upon the written request of the insured and of any assignee and beneficiary, if there be no indebtedness against this policy. If there be any indebtedness hereon the annual instalments shall be reduced in the proportion which the indebtedness bears to the face amount hereof. The amount of each such instalment shall be endorsed on the policy before payment is made by the Company and shall reduce to that extent the amount of insurance in force and in the proportion of such payments to the face amount hereof shall reduce the non-forfeiture and loan values. When the payments so made, together with any indebtedness hereon, shall equal the face amount hereof, plus the amount of any paid-up dividend additions, outstanding dividend deposits and unpaid dividends, the Company's obligations under this policy shall be fully satisfied and discharged.

The Company will allow all premiums falling due more than six months after receipt of proofs of like disability occurring after the insured shall have attained the age of sixty to accumulate without interest as an indebtedness hereon.

The total and permanent disability of the insured may be due either to bodily injuries or to disease, occurring while this policy is in full force, and must be such as to prevent the insured then and at all times thereafter from engaging in any gainful occupation; provided, that at any time after approval by the Company of the aforesaid proof, and from time to time, it may demand of the insured proof of the continuance of such disability and upon failure to furnish such proof, or if it appears that the insured has recovered so as to be able to engage in any gainful occupation, the Company's obligation to pay or accumulate further premiums or to pay further instalments of the sum insured shall cease, and the insured shall be required to pay all premiums becoming due hereon after the date of such recovery.

The irrecoverable loss of the entire sight of both eyes, or the total and permanent loss, by removal or by disease, of the use of both hands, or of both feet, or such loss of the use of one hand

and of one foot, will also be deemed total and permanent disability within the meaning of this provision.

In the event of the total and permanent disability of the insured, neither the Endowment Option nor the Privilege of Exchange will be available.

**CASH LOANS.**—At any time after the first policy year, and while this policy is in full force, the insured can borrow from the Company on the sole security of this policy, properly assigned on the Company's form, any sum within the loan value specified in the adjoined table, from which loan value any indebtedness hereon to the Company and any unpaid premiums for the current policy year will be deducted. Interest, at six per cent. per annum, will be collected out of the amount of the loan to the end of the current policy year and thereafter be payable annually in advance. The tabular loan value will be increased by the value of any paid-up insurance additions.

Loans will in like manner be made on security of a paid-up policy (but not on continued term insurance) for any amount up to the reserve thereon.

Failure to repay any loan granted hereon by the Company, or to pay interest thereon, shall not avoid this policy, unless the total indebtedness hereon to the Company shall equal or exceed the cash value of this policy at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any.

Loan Values for subsequent policy years, being the full end year reserve hereon, will increase annually and will be furnished on application to the Home Office.

**AUTOMATIC PREMIUM LOANS.**—The Company will advance any and all premiums becoming due hereon and remaining unpaid on the last day of the period of grace hereunder, and will charge such premium or premiums as a loan against this policy together with interest at six per cent. per annum in advance to the end of the current policy year, if written request from the insured on the Company's form has been received at the Home Office, while this policy is in full force; provided that the Company will not so advance and charge up a premium, if the amount thereof and interest thereon, as aforesaid, together with any outstanding indebtedness hereon to the Company, shall exceed the cash value of this policy at the end of the period which such premium, if advanced or paid would cover. Interest on any such loan shall, for subsequent policy years, be payable annually in advance at six per cent. per annum. Such advancing and charging up of premiums will be discontinued at any time on receipt at the Home Office of the insured's written request therefor. Premium loans hereon shall be subject to the same terms and conditions as any loan granted hereon by the Company under the cash loan privilege above set forth. While this policy

is thus carried in force, the insured may, without medical examination, resume payment of premium.

**LOAN INSURANCE.**—Any indebtedness to the Company on this policy may be insured. Loan insurance secured for this purpose shall be applied to the cancellation of any such indebtedness should the policy mature as a death claim. Such loan insurance shall take effect only after the insured has furnished evidence of insurability satisfactory to the Company, paid the premiums hereon based upon the rate at the attained age at the date of granting or renewing such insurance in accordance with the following schedule, and has received a certificate of loan insurance from the Company.

#### SCHEDULE OF PREMIUM RATES FOR LOAN INSURANCE.

Attained Age of Insured .....	20-30	31-40	41-50	51-55	56-60
Annual Premium per \$100 of Loan Insurance.	\$0 80	\$0 90	\$1 10	\$1 60	\$2 30

For a period of less than one year the premium shall be at the rate of one-tenth of the annual premium for each month and fraction of a month.

Loan insurance shall expire on each anniversary date of this policy but may be renewed from year to year until the insured has attained age sixty, on furnishing evidence of insurability satisfactory to the Company and on paying the annual premium based on the rate at the insured's then attained age. Any excess of loan insurance over the indebtedness hereon to the Company may be cancelled by the Company and the unearned premium refunded.

**AGE.**—If the age of the insured is misstated, the amount payable under this policy shall be such as the premium paid would have purchased at the correct age of the insured.

**ASSIGNMENT.**—Any assignment of this policy must be made in duplicate and both documents sent to the Home Office, one to be retained by the Company and the other to be returned. The Company assumes no responsibility for the validity of any assignment.

**CHANGE OF BENEFICIARY.**—The insured may at any time, and from time to time, during the continuance of this policy, with the consent of the Company, subject to any assignment of this policy, change the beneficiary or beneficiaries hereunder by filing at the Home Office a written request on the Company's form therefor, duly acknowledged, accompanied by this policy, such change to take effect only upon the endorsement of the same on the policy by the Company, whereupon all rights of the former beneficiary or beneficiaries shall cease. If any beneficiary shall die before the insured, the interest of such beneficiary shall vest in the insured, unless otherwise stipulated herein.

**ENTIRE CONTRACT.**—This policy and the application herefor constitute the entire contract. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it is contained in the written application herefor.

**DIVIDEND DEPOSITS.**—Dividend deposits may remain with the Company at interest while this policy remains in force, becoming payable in cash in any event upon the discontinuance of this policy to the beneficiary if this policy matures as a death claim, otherwise to the insured. Provided, that no premium shall be construed as paid either wholly or in part, nor any insurance hereunder extended or continued in force, by reason of any dividend deposits remaining with the Company.

**GENERAL PROVISIONS.**—This policy is payable at the Home Office of the Company in St. Louis, Missouri, and proof of interest of claimant will be required. Any indebtedness hereon to the Company will be deducted in any settlement of this policy or from

any cash surrender value available hereunder; the amount of paid-up life insurance and the period of continued term insurance, provided in Options 2 and 3 of the non-forfeiture values, will be reduced by the equivalent value of such indebtedness according to the American Experience Table of Mortality and three per cent. interest. In the settlement of this policy as a death claim, any unpaid premiums or unpaid part of a premium for the current policy year in which death occurs shall be considered as an indebtedness hereon to the Company.

Payment of the cash value or the making of a loan (except for the purpose of paying renewal premiums hereon) may be deferred for a period not exceeding ninety days after application shall have been made therefor.

In case of death by self-destruction, sane or insane, within one year from date of issue, the liability of the Company shall be limited to an amount equal to the premiums paid hereon.

Only the President or Secretary has power in behalf of the Company to make or modify this or any contract of insurance, or to extend the time for paying any premium, and the Company shall not be bound by any promise or representation heretofore or hereafter made, unless made in writing by one of said officers.

This policy is issued with the express understanding that the insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred on the insured by this policy.

IN WITNESS WHEREOF, The MISSOURI STATE LIFE INSURANCE COMPANY has, by its President and Secretary, signed this policy this Second day of June, 1916.

#### INSTALMENT PRIVILEGES.

The insured may change the mode of payment of the proceeds of this policy, if the policy is not assigned, from payment in one sum to payment by equal annual instalments of any number from two to twenty-five, or in equal annual instalments for twenty years, certain and to continue so long thereafter as the beneficiary shall live, in accordance with the tables below.

The instalment payments herein provided may be made annually, semi-annually, quarterly or monthly, and if made other than annually, the total of the fractional payments each year shall equal the annual payment as provided herein.

The insured may subsequently change his selection under these instalment privileges; he may also revoke all selections, thereby making this policy again payable in one sum.

No selection, change or revocation shall take effect until endorsed on this policy by the Company; after endorsement, the policy will be returned to the insured.

Payment of the first instalment shall be made immediately upon receipt of due proofs of death of the insured, and subsequent instalments shall be paid annually, semi-annually, quarterly or monthly thereafter as may have been directed. If the beneficiary should die before the total number of instalments certain shall have been paid, the remainder of these instalments will be commuted at the rate of three per cent. per annum and paid in one sum to the beneficiary's estate, unless otherwise directed by the insured. Payment by continuous instalments cannot be selected if there is more than one beneficiary under this policy, or if the beneficiary is a corporation, a firm or the insured's estate.

The beneficiary can neither assign nor commute unpaid instalments, unless such right is given by the insured to the beneficiary when payment in instalments is directed.

#### TRUST FUND PRIVILEGE

By written agreement between the insured and the Company made while this policy is in force and not assigned, the proceeds of this policy as a death claim, if not less than \$1,000, or any part of such proceeds not less than said amount, may be placed in trust with the Company for the purpose of paying the beneficiary a guaranteed income thereon at the rate of not less than three per cent per annum until the termination of the trust, or until the death of the beneficiary, whereupon the amount thus placed in trust may be withdrawn by the beneficiary, if living, or, if not living, by the beneficiary's executors, administrators or assigns. The first payment of income shall be made one year after receipt of due proof of the death of the insured, and subsequent payments shall be made annually thereafter. The insured may subsequently revoke the trust, thereby making this policy again payable as provided on the first page hereof. The beneficiary cannot withdraw the amount placed in trust, unless such right is given by the insured to the beneficiary upon creation of the trust.

#### DIVIDENDS ON INSTALMENT BENEFITS AND TRUST FUND PRIVILEGE

Each instalment certain, except the first, and each payment of interest under the above privileges will be increased by such annual dividend from the interest earnings as may be apportioned by the Company.

#### NON-FORFEITURE PROVISIONS.

At the end of any Policy year during the whole of which this Policy shall have been in force, or within one month from default in premium payments, the owner shall have the following options:

1. To surrender the Policy to the Company at its office in Newark, New Jersey, for its Cash Surrender Value.

2. To surrender the Policy to the Company at its office in Newark, New Jersey, for a Non-participating Paid-up Policy payable at the time this Policy would be payable if continued in force.

3. If the Policy be not surrendered as above, the insurance will be Automatically Extended from date of default in premium payments, without any action by the owner of the Policy and without participation in surplus, for a sum equal to the amount of the Policy and existing Dividend Additions, if any, less any indebtedness to the Company hereon.

The Cash Surrender Value will be equal to the entire Net Reserve on this Policy by the American Experience Mortality and interest at three per centum yearly, less any indebtedness to the Company hereon and less a sum equal to one per centum of the amount of this Policy and existing Dividend Additions, if any, up to and including the fifth Policy year, after which the said percentage will be reduced each year one-tenth per centum of the amount insured. If there be no indebtedness the Cash Surrender Value will be as shown in the following table.

The amount of the Paid-up Policy or the term of the Extended Insurance, will be such as the amount of the Cash Surrender Value will purchase at Net Single Premium rates, according to the attained age of the Insured, by the American Experience Mortality and interest at three per centum yearly, and if there be no indebtedness, will be as shown in the following table. The Paid-up Policy or the Extended Insurance will be entitled to Cash Surrender Values equal to the reserve thereon at time of surrender, computed upon the basis hereinbefore mentioned, less any indebtedness to the Company thereon.

Except as provided in this Policy any default in premium payments will immediately render the Policy null and void.

GRACE AND REINSTATEMENT.—In event of default in premium payments, the arrears may be paid within one month (of not less than thirty days), or, if not so paid and the Insured shall die within the said month, this Policy will be regarded as being then in force, and the arrears will be deducted in the settlement hereof; Or, if requested by the Insured prior to or within the said month, the arrears will be charged as an indebtedness against this Policy, bearing interest at a rate not exceeding six per centum per annum, provided the entire indebtedness then outstanding shall be within the limit secured by the Cash Surrender Value; Or this Policy may be reinstated at any time after the said month, upon evidence of insurability satisfactory to the Company and payment of all arrears with interest thereon at not to exceed six per centum per annum: Provided, in any case, the Policy has not been surrendered to the Company.

**LOANS.**—At any time while this Policy is in force the Company will loan on the sole security thereof up to the limit secured by the Cash Surrender Value, upon receipt of the Policy and a Certificate of Loan satisfactory to the Company. The loan will bear interest at the rate of six per centum per annum and may be paid off at any time while the Policy is in force. If interest be not paid when due, it shall be added to the principal, provided the entire indebtedness then outstanding shall be within the limit secured by the Cash Surrender Value; otherwise non-payment of interest shall render the Policy null and void after one month's notice shall have been mailed to the last known address of the Insured and Assignee, if any.

This Policy and the application on which it is based (a copy of which is appended hereto) constitute the entire contract between the parties. All statements made by the Insured will, in the absence of fraud, be deemed representations and not warranties. No such statement will avoid or be used in defense to a claim under this Policy unless it is contained in the written application and a copy thereof be attached hereto when issued.

### SPECIAL PRIVILEGES.

If not assigned, this Policy may be returned to the Company at its office in Newark, New Jersey, with the Insured's written request for the appropriate indorsement of the Policy by the Company:

1. To have the Beneficiary changed. This change may be made at any time and from time to time while the Policy is in force, or within one month from default in premium payments.

2. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity retained by the Company until the death of the Beneficiary, the Company in the meantime to pay the Beneficiary interest on the amount so retained at the rate of three per centum per annum, the first

interest payment to be made one year after the maturity of this Policy, and the last interest payment to be a pro rata one for the expired fraction of the year in which the Beneficiary dies. At any interest date, the Beneficiary may withdraw the amount retained by the Company, in which case the interest payments will cease.

3. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity paid in a specified number (not exceeding thirty) of equal annual instalments, as shown by the accompanying table, the first instalment being payable immediately.

4. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity paid in equal annual instalments continuing during the lifetime of the Beneficiary, as shown by the accompanying table, the first instalment being payable immediately.

When either of the instalments payable under Privilege No. 3, or of the instalments certainly payable under Privilege No. 4, shall fall due, the Company, if requested, will pay the then Present or Commuted Value of such instalments computed at three per centum interest compounded annually, as shown by the accompanying table. The commutation of a part or the whole of the instalments certainly payable under Privilege No. 4 will not affect the amounts payable thereunder after the term during which the instalments certain would have been payable.

The right of withdrawal under Privilege No. 2, or of commutation under Privileges Nos. 3 and 4, will be withheld from the Beneficiary if the Insured shall so direct.

If the Policy be not assigned the Insured may revoke the request to have settlement made in accordance with Privilege No. 2, or No. 3, or No. 4.

Unless otherwise directed by the Insured, the Company at the maturity of this Policy will extend to the Beneficiary Privilege No. 2, or No. 3, or No. 4.

#### DIVIDENDS.

Upon payment of the second year's premium, and at the end of the second and of each subsequent Policy year, this Policy while in force will be credited with such Dividends as may be apportioned by the Directors, and such Annual Dividends will include the portion of the divisible surplus accruing thereon. Dividends thus credited will be paid in cash, or, at the option of the Insured, will be applied either in reduction of premiums, or upon the Addition or Accelerative Endowment Plan; but if Dividends have been applied upon the Addition Plan, subsequent Dividends cannot be applied upon the Accelerative Endowment plan, or vice versa. If settlement of this Policy be made in accordance with Privilege No. 2, or No. 3, or No. 4, the stipulated payments under Privilege No. 2 or No. 3, or the instalments certainly payable under Privilege No. 4, will be increased by such Annual Dividends as may be apportioned by the Directors, but such Dividends will be payable only in cash.

Under the Addition plan Dividends are applied to the purchase of additional participating insurance (herein referred to as Dividend Additions) payable with the Policy, such insurance being purchased at the Company's rates therefor published and in force at this date. This Policy may be converted into a Fully Paid-up Participating Policy payable at the same time as this Policy, subject to any outstanding indebtedness on this Policy, whenever the Reserve on such Additional Insurance, together with the Reserve on the original Policy, computed on the basis hereinbefore mentioned, shall equal the Net Single Premium therefor, computed on the same basis.

Under the Accelerative Endowment plan Dividends are applied to the conversion of the Policy into an Endowment payable at a specified and gradually diminishing age; or, if preferred, into a fully Paid-up Participating Policy payable at the same time that this Policy is payable according to its terms.

20 PAYMENT LIFE ANNUAL DIVIDEND POLICY WITH  
WAIVER OF PREMIUM BENEFIT.

No. 99,999.

AGE 35.

AMOUNT \$10,000.

ANNUAL PREMIUM \$385.80.

THE MUTUAL LIFE INSURANCE COMPANY  
OF NEW YORK.

In Consideration of the annual premium of *Three Hundred Eighty-Five and 80/100* Dollars, the receipt of which is hereby acknowledged, and of the payment of a like amount upon each first day of *March* hereafter until twenty full years' premiums shall have been paid or until the prior death of the Insured, promises to pay at the Home Office of the Company in the City of New York upon receipt at said Home Office of due proof of the death of *John Doe* of *New York*, County of *New York*, State of *New York*, herein called the Insured, *Ten Thousand* Dollars, less any indebtedness hereon to the Company and any unpaid portion of the premium for the then current policy-year, upon surrender of this Policy properly receipted, to *Mary Doe, his wife*, beneficiary, with right to the Insured to change the beneficiary.

DEATH OF BENEFICIARY BEFORE INSURED: CHANGE OF BENEFICIARY.—If any beneficiary die before the Insured, the interest of such beneficiary shall vest in the Insured, unless otherwise provided herein.

If the interest of a beneficiary shall have vested in the Insured, and if the right to change the beneficiary has been reserved, the Insured, if there be no existing assignment of this Policy, may, from time to time, while this Policy is in force, designate a new beneficiary, with or without reserving the right to change the beneficiary, by filing written notice thereof at the Home Office of the Company accompanied by this Policy for suitable endorsement hereon. Such change shall take effect upon the endorsement of the same on the Policy by the Company.

PREMIUMS.—All premiums are payable in advance at said Home Office or to any agent of the Company upon delivery, on or before date due, of a receipt signed by either the President, Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company and countersigned by said agent.

A grace of thirty-one days, subject to an interest charge at the rate of five per centum per annum, shall be granted for the payment of every premium after the first, during which time the insurance shall continue in force. If death occur within the period of grace, the overdue premium and any other unpaid portion of the premium for the then current policy-year shall be deducted from the amount payable hereunder.

Except as herein provided the payment of a premium or instalment thereof shall not maintain this Policy in force beyond the date when the next premium or instalment of premium is payable. If any premium or instalment thereof be not paid before the end of the period of grace, then this Policy shall immediately cease and become void, and all premiums previously paid shall be forfeited to the Company except as hereinafter provided.

PARTICIPATION: ANNUAL DIVIDENDS.—This Policy shall participate in the surplus of the Company and the proportion of the surplus accruing hereon shall be ascertained and distributed annually on the anniversary of its date of issue. At the option of the Insured such dividends shall be either—

- (1) Paid in cash; or,

(2) Applied toward the payment of any premium or premiums; or,

(3) Applied to the purchase of paid-up participating additions to the Policy; or,

(4) Left to accumulate to the credit of the Policy with interest at the rate of three per centum per annum compounded annually and payable at the maturity of the Policy, but withdrawable on any anniversary of the Policy (hereinafter referred to as "dividend deposits").

Unless the Insured shall elect otherwise within three months after mailing by the Company of a written notice requiring the election of one of the four above options, the dividends shall be applied to the purchase of paid-up additions, as per option (3). Such paid-up additions may be surrendered at any time for a cash value which shall not be less than the original cash dividends as per option (1), provided the reserve for such paid-up addition has not been applied to purchase extended insurance or paid-up insurance in accordance with the provisions of the clause entitled "Options on Surrender or Lapse."

**POST-MORTEM DIVIDEND.**—On the death of the Insured, a cash dividend will be credited to this Policy for the fraction, if any, of the then current policy-year elapsing before such death.

**PRIVILEGE OF CHANGE TO OTHER FORMS OF POLICY.**—Provided no premium is in default, and provided the Insured is then less than 55 years of age, this Policy may be exchanged for any form of premium-paying Policy, without Waiver of Premium benefit, issue by the Company at the date of this Policy upon either a Limited Payment Life plan or an Endowment plan, with premiums payable in either case for a number of years not greater than under this Policy. No medical re-examination will be required, and the new Policy shall be for the same amount as this Policy, shall bear the same number and date, shall be written as of the same age of the Insured as this Policy, and shall be at the rate of premium in force for such new Policy at the date of this Policy. Such exchange shall be made upon the written request of the Insured or beneficiary or assignee, if any, and upon the surrender of this Policy, and upon the payment of a sum equal to the differences between the premiums paid hereon (exclusive of premiums paid for Waiver of Premium benefit) and the premiums which would have been paid upon the Policy had it originally been upon the new plan, with interest on such differences as from the various due dates at the rate of six per centum per annum compounded annually. Allowance will be made for any increased dividends on the new plan.

#### CONDITIONS.

**RESIDENCE AND TRAVEL.**—This Policy is free from any restriction as to residence and travel.

**OCCUPATION.**—If, within the period of one year after the date of issue of this Policy, the Insured shall engage in military or naval service in time of war or in any work as a civilian in a capacity whatever in connection with actual warfare, and shall within one year from the date of beginning such service or work the Company's liability hereunder shall be limited to one-fifth the face amount of the Policy, unless, prior to the date of beginning such service or work, a single extra payment of three per centum of the face amount of the Policy shall have been made to the Company.

This Policy (with the exception of the Waiver of Premium benefit) is free from any restriction as to military or naval service as well as all other occupations of the Insured, after one year from its date of issue, as set forth in the provisions of the application endorsed hereon or attached hereto.

**SUICIDE.**—The Company shall not be liable hereunder in the event of the Insured's death by his own act, whether sane or insane, during the period of one year after the date of issue of the Policy, as set forth in the provisions of the application endorsed hereon or attached hereto.

**INCONTESTABILITY.**—This Policy shall be incontestable, except for non-payment of premiums, provided two years shall have elapsed from its date of issue.

This Policy and the application herefor, copy of which is endorsed hereon or attached hereto, constitute the entire contract between the parties hereto. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement of the Insured shall avoid or be used in defense to a claim under this Policy unless contained in the written application herefor and a copy of the application is endorsed on or attached to this Policy when issued.

If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid hereon would have purchased at the correct age.

**ASSIGNMENT.**—The Company shall not be charged with notice of any assignment of any interest in this Policy until the original assignment or a certified copy thereof has been filed at its said Home Office. The Company assumes no responsibility as to the validity or effect of any assignment.

**REINSTATEMENT.**—Unless it shall have been surrendered for its cash value, this Policy may be reinstated at any time within three years from date of default in payment of any premium, upon evidence of insurability satisfactory to the Company and upon payment of the arrears of premium with interest thereon at the rate of five per centum per annum, and at the option of the Insured, either (a) upon payment in cash to the Company of any indebtedness which existed at said date of default together with interest thereon at the rate of six per centum per annum, compounded annually, or (b) upon reinstatement of such indebtedness increased by the amount of interest thereon at the rate of six per centum per annum, compounded annually, provided such reinstated increased indebtedness does not exceed the loan value at the date to which reinstatement is made.

**RESERVE AND NET SINGLE PREMIUMS.**—The reserve held for the face of this Policy and for any dividend additions hereto and the reserves and the net single premiums mentioned herein shall be computed in accordance with the American Experience Table of Mortality assuming interest at the rate of three per centum per annum.

**PAID-UP AND ENDOWMENT OPTIONS.**—If at any time the reserve held herefor shall be equal to the net single premium at the attained age of the Insured, for an amount of Life or Endowment insurance equal to or greater than the face amount of this Policy, the Company, upon the written request of the Insured and upon delivery of the Policy, will endorse the Policy as fully paid-up participating Life or Endowment insurance, as the case may be, for such amount as said reserve will then purchase when applied as a net single premium; such paid-up insurance shall be subject to any then existing indebtedness to the Company hereon. Or if said reserve shall equal or exceed the face amount of this Policy, the Company, upon legal surrender hereof, will pay in cash such reserve, less any indebtedness hereon to the Company.

**OPTIONS ON SURRENDER OR LAPSE.**—After three full years' premiums shall have been paid the owner, not later than three months after any default in payment of premium, may elect one of the following options:

(a) to surrender this Policy for its cash value less any indebtedness to the Company hereon (this balance is hereinafter referred to as the net cash value); or,

(b) to have the insurance continued in force from the date of such default as non-participating term insurance, for an amount equal to the face amount of this Policy, and any outstanding dividend additions less any indebtedness to the Company hereon; or,

(c) to surrender this Policy for non-participating paid-up life insurance payable at the same time and on the same conditions as this Policy.

The cash value under option (a) will be the reserve for the face amount of this Policy and for any dividend additions hereto at the date of default (or at the date of surrender if all premiums provided for by the terms of the Policy shall have been duly paid) less a surrender charge which, in no case, shall be more than one and one-half per centum of the face amount insured by this Policy: after premiums have been paid for ten full years or more there shall be no surrender charge.

The term for which the insurance will be continued under option (b), or the amount of the paid-up life insurance obtainable under option (c), will be such as the net cash value obtainable under option (a) will purchase at the attained age of the Insured at date of default when applied as a net single premium.

In the event of default in payment of premium, if this Policy shall not, within three months after such default have been surrendered to the Company at its Home Office for its cash value as provided in option (a), or for paid-up insurance as provided in option (c), the insurance will be automatically continued as provided in option (b).

**LOANS.**—At any time after three full years' premiums have been paid and before any default in the payment of premium and while this Policy is in force, the Company will advance, on proper assignment and delivery of this Policy and on the sole security hereof, an amount which, with interest thereon to the end of the current policy-year, shall be equal to, or at the option of the owner less than, the cash value at the end of said year: any existing loan hereon with accrued interest, and any unpaid portion of said current policy-year's premium shall be paid out of such advance. Interest on the loan shall be at the rate of six per centum per annum and shall be payable at the end of each policy-year, and this interest, if not paid when due, shall be added to the existing loan and shall bear interest at the same rate. The loan with accrued interest may be repaid to the Company at any time. Failure to repay any such advance or to pay interest shall not avoid this Policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the Insured and of the Assignee of record, if any, at the Home Office of the Company; but if, at any time, such indebtedness, together with accrued interest thereon, shall equal or exceed the then cash value of the Policy, the Policy shall become void one month after notice shall have been mailed by the Company to said last known addresses. (If a loan is desired before three full years' premiums have been paid, the unpaid balance of the three full years' premiums may be paid by deduction from the loan when made if the amount which can be loaned is sufficient.)

#### TABLE OF SURRENDER AND LOAN VALUES.

The values hereunder (computed in accordance with the above provisions and upon the assumption that premiums have been paid in full for the number of years the "Policy has been in force") apply to a Policy for \$1,000. As this Policy is for \$10,000, the values *i. e.* the cash, loan, or paid-up life insurance, will be *ten times* the amounts stated in the table; the term, *i. e.* the continued insurance, will be for the period stated irrespective of the amount of the Policy.

If there be any dividend additions to the credit of the Policy, or if premiums have been paid for any part of a year beyond the last preceding anniversary, the values and, in certain cases, the term will be increased; if there be any indebtedness on the Policy, the values and the term will be decreased; any dividend deposits will also be payable in cash; the figures contained in the table represent the actual amounts available after deduction of the surrender charge, if any, but assuming no dividend additions or indebtedness.

Values for later years will be computed upon the above stated basis and will be furnished upon request.

\*The cash value provided for in the above table for the end of a policy-year, less interest thereon at the rate of six per centum per annum to the end of such policy-year, can be obtained during such policy-year provided all premiums due prior to the end of such policy-year shall have been duly paid.

\*\*The loan value provided for in the above table for the end of a policy-year can be obtained (less interest) during such policy-year as explained in the above clause entitled "Loans."

**MODES OF SETTLEMENT.**—If election be made as hereinafter provided, the net sum payable under this Policy at death of the Insured, provided such net sum be not less than \$1,000, will be settled in one of the following methods in lieu of being then paid in one sum to the person then entitled thereto, hereinafter referred to as the payee:

(1) By the payment of interest at the rate of three per centum per annum on said net sum, payable at the end of each year during the lifetime of the payee, and by the payment upon the death of the payee of the said net sum together with any accrued interest for the year then current; or,

(2) By the payment of equal annual instalments for a specified number of years, whether the payee lives or dies, the first instalment being payable immediately, in accordance with the following table for each one thousand dollars of said net sum; or,

(3) By the payment (a) of twenty equal annual instalments certain, whether the payee lives or dies, the first annual instalment being payable immediately, and the twentieth annual instalment being payable nineteen years later, and (b) of annual instalments of a like amount thereafter throughout the remaining lifetime of said payee, the first of such annual instalments being payable one year after the twentieth annual instalment certain, provided said payee be then alive, the payments terminating with the last annual instalment preceding the death of said payee, in accord-

ance with the following table for each one thousand dollars of said net sum.

Unless otherwise specified in making the election of one of the above modes of settlement the amount payable upon the death of the payee under mode of settlement (1), or any instalments payable after the death of the payee under mode of settlement (2), or any of the twenty equal annual instalments certain which may be payable after the death of the payee under mode of settlement (3), shall be payable to the payee's executors or administrators.

The election of any of the foregoing modes of settlement may be made by the Insured and the beneficiary jointly; or, if the right to change the beneficiary has been reserved, by the Insured alone; or, after the death of the Insured, if no prior election shall have been made, by the payee. If the Policy be assigned, the assignee must join in any election. Such election shall be made by sending to the Company at its Home Office written notice thereof together with the Policy for suitable endorsement thereon. This Policy, upon its maturity, if such election shall have been made, shall be surrendered to the Company and a supplementary contract shall be issued for the mode of settlement elected, and the date of such contract shall be the date of receipt at said Home Office of completed proofs of death.

If the net sum payable under the Policy be payable to two or more persons, modes of settlement (1) and (3) are available only if each such person be entitled to receive a separate share of said net sum, in which case each such share shall be settled by the issuance of a separate supplementary contract.

The above modes of settlement (1) and (3) are not available if the payee be a corporation, a partnership or an association.

If so specified in the written notice making election of one of the foregoing modes of settlement, but not otherwise, the supplementary contract may at any time be surrendered to the Company and the Company will pay for the legal surrender thereof, (a) where mode of settlement (1) has been elected, the said net sum together with interest thereon to date of surrender at the rate of three per centum per annum for the fractional part of a year, if any, for which interest shall not have already been paid, (b) where mode of settlement (2) or (3) has been elected, the commuted or then present value computed at three per centum interest, compounded annually, of the then future payments certain of the amounts hereinbefore mentioned; but no such surrender and commutation will be made under mode of settlement (3) except after the death of the payee occurring before all of said twenty annual instalments certain shall have become payable. A payee who has not the right to surrender the supplementary contract to the Company shall not have the right to assign or encumber such contract or any part thereof or any instalment accruing thereon.

Such supplementary contract shall participate annually in the excess of interest earnings over three per centum per annum, at the same excess rate each year as is used in the dividend calculations of that year in the case of policies issued in the same year as this Policy, but if settlement be made under mode of settlement (3), only that part of the supplementary contract providing for instalments for the fixed period of twenty years shall participate. Any excess interest shall be paid annually on the anniversary of the date of issue of the supplementary contract and, where the instalments under mode of settlement (2) or (3) are payable fractionally throughout the year as hereinafter provided, such excess interest shall be calculated on the assumption that the instalments are paid annually at the commencement of each supplementary contract year.

#### TABLE OF ANNUAL INSTALMENTS FOR EACH \$1,000.

If so requested in writing when making the election, these instalments will be paid in equal fractional parts, semi-annually, quarterly, or monthly, the total of the fractional payments each year being equal to the annual payment provided for by this table.

**WAIVER OF PREMIUM IN THE EVENT OF PERMANENT TOTAL DISABILITY.**—If the Insured, after payment of premiums for at least one full year, and before default in the payment of any subsequent premium, and before attaining the age of 60 years, and while this Policy is in full force, shall furnish due proof to the Company, at its Home Office, that he has become wholly and permanently disabled by bodily injury or disease, so that he is, and will be, permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, and that such disability has then existed continuously for not less than sixty days, the Company will waive payment of each premium as it thereafter becomes due during the continuance of such disability. In making any settlement under this Policy the Company shall not deduct any part of the premium so waived, and the cash surrender and the loan values provided for in the paragraphs entitled "Options on Surrender or Lapse" and "Loans" and in the "Table of Surrender and Loan Values" shall increase from year to year in the same manner as if the premiums so waived had been paid in cash to the Company regularly when due. Provided that, notwithstanding proof of disability may have been

accepted by the Company as satisfactory, the Insured shall at any time thereafter, and from time to time, but not oftener than once a year, on demand, furnish to the Company due proof of the continuance of such disability, and if the Insured fail to furnish such proof, or if it shall appear to the Company that the Insured is able to perform any work or to follow any occupation whatsoever for compensation, gain, or profit, no further premiums shall be waived.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision, and the Company upon due proof of such loss or severance, will waive the payment of each premium as it thereafter becomes due under the Policy.

The foregoing provisions for waiver of premium shall immediately terminate either, (a) if written request of the Insured therefor is received at the Home Office of the Company together with the Policy for endorsement, or, (b) if the Insured shall, voluntarily or involuntarily, engage in military or naval service in time of war or in any work as a civilian in any capacity whatever in connection with actual warfare.

The additional annual premium of \$2.40, in consideration of which this benefit is granted, is payable for 20 full years or until the prior termination of this benefit. The premium stated on the face of the Policy includes such additional premium, and the premium payable, if any, after the "Waiver of Premium" benefit terminates will be reduced by the amount of such additional premium.

NOTICE.—No agent or other person except the President, Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company has power on behalf of the Company to make, modify or discharge this or any contract of insurance, to extend the time for paying a premium, to waive any lapse or forfeiture, or any of the Company's rights or requirements or to bind the Company by making any promise respecting any benefits hereunder or by accepting any representation or information not contained in the written application for this Policy.

In Witness Whereof, the Company has caused this Policy to be executed this *first* day of *March*, 1916.

#### APPLICATION.

THIS APPLICATION is made to THE MUTUAL LIFE INSURANCE COMPANY OF NEW YORK. All the following statements and answers, and all those that I make to the Company's Medical Examiner, in continuation of this application, are true, and are offered to the Company as an inducement to issue the proposed policy. I expressly waive, on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, all provisions of law forbidding any physician or other person who has attended or examined me, or who may hereafter attend or examine me, from disclosing any knowledge or information which he thereby acquired. The proposed policy shall not take effect unless and until the first premium shall have been paid during my continuance in good health, and unless also the policy shall have been delivered to and received by me during my continuance in good health; except in case a conditional receipt shall have been issued as hereinafter provided:

7. I do not contemplate any change of occupation, or becoming connected with any military or naval organization or service or going to any foreign or tropical countries except: (if none, so state).

8. Are you connected with any military or naval organization or service, officially or otherwise? (Ans. Yes or No.)

It is understood and agreed that, during the period of one year following the date of issue of the Policy of Insurance for which application is hereby made, (a) the risk of death will not be covered by the Policy if such death occur by my own act, whether sane or insane, (b) I will not engage in any of the following extra-hazardous occupations or employments: retailing intoxicating liquors, handling electric wires or dynamos, blasting, mining, submarine labor, aeronautic ascensions, the manufacture of highly explosive substances, service upon any railroad train or track or in switching or in coupling cars, or on any steam or other vessel, unless written permission is expressly granted by the Company, and (c) if, during said year, I shall engage in military or naval service in time of war or in any work as a civilian in any capacity whatever in connection with actual warfare, and shall die within one year from the date of beginning such service or work, the Company's liability shall be limited to one-fifth of the face amount of the Policy unless, prior to beginning such service or work, payment shall have been made to the Company of a sum equal to three per centum of the face amount of the Policy (or of the present value of the amounts payable after death if the insurance is not payable in one sum). I agree that no agent or other person except the President, Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company has power on behalf of the Company to make, modify or discharge any contract of insurance, to extend the time for paying a premium, to waive any lapse or forfeiture or any of the Company's rights or requirements, or to bind the Company by making any promise respecting any benefits under any Policy issued hereunder or by accepting any representation or information not contained in this application.

NATIONAL LIFE INSURANCE COMPANY  
OF THE UNITED STATES OF AMERICA,  
Chicago, Ill.

**Hereby Agrees to Pay Ten Thousand Dollars to Mary Doe (wife of the Insured) if living, if not living, to the Insured's Executors, Administrators or Assigns, or to any other Beneficiary designated by the Insured as hereinafter provided, at the Home Office of the Company in the City of Chicago, Illinois, less any indebtedness to the Company hereon and any unpaid portion of the current year's premium, upon receipt of due proof of the death of John Doe, the Insured hereunder, during the continuance of this Contract, as hereinafter provided.**

**ENDOWMENT PROVISION.**—If the Insured be living and all premiums shall have been duly paid, this Policy will mature for its face amount and become payable as an endowment to the Insured or legal holder hereof, at the end of the policy year falling nearest to age 85 of the Insured, which date is the end of the endowment period of this Policy; and this contract shall thereupon cease and determine.

**CHANGE OF BENEFICIARY.**—The Insured shall have the right, at any time when this Policy is in force and not assigned, to change the Beneficiary or Beneficiaries, in accordance with the rules of the Company, by filing with the Company a written request for the change desired and presenting the Policy for endorsement, such change to take effect upon endorsement of the same upon the Policy by the Company.

The Total and Permanent Disability Benefit Provision attached hereto is hereby expressly referred to and made a part of this contract.

**BENEFITS, PRIVILEGES AND PROVISIONS**

**INCONTESTABILITY.**—This Policy shall be incontestable after one year from its date, except for non-payment of premium, and except for violation of its conditions in regard to military or naval service in time of war. If, however, the age of the Insured has been misstated, the amount payable under this Policy, either within or after the contestable period, shall be such amount of insurance as the premium paid would have purchased at the rate for the correct age of the Insured. Age will be admitted on satisfactory proof.

The Insured may serve in the militia in time of peace, or for the purpose of preserving order in case of riot; but in time of war, before engaging in hostilities, a written permit must be obtained from the Company. On written request and payment of the extra premium charged therefor, a permit will be granted for military or naval service in time of war. In case of the death of the Insured from service in war, without such permit, the liability of the Company shall be limited to the reserve hereon.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of one month (not less than thirty days), without interest, will be allowed in the payment of each premium after the first, during which month the

insurance will continue in force; and if the Insured shall die within the month of grace, the unpaid premium for the current policy year will be deducted from the amount payable under this Policy.

**REINSTATEMENT.**—This Policy, if not previously surrendered to the Company, will be reinstated at any time after date of default in payment of premium, upon written application therefor accompanied by proof of insurability satisfactory to the Company, and upon the payment of premiums to date of reinstatement, with interest at the rate of six per cent per annum, and payment or reinstatement, with interest at contract rate, of any indebtedness existing at the date of such default.

**CASH LOANS.**—At any time while this Policy is in force under its original premium paying condition, the Company will advance on proper assignment of the Policy and on the sole security thereof any sum not exceeding the cash surrender value of the Policy at the end of the current policy year, less any outstanding indebtedness on or secured by the Policy and any unpaid balance of the premium for the current policy year. Interest on any such loan, will be at the rate of six per cent per annum and will be payable in advance to the end of the current policy year and annually in advance thereafter. Failure to repay any such advance or loan or to pay interest, shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month (not less than thirty days) after notice shall have been mailed by the Company to the last known address of the Insured and of the assignee, if any. The Company shall have the right to defer the making of any loan available under this Policy (unless such loan is for the purpose of paying renewal premiums on policies of this Company) for a period not exceeding ninety days from receipt of written application for loan.

#### NON-FORFEITURE PROVISIONS

**VALUES UPON SURRENDER OR LAPSE.**—After premiums shall have been paid hereon for three full years, in case of default in premium payments, the Insured or the legal holder hereof shall be entitled:

**CASH SURRENDER VALUE.**—To receive the Cash Surrender Value of this Policy, upon legal surrender thereof to the Company at its Home Office within two months after date of default. Payment of cash value may be deferred by the Company for not to exceed ninety days from receipt of written application therefor by the Company; or,

**PAID-UP INSURANCE.**—Upon written application and legal surrender of this Policy to the Company at its Home Office, within two months after default, to have this Policy reissued by endorsement as a Paid-Up Non-Participating Policy payable at the same time and on the same conditions as this Policy, for such amount as the Cash Surrender Value of this Policy, less any indebtedness thereon, will purchase, applied as a net single premium at the attained age of the Insured, according to the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum; or,

**EXTENDED INSURANCE.**—To have the Policy automatically extended in force from date of default, without the right to loans, for its face amount less any indebtedness thereon, for the number of years and complete months which the Cash Surrender Value of this Policy at date of default, less any indebtedness thereon, will purchase, applied as a net single premium at the attained age of Insured, according to the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum. If the sum applicable to purchase extended insurance be more than sufficient to extend the insurance to the end of the endowment period of the Policy, then the balance will be applied to the purchase of a non-participating pure endowment payable to the Insured or the legal holder hereof, at the end of the endowment period, on which date the insurance shall cease.

The Cash Surrender Values of this Policy, as set forth in the following table, are the full reserve thereon, according to the American Experience Table of Mortality with interest at the rate of three and one-half per cent. per annum.

The figures in the following table are computed in accordance with the foregoing provisions and upon the assumption that there is no indebtedness on the Policy. They are stated for completed insurance years only, and in case of default in payment of premium due at an intermediate period, the non-forfeiture values will be computed on the same basis as the corresponding values for the end of the policy year last expired, and subject to the same conditions.

Loan and Surrender Values of this Policy for years after the twentieth year, are equivalent to the full reserve, and will be furnished on request.

This Policy, together with the application therefor, a copy of which is hereto attached and made a part hereof, shall constitute the entire contract between the parties hereto.

All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties; and no such statement shall avoid this Policy unless it is contained in the written application therefor, a copy of which application is attached hereto.

Agents are not authorized to alter or modify this Policy of Insurance, or to extend the time for the payment of any premium.

This Policy is not entitled to participate in the profits or divisible surplus of the Company.

The Company, upon request, will furnish blanks for proof of death under this Policy. Proof of death must be furnished to the Company at its Home Office in Chicago, Illinois.

All premiums are payable at the Home Office, but will be accepted elsewhere if paid to an agent in exchange for a receipt, signed by the President, Vice-President, Secretary or Actuary and countersigned by the agent designated thereon. This insurance is granted upon condition that all premiums be promptly paid when due, and failure to pay any premium, or any part thereof, when due, shall forfeit and cancel this contract and terminate all obligations of the Company under this Policy, except as herein otherwise pro-

vided. No act or series of acts upon the part of the Company in sending premium notices and accepting premium payments after maturity shall constitute or evidence a waiver of the provisions of this paragraph.

The insurance under this Policy is based upon annual premiums, payable in advance, but premiums may be paid in semi-annual or quarterly installments, in advance, at the option of the Insured, as follows: \$162.33 semi-annually, carrying the insurance for six months; or \$52.63 quarterly, carrying the insurance for three months; with one month of grace on each premium after the first as elsewhere provided herein.

Any assignment of this Policy must be acknowledged and made in duplicate, and both copies must be sent to the Home Office, one of which will be returned with endorsement. The Company will not assume responsibility for the validity of any assignment, and any claim arising under an assignment will be subject to satisfactory proof of insurable interest. Forms for assignment will be furnished by the Company.

The Reserve Values on this Policy are computed according to the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum.

#### INSTALLMENT OPTIONS

This Policy is issued payable in one sum on the death of the Insured, but the Insured may at any time, upon written consent of the assignee or irrevocable beneficiary, if any, change the manner of such payment from one sum to such number of limited installments as the Insured may elect, as provided in the following Table of Limited Installments, by giving written notice to the Company at its Home Office in Chicago, Illinois, accompanied by this Policy for endorsement. The Insured may at any time during his lifetime in like manner direct that the beneficiary shall have the right, when any installment becomes due, to commute and receive in one sum the then present cash value of all unpaid installments, computed on the basis of interest at the rate of three and one-half per cent. per annum. The beneficiary, without such direction, shall not have such right.

In like manner, the Insured may, if there is but one beneficiary under the Policy, direct that the proceeds of the Policy shall become payable in continuous installments during the lifetime of the beneficiary; the amount of each installment, according to the age at last birthday of the beneficiary, at date of death of the Insured, being indicated in the following Table of Continuous Installments.

In like manner, the Insured may at any time subsequently change any selection of Installment Benefits; or revoke any selection, thereby making this Policy again payable in one sum.

In the event of the death of the beneficiary after the maturity of this Policy and before the payment of the total number of installments payable hereunder, the executor or administrator of such beneficiary shall have the right to commute into one cash payment the then present value of the unpaid installments, computed on the basis of interest at the rate of three and one-half per cent. per annum.

The first installment under this Contract shall be due immediately upon receipt of due proof of the death of the Insured, and subsequent installments shall be paid annually thereafter, upon each succeeding anniversary of the first payment, until all installments due shall have been paid.

The following tables are based upon \$1,000.00 of insurance, and will apply *pro rata* to the amount payable under this Policy, in event of the death of the Insured while this Policy is in force. If, however, the amount due is less than \$1,000.00, it shall be paid in one sum and not in installments.

This insurance is granted in consideration of the payment in advance of a premium of *Three Hundred Twelve Dollars and Thirty Cents* (which may, however, be paid in semi-annual or quarterly installments, as elsewhere provided herein), for one year's term insurance, terminating on the *First* day of *March*, 1917, and the minimum reserve, if any, required by law, and in further consideration of the payment of an annual renewal premium of *Three Hundred Twelve Dollars and Thirty Cents* on or before the *First* day of each *March* thereafter during the continuance of this Contract, or until renewal premiums for *nineteen* complete years shall have been paid.

In Witness Whereof, the NATIONAL LIFE INSURANCE COMPANY OF THE UNITED STATES OF AMERICA has caused this Agreement to be signed by its President and Secretary at Chicago, Illinois, this *First* day of *March* in the year Nineteen Hundred and *Sixteen*.

Provision for  
Total and Permanent Disability Benefit.

Attached to and forming a part of Policy No. 99,999.

1. After one full year's premium shall have been paid and before default in payment of any subsequent premium, if the Insured prior to attaining the age of sixty years shall furnish to the Company due proof that he has become totally disabled by bodily injury or disease, while said Policy is in force, so that he is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit or from following any gainful occupation, the Company by endorsement upon said Policy will agree to pay for the Insured the subsequent annual premiums, if any, as they shall become due. Any premium or premiums paid by the Company as above provided shall not be a lien upon said Policy, and the loan and surrender values provided therein shall be the same as though premiums had been paid in cash. In addition to, or independently of, all other causes of total and permanent disability, the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrist, or both feet at or above the ankles, or of one entire hand and one entire foot, as total and permanent disability within the meaning of this provision.

2. One year after receipt of due proof of disability as provided in paragraph 1, the Insured or the legal holder may draw a sum equal to one-tenth of the face amount of said Policy, and a

like sum annually thereafter during the continuance of such disability. The Policy must be returned to the Company for endorsement thereon of each payment. In the event of death of the Insured before the total sums so drawn equal the face amount of the Policy, the difference between the amount drawn and the face amount of the Policy at date of disability shall become payable to the beneficiary under said Policy or to the legal holder thereof.

3. If the Insured after he has attained the age of sixty shall furnish proof of disability as required under paragraph 1 above, the Company, by endorsement on said Policy, will agree to waive the payment of all premiums falling due after receipt of such proof, but in that event the amount payable at maturity of the Policy or as a cash surrender value or loan value shall be reduced by the amount of the premiums so waived without interest and the paid-up surrender value shall be correspondingly reduced.

4. Each payment made under the terms of paragraph 2 above shall reduce, by its amount, the sum insured. If at the time any such payment becomes due, there shall be an indebtedness on said Policy in excess of the cash surrender value of the reduced amount of insurance, the Company will apply such part of the payment as may be necessary to reduce the indebtedness, including accrued interest, to the amount secured by such cash surrender value.

5. It is expressly agreed, however, as a condition precedent to the continuation of premium payments or installment payments by the Company, that as often as required by the Company, but not oftener than once a year, the Insured shall furnish satisfactory proof of the continuance of such total disability; and if the Insured shall recover so as to be able to engage in any gainful occupation, the Company's obligation to pay the premium or to pay installments, shall thereupon cease and the Insured shall resume payment of the premiums in accordance with said Policy on the first premium due date following such recovery. But if the amount of the insurance shall have been reduced under any of the foregoing provisions, such reduced amount of insurance shall thereafter be the face amount of the Policy and the premiums thereafter falling due, as well as all benefits under the Policy, will be reduced in proportion to the reduced amount of insurance.

6. This Total and Permanent Disability Benefit Provision is issued in consideration of an extra premium of \$6.90 per annum, which is included in the whole annual premium under said Policy. On any anniversary of said Policy, this disability provision may be cancelled in writing by the Insured in which event the Policy shall be returned to the Company for endorsement, and all subsequent annual premiums falling due will be reduced by the amount of the extra premium above stated. Any annual premium or premiums falling due on or after the anniversary of said Policy nearest to age 60 of the Insured, shall be reduced by the amount of the extra premium above stated.

Dated at Chicago, Illinois, this *first* day of March, 1916.

ROBERT D. LAY,  
Secretary.

(b) The above table of values represents the full reserves according to the American Experience Table of Mortality with interest at three per cent less deductions (already made) in the amount applicable to purchase continued insurance of not exceeding at any time two and one-half per cent of the amount insured and in the cash or loan values of not exceeding one per cent of

the amount insured up to the end of the seventh policy year, said values for the eighth and any subsequent year being the full reserve; and with no deduction at any time in paid-up insurance. The corresponding values for intervening and subsequent years will be extended on request upon a like basis of calculation. To these cash surrender or loan and paid-up insurance values will be added in any settlement the full reserve or face values respectively of any dividend additions in force.

(c) Should default occur in the payment of any quarterly or semi-annual premium within the policy year, the cash or paid-up or continued insurance values will be the values at the beginning of the year plus a proportionate part of the increase in values by the table for such year.

(d) Any indebtedness to the Company on account of this policy, unless otherwise provided in this policy, will be deducted from the cash value and will also proportionately reduce the value applicable to purchase paid-up insurance and applicable to determine the amount at risk under continued insurance.

(e) Paid-up and continued insurance may be surrendered at any time for a cash value, computed upon the basis of calculation specified in paragraph (b) preceding.

**LOANS.** After three full annual premiums have been paid, the Company will loan upon the sole security of this policy at any time while continued in force, and upon receipt by it of this policy duly assigned, up to the limit secured by the above specified cash or loan values at the end of the policy year within which application for the loan is made. The rate of interest on such loan shall not exceed six per cent per annum and if such interest be not paid, when due, it shall be added to the principal until the limit of said cash surrender value has been reached, whereupon, if then the interest be not paid, the policy shall become null and void, but not until one month after notice shall have been mailed by the Company to the last known address of the person to whom the loan was made and of the Insured and any assignee. All or any part of a loan may be paid at any time while the policy is in force.

Loans will in like manner be made upon a paid-up policy (but not on continued insurance) up to the limit secured by its cash value.

**Note.**—No loan will be made if the Insured or any beneficiary is a minor, or cannot make a legal transfer.

**PREMIUM PAYMENTS.** All premiums, both first and renewal, are payable at the Home Office or to an agent of the Company upon delivery, on or before date due, of a receipt signed either by the Secretary or Actuary of the Company and countersigned by said agent. Notes for premiums will be accepted on the sole signature of the Insured, provided this policy be not duly assigned, so long as the free loan value of the policy is sufficient security therefor, and such notes will be a lien on the policy as fully as if executed by all persons having an interest therein. All or any part

of a premium note may be paid at any time while the policy is in force.

Premium payments, on written request of the Insured to the Home Office, may be changed so as to be made payable annually, semi-annually or quarterly, in accordance with the published rates in force at date of issue.

GRACE. A grace of thirty-one days will be granted for payment of every premium after the first, holding the insurance in full force, but if death occurs during said period, the overdue premium will be deducted in any settlement of this policy.

INSTALLMENT SETTLEMENTS. (a) The Insured, provided this policy has not been assigned, on written notice to the Company and the return of this policy for such endorsement, may provide for the payment of its proceeds as follows:

(1) To have the Company retain all or part of such proceeds, subject to its payment annually to the beneficiary of three per cent interest thereon, first payment one year after maturity of this policy. If this mode of settlement is used, the Company will on the death of the beneficiary pay the principal sum, with pro rata interest to date, to the executors, administrators or assigns of said beneficiary, or at any anniversary, upon request of the beneficiary, unless it has been otherwise ordered by the Insured, it will pay the principal sum in full in determination of its entire obligation.

(2) To have all or any part of such proceeds paid to the beneficiary in equal yearly instalments certain as per table on fourth page hereof, first payment immediate.

(3) To have all or any part of such proceeds paid to the beneficiary in a given number of instalments certain and also during the after lifetime of the beneficiary, first payment immediate, as per table on fourth page hereof.

FRACTIONAL PAYMENTS. (b) The Instalment Settlements will be paid yearly, half-yearly, quarterly or monthly, as written notice to the Company may direct, and the half-yearly, quarterly and monthly payments will bear such ratio to the annual payments appearing in the table as the decimal in the table specifies; but no form of Instalment Settlements will be granted which calls for a periodical payment of less than ten dollars.

BENEFICIARY RIGHTS. (c) The guarantees next immediately preceding are subject to these further mutual understandings: The Company will pay the beneficiary at any time the commuted value of unpaid instalments certain, computed at three per cent interest yearly, unless otherwise directed by written notice from the Insured. The beneficiary may make use of any of the modes of payment by instalments herein provided unless the Company has been otherwise directed by written notice from the Insured and provided this policy does not stand assigned.

SURPLUS INTEREST PARTICIPATION. Interest payments under paragraph (1) and instalment certain settlements under paragraphs (2) and (3), will include the share of surplus interest apportioned on account of this policy by the directors of the Company, to be paid annually beginning with the first annual interest payment or on the anniversary of the payment of the first instalment certain.

POST MORTEM DIVIDEND. If this policy after one year from its date becomes a claim by death, a mortuary dividend will be paid in cash in addition to the policy proceeds.

CONVERTIBILITY. While this policy is in full force and on proper application by the Insured, the Company will at any anniversary date change it, without medical re-examination, to any form of participating insurance then issued by it which requires a higher premium rate, on the payment of such an amount as may be required by the Company for such change. The new policy shall bear the same date and be for the same amount as this policy.

**ACCELERATIVE PAID-UP POLICY.** Whenever at the end of any policy year the reserve of the policy and of any reversionary additions plus the accumulation of dividends left with the Company is sufficient to buy paid-up participating insurance for the face of the policy the Insured may, on his written application made to the Home Office, have the policy converted to paid-up participating life insurance computed on the basis of a net single premium according to the American Experience Table of Mortality with interest at three per cent.

**ACCELERATIVE ENDOWMENT.** When the aggregate amount of reserves and accumulations left with the Company equals the face amount of this policy the Company will, on legal surrender, pay such amount as a matured endowment less any indebtedness to the Company hereon or secured hereby.

**REINSTATEMENT.** In case of lapse of this policy, provided it has not been surrendered to the Company, it may be reinstated at any time on written application therefor, and upon satisfactory evidence of insurability and the payment of all its premium arrears and reinstatement or payment of any indebtedness existing at the date of original default, with interest not exceeding six per cent per annum.

**MISSTATEMENT IN AGE.** If the age of the Insured has been misstated, on satisfactory proof thereof the amount payable under this policy shall be such as the premium would have purchased at the correct age, or at the option of the Insured the premium may be adjusted and credit given to the Insured or to the Company, according to the Company's published rate at date of issue.

**ASSIGNMENTS.** The Company assumes no responsibility for the validity of any assignment of this policy, nor will any assignment of this policy be recognized until it has been duly filed with the Company at its Home Office.

**Note.**—The claim of any assignee shall be subject to proof of interest. The interest of any minor (beneficiary or assignee) must be released by a legally appointed guardian, duly authorized by the appointing court before any adjustment of this policy will be made.

**SETTLEMENT.** Any indebtedness to the Company on account of this policy, including any deferred premiums for the uncompleted policy year, will be deducted in any settlement of this policy as a claim by death.

**REPRESENTATIONS.** All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defence of a claim upon it unless contained in the written application and unless a copy of the application is endorsed on the policy when issued.

**ALTERATIONS.** No one except the President, a Vice President, Secretary or Actuary of the Company, has power, in behalf of the Company, to make or modify this policy, to extend the time for paying any premium, to waive any forfeiture, or to bind the Company by making any promises or by accepting any representation or information not contained in the application for this policy. These powers will not be delegated.

**LIMITATION OF ACTION.** No action at law or in equity shall be commenced against the Company for claim under this policy after six years from the time cause of action shall accrue, and it is agreed that, in case of claim by death, cause of action, if any, shall accrue on the date of death of the Insured.

**NOTICE TO MEMBERS.** The Insured is hereby notified that all claims under this policy are payable at the Home Office in Montpelier, Vermont; that he is a member of the National Life Insurance Company during the continuance of this policy and of any paid-up or continued insurance arising therefrom, and that the annual meetings of the Company are holden at its Home Office in Montpelier, Vermont, on the 3rd Tuesday of January, in each year, at 10 o'clock A. NEW ENGLAND MUTUAL LIFE INSURANCE  
COMPANY

## OF BOSTON, MASSACHUSETTS.

In Consideration of the application upon which this Policy is issued, which is made a part hereof, and of the payment in advance of *three hundred and sixty-nine Dollars*, and of the payment of a like sum on or before the *first day of January* in each year thereafter during the life of *John Alden, of Plymouth, Massachusetts*, the Insured, until twenty annual premiums have been paid, whereupon all payment of premiums shall cease, the NEW ENGLAND MUTUAL LIFE INSURANCE COMPANY Promises and Agrees to Pay, at its office in the City of Boston, upon due proof of the death of the said Insured, *Ten Thousand Dollars*, to *Priscilla Alden, his wife, if she shall survive him, otherwise to his executors, administrators or assigns, with.....right of revocation*, less any indebtedness to the Company on account of or secured by this Policy, and less any unpaid portion of the premium for the then current policy year. If the age of the Insured has been misstated in the application herefor the amount payable shall be such as the premium paid would have purchased at the rate for the correct age.

In case of the non-payment of any premium when due or during the period of grace, this Policy shall cease to be in force and shall have no value except as provided by the Non-Forfeiture Provisions hereinafter set forth.

When the right of revocation has been reserved, the Insured (with the assent of the Assignee, if any), upon written request filed with the Company at its Home Office, may from time to time designate a new Beneficiary hereunder, or have the Policy made payable to his estate, such change to take effect only when endorsed hereon by the Company.

If the Insured, whether sane or insane, shall die by his own hand or act within one year from the date hereof, this Policy shall be void and shall have no value; but in such event the Company will return the premium paid.

This Policy and the application constitute the entire contract between the parties hereto, and all statements made by the Insured, in the absence of fraud, shall be deemed representations and not warranties, and no such statement shall avoid, or be used in defense to a claim under, this Policy unless it is contained in the application and a copy of such application is endorsed hereon.

After one year from the date of issue, this Policy

shall be incontestable except for non-payment of premiums, and no waiver of any of its conditions shall be valid unless made in writing and signed by the President, Vice-President, Secretary or an Assistant Secretary of the Company.

The Rights, Options and Non-Forfeiture Provisions set forth on pages two and three are hereby made a part of this contract.

In Witness Whereof, the said New England Mutual Life Insurance Company, by its President or Vice-President, and Secretary or an Assistant Secretary, has signed and delivered this contract at Boston, in the Commonwealth of Massachusetts, this *first* day of *January*, in the year one thousand nine hundred and *thirteen*.

WM. F. DAVIS,

*Assistant Secretary.*

ALFRED D. FOSTER,

*President.*

#### RIGHTS, OPTIONS AND NON-FORFEITURE PROVISIONS.

**PREMIUMS.**—All premiums shall be payable in advance at the Home Office in the City of Boston, or, when due, to an Agent of the Company, upon the production and delivery of a receipt signed by the Secretary or an Assistant Secretary.

**GRACE.**—After this Policy has been in force one year, a grace of thirty-one days, without interest, shall be granted for the payment of premiums, during which time the insurance shall continue in force, but in the event of the death of the Insured during said period, the overdue premium shall be deducted from the amount payable.

**SURPLUS.**—Upon payment of the second annual premium, and each year thereafter, this Policy shall participate in the distribution of surplus made by the Company, and the share apportioned hereto shall, on the premium date or any anniversary thereof, at the option of the Holder of the Policy, be (A) payable in cash; (B) applied in reduction of premiums; (C) used to purchase non-forfeitable, participating, paid-up additions, convertible into their cash value upon release by the Holder; or (D) left with the Company to accumulate to the credit of the Policy, with interest at not less than three per cent per annum, payable at the maturity hereof, or withdrawable in cash on demand; but if no election is made on or before the premium date or any anniversary thereof, the share for that year will be held by the Company as provided in Option D.

If any premium remains unpaid at the expiration of the period of grace, the Company will apply the accumulated surplus under Option D to the payment then due, if sufficient to pay not less than a quarter of an annual premium.

**LOANS.**—At any time after three full annual premiums have been paid on this Policy, the Company will loan, upon the sole security hereof legally assigned, an amount which with interest thereon to the end of the policy year during which the application for the loan is made shall be equal to, or at the option of the Holder less than, the loan value at the end of said year, after deducting any indebtedness hereon or secured hereby, and any unpaid portion of the premium for said policy year. Interest on such loan shall be at the rate of six per cent per annum, payable in advance. The whole or any part of such loan may be repaid at any time. Failure to repay the loan, or to pay interest thereon when due, shall not avoid the Policy, unless the total indebtedness hereon or secured hereby, including interest, equals or exceeds the cash value at the time of such failure, nor until thirty-one days after notice has been mailed by the

Company to the last known address of the Insured and of the person or persons to whom the Policy is payable.

**PREMIUM LOANS.**—After two full annual premiums have been paid hereon, and upon legal assignment hereof to the Company prior to the expiration of the period of grace, the Company will charge against this Policy as a premium loan the amount of any premium, less the share of surplus then due, with interest at the rate of six per cent per annum, payable in advance; provided the cash value of the Policy and additions shall equal or exceed the amount of such loan, together with any other indebtedness on account of or secured hereby, and interest thereon. Any accumulated surplus held at interest shall first be applied to the payment of the premium, and future shares of surplus shall be applied to the reduction of the premium loan. Upon the filing of such request as may be required by the Company, these provisions, by endorsement hereon, will be made automatic as to future premiums.

**PAID-UP OR ENDOWMENT PROVISION.**—When the cash value of the Policy and additions, together with any accumulated surplus held at interest, shall equal the reserve for a fully paid-up Policy of the same form and amount at the then attained age of the Insured, the Company will endorse this Policy as fully paid up; or when such aggregate amount, less any indebtedness hereon or secured hereby, shall equal the face of this Policy, the Company will, upon written request and release by all parties in interest, pay such amount as an Endowment.

**CONVERSION OPTION.**—Upon written request of all parties in interest, this Policy, while in full force, may be exchanged at any anniversary of issue, without medical examination, for any other form of Policy then written, and not involving any other life, at the original age of issue, for an amount whereby the actual insurance liability of the Company shall not be increased, upon payment of the difference between the reserves upon the respective Policies.

#### NON-FORFEITURE PROVISIONS.

In case of default in the payment of any premium, after three full annual premiums have been paid hereon, the Holder of this Policy shall be entitled, by a writing filed with the Company at its Home Office during the period of grace, to elect one of the following options:

**FIRST. CASH VALUE.**—To surrender the Policy and, with the written assent of the person or persons to whom it is made payable, receive its then cash value, less any indebtedness hereon or secured hereby.

**SECOND. PAID-UP INSURANCE.**—To take paid-up insurance for such an amount as the then cash value of the Policy and additions, together with any accumulated surplus held at interest, less any indebtedness hereon or secured hereby, will purchase as a net single premium. Such insurance shall participate annually in the distribution of surplus, and shall have increasing loan and cash values.

**THIRD. EXTENDED INSURANCE.**—To have the Policy continued as extended insurance from the anniversary date last past, for its face amount, including any additions, and less any indebtedness hereon or secured hereby, for such time as the then cash value, together with any accumulated surplus held at interest, will purchase as a net single premium, but without the right to loans. Such extended insurance shall have a cash surrender value and shall participate in the annual distribution of surplus, the share apportioned thereto to be payable in cash. If requested in the application, or upon written request of all parties in interest, this option shall be made automatic.

If, during the aforesaid period of grace, the Holder shall not elect one of the foregoing options, this Policy shall be continued as paid-up insurance under the second option, provided the third option has not been made automatic.

## TABLE OF LOAN, CASH, PAID-UP AND EXTENDED INSURANCE VALUES.

The values given below are based on the American Experience Table of Mortality and three per cent interest, and are equivalent to the full reserve. They will be increased by the value of any additions or accumulations at interest, and decreased, in the manner set forth in the Non-Forfeiture Provisions, by the amount of any indebtedness hereon or secured hereby.

If in any year not less than one quarter of an annual premium is paid hereon, a proportionate part of the increase in the values at the end of that year will be added to the values of the preceding year.

**ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company unless the original assignment, or a duplicate thereof, be filed with the Company at its Home Office. In the event of the subsequent death of the Payee before the sum of the instalments paid equals the amount insured under the Policy, an amount equal to the difference will be paid in one sum to his or her executors, administrators or assigns.

The Insured is hereby notified that, by virtue of this Policy, he is a member of the New England Mutual Life Insurance Company, and is entitled to vote, either in person or by proxy, at any and all meetings of said Company. The annual meetings are held at its Home Office on the fourth Monday of January, in each year, at eleven o'clock A. M.

#### Supplemental Agreement Waiving Premiums in the Event of Permanent Total Disability Occurring Before Attaining the Age of Sixty-Five Years.

The premium payable by the terms of Policy No. 99999 (to which policy this agreement is hereby attached and made a part thereof) includes an additional premium of two dollars, payable for twenty full years, or until prior death of the insured, and in consideration of the payment of such additional premium the NEW ENGLAND MUTUAL LIFE INSURANCE COMPANY hereby agrees to the following waiver of premium in the event of permanent total disability.

If the insured, after payment of premium for one full year and before default in the payment of any subsequent premium, and before attaining the age of sixty-five years, and while this policy is in full force, shall furnish due proof to the Company, at its Home Office in the city of Boston, that he has become wholly disabled by bodily injury or disease so that he is and will be permanently and continuously prevented from performing any work for compensation or profit or from following any gainful occupation, the Company will waive payment of each premium as it thereafter becomes due during the continuance of such disability. The premiums so waived shall not be deducted from the sum payable under the policy, and the values provided for under "Non-Forfeiture Provisions" and in the "Table of Loan, Cash, Paid-up and Extended Insurance Values" shall be the same as if the premiums had continued to be paid in cash to the Company regularly when due.

Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the insured agrees

that any medical examiner appointed by the Company shall be allowed opportunity, not oftener than once a year thereafter, to satisfy himself by examination of the person of the insured as to the continuance of the disability, and if it shall appear to the Company that the insured is able to perform any work or to engage in any occupation whatsoever for compensation or profit, no further premiums will be waived and all premiums thereafter falling due shall be paid by the insured in conformity with the terms of the policy.

Irrespective of any other cause of disability the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this agreement, and the Company, upon due proof of such loss or severance, will waive the premiums thereafter becoming due.

After the premium stated in the policy has been paid for the full number of years specified above, or upon the cancellation of this agreement at the written request of the insured, any premiums payable thereafter will be reduced by the amount of the said additional premium.

#### APPLICATION.

I, ..... of ..... hereby apply to the New England Mutual Life Insurance Company for insurance, and as a part of the contract, and as consideration therefor, make the following statements, which I declare to be true:

I hereby certify that I am now in good health and that my habits are correct; and I hereby agree that the insurance applied for shall not take effect unless and until this application is approved by the Company and the first premium is actually paid while I am in the same condition of health as herein described, and that if, within one year from the date of the Policy of Insurance issued upon this application I shall, without the written consent of the Company, engage in military or naval service in time of war, or travel to, or reside in, any part of the torrid zone, or north of the parallel of sixty degrees north latitude, or shall within said period and without such consent engage in electrical employment where the voltage used is over five hundred, or in mining, subterranean or submarine labor, aerial navigation, the manufacture of explosives, service upon any railroad train, or on any steam or sailing vessel, said Policy shall be void and no claim shall exist thereunder.

#### MEDICAL EXAMINER'S FORM.

I certify that my answers to the foregoing questions are correctly recorded by the Medical Examiner.

This form of policy is used in all states of United States except Massachusetts, and may be written without disability benefits using same premium as heretofore in use by the New York Life.

On all policies issued in 1913 a slip is attached, a copy of which is as follows:

#### NOTICE TO POLICYHOLDERS REGARDING DIVIDENDS.

The Insurance Law of New York requires that the Company shall annually ascertain and distribute the surplus apportionable to all policies issued on and after January 1, 1907. To prevent misunderstandings, the officers of this Company think it proper to state that as policies do not earn any surplus in the first year of their existence, there will probably be no dividend paid until two years from the date when the policy takes effect.

This Insurance is granted in consideration of the payment of the first premium of *Three Hundred Eighty-nine Dollars* the receipt of which is hereby acknowledged, constituting payment for the period terminating on the *Fifteenth* day of *January*, in the year *Nineteen Hundred and Fourteen*, and the payment of a like sum on said date and on the *Fifteenth* day of *January* in every year thereafter during the continuance of this Policy until premiums shall have been paid for *Twenty* full years from *January 15th*, *Nineteen Hundred and Thirteen*, or until the prior death of the Insured.

This Policy is free of conditions as to residence, travel, occupation, or military or naval service, and shall be incontestable after one year from its date of issue except for non-payment of premium. After its delivery to and receipt by the Insured this Policy takes effect as of the *Fifteenth* day of *January*, *Nineteen Hundred and Thirteen*.

The benefits and provisions printed or written by the Company on the following pages are a part of this contract as fully as if they were recited at length over the signatures hereto affixed.

#### SECTION 1—PARTICIPATION IN SURPLUS.

The proportion of divisible surplus accruing upon this Policy shall be ascertained and distributed annually and will not be conditioned upon the payment of the next premium. At the option of the Insured such dividend shall each year, on the anniversary of the Policy, be either

- (a) Paid in Cash, or,
- (b) Applied toward the payment of any premium or premiums; or,
- (c) Applied to the purchase of a participating Paid-up Addition to the sum insured; or,
- (d) Left to accumulate to the credit of the Policy at such rate of interest as the Company may declare on such funds, and payable on the maturity of the Policy or withdrawable in cash on any anniversary date of the insurance. The rate of interest shall not be less than three per centum compounded and credited annually.

If the Insured fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said dividend and the options available as aforesaid, which option he selects, the Company shall then apply said dividend to the purchase of a paid-up addition to the sum insured. Such paid-up addition may be surrendered for cash at any time, and the Cash Value thereof shall not be less than the original cash dividend.

#### SECTION 2—CASH LOANS AND BENEFITS ON SURRENDER OR LAPSE.

**CASH LOANS.**—At any time after two full years' premiums have been paid, and while this Policy is in force, the Company shall advance to the Insured on the sole security of this Policy as duly evidenced in writing, any sum desired, the total indebtedness to the Company, including any advance then made, shall, however, not exceed that sum which with six per centum interest shall equal the Cash Surrender Value at the end of the then current insurance year. Interest on the loan shall be at the rate of six per centum per annum, payable annually on the premium paying anniversary date of the Policy. All or any part of the sum advanced may be repaid at any time. Failure to repay such advance or to pay interest thereon shall not avoid the Policy, but if the interest is not paid when due it shall be added to the indebtedness; and whenever the amount of the total indebtedness equals the Cash Surrender Value, the Policy shall become void one month after the Company shall have mailed notice of such fact to the last known address of the Insured and of the assignee of record, if any.

**BENEFITS ON SURRENDER OR LAPSE.**—After two full annual premiums shall have been paid, the Insured may within three months after any default in payment of premium, but not later, surrender the Policy, and,

- (a) Receive its Cash Surrender Value less any indebtedness to the Company hereon. The Cash Surrender Value shall be the reserve on this Policy, at the date of default (omitting fractions of a dollar per thousand of insurance) and the reserve on any Paid-up Additions thereto, and any dividends standing to the credit of this Policy, less a surrender charge which in no case shall be more than one and one-half per centum of the sum insured. After premiums have been paid for ten years or more there will be no surrender charge. The reserve will be computed according to the American Table of Mortality and interest at the rate of three per centum per annum; or,

(b) Receive non-participating Paid-up Insurance payable at the same time and on the same conditions as this Policy except as to Disability Benefits. The Insured may at any time obtain a loan on such Paid-up Insurance in accordance with the provisions contained in this Section, or surrender such Paid-up Insurance for its Cash Surrender Value.

(c) If the Policy be not surrendered for cash, or for Paid-up Insurance as above, the insurance shall be automatically continued for the face amount of this Policy plus any dividend additions and less any indebtedness to the Company hereon, from the date of default, for such term in years and months as is herein-after provided, but without future participation and without the right to Loans or Cash Surrender Value and without Disability Benefits.

The amount of Paid-up Insurance, or the Term for which the insurance will be continued, shall be such as the Cash Surrender Value less any indebtedness to the Company hereon will purchase as a net single premium at the age of the Insured at the date of default, according to the American Table of Mortality and interest at the rate of three per centum per annum.

#### TABLE OF LOAN AND SURRENDER VALUES.

The figures contained in this table represent the maximum amounts available, assuming that premiums have been paid in full for the number of years stated in the table, and that there is no indebtedness to the Company hereon and that there are no outstanding dividends.

#### SECTION 3—DISABILITY BENEFITS.

A. WAIVER OF PREMIUMS.—If, after this Policy shall have been in force one full year and before default in the payment of

any premium, the Company receives due proof that the Insured before attaining the age of sixty years has become wholly disabled by bodily injury or disease so that he is and will be presumably, thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, the Company shall waive payment of each premium as it thereafter becomes due during the Insured's said disability. In making any settlement under this Policy the Company shall not deduct any part of the premiums so waived, and the Loan and Cash Surrender Values provided for under Section 2 shall increase from year to year in the same manner as if the premiums so waived had been paid in cash. Under all the conditions aforesaid, except that the Insured shall have attained the age of sixty years before becoming disabled, the Company shall waive payment of each premium thereafter becoming due during such disability, but the face amount of the Policy shall be reduced by the amount of each such waived premium, and the Loan and Cash Surrender Values as provided for under Section 2 shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid.

**B. INSTALLMENT PAYMENTS.**—In addition to waiving payment of premiums as aforesaid, if such disability shall have occurred before the Insured attained the age of sixty years, the Company, one year after said proof of such disability, shall pay to the Insured one-tenth of the face amount of the Policy and a like amount in each insurance year thereafter during the continuance of such disability prior to the maturity of the Policy; the Policy must be returned to the Company for the endorsement thereon of each payment. At the Insured's option any such payment or payments may be left with the Company to accumulate until the maturity of the Policy at such rate of interest as the Company may declare on funds so held by it but at a rate not less than three per centum, compounded annually. Each instalment shall reduce to that extent the amount of insurance in force, and the Loan and Cash Surrender Values provided for under Section 2 shall be calculated for the reduced amount insured on the basis provided in said Section 2. If at the time when any such instalment becomes payable there shall be an indebtedness on the Policy in excess of the Cash Surrender Value of the reduced amount of insurance, the Company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such Cash Surrender Value. Whenever the total amount of said instalments, together with the amount of any remaining indebtedness to the Company, shall equal the face amount of the Policy, plus any paid-up dividend additions, unpaid dividends and dividends left to accumulate to the credit of the Policy, then the Company's obligations under the Policy shall thereby be fully satisfied and discharged without further action.

**C. RECOVERY FROM DISABILITY.**—Should the Company accept under this Policy proofs of disability, it may nevertheless at any time thereafter, and from time to time, but not oftener than once a year, demand of the Insured proof of the continuance of such disability, and upon failure to furnish such proof, or, if it appears that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums shall be waived and no further instalment payments will be made by the Company. But if the amount of the insurance shall then have been reduced under any of the foregoing provisions such reduced amount of insurance shall thereafter be the face amount of the Policy, and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance, and all benefits under the Policy will be reduced accordingly.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this Sect'

## SECTION 4—LOAN INSURANCE.

Any indebtedness to the Company against this Policy may be covered by loan insurance, and, upon due proof or the death of the Insured, such loan insurance shall be applied to the cancellation of any such indebtedness. Loan insurance shall be subject to the following conditions:

*First.*—Evidence of insurability satisfactory to the Company shall be required. No Loan Insurance shall take effect until the Insured shall have received from the Company a certificate thereof.

*Second.*—Premiums must be paid in accordance with the rates in the following table. The premium for loan insurance shall be computed at the attained age of the Insured at the time when such loan insurance is made or renewed. For periods of less than one year, the premium shall be at the rate of one-tenth of the one year's premium for each month and fraction of a month.

*Third.*—Loan insurance shall not be granted for any period extending beyond the next premium paying anniversary date of this Policy, but may be renewed from year to year subject to evidence of insurability satisfactory to the Company and payment of premium at the attained age, but no loan insurance shall be granted or renewed after age sixty-five.

*Fourth.*—Whenever the loan insurance exceeds the indebtedness the Company may cancel that portion of the loan insurance in excess of the indebtedness, and refund the unearned premium.

## SECTION 5—OTHER BENEFITS AND PROVISIONS.

**AGE.**—If the age of the Insured has been misstated the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**ASSIGNMENT.**—Any assignment of this Policy must be made in duplicate and one copy filed with the Company at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

**CHANGE OF BENEFICIARY.**—When the right of revocation has been reserved, or in case of the death of any beneficiary under either a revocable or irrevocable designation, the Insured, if there

be no existing assignment of the Policy made as herein provided, may, while the Policy is in force, designate a new beneficiary, with or without reserving right of revocation, by filing written notice thereof at the Home Office of the Company accompanied by the Policy for suitable endorsement thereon. Such change shall take effect when endorsed on the Policy by the Company and not before. If any beneficiary shall die before the Insured, the interest of such beneficiary shall vest in the Insured.

**GRACE.**—A grace of one month (not less than thirty days) subject to an interest charge of five per centum per annum shall be allowed for the payment of every premium after the first, during which time the insurance shall continue in force. If death occurs within the period of grace the unpaid premium for the then current policy year shall be deducted from the amount payable hereunder.

**PAID-UP AND ENDOWMENT OPTIONS.**—Whenever the reserve on this Policy together with the reserve on existing dividend additions, if any, at the end of any policy year shall equal or exceed the net single premium for the attained age of the Insured by the American Experience Table of Mortality and interest at three per centum, for an amount of insurance equal to the face amount of this Policy, payable at the same time and under the same conditions as this Policy, the Company, at the written request of the Insured, will endorse the Policy as participating paid-up insurance for such amount as the said reserve will purchase when thus applied, any indebtedness to the Company to be a lien against said Paid-up Insurance upon the same terms and conditions as in Section 2; or, whenever said reserve at the end of any policy year shall equal or exceed the face amount of this Policy, the Company, upon surrender of the Policy and all claims thereunder, shall pay in cash the face amount of the Policy and any excess of said reserve, less any indebtedness to the Company.

**PAYMENT OF PREMIUMS.**—All premiums are payable on or before the date due, at the Home Office of the Company or to an agent of the Company upon delivery of a receipt signed by the President, a Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company, and countersigned by said agent. The premium is always considered as payable annually, in advance, but by agreement in writing and not otherwise may be made payable in semi-annual or quarterly payments. Any unpaid premiums required to complete the payments for the current policy year in which death occurs shall be deducted from the amount payable hereunder. The payment of a premium shall not maintain the Policy in force beyond the date when the next payment is due, except as herein provided.

**PRIVILEGE OF CHANGE TO OTHER FORMS OF POLICIES.**—At any time, and while in full force, and provided the Insured is then less than sixty years of age, this Policy may be changed without medical re-examination for a Policy of the same amount, upon any form of insurance issued by the Company at the time this Policy takes effect and having a higher rate of premium but without Disability benefits. Such change shall be effective upon payment of a sum equal to the difference between the premiums on the new Policy and the premiums paid on this Policy (exclusive of the premiums paid for Disability Benefits), with compound interest at the rate of six per centum per annum from the due date of each payment to the date when the change is made, and upon the surrender of this Policy. The new Policy shall take effect as of the date of this Policy, and the premium shall be based upon the same age as this Policy. The cash value of any dividends standing to the credit of this Policy, as well as any additional cash value of such dividends that would have been credited under the new Policy may be used in the settlement of the difference of premiums.

**REINSTATEMENT.**—At any time after any default, upon written application by the Insured and upon presentation at the Home Office of evidence of insurability satisfactory to the Company, this Policy may be reinstated together with any indebtedness in accordance —

with the loan provisions of the Policy, upon payment of arrears of premiums with interest thereon at the rate of five per centum per annum.

**SELF-DESTRUCTION.**—In event of self-destruction during the first insurance year, whether the Insured be sane or insane, the insurance under this Policy shall be a sum equal to the premiums thereon which have been paid to and received by the Company, and no more.

**MISCELLANEOUS PROVISIONS.**—The Policy and the application therefor, a copy of which was attached to this Policy when delivered, constitute the entire contract between the parties. All statements made by the Insured shall, in absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this Policy or be used in defense to a claim hereunder unless it be contained in said written application. The Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the Insured by this Policy. No agent is authorized to waive forfeitures, or to make, modify or discharge contracts, or to extend the time for paying a premium.

#### SECTION 6—INSTALMENT OPTIONS.

If there is no assignment of this Policy, the Insured, or in case the Insured shall not have done so, the beneficiary after the Insured's death may, by written notice to the Company at its Home Office, make the proceeds of this Policy payable under one of the following options instead of in one sum, to wit:

**Option 1**—The proceeds of the Policy, or any part thereof, may be left with the Company subject to withdrawal in whole or in part at any time on demand, in sums of not less than one hundred dollars. The Company shall pay interest on the proceeds so left with it at such rate as it may each year declare on such funds, at a rate, however, never less than three per centum per annum and credited annually.

**Option 2**—In equal instalments for an agreed number of years, payable immediately upon approval of proofs of death of the Insured, and annually, semi-annually, quarterly, or monthly thereafter as may be agreed. The amount of each instalment shall be in accordance with the instalment table on the last page of this Policy. Unless otherwise agreed in writing, the Company, upon due demand, shall pay in one sum the value of all unpaid instalments commuted at three per centum compound interest.

**Option 3**—In equal instalments for twenty years, and for as many years thereafter as the beneficiary shall survive, payable immediately upon approval of proofs of death of the Insured, and annually, semi-annually, quarterly, or monthly thereafter as may be agreed. The amount of each instalment shall be determined by the attained age, on the date of the approval of proofs of death of the Insured, of the beneficiary to whom it is payable and in accordance with the instalment table on the last page of this Policy. If the Insured shall so direct in writing, the instalments payable under this option shall not be transferable, nor subject to commutation or incumbrance, during the lifetime of the beneficiary entitled thereto.

If there be more than one beneficiary under the option selected, the proceeds so left with the Company, unless otherwise agreed in writing, shall be deemed to be divided into as many equal parts as there are beneficiaries, and shall be credited and paid to each beneficiary severally.

In the event of the death of a beneficiary any unpaid sum left with the Company under Option 1, or any unpaid instalments payable to him under Option 2, or any instalments for the fixed period of twenty years only under Option 3 which shall not then have been paid, shall be commuted at three per centum compound interest, and unless otherwise agreed in writing shall be paid in one sum to the executors or administrators of such beneficiary.

The sums payable under the foregoing options are based upon assumed interest earning of three per centum, but if in any year

the Company shall declare for that year upon funds held by it under such options a greater interest rate than three per centum, the sum then payable under Option 2, or under Option 3 within the fixed period of twenty years, shall be increased accordingly.

After approval of proofs of the death of the Insured, and upon surrender of the Policy, the Company shall make and deliver to each beneficiary a certificate evidencing his rights and benefits under the option selected.

Instalment options are not applicable to a Policy which is payable to a corporation or co-partnership nor to policies under which the net sum payable is less than one thousand dollars.

#### INSTALMENT TABLES.

Instalment payments under Options 2 and 3 specified in Section 6 on the third page of this Policy, may be made annually, semi-annually, quarterly or monthly; the minimum basis of such payments will be \$50 when paid annually, \$25 when paid semi-annually, \$15 when paid quarterly, or \$10 when paid monthly, and the total of the fractional payments each year shall equal the annual payment each year as shown in the following tables, which are based upon a Policy, the proceeds of which are \$1,000. The figures contained in the table will apply pro rata to this Policy.

Option 2.		Option 3.

That the insurance hereby applied for shall not take effect unless the first premium is paid and the policy is delivered to and received by me during my lifetime and good health, and that unless otherwise agreed in writing, the policy shall then relate back to and take effect as of the date of this application; 2. That any payment made by me before delivery of the policy to, and its receipt by me as aforesaid shall be binding on the Company only in accordance with the terms of the Company's receipt therefor on the receipt form which is attached to this application and contains the terms of the agreement under which said payment has been made and is the only receipt the agent is authorized to give for such payment; 3. That only the President, a Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company can make, modify or discharge contracts, or waive any of the Company's rights or requirements, and that none of these acts can be done by the agent taking this application.

Premium

This contract is made in consideration of the payment in advance of the sum of \$415.80, the receipt of which is hereby acknowledged, constituting the first premium hereon and maintaining this Policy to the *twelfth* day of *April*, *Nineteen Hundred and Seventeen*—and of a like sum on said date and every *twelve* mo-

thereafter during the life of the Insured until premiums for twenty full years in all shall have been paid from the date on which this Policy takes effect. This Policy takes effect as of the *twelfth* day of *April*, Nineteen Hundred and *Sixteen*, which day is the anniversary of the Policy. If the Insured becomes wholly and permanently disabled, the payment of premiums will be waived under the terms and conditions contained in Section 1.

**SECTION 1. DISABILITY BENEFITS.**—Whenever the Company receives due proof, before default in the payment of premium, that the Insured has, subsequent to the delivery hereof, become wholly disabled by bodily injury or disease so as thereby permanently and continuously to prevent the Insured from engaging in any occupation whatsoever for remuneration or profit, and that such disability has then existed for not less than sixty days—the loss of the sight of both eyes, or the severance of both hands or of both feet, or of one entire hand and one entire foot, to be considered a total and permanent disability without prejudice to other causes of disability then

**A.—IF THE DISABILITY OCCURRED BEFORE THE INSURED ATTAINED AGE 60.**

1. **WAIVER OF PREMIUM.**—Commencing with the anniversary of the Policy next succeeding the receipt of such proof, the Company will on each anniversary waive the premium for the ensuing insurance year. The Loan and Surrender Values provided for under Sections 3 and 5 shall be calculated from year to year the same as if the waived premiums had been paid as they became due, and in any settlement of the Policy the Company will not deduct the premiums so waived.

2. **INSTALMENT PAYMENTS.**—One year after the anniversary of the Policy next succeeding the receipt of such proof, the Company will pay the Insured one-tenth of the face of the Policy and a like sum on each anniversary thereafter until the face of the Policy has been paid; but if the Policy matures by death or as an endowment before the face amount shall have been so paid, the balance of the face amount shall then be payable in one sum. Any outstanding dividend additions under Section 2, Option (c), and dividends left to accumulate to the credit of the Policy under Section 2, Option (d), will be paid with the final payment. The Policy must be returned to the Company for endorsement thereon of each payment.

Each instalment shall reduce to that extent the face of the Policy, and the Loan and Cash Surrender Values provided for under Sections 3 and 5 shall be calculated for the reduced insurance on the basis employed in said sections. Any indebtedness on the Policy shall be so far settled out of each such instalment payment as to reduce the balance of the indebtedness to a sum never exceeding the then Cash Surrender Value of the Policy.

**B.—IF THE DISABILITY OCCURRED AFTER THE INSURED ATTAINED AGE 60.**

1. **WAIVER OF PREMIUM.**—Commencing with the anniversary of the Policy next succeeding the receipt of such proof, the Company will on each anniversary waive the premium for the ensuing insurance year, and thereupon as each premium is waived the face of the Policy will be reduced by a sum equal to each premium so waived, the premium will be correspondingly reduced, and all benefits under the Policy shall be calculated for the reduced insurance on the same basis as if the premium for the reduced insurance had been paid when due.

2. The instalment payments provided for if disability occurs before the Insured attains age 60 shall not apply if disability occurs after age 60.

**C.—RECOVERY FROM DISABILITY.**

The Company may at any time and from time to time, but not oftener than once a year, demand due proof of such continued disability, and upon failure to furnish such proof, or if it appears that the Insured is no longer wholly disabled as aforesaid, no further premiums shall be waived nor further instalment payments made; and if the insurance shall then have been reduced under any of the foregoing provisions, such reduced insurance shall thereafter be the face of the Policy and the premiums thereafter falling due and all benefits under the Policy will be reduced accordingly.

**SECTION 2. PARTICIPATION IN SURPLUS—DIVIDENDS.**—The proportion of divisible surplus accruing upon this Policy shall be ascertained annually. Beginning not later than the end of the second insurance year, and on each anniversary thereafter, such surplus as shall have been apportioned by the Company to this Policy, shall at the option of the Insured be either

- (a) Paid in cash; or
- (b) Applied toward the payment of any premium or premiums; or
- (c) Applied to the purchase of a Participating Paid-up Addition to the sum insured; or
- (d) Left to accumulate to the credit of the Policy at such rate of interest as the Company may declare on funds so held, but at a rate never less than three per cent compounded and credited annually, and withdrawable in cash at the maturity of the Policy or on any anniversary; or
- (e) Applied on the Accelerative Endowment Plan as set forth below.

If the Insured fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said dividend and the options available as aforesaid, which option he selects, the Company will apply said dividend to the purchase of a paid-up addition to the sum insured. Such paid-up addition may be surrendered for cash at any time not later than three months after any default in the payment of premium, and the Cash Value thereof shall never be less than the original cash dividend.

**DIVIDENDS MAY BE APPLIED UNDER OPTIONS (c) AND (d) TO MAKE POLICY FULLY PAID-UP.**—Whenever the cash value of this Policy, including the cash value of any dividend additions under Option (c) and of any sums held under Option (d), equals or exceeds the net single premium calculated on the same basis as the premium on this Policy for a Policy giving the same rights, privileges and benefits, at the then attained age of the Insured, the Company, on any anniversary of the Policy thereafter, upon the owner's written request, will endorse the Policy as a fully paid-up, participating Policy, and will pay in cash the excess, if any, of said cash value over said single premium, and thereafter no further payment of premiums will be required.

**ACCELERATIVE ENDOWMENT PLAN.**

**UNDER THE ACCELERATIVE ENDOWMENT PLAN** the dividends are applied to mature the policy as an endowment at a gradually diminishing age of the Insured. To avail himself of this plan, the Insured must, before the first dividend becomes payable, file with the Company written notice that he elects so to apply the dividends. In such case the first and each succeeding dividend as they severally become due shall be applied to mature the endowment at an earlier anniversary date to be then stated in writing by the Company; if any dividend is more than sufficient to mature the endowment at the anniversary then stated by the Company but is insufficient to mature the endowment at the next preceding anniversary, the difference shall be used temporarily to increase the amount of the endowment and when the next dividend becomes payable the res-

for said temporary increase in the endowment shall be added to such dividend and the total sum applied to mature the endowment at an earlier anniversary, said increase in the endowment to be then canceled. The basis on which the dividends shall be so used shall be the American Table of Mortality and Interest at three per cent per annum, at the attained age of the Insured. When dividends are so used the Policy reserve shall be computed with reference to the earlier maturity date and to any increase in the amount of the endowment, thereby correspondingly increasing the Policy's participation in surplus, its loan value, and the benefits on surrender or lapse. If after electing to use the dividends to shorten the endowment period the Insured changes the election as to future dividends, then no further dividends can be so used.

**SECTION 3. CASH LOANS.**—After three full years' premiums have been paid and before default in the payment of any subsequent premium, the Company will advance on the sole security of this Policy as duly evidenced in writing any sum desired,—provided the total indebtedness to the Company, including any advance then made, shall never exceed that sum which with six per cent interest to the end of the then current insurance year shall equal the Cash Surrender Value. Interest on the loan shall be at the rate of six per cent per annum payable annually on the anniversary of the Policy. If interest is not paid when due, it shall be added to the principal. All or any part of the indebtedness may be repaid at any time before the Company has deducted it from the value of the Policy. Failure to repay such indebtedness or to pay interest shall not avoid the Policy, but whenever the amount of the total indebtedness equals the Cash Surrender Value, the Policy shall become void one month after the Company shall have mailed notice to the last known address of the Insured and of the assignee of record, if any.

**SECTION 4. LOAN INSURANCE.**—Any loan under this Policy may be covered by loan insurance as follows:

1. The Insured must furnish evidence of insurability satisfactory to the Company.
2. The premium shall be computed at the attained age of the Insured at the time the loan insurance is made or renewed.
3. Loan insurance shall not extend beyond the next anniversary, but may under the same conditions be renewed from year to year. No loan insurance shall be made or renewed after age sixty-five.
4. If the loan insurance exceeds the indebtedness, the Company may cancel the excess and refund the unearned premium.
5. Loan insurance takes effect upon delivery to the Insured of the Company's certificate thereof, and is payable upon receipt of due proof of the Insured's death. The sum payable shall be applied to the cancellation of the indebtedness.

The values in this table assume that premiums have been paid in full when due for the number of years stated, that there is no indebtedness to the Company, and no outstanding dividends.

Values for later years will be computed on the same basis and will be furnished on request.

Dividend additions (Option (c)) and dividends standing

the credit of the Policy (Option (d) ) will increase the values stated in this table.

If Insured has selected the Accelerative Endowment Plan, dividends so applied will increase the values stated in this table.

After three full annual premiums shall have been paid, the Insured may, not later than three months after any default in payment of premium, surrender the Policy, and

(1) Receive its Cash Surrender Value; or

(2) Receive the amount of non-participating Paid-up insurance which the cash surrender value less any indebtedness hereon will purchase, payable at the same time and on the same conditions as this Policy, but without disability or double indemnity benefits. The Insured may at any time obtain a loan on such paid-up insurance, or surrender it for its cash surrender value.

(3) If the policy be not surrendered for cash or for paid-up insurance, its cash surrender value at date of default, less the amount of any indebtedness, shall automatically purchase Continued Insurance from the date of default for the face of the Policy at the time of lapse plus any dividend additions and less any indebtedness to the Company; and if it shall be more than enough to purchase continued insurance to the date of the maturity of the endowment, the excess shall be used to purchase Pure Endowment payable on the maturity date if the Insured is then living. The Continued Insurance and the Pure Endowment shall be without future participation and without the right to loans, cash surrender values, disability or double indemnity benefits.

The Cash Surrender Value shall be the reserve on the face of the Policy at the date of default (omitting fractions of a dollar per thousand of insurance) and the reserve on any outstanding paid-up additions under Section 2, Option (c), plus any dividends standing to the credit of the Policy under Section 2, Option (d), and less a surrender charge which in no case shall be more than one and one-half per cent of the face of the Policy.

The reserve, paid-up insurance under (2), and continued insurance and pure endowment under (3), will be computed on the basis of the American Table of Mortality and Interest at three per cent, at the attained age of the Insured on the date of default.

**SECTION 6. OTHER BENEFITS AND PROVISIONS. AGE.**—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**ASSIGNMENT.**—Any assignment of this Policy must be made in duplicate and one copy filed with the Company at its Home Office. The Company assumes no responsibility for the validity of any assignment.

**CHANGE OF BENEFICIARY.**—When the right to change the beneficiary has been reserved, the Insured may at any time, and from time to time, change the beneficiary, provided this Policy is not then assigned. Every change of beneficiary must be made by written notice to the Company at its Home Office accompanied by the Policy, and will take effect only when duly endorsed on the Policy by the Company. In the event of the death of any beneficiary before the Insured the interest of such beneficiary shall vest in the Insured.

**GRACE.**—If any premium is not paid on the day it falls due the policyholder is in default; but a grace of one month (not less than thirty days) subject to an interest charge of five per cent per annum will be allowed for the payment of every premium after the first, during which time the insurance continues in force. If death occurs within the period of grace the unpaid premium for the then current insurance year will be deducted from the amount payable hereunder.

**INDEBTEDNESS.**—Any indebtedness to the Company against the Policy shall be deducted in any settlement thereof.

**PAYMENT OF PREMIUMS.**—All premiums are payable on or before their due date, at the Home Office of the Company or to an authorized agent of the Company, but only in exchange for the Company's official premium receipt signed by the President, a Vice-President, a Second Vice-President, a Secretary or the Treasurer of the Company, and countersigned by the person receiving the premium. No person has any authority to collect a premium unless he then holds said official premium receipt. The premium is always considered as payable annually in advance, but by agreement in writing and not otherwise may be made payable in semi-annual or quarterly payments. Any unpaid premiums required to complete payment for the current insurance year in which death occurs shall be deducted from the amount payable hereunder. The payment of the premium shall not maintain the Policy in force beyond the date when the next payment becomes due, except as to the benefits provided for herein after default in premium payment.

**REINSTATEMENT.**—At any time within five years after any default, upon written application by the Insured and upon presentation at the Home Office of evidence of insurability satisfactory to the Company, this Policy may be reinstated together with any indebtedness in accordance with the loan provisions of the Policy, upon payment of loan interest, and of arrears of premiums with five per cent interest thereon from their due date.

**SELF-DESTRUCTION.**—In event of self-destruction during the first two insurance years, whether the Insured be sane or insane, the insurance under this Policy shall be a sum equal to the premiums thereon which have been paid to and received by the Company and no more.

**OPTIONAL METHODS OF SETTLEMENT.**—If there is no assignment of this Policy, the Insured, or in case the Insured shall not have done so, the beneficiary after the Insured's death, may, by written notice to the Company at its Home Office, make the proceeds of this Policy payable under one of the options contained in Section 7, which section is endorsed hereon and made a part of this Policy.

**MISCELLANEOUS PROVISIONS.**—The Policy and the application therefor, copy of which is attached hereto, constitute the entire contract. All statements made by the Insured shall, in absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the Policy or be used in defense to a claim under it, unless it be contained in the written application and a copy of the application is endorsed upon or attached to this Policy when issued. The Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the Insured by this Policy. No agent is authorized to waive forfeitures, or to make, modify or discharge contracts, or to extend the time for paying a premium.

This Policy is free of conditions as to residence, travel, occupation, or military or naval service, and shall be incontestable after two years from its date of issue except for non-payment of premium. All benefits under this Policy are payable at the Home Office of the Company in the City and State of New York.

**In Witness Whereof** the NEW YORK LIFE INSURANCE COMPANY has caused this contract to be signed this *twelfth* day of *April*, Nineteen Hundred and *Sixteen*.

Secretary.

DARWIN P. KINGSLEY,

President.

#### SECTION 7. OPTIONAL METHODS OF SETTLEMENT.

Option 1.—The proceeds may be left with the Company subject to withdrawal in whole or in part at any time on demand.

sums of not less than one hundred dollars: The Company will credit interest on the proceeds so left with it at such rate as it may each year declare on such funds, at a rate, however, never less than three per cent per annum and credited annually.

**Option 2.**—In equal instalments for an agreed number of years.

**Option 3.**—In equal instalments for twenty years, and for as many years thereafter as the payee shall survive. The amount of each instalment shall be determined by the attained age of the payee on the date when the instalment payments begin. If the Insured shall so direct in writing, the instalments payable under this option shall not be transferable, nor subject to commutation or incumbrance, during the lifetime of the payee.

Any instalments under Options 2 or 3 shall be payable either immediately upon approval of proofs of death of the Insured in case such death occurs before the end of the Endowment period, or immediately at the end of the Endowment period in case the Insured is then living, and annually, semi-annually, quarterly or monthly thereafter as may be agreed.

In the event of the death of a payee any unpaid sum left with the Company under Option 1 shall be paid in one sum; any unpaid instalments payable under Option 2, or any instalments for the fixed period of twenty years only under Option 3 which shall not then have been paid, shall be commuted at three per cent compound interest, and unless otherwise agreed in writing shall be paid in one sum to the executors or administrators of such payee.

The sums payable under the foregoing options are based upon an assumed interest earning of three per cent, but if in any year the Company shall declare for that year upon funds held by it under such options interest at a rate greater than three per cent, the sum then payable under Option 2, or under Option 3 within the fixed period of twenty years, shall be increased accordingly.

After this Policy becomes a claim, and upon surrender of the Policy, the Company will make and deliver to each payee a certificate evidencing his rights and benefits under the option selected.

Instalment options are not applicable to a Policy which is payable to a corporation or co-partnership, nor to policies under which the net sum payable is less than one thousand dollars.

The minimum payments will be \$50 when paid annually, \$25 when paid semi-annually, \$15 when paid quarterly, or \$10 when paid monthly, and the total of the fractional payments each year shall equal the annual payment each year as shown in the following tables, which are based upon a Policy, the proceeds of which are \$1,000. The figures contained in the table will apply pro rata to this Policy.

## PRIVILEGES AND PROVISIONS.

**LOANS.**—Cash loans will be granted on the sole security of this policy and proper assignment of the same, at any time while the policy is in force after premiums have been paid in cash for three full years, for a sum equal to, or at the option of the Insured, less than the cash surrender value indicated in Column (1) of the accompanying table, deducting therefrom all other indebtedness hereon to the Company. Said loans shall be subject to interest at the rate of six per cent. per annum, payable in advance to the end of the current policy year, and annually in advance thereafter. At the option of the Company the loan may be deferred for a period not exceeding ninety days, after the application therefor is received by the company, unless such loan is to be applied solely to the payment of a current premium hereunder. Failure to repay any such loan or to pay interest thereon shall not avoid the policy unless the total indebtedness thereon shall equal or exceed the loan value at the time of such failure, but if the interest is not paid when due it shall be added to the indebtedness; and whenever the total indebted-

ness shall become equal to the loan value the policy shall be forfeited or void provided such indebtedness be not reduced to less than the said loan value within one month (not less than thirty days) after notice to that effect shall have been mailed by the Company to the last known address of the person to whom the loan was made, of the Insured, and of the assignee of record at the Home Office of the Company, if any.

**SPECIAL PREMIUM LOAN PRIVILEGE.**—The owner of this Policy, at any time while there is no default in payment of any premium hereunder, or upon reinstatement, may file with the Company a request for automatic premium loans. If after such request shall have been filed any premium on this Policy be not paid in cash on or before the date when due or within the month of grace, the Company will charge up such premium (and any subsequent premium or premiums not paid in cash) with interest at six per cent. per annum, in advance, against the then loan value of this Policy, as stated above, provided that such loan value is sufficient. Any premium or premiums so charged against the loan value of this Policy shall be considered as a loan upon the Policy and shall be subject to the same terms and conditions as any loan made under the terms of the preceding clause "Loans." The request for automatic premium loans may be revoked at any time in writing by the said owner, provided, however, that such revocation shall not affect any loan that may have been previously made under this privilege.

**CASH SURRENDER VALUE.**—If this Policy be legally surrendered to the Company within one month after the end of the third year from its date or of any year thereafter, and all premiums to the end of that year have been paid in full, the Company will pay therefor, in lieu of all other benefits, the sum indicated in Column (1) of the accompanying table, less any indebtedness to the Company on account of this Policy,

**PAID-UP LIFE INSURANCE.**—Upon written request by the owner, accompanied by this Policy, within one month after default in the payment of any premium after it shall have been in force for three full years, this Policy will be endorsed for the amount of non-participating Paid-Up Life Insurance indicated in Column (2) of the accompanying table, payable under the conditions of this Policy at the death of the Insured; provided that such Paid-Up Insurance shall be without the right to loans, and provided further that if there be any indebtedness to the Company on account of this Policy, the amount of such Paid-Up Insurance will be reduced in the proportion that the total indebtedness bears to the Cash Surrender Value of this Policy at date of default.

**AUTOMATIC EXTENDED INSURANCE.**—After premiums on this Policy shall have been paid in cash for three full years, if any subsequent premium is not paid within one month after the day when due or charged against the loan value of the policy as provided in the above "Special Premium Loan Privilege" clause, and if this Policy be not surrendered for its Cash Surrender Value or endorsed for Paid-Up Life Insurance, the insurance hereunder will, without any action on the part of the Insured, be continued for its face amount, but without the right to loans, as non-participating Paid-Up Term Insurance for the period indicated in Column (3) of the accompanying table, from the date to which premiums have been paid; provided that if there be any indebtedness hereon to the Company, the amount payable hereunder will be reduced in the proportion that the total indebtedness bears to the Cash Surrender Value of this Policy at date of default.

**CASH SURRENDER VALUES UNDER PAID-UP LIFE INSURANCE AND AUTOMATIC EXTENDED INSURANCE.**—Any Paid-Up Life Insurance or Automatic Extended Insurance in force under the provisions of the preceding paragraphs may be surrendered at any time for its full reserve value at the time of such surrender.

NOTE.—Loans will be made at the beginning instead of at the end of any year, provided the full year's premiums have been paid.

The reserve for which funds are to be held upon this policy shall be computed according to the Illinois standard of valuation upon the American Experience Table of Mortality with interest at three and one-half per cent. per annum.

The surrender options in the above table are mathematical equivalents and the net value of each option is equal to the entire reserve on this policy according to the foregoing standard less an amount not greater in any case than one per cent. of the amount insured by the policy. For the twentieth and subsequent years each of such net values shall be equal to the full American Experience three and one-half per cent. reserve. If this policy is continued in force beyond the twentieth year, figures for later years will be furnished on application to the Home Office.

In case premiums are paid in semi-annual or quarterly installments the values at intermediate periods between the anniversaries will be computed on the same basis as the corresponding values at the end of the last completed year.

**CHANGE OF BENEFICIARY.**—The Insured, if there be no existing assignment of this Policy made as herein provided, may, while the Policy is in force, designate a new beneficiary, by filing written notice thereof at the Home Office of the Company, accompanied by this Policy for suitable endorsement. Such change shall take effect upon the endorsement of the same on the Policy by the Company, whereupon all rights of the former beneficiary or beneficiaries shall cease. If any beneficiary shall die before the Insured, the interest of such beneficiary shall vest in the Insured.

**PAYMENT OF PREMIUMS.**—All premiums are payable in advance at the Home Office, or to any agent of the Company upon delivery on or before the date due, of a receipt signed by the President, the Vice-President, or the Secretary of the Company, and countersigned by said agent.

In lieu of the annual premium specified on the first page hereof the Company will, upon written request by the owner of this Policy, accept installments of *One Hundred and Sixty Dollars and Nine cents* semi-annually in advance, or *Eighty-Two Dollars and* \* \* \* cents quarter-annually in advance.

If premiums hereon are paid in semi-annual or quarterly instalments, any portion of the premium for the then current policy year remaining unpaid when this policy matures shall be considered an indebtedness to the Company on account of this Policy.

Except as herein provided, the payment of a premium or instalment thereof shall not maintain the policy in force beyond the date when the next premium or instalment thereof is payable.

**DAYS OF GRACE.**—A grace of one month (not less than thirty days) will be granted for the payment of premiums after the first, during which time the insurance shall continue in force. If death occur within the days of grace, the unpaid portion of the premium for the then current policy year shall be deducted from the amount payable hereunder.

**REINSTATEMENT.**—This Policy may be reinstated after default in payment of any premium upon evidence of insurability satisfactory to the Company, subject to payment of the past due premiums, with interest at six per cent. per annum thereon, provided that any indebtedness previously existing against this Policy shall be reinstated with interest at six per cent. per annum from date of default, and provided that said indebtedness with interest does not exceed the loan value after past due premiums, with interest, have been paid.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Policy will be deducted in any settlement of this Policy, or in any benefit hereunder.

**ASSIGNMENTS.**—No assignment of this Policy shall be binding upon the Company, unless it be filed with the Company at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

#### OPTIONS GAURANTEED AT THE END OF TWENTY YEARS.

If the Insured is living on the *Third* day of *March*, 1935, provided all the premiums have been duly paid under this contract, one of the following options may be selected:

- (1). Continue the contract without further payment of premiums as a paid-up policy payable at death.
- (2). Surrender this contract for a cash payment of *Five thousand, Six Hundred and Sixty Dollars*, less any indebtedness hereon.
- (3). Surrender this contract for an annual income payable during the lifetime of the Insured, based on the Company's published Annuity tables then in force.

#### MODES OF SETTLEMENT.

The Insured or the owner, or the beneficiary after the Insured's death, in case the insured shall have made no election, may by written notice to the Company at its Home Office, elect to have the net sum payable under this policy upon the death of the Insured, provided such net sum be not less than \$1,000, paid either in cash or as follows:

- (1) By the payment of interest thereon at three and one-half per centum per annum, payable at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said net sum, together with any accrued interest or the year then current, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.
- (2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately in accordance with the following table for each \$1,000 of said net sum.
- (3) By the payment of equal annual instalments payable at the beginning of each year for a fixed period of twenty years and for so many years longer as the beneficiary shall survive, in accordance with the following table for each \$1,000 of said net sum.

Semi-annual, quarterly or monthly payments, for proportionate amounts, will be made in lieu of annual payments under (2) or (3), if request therefor is included in the written notice, above referred to.

Any instalments under (2) or (3) which shall not have been paid prior to the death of the beneficiary shall be paid, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns. Unless otherwise specified by the owner or by the beneficiary in making such election, the beneficiary shall have the right, when any instalment becomes due, to commute and receive in one sum the then present cash value of the payments yet to be made, computed upon the same basis as option (2) in the following table; provided that no such commutation will be made under option (3) except after the death of the beneficiary occurring within the aforesaid twenty years.

## GENERAL PROVISIONS.

(1) No one has power to make or modify this contract insurance, or to extend the time for paying any premium, and

Company shall not be bound by any promise or representation heretofore or hereafter made, unless made in writing by any two of the following officers, viz.: The President, Vice-President or Secretary. (2) If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premiums paid would have purchased at the correct age. (3) This Policy shall be incontestable after one year from its date except for non-payment of premium. (4). If the Insured shall, within one year from the date hereof, enter or engage in military or naval service in time of war, or travel or reside South of the Tropic of Cancer or North of the 60th Degree North Latitude, without first obtaining the written consent of the Company; or, if the Insured shall during said year engage in any of the following extra hazardous occupations or employments, viz.: Retailing intoxicating liquors, handling electric wires and dynamos, blasting, mining, submarine labor, aeronautic ascensions, the manufacture or handling of highly explosive substances, serve upon any railroad train or track, or any switch, or in coupling cars, or on any steam or other vessel, unless written permission is expressly granted by the Company; or, if within one year from the date hereof the Insured shall die by his own hand or act, whether sane or insane; then, and in either of the above events, the only amount payable hereunder shall be a sum equal to the premiums paid hereon, with interest at the rate of 6 per cent. per annum. (5) This Policy or any Paid-Up or Continued Insurance or other benefits granted as provided herein, shall not participate in the profits or surplus of the Company. (6). If this Policy shall become a claim by the death of the Insured, settlement shall be made upon receipt of due proof of death and of the interest of the claimant and not later than two months after receipt of such proof. (7) This Policy and the application therefor, a copy of which is hereto annexed, shall constitute the entire contract between the parties, and all statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the Policy or be used in defense to a claim thereunder unless it is contained in a written application and a copy of such application be endorsed upon or attached to the Policy when issued.

#### PROTECTION IN EVENT OF TOTAL AND PERMANENT DISABILITY.

Upon receipt of due proof, at any time after one full year's premium shall have been paid on this policy and before default in the payment of any subsequent premium, that the Insured before attaining the age of sixty years has become wholly and permanently disabled by bodily injury or disease, and will be continuously and wholly prevented thereby for life from engaging in any occupation whatsoever for remuneration or profit, the Company, by an endorsement on this contract, will agree to waive payment of any premium or premiums that may thereafter become due during the continuance of such disability. Premiums so waived shall not be a lien on this contract, and the loan and surrender values specified on the second page of this policy shall increase in the same manner as if the premiums were being paid by the Insured.

Upon written request by the owner of this policy, the Company will further agree, in said endorsement, to pay the face amount

of this policy to the Insured, during such disability, in ten equal annual instalments, beginning one year after receipt of said proof of disability, provided that such instalments shall be in full settlement of this policy, and in lieu of all other benefits thereunder, and provided further, that if any indebtedness to the Company on account of this policy shall remain unpaid at the time of such endorsement, each of such annual instalments shall be reduced by an amount equal to twelve per cent. of such indebtedness. In the event of the death of the Insured after such endorsement, and before the ten annual instalments shall have been paid, the remaining instalments shall be paid to the beneficiary as they become due.

If like total and permanent disability shall occur, under the conditions above stated, but after the Insured has attained the age of sixty years, the Company will allow all premiums falling due more than six months after receipt of due proof of such disability to accumulate without interest as an indebtedness on this contract, and in such case the loan and surrender values specified on the second page of this policy shall increase in the same manner as if the premiums were being paid by the Insured.

The Company, notwithstanding acceptance of proof of disability, may, from time to time, but not oftener than once a year, require proof of the continuance of such disability, and if the Insured shall fail to furnish such proof, or if the Insured shall have become able to engage in any occupation whatsoever for remuneration or profit, then all premiums thereafter falling due must be paid as originally provided in the policy; and if the policy shall have been endorsed for payment in instalments the Company's obligation to make further instalment payments shall immediately cease, and the policy shall be restored, as originally issued, for its face amount less the sum of the instalments paid. Premiums thereafter falling due and all benefits under the policy shall be reduced proportionately and shall be based on such reduced amount of insurance, and any indebtedness to the Company on account of the policy outstanding at the date of said endorsement shall be restored, together with interest at six per cent. per annum from said date.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this provision.

This provision will be canceled at any time upon written request by the Insured, accompanied by this policy for proper endorsement, in which event the subsequent annual premiums will be reduced twenty-five cents for each one thousand dollars insured hereunder, which is the premium included for this benefit in the total premium charged for this policy.

#### NOTICE.

It is not necessary for the Insured or the Beneficiary to employ the agency of any person, firm or corporation in collecting the insurance under this policy, or in receiving any of its benefits. Time and expense will be saved by writing direct to the Home Office, North American Building, Chicago, Ill.

**APPLICATION.**

I hereby declare that all the statements and answers to the above questions are complete and true, and I agree as follows: 1. That this application, including the statements made or to be made to the Company's Medical Examiner, shall become a part of the Contract of insurance hereby applied for. 2. That no statements, promises or information made or given by, or to the person soliciting or taking this application for a policy, or by or to any other person, shall be binding on the Company, or in any manner affect its rights, unless such statements, promises or information be reduced to writing, and presented to the officers of the Company, at the Home Office, in this application. 3. That the policy hereby applied for shall be accepted subject to its terms, and that said policy shall not take effect until the same has been issued and delivered by the Company and the first premium paid thereon in full during my lifetime, and while I am in good health. 4. That any payment in advance on account of premium shall be binding on the Company only in accordance with the Company's receipt, made up, without alteration, on the receipt form detached from this application. 5. That the Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the Insured by said policy.

**MEDICAL EXAMINER'S FORM**

I declare on behalf of myself and of any person who shall have or claim an interest in any policy issued hereunder, each of the above answers to be full, complete and true, and that to the best of my knowledge and belief I am a proper subject for life insurance.

I expressly waive, on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, all provisions of law forbidding any physician or other person who attended or examined me, or who may hereafter attend or examine me, from disclosing any knowledge or information which he thereby acquired.

**AGENTS.**—2. No agent of the Company has any authority to waive forfeitures or to make, alter or discharge contracts.

**RESERVE.**—3. The reserve on this Policy and any dividend additions thereto shall be in accordance with the American Experience Table of Mortality with interest at three per cent.

No premium after the first shall be considered paid (except it be duly charged as a premium loan) unless a receipt, signed by the President or Secretary of the Company and countersigned by an agent authorized to receive such premium, shall be given therefor. terest at the rate of five per cent per annum, and the payment or reinstatement of any indebtedness which existed at the time of such default with interest from that date.

**DIVIDEND OPTIONS.—9.** This Policy while in force except as extended term insurance shall participate in the surplus of the Company and the Company will annually determine and account for the divisible surplus accruing hereon until all surplus found to have arisen from this Policy shall have been returned.

The current dividend each year, at the option of the owner of the Policy, may be: (a) withdrawn in cash; or (b) applied to the payment of premiums; or (c) applied to the purchase of non-forfeitable participating paid-up additions to the Policy; or (d) left to accumulate to the credit of the Policy and withdrawable on any anniversary thereof, at such rate of interest not less than three per cent, credited annually, as may be determined by the Company. Unless the owner of the Policy shall otherwise elect in writing, dividends will be paid in cash.

**PAID-UP AND ENDOWMENT OPTIONS.—10.** Whenever the reserve on this Policy and existing dividend additions at the end of any policy year shall equal or exceed the net single premium for the attained age of the Insured by the American Experience Table of Mortality with interest at three per cent for an amount of insurance equal to the face amount of this Policy, the Company, at the written request of the Insured, will endorse the Policy (subject to any existing indebtedness) as participating paid-up insurance for such an amount as the said reserve will purchase at the premium named; or, whenever said reserve at the end of any policy year shall equal or exceed the face amount of this Policy, the Company upon a full and valid surrender of the Policy and all claims thereunder will pay, as a matured endowment, the amount of said reserve less any existing indebtedness to the Company on account of this Policy.

#### NON-FORFEITURE AND LOAN FEATURES.

11. The following provisions relating to the Non-Forfeiture and Loan features of this Policy shall become operative only after payment of premiums for two full years, and no request, revocation or change in connection with such provisions shall become effective unless duly made in writing and filed at the Home Office of the Company:

**BASIS OF SURRENDER VALUES.—11a.** The cash surrender value of this Policy at any time prior to default in premium payment or within the thirty-one days of grace, will be the then reserve on the Policy and any dividend additions then existing, less any indebtedness to the Company on account thereof, and less also a surrender charge on the amount insured which during the fifth or any previous Policy year shall be at the rate of ten dollars per \$1,000 of insurance and which thereafter shall diminish annually at the rate of one dollar per \$1,000 of insurance.

**PREMIUM LOANS.—11b.** Upon request of the Insured, together with the Assigns if any, made prior to default in premium payment, the premium or premiums thereafter falling due during the time any such request shall remain unrevoked and not paid when or before due, will be charged as a premium loan with interest at the rate of five per cent. per annum, provided the cash surrender value (as stated in the preceding paragraph numbered 11a.) shall be sufficient to cover such loan. Any premium loan may be repaid at any time.

**EXTENDED AND PAID-UP INSURANCE OPTIONS.—11c.** Upon default in premium payment, unless the premium be paid withi

the thirty-one days of grace, the face amount of the Policy and any existing dividend additions, less any indebtedness to the Company on account thereof, will be extended automatically as non-participating term insurance for such length of time from the date of such default as the then cash surrender value (as stated in the preceding paragraph numbered 11a) will provide at the net single premium rate for the attained age of the Insured according to the American Experience Table of Mortality with interest at three per cent.

11d. Upon request of the Insured, together with the Beneficiary and Assigns if any, made prior to default in premium payment or within the thirty-one days of grace and including a waiver of the automatic extended term insurance feature, participating paid-up insurance will be secured upon default in premium payment, unless the premium be paid within the thirty-one days of grace, for such an amount as the then cash surrender value (as stated in the preceding paragraph numbered 11a, but exclusive of any indebtedness which shall remain as a lien against the policy) will provide at the net single premium rate for the attained age of the Insured according to the American Experience Table of Mortality with interest at three per cent.

11e. Change from automatic extended term insurance to paid-up insurance, or vice versa, may be made in accordance with their respective provisions, if the Policy be not then in premium default for more than thirty-one days.

**CASH SURRENDER AND LOAN OPTIONS.**—11f. Upon request accompanied by a full and valid surrender of this Policy and all claims thereunder, the Company will pay the then cash surrender value thereof, which while the Policy is in full force including the thirty-one days of grace shall be as stated in the preceding paragraph numbered 11a, and subsequent thereto shall be the full reserve on the form of insurance then in force less any indebtedness to the Company on account thereof.

11g. Upon request and the sole security of this Policy properly assigned, the Company, unless extended term insurance be in force, will advance at a rate of interest not exceeding six per cent. per annum, an amount which with the interest, and any unpaid premium or premiums, for the then current policy year shall equal, or at the option of the Insured be less than the cash surrender value of the Policy and of any existing dividend additions at the end of such year. Failure to pay either loan or interest shall not avoid the Policy unless the total indebtedness to the Company on account thereof shall equal or exceed the cash surrender value of the Policy and any existing dividend additions, nor until thirty-one days after notice shall have been mailed to the last known address of the Insured and of any Assignee.

11h. The Company shall have the right to defer payment of the cash value, or the making of the loan (unless for the purpose of paying renewal premiums on policies in this Company); for a period not exceeding ninety days.

#### TABLE OF LOAN AND SURRENDER VALUES.

This Table is based upon a policy of \$1,000 free from indebtedness and without dividend additions. The Values stated will apply pro rata to the amount of this Policy and due allowance will be made for any dividend additions continued in force and also for any portion of a year's premium paid over and above the premiums for the full number of years indicated. Indebtedness will be adjusted as stated in the Policy.

**AGREEMENT FOR WAIVER OF PREMIUMS NON-PARTICIPATING  
THE NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY  
AGREEMENT SUPPLEMENTARY TO  
Policy Number 99999.**

Life of John Doe, Insured.

**WAIVER OF PREMIUMS IN EVENT OF TOTAL DISABILITY BEFORE  
ATTAINING 60 YEARS OF AGE.**—In consideration of the payment of  
an extra premium of Two and 70/100 Dollars (first payment hereby  
acknowledged), together with each annual premium required under  
said Policy, it is agreed that if, after payment of premium for one  
full year and during the continuance of this Agreement, the In-  
sured shall, prior to his 60th birthday anniversary, furnish proof  
satisfactory to the Company that he has become totally and per-  
manently disabled from any cause and is physically or mentally  
incapacitated to such an extent that he is and presumably will be  
wholly and permanently unable to engage in any gainful occupation  
or perform any work for money compensation, the Company on  
receipt of such proof will by suitable endorsement of this Agreement  
waive the payment of any and all premiums thereafter falling due  
under said Policy and this Agreement during the continuance of  
such disability, except as hereinafter stipulated and agreed:

1. No payment of extra premium under this Agreement shall  
be required after said Policy shall have become fully paid up or in  
any case after the sixtieth birthday anniversary of the Insured.

2. Notwithstanding the acceptance of proof of disability the  
Insured, or his legal representatives, shall annually on the anni-  
versary of the date of said Policy, or within 31 days thereafter, file  
with the Company a declaration of continued disability of the In-  
sured and shall upon request, but not oftener than once a year,  
furnish proof thereof satisfactory to the Company. If the Insured,  
or his legal representatives, at any time after such waiver shall,  
upon such request mailed by the Company to his or their last known  
address, fail to furnish such proof of continued disability, or if it  
shall appear to the Company that Insured has so far recovered as  
to be able to perform work of any kind for compensation, gain or  
profit, then and in either such event, said waiver shall be deemed  
to have failed and any premium or premiums then or thereafter  
falling due under said Policy and this Agreement shall be payable  
in accordance with the terms thereof the same as if no waiver of  
premiums had been made.

3. Such premiums as fall due after the receipt by Company of  
satisfactory proof of disability and prior to acceptance thereof shall  
be payable by Insured but the same shall be remitted by Company.

4. Waiver of premiums under this Agreement shall not affect  
the rights of the parties at interest to any benefits or privileges  
provided in said Policy which shall be the same as if the premiums  
were paid in cash.

5. It is agreed that total and permanent loss of sight of both  
eyes, the loss by severance of both hands at or above the wrists, or  
of both feet at or above the ankles, or of one entire hand and one  
entire foot, shall, without prejudice to any other cause of disability  
and upon due proof before age 60, be considered total disability  
within the terms of this Agreement.

6. The non-payment of the extra premium as required by this  
Agreement either on the due date or within the days of grace pro-  
vided by said Policy shall automatically terminate this Agreement  
but same may be reinstated, provided the said Policy be then in  
full force, upon evidence satisfactory to Company of the insurability  
of Insured and payment of all premium arrears with interest at the  
rate of five per cent per annum.

7. The premiums paid on this Agreement shall not participate  
in the surplus of the Company and shall remain the property of  
the Company in event of the termination thereof in any way.

**TOTAL AND PERMANENT DISABILITY.**—*Twelfth*—The Company, by endorsement hereon, will waive payment of the premiums thereafter becoming due, if the Insured, before attaining the age of sixty years and after paying at least one full annual premium and before

default in the payment of any subsequent premium, shall furnish proof satisfactory to the Company that he has become totally and permanently disabled by bodily injury or disease so that he is and will be permanently, continuously and wholly prevented thereby from performing any work or pursuing any occupation or profession for wages or profit. Accidental injuries which, independently of all other causes and within ninety days from the happening of the accident, result in the irrecoverable loss of the entire sight of both eyes, or in the amputation of both hands at or above the wrists, or both feet at or above the ankles, or one entire hand and one entire foot, shall also be deemed to constitute total and permanent disability.

Any premium so waived shall not be deducted from the sum payable under the policy and the loan and cash values shall be the same as if such premiums had been paid in cash when due. So long as the Company continues to waive the premiums under this agreement, it is understood that the Insured shall on demand furnish the Company satisfactory proof of the continuance of the disability and if the Insured shall fail to furnish such proof, or if it shall appear to the Company that the Insured is able to perform any work or pursue any occupation whatsoever for wages or profit, all premiums thereafter falling due must be paid by the Insured.

**LOANS.—Thirteenth**—At any time after three years' premiums have been paid, and while this policy is in full force, the Company will advance, on proper assignment of this policy, and on the sole security thereof, a sum not exceeding the loan value as stated in the table on the third page hereof, increased by the reserve upon dividend additions to this policy, if any. The granting of a loan may be deferred by the Company for not exceeding sixty days after the application therefor is made. Interest on such loan shall be at a rate not exceeding six per cent per annum, and shall be payable in advance to the end of the then current policy year, and annually in advance thereafter. The Company will deduct from such loan, interest on the loan to the end of the current policy year, any existing indebtedness on the policy, and any unpaid balance of the premium for the current policy year. Failure to repay any such advance, or to pay interest, shall not void the policy unless the total indebtedness shall equal or exceed the loan value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the Insured, and if any, of the Assignee of record at the Home Office of the Company.

**SURRENDER VALUE.—Fourteenth**—After three full years' premiums have been paid, if any subsequent premium be not paid, the Insured may, within one month after the unpaid premium shall have become due, select one of the following options:

- (a) To surrender the policy for its cash value; or
- (b) To have the policy endorsed for non-participating, paid-up insurance of a reduced amount, payable at the same time and on the same conditions as this policy; or
- (c) To have the insurance continued in force from date of default as extended term insurance for the face amount of the policy less any indebtedness but without further participation or right to loans.

The cash value, paid-up value and period of extended insurance available if the policy is without dividend additions or indebtedness are shown in the table on the third page hereof. The reserve on dividend additions, if any, shall be added to the cash value or used to increase the amount of paid-up insurance or to extend the period of term insurance. If there is any indebtedness on account of the policy, such indebtedness shall be deducted from the cash surrender value, or the amount of paid-up insurance shall be such as the cash surrender value less the indebtedness will purchase according to the American Table of Mortality and interest at the rate of three and one-half per cent per annum, or the extended insurance shall be for the amount of the face of the policy less such indebtedness, and for such time as the cash value less all indebtedness will ex-

tend the same according to the American Table of Mortality and interest at the rate of three and one-half per cent per annum.

The company may defer the payment of a cash surrender value for not more than sixty days after the application therefor is made.

**AUTOMATICALLY NON-FORFEITABLE.**—*Fifteenth*—After three years' premiums have been paid, if any subsequent premium remains unpaid, and a surrender value is not selected within one month as above provided, the policy will be automatically continued under surrender value option (c), as extended term insurance.

**INDEBTEDNESS.**—*Sixteenth*—Any indebtedness to the Company on account of this policy, and any part of the premium for the insurance year remaining unpaid at the death of the Insured will be deducted in any settlement hereunder.

**REINSTATEMENT PRIVILEGE.**—*Seventeenth*—This contract may be reinstated at any time after default in payment of premiums upon evidence of insurability satisfactory to the Company, and payment of arrears of premium with interest. Any indebtedness charged against the contract at the time of surrender shall continue in full against the reinstated policy.

**PARTICIPATION.**—*Eighteenth*—This policy shall participate in the surplus of the Company and beginning at the end of the second policy year the Company will annually determine and account for the portion of the divisible surplus accruing hereon.

**DIVIDEND OPTIONS.**—*Nineteenth*—The Current dividend each year, at the option of the Insured, may be:

(First) Drawn in cash; or

(Second) Left to accumulate, with interest, to the credit of the policy and payable at the maturity of the policy but withdrawable on any anniversary. The rate of interest shall be declared annually by the Company, but shall in no event be less than three and one-half per cent; or

(Third) Applied toward the payment of any premium or premiums; or

(Fourth) Applied to the purchase of pure endowment additions to the policy; or

(Fifth) Applied to the purchase of paid-up additions to the policy. If this option is originally selected and followed continuously, evidence of good health will not be required, but a change to the fifth option after another option has been used will be subject to satisfactory evidence of insurability.

Unless the Insured shall select otherwise within three months after the mailing of notice requiring such election, dividends shall be paid in cash.

**MODES OF SETTLEMENT.**—*Twentieth*—The amount due hereon shall be paid immediately upon receipt of due proof of the death of the Insured. The Insured, or after the Insured's death, the beneficiary, by written notice to the Company at its Home Office, may elect to have the total sum payable under this policy, paid either in cash or as follows:

(1) By payment of an annuity equal to three and one-half per cent of such total sum, at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said total sum, together with any accrued portion of the annuity for the year then current, to the beneficiary's legal representatives or assigns; or

(2) By payment of equal annual instalments at the beginning of each year for a specified number of years, the first instalment being payable immediately in accordance with the following table for each \$1,000 of said total sum; or

(3) By payment of equal annual instalments payable at the end of each year for a fixed period of twenty years, and as many years longer as the beneficiary shall survive, in accordance with the following table for each \$1,000 of said total sum.

Any instalments payable under (2) or (3) which shall not have been paid prior to the death of the beneficiary shall be paid to the beneficiary's legal representatives or assigns.

Unless otherwise specified by the Insured or the beneficiary, the agreement for the payment of an annuity or instalments may be surrendered at any time for the commuted value of payments yet to be made, computed upon the same basis as the following tables: Provided, that no such surrender and commutation shall be made under (3) unless the good health of the beneficiary is shown to the satisfaction of the Company.

Under the above explanation of the first mode of settlement and in the following tables illustrating the second and third modes of settlement, values are based on an assumed interest earning of three and one-half per cent, which rate is guaranteed as a minimum. If in any year the Company should declare on funds held by it under such modes of settlement a greater rate of interest, the sums payable shall be increased accordingly.

#### LIMITED INSTALMENTS—OPTION (2).

This Policy shall be pledged as collateral security for such loans, in accordance with the terms contained in the Company's form of Policy Loan Agreement then in use. The minimum amount which the Company will loan at any time is the Value stated in column 1 of the table above. #### INCONTESTABILITY.

This Policy shall be absolutely incontestable for any cause after one year from the date hereof, if premiums are duly paid.

Such a change to take effect only when endorsed on this Policy by the Company.

The Insured may, however, declare the designation of any Beneficiary to be Irrevocable; in which case, the Insured shall not have the right to change the Beneficiary during the lifetime of such Irrevocably Designated Beneficiary. #### GENERAL PROVISIONS.

(1) No Agent can make, modify or alter this contract or extend the time for payment of premiums, nor can this contract be varied or altered, or its applications or conditions waived or extended in any respect, except by written agreement of the Company, signed by the President or a Vice-President, together with the Secretary. (2) If the age of the Insured is incorrectly stated, the amount payable under this Policy shall be the insurance which the actual premium paid would have purchased at the true age of the Insured. (3) Premiums must be paid at the Home Office of the Company unless otherwise provided, and in any case only in exchange for an official receipt signed by the Secretary and counter-signed by the person to whom payment is made. (4) In any apportionment or distribution of profits, the principles and methods which may be adopted by the Company for said apportionment or distribution and its determination of the amount equitably belonging to this Policy shall be conclusive upon the Insured and upon all parties having or claiming any interest under this Policy. The Insured, having changed the mode of payment to annual instalments, may at any time subsequently change the number of instalments, as may be desired, and as above illustrated, or,

entirely revoke any change, thereby making the proceeds of this Policy again payable in one sum.

The payment of the first instalment shall be made immediately upon receipt and approval of proofs of the death of the Insured, and subsequent instalments shall be paid annually thereafter.

Each change of mode of payment, or revocation of any change, must be requested by the Insured in writing, and shall not take effect until endorsed on this Policy by the Company at the Home Office.

The Beneficiary can neither assign nor commute unpaid instalments unless such right is given to the Beneficiary by the Insured in writing, and is endorsed on this Policy by the Company at the Home Office, during the lifetime of the Insured. If, however, the proceeds of this Policy, or any part thereof, are payable to executors, administrators or assigns, such proceeds shall be paid in one sum.

### TOTAL AND PERMANENT DISABILITY BENEFITS.

Attached to and made a part of, Policy No. 99,999 insuring *John Doe*.

**A. WAIVER OF PREMIUMS.**—If while this policy is in full force and without default in the payment of any premium the Company receives due proof that the insured, before attaining the age of sixty years has become wholly disabled by bodily injury or disease so that he is, and will be presumably, thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, the Company shall waive payment of each premium as it thereafter becomes due during the insured's said disability. In making any settlement under this policy the Company shall not deduct any part of the premiums so waived, and the loan and cash surrender values provided for in the policy shall increase from year to year in the same manner as if the premiums so waived had been paid in cash.

**PROVISION FOR DISABILITY OCCURRING AFTER AGE 60.**—Under all the conditions aforesaid, except that the insured shall have attained the age of sixty years before becoming disabled, the Company shall waive payment of each premium thereafter becoming due during such disability, but the face amount of the policy shall be reduced by the amount of each such waived premium, and the loan and cash surrender values in the policy shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid.

**B. INSTALMENT PAYMENTS.**—In addition to waiving payment of premiums as aforesaid, if such disability shall have occurred before the insured attained the age of sixty years, the Company, one year after said proof of such disability, shall pay to the insured one-tenth of the face amount of the policy and a like amount in each insurance year thereafter during the continuance of such disability prior to the maturity of the policy; the policy must be returned to the company for the endorsement thereon of each payment. At the insured's option any such payment or payments may be left with the Company to accumulate until the maturity of the policy at such rate of interest as the Company may declare on funds so held by it but at a rate not less than three and one-half per cent, compounded annually. Each instalment shall reduce to that extent the amount of insurance in force, and the loan and cash surrender values provided in the policy shall be reduced proportionately to the reduced amount insured. If at the time when any such instalment becomes payable there shall be an indebtedness on the policy in excess of the cash surrender value of the reduced amount of

insurance the Company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such cash surrender value. Whenever the total amount of said instalments, together with the amount of any remaining indebtedness to the Company, shall equal the face amount of the policy, plus any paid-up dividend additions, unpaid dividends and dividends left to accumulate to the credit of the policy, then the Company's obligations under the policy shall thereby be fully satisfied and discharged without further action.

C. RECOVERY FROM DISABILITY.—Should the Company accept under this policy proofs of disability, it may nevertheless at any time thereafter, and from time to time, but not oftener than once a year, demand of the insured proof of the continuance of such disability, and upon failure to furnish such proof, or, if it appears that the insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums shall be waived and no further instalment payments will be made by the Company. But if the amount of the insurance shall then have been reduced under any of the foregoing provisions such reduced amount of insurance shall thereafter be the face amount of the policy, and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance, and all benefits under the policy will be reduced accordingly. Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this section.

#### APPLICATION.

I hereby apply for a policy of insurance in the OCCIDENTAL LIFE INSURANCE COMPANY to be issued in accordance with the particulars of the adjoining memorandum and based upon the warranties and agreements hereafter made in writing to the Company. Inasmuch as only the officers at the Home Office of the Company in the City of Los Angeles have authority to determine whether or not a policy shall be issued upon this application, and as they act on the written statements, answers and agreements contained in my application, it is hereby agreed that no statements, promises or information made or given by or to the person soliciting or taking this application, or by or to any other person, shall be binding upon the Company, or in any manner affect its rights, unless such statements, promises or information be reduced to writing and presented to the officers of the Company at the Home Office in this application. I hereby declare and warrant that all my statements and answers herein contained, and those to be given by me in response to the questions asked me by the medical examiner in connection herewith, are full, complete and true.

I agree on behalf of myself and of any other person who shall have or claim any interest in any policy issued under this application, as follows: (1) That any policy issued upon this application shall at all times and places be construed to be a contract made in and under the laws of the State of California. (2) That any policy issued upon this application shall be placed in the dividend class corresponding with the value as to longevity which the Company may put on my life, and that in any distribution of the surplus or apportionment of profits, the principles and methods which may be adopted by the Company for such apportionment and its determination of the amount equitably belonging to any policy which may be issued upon this application, shall be conclusive upon the insured under said policy, and upon all having or claiming any interest thereunder. (3) That the insurance during the first year

succeeding the date of any policy which may be issued hereunder shall be term insurance, and thereafter as for a policy issued at the end of said term. (4) That if the first premium on the insurance herein applied for is not paid in cash at the time of making this application, the insurance shall not take effect unless the policy is delivered to me during my lifetime and good health, and that, unless otherwise agreed in writing, the policy shall then relate back to and take effect as of the date thereof. (5) That any physician may disclose any knowledge or information concerning any question arising under any of my statements or answers or under the contract of insurance, all provisions of law to the contrary being hereby expressly waived. (6) I agree to submit without delay to a medical examination by an authorized medical examiner of the Company.

#### MEDICAL EXAMINER'S FORM.

I warrant on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, each of the answers to be true, full and complete. I expressly waive, on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, all provisions of law forbidding any physician or any other person from disclosing any information acquired while attending or examining me.

**Promises to Pay**, at the Home Office of the Company in the City of Los Angeles, on receipt at said Home Office of due proof of the death of *John Doe*, herein called the Insured, *Ten Thousand* Dollars, less any indebtedness hereon to the Company and any unpaid portion of the premium for the then current policy year, to *Mary Doe, Wife of the Insured*, Beneficiary, with right of revocation.

**PERMANENT TOTAL DISABILITY**.—Should the Insured become permanently totally disabled as hereinafter defined, before attaining the age of sixty years and while this Policy is in full force and effect, the Company agrees to pay to the Insured annual advances on account of the amount payable as a death claim hereunder, all as provided on the succeeding pages of this Policy.

### BENEFITS, CONDITIONS AND VALUES,

REFERRED TO ON THE PRECEDING PAGE OF THIS POLICY.

**INCONTESTABILITY.**—This Policy and the application therefor constitute the entire contract between the parties hereto and shall be incontestable after one year, except for non-payment of premium or for violation of the conditions of the Policy relating to military or naval service in time of war.

**STATEMENTS.**—All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this Policy, unless it is contained in the written application therefor.

**AGE.**—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

**GRACE.**—A grace of thirty-one days shall be granted for the payment of every premium after the first, during which time the insurance hereunder shall continue in force. If death occurs within said grace period, the unpaid premium or portion thereof for the then current policy year shall be deducted from the amount payable hereunder.

**PAYMENT OF PREMIUMS.**—All premiums on this Policy are due and payable in advance at the Home Office of the Company, but may be paid to the agents of the Company producing receipts signed by the President, a Vice-President, the Secretary or an Assistant Secretary, and countersigned by such agents. The mode of premium payment will be changed by the Company, upon request, from annual to semi-annual or quarter-annual or vice versa at the premium rates in use by the Company at the date hereof, but a semi-annual or quarter-annual payment shall not have the effect to continue this Policy in force longer than for the six months or three months covered by such payment, subject to the above provisions relating to grace. If this Policy becomes a claim by death, the Company shall have the right to deduct any part or parts of the Policy year's premiums unpaid. If any premium is not paid when due, or within the grace of thirty-one days, the only liability of the Company under this Policy, if any, shall be such as set forth in the paragraphs marginally headed "Non-Forfeiture" and "Automatic Non-Forfeiture."

**PARTICIPATION.**—This Policy, while in full force and effect, (both during and subsequent to its premium paying period,) shall participate in the future surplus earnings of the participating business of the Company. The proportion of the divisible surplus accruing on this Policy shall be determined by the Company and distributed annually, and not otherwise. The distribution of the surplus at the end of the first policy year shall be conditioned on the payment of the premium then due, but the distribution at the end of the second and subsequent policy years shall not be so conditioned.

**DIVIDENDS.**—Dividends, at the option of the Insured, shall each year on the anniversary date of the Policy be

*Option 1.* Paid in cash; or

*Option 2.* Applied toward the payment of any premium or premiums; or

*Option 3.* Applied to the purchase of paid-up non-participating additions to the Policy; or

**Option 4.** Left to accumulate to the credit of the Policy, with compound interest at such a rate as may be determined from time to time by the Company, and payable at the maturity of the Policy, but withdrawable on demand. The Company guarantees that the interest rate shall not be less than three per centum per annum, and that the same shall be compounded annually.

Unless the Insured shall elect otherwise within three months after the mailing by the Company of a written notice requiring the election of one of the four above options, the dividends will be applied to the purchase of paid-up additions (Option 3), which may be surrendered for cash at any time, and the cash value thereof shall not be less than the original cash dividend.

**CASH LOANS.**—At any time after three full years' premiums have been paid, and while this Policy is in full force and effect, the Company will advance to the Insured, on the proper assignment of the Policy and on the sole security thereof, the whole or any part of the cash surrender value available at the end of the policy year in which application for the loan is made; provided that from such loan interest thereon to the end of the then current policy year, together with any existing indebtedness to the Company on the Policy and any unpaid portion of the premium for the current policy year, shall first be deducted.

Interest on the loan shall be at the rate of six per centum per annum, payable in advance on each anniversary date of the Policy. If interest is not paid when due, it shall be added to the principal and bear interest at the same rate. Failure to repay the loan or to pay interest thereon shall not avoid this Policy unless the total indebtedness hereon to the Company shall exceed the cash surrender value at the time of such failure, nor until thirty-one days after notice of such fact shall have been mailed by the Company to the last known address of the Insured, and of the Assignee of record, if any, at the Home Office of the Company. Unless for the purpose of paying premiums on the Policy, the right to defer the granting of loans for a period not exceeding sixty days after application therefor is made is reserved by the Company.

**NON-FORFEITURE.**—After this Policy shall have been in force three full years, the Insured may elect within three months after any default in payment of premium, but not later, any one of the following options:

**Option 1—Paid-Up Life Insurance.** Have this Policy endorsed by the Company for a reduced amount of non-participating paid-up life insurance, payable at the same time and on the same conditions as this Policy; or

**Option 2—Cash Surrender Value.** Surrender this Policy to the Company at its Home Office for its cash value; or

**Option 3—Paid-Up Term Insurance.** Have the insurance for the face amount of this Policy, plus any outstanding dividend additions and less any indebtedness hereon to the Company, continued in force from date of default for such term as is hereinafter provided, but without participation and without the right to loans.

The cash surrender value shall be equal to the entire reserve on the face amount of this Policy and on any dividend additions thereto, (computed according to the American Experience Mortality Table and interest at the rate of three per centum per annum,) less a surrender charge of not more than two per centum of the amount insured by this Policy. Any indebtedness hereon to the Company shall be deducted from the cash surrender value.

The amount of the paid-up life insurance or the term of the paid-up term insurance shall be such as the amount of the cash surrender value, reduced by the amount of any indebtedness hereon to the Company, will purchase, applied as the net single premium at the attained age of the Insured based on the American Experience Mortality Table and interest at the rate of three per centum per annum.

The right to defer the granting of a cash surrender value for a

period not exceeding sixty days after application therefor is made is reserved by the Company.

**AUTOMATIC NON-FORFEITURE.**—If the Insured shall not, within three months from default, surrender this Policy to the Company at the Home Office for its cash surrender value, as provided in Option 2, or for paid-up life insurance as provided in Option 1, the insurance will be automatically continued as provided in Option 3.

**TABLE OF CASH LOAN AND NON-FORFEITURE VALUES.**

The figures in the above table, computed as provided in this Policy, are the minimum values; and are guaranteed on the assumptions that the Policy has been in force and the premiums paid in full to the end of the years stated, and that there is no indebtedness on the Policy. Due allowance will be made in computing values from the above table for any quarter-annual or semi-annual premium payments which may have been made in addition to the premiums for the full number of years indicated. Any dividend additions to the credit of the Policy will increase the values set out in the above table.

The cash loan values provided for in the above table for the end of policy years can be obtained during such policy years, as set forth in the paragraph marginally headed "Cash Loans."

Values for later years shall be based on the American Experience Mortality Table and interest at the rate of three per centum per annum and shall be equal to the entire reserve on the Policy according to that standard. Such values will be furnished on request.

**RESTORATION.**—After any default in payment of premium this Policy, if not surrendered to the Company, may be restored to full force and effect at any time within five years from the date of such default on written application by the Insured to the Home Office of the Company and the payment of premiums to date of restoration with interest thereon at the rate of six per centum per annum, provided the Insured shall with such application submit evidence of insurability satisfactory to the Company.

**AGENTS.**—Agents are not authorized to make, alter or discharge contracts.

**INDEBTEDNESS.**—Any indebtedness to the Company on this Policy shall first be deducted from any money to be paid or from any settlement to be made under the Policy.

**ASSIGNMENT.**—An assignment of this Policy must be made in writing. The Company shall not be deemed to have knowledge of an assignment unless the original assignment or a duplicate thereof is filed at the Home Office of the Company and its receipt duly acknowledged. The Company will not assume responsibility for the validity of an assignment.

**MILITARY OR NAVAL SERVICE.**—Military or naval service in time of war is not a risk assumed under this Policy. If the Insured shall enter or be engaged in military or naval service (except in time of peace) without a written permit therefor, issued by the Company, the only liability under this Policy shall be for the net reserve held against it, calculated according to the American Experience Mortality Table and interest at the rate of three per centum per annum.

**SUICIDE.**—If the Insured within one year from the date of this Policy shall commit suicide, sane or insane, the only liability under this Policy shall be for an amount equal to the total premiums paid.

**OWNERSHIP OF POLICY.**—The benefits and options granted to the Insured by this Policy are conditioned on the ownership of the Policy being vested in the Insured.

**PERMANENT TOTAL DISABILITY BENEFIT.**—Should the Insured, before attaining the age of sixty years, become permanently totally disabled, as hereinafter defined, while this Policy is in full force and effect and prior to default in payment of premium, the Company agrees, without further payment of premiums, to pay annually to the Insured while living, as an advance, instalments for ten years, each of such instalments to be one-tenth of the amount otherwise payable under this Policy on the death of the Insured, the first of such advance payments to be made immediately on acceptance by the Company of satisfactory proofs of such disability; provided, however, as follows:

(1). That the total amount of the advance payments that may be made on account of the permanent total disability shall be deducted from the total amount otherwise payable under this Policy on the death of the Insured, and any unpaid portion of the premium for the then current policy year shall be deducted from the amount of the first advance payment made.

(2). That in case of any and every such advance payment, this Policy must be produced at the Home Office of the Company to have the amount of payment or payments endorsed hereon in reduction or extinguishment of the amount payable on the death of the Insured.

(3). That immediately after the commencement of the permanent total disability full particulars thereof must be given in writing to the Company at its Home Office, together with the then address of the Insured; and, within one hundred and twenty days after the commencement of the permanent total disability, there must be given the Company at its Home Office satisfactory proof of permanent total disability; and, after the payment of the first advance, similar proof must be given, if required by the Company, of the continuance of the permanent total disability, prior to each subsequent annual advance payment.

(4). That any medical adviser of the Company shall be allowed to examine the person of the Insured in respect to any alleged permanent total disability, in the manner and at all times that such medical adviser may require.

(5). That no suit on account of alleged permanent total disability shall be maintainable if commenced before the expiration of six months from the date of the commencement of the permanent total disability.

(6). That no claim on account of permanent total disability, or for any advance payment, shall be valid or enforceable if there is a failure to comply with any of the foregoing provisions.

(7). That any valid claim for such advancement shall extinguish all other options, values and benefits under this Policy, except as to the balance, if any, of the amount payable on the death of the Insured not exhausted by the advance payment or payments made by the Company under this benefit.

(8). That the permanent total disability referred to above must be permanent and total, and such that there is neither then nor at any time thereafter any work, occupation or profession that

the Insured can ever sufficiently do or follow to earn or obtain wages, compensation or profit, and must not result directly or indirectly, in whole or in part, from any form of insanity or from disease complicated with insanity.

The irrecoverable loss of the entire sight of both eyes, or the amputation of both entire hands at or above the wrist, or the amputation of both entire feet at or above the ankle, or the amputation of one entire hand at or above the wrist and one entire foot at or above the ankle, shall also be deemed to constitute permanent total disability.

Should the Insured, before attaining the age of sixty years, desire to cancel this permanent total disability insurance, the Company will cancel such insurance and guarantees to reduce the premium thereafter fifteen cents per annum for each thousand dollars of face value.

**OLD AGE INCOME BENEFIT.**—The Insured, on the anniversary date of this Policy nearest to said Insured's sixty-fifth birthday, if this Policy is then in full force and effect and free from indebtedness to the Company, may surrender this Policy for a supplementary contract providing, without further payment of premiums, for the payment to the Insured of annual instalments of \$647.60 each said annual instalments to be paid as long as the Insured shall live.

At the option of the Insured, and in lieu of annual instalments, the Company will pay to the Insured monthly instalments.

The payment of the first annual or the first monthly instalment shall be made on the anniversary date of this Policy nearest to the sixty-fifth birthday of the Insured, and the payment of subsequent annual or monthly instalments shall be made annually or on the first day of each month thereafter respectively.

Should the Insured die before receiving ten annual or one hundred and twenty monthly instalments, the balance of the ten annual or the one hundred and twenty monthly instalments shall be commuted at the rate of three per centum per annum and paid to the Executors, Administrators or Assigns of the Insured in one sum.

Any unpaid portion of the premium for the then current policy year shall be deducted from the amount of the first instalment or instalments paid, and the value of any dividend additions, or any accumulations to the credit of the Policy, shall be paid to the Insured in cash with the first instalment.

The first ten annual instalments or the first one hundred and twenty monthly instalments payable under the conditions of this benefit shall, unless commuted as hereinbefore provided, be increased by profits as determined from time to time by the Company arising from excess interest earnings over the rate assumed in computing this benefit.

**Note.**—To obtain the amount of the monthly instalments, multiply the amount of the annual instalment shown in the first paragraph by the decimal .0845.

**DEPOSIT PRIVILEGE.**—At the time this Policy becomes a claim by death the amount then payable under the conditions of this Policy, or any portion thereof not less than one thousand dollars, may be left during the lifetime of the Beneficiary with the Company, and the Company guarantees to pay annually thereafter interest at the rate of three per centum per annum so long as the said amount or said portion thereof remains with the Company. Such interest payments will be increased by profits, as determined from time to time by the Company, arising from excess interest earnings over the rate guaranteed herein. The said amount, together with the accrued interest thereon, shall be paid at the death of the Beneficiary to the Executors, Administrators or Assigns of the Beneficiary, but may be withdrawn at any time. This privilege shall be inoperative if the amount payable under this Policy be less than one thousand dollars, if the Beneficiary be a partnership, a company or a corporation, or if the Insured directs that the proceeds of this Policy shall be payable other than in one sum.

**INSTALMENT BENEFIT.**—The Insured, provided the Beneficiary is not a partnership, a company or a corporation, may change the mode of payment of the proceeds of this Policy as a death claim from payment in one sum to payment in instalments, and may subsequently change or revoke any instalment selection. Each selection, change or revocation of a selection must be made by the Insured in writing, and shall take effect on the endorsement of the same on this Policy by the Company and not before.

Payment will be made in annual instalments as follows:

*Limited Instalments.* Equal annual instalments (from two to thirty) as set out in Table A; or

*Continuous Instalments.* Equal annual instalments for twenty years certain and as long thereafter as the Beneficiary may live, the amount of each instalment to be determined by the attained age of the Beneficiary (age at last birthday) at the time of the death of the Insured as set out in Table B; or

*Special Plan—Limited Instalments.* A first instalment of \$150 and subsequent instalments annually thereafter (nine, fourteen, nineteen or twenty-four) as set out in Table C.

At the option of the Insured, and in lieu of annual instalments, the Company will pay semi-annual instalments of \$50.37 each, quarter-annual instalments of \$25.28 each or monthly instalments of \$8.45 each for each hundred dollars of annual instalments which may be available under the conditions of this benefit:

The payment of the first annual, semi-annual, quarter-annual or monthly instalment shall be made immediately on receipt of due proof of the death of the Insured, and the payment of subsequent annual, semi-annual or quarter-annual instalments shall be made annually, semi-annually or quarter-annually thereafter respectively, and the payment of subsequent monthly instalments shall be made on the first day of each month thereafter.

Should there be no beneficiary, original or substituted, when this Policy becomes a claim by death, any existing instalment selection shall be void and of no effect, and the proceeds of this Policy shall be paid in one sum to the Executors, Administrators or Assigns of the Insured. Should the Beneficiary, original or substituted, survive the Insured but die before receiving all of the instalments certain, the balance of the instalments certain shall be commuted at the rate of three per centum per annum and paid in one sum to the Executors, Administrators or Assigns of such Beneficiary.

It is specifically agreed that the Company will not commute any of the instalments payable hereunder after the death of the Insured, except as hereinbefore provided, unless the previous written assent of the Insured has been filed at the Home Office of the Company and its receipt duly acknowledged. Any instalment or instalments payable under this benefit shall be unassignable.

If more than one beneficiary has been designated to share in the proceeds of this Policy as a death benefit, the conditions of the Policy as to the apportionment of such death benefit and as to survivorship shall apply to the payment of a "Limited Instalments" or "Special Plan—Limited Instalments" selection. A "Continuous Instalments" selection cannot be made if more than one beneficiary is designated under the Policy, and payment thereunder shall be conditioned on evidence satisfactory to the Company being furnished as to the age of the Beneficiary at the time of the death of the Insured.

This benefit shall be inoperative if instalments otherwise available shall be less than \$40.00 annually, \$25.00 semi-annually, \$15.00 quarter-annually or \$5.00 monthly. This provision, however, shall not be construed to prevent apportionment between two or more beneficiaries of instalments for not less than the minima prescribed, or to prohibit the continuance of payments to a surviving beneficiary or beneficiaries when the share due a deceased beneficiary under such an apportionment has been commuted under the terms of this benefit.

When any instalment selection shall become operative, this Policy, if required by the Company, shall be surrendered and a supplementary contract shall be issued providing for the payment of such instalment selection.

All "Limited Instalments", "Special Plan—Limited Instalments" and "Continuous Instalments" during the first twenty years, payable under the conditions of this benefit, shall, unless commuted as hereinbefore provided, be increased by profits as determined from time to time by the Company arising from excess interest earnings over the rate assumed in computing the instalment benefits.

The Tables below are based on a policy the proceeds of which are one thousand dollars, and will apply pro rata to this Policy.

NOTICE: It is unnecessary for the Insured or the Beneficiary to employ the services of any person, firm or corporation, in collecting the insurance under this Policy, or in receiving any of its benefits. ## BENEFITS, CONDITIONS AND VALUES

REFERRED TO ON THE PRECEDING PAGE OF THIS POLICY.

**NON-PARTICIPATION.**—This Policy, being issued at a non-participating premium rate, shall not be entitled to share in the surplus earnings of the Company.

**NON-FORFEITURE.**—After this Policy shall have been in force three full years, the Insured may elect within three months after any default in payment of premium, but not later, any one of the following options:

**Option 1—Paid-Up Life Insurance.** Have this Policy endorsed by the Company for a reduced amount of non-participating paid-up life insurance, payable at the same time and on the same conditions as this Policy; or

**Option 2—Cash Surrender Value.** Surrender this Policy to the Company at its Home Office for its cash value; or

**Option 3—Paid-Up Term Insurance.** Have the non-participating insurance for the face amount of this Policy, less any indebtedness hereon to the Company, continued in force from date of default for such term as is hereinafter provided, but without the right to loans.

The cash surrender value shall be equal to the entire reserve on the face amount of this Policy, (computed according to the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum). Any indebtedness hereon to the Company shall be deducted from the cash surrender value.

The amount of the paid-up life insurance or the term of the paid-up term insurance shall be such as the amount of the cash surrender value, reduced by the amount of any indebtedness hereon to the Company, will purchase, applied as the net single premium at the attained age of the Insured based on the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum.

The right to defer the granting of a cash surrender value for a period not exceeding sixty days after application therefor is made is reserved by the Company.

**AUTOMATIC NON-FORFEITURE.**—If the Insured shall not, within three months from default, surrender this Policy to the Company at the Home Office for its cash surrender value, as provided in Option 2, or for paid-up life insurance as provided in Option 1, the insurance will be automatically continued as provided in Option 3.

The figures in the above table, computed as provided in this Policy, are guaranteed on the assumptions that the Policy has been

in force and the premiums paid in full to the end of the years stated, and that there is no indebtedness on the Policy. Due allowance will be made in computing values from the above table for any quarter-annual or semi-annual premium payments which may have been made in addition to the premiums for the full number of years indicated.

The cash loan values provided for in the above table for the end of policy years can be obtained during such policy years, as set forth in the paragraph marginally headed "Cash Loans."

Values for later years shall be based on the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum and shall be equal to the entire reserve on the Policy according to that standard. Such values will be furnished on request.

**MILITARY OR NAVAL SERVICE.**—Military or naval service in time of war is not a risk assumed under this Policy. If the Insured shall enter or be engaged in military or naval service (except in time of peace) without a written permit therefor, issued by the Company, the only liability under this Policy shall be for the net reserve held against it, calculated according to the American Experience Mortality Table and interest at the rate of three and one-half per centum per annum.

**OLD AGE INCOME BENEFIT.**—The Insured, on the anniversary date of this Policy nearest to said Insured's sixty-fifth birthday, if this Policy is then in full force and effect and free from indebtedness to the Company, may surrender this Policy for a supplementary contract providing, without further payment of premiums, for the payment to the Insured of annual instalments of \$232.92 each, said annual instalments to be paid as long as the Insured shall live.

At the option of the Insured, and in lieu of annual instalments, the Company will pay to the Insured monthly instalments.

The payment of the first annual or the first monthly instalment shall be made on the anniversary date of this Policy nearest to the sixty-fifth birthday of the Insured, and the payment of subsequent annual or monthly instalments shall be made annually or on the first day of each month thereafter respectively.

Should the Insured die before receiving ten annual or one hundred and twenty monthly instalments, the balance of the ten annual or the one hundred and twenty monthly instalments shall be computed at the rate of three and one-half per centum per annum and paid to the Executors, Administrators or Assigns of the Insured in one sum.

Any unpaid portion of the premium for the then current policy year shall be deducted from the amount of the first instalment or instalments paid.

**Note**—To obtain the amount of the monthly instalments, multiply the amount of the annual instalment shown in the first paragraph by the decimal .0847.

**DEPOSIT PRIVILEGE.**—At the time this Policy becomes a claim by death the amount then payable under the conditions of this Policy, or any portion thereof not less than one thousand dollars, may be left during the lifetime of the Beneficiary with the Company, and the Company guarantees to pay annually thereafter interest at the rate of three and one-half per centum per annum so long as the said amount or said portion thereof remains with the Company. The said amount, together with the accrued interest thereon, shall be paid at the death of the Beneficiary to the Executors, Administrators or Assigns of the Beneficiary, but may be withdrawn at any time. This privilege shall be inoperative if the amount payable under this Policy be less than one thousand dollars, if the Beneficiary be a partnership, a company or a corporation, or if the Insured directs that the proceeds of this Policy shall be payable other than in one sum.

**INSTALMENT BENEFIT.**—The Insured, provided the Beneficiary is not a partnership, a company or a corporation, may change the mode of payment of the proceeds of this Policy as a death claim—

from payment in one sum to payment in instalments, and may subsequently change or revoke any instalment selection. Each selection, change or revocation of a selection must be made by the Insured in writing, and shall take effect on the endorsement of the same on this Policy by the Company and not before.

Payment will be made in annual instalments as follows:

*Limited Instalments.* Equal annual instalments (from two to thirty) as set out in Table A; or

*Continuous Instalments.* Equal annual instalments for twenty years certain and as long thereafter as the Beneficiary may live, the amount of each instalment to be determined by the attained age of the Beneficiary (age at last birthday) at the time of the death of the Insured as set out in Table B; or

*Special Plan—Limited Instalments.* A first instalment of \$150 and subsequent instalments annually thereafter (nine, fourteen, nineteen or twenty-four) as set out in Table C.

At the option of the Insured, and in lieu of annual instalments, the Company will pay semi-annual instalments of \$50.43 each, quarter-annual instalments of \$25.33 each or monthly instalments of \$8.47 each for each hundred dollars of annual instalments which may be available under the conditions of this benefit.

The payment of the first annual, semi-annual, quarter-annual or monthly instalment shall be made immediately on receipt of due proof of the death of the Insured, and the payment of subsequent annual, semi-annual or quarter-annual instalments shall be made annually, semi-annually or quarter-annually thereafter respectively, and the payment of subsequent monthly instalments shall be made on the first day of each month thereafter.

Should there be no beneficiary, original or substituted, when this Policy becomes a claim by death, any existing instalment selection shall be void and of no effect, and the proceeds of this Policy shall be paid in one sum to the Executors, Administrators or Assigns of the Insured. Should the Beneficiary, original or substituted, survive the Insured but die before receiving all of the instalments certain, the balance of the instalments certain shall be commuted at the rate of three and one-half per centum per annum and paid in one sum to the Executors, Administrators or Assigns of such Beneficiary.

It is specifically agreed that the Company will not commute any of the instalments payable hereunder after the death of the Insured, except as hereinbefore provided, unless the previous written assent of the Insured has been filed at the Home Office of the Company and its receipt duly acknowledged. Any instalment or instalments payable under this benefit shall be unassignable.

If more than one beneficiary has been designated to share in the proceeds of this Policy as a death benefit, the conditions of the Policy as to the apportionment of such death benefit and as to survivorship shall apply to the payment of a "Limited Instalments" or "Special Plan—Limited Instalments" selection. A "Continuous Instalments" selection cannot be made if more than one beneficiary is designated under the Policy, and payment thereunder shall be conditioned on evidence satisfactory to the Company being furnished as to the age of the Beneficiary at the time of the death of the Insured.

This benefit shall be inoperative if instalments otherwise available shall be less than \$40.00 annually, \$25.00 semi-annually, \$15.00 quarter-annually or \$5.00 monthly. This provision, however, shall not be construed to prevent apportionment between two or more beneficiaries of instalments for not less than the minima prescribed, or to prohibit the continuance of payments to a surviving beneficiary or beneficiaries when the share due a deceased beneficiary under such an apportionment has been commuted under the terms of this benefit.

When any instalment selection shall become operative, this Policy, if required by the Company, shall be surrendered and a supplementary contract shall be issued providing for the payment of such instalment selection.

The tables below are based on a Policy the proceeds of which are one thousand dollars, and will apply pro rata to this Policy.

PAN-AMERICAN LIFE INSURANCE  
COMPANY,

*By this Policy of Insurance*

**Promises to Pay**, at the Home Office of the Company, in New Orleans, Louisiana, *Ten Thousand Dollars*, upon receipt at said Home Office during the full continuance of this contract, of due proof of the death of *John Doe* (herein called the Insured) of New Orleans, County of Orleans, State of Louisiana, to *Mary Doe*, wife of the Insured (Beneficiary).

**This Insurance Is Granted** in consideration of the sum of *Three Hundred Ten and 00/100 Dollars*, paid in advance, for one year's term insurance, and may be continued in force thereafter in further consideration of the payment of a like amount, on or before the *First* day of *August* in every year until annual premiums for *twenty* years, including the first year, have been paid, or until the prior death of the Insured; and in further consideration of all the conditions, benefits and privileges stated on the second and third pages hereof.

EXTRACT FROM CERTIFICATE OF DEPOSIT.

I hereby certify that the Pan-American Life Insurance Company has deposited in my office, State of Louisiana, Port Commission Bonds, aggregating the sum of \$100,000.00.

In testimony whereof, I have hereby set my hand and affixed my official seal at the City of Baton Rouge, this 28th day of March, 1912.

O. B. STEELE,

Treasurer of the State of Louisiana.

**This policy is free from conditions as to residence, travel and occupation, and shall be incontestable except for non-payment of premiums, after one year from its date of issue.**

PERMANENT DISABILITY BENEFIT.

If, after one full annual premium shall have been paid and before default in the payment of any subsequent premium, the Insured before attaining age sixty shall furnish to the Company satisfactory proof that he has become totally disabled and shall, in consequence of bodily injury or disease, be permanently, continuously and wholly incapacitated for life, and thereby prevented from pursuing any gainful occupation, the Company by an endorsement hereon will agree to pay the premiums, if any, which shall thereafter fall due under this Policy during the continuance of such disability. Should the Company assume the payment of premiums as herein provided the Insured shall furnish proof of continued disability if called for as each succeeding premium falls due, and failure to submit such proof shall render this clause null and void.

**GRACE IN PAYMENT OF PREMIUM.**

A grace of one month (not less than thirty days) during which this contract shall remain in full force, will be allowed in the payment of all premiums, except the first.

**CHANGE OF BENEFICIARY.**

The Insured may, without the consent of the Beneficiary named herein, at any time during the continuance of this Policy, provided it has not been assigned, change the Beneficiary, to take effect only when such change and the written consent of the Company thereto are endorsed upon this Policy, at the Home Office of the Company, whereupon all rights of the former Beneficiary shall cease. If there be no Beneficiary living at the death of the Insured, the proceeds of this Policy shall be paid to the executors, administrators or assigns of the Insured.

**LOANS.**

After three full years' premiums shall have been paid, subject to ninety days' notice at the Company's option, while the Policy is in force, the Company will advance, on proper assignment of this Policy and on the sole security thereof, at five per cent. per annum, a sum equal to, or, at the option of the owner of the Policy, less than, the cash value at the end of the current Policy year. The Company will deduct from such loan value any existing indebtedness on the Policy and any unpaid balance of the premium for the current Policy year, and may collect interest in advance on the loan to the end of the current Policy year. Failure to repay any such advance, or to pay interest, shall not avoid this Policy, unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure. If interest is not paid annually, it shall be added to the principal as aforesaid and bear interest at the same rate.

**AUTOMATIC NON-FORFEITURE PROVISIONS.**

If any premium shall not be paid on or before the date when due, without action on the part of the Insured, this insurance will continue from said date, during the term (including the period of grace) specified in the Table of Guaranteed Loan and Surrender Values; unless the Insured shall surrender the Policy within three months after default, for the option of cash value or paid-up insurance as provided herein.

**REINSTATEMENT.**

At any time after any default, upon written application by the Insured and upon presentation at the Home Office of evidence of insurability satisfactory to the Company, this Policy may be reinstated, together with any indebtedness in accordance with the loan provisions of the Policy, upon payment of arrears of premiums with interest thereon at the rate of five per cent. per annum.

**OPTIONS ON SURRENDER OR LAPSE.**

After this Policy shall have been in force three full years, the owner, within three months after any default, and on proper surrender of this Policy to the Company at its Home Office may elect:

- (a) To accept the value of the Policy in cash; or
- (b) To purchase paid-up insurance, payable at the same time and on the same conditions as this Policy; or
- (c) To have the insurance continued in force as term insurance from date of default, for its face amount, less any indebtedness to the Company hereon, without the right to loans.

## INDEBTEDNESS.

The figures in the above table give the values available at the end of complete Policy years, if there be no indebtedness against the Policy, and provided premiums have been paid in full for the number of years stated. Any indebtedness on account of this Policy, outstanding at the time of any settlement due under this Policy, including any unpaid portion of the premium for the then current Policy year, will be deducted from the sum insured, and also from the amount of cash or loan value or from the reserve used in the calculations above specified, and will reduce the amount of extended or paid-up insurance by the proportion that such indebtedness bears to said reserve.

## GENERAL PROVISIONS.

(1) This Policy and the application therefor, copy of which is attached hereto as part hereof, constitute the entire contract between the parties hereto. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties. No agent can make, alter or discharge this contract or extend the time for payment of premiums, nor can this contract be varied or altered, or its conditions waived or extended in any respect, except by the written agreement of the Company, signed by the President, one of the Vice-Presidents, Secretary or Actuary, whose authority will not be delegated. (2) If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium would have purchased at the correct age. (3) In case of suicide committed while sane or insane within one year from the date on which this insurance begins, the limit of recovery hereunder shall be the premium paid. (4) No assignment of this Policy shall be binding upon the Company, unless in writing, and until it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment. (5) Except as herein provided, the payment of a premium or installment thereof shall not maintain the Policy in force beyond the date when the next premium or installment thereof is payable. All premiums are payable in advance at the Home Office, or to any agent of the Company upon delivery of

the official receipt of the Company signed by one or more of the following officers, viz.: President, Vice-President, Secretary or Actuary, and countersigned by such agent. If any premium, or any note or other obligation given therefor shall not be paid when due, this Policy shall thereupon cease except as herein provided. (6) The plan of premium payment can be changed so that premiums may be paid in quarterly or in semi-annual installments according to the Company's rates, or changed from such form to annual on any anniversary of this Policy by application in writing to the Home Office of the Company.

In Witness Whereof the company has caused this Policy to be executed this *first* day of *August* Nineteen Hundred and *Fourteen*.

#### OPTIONAL MODES OF SETTLEMENT.

The Insured, or the Beneficiary after the Insured's death in case the Insured shall have made no contrary stipulation, may, by written notice to the Company at its Home Office, elect to have the net sum, payable upon the death of the Insured, paid as follows instead of in one sum:

1. **FIXED INSTALLMENTS.**—In equal annual installments for a specified number of years, the first installment being payable immediately, in accordance with the following table for each \$1,000 of said net sum; or

2. **INSTALLMENTS 20 YEARS FIXED, LIFE THEREAFTER.**—In equal annual installments payable at the beginning of each year for a fixed period of twenty years, and for so many years longer as the payee shall survive, in accordance with the following table for each \$1,000 of said net sum; or

3. **ANNUITY.**—As an annuity during the life of the payee, in accordance with the following table for each \$1,000 of said net sum, the last annuity payment to be the regular payment immediately preceding the death of the payee.

**SUPPLEMENTARY CONTRACT.**—When any option calling for annual payments is elected, this policy shall be surrendered upon its maturity, and a supplementary non-participating contract shall be issued for the option elected, which shall specify to whom any unpaid installments shall be paid in event of the death of the payee.

Unless otherwise specified by the owner or by the beneficiary in making such election, the payee under options (1) or (2) may at any time surrender the contract guaranteeing the payment of installments for the commuted value of the payments yet to be made, computed upon the same basis as option (1) in the following table; provided that no such surrender and commutation will be made under option (2), except after the death of the payee occurring within the aforesaid twenty years.

.....REGISTRAR

FROM THE DATE OF ISSUE THIS POLICY SHALL BE WITHOUT ANY RESTRICTIONS AS TO TRAVEL, RESIDENCE AND OCCUPATION

I. **PAYMENT OF PREMIUMS.**—All premiums are due and payable in advance at the Home Office of the Company in the City of Philadelphia, or they may be paid to agents on or before the dates when due in exchange for receipts signed by the President, Vice-President, Secretary, Treasurer, or Actuary and countersigned by agent.

The insurance under this Policy is based upon annual premiums payable in advance; but on any anniversary, upon written request, payments may be made semi-annually or quarterly in advance at the premium rates therefor now in use by the Company.

II. **GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days, during which the Policy shall remain in force, will be granted for the payment of premiums or regular instalments thereof, after the first. If the death of the insured occur during the days of grace, the sum necessary to complete payment of premium for the then current policy-year will be deducted from the amount payable hereunder.

III. **INCONTESTABILITY.**—This Policy and the application therefor, a copy of which is attached hereto, constitute the entire contract between the parties. The contract shall be incontestable after one year from its date of issue, except for non-payment of premiums; but in case of suicide, whether sane or insane, within one year from the date of this Policy, the liability of the Company shall be limited to the amount of the premium paid hereon. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties and no such statement shall avoid or be used in defence under the Policy unless it is contained in the written and printed application and a copy of such application is attached to the Policy when issued.

Any error in stating the age of the insured shall be adjusted by the Company paying at the maturity of this contract such amount as the premium actually paid would have purchased at the table rate at the correct age.

IV. **CHANGE OF BENEFICIARY.**—Whenever the right to change the beneficiary has been reserved in the last designation of beneficiary recorded at the Home Office of the Company, the insured, or his duly appointed guardian if he be not of legal age (subject to any previous assignment of the Policy filed with the Company as herein provided), shall be entitled, without the consent of the beneficiary, to any cash dividends declared on this Policy and to the loan or cash value herein provided for, and shall have full power while this Policy is in force to designate a new beneficiary, with or without reserving the right of future designation, by filing written notice thereof at the Home Office of the Company and such change shall take place upon such filing and not before. If any beneficiary shall die before the insured the interest of such beneficiary shall vest in the insured unless otherwise provided in this Policy or in the written designation of beneficiary filed as above.

V. **DIVIDENDS OF SURPLUS.**—This Policy shall participate in surplus, and upon payment of the second year's premium and at the end of the second and of each subsequent policy-year, while the Policy is in force by payment of premiums and thereafter when full paid, the Company will determine and account for the portion of the divisible surplus accruing thereto. These dividends, at the option of the insured, will be applied in any year to reduce the premium, to increase the amount of insurance, or to accumulate to the credit of the Policy at 3 per cent. compound interest per annum, this interest rate to be increased annually by such addition

as may be awarded by the Board of Trustees, which accumulation will be payable at the maturity of the Policy, or may be withdrawn at any premium anniversary. If no other option is selected, dividends shall be paid in cash.

**VI. LOANS.**—After three full years' premiums have been paid, the Company, at any time while the Policy is in force, will advance, on proper assignment and delivery of the Policy and on the sole security thereof, and in accordance with Sections VIII and IX hereof, a sum which, with interest thereon to the end of the current policy-year, shall be equal to, or at the option of the owner less than, the cash value at the end of the said year, which cash value shall be the full reserve on the Policy and on any dividend additions thereto according to the American Experience Table of Mortality with interest at 3 per cent. The amount of such advance shall be reduced by any existing indebtedness on the Policy and any unpaid balance of the current policy-year's premium. Interest on the advance will be at the rate of 6 per cent. per annum and shall be payable at the end of each policy-year, and this interest, if not paid when due, shall be added to the existing indebtedness, provided the total indebtedness would not then exceed the cash value, and the indebtedness thus created shall bear interest at the same rate. The indebtedness or any part thereof may be repaid to the Company at any time. Failure to repay any such advance or to pay interest thereon shall not void this Policy unless the total indebtedness hereon with interest shall equal or exceed the cash value at the time of such failure, in which case there shall be no liability under the Policy; provided however that no such termination shall be effective until one month after notice shall have been mailed by the Company to the last-known address of the insured and of the assignee, if any, of record at the Home Office of the Company. All indebtedness on account of this Policy, with accrued interest, shall be deducted from any settlement hereunder.

**VII. NON-FORFEITURE.**—If this Policy shall lapse through non-payment of premium after three years' premiums have been paid, the Company will secure to the owner thereof a form of insurance, the net value of which shall be equal to the full reserve on the Policy and on any dividend additions thereto at the date of default, according to the American Experience Table of Mortality, with interest at 3 per cent., less any existing indebtedness to the Company on the Policy. At the end of the third and succeeding years the cash value is the full reserve, and the paid-up and extension values are the equivalents thereof. The stipulated values of this Policy shall be correspondingly increased for any fractional portion of a year's premium which has been paid. This non-forfeiture value shall be secured to the owner of the Policy through one of the following provisions:

**First:**—The automatic extension without participation of the net amount insured by this Policy for the number of years and days stated below, at the expiration of which time the insurance shall cease; or,

**Second:**—The issue of paid-up participating insurance payable at death for the sum provided for below upon written application therefor by the owner of the Policy and the legal surrender of all claims hereunder to the Company at its Home Office within one month after lapse; or,

**Third:**—The payment, in accordance with Sections VIII and IX hereof, of the cash surrender value provided for below on surrender of the Policy and all claims hereunder to the Company within one month from the date of lapse.

**VIII.** The Company shall have the right to defer the paym-

of the surrender value of this Policy, or the making of a loan hereon (unless for the purpose of paying premiums on policies in this Company) for a period of not exceeding sixty (60) days from the date of the application therefor.

The Loan Values in the above table are the maximum amounts available at the end of each policy-year indicated. Loans may also be obtained during the policy-year as set forth in Sections VI and VIII hereof.

Should any indebtedness exist, it shall be deducted from the cash value of the Policy; the paid-up value shall be reduced proportionately; or in case of lapse the extended insurance shall be for the face value of the Policy less the indebtedness and for such a term as said reduced cash value will provide.

The cash value of any paid-up or extension granted upon the lapse of this Policy will be the full reserve at the time of surrender, less any indebtedness to the Company under the Policy, and will be paid to the owner thereof upon proper release.

X. REINSTATEMENT.—In the event of default in premium payments, unless the cash value has been duly paid, it is agreed that this Policy may be reinstated at any time upon evidence of insurability satisfactory to the Company and the payment of all overdue premiums and the payment or reinstatement of any other indebtedness to the Company upon said Policy, with interest at the rate of not exceeding 6 per cent. per annum.

XI. DEATH CLAIM.—When this Policy shall become a claim by the death of the insured, settlement less any indebtedness on account of this Policy, will be made upon receipt of due proof of death, and delivery of this Policy to the Company. When premiums are payable in semi-annual or quarterly instalments, any unpaid instalment of the premium for the policy-year during which death occurs will be deducted from the sum payable under this Policy.

XII. INSTALMENT TABLES.—The net proceeds of this Policy at maturity may be made payable, at the option of the beneficiary,

in such number of instalments two to thirty, as may be chosen in accordance with Table A. of Instalment Values printed below.

Similarly, the net proceeds at maturity may be made payable in annual instalments for twenty years guaranteed and as much longer thereafter as the beneficiary may live, in accordance with Table B. of Instalment Values printed below.

These options can only be exercised in cases where the beneficiary is an individual. They are not available when an association, firm or corporation is named as beneficiary or assignee.

These tables are based upon a policy, the net proceeds of which are one thousand dollars, and apply pro rata to this Policy.

The instalments under Table A, or the instalments-certain under Table B, after the first year, will be increased annually by such surplus as may be awarded by the Board of Trustees.

The commuted value of any unpaid instalments under Table A, or the commuted value of any unpaid instalments-certain under Table B, will be calculated by the Company at any time upon the

same basis (3% compound interest) as the instalments were granted, and will be paid to the owner of the Policy upon proper release.

**XIII. INTEREST PRIVILEGE.**—The net proceeds of this Policy or any designated fraction thereof may at maturity be allowed to remain with the Company until the death of the beneficiary, during which period the Company will pay to the beneficiary yearly, 3 per cent. on the amount so held, the first payment being made one year after the maturity of this Policy and the last payment to be pro-rated to the date of the death of the beneficiary. The interest rate will be improved annually by such addition as may be awarded by the Board of Trustees. Unless otherwise directed by the insured in writing filed with the Company, the balance remaining unpaid may be withdrawn at any interest period.

**XIV. ASSIGNMENT.**—Any assignment of this Policy shall be furnished to the Company and a duplicate thereof attached hereto. No assignment shall impose any obligation on this Company until the original thereof has been filed at the Home Office of the Company, nor does the Company guarantee the sufficiency or validity of any assignment.

**XV. PREMIUM LIENS.**—After the third year if any premium or premiums on this Policy, annual, semi-annual or quarterly, be not paid when due or within the period of grace, the Company will upon request charge against the loan value of this Policy such premium or premiums, with interest at the rate of not exceeding 6 per cent. per annum, provided that such loan value is sufficient. The balance of value, if any, not thus used, shall be applied in accordance with the Non-Forfeiture Provision, and any premium liens so made shall be subject to the terms of Section VI hereof. This method of premium settlement will be applicable when request for such premium liens is filed by the owner of the Policy at the Home Office after the Policy has acquired a loan value and while there is no default in the payment of any premium, and such request is revocable as to any future premium.

**XVI. NO ALTERATION OF THIS POLICY,** or waiver of any of its conditions shall be valid unless endorsed hereon and signed by an Officer of the Company. No agent is authorized to modify, alter or enlarge this contract or to bind the Company by any promise or undertaking as to distribution of surplus or any future award of interest.

**XVII. TOTAL AND PERMANENT DISABILITY BENEFITS; WAIVER OF PREMIUM—ANNUITY PAYMENT.**—If after one year's premium shall have been paid on this Policy and before default in the payment of any subsequent premium the insured shall furnish to the Company due proof that, before attaining the age of sixty, he has become wholly disabled by bodily injury or disease so that he is and thereby will be permanently and continuously unable to engage in any occupation whatever for remuneration or profit, and that such disability has existed continuously for not less than sixty days prior to the furnishing of proof, thereupon the Company will grant the following benefits:

**A. WAIVER OF PREMIUM.**—The Company, by endorsement hereon, shall waive the payment of the premiums which thereafter may become due under this Policy during the continuance of the said total disability of the insured. In making any settlement under this Policy the Company shall not deduct any part of the premiums so waived, and the Non-Forfeiture values of this Policy shall increase from year to year in the same manner as though any premium waived under this provision had been paid in cash;

**B. ANNUITY PAYMENT.**—Furthermore, the Company will pay to the insured a monthly sum equal to one one-hundred-and-twentieth of the face of this Policy, the first monthly payment to be made six months after receipt of due proof of the said total disability accompanied by this Policy for endorsement, and subsequent payments monthly thereafter during the continuance of the said total disability of the insured prior to the maturity of this Policy. The Company will admit the age of the insured when furnished with satisfactory evidence of the date of birth and reserves the right to require such proof of date of birth at the time proof of disability is furnished. The amount of this Policy payable at maturity either as an endowment or as a death claim shall not be reduced by any payments made under this disability provision.

**RECOGNIZED DISABILITIES.**—Without prejudice to any other cause of total disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability.

**RECOVERY FROM DISABILITY.**—Should the Company accept proofs of permanent disability under this Policy, it may nevertheless, at any time thereafter, but not oftener than once a year subsequent to the first payment of the disability annuity, demand of the insured due proof of the continuance of such total disability; and upon failure to furnish such proof, or if it be established that the insured has engaged or has become able to engage in any occupation whatever for remuneration or profit, all disability benefits under this Policy shall thereupon cease.

**DISCONTINUANCE.**—While any Non-Forfeiture provision set forth in Section VII is in effect, or in event of total and permanent disability occurring after age sixty, no disability benefits shall accrue, nor shall any disability benefit apply in case the insured engage in military or naval service in time of war. Upon written request by the insured, accompanied by this Policy for endorsement, the provision for disability benefits may be discontinued. If so discontinued, or if the insured attain age sixty, premiums thereafter will be reduced by *Eighteen and 60/100* Dollars yearly, being the additional premium for such benefits. Non-payment of the said additional premium will void the provisions respecting disability and the benefits secured thereby.

## APPLICATION.

My statements and answers to the questions printed above, and my statements and answers made and given to the Company's Medical Examiner, are full, complete and true. Upon them I base my application for insurance, and agree that they shall be regarded as a part of the contract if and when issued. If settlement is effected in accordance with the attached receipt at the time of making this application, the policy shall be in force as of the date of such settlement, provided the application is approved by the Company at the Home Office. The policy if and when issued and delivered to me, shall be in the form now in use by the Company. I understand that neither agents nor examiners have any authority to modify, alter or enlarge contracts. In Consideration of the application for this policy, and of the payment of *Three Hundred Fifty-nine and 30/100* Dollars in advance, hereby insures the life of *John Doe*, hereinafter called the insured, for one year.

Upon the payment of an annual premium of *Three Hundred Fifty-nine and 30/100* Dollars, on or before the *fourth* day of *March, 1914*, this policy will become a Limited Payment Life policy and the insurance will be continued by the payment of a like sum on or before the *fourth* day of *March* in each year thereafter during the life of the insured for *eighteen* years or until prior death of the insured.

Upon receipt of due proofs of the death of the insured, provided this policy is in force, the Company will pay *Ten Thousand* Dollars at its Home Office in the City of Philadelphia to *Jane Doe*, wife of the insured, if living, otherwise to the executors, administrators or assigns of the insured.

The insured may, while this policy is in force and unassigned, change the beneficiary. Written request must be made and the change will take effect when endorsement is made by the Company upon the policy. The right is reserved to the insured, without the consent of the beneficiary, to receive every benefit, exercise every right and enjoy every privilege conferred upon the insured by this policy.

**DIVIDENDS.**—The surplus accruing upon this policy shall be ascertained and distributed annually, and at the option of the insured may then be allowed to remain with the Company with interest at a rate not less than three and one-half per centum; used to purchase paid-up additions; or withdrawn in cash, but if so withdrawn the value of the following provisions would thereby be reduced. If no other option is selected, dividends may be withdrawn in cash.

**REDUCING PREMIUM PAYING PERIOD.**—Whenever, at the end of any policy year, the accumulations of surplus shall be sufficient to prepay future premiums hereon, no further premiums shall be required; but at the option of the insured the payment of premiums may be continued in order to increase accumulations.

**MATURING THE POLICY AS AN ENDOWMENT.**—Whenever, at the end of any policy year, the accumulated surplus and reserve together shall equal or exceed the amount insured hereunder, this policy shall mature as an endowment, and shall be payable at once to the insured during his lifetime.

**SURPLUS PAYABLE WITH SUM INSURED.**—If this policy becomes a claim by death, the sum insured hereunder, together with any surplus withdrawable at the end of the previous policy year, shall be paid the beneficiary.

**INCONTESTABILITY.**—This policy shall be incontestable, except for non-payment of premiums, after one year from its date.

From date of issue this policy shall be without any restrictions as to travel, residence or occupation.

If the age of the insured has been misstated, the amount payable hereunder shall be such a sum as the premium actually paid would have purchased at the correct age. Self-destruction while sane or insane, within one year of the date hereof, is a risk not assumed by the Company under this policy. All statements made by the insured shall in the absence of fraud be deemed representations and not warranties.

**PAYMENT OF PREMIUMS.**—All premiums are payable in advance at the Home Office of the Company or to an agent of the Company upon delivery of a receipt signed by an executive officer of the Company—the President, a Vice-President, Secretary, Treasurer, Actuary or Comptroller—and countersigned by said agent.

A grace of one month shall be granted for the payment of every premium after the first, during which time the insurance shall continue in force. If death occurs within the days of grace the unpaid portion of the premium for the then current policy year shall be deducted from the amount payable hereunder.

Except as herein provided, the payment of a premium or instalment thereof shall not maintain the policy in force beyond the date when the next premium or instalment thereof is payable, and failure to pay any premium or note when due will forfeit the policy and all payments made thereon. Any unpaid portion of the current year's premium and all indebtedness will be deducted from any settlement of this policy.

**PREMIUM LOANS.**—In lieu of automatic extended insurance, and on satisfactory request from the insured prior to default in the payment of any premium hereon, the Company shall first apply any withdrawable surplus to pay the same; and the remainder due, if any, shall be charged against this policy as a loan at five per centum interest, if the respective loan value specified below be sufficient to cover such advance in addition to existing liens and accrued interest; provided that if the credits be not sufficient to cover the entire premium then due, the Company shall apply the same, if sufficient, to pay the premium for a shorter period, but not less than one month's premium. At any time while the policy is thus sustained in force, the payment of premiums with interest may be resumed. When advances can no longer be made, any balance then remaining shall be used to purchase term insurance, as stated below. No grace will be accorded under this provision.

**LOANS.**—After three full years' premiums have been paid, the Company at any time, while this policy is in force, will advance, on proper assignment of this policy and on the sole security thereof, at a rate of interest not greater than five per centum per annum, a sum equal to, or, at the option of the owner of the policy, less than, the reserve at the end of the current policy year on this policy and on any dividend additions thereto, computed according to the American Experience Table of Mortality, with interest at three and one-half per centum per annum, less a sum not more than one per centum of the amount insured by this policy and of any dividend additions thereto. The Company, however, will deduct from such loan value any existing indebtedness to the Company on this policy and any unpaid balance of the premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year. Failure to repay any such advance or to pay interest shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure.

**NON-FORFEITURE OPTIONS ON SURRENDER OR LAPSE.**—In event of default in the payment of premiums after premiums have been paid for three years, the insured will be entitled, as provided in the table of surrender values, to any one of the following options:

1. To automatic non-participating paid-up term insurance for the amount insured by this policy, for such time as the surrender value will purchase. The surrender value will be the entire reserve on this policy and on any dividend additions thereto, computed

according to the American Experience Table of Mortality with interest at three and one-half per centum, less a sum not more than one per centum of the amount insured by this policy and of any dividend additions thereto, and less any existing indebtedness to the Company on this policy.

2. To a non-participating paid-up life insurance policy, for an amount not less than may be purchased by the surrender value aforesaid, upon surrender within one month after default.

3. To a cash value not less than the surrender value aforesaid, upon surrender within one month after default.

The surrender values stated will be increased correspondingly for any fractional portion of a year's premium which shall have been paid. Figures for later years will be furnished upon request.

**THE CONTRACT.**—A copy of the written and printed application for this contract is attached hereto. This policy and application therefor, taken together, constitute the entire contract. No person, except an executive officer of the Company as aforesaid, has power to modify or in event of lapse to reinstate this policy, to extend the time for paying a premium, or to accept any note in payment thereof.

**ASSIGNMENT.**—Any assignment of this contract shall be attached hereto, and a duplicate thereof shall be furnished the Company at its Home Office. Any claim against the Company arising under any assignment of this contract shall be subject to proof of interest. No assignment shall impose any obligation on this Company until it has received the original or a duplicate thereof, nor does the Company guarantee the legality of any assignment.

**REINSTATEMENT.**—This policy may be reinstated on written application, subject to evidence of insurability satisfactory to the Company and payment of arrears of premiums with interest thereon not exceeding five per centum per annum.

**OPTIONS AT MATURITY.**—The insured, by written notice to the Company at its Home Office, and with the written consent of the assignee and irrevocable beneficiary, if any, may elect to have the net sum payable under this policy paid either in cash or as follows:

1. By the payment of interest thereon at three and one-quarter per centum per annum, payable annually, to the payee under this policy at the end of each year during the life of the payee and by the payment upon the death of the payee of the said net sum and accrued interest to the executors, administrators or assigns of the payee, unless otherwise directed in said notice.

2. By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each \$1,000 of said net sum.

## BENEFITS AND PROVISIONS.

**PAYMENT OF PREMIUMS.**—All premiums are payable in advance at the Home Office, in Hartford, Conn., but will be accepted if paid to an agent of the Company in exchange for a receipt, separate from the policy, and signed by an executive officer. Premiums paid one month or more prior to date when due will be discounted at a rate not less than 3% per annum.

**THIRTY-ONE DAYS' GRACE.**—This policy shall not take effect until the first premium is so paid, and if any subsequent premium be not paid when due, or within thirty-one days thereafter, during which time this policy shall remain in force, then this policy shall immediately cease and become void, and all premiums previously paid shall be forfeited to the Company, except as hereinafter provided.

**REINSTATEMENT.**—If this policy shall lapse and shall not be surrendered to the Company, the Company will reinstate it at any time upon receipt of satisfactory evidence of insurability and payment of all arrears of premiums with interest at the rate of 6% per annum on such premiums and on any indebtedness to the Company existing against this policy at the time of lapse, which indebtedness and arrears of premiums and interest, at the option of the insured or assigns, if any, shall be repaid in cash or, to the extent allowed by the loan value, remain as an indebtedness against this policy.

**ANNUAL APPORTIONMENT OF SURPLUS.**—At the end of the first and each succeeding policy year, this policy, while in force, will be credited with its share of the divisible surplus which the Company will annually determine and account for in a general distribution of surplus. Such apportionment of surplus will not be conditioned on the payment of any premium due during any succeeding policy year, and will be applied in any one of the following methods which may be requested in the application, and such method may be changed by the insured or assigns at the end of any policy year; if no choice is made the first method will be employed.

**CASH.**—*First:* To be paid in cash (without interest) to the insured or assigns.

**REDUCE PREMIUMS.**—*Second:* To reduce the premiums due hereunder during the succeeding year; if no premiums are due such dividends will be paid in cash (without interest) to the insured or assigns.

**PARTICIPATING PAID-UP ADDITIONS.**—*Third:* To purchase, at net rates by the American 3% Table, participating paid-up insurance additions, payable with this policy, which additions, on satisfactory release to the Company, may be surrendered at any time for their cash value, computed as described in the Cash Value option, or used to accelerate as described in the following paragraph.

**CASH DIVIDEND FUND FOR ACCELERATION OF PREMIUMS OR ENDOWMENT IS PAYABLE AT DEATH OR ON DEMAND.**—*Fourth:* To accumulate at compound interest as a dividend fund, the Company annually crediting interest at such rate as may be assumed to have been earned by the Company in the declaration of dividends for that year, which rate is guaranteed to be at least 3% per annum. When such dividend fund, or the reserve under any insurance additions then credited to this policy, or both, together with the reserve under this policy, shall equal or exceed the reserve under a fully paid policy of the same kind and amount, the Company will make this a fully paid participating policy; or when such dividend fund and reserves as described above, equal or exceed the amount insured as defined on the first page hereof, the Company will mature and

pay this policy as an endowment: provided, in either case, a satisfactory request is made and this policy is duly released. Any such dividend fund then credited to this policy will be paid with any death claim arising hereunder, or, on satisfactory release, the whole or any part of it will be paid in cash.

**INCONTESTABILITY.**—This policy, with the application herefor, constitutes the entire contract between the parties hereto and shall be incontestable after one year from its date of issue, except for non-payment of premium as stipulated, subject, however, in case of misstatement of age, to an adjustment of the insurance proportionate to the premium at the true age.

**ASSIGNMENTS.**—The Company assumes no responsibility for the validity of any assignment, and shall not be held to have notice of any assignment of this policy until the original assignment, or a copy thereof, is received at the Home Office of the Company while this policy, or any insurance guaranteed hereunder, is in force according to the Company's records; all assignments shall be subject to any interest the Company may have in this policy.

**VALUE AT AGE EIGHTY-FIVE.**—This policy provides for a cash value of the amount insured as defined on the first page hereof on its anniversary nearest the eighty-fifth anniversary of the birth of the insured, and if it is not then surrendered, so long as it remains in force the Company will, at the end of each year thereafter, pay to the insured or assigns interest on such amount at the rate assumed to have been earned by the Company in the declaration of dividends for that year (guaranteed to be at least 3% per annum).

Upon the death, during the lifetime of the insured, of any original or substituted beneficiary nominated in accordance with the provisions of this policy, any interest of such beneficiary and his or her assigns shall thereupon revert to the insured or assigns unless otherwise specifically provided herein.

**BENEFICIARY CLAUSES.**—If in the application for this Policy the insured has reserved the right to change the beneficiary, and such fact is indicated on the first page hereof, the insured, if of legal age, may, whenever and as often as he desires, but subject to the rights of any party under any outstanding assignment made in accordance with the provisions hereof, change any beneficiary then last named hereunder and designate a new beneficiary by filing at the Home Office of the Company a written notice of such change, substantially in the form indorsed hereon. Such change shall not take effect until such written notice, duly executed by the insured, together with this policy shall be received at the Home Office of the Company for record during the lifetime of the insured and while any insurance hereunder is in force according to the Company's records, and a copy of such notice has been attached to or indorsed hereon. In the same manner the insured may at any time renounce the said right to change the beneficiary, and thereafter no change shall be made in the interest of any beneficiary hereunder except on satisfactory request and release by all parties in interest.

If the said right to change the beneficiary has been reserved to and has not been renounced by the insured, the insured may assign this policy or any interest therein without the consent of any beneficiary and the interest of all beneficiaries hereunder shall be subject to such assignment; provided, however, that when this policy becomes payable as a death claim any interest therein not covered by an assignment by the insured then in force shall be payable to the beneficiary or beneficiaries who shall then be the last designated.

If the said right to change the beneficiary has been reserved to and has not been renounced by the insured, the insured and his assigns, if any, may release or assign this policy or any dividend additions or dividend fund credited thereto, to this Company for any cash, loan or other value, which may be granted in consideration therefore and all interest of any beneficiaries hereunder or assigns of the same shall be bound thereby.

**LOANS AND CHANGES ON SIGNATURE OF INSURED AND ASSIGNS.**—The insured and his assigns, if any, may change the payment of premium from annual to semi-annual or quarterly, or vice versa, and may change the manner of applying the surplus, and may borrow, under the conditions described in the Policy Loans provision, for the sole purpose of paying the premium or interest on any indebtedness to the Company under this policy, or both, and all interest of any beneficiary or assigns of the same shall be bound thereby.

**COPY OF APPLICATION.**—All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid or be used in defense to a claim under this policy, unless it is contained in the written application and a copy of the application is attached hereto when issued.

#### NON-FORFEITURE PROVISIONS.

The Reserves and Premiums on which these values are based are computed on the "3% American Experience Table."

**CASH VALUE.**—At any time after the premiums for two years have been paid the Company will purchase this policy for its cash value on satisfactory release and surrender at the Home Office while it is in force, or within the thirty-one days of grace hereinbefore provided. Such cash value at the end of a fully paid policy year is the then terminal reserve for each \$1,000 of insurance under this policy and under any additions credited to it, together with any cash dividends credited thereto, less any indebtedness to the Company against this policy, and, if surrendered before the tenth policy year, less a surrender charge of 1% of the amount of such insurance and additions; if surrendered subsequently no surrender charge will be made. At any time during a fully paid policy year such cash value is the terminal value at the end of such year discounted for the unexpired portion thereof at the rate of 3% per annum.

**PARTICIPATING PAID-UP POLICY WITH CASH AND LOAN VALUE EXCHANGEABLE FOR EXTENDED INSURANCE.**—Or, in lieu of such cash value, upon satisfactory request by the insured and his assigns, if any, the Company will issue a participating paid-up policy, payable when this insurance is payable, for such amount as said cash value will purchase when used as a net single premium, and such paid-up policy will contain cash and loan values to the amount of its entire reserve. On receipt of satisfactory evidence of insurability and proper release of said paid-up policy the Company will place in force any extended term insurance which would then be in force under the Automatic Extended Insurance provision had this policy not been surrendered for said paid-up policy.

**AUTOMATIC EXTENDED INSURANCE.**—If this policy shall lapse and shall not have been surrendered to the Company, the insurance without any action by the owner will be automatically extended from date of lapse, if such lapse occurs two years or more from its date of issue, by applying the cash value at such time as a net single premium to purchase non-participating term insurance for the amount insured as defined on the first page hereof, increased by any dividends credited to it and decreased by any indebtedness to the Company against it at date of lapse.

**DIVIDEND USED TO PURCHASE EXTENDED INSURANCE END OF FIRST YEAR.**—If such lapse occurs before the end of the second year from its date of issue, any cash dividend or the cash value of any additions credited to this policy will be automatically applied to purchase term insurance in manner as above described; and such term insurance, on satisfactory release and surrender of this policy at the Home Office, may be surrendered for its full reserve at the time of such surrender.

**CASH, LOAN AND PAID-UP VALUES UNDER EXTENDED INSURANCE.**—If this policy is satisfactorily released and surrendered at the Home Office while insurance is in force under the Automatic Extended Insurance provision, the Company will purchase it for its cash value at the date of surrender as though no lapse had occurred, charging against such value all the unpaid gross premiums, with interest at the rate of 6% per annum accumulated annually; but no value in excess of the reserve under the extended insurance at date of surrender will be paid. Or in lieu thereof the Company, on receipt of satisfactory request, will apply such value to the purchase of participating paid-up insurance, computed as described in the Participating Paid-up Policy provision. The Company will loan on security of such extended insurance subject to the terms of the following Policy Loans provision.

**POLICY LOANS.**—At any time while this policy is in force, upon its proper assignment and on its sole security, the Company will loan, at the rate of 6% per annum, any amount up to the limit secured by any cash value guaranteed hereunder. After indorsement of the loan on the policy it will be returned to the party from whom it has been received. Any interest not paid in cash will be charged against this policy so long as the total indebtedness against it does not exceed the cash value hereunder. The loan may be repaid at any time while this policy is in force, but non-payment of loan or interest will not void this policy until the indebtedness to the Company against this policy, with interest, shall equal or exceed the cash value hereunder, when this policy shall immediately cease and become void; but such termination shall not take effect until at least thirty-one days after the Company has mailed notice of the same to the insured and assignee of record, if any, at their last known postoffice addresses.

**PREMIUM LIENS.**—In lieu of the Automatic Extended Insurance, on receipt of a satisfactory request in the application herefor or from the insured and his assigns, if any, at any time while this policy is in force, the Company will charge up annually thereafter against this policy each premium and interest payment as it becomes due (if it be not paid in cash) until such accumulated indebtedness, with interest, equals or exceeds the cash value hereunder, when this policy shall immediately cease and become void, subject, however, to the notice of termination as described in the preceding provision. Such charging up of premiums will be discontinued at any time on receipt of a satisfactory request therefor from the insured and his assigns, if any. While this policy is thus carried in force, all its Non-Forfeiture Provisions remain operative and any party in interest may, without furnishing evidence of the good health of the insured, resume payment of premiums and continue this policy in force.

**INTERMEDIATE VALUES FOR PARTIALLY PAID YEARS.**—The payment of a premium for a fraction of any policy year after the second will make a proportionate increase in the Non-Forfeiture Values of that year.

## MINIMUM NON-FORFEITURE VALUES.

Guaranteed under "Non-Forfeiture" Provisions (after deduction of required surrender charge) provided all premiums due prior to the period designated are paid, and no indebtedness exists. Each of these values will be increased by the value of any dividends standing to the credit of this policy, and decreased, as herein provided, by the value of any indebtedness to the Company existing against it. While the insured or any beneficiary (except when the right to change the beneficiary is reserved to the insured) or any assignee under this policy is a minor, no loan can be made by the Company (except for purpose of paying current premiums) and a cash value will require a release by a duly appointed legal guardian of such minor.

NOTE.—Loan Values are available at any time. The second year loan may be secured towards payment of second year's premium.

5. **LIFE ANNUITY.**—The payment of an annuity during the lifetime of the annuitant (the first payment payable *immediately*), the amount of each payment to be in conformity with the accompanying table.

**SEMI-ANNUAL, QUARTERLY OR MONTHLY.**—At the option of the owner any yearly payments may be changed to semi-annual, quarterly or monthly payments. Multiply the annual payment by .5042 to find the semi-annual payment; by .2522 to find the quarterly payment; and by .0846 to find the monthly payment.

**INCREASE OF INCOME AND INSTALMENT.**—In addition to the guaranteed income under Option No. 2, or to the instalments payable under Option No. 3, or to the *certain* instalments payable under Option No. 4, the Company will apportion as a dividend, payable at the end of each year, such interest in excess of  $3\frac{1}{2}\%$  per annum on such Principal Sum or on the reserve under such *certain* instalments respectively as may be assumed to have been earned by the Company in the declaration of dividends for that year.

At any time while this policy is in force, upon the written request of the insured, and his assigns if any, the Company will by indorsement limit the payment of any claim by death to any one of the above described "Options at Settlement." Revocation of such limitation may be similarly secured.

*Unless otherwise provided by special indorsement, if this policy is settled under the 2d Option the payees may secure the payment of the Principal Sum in cash at any time upon giving satisfactory release therefor; or if it is settled under the 3rd or 4th Option the payees may commute in one payment, discounting at the rate of  $3\frac{1}{2}\%$  per annum, any of the unpaid instalments under Option 3 or any of the unpaid instalments certain under Option 4, subsequent payments under such Options being in no wise affected by any such commutation.*

**PROVISION FOR WAIVER OF PREMIUM IN THE EVENT OF PERMANENT TOTAL DISABILITY.**

Issued as a part of and attached to Policy No. 99,999 on the life of *John M. Phoenix*.

**PREMIUM.**—In consideration of the application herefor, which is made a part of this contract and a copy of which is attached hereto, and of a premium of *Two and no/100 Dollars*, payable *annually* in addition to and together with the premium provided for under said policy, until the insured thereunder attains the age of sixty years, or until the premiums under said policy are fully paid, if prior thereto, the following disability benefits are hereby made a part of said policy.

**WAIVER.**—If, while said policy is in force and there is no default in payment of any premium hereunder or under said policy, due proofs shall be received at the Home Office of the Company that the insured thereunder, before attaining the age of sixty years, had become totally disabled, through sickness or accident, so that he had been for at least sixty days just preceding, is then and presumably will be thereby permanently incapacitated from engaging in any gainful occupation, the Company will waive each subsequent premium hereunder and under said policy as it shall become due, and the amount of insurance, nonforfeiture values and dividends thereunder will be the same as if the premiums so waived were paid in cash. The dividends so apportioned shall be payable in the same manner as if no premiums were due.

**PROOF OF DISABILITY AND RECOVERY FROM DISABILITY.**—Should a claim for disability benefits be made thereunder, the Company may require as a part of the proof of such disability that one of its medical examiners be allowed the opportunity of satisfying himself, by personal examination, as to the disability of the insured; and the Company may also require proof of the continuance of such disability in like manner, but not more frequently than once a year. Should the insured fail to furnish such proof or refuse to permit such examination, or become able to pursue some gainful occupation, then all premiums thereafter falling due under the contract as originally made must be paid to the Company in manner as described therein.

**DISABILITY ACCEPTED AS TOTAL AND PERMANENT.**—Without prejudice to any other provision it is understood that the total and permanent loss of the use of both hands or of both feet, or of one foot and one hand, or of the sight of both eyes, shall constitute permanent total disability within the meaning of the above provision.

**PROVISION MAY BE DISCONTINUED.**—This provision may be discontinued on any anniversary of said policy by filing with the Company a satisfactory request therefor, together with this agreement for cancellation.

**PITTSBURGH LIFE & TRUST COMPANY,**

In Consideration of *Three Hundred Thirty-four* Dollars and *Twenty Cents* PITTSBURGH LIFE AND TRUST COMPANY will pay *Ten Thousand* Dollars, at its Home Office in the City of Pittsburgh, Pennsylvania, to *Elizabeth Pitt, wife, if living, otherwise* to the insured's executors, administrators or assigns, upon receipt of due proof of the death of *William Pitt*, the insured, provided death occurs within one year from the date hereof and all premiums have been paid.

This insurance will be renewed by the payment of *Three Hundred Thirty-four* Dollars and *Twenty Cents* on the *first* day of *March* in the year *Nineteen Hundred and Sixteen*, as an ANNUAL DIVIDEND WHOLE LIFE POLICY paid up by LIMITED PREMIUMS, from that date, with like terms, upon which the payment of premiums of a like amount will be required on each *first* day of *March* thereafter until but not including the *first* day of *March* in the year *Nineteen Hundred and Thirty-five*, after which no further premium will be required.

**THIS POLICY PARTICIPATES IN THE PROFITS OF THE  
COMPANY.**

Dividends will be apportioned at the end of the first year and annually thereafter, and may be applied by the insured in any one of the following ways:

- (1) In reduction of the premium for the succeeding year.
- (2) Withdrawn in cash.
- (3) Permitted to accumulate at 3½ per cent interest per annum, the interest to be compounded annually. Accumulations may be withdrawn on any anniversary of this policy, or will be paid, in case of death or surrender, in addition to the amount provided in the policy.
- (4) In purchasing a non-participating paid-up addition to the sum insured, payable at the same time and in the same manner as the principal sum insured under this policy.

Unless the owner of this policy shall elect otherwise within three months after the mailing by the Company of a written notice requiring such election, the dividends shall be applied to the purchase of a paid-up addition.

If this policy becomes a claim by death, a proportionate part of the current year's dividend will be paid with the claim.

**PREMIUM LOAN.**

At any time while this policy has a loan value or an accumulation of cash dividends, there shall be no default in the payment of premiums. The Company will first apply the accumulation of cash

dividends, if any, including the dividend then due, to the payment of premiums. If there be no accumulation of dividends, or if such is insufficient to pay a full premium, the Company will forthwith advance the remainder of the premium as a loan against this policy, provided the then loan value, over and above all previous advances and loans then outstanding, plus accrued interest thereon, shall be sufficient to enable such advance, or, if insufficient to advance the entire premium then due, the remainder of an instalment thereof for a shorter period, but not less than a monthly instalment shall be advanced, and notice of such advance will be mailed to the insured. All options under this policy will remain in full force and effect, subject to any indebtedness.

When the total indebtedness hereon to the Company shall equal or exceed the loan value, this policy shall not be void until thirty-one days after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any.

Premium loan is granted, at the request of the insured, in his application for this insurance, but may be revoked at any time upon written notice to the Company.

### CASH LOANS.

After three full years' premiums have been paid, the Company will advance, at any time while the policy is in force, on proper assignment of this policy and on the sole security thereof, a sum equal to, or, at the option of the owner of the policy, a sum less than the amount specified in the Table of Loan Values below and the cash value of any dividend additions. Interest will be charged at the rate of six per cent. (6%) per annum, payable on the anniversary of the policy, but the interest will be discounted and paid in advance, which interest, if not paid annually, shall be added to the principal and bear the same rate of interest.

The Company will deduct from such loan value any indebtedness and failure to repay any loan or to pay interest shall not avoid this policy, unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any.

For the protection of the interests of all policy holders, the Company reserves the right to require ninety days' written notice before making any cash loan.

### NON-FORFEITURE PROVISIONS.

While this policy is in force by the payment of premiums, or within thirty-one days from date of default, the insured may elect one of the methods of surrender settlement shown in the table of loan and surrender values below, namely:

1. To surrender the policy for cash, provided it has been in force three full years; or
2. To purchase non-participating paid-up life insurance payable at the same time and on the same conditions as this policy; or
3. To have the insurance continued in force from date of default for its face value and for a limited period, without participation in profits and without the right to loans.

If no election is made within thirty-one days from date of default, then this policy shall be automatically continued as provided in the third option.

For the protection of the interests of all policy holders, the Company reserves the right to defer payment of the cash value for six months after written application is made therefor.

The loan values in this Table are available during policy year.

Values for later years will be computed on the same basis and be furnished upon request.

If the premiums on this policy be paid quarterly or semi-annually, a proportionate value will be allowed, under option 1 or 2, for that part of the year's premium over and above the full years paid.

If there be any indebtedness against this policy, the cash surrender value shall be reduced thereby, the paid-up insurance shall be reduced proportionately and the paid-up extended insurance shall be for the face value of the policy, less the indebtedness, and for such period as the reduced cash value will purchase.

If this policy is surrendered for cash any accumulation of dividends and the reserve on any dividend additions will be added; or, if either of the other options is selected, the accumulations, at the option of the insured, may be taken in cash, or be applied to increase (a) the paid-up life insurance or (b) the term of the extension. If the insured makes no election, any accumulation of dividends and the reserve on any dividend additions shall be paid in cash.

The loan or value of any non-forfeiture provision will be based on the reserve at the date of default on this policy and on any dividend additions thereto, computed according to the American Experience Table of Mortality, with interest at the rate of 3½% per annum, less not more than two and one-half per centum of the amount insured by this policy and of any dividend additions thereto.

**RIGHT TO REINSTATEMENT.**—Should this policy lapse by the non-payment of any premium (provided the policy shall not have been surrendered for cash or for term insurance, which shall have expired), it may be revived at ANY TIME by the insured furnishing evidence of insurability satisfactory to the Company and the pay-

ment of all arrears with interest thereon at not to exceed six per cent. (6%) per annum.

**INCOME SETTLEMENTS.—ON SURRENDER.**—The insured may elect to receive the cash surrender value, as guaranteed on page two hereof, in equal annual or monthly payments for a limited period or for twenty years certain and as long thereafter as the insured shall survive. The amount of each payment is to be based on the tables found on the fourth page and on the age of the insured at the time of such surrender.

**AT DEATH.**—If this policy is not assigned, the insured, upon written request, or the beneficiary, upon making claim, may elect either to have the net sum payable under this policy paid as an income in equal annual or monthly payments for a specified number of years, or in equal annual or monthly payments for a fixed period of twenty years and for so long thereafter as the beneficiary shall survive. If there is more than one beneficiary hereunder, or if the beneficiary is the estate of the insured, the principal sum insured hereunder will be paid in one sum. Any indebtedness to the Company will be deducted from the principal sum and all payments will be proportionately diminished. Any payments hereunder which shall not have been made prior to the death of the beneficiary shall be commuted and paid to the executor, administrator or assigns of the said beneficiary. Tables for life or limited income will be found on the fourth page hereof.

**PRIVILEGE OF CONVERSION.**—At the end of any policy year the insured may convert this policy to a Life Policy for the same amount and as of the same age and date, applying the excess of the reserve required on this policy, over the reserve required on the Life Policy, equally, to reduce subsequent premiums thereon, and such reduced premium will be as shown in the table below. The value of any dividend additions and accumulation of dividends may be withdrawn, or applied yet further to reduce the subsequent premiums thereon equally, but if the insured makes no election the dividends will be transferred to the Life Policy.

Premium will remain level after change is made and does not include the charge for Total Disability. If there is any indebtedness on this policy, it must be repaid before conversion will be granted.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days will be granted in payment of premiums after this policy shall have been in force three months, and interest shall be charged at the rate of five per cent. per annum for the number of days during which the premium remains due and unpaid. During the period of grace, this policy remains in force and the unpaid premium and interest remain an indebtedness to the Company, which shall be deducted from the amount payable under the policy, if the death of the insured shall occur during the said grace period.

**RIGHT TO CHANGE BENEFICIARY.**—The insured may at any time, and from time to time, by written request on blanks furnished by the Company, provided the policy is not assigned, change the bene-

ciary. Such change shall take effect when endorsed on the policy by the Company. The right is reserved to the insured, without the consent of the beneficiary, to receive every benefit, exercise every right and enjoy every privilege granted by this policy.

**RIGHT TO ASSIGN POLICY.**—Any assignment of this policy must be made in duplicate and on blanks furnished by the Company. Both copies must be sent to the Home Office, one to be filed and one to be returned to the assignee. The claim of any assignee shall be subject to proof of interest, and the Company will assume no responsibility as to the validity of any assignment.

**TOTAL AND PERMANENT DISABILITY.**—At any time after one full annual premium shall have been paid and before default in the payment of any subsequent premium, if the insured prior to attaining the age of sixty years shall furnish the Company satisfactory proof that he has become totally disabled by bodily injuries or disease and is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit or from pursuing any and all gainful occupations, the Company by an endorsement in writing upon this policy will waive the payment of premiums thereafter becoming due. In any such case the premiums so waived shall not be a lien against this policy and the cash loans and the values of this policy in the table of values on the second page hereof shall increase in the same manner as if the premiums were being paid by the insured, provided as often as shall be required by the Company the insured shall furnish satisfactory proof of the continuance of the disability. The irrecoverable loss of the entire sight of both eyes, or the severance of both hands above the wrists, or both feet above the ankles, or one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision. Should the insured so far recover as to be able to engage in any gainful occupation, the Company's obligation to waive further premiums shall cease, and the insured shall then be required to pay all subsequent premiums as they become due, as originally provided in this policy.

**INCOME OPTION.**—In case of total and permanent disability as above defined prior to attaining the age of sixty years, and during the premium-paying period, the insured may elect, in lieu of the waiver of premiums by the Company, to have the face amount of this policy, less any indebtedness, paid to him in twenty equal annual payments, the first payment to be made on the first anniversary of the policy, after satisfactory proof of permanent and total disability, and annually thereafter. After proof of the permanent and total disability of the insured has been established, and the insured has selected the payment of the claim as an annual income, there shall be no further requirement for the payment of premiums, and all benefits, including the face amount of policy payable at the death of the insured shall be void. Should the death of the insured occur before all of the income payments shall have been made, the balance of the net sum insured will then be paid to the beneficiary herein named. Should the insured so far recover as to be able to engage in any gainful occupation, the Company's obligation to waive further premiums or to continue to pay the annual income shall cease, and this policy may then be reinstated for the full amount, subject to any indebtedness, and all the original benefit thereunder restored on repayment to the Company of the total

amount of instalments paid; or the said instalments may remain as a loan on the policy, with interest from date premiums are resumed, and subject to the loan provisions herein.

**PREMIUMS.**—The annual premium for the Total Disability Benefits hereunder is \$6.40 and is included in the whole premium charged for this policy. These benefits may be cancelled upon the request of the insured in writing; provided, the policy is returned to the Company for proper endorsement, and thereafter the Total Disability shall cease and the premium on this policy shall be reduced by the amount charged for the benefits thus cancelled.

**CONDITION FOR ONE YEAR ONLY.**—For one year after date of application for issue of this policy, self-destruction, whether sane or insane, is a risk not assumed by the Company; but in such case the Company will return the premium actually received.

**INCONTESTABLE.**—After one year from its date of issue, this policy shall be incontestable, except for failure to pay premium. This policy shall constitute the entire contract between the parties hereto.

**PREMIUMS, WHEN AND WHERE PAYABLE.**—All premiums are due and payable in advance, either at the Home Office of the Company in the City of Pittsburgh, Pa., or to an agent of the Company upon delivery of a receipt signed by the President or Vice-President and countersigned by the Company's Cashier or said agent. The unpaid portion of the current policy year's premium, if any, will be deducted in any settlement of this policy. Failure to pay any premium when due will render this policy void, except as herein provided. If the age of the insured has been misstated, the amount payable hereunder shall be such as the premium would have purchased at the correct age.

**NOTICE TO THE HOLDER OF THIS POLICY.**—No agent is authorized to alter this contract, to waive any forfeiture thereof or to extend the time for paying any premium.

In Witness Whereof, the PITTSBURGH LIFE AND TRUST COMPANY has caused this policy to be signed by its President and Secretary and countersigned by its Registrar at Pittsburgh, Pennsylvania, this *first* day of *March*, in the year Nineteen Hundred and *Fifteen*.

**APPLICATION.**

To the best of my knowledge and belief, I am at present in good health, not being afflicted with any disease or disorder. The answers to the above questions are full, complete and true. I will accept and take up the policy hereby applied for, when issued. ## GUARANTEED CONDITIONS OF THIS POLICY.

I. This policy will be incontestable on payment of first annual premium and after one year from date of policy, except for non-payment of premiums. It will be non-forfeitable after payment of the third annual premium.

II. Any error in stating the age of the insured will be adjusted by the Fund paying such amount as the premium actually paid will purchase at the correct age.

III. In case of default in premium, this policy will be carried for one year to permit of payment of same without interest, and in event of lapse it will be revived at any time at the request of the insured, on satisfactory medical examination, and the payment of arrears with interest. If this policy shall lapse through non-payment of premium after three annual premiums have been paid, the Fund will secure to the owner thereof a form of insurance, the net value of which shall be equal to the full reserve on the policy, and on any dividend additions thereto at the date of default, according to the American Experience Table of Mortality with interest at three per cent., less any existing indebtedness to the Fund on the policy. At the end of the third and succeeding years, the cash value is the full reserve, and the paid-up and extension values are the equivalents thereof. The stipulated values of this policy shall be correspondingly increased for any fractional portion of the year's premium which has been paid. This non-forfeiture value shall be secured to the owner of the policy through one of the following provisions:

(1) The automatic extension of the net amount insured by this policy for the number of years and days stated below (see XIII-Table C), at the expiration of which time the insurance shall cease; or—

(2) The issue of paid-up participating insurance payable at death for the sum provided for below (see XIII-Table B), upon written application thereto by the owner of the Policy and the legal surrender of all claims hereunder to the Fund at its Home Office within one month after lapse; or—

(3) The payment of the cash surrender value provided for

below (see XIII-Table A), on surrender of the policy and all claims hereunder to the Fund within one month from date of lapse.

IV. When this policy shall become a claim by the death of the insured, settlement, less any indebtedness on the policy, will be made upon receipt of due proof of death.

V. On the written request of the insured, the beneficiary in this policy may be changed at any time, provided the policy is not in the hands of an assignee, and this change of beneficiary shall take effect when approved by the Fund.

VI. Any assignment of this policy shall be furnished to the Fund and a duplicate thereof attached hereto. Any claim against the Fund arising under any assignment of this policy shall be subject to proof of interest. No assignment shall impose any obligation on the Fund unless notified of same at the time of the assignment and until it has received the original thereof with approval of the Fund; nor does the Fund guarantee the sufficiency or the validity of any assignment.

VII. This policy shall participate in the surplus, and upon payment of the second year's premium and upon payment of each subsequent year's premium, as provided in the policy, the Fund shall determine and account for the proportion of the divisible surplus accruing thereto. These dividends, at the option of the insured, will be applied in any year to reduce the premium; to increase the amount of insurance; or to accumulate to the credit of the policy at three and one-half per cent. compound interest per annum, which accumulation will be payable at the maturity of the policy or may be withdrawn at any premium anniversary. If no other option is selected dividends shall be paid in cash.

VIII. This policy is free of conditions as to residence, travel or occupation. The policy constitutes the entire contract between the parties thereto.

IX. Premiums are due and payable at the Home Office of the Fund, in the City of Philadelphia, as herein provided, in exchange for receipts signed by the president, vice-president, treasurer, secretary or actuary. Any part of the year's premium remaining unpaid will be deducted from the sum payable under this policy.

X. After three full years' premiums have been paid the company at any time while the policy is in force will advance, on proper assignment of the policy and on the sole security thereof, at 4% per annum, a sum equal to, or at the option of the insured, less than, the full reserve at the end of the current policy year on the policy and on any dividend additions thereto, according to the American Experience Table of Mortality with interest at 3% per annum. There shall be deducted from such loan value any existing indebtedness on the policy, and any unpaid premium or balance of premium for the current policy year, and interest shall be payable in advance on the loan to the end of the current policy year. Failure to repay any such loan or advance or to pay interest shall not avoid the policy unless the total indebtedness thereon shall equal or exceed such loan value at the time of such failure nor until one month after notice shall have been mailed by the Fund to the last known address of the insured and of the person to whom the loan was made, and of any assignee known to the Fund.

XI. It is further agreed that this policy shall not take effect until the first premium shall have been actually paid and receipted therefor, or a note given and accepted for the same, which note is collectible and must be paid in any event; and furthermore, that the foregoing settlement on this policy shall be made within thirty days of issue of same and during the lifetime and good health of the insured. On default of payment of note for first annual premium on its maturity, this policy shall become null and void, subject, however, to reinstatement on collection of note and on satisfactory evidence of insurability; nor are agents authorized to make, alter or discharge this or any other contract in relation to this insurance, or to waive any forfeiture hereunder, or to grant permits.

XII. When a loan on this policy is continued beyond one year, the interest rate on same shall be 5%, unless paid strictly in advance, when the rate shall be 4%.

### GUARANTEED OPTIONS OF SETTLEMENT ON THIS POLICY AT THE END OF 20 YEARS.

1. To surrender the policy and take its full cash value which will be Sixty Hundred and Ninety Dollars;

2. Or, to take a full paid policy, payable at death, which will be Ten Thousand Dollars;

3. Or, to surrender the policy for an annuity for life, which will be Four Hundred and Ninety Dollars;

4. Or, in event of death at any time the policy may be paid in equal annual instalments as per XIV, Instalment Tables A, B, or, these instalments may be made in monthly payments with interest on same added thereto at the rate of 3% per annum.

The Insured may, however, declare the designation of any beneficiary to be irrevocable. During the lifetime of any irrevocably designated beneficiary the Insured shall not have the right to revoke or change the designation of that beneficiary without the written consent of said beneficiary filed with the Company. If any beneficiary, revocable or irrevocable, dies before the Insured, the interest of such beneficiary shall vest in the Insured unless otherwise specifically provided. Every change of beneficiary

or change from revocable to irrevocable designation must be made by written direction of the Insured and filed with the Company at its Home Office accompanied by this Policy, and will take effect only when endorsed on this Policy by the Company.

The beneficiary is the person named in or endorsed on this Policy as the person to whom the Policy is payable if it should become a claim by the death of the Insured. An assignee is the person to whom this Policy may have been lawfully transferred by an instrument other than a designation or change of beneficiary as aforesaid.

**OCCUPATION, TRAVEL, SUICIDE, &C.**—If the Insured shall within one year after the issue of this Policy and without the written consent of the Company previously obtained, travel or reside south of the Tropic of Cancer or shall within that time be personally engaged in blasting, mining, submarine operations or in the production of highly inflammable or explosive substances, or as an engineer, fireman, brakeman, motorman or conductor upon any steam or electric railroad or railway, or shall be engaged in any capacity upon any steam or other vessel, this Policy shall cease to be in force. If the Insured shall within one year after the issue of this Policy die by his or her own hand or act, unless proof of insanity shall have been furnished, this Policy shall be valid only for an amount equal to the Reserve hereon, and not for the amount insured.

**INCONTESTABILITY.**—This Policy, together with the application therefor, a copy whereof is attached to this Policy and made a part thereof, constitutes the entire contract between the parties, and shall be incontestable after one year from its date of issue, except for non-payment of premium. If the age of the Insured has been misstated, the amount payable under this Policy shall be such as the premium paid would have purchased of the same kind of insurance at the correct age. All statements made by the Insured shall in the absence of fraud be deemed representations and not warranties and no such statement shall avoid this Policy or be used in defence to a claim unless it is contained in the application and a copy of such application is attached to this Policy when issued.

**DIVIDENDS.**—The proportion of the surplus accruing upon this Policy shall be ascertained and distributed annually and not otherwise. At the option of the Insured, dividends will be

- (a) payable in cash;
- (b) or applicable to the payment of any premium or premiums upon this Policy;
- (c) or used to purchase paid-up additions to this Policy;
- (d) or left to accumulate to the credit of this Policy with interest at three per cent. per annum, payable when the Policy becomes a claim, or withdrawable in cash at any anniversary of this Policy on demand.

The Insured may make election of one of the aforesaid options not later than thirty-one days after any anniversary of this Policy, and any option so elected shall remain in effect until superseded by another of the aforesaid options. If no election is in effect, the dividend apportioned will be applied to the purchase of a paid-up addition as provided in option (c). Such paid-up addition may be surrendered at any time for a cash value calculated on the basis for cash values hereinafter stated in this Policy, provided the cash value in any case shall not be less than the original cash dividend.

**ASSIGNMENTS.**—No assignment of this Policy shall be of any force or effect unless made in writing and recorded by the Company on its books at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

**CHANGES OF CONTRACT, &C.**—No receipt for renewal premium, nor permit, nor any alteration or discharge of the contract nor waiver of forfeiture under the same shall be valid unless signed by the President, Vice-President, Actuary, Secretary, Treasurer or Assistant Treasurer of the Company.

**PREMIUMS.**—A grace of thirty-one days is hereby granted for the payment of every premium after the first, subject to interest at six per cent. per annum on the deferred payment. The insurance shall continue in force during said period, and if the Insured shall die during said period the overdue premium will be deducted in any settlement hereunder. Except as herein provided, the payment of a premium shall not maintain the Policy in force beyond the date when the next premium shall be due. All premiums are payable in advance at the Home Office of the Company, or to any agent of the Company upon delivery of a receipt therefor signed by the President, Vice-President, Actuary, Secretary, Treasurer or Assistant Treasurer of the Company and countersigned by its agent.

**RE-INSTATEMENT.**—This Policy may be re-instated at any time within three years from date of default in the payment of any premium, provided it has not been surrendered to the Company for its cash value, or its extension period expired, upon evidence of insurability satisfactory to the Company and payment of arrears of premium with interest at six per cent. per annum and also upon the payment or re-instatement of any other indebtedness to the Company under this Policy with interest at six per cent. per annum.

**LOANS.**—After three full years premiums shall have been paid, the Company, at any time while this Policy shall be in force and not assigned or pledged to any other person or party or continued as Extended Term Insurance, will lend on the proper assignment and delivery of this Policy and on the sole security hereof, with interest at the rate of six per cent. per annum, a sum equal to or at the option of the Insured less than the Loan Value at the end of the then current policy year as stated in the Table of Loan Values incorporated in this Policy, less any existing indebtedness to the

Company on this Policy and any unpaid balance of the premium for the then current policy year, and may collect interest in advance on the loan to the end of the current policy year; provided that the grant of such loan may be deferred by the Company for a period not exceeding six months after the application therefor is made. Failure to pay said loan or interest thereon shall not avoid this Policy unless the total indebtedness thereon to the Company shall equal or exceed the Loan Value at the time of such failure, according to the Table incorporated in this Policy, nor until one month after notice shall have been mailed by the Company to the last known address of the Insured and any assignee of record at the Home Office of the Company. No loan will be made hereon if this Policy is running as Extended Term Insurance.

**NON-FORFEITURE PROVISIONS.**—After two full annual premiums shall have been paid hereon, upon default in the payment of any premium at the end of the thirty-one days grace allowed, this Policy will without any action on the part of the Insured be binding upon the Company for participating paid-up insurance for a reduced amount payable at the same time and on the same conditions as herein originally provided. But at any time within thirty days from the date of such default the Insured, by a writing filed with the Company at its Home Office in which writing the assignee and the beneficiary if designated irrevocably shall join (but without requiring the joinder of any beneficiary not designated irrevocably), may elect in lieu of such paid-up insurance for a reduced amount

(a) to surrender this Policy and receive in cash its value at time of default;

(b) or, without the right to a loan, to have the insurance continued in force as non-participating extended term insurance from the due date of the premium in default for its original amount and any outstanding paid-up additions; and if the sum to be applied to the purchase of extended term insurance shall be more than sufficient to extend the insurance to the end of the endowment term, the excess shall be applied to the purchase of pure endowment insurance payable at the end of the term if the Insured be then living.

If this Policy should automatically become paid-up insurance for a reduced amount or if extended term insurance should be taken hereunder, such paid-up or extended term insurance will, upon legal surrender of the policy, be entitled to a cash value equal to the Reserve thereon at time of said surrender, computed upon the basis hereinafter stated, less any indebtedness to the Company.

For the protection of the interests of all policyholders and to provide against any emergency, the Company reserves to itself the right to require six months written notice for the withdrawal of the cash value of this Policy, or of the cash value of the paid-up or extended term insurance granted in lieu hereof.

The Reserve on this Policy is computed upon the American Experience Table of Mortality with interest at three and one-half per cent. per annum.

The Cash Value for the end of the tenth year and each subsequent fifth year is the full Reserve computed as aforesaid, less any indebtedness to the Company hereon; at other times, the full Reserve at date of default computed as aforesaid, less one per cent. of the amount insured and less any indebtedness to the Company hereon.

The Paid-up Values are not less than the amount purchasable at net single premium rates according to attained age of Insured by the American Experience Table of Mortality and interest at three and one-half per cent. per annum by the full Reserve at date of default computed as aforesaid, less two and one-half per cent. of the amount insured and less any indebtedness to the Company hereon.

The period of the Extended Term Insurance will be such as the Reserve at date of default on this Policy and on any outstanding paid-up additions, computed as aforesaid, less one per cent. of the amount insured and less any indebtedness to the Company on account of or secured by this Policy, will purchase at net single premium rates according to the attained age of the Insured by the American Experience Table of Mortality and interest at three and one-half per cent. per annum; but no provision contained herein shall operate to continue this Policy in force beyond the term for which it was originally written. The Pure Endowment, if any, shall be calculated on the same basis as the Extended Term Insurance.

The Loan Value for each year is not less than the Reserve computed as aforesaid, less two and one-half per cent. of the amount insured and less any indebtedness to the Company on account of or secured by this Policy.

**OPTIONAL METHODS OF SETTLEMENT:** The provisions printed on the third page hereof entitled "Optional Methods of Settlement" are hereby made a part of this Policy.

(1) **ELECTION BY THE INSURED**: At the Maturity of the Endowment in the Policy or at any time prior thereto, if no right shall inhere in any person or party other than a Revocably or Irrevocably Designated Policy Beneficiary, the Insured may, without the joinder of such Revocably or Irrevocably Designated Policy Beneficiary, elect to require the proceeds of the Policy to be paid when the same shall become payable, not in one cash sum as set out in the Policy, but in equal yearly Installments of Income according to any of the following Options respectively entitled "Option A," "Option B" and "Option C."

(2) **REVOCATION OF ELECTION BY THE INSURED**: At the Maturity of the Endowment or at any time prior thereto but not thereafter, if no right shall inhere in any person or party other than a Revocably or Irrevocably Designated Policy Beneficiary, the Insured may in like manner revoke said Election and make a new Election.

(1) APPLICABLE TO MATURED ENDOWMENT OR DEATH CLAIM: If this option shall be elected, the proceeds of the Policy, either at the Maturity of the Endowment or upon the death of the Insured prior thereto, shall be paid in either ten or fifteen or twenty or twenty-five equal yearly installments of Income, as may be chosen by said Election under the table entitled "Option B".

(2) AMOUNT OF YEARLY INSTALLMENTS OF INCOME, HOW DETERMINED: The amount of each of the elected Installments of Income shall be determined (a) by the number of Elected Installments of Income and (b) by the age of the Payee at the Payee's birthday nearest to the time when the proceeds of the Policy may become payable, according to the table entitled "Option B."

(3) CONTINUOUS PAYMENT OF INCOME TO PAYEE FOR LIFE: After all the Elected Installments of Income shall have been paid to the Payee, the same yearly sum or income shall continue to be paid yearly to said Payee during the remaining lifetime of said Payee.

(4) **COMMUTATION BY PAYEE:** At the time when any one of the Elected Installments of Income under the table entitled "Option B" shall become payable, the Payee may take in one cash sum the commuted value of the then unpaid Elected Installments of Income, ascertained according to the Commutation Table, unless the person entitled to designate such Payee shall have deprived such Payee of such right of commutation.

(5) **COMMUTATION BY PAYEE'S EXECUTORS, ADMINISTRATORS OR ASSIGNS:** (a) If a Payee who has not been deprived of the right of commutation aforesaid shall die without having exercised such right and before all the Elected Installments of Income under the table entitled "Option B" shall have been paid to such Payee, or (b) if a Payee who has been deprived of such right of commutation shall die before all the Elected Installments of Income under the table entitled "Option B" shall have been paid to such Payee, then and in either such case the Executors, Administrators or Assigns of such Payee may take in one cash sum the commuted value of the remaining or unpaid Elected Installments of Income, ascertained according to the Commutation Table.

(6) **COMMUTATION BY PAYEE NOT TO DEPRIVE PAYEE OF RIGHT TO CONTINUOUS INCOME FOR LIFE:** Exercise of the above right of commutation by the Payee shall not deprive the Payee of the right to receive the continuous yearly sum or income which the Payee would have been entitled to receive during the lifetime of the Payee according to the table entitled "Option B" if the Payee had not exercised such right of commutation, beginning upon the expiration of the term of years within which the full number of Elected Installments of Income would have been paid if the same had not been commuted.

(1) **APPLICABLE ONLY AT THE MATURITY OF THE ENDOWMENT:** This Option is applicable to disposition of the proceeds of the Policy only if said proceeds shall become payable at the Maturity of the Endowment. If this Option shall be elected, the proceeds of the Policy shall be paid in either ten or fifteen or twenty or twenty-five equal yearly Installments of Income, as may be chosen by said Election under the table entitled "Option C".

(2) **AMOUNT OF YEARLY INSTALLMENTS OF INCOME, HOW DETERMINED:** The Amount of each yearly Installment of Income shall be determined (a) by the number of yearly Installments of Income so chosen and (b) by the age of the Insured at the Insured's birthday nearest to the Maturity of the Endowment and (c) by the age of the Elected Beneficiary at the Elected Beneficiary's birthday nearest to the Maturity of the Endowment, according to the table entitled "Option C".

(3) **CONTINUOUS PAYMENT OF INCOME TO INSURED FOR LIFE:** After all the Elected Installments of Income shall have been paid to the Insured, the same yearly sum or income shall continue to be paid to the Insured during the remaining lifetime of the Insured.

(4) **PAYMENTS TO ELECTED BENEFICIARY AFTER DEATH OF INSURED:** (a) If the Insured shall die while the Elected Beneficiary may be living and before all the Elected Installments of Income shall have been paid to the Insured, the remaining or unpaid Elected Installments of Income shall be paid to the Elected Beneficiary when and as they shall become due and payable, and, after all said remaining or unpaid Elected Installments of Income shall have been so paid to said Elected Beneficiary, the same yearly sum or income shall continue to be paid to said Elected Beneficiary during the remaining lifetime of said Elected Beneficiary, or (b) If the Insured shall die while the Elected Beneficiary may be living and after all the Elected Installments of Income shall have been paid to the Insured, the same yearly sum or income shall continue to be paid to said Elected Beneficiary during the remaining lifetime of said Elected Beneficiary.

(5) **COMMUTATION BY THE INSURED:** If the Insured shall have received one or more but less than the full number of Elected Installments of Income under the table entitled "Option C", the Insured may take in one cash sum at the time when any one of the remaining or unpaid Elected Installments of Income shall become due and payable, the commuted value of the then unpaid Elected Installments of Income, ascertained according to the Commutation Table.

(6) **COMMUTATION BY INSURED'S EXECUTORS, ADMINISTRATORS OR ASSIGNS:** If the Elected Beneficiary shall die in the lifetime of the Insured and if the Insured shall die subsequently thereto but before all the Elected Installments of Income under the table entitled "Option C" shall have been paid to the Insured, the Executors, Administrators or Assigns of the Insured may take in one cash sum the commuted value of the remaining or unpaid Elected Installments of Income, ascertained according to the Commutation Table.

(7) **COMMUTATION BY ELECTED BENEFICIARY:** If the Insured shall have received one or more of the Elected Installments of Income under the table entitled "Option C" and then die while the Elected Beneficiary may be living, the Elected Beneficiary may take in one cash sum the commuted value of the remaining or unpaid Elected Installments of Income, ascertained according to the Commutation Table, unless the person entitled to designate the Elected Beneficiary shall have deprived the Elected Beneficiary of such right of commutation.

(8) **COMMUTATION BY ELECTED BENEFICIARY'S EXECUTORS, ADMINISTRATORS OR ASSIGNS:** (a) If an Elected Beneficiary who has

not been deprived of the right of commutation aforesaid shall die after the death of the Insured without having exercised such right and before all the Elected Installments of Income under the table entitled "Option C" shall have been paid, or (b) if an Elected Beneficiary who has been deprived of such right of commutation shall die after the death of the Insured and before all the Elected Installments of Income under the table entitled "Option C" shall have been paid, then and in either such case, the Executors, Administrators or Assigns of the Elected Beneficiary may take in one cash sum the commuted value of the remaining or unpaid Elected Installments of Income, ascertained according to the Commutation Table.

(9) **COMMUTATION NOT TO DEPRIVE INSURED OR ELECTED BENEFICIARY OF RIGHT TO CONTINUOUS INCOME FOR LIFE:** Commutation of such remaining or unpaid Elected Installments of Income by any person entitled to such right of commutation, shall not deprive the Insured or the Elected Beneficiary of the right to receive the yearly sum or income payable to the Insured or to the Elected Beneficiary, as the case may be, according to the table entitled "Option C," during the remaining lifetime of the survivor of the Insured and the Elected Beneficiary, beginning upon the expiration of the term of years within which the full number of Elected Installments of Income would have been paid if the same had not been commuted.

(10) **NULLIFICATION OF ELECTION:** If "Option C" shall be elected, such Election shall be automatically nullified by the death of the Insured prior to the Maturity of the Endowment, whereupon the Policy Beneficiary or Assignee shall have the right to elect either "Option A" or "Option B" unless the Insured shall have otherwise directed.

#### GENERAL PROVISIONS.

**DEDUCTION OF INDEBTEDNESS DUE TO COMPANY:** If there shall be any indebtedness due to the Company on account of this Policy when the proceeds thereof shall become payable under the terms thereof either at the Maturity of the Endowment or upon the decease of the Insured prior thereto, such indebtedness shall be first deducted from the proceeds of the Policy, and the balance remaining payable under the Policy will be the sum which may be required to be paid in yearly Installments of Income according to such of the applicable tables entitled "Option A", "Option B" and "Option C" as may be elected.

(2) **INSTALLMENTS, WHEN PAYABLE:** (a) The first of the Elected Installments of Income chosen by an Election under either table entitled "Option A" or "Option B," shall be due and payable at the Maturity of the Endowment if the Insured shall be then living, or, if the Insured shall die before the Maturity of the Endowment, then upon receipt of due written proof of the death of the Insured during the continuance of the Policy. (b) The first of the Elected Installments of Income chosen by an Election under the table entitled "Option C", shall be due and payable at the maturity of the Endowment if the Insured shall be then living. (c) Such further yearly Installments of Income as may be payable under any of said tables, shall be payable respectively at the expiration of successive periods of one year dating from the day when the first payment shall have become due and payable as aforesaid.

(3) **HALF-YEARLY, QUARTERLY OR MONTHLY PAYMENTS OF INCOME:** All Installments of Income payable under the tables entitled "Option A" and "Option B" and "Option C", shall be paid in proportionate equal half-yearly or quarterly or monthly parts of the yearly Installments according to said respective tables, if the person entitled to receive such yearly Installments of Income shall so request by writing filed with the Company at its Home Office. The first fractional payment of Income as aforesaid shall be due and payable at the time when the first yearly Installment of Income would be due and payable. Subsequent fractional payments of Income as aforesaid shall be due and payable at the expiration of the proper fractional parts of each year until all shall have been paid.

(4) **POLICY PAYABLE TO MORE THAN ONE NATURAL PERSON:** If the Policy Beneficiary or any Assignee shall be more than one individual (otherwise called natural person) at the time the proceeds of the Policy shall become payable either at Maturity of the Endowment or upon the decease of the Insured prior thereto, then and in such case neither "Option B" nor "Option C" may be elected and either of said Options if previously elected shall be automatically nullified at the Maturity of the Endowment or upon the prior decease of the Insured if the Policy Beneficiary or any Assignee shall then be as above stated. If "Option B" and "Option C" shall be either inapplicable or nullified as aforesaid, then "Option A" may be elected.

(5) **SUBSTITUTION OF INSTALLMENT INCOME AGREEMENT IN PLACE OF POLICY:** When the proceeds of the Policy shall become payable under the terms thereof and either of the aforesaid Options shall be elected, the Company reserves the right to require the Policy to be surrendered and delivered for cancellation and to issue in place thereof a non-participating Installment Income Agreement which shall express the terms of the Option elected.

**GENERAL PROVISIONS.**

**PAYMENT OF PREMIUMS.**—This Policy is based upon the payment of premiums annually in advance, but if premiums be made payable in quarterly or semi-annual instalments, any future instalments of the premium for the current policy year remaining unpaid at the maturity of the Policy shall be considered an indebtedness to the Company on account of this Policy. Premiums are payable at the Home Office of the Company, but may be paid to an agent of the Company on or before the dates when due, in exchange for official receipts signed by the President or the Secretary and countersigned by an authorized agent of the Company. If any premium be not paid when due, this Policy shall be void and all premiums forfeited to the Company, except as herein provided.

**GRACE IN PAYMENT OF PREMIUMS.**—In the payment of any premium under this Policy, except the first, a grace of thirty-one days without interest will be allowed, during which time the Policy will remain in force, but if the Policy shall become a claim within the grace period the unpaid premiums for the then current policy year shall be deducted from the amount of insurance payable.

**CHANGE OF BENEFICIARY.**—If the right to change the Beneficiary has been reserved and if the Insured shall have attained to majority according to the laws of the State in which the Insured resides, the Insured may at any time while this Policy is in force, by written notice to the Company at its Home Office, change the Beneficiary or Beneficiaries under this Policy, such change to be subject to the rights of any previous assignee and to become effective only when a provision to that effect is endorsed on or attached to the Policy by the Company, whereupon all rights of the former Beneficiary or Beneficiaries shall cease.

**ASSIGNMENTS.**—Any assignment of this Policy must be in writing, and the Company shall not be deemed to have knowledge of such assignment unless the original or a duplicate thereof is filed at the Home Office of the Company. The Company will not assume any responsibility for the validity of an assignment.

**MISSTATEMENT OF AGE.**—If the age of the Insured be misstated the amount payable under this Policy shall be such as the premium would have purchased at the correct age.

**SUICIDE.**—If within one year from the date hereof the Insured shall die by suicide—whether sane or insane—the liability of the Company shall not exceed the amount of the premiums paid on this Policy.

**INCONTESTABILITY.**—This Policy shall be incontestable after one year from its date, except for non-payment of premium.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Policy will be deducted in any payment or payments or in any settlement under the Policy.

**REINSTATEMENT.**—If this Policy be lapsed for non-payment of premium it will be reinstated any time after the date of lapse upon written application and payment of arrears of premiums with interest at the rate of five per cent. per annum, together with the reinstatement of all indebtedness, provided such indebtedness be not greater than the loan value of this Policy at the time of application for such reinstatement, and provided evidence of the insurability of the Insured satisfactory to the Company be furnished.

**MODIFICATIONS, ETC.**—No condition, provision or privilege of this Policy can be waived or modified in any case except by an endorsement hereon signed by the President, one of the Vice Presidents, the Secretary, one of the Assistant Secretaries, the Actuary, the Associate Actuary or one of the Assistant Actuaries. No modification or change shall be made in this Policy except such as is

in accordance with the laws of the State in which the same is issued. No Agent has power in behalf of the Company to make or modify this or any other contract of insurance, to extend the time for paying a premium, to waive any forfeiture, or to bind the Company by making any promise, or by making or receiving any representation or information.

**BASIS OF RESERVE AND COMPUTATIONS.**—The reserve upon this Policy for which funds are to be held, exclusive of any reserve on account of disability insurance, shall be computed upon the American Experience Table of Mortality with three and one-half per cent. interest per annum by the net level premium method. All computations in accordance with the terms of this Policy involving net premiums or reserve values based on a mortality table and interest shall be made upon the basis here stated.

**ENTIRE CONTRACT CONTAINED IN THIS POLICY.**—This Policy together with the Application, a copy of which is attached hereto, contains and constitutes the entire contract between the parties hereto, and all statements made by the Insured shall in the absence of fraud be deemed representations and not warranties; and no statement shall avoid the Policy or be used as a defence to a claim thereunder unless it be contained in the Application for the Policy and unless a copy of such Application be endorsed upon or attached to the Policy when issued.

### DIVIDEND PROVISIONS.

Annually during its continuance in force, if all premiums theretofore due have been paid, this Policy will be credited with a dividend from the surplus earnings of the Company as ascertained and apportioned by the Board of Directors. Such dividend shall be (1) paid in cash or (2) applied to the reduction of the premium then due, if any; or upon written request of the Insured it may be (3) applied to the purchase of a paid-up addition to the Policy, or (4) left to accumulate to the credit of the Policy with interest at the rate of three and one-half per cent. per annum plus such additional interest as the Company may declare on such funds and payable on maturity of the Policy or withdrawable in cash on any anniversary of the Policy. Such paid-up addition may be surrendered at any time for its full reserve at the time of such surrender. If the Insured shall select no other dividend option the dividend shall be paid in cash.

### PROVISIONS AS TO PERMANENT DISABILITY—WAIVER OF PREMIUMS—PAYMENT OF INSURANCE.

If the Insured, after the first premium on this Policy has been paid, shall furnish due proof to the Company, while this Policy is in full force and effect and while there is no default in the payment of premium, that he, at any time after payment of such first premium, from any cause whatsoever shall have become permanently disabled or physically or mentally incapacitated to such an extent that he by reason of such disability or incapacity is rendered wholly and permanently unable to engage in any occupation or perform any work for any kind of compensation of financial value, the Company upon receipt of such proof will waive the payment of each premium that may become payable thereafter under this Policy during such disability.

If such disability shall occur before the Insured is sixty years of age the Company will, in addition to such waiver, during such disability, pay to the Insured the amount insured, less any indebtedness, in one hundred and twenty monthly instalments during ten years, each instalment of the amount of \$9.74 per \$1,000 of insurance payable; the first instalment to become payable six months

after the Company shall have received such proof and subsequent instalments monthly thereafter. In lieu of monthly instalments the Insured shall have the privilege of receiving the said amount in annual, semi-annual or quarterly instalments payable during ten years, each instalment of the amount, respectively, of \$116.18, \$58.25 or \$29.16, per \$1,000 of insurance payable, the first instalment to be payable at the same time as provided for the first monthly instalment. The Insured shall not have the right to commute any instalments. Endorsement to the effect that the amount of insurance has become payable as herein specified shall be made on the Policy by the Company before the first instalment shall become payable.

The total amount of insurance under this Policy at any time after one or more of such instalments have been paid shall not exceed the commuted value of the unpaid instalments, and loan and non-forfeiture values correspondingly modified shall be available to the Insured irrespective of said waiver of premiums. Any indebtedness incurred on account of the Policy during the instalment period shall be deducted from the commuted value of the unpaid instalments at that time and the amount of each of such unpaid instalments shall be correspondingly reduced.

If such disability shall occur after the Insured is sixty years of age the amount of insurance hereunder shall, by endorsement hereon by the Company, be reduced by the amount of each premium so waived, and any loans and non-forfeiture values shall thereafter be based upon the amount of insurance thus reduced.

The Insured, upon demand by the Company at any time during such disability and before the Company's liability hereunder has ceased, shall furnish due proof that he actually continues in a state of disability, as defined above, and in case of his failure so to do the Insured shall be deemed to have recovered from such state of disability.

In the event that the Insured recovers from such state of disability before the Company's liability under the Policy has been fully discharged, as specified above, no further instalments shall be paid by the Company and no further premiums shall be waived, but thereafter the Policy shall, by endorsement thereon by the Company, be continued in force for the amount reduced as specified above, with any premium falling due thereafter and loan and non-forfeiture values correspondingly modified.

Any instalments remaining unpaid at the death of the Insured shall be paid to the Beneficiary designated in the Policy, provided, however, that such unpaid instalments may, at the request of the Beneficiary, be commuted at the rate of three and one-half per cent. per annum compound interest and paid in one sum.

It is specially agreed that permanent loss of the sight of both eyes, or loss by severance of both hands above the wrists, or of both feet above the ankles, or of one hand and one foot, shall be considered disability or incapacity within the meaning of this provision.

These provisions are granted without additional cost to the insured.

#### LOAN PROVISIONS.

If this Policy be continued in force, the Insured may borrow from the Company, with interest at the rate of six per cent. per annum, payable at the end of each policy year, on the sole security of this Policy, an amount up to the limit of the Cash Surrender value hereinafter specified after deducting therefrom all other indebtedness on account of this Policy, by making written applica-

tion for the loan and assigning the Policy to the Company as security. Failure to repay any such indebtedness or to pay interest shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month after notice to that effect shall have been mailed by the Company to the last known address of the Insured, of the person to whom the loan was made, and of the assignee of record at the Home Office of the Company, if any. The Company reserves the right to defer any loan, other than to pay premiums on policies in the Company, for a period not exceeding ninety days after application for such loan.

(NOTE.—At any time during the continuance of this Policy a statement of any outstanding indebtedness on account of the Policy will be furnished on request.)

### NON-FORFEITURE PROVISIONS.

#### POLICY NON-FORFEITABLE AFTER FIRST YEAR'S PREMIUM HAS BEEN PAID.

**NON-FORFEITURE VALUES AT END OF FIRST AND SECOND POLICY YEARS.**—If this Policy after being in force one full year or two full years shall lapse for non-payment of premium, the Company will continue in force the insurance under the Policy for a period of sixty days or of one hundred and twenty days, respectively, from the due date of such premium, as specified on the first page hereof, as indicated in the following table; provided, however, that if the death of the Insured shall occur during the period of continued insurance herein defined, there shall be deducted from the amount payable by the Company any premium that would have become due on this Policy up to the time of the death of the Insured if the Policy had been continued in force.

**CASH SURRENDER VALUE.**—If this Policy be legally surrendered to the Company within three months after the end of the third year from its date or of any year thereafter, and if all premiums, required by the terms of the Policy, to the end of that year have been paid in full, the Company will pay therefor the sum indicated by the following table, less any indebtedness to the Company on account of this Policy. The Company reserves the right to defer the payment of any Cash Surrender Value for a period not exceeding ninety days after application for such Cash Surrender Value.

**PAID-UP LIFE POLICY.**—If this Policy, after being in force three full years, shall lapse or become forfeited for the non-payment of any premium on the date when due, as specified on the first page hereof, and if the Policy be not surrendered for its Cash Value, the Company will issue a non-participating Paid-up Life Policy as specified in the following table, upon the legal surrender of this Policy within three months after the date to which premiums have been duly paid; provided, however, that if there be any indebtedness to the Company on account of this Policy the amount of such Paid-up Life Policy will be reduced by the proportion that the total indebtedness bears to the then tabular Cash Surrender Value of this Policy.

**AUTOMATIC EXTENDED INSURANCE.**—If this Policy, having lapsed or become forfeited as specified in the clause, "Paid-up Life Policy," above, be not surrendered for its Cash Value or for a Paid-up Life Policy, the Company will put in force in lieu of this Policy, *without any action on the part of the Insured*, a non-participating Paid-up Term Policy for the full amount insured by this Policy, such Paid-up Term Policy to be dated on the day to which premiums have been duly paid, and to continue in force for the term indicated by the following table; provided, however, that the Insured shall not have the right to borrow on such Policy and that

if there be any indebtedness to the Company on account of this Policy the amount of such Paid-up Term Policy shall be the face amount of this Policy less the amount of such indebtedness, and the term for which such Paid-up Term Policy shall run be changed to that term for which the Cash Surrender Value of this Policy herein specified, after deducting such indebtedness, will carry the modified amount at Single Premium Term rates. The Paid-up Term Policy will be delivered on the legal surrender of this Policy.

**CASH SURRENDER VALUES UNDER PAID-UP LIFE AND PAID-UP TERM POLICIES.**—If this Policy shall lapse, as above, and a Paid-up Life Policy be issued or a Paid-up Term Policy be put in force in lieu thereof, such Paid-up Life or such Paid-up Term Policy may be surrendered at any time for its full reserve value at the time of such surrender.

\*The tabular loan value at the end of any year, discounted at the rate of six per cent. per annum, shall be available to the Insured at any time after the entire premium for that year has been paid.

The non-forfeiture values in the above table are based upon the American Experience Table of Mortality with three and one-half per cent. interest per annum, and the net value of any such non-forfeiture value, from the third to the end of the fifteenth year, is at least equal to the entire reserve on this Policy, according to the foregoing standard, less a percentage (not more than two and one-half) of the amount insured by the Policy; thereafter, such net value is the full reserve by said standard, less a surrender charge, if made, of not more than one-twentieth of one per cent. of the amount insured by the Policy.

If this Policy be continued in force beyond the twentieth year, a table of Cash Surrender and Loan Values, as above, after the twentieth year, will be furnished on application to the Home Office.

## 456 PRUDENTIAL INSURANCE CO. OF AMERICA, NEWARK, N. J.

If the amount insured be increased by dividend additions the Loan and Cash Surrender Values will be increased by the full reserve on account of such additions and the other non-forfeiture values modified accordingly.

If the premiums on this Policy be paid in quarterly or semi-annual instalments, due allowance will be made in computing values from the above table for that portion of a year's premium paid over and above the full number of years' premiums indicated; provided, however, that if more than one but less than three full years' premiums shall have been paid an allowance of fifteen days of continued insurance will be made for each quarter of a year for which the premium has been paid.

### PROVISIONS AS TO MODES OF SETTLEMENT AT MATURITY.

The Insured may at any time while this Policy is in force, subject to the rights of any assignee and with the power of revocation, by written notice to the Company, designate any one of the following options as the manner in which the amount of insurance shall be payable in lieu of being paid in one sum, and the Company will then endorse on the Policy that payment shall be made according to the option designated, but if the Insured shall have made no such designation, the Beneficiary shall have the right of designation; provided, however, that in no event shall Option 1 or 2 be available to an individual Beneficiary if the amount of each instalment payable thereunder to such Beneficiary would be less than \$10, nor shall Option 3 be available if the amount of insurance payable be less than \$1,000 and none of said options shall be available if the Beneficiary be a corporation or a firm.

ments provided under Options 1 and 2, unless the Insured shall have otherwise directed in writing.

**UNPAID INSTALMENTS AT DEATH OF BENEFICIARY.**—If one or more instalments shall actually be paid in accordance with the provisions above and if the Beneficiary shall die before all instalments payable shall have been paid, and if there be no contingent beneficiary designated by the Insured or by the Beneficiary after the death of the Insured, the unpaid instalments will be commuted at the rate of three and one-half per cent. per annum compound interest and paid in one sum to the executors or administrators of the Beneficiary.

**DIVIDENDS WITH INSTALMENTS OR INTEREST.**—If the amount of insurance be payable in instalments, monthly or otherwise, or be left in trust with the Company, any dividend from the surplus earnings as ascertained and apportioned by the Board of Directors on account of amounts so payable will effect an increase in the instalments or in the interest payable on account of the trust fund, but no dividend will be declared on instalments payable after the period fixed for instalments certain.

### NOTICE TO POLICYHOLDER.

Owing to the low rate of premium at which policies of this nature are issued, the surplus accruing thereunder will probably not be sufficient to enable the Company to apportion any dividend under this Policy before the end of the second year from its date.

## GENERAL PROVISIONS.

**PAYMENT OF PREMIUMS.**—This Policy is based upon the payment of premiums annually in advance, but if premiums be made payable in quarterly or semi-annual instalments, any future instalments of the premium for the current policy year remaining unpaid at the maturity of the Policy shall be considered an indebtedness to the Company on account of this Policy. Premiums are payable at the Home Office of the Company, but may be paid to an agent of the Company on or before the dates when due, in exchange for official receipts signed by the President or the Secretary and countersigned by an authorized agent of the Company. If any premium be not paid when due, this Policy shall be void and all premiums forfeited to the Company, except as herein provided.

**GRACE IN PAYMENT OF PREMIUMS.**—In the payment of any premium under this Policy, except the first, a grace of thirty-one days without interest will be allowed, during which time the Policy will remain in force, but if the Policy shall become a claim within the grace period the unpaid premiums for the then current policy year shall be deducted from the amount of insurance payable.

**CHANGE OF BENEFICIARY.**—If the right to change the Beneficiary has been reserved and if the Insured shall have attained to majority according to the laws of the State in which the Insured resides, the Insured may at any time while this Policy is in force, by written notice to the Company at its Home Office, change the Beneficiary or Beneficiaries under this Policy, such change to be subject to the rights of any previous assignee and to become effective only when a provision to that effect is endorsed on or attached to the Policy by the Company, whereupon all rights of the former Beneficiary or Beneficiaries shall cease.

**ASSIGNMENTS.**—Any assignment of this Policy must be in writing, and the Company shall not be deemed to have knowledge of such assignment unless the original or a duplicate thereof is filed at the Home Office of the Company. The Company will not assume any responsibility for the validity of an assignment.

**MISSTATEMENT OF AGE.**—If the age of the Insured be misstated the amount payable under this Policy shall be such as the premium would have purchased at the correct age.

**SUICIDE.**—If within one year from the date hereof the Insured shall die by suicide—whether sane or insane—the liability of the Company shall not exceed the amount of the premiums paid on this Policy.

**INCONTESTABILITY.**—This Policy shall be incontestable after one year from its date, except for non-payment of premium.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Policy will be deducted in any payment or payments or in any settlement under the Policy.

**REINSTATEMENT.**—If this Policy be lapsed for non-payment of premium it will be reinstated any time after the date of lapse upon written application and payment of arrears of premiums with interest at the rate of five per cent. per annum, together with the reinstatement of all indebtedness, provided such indebtedness be not greater than the loan value of this Policy at the time of application for such reinstatement, and provided evidence of the insurability of the Insured satisfactory to the Company be furnished.

**MODIFICATIONS, ETC.**—No condition, provision or privilege of this Policy can be waived or modified in any case except by an endorsement hereon signed by the President, one of the Vice Presidents, the Secretary, one of the Assistant Secretaries, the Actuary, the Associate Actuary or one of the Assistant Actuaries. No modification or change shall be made in this Policy except such as is

in accordance with the laws of the State in which the same is issued. No Agent has power in behalf of the Company to make or modify this or any other contract of insurance, to extend the time for paying a premium, to waive any forfeiture, or to bind the Company by making any promise, or by making or receiving any representation or information.

**BASIS OF RESERVE AND COMPUTATIONS.**—The reserve upon this Policy for which funds are to be held, exclusive of any reserve on account of disability insurance, shall be computed upon the American Experience Table of Mortality with three and one-half per cent. interest per annum by the net level premium method. All computations in accordance with the terms of this Policy involving net premiums or reserve values based on a mortality table and interest shall be made upon the basis here stated.

**ENTIRE CONTRACT CONTAINED IN THIS POLICY.**—This Policy together with the Application, a copy of which is attached hereto, contains and constitutes the entire contract between the parties hereto, and all statements made by the Insured shall in the absence of fraud be deemed representations and not warranties; and no statement shall avoid the Policy or be used as a defence to a claim thereunder unless it be contained in the Application for the Policy and unless a copy of such Application be endorsed upon or attached to the Policy when issued.

### DIVIDEND PROVISIONS.

Annually during its continuance in force, if all premiums theretofore due have been paid, this Policy will be credited with a dividend from the surplus earnings of the Company as ascertained and apportioned by the Board of Directors. Such dividend shall be (1) paid in cash or (2) applied to the reduction of the premium then due, if any; or upon written request of the Insured it may be (3) applied to the purchase of a paid-up addition to the Policy, or (4) left to accumulate to the credit of the Policy with interest at the rate of three and one-half per cent. per annum plus such additional interest as the Company may declare on such funds and payable on maturity of the Policy or withdrawable in cash on any anniversary of the Policy. Such paid-up addition may be surrendered at any time for its full reserve at the time of such surrender. If the Insured shall select no other dividend option the dividend shall be paid in cash.

### PROVISIONS AS TO PERMANENT DISABILITY—WAIVER OF PREMIUMS—PAYMENT OF INSURANCE.

If the Insured, after the first premium on this Policy has been paid, shall furnish due proof to the Company, while this Policy is in full force and effect and while there is no default in the payment of premium, that he, at any time after payment of such first premium, from any cause whatsoever shall have become permanently disabled or physically or mentally incapacitated to such an extent that he by reason of such disability or incapacity is rendered wholly and permanently unable to engage in any occupation or perform any work for any kind of compensation of financial value, the Company upon receipt of such proof will waive the payment of each premium that may become payable thereafter under this Policy during such disability.

If such disability shall occur before the Insured is sixty years of age the Company will, in addition to such waiver, during such disability, pay to the Insured the amount insured, less any indebtedness, in one hundred and twenty monthly instalments during ten years, each instalment of the amount of \$9.74 per \$1,000 of insurance payable; the first instalment to become payable six months

after the Company shall have received such proof and subsequent instalments monthly thereafter. In lieu of monthly instalments the Insured shall have the privilege of receiving the said amount in annual, semi-annual or quarterly instalments payable during ten years, each instalment of the amount, respectively, of \$116.18, \$58.25 or \$29.16, per \$1,000 of insurance payable, the first instalment to be payable at the same time as provided for the first monthly instalment. The Insured shall not have the right to commute any instalments. Endorsement to the effect that the amount of insurance has become payable as herein specified shall be made on the Policy by the Company before the first instalment shall become payable.

The total amount of insurance under this Policy at any time after one or more of such instalments have been paid shall not exceed the commuted value of the unpaid instalments, and loan and non-forfeiture values correspondingly modified shall be available to the Insured irrespective of said waiver of premiums. Any indebtedness incurred on account of the Policy during the instalment period shall be deducted from the commuted value of the unpaid instalments at that time and the amount of each of such unpaid instalments shall be correspondingly reduced.

If such disability shall occur after the Insured is sixty years of age the amount of insurance hereunder shall, by endorsement hereon by the Company, be reduced by the amount of each premium so waived, and any loans and non-forfeiture values shall thereafter be based upon the amount of insurance thus reduced.

The Insured, upon demand by the Company at any time during such disability and before the Company's liability hereunder has ceased, shall furnish due proof that he actually continues in a state of disability, as defined above, and in case of his failure so to do the Insured shall be deemed to have recovered from such state of disability.

In the event that the Insured recovers from such state of disability before the Company's liability under the Policy has been fully discharged, as specified above, no further instalments shall be paid by the Company and no further premiums shall be waived, but thereafter the Policy shall, by endorsement thereon by the Company, be continued in force for the amount reduced as specified above, with any premium falling due thereafter and loan and non-forfeiture values correspondingly modified.

Any instalments remaining unpaid at the death of the Insured shall be paid to the Beneficiary designated in the Policy, provided, however, that such unpaid instalments may, at the request of the Beneficiary, be commuted at the rate of three and one-half per cent. per annum compound interest and paid in one sum.

It is specially agreed that permanent loss of the sight of both eyes, or loss by severance of both hands above the wrists, or of both feet above the ankles, or of one hand and one foot, shall be considered disability or incapacity within the meaning of this provision.

These provisions are granted without additional cost to the Insured.

#### LOAN PROVISIONS.

If this Policy be continued in force, the Insured may borrow from the Company, with interest at the rate of six per cent. per annum, payable at the end of each policy year, on the sole security of this Policy, an amount up to the limit of the Cash Surrender Value hereinafter specified after deducting therefrom all other indebtedness on account of this Policy, by making written applic-

tion for the loan and assigning the Policy to the Company as security. Failure to repay any such indebtedness or to pay interest shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month after notice to that effect shall have been mailed by the Company to the last known address of the Insured, of the person to whom the loan was made, and of the assignee of record at the Home Office of the Company, if any. The Company reserves the right to defer any loan, other than to pay premiums on policies in the Company, for a period not exceeding ninety days after application for such loan.

(NOTE.—At any time during the continuance of this Policy a statement of any outstanding indebtedness on account of the Policy will be furnished on request.)

### NON-FORFEITURE PROVISIONS.

#### POLICY NON-FORFEITABLE AFTER FIRST YEAR'S PREMIUM HAS BEEN PAID.

**NON-FORFEITURE VALUES AT END OF FIRST AND SECOND POLICY YEARS.**—If this Policy after being in force one full year or two full years shall lapse for non-payment of premium, the Company will continue in force the insurance under the Policy for a period of sixty days or of one hundred and twenty days, respectively, from the due date of such premium, as specified on the first page hereof, as indicated in the following table; provided, however, that if the death of the Insured shall occur during the period of continued insurance herein defined, there shall be deducted from the amount payable by the Company any premium that would have become due on this Policy up to the time of the death of the Insured if the Policy had been continued in force.

**CASH SURRENDER VALUE.**—If this Policy be legally surrendered to the Company within three months after the end of the third year from its date or of any year thereafter, and if all premiums, required by the terms of the Policy, to the end of that year have been paid in full, the Company will pay therefor the sum indicated by the following table, less any indebtedness to the Company on account of this Policy. The Company reserves the right to defer the payment of any Cash Surrender Value for a period not exceeding ninety days after application for such Cash Surrender Value.

**PAID-UP LIFE POLICY.**—If this Policy, after being in force three full years, shall lapse or become forfeited for the non-payment of any premium on the date when due, as specified on the first page hereof, and if the Policy be not surrendered for its Cash Value, the Company will issue a non-participating Paid-up Life Policy as specified in the following table, upon the legal surrender of this Policy within three months after the date to which premiums have been duly paid; provided, however, that if there be any indebtedness to the Company on account of this Policy the amount of such Paid-up Life Policy will be reduced by the proportion that the total indebtedness bears to the then tabular Cash Surrender Value of this Policy.

**AUTOMATIC EXTENDED INSURANCE.**—If this Policy, having lapsed or become forfeited as specified in the clause, "Paid-up Life Policy," above, be not surrendered for its Cash Value or for a Paid-up Life Policy, the Company will put in force in lieu of this Policy, *without any action on the part of the Insured*, a non-participating Paid-up Term Policy for the full amount insured by this Policy, such Paid-up Term Policy to be dated on the day to which premiums have been duly paid, and to continue in force for the term indicated by the following table; provided, however, that the Insured shall not have the right to borrow on such Policy and that

if there be any indebtedness to the Company on account of this Policy the amount of such Paid-up Term Policy shall be the face amount of this Policy less the amount of such indebtedness, and the term for which such Paid-up Term Policy shall run be changed to that term for which the Cash Surrender Value of this Policy herein specified, after deducting such indebtedness, will carry the modified amount at Single Premium Term rates. The Paid-up Term Policy will be delivered on the legal surrender of this Policy.

**CASH SURRENDER VALUES UNDER PAID-UP LIFE AND PAID-UP TERM POLICIES.**—If this Policy shall lapse, as above, and a Paid-up Life Policy be issued or a Paid-up Term Policy be put in force in lieu thereof, such Paid-up Life or such Paid-up Term Policy may be surrendered at any time for its full reserve value at the time of such surrender.

\*The tabular loan value at the end of any year, discounted at the rate of six per cent. per annum, shall be available to the Insured at any time after the entire premium for that year has been paid.

The non-forfeiture values in the above table are based upon the American Experience Table of Mortality with three and one-half per cent. interest per annum, and the net value of any such non-forfeiture value, from the third to the end of the fifteenth year, is at least equal to the entire reserve on this Policy, according to the foregoing standard, less a percentage (not more than two and one-half) of the amount insured by the Policy; thereafter, such net value is the full reserve by said standard, less a surrender charge, if made, of not more than one-twentieth of one per cent. of the amount insured by the Policy.

If this Policy be continued in force beyond the twentieth year a table of Cash Surrender and Loan Values, as above, after twentieth year, will be furnished on application to the Home Office.

# 456 PRUDENTIAL INSURANCE CO. OF AMERICA, NEWARK, N. J.

If the amount insured be increased by dividend additions the Loan and Cash Surrender Values will be increased by the full reserve on account of such additions and the other non-forfeiture values modified accordingly.

If the premiums on this Policy be paid in quarterly or semi-annual instalments, due allowance will be made in computing values from the above table for that portion of a year's premium paid over and above the full number of years' premiums indicated; provided, however, that if more than one but less than three full years' premiums shall have been paid an allowance of fifteen days of continued insurance will be made for each quarter of a year for which the premium has been paid.

## PROVISIONS AS TO MODES OF SETTLEMENT AT MATURITY.

The Insured may at any time while this Policy is in force, subject to the rights of any assignee and with the power of revocation, by written notice to the Company, designate any one of the following options as the manner in which the amount of insurance shall be payable in lieu of being paid in one sum, and the Company will then endorse on the Policy that payment shall be made according to the option designated, but if the Insured shall have made no such designation, the Beneficiary shall have the right of designation; provided, however, that in no event shall Option 1 or 2 be available to an individual Beneficiary if the amount of each instalment payable thereunder to such Beneficiary would be less than \$10, nor shall Option 3 be available if the amount of insurance payable be less than \$1,000 and none of said options shall be available if the Beneficiary be a corporation or a firm.

ments provided under Options 1 and 2, unless the Insured shall have otherwise directed in writing.

**UNPAID INSTALMENTS AT DEATH OF BENEFICIARY.**—If one or more instalments shall actually be paid in accordance with the provisions above and if the Beneficiary shall die before all instalments payable shall have been paid, and if there be no contingent beneficiary designated by the Insured or by the Beneficiary after the death of the Insured, the unpaid instalments will be commuted at the rate of three and one-half per cent. per annum compound interest and paid in one sum to the executors or administrators of the Beneficiary.

**DIVIDENDS WITH INSTALMENTS OR INTEREST.**—If the amount of insurance be payable in instalments, monthly or otherwise, or be left in trust with the Company, any dividend from the surplus earnings as ascertained and apportioned by the Board of Directors on account of amounts so payable will effect an increase in the instalments or in the interest payable on account of the trust fund, but no dividend will be declared on instalments payable after the period fixed for instalments certain.

### NOTICE TO POLICYHOLDER.

Owing to the low rate of premium at which policies of this nature are issued, the surplus accruing thereunder will probably not be sufficient to enable the Company to apportion any dividend under this Policy before the end of the second year from its date.

JAMES H. REED, President.

**Promises to Pay** upon receipt at the Home Office of the Company in Pittsburgh of due proof of the death of *Richard H. Roe of Pittsburgh, County of Allegheny, State of Pennsylvania*, herein called the Insured, if the death of the Insured occurs within one year from the date hereof or subsequently if this Contract be renewed and be in full force, to *Mary A. Roe, wife, Beneficiary*, with right of revocation, the sum of *Ten Thousand Dollars*, less any indebtedness hereon to the Company and any unpaid portion of the premium for the then current policy year.

All insurance provided by this policy is based upon the application therefor, a copy of which is hereto attached and made a part of this Contract, and the payment of the annual premium of *Three Hundred Sixty-two Dollars and Ten cents* on the *Tenth* day of *February, 1914*, as the premium for one year's insurance, the payment of the first annual premium being hereby acknowledged; and this policy will be renewed as a Limited Payment Life Policy upon the further payment of a like amount on or before the *Tenth* day of *February* in each and every year hereafter until *Twenty* full years' premiums including the first shall have been paid after which no further premiums will be required. The first year's insurance under this policy is term insurance. The privileges, conditions and provisions on the succeeding pages of this policy are made a part of this Contract as fully as if stated over the signatures hereto affixed.

**In Witness Whereof**, the Company has caused this policy to be executed this *Tenth* day of *February* in the year one thousand nine hundred and *fourteen*.

H. G. SCOTT,

Secretary.

JAMES H. REED,

president.

PRIVILEGES, CONDITIONS AND PROVISIONS.

**CHANGE OF BENEFICIARY.**—The Insured, subject to any existing assignment of the policy, may designate a new beneficiary by filing written notice thereof at the Home Office of the Company accompanied by the policy for suitable endorsement thereon. If any beneficiary shall die before the Insured and the Insured shall not have designated a new beneficiary, the interest of such beneficiary shall be payable to the Insured, his executors, administrators or assigns.

**PREMIUMS.**—All premiums are payable in advance at said Home Office, or to an agent of the Company upon delivery of a receipt signed by the President or Secretary of the Company and countersigned by said Agent. A grace of one month, or thirty-one days, subject to an interest charge at the rate of five per centum per annum shall be granted for the payment of every premium after the first, during which period the insurance shall continue in force. If the Insured shall die during the days of grace, the ~~overdue~~ premium will be deducted from any amount payable hereon.

settlement hereunder. Except as herein provided the payment of a premium or installment thereof shall not maintain the policy in force beyond the date when the next premium or installment thereof is payable.

**SELF DESTRUCTION.**—Self destruction during the first policy year, whether the insured be sane or insane, is a risk not assumed by the Company, but in such case the Company will return, in full, all premiums actually received.

**INCONTESTABILITY.**—This policy contains no restrictions upon the Insured in respect to occupation, residence or travel from date of issue. The policy and the application therefor, a copy of which is hereto attached, constitute the entire contract between the parties and shall be incontestable after one year from its date, except for non-payment of premiums. All statements made by the Insured in said application shall, in the absence of fraud be deemed representations and not warranties, and no such statement shall avoid the policy unless it is contained in the written application hereof, a copy of which is hereto attached.

If the age of the Insured has been mis-stated, the amount payable hereunder shall be such as the premium would have purchased at the correct age.

**PARTICIPATION.**—This policy shall participate in the divisible surplus on the participating business and beginning at the end of the first policy year, provided the second year's premium is paid in cash, dividends shall be declared annually during its continuance. The dividends shall be available to the Insured or assigns under one of the following options:

- 1st.—Drawn in Cash; or,
- 2nd.—Left with the Company, in which case compound interest at a rate of not less than three and one-half per centum per annum will be allowed thereon; or,
- 3rd.—Applied toward the payment of any premium or premiums; or,
- 4th.—Applied to purchase paid-up additions to the policy. Such paid-up additions may be surrendered for cash at any time, and the cash value thereof shall not be less than the original cash dividends. If no option has been made, the dividend shall be applied under the *Fourth* option.

**LOANS.**—After three full years' premiums have been paid, the Company at any time, while this policy is in force, will advance, on proper assignment of this policy and on the sole security thereof, at a rate of interest not greater than five per centum per annum, which interest if not paid annually shall be added to the principal and bear the same rate of interest, a sum equal to, or, at the option of the owner of the policy, less than, the reserve at the end of the current policy year on this policy and on any dividend additions thereto, computed according to the American Experience Table of Mortality and interest at the rate of three and one-half per centum per annum, less not more than two and one-half per centum of the amount insured by this policy and of any dividend additions thereto.

The Company, however, will deduct from such loan value any existing indebtedness to the Company on the policy and any unpaid balance of the premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year. Failure to repay any such advance or to pay interest shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure and until one month after notice shall have been mailed by the Company to the last known address of the Insured and of the assignee, if any. No condition other than as herein provided shall be exacted as a prerequisite to any such advance.

**OPTIONS ON SURRENDER OR LAPSE.**—After this policy shall have been in force three full years, the owner, within one month after any default, may elect (a) to accept the value of this policy in

cash, or (b) to have the insurance continued in force from date of default, without future participation and without the right to loans, for its face amount, including any outstanding dividend additions, less any indebtedness to the Company hereon, or (c) to purchase non-participating paid-up insurance, payable at the same time and on the same conditions as this policy. The cash value will be the reserve at the date of default on this policy and on any dividend additions thereto, computed according to the American Experience Table of Mortality and interest at the rate of three and one-half per centum per annum, less not more than two and one-half per centum of the amount insured by this policy and of any dividend additions thereto, and less any existing indebtedness to the Company on this policy. The term for which the insurance will be continued or the amount of the paid-up policy will be such as the cash value will purchase as a net single premium at the attained age of the Insured according to the American Experience Table of Mortality and interest at the rate of three and one-half per centum per annum. If the owner shall not, within one month from default, surrender this policy to the Company at its Home Office for a cash surrender value or for paid-up insurance as provided in options (a) and (c), the insurance will be continued as provided in option (b).

The figures in the following table are computed in accordance with the above provisions and upon the assumption that there is no indebtedness on the policy, and that there are no outstanding dividend additions.

NON-FORFEITURE TABLE.

The figures apply to a policy for \$1000. As this contract is for \$10,000 the loan, cash or paid-up insurance available in any year will be *ten times* the amount stated in the table for that year.

All values for years subsequent to the twentieth will be equal to or equivalent to the entire reserve of the policy. Figures for later years will be furnished upon request.

**ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company, until it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

**REINSTATEMENT.**—If default be made in premium payments and the policy has not been surrendered to the Company and cancelled, it may be reinstated at any time within three years, provided the Insured shall furnish evidence of good health satisfactory to the Company, and pay all overdue premiums to date of reinstatement, with interest thereon at five per centum per annum.

**OPTIONS AT MATURITY.**—The Insured, by written notice to the Company at its Home Office, and with the written consent of the assignee, if any, may elect to have the net sum payable under this policy paid either in cash or as follows:

(1) By the payment of interest thereon at three and one-half per centum per annum, payable annually, to the payee under this policy.

at the end of each year during the life of the payee, and by the payment upon the death of the payee of the said net sum and accrued interest to the executors, administrators, or assigns of the payee, unless otherwise directed in said notice.

(2) By the payment of equal annual installments for a specified number of years, the first installment being payable immediately, in accordance with the following table for each \$1,000 of said net sum.

(3) By the payment of equal annual installments payable at the beginning of each year for a fixed period of twenty years and for so many years longer as the payee shall survive in accordance with the following table for each \$1,000 of said net sum.

Installments payable under options (2) or (3) which shall not have been paid prior to the death of the payee, shall be paid, unless otherwise directed in said notice, to the executors, administrators or assigns of the payee.

If the Insured shall not have directed otherwise the beneficiary may, after the death of the Insured, by like written notice, and with the written consent of the assignee, if any, select either of the above options.

Unless otherwise specified by the Insured the payee may on any interest date receive the amount yet due under option (1), and may at any time receive the commuted value of payments yet to be made, computed upon the same basis as option (2) in the following table, provided that no such commutation will be made under (3), except after the death of the payee occurring within the aforesaid twenty years.

**TOTAL AND PERMANENT DISABILITY.**—If the Insured has not attained the age of sixty years after one full annual premium has been paid and before a default in the payment of any subsequent premium, this policy will become fully paid up, requiring no further payment of premiums by the Insured, provided evidence, satisfactory to the Company, shall be furnished by the Insured that he has become totally and permanently disabled for life by bodily injury or disease, and is thereby prevented from performing any and every kind of duty pertaining to his occupation or any other occupation or gainful pursuit. On receipt of such evidence the Company will endorse the proper provision hereon. In such event the cash, loan and surrender values shall increase from year to year, and this policy shall participate in any distribution of surplus in its class in like manner as if the premiums had been regularly and duly paid by the Insured.

During the period of total and permanent disability, and at any time one year after the premium anniversary date first following

the date of such disability, the Company will, at the request of the insured and beneficiary or assignee, if any, pay a monthly income amounting to 1% of the face value of the policy, if there be no existing indebtedness, or if there be such indebtedness, 1% of the face value of the policy less such indebtedness; such payments to continue until the total amount of payments made shall equal the face of the policy, less all indebtedness, if any, at which time the Company's liability under this contract shall cease. In the event of the death of the Insured before the full amount of this policy has been paid to the Insured, beneficiary or assignee, the Company will pay the remaining amount due under this contract upon due proof of death. The cash, loan and surrender values will bear the same proportion to the full cash, loan and surrender values stated in table, on page 2, as the remaining amount of insurance under this contract bears to the original amount of insurance.

If, however, the Insured shall recover, so as to be able to engage in any occupation for wages or profit during the premium payment period, or before the full amount of the policy is paid, he shall then be required to pay all premiums becoming due under this contract after the date of recovery, and the liability of the Company will be limited to the face of the policy less all payments made to the Insured and less all indebtedness thereon.

The.....Annual premium for this clause is \$5.00 and is included in the whole premium charged for this policy, and this clause may be cancelled at any time by the Insured, and thereafter the Disability Insurance shall cease and the premium on this policy shall be reduced by the amount named herein, provided the policy be returned to the Company for proper endorsement.

Agents are not authorized to modify this policy or to extend the time for paying a premium.

The reserve on this policy and all surrender values contained therein are based on the American Experience Table of Mortality with three and one-half per cent. interest, and in no case does the surrender charge amount to more than two and one-half per cent. of the amount insured hereby. The first year's insurance under this policy is term insurance, purchased by the whole or part of the premium to be received during the first policy year, and the policy shall be valued according to its terms and the laws of the State of Indiana.

In the event of no indebtedness hereon, the values in the above Table will apply. Any indebtedness hereon may be paid in cash and the values in the Table will then apply, or if not so paid, the cash and loan values will be reduced by the amount of the indebtedness; the paid-up insurance will be reduced in the ratio of the indebtedness to the net value of such paid-up insurance; and the extended insurance shall be for as long a term as the balance, left after deducting the indebtedness from the net value of the extended insurance as shown in the Table, will purchase as a net single premium. Premium payments for fractional parts of a year, if any, will proportionately increase the values in the Table. Values after twenty years shall be equivalent to the full reserve on this policy.

**LOAN VALUE.**—At any time after two years from the date hereof, and while this policy is in force, the Company will, within ninety days after receipt of written request by the insured, loan upon the sole security of this policy up to the amount indicated in the Table of Guaranteed Values opposite the current policy year. The Company will require a satisfactory assignment of the policy as security, and will deduct from the loan any existing indebtedness on or secured by this policy, any unpaid balance of the premium for the current policy year and interest at the rate of six per cent. per annum to the end of the current policy year. Failure to pay any loan or interest thereon shall not avoid this policy unless the total indebtedness to the Company shall equal or exceed the legal reserve on this policy, nor until thirty-one days after legal notice shall have been mailed by the Company to the last known address of the insured, and assignee, if any, if such assignee has notified the Company of his address.

**CASH VALUE.**—At any time after three annual premiums have been paid hereon, and within one month from date of default in payment of any premium, the Company will, within ninety days after receipt of written request by the insured, with a full and valid surrender of this Policy and all claims hereunder, pay a cash surrender value as indicated in the Table of Guaranteed Values opposite the number of years for which annual premiums have been paid. Cash values are at least equal to the sum which would otherwise be available for the purchase of extended insurance.

**PAID-UP INSURANCE.**—At any time after three annual premiums have been paid hereon, and within one month from date of default in payment of any premium, the Company will, upon written request by the insured, convert this Policy into paid-up non-participating insurance in the sum shown in the Table of Guaranteed Values opposite the number of years for which annual premiums have been paid.

**EXTENDED INSURANCE.**—At the expiration of three years from the date hereof, if any subsequent premium be not paid when due, the Company will, without action on the part of the insured, extend this policy as non-participating term insurance, without loan values, for the term provided in the Table of Guaranteed Values opposite the number of years for which annual premiums have been paid.

**INCONTESTABLE.**—If the premiums are duly paid as required, this policy shall be incontestable after it has been renewed beyond the first year.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days (without interest), during which time this policy will remain in force, will be allowed for the payment of any annual, semi-annual or quarterly renewal premium; Provided, that if the insured shall die within such period of grace the unpaid premium for the current policy year will be deducted in any settlement under the policy.

**PREMIUMS.**—Premiums are due and payable in advance at the Home Office of the Company, in the City of Indianapolis, Indiana, or to a designated collector, but in any case only in exchange for the Company's receipt therefor, signed by the Secretary and countersigned by such collector. Upon default in payment of any premium, or any note or interest thereon, whether such note be given for the first or subsequent premium, this policy shall be null and void and all premiums forfeited to the Company, except as herein provided.

**CHANGE OF BENEFICIARY.**—This contract is made with the person whose life is insured hereby and the beneficiary shall have no interest in this policy until after the death of the insured. The insured during lifetime reserves the right, without the consent of the beneficiary, to surrender this policy to the Company for cancellation, cash, paid-up or extended insurance. The insured may change the beneficiary named herein, provided this policy has not been assigned. Such change will take effect when endorsed hereon by the Company. If any beneficiary shall die before the insured, the amount which would have been payable to such deceased beneficiary shall be payable to the executors, administrators or assigns of the insured.

**REINSTATEMENT.**—If this policy shall lapse because of default in payment of premium, or any note or interest thereon, it may be reinstated at any time, upon payment of overdue premiums with interest compounded at five per cent. per annum, subject to evidence of good health satisfactory to the Company.

**POLICY TO CONTAIN ENTIRE CONTRACT.**—This policy and the application hereof (a copy of which application is attached hereto) shall constitute the entire contract between the parties hereto. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement made by the insured shall avoid this policy unless it is contained in the written application therefor. No action at law or suit in equity shall be commenced or maintained hereon nor recovery had unless such action or suit is commenced within five years after the cause of action shall accrue.

**PROOFS OF DEATH.**—Proofs of death of the insured and of the interest of the claimant must be furnished to the Company at its Home Office in the City of Indianapolis, Indiana. Any indebtedness hereon, including any balance of the current year's premium remaining unpaid, will be deducted in the settlement thereof.

**DOUBLE INDEMNITY AND TOTAL DISABILITY.**

In consideration of the payment of twenty cents per thousand insurance, which is included in the premium named on the face of this policy,

If fatal injuries are sustained by the insured by reason of the wrecking, collision, lurching or swaying, of any railway passenger car using steam or electricity as motive power, the insured being a passenger within such car at the time of such injury; or by the fall or negligent operation of any licensed passenger elevator, within which the insured shall at the time be riding as a passenger; or are caused by the burning of a building while the insured is therein, the amount payable to the beneficiary under this policy shall be double the principal sum insured hereby: Provided, that no fatal injury sustained while getting on or off or being upon the step or steps or platform of any railway, or street railway car, shall be covered by this double indemnity clause; or,

IN CONSIDERATION of the annual payment of *Forty-five Cents* per Thousand Dollars for this Disability Rider hereby issued under and attached to Policy No. 99,999, issued to *Graydon D. Moines* by the Royal Union Mutual Life Insurance Company, of Des Moines, Iowa, (which sum is included in the annual premium stipulated in said original policy), the following clause and agreement when attached to said policy is hereby added to and incorporated in said policy as fully as though originally set forth therein:

A. **WAIVER OF PREMIUM.**—If, after this policy shall have been in force one full year and before default in the payment of any premium, the Company receives due proof that the insured before attaining the age of sixty years has become wholly disabled by bodily injury or disease so that he is and will be presumably thereby permanently and continuously prevented from engaging in any occupa—

tion whatsoever for remuneration or profit, the Company shall waive payment of each premium as it thereafter becomes due during the insured's said disability. In making any settlement under this policy the Company shall not deduct any part of the premium so waived, and the loan and cash surrender values provided for in the policy shall increase from year to year in the same manner as if the premiums so waived had been paid in cash. Under all the conditions aforesaid, except that insured shall attain the age of sixty years before becoming disabled, the Company shall waive payment of each premium thereafter becoming due during such disability, but the face amount of the policy (which in all cases of instalment policies shall be construed to be the commuted value at maturity) shall be reduced by the amount of each such waived premium, and the loan and cash surrender values as provided by the policy shall be based upon said reduced amounts of insurance in the same manner as if the premiums for such reduced amounts of insurance had been duly paid.

**B. INSTALMENT PAYMENTS.**—In addition to waiving payment of premiums as aforesaid, if such disability shall have occurred before the Insured has attained the age of sixty years, the Company one year after said proof of such disability, shall pay to the Insured one-tenth of the face amount of the Policy (which in all cases of instalment policies shall be construed to be the commuted value at maturity) and a like amount in each insurance year thereafter during the continuance of such disability prior to the maturity of the Policy; the Policy must be returned to the Company for the endorsement thereon of each payment. At the Insured's option any such payment or payments may be left with the Company to accumulate until the maturity of the Policy at such rate of interest as the Company may declare on funds so held by it but at a rate not less than three and one-half per centum, compounded annually. Each instalment shall reduce to that extent the amount of insurance in force, and the Loan and Cash Surrender Values provided for under this contract shall be calculated for the reduced amount insured. If at the time when any such instalment becomes payable there shall be an indebtedness on the Policy in excess of the Cash Surrender Value of the reduced amount of insurance, the Company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such Cash Surrender Value. Whenever the total amount of said instalments, together with the amount of any remaining indebtedness to the Company, shall equal the face amount of the Policy, plus any paid-up dividend additions, unpaid dividends and dividends left to accumulate to the credit of the Policy, then the Company's obligation under the Policy shall thereby be fully satisfied and discharge without further action.

**C. RECOVERY FROM DISABILITY.**—Should the Company accept under this Policy proofs of disability, it may nevertheless at any time thereafter, and from time to time, but not oftener than once a year, demand of the Insured proof of the continuance of such disability, and upon failure to furnish such proof, or, if it appear that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums shall be waived and no further instalment payments will be made by the Company. But if the amount of the insurance shall then have been reduced under any of the foregoing provisions such reduced amount of insurance shall thereafter be the face amount of the Policy, and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance, and all benefits under the Policy will be reduced accordingly.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this Rider.

IN WITNESS WHEREOF, this rider is signed, sealed and issued in the city of Des Moines, Iowa, this *first* day of *September*, 1914.

### APPLICATION.

I hereby certify that the above answers are correct and true to the best of my knowledge and belief.

It is agreed that, the policy issued on this application, being in force and not assigned, the insured shall control all surrender value privileges. Also if not assigned, and if right of revocation has been retained, the insured may change the beneficiary or beneficiaries, but such change shall not take effect until written request, properly attested, has been furnished with the policy to the Company at the Home Office during the lifetime of the insured, for the endorsement of the new nominee or nominees.

It is also agreed as follows: First, That in the event of self-destruction, whether sane or insane, within one year from date of this policy the Company's legal liability shall be but 10 per cent of the amount otherwise agreed to be paid on this policy in event of death. Second, That the Company's method for distribution of surplus shall be accepted. Third, That any note or obligation given for premiums shall be accounted only as an extension of time for payment, and if not paid at maturity, all liability under any policy issued hereon shall at that date without grace cease, except for the non-forfeiture provisions of the policy; and the full amount of said note or obligation, with interest, or the reversionary value thereof shall first be deducted in any settlement hereunder, and shall be deemed as earned. Fourth, That the Company shall be liable under the policy contract immediately after the application has been approved in writing by the Company at its Home Office, provided the first premium has been paid in cash on the date of the application; otherwise the Company shall not be liable until the policy is delivered and the first premium thereon paid while I am living and in good health.

I have paid to John Smith, Agent, \$368.00, the first annual premium on the policy applied for. If the risk is not assumed by the Company, this sum is to be returned on the conditions of the receipt taken herefor.

I hereby certify that I have reviewed the above, and that the declarations, statements and representations made by me in this application, and all answers taken down in writing hereon and in the medical examination, are hereby made the basis for the issuance of the policy hereby applied for, and I declare the same to be true.

### MEDICAL EXAMINER'S FORM.

I hereby certify that the above answers are correct and true to the best of my knowledge and belief.

## 20 PAYMENT LIFE ANNUAL DIVIDEND POLICY WITH DISABILITY BENEFIT RIDER.

No. 99,999.

AGE, 35.

AMOUNT, \$10,000.

ANNUAL PREMIUM, \$361.70

### SCANDIA LIFE INSURANCE COMPANY, OF CHICAGO, ILLINOIS.

**Hereby Agrees to Pay Ten Thousand Dollars to *Mary Doe*, wife of the Insured, upon receipt at its Home Office in Chicago, Illinois, of due proof of the death, while this policy is in force, of *John Doe*, the Insured, with the right on the part of the Insured to change the Beneficiary as hereinafter provided.**

**PARTICIPATION IN SURPLUS.**—Beginning with the end of the second policy year and annually thereafter, the proportion of the divisible surplus of the Company accruing hereon shall be ascertained and distributed, and, at the option of the owner of this policy, the current dividend shall be either:

- (1) Paid in cash; or,
- (2) Applied toward payment of premium or premiums; or
- (3) Applied to the purchase of a participating paid-up addition to the policy; or
- (4) Left on deposit with the Company to accumulate to the credit of the policy with interest at the rate of three and one-half per cent. per annum, compounded annually and payable at maturity of the policy, but withdrawable on any anniversary of its date of issue.

Unless the owner hereof shall elect one of the foregoing options within three months after the Company shall have mailed a written notice requiring such election, the dividend shall be paid in cash.

**PAID-UP AND ENDOWMENT OPTIONS.**—Whenever at the end of any policy year the reserve on this policy and on any outstanding dividend additions, together with accumulated dividend deposits, shall equal or exceed the corresponding net single premium for this policy at the attained age, the Company will, upon written request being made, endorse this policy as a fully paid-up participating policy (subject to any existing indebtedness) and any excess of such total value over the premium named shall be paid in cash; or, whenever said total value at the end of any policy year shall equal or exceed the face amount of this policy, the Company, upon a full and valid surrender of the policy and all claims thereunder, will pay, as a matured endowment, the amount of said total value less any existing indebtedness to the Company on account of this policy.

**PAYMENT OF PREMIUMS.**—This policy does not take effect until the first premium shall actually have been paid during the good health of the Insured. All premiums or installments of premium are payable in advance at the Home Office of the Company, or to any agent of the Company upon delivery, on or before date due, of a receipt signed by the President or Secretary of the Company and countersigned by said agent. Except as hereinafter provided, the payment of any premium or installment of premium shall not maintain this policy in force beyond the date when the next premium or installment thereof is payable.

#### STATE OF ILLINOIS. INSURANCE DEPARTMENT.

Springfield, Ill., .....19....

This policy is registered, and approved securities, equal in value to the legal reserve hereon, are held in trust by this department.

.....  
Insurance Superintendent.

**GRACE.**—A grace of thirty-one days, subject to an interest charge at the rate of six per cent. per annum, shall be granted for

the payment of every premium or installment of premium; except the first, during which time the insurance shall continue in force. If death occurs within the days of grace the overdue premium and the unpaid portion of the premium for the current policy year, if any, shall be deducted from the amount payable hereunder.

**REINSTATEMENT.**—This policy, if not previously surrendered, may be revived at any time within five years from date of default in payment of premium upon production of evidence of insurability satisfactory to the Company, and the payment of the arrears of premiums with interest thereon at the rate of six per cent. per annum: any indebtedness which existed hereon at date of default together with interest at the same rate to date of reinstatement, to be, at the option of the owner, either repaid in cash, or, if the loan value of the policy is sufficient, continued as an indebtedness against the policy.

**INCONTESTABILITY.**—After one year from the date hereof this policy shall be incontestable, except for non-payment of premium. During one year from the date hereof the liability of the Company in case of death by the Insured's own hand or act, whether sane or insane, shall be limited to the amount of premiums paid hereon.

**CASH LOANS.**—At any time after three full years' premiums have been paid and while this policy is in force, the Company will advance on proper assignment of the policy, and on the sole security hereof, any amount not exceeding the cash value of the policy at the end of the current policy year. Any existing indebtedness to the Company on or secured by this policy and any unpaid portion of the said current policy year's premium shall be paid out of such advance. Interest on the loan at the rate of six per cent. per annum will be collected in advance to the end of the current policy year, and shall be payable at the same rate annually in advance thereafter, and if not so paid shall be added to the existing loan and bear interest at the same rate. Failure to repay any such advance or interest thereon shall not void this policy unless the total indebtedness hereon to the Company at the time of such failure shall equal or exceed the then loan value of the policy, nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured and of the assignee, if any. The granting of any loan may be deferred by the Company for not exceeding sixty days after the application therefor is made, unless the loan be solely for the purpose of paying premiums due on policies in this Company.

**AUTOMATIC PREMIUM LOANS.**—After the third year if any premium or premiums on this policy be not paid in cash, or otherwise settled for, when due or within the days of grace, the Company will charge up such premium or premiums with six per cent. per annum interest in advance against the then loan value of the policy as stated above, provided that such loan value is sufficient. Any premium or premiums so charged shall be considered as a loan upon the policy and shall be subject to the same terms and conditions as any loan made in accordance with the "Cash Loans" provision above. This automatic premium loan privilege is granted at the request of the insured in his application for this insurance, but may be revoked at any time upon written notice to the Company at its Home Office; provided that such revocation shall not affect any loan previously made under this privilege.

**OPTIONS ON SURRENDER OR LAPSE.**—After this policy shall have been in force three full years, the owner, within two months after the date to which premiums have been paid, may elect (such election to be in writing) either: (a) To surrender this policy for its cash value less any indebtedness to the Company hereon, (the balance being hereinafter referred to as the "net cash value"); or, (b) To have the insurance continued in force from said date as non-participating term insurance, without the right to loans or cash value, for an amount equal to the face amount of this policy and any outstanding dividend additions less any indebtedness to the

Company hereon; or (c) To have the insurance continued for a reduced amount as non-participating paid-up insurance payable at the same time and under the same conditions as this policy.

The cash value under option (a), after premiums have been paid for three full years or more, will be the reserve at the date to which premiums have been paid for the face amount of this policy and for any existing dividend additions hereto.

The term for which the insurance will be continued under option (b) or the amount for which the insurance will be continued under option (c) will be such as the net cash value obtainable under option (a) will purchase at the attained age of the Insured when applied as a net single premium according to the 3½% American Experience Table of Mortality.

If this policy shall not within the aforesaid two months either have been surrendered to the Company at its Home Office for its cash value as provided in option (a), or continued as paid-up insurance for a reduced amount as provided in option (c), the insurance will be automatically continued as non-participating term insurance as provided in option (b). The Company may in its discretion defer the payment of the cash value of this policy for not exceeding sixty days after the application therefor is made.

#### TABLE OF GUARANTEED LOAN VALUES AND SURRENDER OPTIONS.

The figures in the following table are computed in accordance with the above provisions and upon the assumption that there is no indebtedness on the policy, and that there are no outstanding dividend additions. Due allowance will be made in computing benefits from this table for any portion of a year's premium paid over and above the full number of years' premiums indicated.

Values for later years will be furnished upon request.

**RESERVE STANDARD.**—The reserve on this policy shall be based upon the 3½% American Experience Table of Mortality and shall during the premium paying period be computed in accordance with the provisions of the laws of the State of Illinois for the modification of the preliminary term method of valuation. Subject to such modification the first year's insurance under this policy is term insurance.

**CHANGE OF BENEFICIARY.**—The Insured shall have the right at any time while this policy is in force and not assigned to change the Beneficiary or Beneficiaries, original or substituted, by filing with the Company a written request for the change desired and presenting the policy for endorsement. Such change shall take effect only when endorsed on the policy by the Company, whereupon all rights of the former Beneficiary or Beneficiaries shall cease. If any Beneficiary shall die before the Insured, the interest of such Beneficiary shall vest in the Insured, unless otherwise expressly stipulated in this policy.

**SETTLEMENT.**—This policy is payable at the Home Office of the Company in Chicago, Illinois. Any indebtedness to the Company on account of this policy will be deducted in any settlement hereunder; any part of the premium for the insurance year remaining unpaid at the death of the Insured shall be considered an indebtedness to the Company hereunder.

**MISSTATEMENT OF AGE.**—If the age of the Insured was misstated in the application for this policy, the amount payable hereunder shall be the insurance which the actual premium paid would have purchased at the true age of the Insured. Age will be admitted on satisfactory proof.

**ASSIGNMENT.**—Any assignment of this policy must be made in duplicate and both copies sent to the Home Office, one to be retained by the Company and the other to be returned. The Company assumes no responsibility for the validity of any assignment, and any claim arising under an assignment will be subject to proof of interest and extent thereof.

**MODIFICATIONS, ETC.**—No agent has power in behalf of the Company to make or modify this or any other policy of insurance; or to extend the time for paying a premium, nor can this policy be varied or altered or its conditions waived or extended in any respect, except by the written agreement of the Company signed by the President or Secretary.

**ENTIRE CONTRACT.**—This policy and the application herefor, a copy of which is endorsed hereon or attached hereto, constitute the entire contract between the parties hereto. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall void this policy unless contained in the written application herefor and a copy of the application endorsed on or attached to this policy when issued.

**INSTALLMENT PRIVILEGES.**—The Insured at any time while this policy is in force and not assigned on written notice to the Company and the return of the policy for such endorsement may change the mode of payment of the proceeds hereof as a death claim from payment in one sum, as provided on the first page hereof, to payment either by (1) Equal annual installments for a specified number of years in accordance with the following "Table of Limited Installments"; or, (2) Equal annual installments for a fixed period of twenty-five years and so long thereafter as the Beneficiary shall survive, in accordance with the following "Table of Continuous Installments." The payment of the first installment under either method shall be made immediately upon receipt of due proof of the death of the Insured, and subsequent installments annually thereafter.

The Beneficiary can neither commute nor assign unpaid installments, unless written authority therefor is filed with the Company by the Insured; but in the event of the death of the Beneficiary before having received the full number of installments certainly payable, the unpaid installments certain, unless otherwise agreed in writing, shall be commuted and paid in one sum to the executors, administrators or assigns of the Beneficiary. In commuting installments the basis of interest shall be three and one-half per cent. compounded annually. No commutation will be made during the life of the Beneficiary when method (2) has been selected, except as to installments payable during the fixed period of twenty-five years. Payment under method (2) cannot be selected if there is more than one Beneficiary, or if the Beneficiary is a corporation or a firm.

The following tables are based upon \$1,000.00 of insurance and will apply *pro rata* to the amount payable under this policy, in event of the death of the Insured while this policy is in force. If, however, the amount due is less than \$500.00, it shall be paid in one sum and not in installments.

**PROVISION FOR TOTAL AND PERMANENT DISABILITY  
BENEFIT.**

Attached to and forming a part of Policy No. 99,999.

After one full year's premium shall have been paid and before default in payment of any subsequent premium, if the Insured, prior to attaining the age of sixty years, shall furnish to the Company due proof that he has become totally disabled by bodily injury or

ease so that he is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit, or from following any gainful occupation, the Company, by endorsement upon said Policy, will agree to pay for the Insured the subsequent annual premiums, if any, as they shall become due. It is expressly provided, however, that as often as required by the Company, the Insured shall furnish satisfactory proof of the continuance of such total disability; and if the Insured shall recover so as to be able to engage in any gainful occupation, the Company's obligation to pay the premiums shall thereupon cease and the Insured shall resume payment of the premiums in accordance with said Policy on the first premium due date following such recovery.

Any premium or premiums paid by the Company as above provided shall not be a lien on said Policy, and the loan and surrender values provided therein shall be the same as though premiums had been paid in cash.

In addition to, or independently of, all other causes of total and permanent disability, the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or both feet at or above the ankles, or of one entire hand and one entire foot, as total and permanent disability within the meaning of this provision.

Upon the Insured's attaining the age of sixty years, this disability provision shall be automatically cancelled, and any subsequent annual premium or premiums falling due under said Policy will be reduced twenty-five cents for each One Thousand Dollars of insurance; or on any anniversary of said Policy, this disability provision may be cancelled in writing by the Insured, in which event the Policy shall be returned to the Company for endorsement, and all subsequent annual premiums falling due will be reduced twenty-five cents for each One Thousand Dollars of insurance thereunder.

#### APPLICATION.

I agree as follows: That all the foregoing statements and answers, as well as those I make to the Company's Medical Examiner, in continuation of this application, are true, full and complete, and are offered to the Company as a consideration of the contract to be issued hereon, and that the insurance hereby applied for shall not take effect until the first premium shall have been paid and the said policy shall have been delivered during my continuance in good health.

I also agree, that death by my own hand or act, whether sane or insane, during the period of one year from the date of any policy issued hereon, shall not be a risk covered thereby for a greater sum than the amounts actually paid to the company thereon.

#### MEDICAL EXAMINER'S FORM.

I declare, on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, each of the above answers to be full, complete and true, and that to the best of my knowledge and belief I am a proper subject for life insurance.

I expressly waive, on behalf of myself and of any person who shall have or claim any interest in any policy issued hereunder, all provisions of law forbidding any physician or other person who has attended or examined me, or who may hereafter attend or examine me, from disclosing any knowledge or information which he thereby acquired.

20 PAYMENT LIFE ANNUAL DIVIDEND POLICY.

No. 99,999. WITH DISABILITY BENEFIT RIDER: AGE 35.  
 AMOUNT, \$10,000. PREMIUM, \$364.60

SECURITY MUTUAL LIFE INSURANCE  
 COMPANY.

**By This Policy of Insurance Agrees to Pay**  
*Ten Thousand Dollars*, upon surrender of this policy properly receipted, at the Home Office of the Company in Binghamton, N. Y., to *Mary Doe, his wife*, Beneficiary, with the right of revocation, upon receipt at said Home Office of due proof of the death, occurring during the continuance of this contract, of *John Doe*, the Insured, less any indebtedness hereon to the Company, and less any unpaid portion of the premium for the then current policy year.

**This Insurance is Granted** in consideration of the payment of the annual premium of *Three hundred sixty-four and 60/100 Dollars*, and of the payment of a like sum upon each *4th* day of *February* hereafter until *twenty* full years' premiums shall have been paid or until the prior death of the insured.

**This Policy is free of conditions** as to residence, travel and occupation.

**When the right of revocation has been reserved**, or in case of the death of any beneficiary under either a revocable or irrevocable designation, the insured, if there be no existing assignment of the policy made as herein provided, may, while the policy is in force, designate a new beneficiary with or without reserving right of revocation by filing written notice thereof at the Home Office of the Company, accompanied by this policy for suitable endorsement hereon. Such change shall take effect upon the endorsement of the same on the policy by the Company. If any beneficiary shall die before the insured the interest of such beneficiary shall vest in the insured.

**This Policy, together with the application therefor**, a copy of which application is endorsed hereon or attached hereto and made a part hereof, constitutes the entire contract between the parties, and shall be incontestable after one year from its date of issue except for non-payment of premiums. All statements made by the insured shall, in the absence of fraud, be deemed representations and not

warranties, and no such statement shall avoid or be used in defense of a claim under this policy unless it be contained in said application and a copy of such application shall be endorsed upon or attached to this policy when issued.

**DIVIDENDS.**—The proportion of the divisible surplus under this policy shall be ascertained and distributed annually and not otherwise. Upon payment of the second year's premium, and at the end of the second and of each subsequent policy year, dividends, at the option of the owner of this policy, and while the same is in force, shall be either:

- (1) Paid in cash; or
- (2) Applied toward the payment of any premium or premiums; or
- (3) Applied to the purchase of paid-up additions to the policy; or
- (4) Left to accumulate to the credit of the policy, with interest at three and one-half per centum per annum, and payable at the maturity of the policy or withdrawable on any anniversary of the policy.

Unless the owner of this policy shall elect otherwise within three months after the mailing by the Company to such owner of a written notice requiring such election, the dividends shall be applied to the purchase of paid-up additions to this policy and the reserve value of such additions, at least equal to the dividends applied in purchase thereof, shall be withdrawable in cash on demand.

**PREMIUMS.**—Premiums are payable in advance at said Home Office, or to any agent of the Company upon delivery, on or before date due, of a receipt signed by the President, a Vice-President, Comptroller or Secretary of the Company, and countersigned by said agent. The premium is always considered as payable annually in advance, but by an agreement in writing may be made at the Company's published rates in semi-annual or quarterly payments. The payment of a premium or instalment thereof shall not maintain this policy in force beyond the date when the next premium or instalment thereof is due, except as herein provided. Premiums are deemed payable as stated in the application unless a written agreement providing otherwise is filed at the Home Office. If any premium remains unpaid at the expiration of the period of grace, the Company will, upon written request by the parties in interest, apply the accumulated dividends under this policy to the premium payment then due, if sufficient to pay not less than one-quarter of an annual premium.

**AUTHORITY OF AGENTS.**—No person, except one of the executive officers of the Company aforesaid, has authority to make, alter, modify or discharge contracts or, in event of lapse, to reinstate this policy, or to extend the time for paying a premium. Any modified form hereof shall comply with the laws of the state in which the insured is domiciled.

**GRACE.**—A grace of thirty-one days, without interest, shall be granted for the payment of every premium except the first, during which time the insurance shall continue in force. If death occur within the days of grace, the unpaid portion of the premium for the then current policy year shall be deducted from the amount payable hereunder.

**ERROR IN AGE.**—If the age of the insured was misstated in the application, and there has been no adjustment on account thereof during the lifetime of the insured, the amount payable hereunder will be such as the premium paid would have purchased at the correct age.

**SUICIDE.**—In event of death of the insured within one year from the date hereof by his or her own hand, whether sane or insane

the liability of the Company shall not exceed the amount of premiums paid hereon.

**LOANS.**—The Company, within sixty days after application therefor is made, will loan upon the sole security of this policy, with interest at the rate of six per centum per annum, a sum not exceeding the amount specified in the table of loan values herein set forth, together with the reserve on any existing dividend additions under this policy, deducting therefrom all other indebtedness hereon to the Company. Failure to repay any loan or interest shall not avoid this policy, unless the total indebtedness hereon to the Company shall equal or exceed the cash surrender value of the policy and any existing dividend additions thereto, and thirty-one days after notice shall have been mailed by the Company to the last known address of the insured and assignee, if any. The whole or any part of a loan may be repaid at any time while this policy is in full force.

**PREMIUM LOANS.**—After two full annual premiums have been paid hereon, and upon the written request of the insured and assignee, if any, on a form furnished by and filed at the Home Office of the Company prior to the expiration of the period of grace named herein, and upon the endorsement at said Home Office of an agreement to that effect on this policy, the premium or premiums falling due during the time any such request shall remain unrevoked, and not paid when or before due, will be charged against this policy as a premium loan, with interest at the rate of six per centum per annum, *provided* the tabular cash surrender value of this policy shall equal or exceed the amount of such loan, together with any other indebtedness on account of or secured hereby, and interest thereon. Any dividends held by said Company to the credit of this policy shall be applied first to the payment of the premium, and future dividends hereon shall be applied to the reduction of the premium loan. The request for such loan agreement may be revoked at any time by a writing signed by the insured and the assignee, if any, and filed with the Company at its Home Office.

**EXCHANGE.**—Upon written request of all parties in interest, this policy, while in force, may be exchanged on any anniversary without medical examination and at age of entry for any other form of policy then written, and not involving any other life, provided the actual insurance liability of the Company shall not be increased nor the rate of premium diminished thereby. The difference between the reserves upon the respective policies shall be paid at the time of such exchange.

**REINSTATEMENT.**—This policy may be reinstated after default in the payment of any premium, provided the cash value has not been paid and the extension period has not expired, upon production of evidence of insurability satisfactory to the Company, the payment or reinstatement of any indebtedness to the Company hereon, and the payment of over due premiums with interest at six per centum per annum.

**ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company unless it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

**NON-FORFEITURE PROVISIONS.**—After three full annual premiums shall have been paid this policy may be surrendered by the owner

at any time prior to any default or within three months after any default. Thereupon,

(1) If there be no indebtedness hereon to the Company, the owner may elect either (a) to continue the insurance in force for its face amount and any outstanding dividend additions, but without future participation, and without the right to loans; or (b) to purchase participating paid-up life insurance payable at the same time and on the same conditions as this policy. The periods for which the insurance will be continued and the amounts of cash value and paid-up life insurance which will be allowed, exclusive of the application of dividend additions, are shown in the table of surrender values herein set forth,

Values for later years will be computed on the same basis and be furnished upon request.

(2) If there be an indebtedness hereon to the Company, it shall be deducted from the amount which otherwise would be applicable as a surrender value to the purchase of temporary insurance for the period aforesaid, and the owner may elect either to have the remainder applied (a) to continue the insurance in force without participation and without the right to loans for the face amount of this policy and dividend additions, less the indebtedness; or (b) to purchase a proportionate amount of participating paid-up life insurance.

In the event of any default in the payment of premium or otherwise, after this policy shall have been in force three full years, the owner shall not exercise either of said options within three calendar months from such default, the insurance shall be continued as provided by option (a) in either paragraph (1) or (2).

Payment of the cash value specified in above table shall be made within sixty days after the application therefor is made, and shall be at least equal to the sum available for the purchase of paid-up life or continued insurance.

**BASIS OF SURRENDER VALUES.**—The values given in the foregoing table are based on the American Experience Table of Mortality and interest at the rate of three per centum per annum, less a sum not exceeding one per centum of the amount insured by the policy.

and of any dividend additions thereto. After the fifteenth year the surrender values will equal the full reserve, no surrender charge being made.

**FRACTIONAL VALUES.**—If in any year not less than one-quarter of an annual premium is paid hereon, a proportionate part of the increase in the foregoing values at the end of that year will be added to the values of the preceding year.

**PAID-UP AND ENDOWMENT OPTIONS.**—Whenever at the end of any policy year, and subject always to any existing indebtedness hereon, the dividend accumulations or the reserve on the paid-up additions, or both, together with the reserve on this policy, shall equal the reserve on the same basis on a fully paid-up policy of the same kind and amount at the then attained age of the insured, the Company will endorse the policy as paid-up in full; or when such aggregate amount shall equal the face amount of this policy, the Company will pay the policy as a matured endowment; provided, in either case, that proper request in writing is made therefor and a satisfactory release is given.

**OPTIONS OF SETTLEMENT.**—The insured or the owner, or the beneficiary after the insured's death, in case the insured shall have made no election, may by written notice to the Company at its Home Office, elect to have the net sum payable under this policy upon the death of the insured paid either in cash or as follows:

(1) By the payment of interest at the rate of three and one-half per centum per annum on such net sum, payable at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said net sum, together with any accrued interest for the year then current, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.

(2) By the payment of equal annual installments for a specified number of years, the first installment being payable immediately in accordance with the following table for each one thousand dollars of said net sum.

The commuted value of any installments payable under (2) or (3) which shall not have been paid prior to the death of the beneficiary shall be paid, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.

Unless otherwise specified by the owner or by the beneficiary in making such election, the beneficiary may at any time surrender this policy for the commuted value of the payments yet to be made computed upon the same basis as option (2) in the foregoing table provided that no such surrender and commutation will be made under option (3), except after the death of the beneficiary occurring within the period selected.

**MONTHLY INSTALLMENTS.**—Semi-annual, quarterly or monthly installments may be elected in lieu of annual installments. **WAIVER OF PREMIUMS IN CASE OF TOTAL DISABILITY.**

After premium for one full year shall have been paid under this policy, and before a default in the payment of any subsequent premium, and before attaining the age of sixty years, if the insured shall furnish this Company at its Home Office, Binghamton, N. Y., with due proof that he has become wholly and permanently disabled by bodily injuries or disease, so that he is and will be permanently, continuously and wholly prevented from pursuing any and all gainful occupation, the Company by endorsement on this policy will waive the payment of all premiums becoming due after the expiration of the then current policy year, during the continuance of such disability. In making settlement under this policy the Company shall not deduct any part of the premiums so waived, and the loan and cash surrender values provided for under "Non-Forfeiture Provisions" shall increase from year to year in the same manner as if the premiums so waived had been paid in cash.

This agreement is made in consideration of the payment of an additional premium of *Two and 40/100 Dollars*, which is included in the whole premium charged for this policy. The insured agrees that any medical examiner appointed by the Company shall be permitted at least once in each year thereafter to satisfy himself by examination of the person of the insured as to the continuance of the disability, and if it shall appear to the Company that the insured is able to perform any work or to engage in any occupation whatsoever for compensation or profit, no further premiums will be waived and all premiums thereafter falling due shall be paid by the insured according to the terms, provisions and conditions of the policy. It is further agreed that the insured may at any time discontinue the benefits provided by this rider, and thereafter the benefits hereunder shall cease and the premium on this policy shall be reduced by the additional premium specified in this rider, provided the policy shall be returned to the Company for proper endorsement with written request therefor signed by the insured. In event the insured attains the age of sixty years without claiming the benefit of this rider, then the additional premium charged hereunder and the total disability benefits herein provided shall immediately cease and determine.

**In Witness Whereof**, the SECURITY MUTUAL LIFE INSURANCE COMPANY has caused this agreement to be executed and attached to policy No. 99,999 this *fourth day of February, 1916.*

**THE SOUTHERN STATES LIFE INSURANCE  
COMPANY,  
OF ALABAMA**

Will Pay *Ten Thousand Dollars*, less any indebtedness to the Company, to *Jane Doe, wife* of the Insured, the Beneficiary hereunder, with right of revocation, at its General Office in the City of Atlanta, Ga., immediately upon receipt of due proof of the death of *John Doe, of Atlanta*, in the County of *Fulton*, and State of *Georgia*, the Insured hereunder, while the policy is in full force.

**INCONTESTABILITY.**—The policy, if kept in force by the payment of premiums, shall be incontestable from date of issue, except in the event of self-destruction, whether sane or insane, within one year from such date, in which case the Company will pay the amount of the premium received on the policy.

**AUTOMATICALLY NON-FORFEITABLE.**—After two full annual premiums shall have been paid on the policy, if any premium hereon, or other indebtedness, shall not be paid when due or within the period of grace hereinafter mentioned, said premium and successive premiums or other indebtedness, as they become due, shall be charged as automatic policy loans at six per cent. interest, payable annually in advance, as long as the amount of the then loan value, in accordance with the loan privilege of the policy and the Table of Loans hereinafter set forth, together with the cash value of the accumulated dividends to its credit is sufficient to cover such loan and all other indebtedness to the Company. If at any time the amount of the then loan value and cash value of accumulated dividends, less all indebtedness to the Company, be not sufficient to pay the entire premium then due, such value shall be used to pay the premium for a proportionate period. If the policy becomes a claim by death during the grace period, the premium then due will be deducted in any settlement hereof.

**DIVIDENDS.**—The policy, if kept in force, shall at the end of the first year from the renewal date hereof and annually thereafter, share in the surplus as apportioned by the Company, which apportionment shall be based upon the policy's contribution to the surplus funds of the Company.

Dividends may be applied either (1) towards payment of any premium due, or (2) upon satisfactory proof of good health, to increase the sum insured hereunder or (3) left to accumulate to the credit of the policy with interest thereon compounded at the rate of  $3\frac{1}{2}$  per cent. per annum, and payable, in the event of death, the sum insured, or withdrawable on any anniversary of the r

**POLICY PAID UP BY APPLICATION OF DIVIDENDS.**—Whenever, at the end of any policy year, the dividends left to accumulate to the credit of the policy, together with the accrued interest thereon, shall be sufficient to prepay all future premiums hereon, according to the standard then in use by the Company, the Insured shall be notified and may, at his option, so apply same.

**POLICY MATURED AS AN ENDOWMENT BY DIVIDENDS.**—Whenever, at the end of any policy year, the accumulated dividends to the credit of the policy, together with the accrued interest thereon and the reserve, shall be equal to or greater than the original sum insured, the Insured may, at his option, elect to have the same matured as an endowment for such combined amount.

**SURPLUS PAID WITH SUM INSURED.**—In the event of the death of the Insured, all accumulated dividends to the credit of the policy, together with the accrued interest thereon, will be paid with the sum insured.

**REINSTATEMENT.**—The policy, provided it has not been surrendered to the Company, may be reinstated at any time on application therefor, upon evidence of the insurability of the Insured satisfactory to the Company, and upon payment of all arrears of premium with interest thereon at the rate of 6% per annum, and reinstatement or payment of all indebtedness thereon, outstanding at the time of lapse.

**CHANGE OF BENEFICIARY.**—The Beneficiary shall not, during the life of the Insured, by virtue of the terms of the policy, have any vested interest hereunder.

The Insured, provided the policy is not then assigned, may change the Beneficiary hereunder at any time, by filing with the Company a written request accompanied by the policy; such change shall not take effect until it has been endorsed upon the policy by the Company, whereupon the policy will be returned to the Insured. The Insured, without the consent of the Beneficiary, may withdraw any surplus or other value, surrender the policy, effect a loan upon the same with the Company or exercise any other right under the policy. If no Beneficiary shall survive the Insured, the payment of the sum insured hereunder, less any indebtedness due the Company, shall be made to the executors, administrators or assigns of the Insured.

**ASSIGNMENT OF POLICY.**—No assignment hereof shall be binding upon, or in any way effect the Company, until it shall have been filed with the Company, at its General Office. Every assignment of the policy (blanks for which purpose are furnished by the Company) must be made in duplicate and both copies sent to the General Office of the Company. One will be filed and one will be returned. The claim of any assignee shall be subject to proof of interest and to any indebtedness to the Company, including advances of premiums under the Automatically Non-forfeitable provision, whether made before or after the assignment. The Company will not be responsible for the validity of the assignment in any event.

### GENERAL PROVISIONS.

**ERROR IN AGE.**—If the Insured's age is mis-stated in the application, the Company will adjust any settlement hereof by paying such amount as the premium actually paid would have purchased at the correct age, in accordance with the rates published in the Company's Rate Book at the time of issue.

**PREMIUMS, WHEN AND WHERE PAYABLE.**—The policy shall not take effect until the first premium shall have been actually paid while the Insured is in good health, and the possession of the policy is not evidence that the premium has been paid. All premiums are due annually in advance and payable at the General Office of the Company in the City of Atlanta, Georgia, but will be accepted elsewhere if paid to a duly authorized agent of the Company in ex-

change for a receipt signed by the President or Secretary, and countersigned by the agent designated therein.

Subject to the conditions in the Policy the Company will accept payment of renewal premiums as follows: One-half in cash on the due date of the premium and the balance by six month's note with interest at six per centum per annum, from date or one-quarter in cash and the balance in three notes of equal amounts, due three, six and nine months, respectively, with interest at six per centum per annum from date. Notes given as above must be for even dollars the excess being included in the cash payment.

If any premium or other indebtedness, or any obligation given for any premium, whether to the Company or to any of its representatives, be not paid when due, the policy shall thereupon be void, except as herein provided.

**INDEBTEDNESS.**—The unpaid balance, if any, of the year's premium and all premiums for which notes have been given, whether to the Company or to any of its representatives, or credit extended, and all interest and other obligations to the Company remaining unpaid, shall be a first lien upon the policy and shall be deducted from any amount payable on account of the policy. All indebtedness to the Company on the policy shall be subject to an interest charge of 6% per annum, payable in advance.

**AUTHORITY OF AGENTS.**—No agent is authorized to make, alter or discharge this contract, to waive any forfeiture hereof, to make any agreement to bind the Company or extend the time for payment of any premium.

**CHANGE OF PLAN.**—The policy may be exchanged on the due date of any annual premium, and without any medical examination, in accordance with the rules of the Company, for any other form of policy then issued by the Company, provided the amount of insurance under such policy be not greater, nor the rate of premium less than under this policy. Such exchange can only be made while the policy is in full force.

**RESIDENCE AND TRAVEL.**—The policy is free from all restrictions as to residence, travel, or occupation. No permit or additional premium will be required for military or naval service at any time.

#### LOAN AND SURRENDER PRIVILEGES.

**LOANS.**—Provided all premiums shall have been paid up to the then next anniversary of the policy, the Company, at any time on demand, after the policy has been in force one full year from the payment of the first annual premium, will advance against the sole security of the policy, up to the respective sums mentioned in the Table of Loans herein set forth, less any indebtedness to the Company. The interest upon all such indebtedness shall be at a rate not exceeding 6% per annum, payable in advance. Any such loan shall be subject to the regulations of the Company then in force in regard to policy loans. Unless the loan is for the purpose of paying premiums due the Company, the granting of same may be deferred by the Company for a period of ninety days after the receipt of the application therefor.

**SURRENDER.**—At any time after two full annual premiums shall have been paid hereon and while the policy is in full force, the Insured shall be entitled, on written request and on surrender of the policy, to a participating policy, (1) for a fractional amount of insurance for the whole life of the Insured, as shown by Table of Paid-up Values herein set forth, or (2) for the original sum insured hereunder, but for a fractional period, as shown by the Table of Period of Extension herein set forth.

These values shall be claimable only in the event that there be no indebtedness on the policy.

If there be any indebtedness from the Insured to the Company, and if the policy is surrendered within three months after default of the part of the insured to pay any premium hereunder, the ar

of such Paid-up Insurance will be such as the Loan Value, less any indebtedness, will purchase, applied as a single net premium at the attained age of the Insured, according to the American Experience Table of Mortality and interest at three per cent.; or the amount of such paid-up term policy shall be the sum insured hereunder, less the amount of such indebtedness, and the period for which the insurance will be extended will be such as the Loan Value less such indebtedness, will carry the reduced amount according to said three per cent. American Experience Table.

## MODES OF SETTLEMENT.

**MONTHLY INSTALLMENTS.**—If requested in writing by the Insured or the Beneficiary, the Company will make any payments under the policy in monthly or annual installments, at three per cent. interest.

The Insured, with power of revocation, or the Beneficiary after the Insured's death in case the Insured shall have made no election, may elect, by written notice to the Company at its General Office, to have the net sum payable under the policy upon the death of the Insured, paid either in cash or as follows:

(1) By the payment of an annuity equal to three per cent. of such net sum, payable at the end of each year from the date of the death of the Insured, during the life-time of the Beneficiary and by the payment upon the death of the Beneficiary of the said net sum, together with any accrued portion of the annuity for the year then current, unless otherwise directed in said notice, to the Beneficiary's legal representatives or assigns.

(2) By the payment of equal annual installments for a specified number of years, the first installment being payable immediately, in accordance with option 2 in the Table following paragraph (3) for each One Thousand Dollars of said net sum.

(3) By the payment of equal installments, payable at the beginning of each year from the date of the death of the Insured, for a fixed period of twenty years and for so many years longer as the Beneficiary shall survive, in accordance with option 3 in the following Table for each One Thousand Dollars of said net sum. Any installments payable under options 2 and 3, which shall not have been paid prior to the death of the Beneficiary, shall be paid, unless otherwise directed in said notice, to the Beneficiary's legal representatives or assigns. When any option calling for annual payments is elected, the policy shall be surrendered upon its maturity and a supplementary non-participating contract shall be issued for the option elected. Unless otherwise specified by the Insured or by the Beneficiary in making such election, the Beneficiary may at any time surrender the contract guaranteeing the payment of the installments for the commuted value of the payments

yet to be made, computed upon the same basis as option 2 on the following Table; provided that no such surrender and commutation shall be made under option 3, except after the death of the Beneficiary occurring within the aforesaid twenty years.

THIS AGREEMENT is made in consideration of the statements and agreements contained in the application herefor, which is hereby made a part hereof, and of the payment of *Three Hundred Sixty-Five and 20/100* Dollars, on or before the delivery of the policy, as the premium for term insurance for the first policy year ending with the *twenty-sixth* day of February, 1917, which insurance shall thereafter be renewed for the whole period of the life of the Insured, without medical re-examination, by the payment of *Three Hundred Sixty-Five and 20/100* Dollars, on or before the *twenty-sixth* day of February, 1917, and on each succeeding anniversary of said date, until *nineteen* full annual renewal premiums shall have been paid, or until the prior death of the Insured. The premium hereon for the first year shall be applied to the expense account and mortality for the year.

Any premium due hereunder may be paid semi-annually or quarterly at the option of the insured, in accordance with the Company's tables of semi-annual and quarterly premiums.

In Witness Whereof, THE SOUTHERN STATES LIFE INSURANCE COMPANY, of Alabama, at its General Office in Atlanta, Georgia, has, by its President and Secretary, executed this contract, this *twenty-sixth day of February, 1916*

Secretary.

#### SUPPLEMENTAL AGREEMENT.

THE SOUTHERN STATES LIFE INSURANCE COMPANY  
Waiver of Premium in the Event of Total and Permanent Disability.

The premium stated on the face of policy No. 99999 on the life of *John Doe* (to which this agreement is attached and forms a part) includes an additional premium of *Three and 00/100 Dollars*, payable until *nineteen full annual renewal premiums shall have been paid, or until the prior death of the Insured*, and in consideration of such additional premium, The Southern States Life Insurance Company, of Alabama, hereby grants the following waiver of premium in the event of permanent total disability on the part of the Insured:

After two full annual premiums on the policy shall have been paid in cash and before default in payment in cash of any subsequent premium on the due date thereof, and without any allowance under the grace clause herein, if the Insured, before attaining the age of sixty years, shall furnish to the Company while the policy is in full force, satisfactory proof, sixty days at least before the next due date of the premium payable thereunder, that he has suffered the permanent and entire loss of the sight of both eyes, or the severance of both hands at or above the wrists or of both feet at or above the ankles or of one entire hand and one entire foot the Company will, upon receipt of such proof, by endorsement on the policy waive payment of the premiums thereafter becoming due thereunder.

Or, if the Insured shall, in like manner, furnish to the Company satisfactory proof that, by the total and permanent loss of reason followed by a verdict of insanity by a court of competent jurisdiction and the commitment and retention for life of the Insured to and in an insane asylum, or by any other bodily injury or disease, he has become physically incapacitated and is and will be permanently, continuously and wholly prevented from engaging in any occupation or performing any work for any kind of compensation of financial value, and that such disability has then existed for sixty days, the Company, upon receipt of such proof, will by endorsement on the policy waive payment of the premiums thereafter becoming due under the policy during the continuance of such disability. Provided, that notwithstanding proof of such disability may have been accepted as satisfactory by the Company, the Insured shall, at all times on demand, furnish to the Company satisfactory proof of the continuance of such disability, and if so required, submit to an examination by a physician, or physicians, selected by the Company and if the Insured shall fail to furnish such proof, or submit to such examination, or it shall appear to the Company that the Insured is able to perform any work or to follow any occupation whatever for compensation, gain or profit, all premiums thereafter falling due must be paid by the Insured in conformity with the policy and the waiver by the Company, as herein described, shall thereupon terminate.

Any premium waived as hereinbefore provided shall not be deducted from the sum payable under the policy and the loan and surrender values provided therein shall be the same as if such premiums had been paid in cash.

Such premiums as may fall due on the policy, after a claim has been made thereunder and before the same has been approved by the Company, shall be paid by the Insured in accordance with the term

of the policy and same shall be repaid by the Company on approval of the claim.

This agreement may be cancelled upon any anniversary of the policy upon the written request of the Insured to the Company, whereupon the above specified extra premium shall be no longer payable and the entire annual premium payable under the policy shall be reduced to *Three Hundred Sixty-Two and 20/100 Dollars*, but in no event shall payment of said extra premium be required after the Insured shall have attained sixty years of age.

Dated at Atlanta, Georgia, the *twenty-sixth* day of *February*, 1916.

THE STATE LIFE INSURANCE COMPANY  
OF INDIANAPOLIS, INDIANA.

**Hereby Insures** the life of *John Doe* (hereinafter called the insured) of *Indianapolis, State of Indiana*, and agrees to pay the sum of *Ten Thousand Dollars* at the Home Office of the Company, Indianapolis, Indiana, to *Mary E. Doe, his wife* (or to such other beneficiary or beneficiaries as may be designated by the insured as hereinafter provided) if living, otherwise to the insured's executors, administrators or assigns, upon receipt at said Home Office of due proof of the death of the insured, and of the interest of the claimant, this Policy being then in force, less any indebtedness to the Company on account of or secured by this Policy, including any of the current year's premium remaining unpaid.

**NON-FORFEITURE OPTIONS.**—After premiums have been paid for two years from the date hereof (this policy being then in force, and provided there is no indebtedness against it), at the time any premium becomes due, or within the period of grace, or upon default in the payment of any premium when due, or within thirty-one days thereafter, the owner of this policy may select any one of the options in the following table, and in the event that no such selection is made, the Company will continue this policy in force as extended insurance, according to the first option, and all other options will be deemed waived; such extended insurance being non-participating and without loan or cash values. The values in the table apply only in the event there is no indebtedness against the policy; but any such indebtedness may be paid in cash and the values in the table will then be applicable; or if not so paid, the cash and loan values will be reduced by the amount of indebtedness, and the amount of paid-up insurance will be reduced in the ratio of the indebtedness to the net value of such insurance, and the extended insurance shall be for such length of time only as the excess of the net value of extended insurance as shown in the table, over the indebtedness will purchase at the insured's attained age at the net single premium rate by the American Experience Table of Mortality and three per cent interest. Dividend additions to the policy, and additional premium payments for any fractional part of a year, if any, will increase the values in the table in proportion to the increase in the value of the reserve thereby.

The reserve on this policy is computed on the basis of the American Experience Table of Mortality and three per cent interest. The first year's insurance under this policy is term insurance purchased by the whole or a part of the premium to be received during the first policy year, and the policy shall be valued according to its terms and the laws of the State of Indiana. In every case the values in the foregoing table are equal to the full reserve on the policy less not to exceed one-half of one per centum of the sum insured. After the period covered by the foregoing table, and subject to the same conditions, the cash and loan values will be the full reserve less any indebtedness against the policy.

This contract is made in consideration of the application therefor, which is made a part hereof, and a copy of which is hereto attached, and in further consideration of the sum of *Three Hundred Seventy-two and 00-100* Dollars, to be paid in advance to the Company on or before the delivery of this policy, and of the payment of a like sum on or before the *ninth* day of *February* in each year until *twenty* full years' premiums, including the first, have been paid or until the prior death of the insured.

**I. PAYMENT OF PREMIUMS.**—The Company will accept payment of premiums at other times than as stated above in advance, as follows: *One Hundred Ninety-three and 40-100* Dollars semi-annually on each *ninth* day of *February* and *August* or *Ninety-eight and 60-100* Dollars quarter-annually on each *ninth* day of *February*, *May*, *August* and *November*.

Except as herein provided, the payment of a premium or any installment thereof, shall not maintain the policy in force beyond the date when the next premium or any installment thereof is payable.

All premiums are payable in advance at said Home Office or to an agent of the Company, upon delivery of the receipt therefor signed by the President or Secretary of the Company, and countersigned by the said agent.

A grace of thirty-one days shall be granted for the payment of every premium after the first year, during which time the insur-

shall continue in force. If the Insured shall die during the period of grace, any unpaid premium for the current year will be deducted from any amount payable hereon in any settlement hereunder.

II. PARTICIPATION.—This policy shall participate in the surplus of the Company, except during such time as it may be in force as extended insurance, as apportioned by the Board of Directors of the Company, and at the end of the second year and annually thereafter the divisible surplus so ascertained accruing thereon will be credited to this policy as a dividend. Dividends thus credited, at the option of the owner of this policy, shall be: First, paid in cash; or, Second, applied toward the payment of any premium; or Third, applied to the purchase of paid-up participating additional insurance which may be surrendered at any time and the reserve value, not less than the original cash value, applied to pay current premiums; or, Fourth, left to accumulate to the credit of the policy with interest at not less than three per cent per annum, and payable at the maturity of the policy, or withdrawable on any anniversary of its date. Unless the owner of this policy shall elect otherwise, in writing, the apportioned dividends shall be held to the credit of the policy, in accordance with the Fourth Option, and if any premium is not paid at the expiration of the days of grace the Company will keep the policy in force by applying said dividend accumulations to the payment due on the policy, provided such accumulations are sufficient to pay a quarterly installment of an annual premium. By action of the Board of Directors a dividend will be credited to this policy at the end of the first year, provided the full annual premium for the second year is paid.

III. PAID-UP AND ENDOWMENT OPTIONS.—Whenever the reserve on this policy at the end of a policy year, taken together with the reserve on existing additions, shall be equal to or greater than the net single premium by the American Experience Table of Mortality, with three per cent interest for an amount of insurance equal to the face amount of this policy for the attained age of the Insured, the Company, at the written request of the Insured, accompanied by the policy (provided this policy be free from indebtedness), will endorse the policy as full-paid participating insurance payable at the same time and in the same manner as the original policy for such an amount as said reserve will purchase when thus applied; or whenever said reserve at the end of a policy year, shall be equal to or greater than the face amount of this policy, the Company, upon receipt of the policy with a full and valid surrender thereof and all claims thereunder, will pay in cash the face amount of this policy and any excess of said reserve, less any existing indebtedness to the Company on account of or secured by this policy.

IV. PRIVILEGE OF CHANGE.—This policy while in full force and before the Insured has attained the age of sixty years, may be changed at any time without medical re-examination, for a policy of the same amount upon any plan issued by the Company at the time this policy takes effect, and having a higher rate of premium. Such change shall be effective upon payment of a sum equal to the difference between the premiums on the new policy and the premiums paid on this policy, with compound interest at the rate of five per cent per annum from the due date of each payment to the date when the change is made, and upon the surrender of this policy, the new policy will take effect as of the date of this policy, and the premium will be based upon the same age as this policy. The cash value of any dividends standing to the credit of this policy as well as any additional cash value of such dividends that would have been credited under the new policy, may be used in the settlement of the difference in premiums.

V. Loans.—After two full years' premiums shall have been paid, at any time while this policy is in force, except such time as it shall be in force as extended insurance, the Company will loan on the sole security of this policy upon proper legal assignment and delivery thereof, a sum equal to, or at the option of the Insured less than the loan value of the policy in the table of options on the first page here, according to the number of full years' premiums paid, at the time the loan is made, plus the value of the reserve on any dividend additions to the policy, less any existing indebtedness on or secured by the policy and any unpaid portion

of the current year's premium. Interest in advance to the end of the current policy year, at five per cent per annum will be charged. Interest at the same rate will be due and payable annually in advance thereafter, and if not so paid will be added to the principal and bear the same rate of interest: Provided, that unless applied for on the anniversary of the date of the policy, or within thirty-one days thereafter, the Company reserves the right to defer such loan for not exceeding sixty days from the receipt of the application therefore. Failure to repay such loan, or to pay interest thereon when due, shall not void the policy unless the total indebtedness thereon shall equal or exceed the amount loanable hereunder, at the time of such failure, in which case the policy shall immediately cease and become void: Provided, that such termination shall not take effect until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured and assignee, if any.

VI. TOTAL AND PERMANENT DISABILITY.—If the Insured, after paying at least one full annual premium and before default in the payment of any subsequent premium, and before attaining the age of sixty years, shall become wholly and permanently disabled by bodily injury, or by disease, so that he is and will be permanently continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, the Company, upon receipt at its Home Office, of due proof of such disability of the Insured, will waive payment of the premiums thereafter becoming due, by a written endorsement hereon. Any premiums so waived shall not be a lien on this policy, and the values in the table of options on the first page hereof shall increase in the same manner as if the premiums were paid by the Insured. If the Insured should so far recover as to be able to engage in any gainful occupation, the obligation on the part of the Company to waive payment of premiums shall cease, and the Insured shall resume payment of premiums in accordance with this contract, beginning with the first premium becoming due after the date of such recovery. Proofs similar to those required in the first instance of such continuous disability must be furnished prior to the payment of each premium by the Company, if requested. Without prejudice to any other cause of disability the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists or of both feet above the ankles, or of the entire hand and the foot, occurring before age sixty, will be considered total and permanent disability within the meaning of this provision.

Upon the written request of the Insured and of the beneficiary and assignee, if any, after proof of total and permanent disability as aforesaid, and in lieu of all other values, benefits and options herein provided, the Company will pay in full settlement of this policy, one-twentieth of the sum originally insured (exclusive of any accident benefit) and dividend additions, if any, and will pay the same amount annually thereafter, until twenty such payments in all have been made, provided, that if there be any indebtedness against this policy, the amount of such annual payments will be reduced in the same proportion that such indebtedness bears to three-fourths of the sum insured. Each such annual payment shall reduce to that extent the amount of the insurance then in force, and in the event of the death of the Insured prior to the last of said payments, the remainder of the sum insured, less indebtedness, will be paid to the beneficiary, if living, if not, then to the executors, administrators or assigns of the Insured.

VII. CHANGE OF BENEFICIARY.—The Insured at any time and without cost, during the continuance of this policy, and subject to the rules of the Company regarding assignment and change of beneficiaries, may change the beneficiary by written notice to the Company, at its Home Office; such change shall take effect on the endorsement of the same on the policy by the Company, and be subject to the rights of any assignee.

**VIII. ENTIRE CONTRACT.**—This policy, together with the application therefor shall constitute the entire contract between the parties hereto. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy unless it is contained in the application therefor.

**IX. SUICIDE.**—If the Insured, whether sane or insane, shall die by his own hand or act, within one year from the date hereof, the liability of the Company shall be limited to the amount of premiums paid hereon.

**X. REINSTATEMENT.**—This policy will be reinstated at any time succeeding default in premium payment upon evidence satisfactory to the Company of the insurability of the Insured according to the Company's usage, and payment of all premium arrears, with interest at the rate of five per cent per annum, and the payment or reinstatement of any indebtedness which existed at the time of such default with interest from that date.

**XI. ASSIGNMENT.**—No assignment of this policy shall be binding upon the Company until it is filed with the Company at its Home Office. The Company will not assume any responsibility for the validity of any assignment. All claims under assignments are subject to satisfactory proof of the assignee's interest in the life insured.

**XII. INCONTESTABILITY.**—This policy shall be incontestable after one year from the date hereof, except for non-payment of premiums. If the age of the Insured has been misstated, the amount payable under the policy shall be such as the premium paid would have purchased at the correct age.

**XIII. INSTALLMENT OPTIONS.**—The Insured reserves the right to change the method of payment of this policy as a death claim without the consent of any beneficiary, by filing at the Home Office of the Company a written request therefor, accompanied by this policy for endorsement of such change thereon, so as to provide that each \$1,000 of insurance due upon maturity of this policy by the death of the Insured shall be paid to the beneficiary in accordance with any one of the following installment options. In the event of there being more than one beneficiary entitled to share in the proceeds of the policy, the continuous installment options cannot be selected, but the right under the limited installment option shall be joint and vest in the survivors, and shall not be severed without the consent of the Company. The first installment will be paid in each case upon receipt of due proof of the death of the Insured, during the continuance of this policy, and of the interest of the claimant; subsequent installments will be paid annually thereafter. Unless the Insured shall make and file a written request therefor the Company will not commute any installment payments during the lifetime of the beneficiary.

Option 1. In ten annual installments of \$113.80 each, amounting to \$1,138.00.

Option 2. In fifteen annual installments of \$81.30 each, amounting to \$1,219.50.

Option 3. In twenty annual installments of \$65.25 each, amounting to \$1,305.00.

Option 4. In annual installments during the life of the beneficiary, the amount of each installment to be determined by the schedule below for this option, in accordance with the age of the beneficiary, nearest birthday, at the date of the death of the Insured. If the beneficiary should die before twenty annual installments have been paid, the Company will pay any remaining installments to the executors, administrators or assigns of the beneficiary.

Option 5. In annual installments during the life of the beneficiary, the amount of each installment to be determined by the schedule below for this option, in accordance with the age of the beneficiary, nearest birthday, at the date of the death of the Insured.

**XIV. INSTALLMENT COUPONS.**—Should the policy become a valid claim by death, and the Insured has selected either the first, second or third of the installment options as above provided, the Company will upon surrender of the policy, issue to the beneficiary its installment contract with coupons attached, numbered consecutively according to the number of such installments under the option selected, and each coupon providing for the payment of one of the annual installments, and should the fourth or fifth option be selected, the Company will upon such surrender of the policy, issue to the beneficiary its annuity contract, providing for the payment of annual installments, in accordance with the terms of the option selected.

**XV. PREMIUMS.**—In case any premium should not be paid when due, according to the terms of this contract, then and in every such case, this policy shall cease and determine, except as otherwise herein expressly provided. If any note or other obligation given for the first year's premium or any part thereof on this policy shall not be paid when due, this policy contract shall be and become null and void without any notice or action of the Company, notwithstanding any receipt which may have been given for such premium.

**XVI. AUTHORITY.**—Only the President, a Vice-President or the Secretary (and then in writing only) has power in behalf of the Company to make or modify this or any contract of insurance or to extend the time for paying any premium, and the Company shall not be bound by any promise or representation heretofore or hereafter given by any person other than the above.

**XVII. PROOFS OF DEATH.**—In the event of the death of the Insured while this policy is in force, application should be made to the Company at its Home Office, for blank forms upon which to make proofs.

**XVIII. CHANGE OF ADDRESS.**—The Insured should give prompt notice to the Company of any change of residence or postoffice address. Notice of each and every payment due or to become due hereon at the date named is given and accepted by the delivery and acceptance of this policy, and any further notice of such payment due or to become due required by any statute is hereby expressly waived.

**XIX. ANNUAL MEETING.**—The Insured is hereby notified that, by virtue of this policy, while the same remains in force, he is a member of the State Life Insurance Company, and entitled to vote at its annual meetings, which are holden at its Home Office, in the City of Indianapolis, Indiana, on the third Thursday of January in each year, at two o'clock P. ## GENERAL PROVISIONS.

**POLICY AND APPLICATION ENTIRE CONTRACT.**—This policy and the application therefor shall constitute the entire contract between the parties hereto, and all the statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defense to a claim thereunder unless it be contained in the written application, therefor and a copy of such application be securely attached thereto when issued.

This policy shall not take effect until actually delivered and the first premium paid hereon during the lifetime of the insured.

The possession of this policy is not evidence that the first premium has been paid. The first and all subsequent premiums are due and payable at the Home Office of the Company in Worcester, Massachusetts, or to an agent of the Company upon delivery of a receipt for the Premium, signed by the President, Vice-President, or Secretary, and countersigned by the agent or agency cashier designated thereon.

**PREMIUM PAYMENTS.**—The premiums on this policy are payable annually, in advance, but the insured may, with the assent of the Company, pay the same, in advance, in semi-annual or quarter-annual instalments, according to the Company's published rates therefor, provided such semi-annual or quarter-annual instalment of the annual premium amounts to at least the sum of \$5.00.

In case of failure to pay any premium when due, or within the grace period, this policy shall thereupon lapse and become void and all premium payments previously made shall be forfeited to the Company, and its only liability hereunder shall be such, if any, as is stated in this policy. This policy is issued by the Company and accepted by the insured with the agreement that, subject to the provisions contained herein, no annual premium, or semi-annual or quarter-annual instalment of the annual premium, paid on this policy shall continue it in force beyond the date on which the next annual premium, or semi-annual or quarter-annual instalment of the annual premium, shall become due.

**GRACE PERIOD.**—After the payment of the first regular premium annual, semi-annual or quarterly, a grace of thirty-one days, with out interest, will be allowed in the payment of all future premiums. During the period of grace this policy shall remain in full force.

**PREMIUM LOANS.**—If this policy be not assigned, upon request of the insured, made prior to any default in the payment of any premium hereunder, the Company will make a loan to the insured with interest at the rate of six per centum per annum from due date of said premium, for the sole purpose of paying such premium, provided the Cash Surrender or Loan Value hereunder is sufficient to cover such loan with interest to the time the next premium (annual, semi-annual or quarterly) is due hereon. Any premium loan, with accrued interest, may be repaid at any time prior to default in premium payment, but until paid will be an indebtedness hereunder.

**POLICY LOAN.**—After two full annual premiums have been paid on this policy, and provided it is not continued as Extended Insurance, the holder hereof, upon its proper assignment and delivery to the Company, shall, within thirty days of the application therefor, be entitled to a loan from the Company on the sole security of this policy, with interest at the rate of six per centum per annum, of sum not exceeding its loan value, as shown by the accompanying table, less interest on the amount so loaned to the next anniversary of this policy, and less any indebtedness to the Company under this policy and any unpaid portion of the premium for the then current policy year. Failure to repay any such loan or to pay interest thereon shall not avoid this policy while the total indebtedness hereon is less than such loan value at the time such default in payment occurs nor until thirty-one days after notice has been mailed by the Company to the last known address of the insured or assignee, if any.

**RE-INSTALLMENT.**—This policy may be re-instated at any time after default in premium payment, provided it has not been surrendered for its cash value, or its extension period expired, upon the production of evidence, satisfactory to the Company, of the insurability of the person whose life was insured and the payment of all over-due premiums and the payment or re-installment of any other indebtedness to the Company under this policy with simple interest at the rate of six per centum per annum.

**CHANGE OF PLAN.**—At any time while this policy is in full force, it may be changed, without medical examination, to any other form of policy in use by the Company at the time this policy was issued, but without the right to disability benefits; provided the rate of premium be not diminished thereby, upon payment of the difference between the premiums under the new policy and the premiums paid under this policy (exclusive of the special premiums paid for disability benefits) for the same period and the same amount of insurance, with interest compounded annually at the rate of six per centum per annum, and with proper adjustment of differences in dividends apportioned under the two forms of policies. The new policy will be for the same amount, bear the same date, and written at the same age as this policy.

**MODIFICATIONS.**—Agents are not authorized to modify this policy or to extend the time of paying the premium.

**CHANGE OF BENEFICIARY.**—If the right to do so has been reserved in the application for this policy, the insured, if of full age, at any time during the continuance of this policy, may change and successively change the beneficiary hereunder, whether original or substituted, without his or her consent, provided that any proposed beneficiary shall have an insurable interest in the life of the insured, and, further, that any change in beneficial interest shall be subject to the right of any assignee. The insured may, however, declare the designation of any beneficiary to be irrevocable. During the lifetime of any irrevocably designated beneficiary, the insured shall not have the right to revoke or change the designation of that beneficiary, without his or her consent. If any beneficiary, revocable or irrevocable, dies before the insured, the interest of such beneficiary shall vest in the insured. Every change or designation must be made by written notice to the Company at its Home Office, accompanied by this policy, and will take effect only when endorsed on this policy by the Company.

**WAR RISK.**—Military and Naval service in time of war is a risk not assumed by the Company or covered by this policy during the first year, and if the insured shall engage in such service during the first year this policy is in force, this policy shall thereupon become null and void and no claim shall exist thereunder except for the amount of the premium paid thereon.

**SUICIDE.**—If the insured shall commit suicide within one year from the date hereof, while sane or insane, this policy shall be null and void, except for the amount of the premium paid thereon.

**ASSIGNMENT.**—No assignment of this policy shall be valid unless made in writing and filed with the Company at its Home Office. By receiving or filing any assignment, the Company assumes no responsibility as to its validity. The claim of any assignee shall be subject to any indebtedness to the Company hereunder.

**ERROR IN AGE.**—If the age of the insured was incorrectly stated in the application for this policy, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age. Any error in age discovered during the lifetime of the insured will be subject to correction and adjustment of premium.

**RESERVE.**—The reserve on this policy will be based on the American Experience Table of Mortality with interest at three per centum per annum.

### INSTALMENT OPTIONS.

**CONDITIONS OF INSTALMENT SETTLEMENT.**—Settlement by Instalments may be substituted for payment of the proceeds of this policy in one sum, according to one of the following Options, and subject to the conditions stated below.

If there be any indebtedness to the Company on account of this policy when it becomes a claim, such indebtedness will be deducted from its proceeds and the balance due will be the basis of any settlement by Instalments hereunder.

The insured at any time while this policy is in force, for an amount not less than One Thousand (\$1,000) Dollars and not assigned, may, by notice to the Company in writing, choose one of the methods of settlement designated below. After making selection of manner of payment, the insured may revoke his selection and select another by notifying the Company in writing. If such choice is not made by the insured, the same privilege shall be extended to the beneficiary at the time this policy becomes a claim, with the right to receive the present value of any unpaid Instalments in one sum.

After the death of the insured (selection of Instalment Option having been made), on the payment of the first Instalment upon either of the plans mentioned below, this policy shall be returned to the Company for proper endorsement or surrendered to the Company in exchange for an Instalment Contract in accordance with the Instalment Option selected. The first instalment shall be paid upon satisfactory proof of claim upon the Company, and subsequent Instalments shall be paid annually thereafter upon the anniversary of the first Instalment payment.

The beneficiary shall not have the right to commute the Instalments payable hereunder unless the insured, during his or her lifetime, shall have given such right to the beneficiary, and notified the Company in writing to that effect.

Should the beneficiary under this policy, surviving the insured, die before receiving all the Instalments payable, the then present or commuted value of all such Instalments shall be paid in one sum to the executors or administrators of the said beneficiary, unless other provisions shall have been previously made for the continuation of the Instalment payments.

**EQUAL INSTALMENTS.—OPTION A.**—On the basis of each One Thousand (\$1,000) Dollars due, the proceeds may be paid in any number of equal annual instalments, from five to twenty-five, as may be designated, according to the following table:

Number of Instalments.....	5	6	7	8	9	10	11

ten, fifteen, twenty or twenty-five Instalments, each for an amount determined by the attained age of the beneficiary and the number of the stipulated Instalments selected at the time this policy becomes a claim, according to the following table; and in addition thereto similar amounts shall be paid yearly during the after lifetime of the beneficiary.

The amount so left with the Company may be withdrawn at any time when an instalment of interest is payable, unless otherwise directed by the insured during his lifetime, and if not withdrawn the said amount, together with any accumulation of interest accrued thereon from the date when the last full interest instalment was payable, shall be paid in full upon satisfactory proof of the death of the beneficiary.

The above Values are computed according to the American Experience Table of Mortality with interest at three per centum per annum, and are upon the assumption that the premiums required by this policy (less current dividends) have been paid in full and that there is no indebtedness to the Company on account of this policy.

If the term of this policy extends beyond twenty years, the Values for the intermediate years after twenty, and the extensions, will be furnished upon application.

Loan values are available at any time during the policy years, in accordance with the Policy Loan Provision contained herein.

## NON-FORFEITURE PROVISIONS.

**NON-FORFEITURE OPTIONS.**—After two full years' premiums have been paid on this policy, the holder hereof, within thirty days after default in the payment of a subsequent premium, may elect by a writing filed with the Company at its Home Office,

(a) to surrender the policy and, with the written assent of the person to whom it is made payable, receive its value in cash, or  
(b) take paid-up insurance, which shall be participating, payable at the same time and on the same conditions as in the original contract, or

(c) have the insurance continued in force as **Extended Insurance** from the anniversary last passed for its face amount, including any outstanding dividend additions and less any indebtedness to the Company hereon or secured hereby, but without the right to loans.

**AUTOMATIC PAID-UP PROVISION WITH SPECIAL BENEFITS.**—If the holder shall not within thirty days from default surrender this policy to the Company for cash, as provided in Option (a), or elect by a writing filed with the Company at its Home Office to take **Extended Insurance** as provided in Option (C), the insurance will be binding upon the Company from the date of default without any further stipulation or act on the part of the insured, as provided in Option (b).

The **Cash Surrender Value of Paid-up Insurance** under Option (b), at any time, will be its net legal reserve. Paid-up Insurance under Option (b) will have **Loan Values** and will participate annually in the divisible surplus of the Company.

**AUTOMATIC EXTENDED INSURANCE.**—Upon the written request of the insured, **Extended Insurance**, as described above under Option (c), may be made the automatic option in case of default in the payment of any premium by an endorsement on this policy, made at the Home Office of the Company, provided such request is filed at the said Home Office when there is no premium due hereon and unpaid.

**EXTENDED INSURANCE PARTICIPATING AND CASH VALUES.**—If this policy is continued in force as **Extended Insurance**, it shall participate annually in the divisible surplus of the Company and its **Cash Surrender Value** will be its net legal reserve; and, upon proper request and release on the part of the insured, may be reconverted into a participating paid-up policy for an amount its **Cash Value** will purchase as a net single premium at the attained age of the insured, according to the American Experience Table of Mortality, with interest at three per centum per annum.

**TERM OF EXTENDED INSURANCE AND AMOUNT OF PAID-UP INSURANCE.**—The term for which this policy will be continued as **Extended Insurance** or the amount of **Paid-up Insurance**, as given in the accompanying table, is such as the **Cash Value** will purchase as a net single premium at the attained age of the insured, according to the American Experience Table of Mortality, with interest at three per centum per annum; but no provision contained herein shall operate to continue this policy in force beyond the term for which it was originally written.

**CASH SURRENDER AND LOAN VALUES.**—The **Cash Surrender** and **Loan Value** for each year, given in the accompanying table, is the reserve on this policy less a surrender charge having a maximum the second year (after payment of premiums for two full years) of Ten Dollars for each One Thousand Dollars of insurance hereunder, and decreasing annually thereafter by One Dollar and Twenty-five Cents for each One Thousand Dollars of insurance hereunder.

After payment of premiums for ten full years, the **Cash Surrender** and **Loan Value** for each year, including the intermediate years beyond twenty not given in the accompanying table, is the full reserve under this policy.

**VALUES INCREASED BY ADDITIONS OR BY PAYMENT OF QUARTERLY OR SEMI-ANNUAL PREMIUMS.**—The said values will be increased if

there are any outstanding paid-up additions to this policy and diminished if there be any indebtedness hereunder.

If any semi-annual or one or more quarter-annual instalment of the annual premium have been paid in any year, the values for that year will be the values at the end of the last policy year for which the annual premium was paid in full plus such proportionate part of the increase in the values at the end of the succeeding year

#### DIVIDEND PROVISIONS.

**DIVIDENDS.**—This policy shall participate in the surplus of the Company.

The proportion of the divisible surplus of the Company contributed by this policy shall be ascertained and distributed annually as dividends, beginning at the end of the first policy year. Each such dividend shall, annually, at the option of the holder of the policy,

- (a) be payable in cash, or
- (b) be applied in reduction of premiums, or
- (c) to the purchase of a paid-up addition, which may be surrendered at any time for cash, or
- (d) be left with the Company to accumulate to the credit of the policy and be payable at the maturity thereof or be withdrawable either wholly or in part, in cash on demand by the holder of the policy or applied as hereinafter set forth. On dividends so left, interest will be allowed at not less than three per centum per annum but no allowance for interest will be made for a fractional part of a year.

**AUTOMATIC PAYMENT OF PREMIUM BY DIVIDENDS.**—If no election is made by the holder of this policy prior to any anniversary thereof the dividend for that anniversary will be held by the Company as provided in Option (d) and if any premium on this policy (annual, semi-annual or quarter-annual) is not paid at the expiration of the days of grace, the Company will keep this policy in force by applying the dividend accumulations to the payment due on this policy if such accumulations are sufficient to make such payment in full provided that nothing herein contained shall operate to continue the policy in force beyond the period for which any dividend accumulation so applied would carry the policy under its full premium rate nor beyond the term for which this policy was originally issued. Any dividends which may be apportioned hereon while this policy is continued as Extended Insurance shall not be applied to continue this policy in force beyond the term of extension given in the accompanying table of Values.

**METHOD OF APPLYING DIVIDENDS TO PAYMENT OF PREMIUM.**—The application of accumulations to the payment of premiums will be made as follows: The accumulations will be applied to the payment of the annual premium required by this policy. If not sufficient for the annual premium, then to the payment of a semi-annual instalment of the annual premium; and if not sufficient for a semi-annual, then to the payment of a quarter-annual instalment of the annual premium, and continuing in like manner so long as the remaining accumulations to the credit of this policy are sufficient to pay a quarter-annual instalment of the annual premium required by this policy. In case the failure to pay any semi-annual or quarter-annual instalment of the annual premium required by this policy occurs in any year after a payment of an instalment of such premium has been made by the insured, then the accumulations will be applied to the payment of unpaid quarter-annual or semi-annual instalments of the annual premium due during the year then entered upon. No remaining portion of such accumulations amounting to less than a quarter-annual instalment of the annual premium, according to the Company's published rates therefor, will be applied to continuing this policy in force but will remain to the credit of the policy and be paid with the amount due hereunder when it becomes a claim.

**DIVIDENDS APPLIED TO MAKE POLICY FULLY PAID-UP.**—Whenever the accumulations from dividends (d) and the cash value of dividend additions (c), if any, together with the reserve on this policy, computed according to the American Experience Table of Mortality with interest at three per centum per annum, shall be equal to the reserve computed in like manner on a fully paid-up policy of the same kind and amount at the age then attained by the insured, the Company will, upon the execution and delivery of a proper form of request and release, on presentation of this policy at its Home Office in Worcester, make an endorsement thereon showing that it has become paid-up.

**DIVIDENDS APPLIED TO ACCELERATE MATURITY OF POLICY.**—Whenever the accumulations from dividends (d) and the cash value of dividend additions (c), if any, together with the reserve on this policy, computed as above, shall be equal to the face amount of this policy, the Company will, upon the surrender of this policy, together with a legal release of all claims hereunder, pay as a matured endowment the amount of said policy less any existing indebtedness to the Company on account of same.

#### **TOTAL AND PERMANENT DISABILITY BENEFIT PROVISION.**

If the insured hereunder, after the payment of one full year's premium on this policy, and while no premium is in default, shall furnish due proofs that, before reaching the age of sixty years, because of accident or disease he has become wholly, continuously and permanently unable to pursue any gainful occupation and presumably for life will be unable to perform any work, mental or manual, or engage in any business for compensation or profit, and that such disability was sustained or contracted after the date hereof, the Company will with the written assent of all the parties in interest, pay to the insured, one tenth of the face amount of this policy, and a like amount annually thereafter, on the anniversary of the first instalment payment, during the continuance of such disability, until said face amount, less any indebtedness hereunder, shall have been paid in full, or until the maturity of the policy when any unpaid remainder of the sum insured, less any indebtedness, shall be paid as provided in this policy. The value of any dividend additions or accumulations then outstanding shall be payable with the final payment. The first instalment shall be paid one year after the receipt of such proof of said disability, and then only if it shall appear that the insured is still totally, permanently and incurably disabled as defined above. During said year any medical examiner, or other accredited representative of the Company, shall be permitted to examine the person of the insured in respect of the alleged disability, at such time and in such manner as the Company may desire. The payment of any premium during said year shall be waived, and this policy shall continue in force as if such premium had been paid.

Each annual instalment so paid shall reduce by the amount thereof the insurance in force, and the values provided under Non-Forfeiture Provisions hereunder shall be for the reduced amount, subject to any existing indebtedness.

This policy must be forwarded to the Home Office for endorsement of the payment of each disability instalment.

Whenever the cash surrender value of the reduced insurance is less than any indebtedness hereunder, the difference in amount shall be deducted from the succeeding instalment, and the indebtedness correspondingly reduced.

Whenever the amount of the instalments paid together with any indebtedness hereunder, shall equal the face amount of the policy and the value of any dividend additions or accumulations, the liability of the Company shall cease.

By the acceptance of this contract the insured agrees that, after the said instalments become payable as above described, any medical examiner appointed by the Company shall be allowed from time to time, but not oftener than once a year, to satisfy himself of the

continuance of such disability by the examination of the person of the insured, and if it is established that the insured has recovered so as to be able to again engage in some gainful occupation, or has so engaged, or if the insured refuses to permit such examination by a medical examiner, no further instalment payments will be made by the Company. But if the amount of insurance shall then have been reduced under the foregoing provisions, such reduced amount of insurance shall thereafter be the face amount of the policy and the premiums thereafter becoming due will be in proportion to the reduced amount of insurance, and all benefits under the policy will be reduced accordingly. During the period of disability, as defined above, the premiums hereon shall be waived.

If this policy becomes paid-up for a reduced amount or is continued in force as extended insurance, no disability benefits shall attach to it nor to any dividend additions payable hereunder.

The total and irrecoverable loss of the entire sight of both eyes, the severance of both hands above the wrist or both feet above the ankle, or similar loss of one foot and one hand, shall be considered as total and permanent disability within the meaning of this provision.

The provision for disability benefits herein set forth is granted in consideration of the payment of a special premium of \$6.10 with each annual premium payable hereunder, and this amount is included in the whole premium charged for this policy. The special premium shall cease (1) on the completion of the premium payment required by the terms of this policy; (2) on the policy anniversary nearest to age sixty of the insured, if prior to completion of said premium payments; or (3) it may be discontinued on any anniversary of this policy on the written request of the insured, accompanied by this policy for endorsement, in which latter event this provision will become void.

##### MEDICAL EXAMINER'S FORM.

I HEREBY CERTIFY that I have read all the statements and answers in Parts I and II of this application, and declare that they have been correctly recorded by the soliciting agent and medical examiner, and that no circumstance or information touching my past and present state of health and habits of life has been withheld or omitted. I ALSO AGREE that military and naval service in time of war is not a risk assumed by the said Company or covered by the proposed policy during the first year, and that should I engage in such service during the first year the proposed policy is in force, said policy shall thereupon become null and void and no claim shall exist thereunder except for the amount of the premium paid thereon. I FURTHER AGREE that if within one year from the date of the proposed policy I shall die by my own hand or act, whether I be at that time sane or insane, the proposed policy shall thereupon become null and void except for the amount of the premium paid thereon.

DIVIDEND PROVISIONS.

This policy is issued on the Annual Dividend Plan, the provisions of which are as follows:

That this policy shall participate in profits at the expiration of

each year from the date on which the first premium falls due, but no allotment of profits shall be made hereon unless the assured be alive at the end of each such year and this policy be then in force.

That the allotment and payment of profits at the end of the first policy year shall be conditional upon the payment of the premium for the second policy year.

That profits so allotted to this policy may be taken in any one of the following forms:

ONE.—As a bonus or reversionary addition to the sum assured.

TWO.—As a reduction of the premium for the ensuing year.

THREE.—As a single cash payment.

If either the second or the third of the above methods be chosen, the assured cannot revert to the first method at any future division except on producing a certificate of health satisfactory to the Company.

#### ALTERNATIVE METHODS OF SETTLEMENT AT MATURITY.

The assured or the owner, or the beneficiary after the assured's death if the assured shall have made no election, may, by written notice to the Company, elect that in lieu of payment in one sum the net amount payable hereunder may be—

(1) Left as a deposit with the Company during the lifetime of the beneficiary or payee bearing interest at the rate of three per cent per annum payable at the end of each year. At the death of the beneficiary or payee the said deposit with the interest accrued to the date of death shall be payable, unless otherwise directed in the said notice, to the legal representatives or assigns of the beneficiary or payee. The said deposit may be withdrawn at any time by the beneficiary or payee on giving three months' notice in writing to the Company, provided the Company has not been otherwise directed by the assured; or

(2) Converted into a specified number of equal annual instalments, in accordance with the table of instalments given below; or

(3) Converted into equal annual instalments payable at the beginning of each year for a fixed period of twenty years, and for so many years longer as the beneficiary or payee entitled to receive the first instalment shall survive. Each instalment shall be for the amount corresponding to the attained age of the beneficiary or payee on the date on which the single cash payment would have been payable, according to the table of instalments given below.

Any instalment payable under (2) or (3) which shall not have been paid prior to the death of the beneficiary or payee entitled to receive the first instalment shall be payable, unless otherwise directed in the said notice, to the legal representatives or assigns of the said beneficiary or payee. Unless the Company shall have been otherwise directed by the assured in writing, the remaining instalments may at any time be commuted by the beneficiary or payee, at the rate of three and one-half per cent compound interest, and the commuted value drawn in one sum; provided, however, that under (3) the instalments, contingent upon the beneficiary or payee living after the twenty guaranteed payments shall have been made, cannot be commuted.

The above methods of settlement are based upon an assumed interest rate of three per cent, but if in any year the Company shall declare for that year on funds held by it under such modes of settlement a greater interest rate than three per cent, the sum payable shall be increased accordingly.

This policy shall be surrendered upon its maturity and a supplementary contract shall be issued for the option selected.

## PRIVILEGES.

I. RESIDENCE AND OCCUPATION.—The assured may reside anywhere or engage in any occupation.

II. PAYMENT OF PREMIUMS.—All premiums are payable in advance at the Head Office of the Company or to an agent thereof, upon delivery of a receipt signed by either the President, Managing-Director or Secretary of the Company and countersigned by the said Agent.

Thirty days' grace are allowed for the payment of renewal premiums, without interest charge, during which time the assurance shall continue in force.

III. INDISPUTABILITY.—This policy shall constitute the entire contract between the parties hereto, and shall be indisputable after two years from the date of issue, provided the premiums be regularly paid. All statements made by the assured shall, in the absence of fraud, be deemed representations and not warranties; and no such statement shall void the policy unless it is contained in the written application, a copy whereof is attached to this policy when issued.

If the age of the assured has been misstated the amount payable shall be such sum as the premium paid would have purchased according to the rate at the true age.

IV. CASH VALUE.—After three full years' premiums shall have been paid, this policy may, in the absence of any legal restriction to the contrary, be surrendered to the Company for the amount of the cash value specified in the table of guaranteed values attached hereto, increased by the cash value of any existing bonus additions. Any indebtedness due to the Company on this policy by either the assured or the beneficiary shall be deducted from the said cash value.

V. LOANS.—After three full years' premiums shall have been paid the Company will advance, upon proper assignment of this policy and on the sole security thereof, any amount not exceeding the cash value of the policy as provided for in Privilege IV above. The rate of interest shall not exceed six per cent per annum. This privilege is subject to the condition that there is no legal restriction to the contrary and that any indebtedness due to the Company on this policy by either the assured or the beneficiary shall be deducted from the said loan. The Company may also collect interest in advance to the end of the current policy year. Failure to pay any such loan or the interest thereon shall not void the policy unless the total indebtedness shall equal or exceed such loan value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the assured and of the assignee, if any.

**VI. PAID-UP ASSURANCE.**—After three full years' premiums shall have been paid, provided this policy be still in force, the Company will, if this policy be surrendered to the Company and discharged in writing before the expiration of the days of grace (and not otherwise), issue in exchange therefor a non-participating paid-up policy for the amount set forth in the table of guaranteed values attached hereto, increased by any existing bonus additions. This paid-up assurance shall be payable at the time this policy would have become due if it had been continued in force, and shall be subject to any indebtedness to the Company on this policy by either the assured or the beneficiary.

**VII. EXTENDED TERM ASSURANCE.**—After this policy shall have been three full years in force, in the event of default in the payment of any premium, provided that there be no indebtedness to the Company on this policy, and provided the policy be not surrendered in accordance with Privileges IV or VI, the assurance hereunder shall be automatically extended as term assurance from the date of default in premium payment, but without participation in profits or the right to loans or surrender values, for the full amount assured under this policy and existing bonus additions. The said assurance shall be for the period, including the days of grace, set forth in the table of guaranteed values attached hereto, and shall be payable only if the assured die within the specified time. The cash value of any existing bonus additions shall be applied to lengthen the said period. The net value of the said term assurance shall be equal to the cash value of this policy as specified in Privilege IV and shall be at least equal to the reserve on this policy and existing bonus additions according to the British Offices OM (5) table with three per cent interest, less a sum not more than two and one-half per cent of the said sum assured and existing bonus additions.

If there be any indebtedness to the Company on this policy, the assurance hereunder shall be automatically extended as above for an amount equal to the sum hereby assured and existing bonus additions less the amount of said indebtedness, and the period of term assurance shall be such as the cash value of this policy as provided above, after deducting the said indebtedness, will purchase at net single premium rates by the British Offices OM (5) table with three per cent interest, according to the attained age of the assured.

**VIII. PAID-UP AND ENDOWMENT OPTION.**—Whenever, at the end of any policy year, the reserve on this policy and existing bonus additions shall equal or exceed the net single premium for the attained age of the assured according to the British Offices OM (5) three per cent table for an amount equal to the face value of this policy, payable at the same time and under the same conditions as this policy, the Company, at the written request of the assured and of the beneficiary and assignee, if any, will endorse this policy (subject to any existing indebtedness) as a fully paid-up participating policy for such amount as the said reserve will purchase according to the said standard table of mortality and rate of interest; or, whenever the said reserve on this policy and bonus additions shall equal or exceed the face value of this policy, the Company, upon a full and valid surrender of this policy and all claims thereunder, will pay in cash the full amount of this policy and any excess of the said reserve (unless any indebtedness to the Company).

**IX. REINSTATEMENT.**—In the event of default in the payment of any premium, and provided this policy has not been surrendered in accordance with Privileges IV or VI, it may be reinstated at any time upon written application by the assured with evidence of insurability satisfactory to the Company and upon payment of all arrears of premium with interest at a rate not exceeding six per cent per annum compounded yearly, and reinstatement, with interest, of any indebtedness existing at the time of default.

**X. CHANGE OF BENEFICIARY.**—This policy is issued with the express understanding that the assured may, provided this policy

or any interest therein has not been assigned or transferred, change the beneficiary or beneficiaries at any time during the continuance of this policy by filing with the Company a written request, duly acknowledged, accompanied by this policy; such change to take effect only upon the endorsement of the same on the policy by the Company.

**XI. TOTAL DISABILITY BENEFIT.**—At any time after one full year's premium shall have been paid, and before default in the payment of any subsequent premium, if the assured, before attaining his sixtieth birthday, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or disease, and is and will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, then:

(1) The Company by endorsement hereon will agree to pay for the assured the subsequent premiums, if any, as they shall become due, during the period of such total and permanent disability. Any premium so paid shall not be a lien on this policy, and the guaranteed values in the table attached hereto shall increase in the same manner as if the premiums had been paid in cash by the assured, and the policy shall continue to participate in profits.

(2) The Company will also, upon the written request of the assured and of the beneficiary and assignee, if any, and after payment of all indebtedness to the Company in respect of the policy, agree by endorsement hereon to pay in lieu of all other values, benefits and privileges herein provided, and in full settlement of this policy, one-twentieth of the amount assured and existing bonus additions immediately, and a like amount yearly thereafter until twenty such instalments in all shall have been paid. Should the assured die before the twenty instalments shall have been paid, the remaining instalments shall be paid to the beneficiary as they become due.

Provided always, that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the assured shall as often as required by the Company furnish satisfactory proof of the continuance of such disability. If the assured shall fail to furnish such proof, or if he shall so far recover as to be able to engage in any gainful occupation, then all premiums thereafter falling due must be paid as originally provided in the policy; and if option (2) shall have been availed of, the Company's obligation to pay any further instalments shall immediately cease, and the original policy shall be restored for its face amount, less the sum of the instalments paid, the guaranteed values in the table attached hereto being reduced proportionately, but no reduction being made in the future premiums.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning hereof.

**NOTICE.**—No person, except the President, Managing-Director or Secretary, has power to alter this contract, to extend the time for paying a premium, to bind the Company by making any promise or receiving any representation or information not contained in the application for this policy. No payment made to any person, except in exchange for the Company's official receipt, will be recognized by the Company. This policy does not take effect until the first premium has been actually paid, during the life and good health of the assured.

## SPECIAL PRIVILEGES

**CASH LOANS.**—On demand in writing to the Home Office of the Company, after three full years' premiums shall have been paid, the Insured may borrow at any time during the year on the sole security of this contract an amount not exceeding the cash value at the end of the current contract year as specified in the table of cash values hereinafter set forth, provided: interest in advance at the rate of five per centum per annum shall be deducted from the loan; the contract shall be assigned to the Company by all of the parties in interest thereunder; the premiums shall be fully paid to the end of the current contract year, or if not already so paid shall be deducted in the adjustment of the loan; the amount available at any time shall include any previous loan then unpaid. If the total indebtedness shall equal or exceed the cash value at the time of failure to repay any such loan or to pay interest when due, such failure shall render this contract null and void at the expiration of one month after due notice shall have been mailed by the Company to the last known address of the person to whom the loan shall have been made and of the Insured, or assignee, if any.

**GRACE IN PAYMENT OF PREMIUMS.**—A grace of thirty-one days during which the contract will remain in full force will be allowed in the payment of all premiums except the first.

**CHANGE OF BENEFICIARY.—SUCCESSION.**—Provided this contract is not assigned, the Insured may at any time and from time to time during its continuance change the Beneficiary, to take effect only when such change and the written consent of the Company thereto are indorsed upon the contract at the Home Office of the Company, or attached thereto, whereupon all rights of the former Beneficiary shall cease. If the Insured shall survive the Beneficiary or Beneficiaries or any of them named herein, the proceeds of the contract or the share of the deceased Beneficiary or Beneficiaries, as the case may be, shall be paid to the executors, administrators or assigns of the Insured, unless otherwise provided in or by indorsement upon this contract.

**INSTALMENT OPTION.**—The proceeds of this contract, if not less than \$1,000, may be placed in trust with the Company to pay to the Beneficiary from the time when such proceeds are payable, an annual income limited to a period of years, or an annual life income, according to the accompanying tables.

#### NON-FORFEITABLE PRIVILEGES.

If any premium shall not be paid on or before the date when due, and if there shall be no indebtedness to the Company, the insurance will automatically continue from said due date as term insurance during the term, including the period of grace, specified in column 3 of the accompanying table, or in lieu of such term insurance, upon written request made by the Insured within three months from said due date and surrender of the contract the Company will, as the Insured may elect, either issue a contract for the amount of paid-up insurance if any, specified in column 2 or pay the cash value, if any, specified in column 1.

If there shall be an indebtedness to the Company, and if any premium shall not be paid on or before the date when due, an

amount of insurance, equal to the face amount of this contract less the indebtedness, will automatically continue from said due date as term insurance, for the term, including the period of grace, while the excess of the cash value of the contract, if any, over the indebtedness will purchase at the then age of the Insured, at the single premium rates according to the American Experience Table of Mortality, with  $3\frac{1}{4}$  per centum interest. In lieu of such term insurance, upon written request made by the Insured within three months from said due date and surrender of the contract, the Company will, as the Insured may elect, either issue a contract for the amount of paid-up life insurance which said excess will purchase at the then age of the insured, on the mortality and interest basis heretofore designated, or pay said excess in cash.

The term insurance and the paid-up insurance specified above may be surrendered for cash and paid-up insurance shall be subject to cash loans.

If the premiums on this contract shall be paid in semi-annual or quarterly instalments, due allowance will be made in computing benefits from the above table for that portion of the year's premium paid over and above the full number of years' premiums indicated.

#### CASH AND LOAN VALUES, PAID-UP AND AUTOMATIC TERM INSURANCE.

The values herein specified are based upon the American Experience Table of Mortality with  $3\frac{1}{4}$  per cent. interest and are at least equal to the entire legal reserve on this contract less not more than  $2\frac{1}{2}$  per cent. of the amount insured hereby. At the end of the twentieth year and thereafter the surrender value is the full reserve according to this standard.

## SETTLEMENT IN EVENT OF PERMANENT TOTAL DISABILITY.

After one full annual premium shall have been paid upon this contract and before a default in the payment of any subsequent premium, if the Insured shall furnish the Company with due proof that he has since such payment and before having attained the age of 60, become wholly disabled by bodily injuries or disease, and will be permanently, continuously and wholly prevented thereby for life from pursuing any and all gainful occupations, the Company will pay to him during such disability and in full settlement of this contract, twenty annual instalments—the first instalment to be paid six months after receipt of due proof of permanent total disability. The amount of each such annual instalment shall be six and eight-ninths per cent of the amount of insurance stated on the first page hereof after deducting therefrom any indebtedness under this contract. Any instalments remaining unpaid at the death of the Insured shall be payable as they become due to the Beneficiary or Beneficiaries of this insurance who shall have the right to commutate such remaining payments into one sum on the basis of interest at the rate of three and one-half per cent. per annum.

The Insured shall not have the right to commute any instalments becoming payable under this contract.

If the Insured shall furnish proof of like disability occurring after he shall have attained the age of 60, the Company will allow all premiums falling due more than six months after receipt of such proof to accumulate without interest as an indebtedness on this contract and in such case the values in the table on Page 2 shall increase in the same manner as if the premiums were being paid by the Insured.

In addition to or independently of all other causes of permanent total disability, the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot as permanent total disability within the meaning of this provision.

The annual premium for the benefits provided in this clause is twenty-five cents per \$1,000 of insurance hereunder, which premium is included in the whole premium charged for this contract. It is agreed that the Insured may at any time discontinue the benefits provided by this clause, and thereafter the benefits thereunder shall cease, and the premium on this contract shall be reduced by the amount provided in this clause if the contract shall be returned to the Company for proper endorsement with written request signed by the Insured.

## GENERAL CONDITIONS.

**MODIFICATIONS, ETC.**—No agent can make, alter or discharge this contract or extend the time for payment of premiums nor can this contract be varied or altered or its conditions waived or extended in any respect except by the written agreement of the Company, in compliance with the law of the state in which the contract is issued, signed by the President, one of the Vice-Presidents or Secretaries, whose authority will not be delegated.

**MISSTATEMENT OF AGE.**—If the age of the Insured was incorrectly stated in the application for this contract, the amount payable hereunder shall be the insurance which the actual premium paid would have purchased at the true age of the Insured. Age will be admitted on satisfactory proof.

**NON-PAYMENT OF PREMIUMS.**—If any premium shall not be paid on or before the date when due the liability of the Company shall be only as hereinbefore provided.

**ASSIGNMENT.**—No assignment hereof shall be binding upon the Company unless made by an instrument in writing indorsed upon this contract or attached hereto, nor unless a duplicate shall be

furnished to the Company forthwith upon its execution. The Company shall not be held responsible for the validity of any such assignment. Any claim made under an assignment shall be subject to proof of interest and extent thereof.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this contract will be deducted in any settlement hereunder. Any part of the premium for the insurance year remaining unpaid at the death of the Insured shall be considered an indebtedness to the Company hereunder.

**SUICIDE.**—In case of suicide committed while sane or insane within one year from the date on which this insurance shall become effective the limit of recovery hereunder shall be the premiums paid.

**ENTIRE CONTRACT.**—This instrument and the application constitute the entire contract between the parties hereto, and all statements purporting to be made by the Insured shall in the absence of fraud be deemed representations and not warranties and no such statement shall avoid the contract or be used in defence to a claim under the contract unless it be contained in the application herefor and a copy of such application is attached hereto.

#### **APPLICATION.**

I hereby agree for myself and for any person who may have or claim an interest in any contract which may be issued upon this application, as follows: 1. That in case of suicide, committed while sane or insane, within one year from date of the contract issued, the limit of recovery thereunder shall be the premiums paid. 2. That every declaration herein above contained is true; and that the contract issued hereupon shall not take effect unless the first premium shall be actually paid while I am in good health.

11. **DISPOSITION OF DIVIDENDS.**—Dividends may be withdrawn in cash; or applied to the payment of premiums; or applied to the purchase of paid-up participating additions to the policy; or left to accumulate with interest at three per cent, increased from surplus interest earnings as apportioned by the Directors, until the maturity of the policy, subject to withdrawal at any anniversary thereof.

If the owner of this policy shall not exercise any other such option the dividend shall be applied, on the expiry of the days of grace, to the purchase of paid-up additions, except that if the policy shall lapse the dividend shall be paid in cash.

Paid-up additions are convertible into cash at any time at the request of the insured for amounts not less than the original dividends.

12. **PAID-UP BY DIVIDENDS.**—On the written request of the insured this policy will be endorsed as fully paid-up with participation in profits, on any anniversary when its reserve value, together with any accumulated dividends or the cash value of any additions (which shall be surrendered for such purpose) equal the corresponding net single premium for this policy at the attained age. Any excess of such total value over the said single premium will be paid in cash.

#### POLICY VALUES.

13. **POLICY VALUES.**—After three full years' premiums have been paid the reserve value at the end of the policy year, computed according to the American Experience Table of Mortality with interest at three and one-half ( $3\frac{1}{2}$ ) per cent (less a surrender charge in no case exceeding one and one-half ( $1\frac{1}{2}$ ) per cent of the amount of the insurance, and decreasing annually until the fourteenth year; after which the surrender charge, if made, shall not exceed one-tenth of one per cent of the amount of the insurance), may be used at the option of the owner of this policy in any one of the following ways, all of equal value, as set forth in the following tables, provided there be no indebtedness or advances on this policy. If, on failure to pay a premium, no option is exercised, such value shall be applied as provided in Option 1.

14. **OPTION 1—EXTENDED INSURANCE.**—Applied to the extension of this policy as participating term insurance from the date to which premiums have been paid, without any further payment (Table 1). The value of any paid-up additions will be used to increase the term of extension.

15. **OPTION 2—PAID-UP INSURANCE.**—Applied to the purchase of paid-up participating insurance, on written request and the surrender of the policy before the expiration of the days of grace (Table 2). Any paid-up additions will be added to the amount of the paid-up insurance.

16. **OPTION 3—LOAN.**—Borrowed or taken in advance in whole or in part on the sole security of the policy, on assignment thereof, less the unpaid balance of the current year's premium and any indebtedness and previous advance on this policy, at six per cent interest payable annually on the anniversary of the policy, interest to be discounted and paid in advance (Table 3).

Failure to repay any such advance or to pay interest shall avoid this policy whenever the total indebtedness and advances hereon with interest shall equal or exceed the then loan value, pro-

vided, however, that failure to repay any such advance, or to pay interest, shall not avoid this policy unless the total indebtedness and advances hereon shall equal or exceed such loan value at the time of such failure, and until one month after notice shall have been mailed by the Company to the last known address of the insured, and of the assignee, if any.

The loan value will be increased by the value of any paid-up additions.

Consummation of loans other than to pay premiums on policies in this Company may be deferred by the Company sixty days.

17. **OPTION 4—CASH.**—Collected in cash on written surrender of the policy before the expiration of the days of grace (Table 4). Payment may be deferred by the Company sixty days.

18. **CREDIT FOR FRACTIONAL PREMIUMS.**—If default shall occur at any time other than the end of the policy year the values for the preceding policy year shall be proportionately increased for the portion of the policy year for which premiums have been paid.

19. **DEDUCTION OF INDEBTEDNESS.**—If there be any indebtedness or advances on this policy, the cash value shall be reduced thereby; the paid-up value shall be reduced proportionately; and the extended insurance shall be for the face value of the policy less the indebtedness and advances and for such term as said reduced cash value will provide.

31. **COMMUTATION.**—Unless otherwise specified in electing such option, within sixty days after written request and on surrender of the policy, future instalments will be commuted into a single sum, discounted at three per cent compound interest; provided that under Option 2 the unpaid certain instalments only will be commuted.

32. **OPTION 3. RETAINED AT INTEREST.**—Retained by the Company at three per cent interest payable annually during the lifetime of the payee. The principal sum and accrued interest may be withdrawn at any time, on sixty days' notice, unless otherwise specified in electing such option.

33. **FRACTIONAL INSTALMENTS.**—If desired, payment of instalments or interest will be made in semi-annual, quarterly or monthly instalments of the same aggregate annual amount, provided that no payment shall be for less than ten dollars.

34. **SURPLUS INTEREST.**—After the first instalment or interest year subsequent instalments or interest will be increased from surplus interest earnings as apportioned by the Directors, provided that under Option 2 such surplus interest shall not be paid beyond the period of certain instalments.

#### TOTAL AND PERMANENT DISABILITY BENEFITS.

35. **DISABILITY BENEFITS.**—In the event that the insured becomes disabled as a result of accident or disease, as defined below, after this policy has been in force for one full year, the amount of the policy, less any indebtedness and advances hereon, will be paid to the insured in instalments or retained by the Company at interest, in accordance with any of the Settlement Options herein, as the insured may elect, provided that payments under the option elected shall continue for five years or more, subject to the following conditions, compliance with which is essential to the validity of any claim hereunder.

36. **DEFINITION OF DISABILITY.**—The disability must be total, permanent and incurable, and of such a character that the insured is thereby prevented from performing any work, or following any occupation, or engaging in any business, for wages, remuneration or profit, the injuries specified in Paragraph 37 alone excepted; and must not be due to any cause or condition existing at the time of application for this policy.

37. **SPECIFIC INCLUSIONS.**—Total and irrecoverable loss of sight of both eyes, loss of both feet above the ankle, loss of both hands above the wrist, or similar loss of one foot and one hand, shall be deemed to constitute total and permanent disability.

38. **AGE LIMIT.**—Such disability must occur before the premium anniversary nearest to age sixty-five of the insured, and no benefit will be payable in the event of disability occurring thereafter.

39. **NOTICE AND PROOF.**—Notice of such disability, with the address of the insured, must be given to the Company within ninety days from the inception thereof, and due proof of same submitted on the Company's forms within one hundred and twenty days thereof, and while this policy is in force and prior to default in any premium payment.

40. **PROBATION.**—The disability claim will not vest until one year has elapsed since receipt of such proof of such disability (except in cases specified in Paragraph 37) and then only if it shall appear that the insured is still totally, permanently and incurably disabled, as defined above. During such period of one year, the payment of any premium falling due shall be waived and the policy shall continue in force as if such premium had been paid. If within said year it shall appear that the insured is not totally, permanently and incurably disabled, premiums due thereafter shall be paid according to the terms of the policy. During said year, any medical examiner, or other accredited representative of the Company, shall be permitted to examine the person of the insured in respect of the alleged disability at such times and in such manner as the Company may desire.

41. **LIMITATIONS.**—No disability benefit shall attach to any paid-up or extended insurance issued in pursuance of the nonforfeiture provisions of this policy; nor to any reversionary additions, which will be paid in accordance with the terms of the policy.

42. **SETTLEMENT.**—Payment hereunder shall be in full settlement of all claims under this policy, except as to reversionary additions as provided in Paragraph 41 above. If Settlement Option 1 or 2 shall be elected, the first instalment shall be payable when the disability claim shall vest, and further instalments shall not be commuted during the lifetime of the insured; if Settlement Option 3 shall be elected, guaranteed interest shall begin to accrue from the date the disability claim shall vest and the principal sum shall not be withdrawn during the lifetime of the insured. On receipt, after proof of disability, of due proof of death of the insured, any sums remaining unpaid shall be paid to the beneficiary, his administrators, executors or assigns if such beneficiary shall be living at the death of the insured.

43. **PREMIUM.**—The total and permanent disability benefit herein set forth is issued for the special premium stated on the first page of this policy, which is non-participating and which will not affect any of the policy values.

Said special premium will cease:

(a) On the policy anniversary nearest to age sixty-five of the insured, if prior to the completion of the premium payments required by the terms of the policy.

(b) At any time, on the written request of the insured, accompanied by the policy for endorsement, in which event the disability benefit will also cease, and the pro rata part of such special premium for the unexpired portion, if any, of the period covered thereby shall be returned to the insured.

**CASH VALUE.**—Or, instead of such extended or paid-up insurance, the cash value of this Policy, as specified in the following table, will be paid in accordance with the conditions of the Right entitled "Cash Value," as hereinafter set forth.

A Paid-up Policy will not be issued for less than one hundred dollars, but in such case the Insured will be entitled to extended insurance or the cash value of the Policy.

#### CASH AND LOAN RIGHTS.

**CASH VALUE.**—The Insured is entitled at the end of any Policy year to the cash value of this Policy as shown by the following table, and at any time during any Policy year to said cash value less interest thereon at the rate of five per centum per annum to the end of such Policy year, upon the following conditions:

- 1—Application in writing must be made to the Home Office.
- 2 This Policy must be surrendered.
- 3—It must have been in force for at least three full years by the payment of premiums in cash.
- 4—It must be in force at the date of surrender by the payment of premiums in cash, or, if not in force, surrendered within two months from the due date, without grace, of the first premium in arrears.
- 5—The cash value as shown by the following table is subject to any indebtedness hereon to the Company.

**LOAN VALUE.**—During any Policy year after the payment in cash of three full years' premiums, the Company will loan to the

Insured a sum not exceeding the cash value of this Policy at the end of said Policy year, as shown by the following table, upon the following conditions.

1—That all accrued premiums hereon have been paid in full in cash to the time the loan is made.

2—That interest at the rate of five per cent. per annum shall be paid in advance thereon to the next anniversary date of the Policy, and annually in advance thereafter until the loan is paid.

3—That this Policy shall be assigned to the Company as collateral security.

4—That the loan value as shown by the following table is subject to any indebtedness hereon to the Company, including any unpaid portion of the current year's premium.

Failure to pay any loan made upon this Policy, or interest thereon when due, shall not forfeit this Policy unless the total amount of the loan with interest thereon at said rate shall equal, or exceed, the loan value hereof at the time of such failure to pay, nor, in any event, until one month after notice that the Company will claim such forfeiture shall have been mailed to the last address known to the Company of the Insured, or the assignee hereof, if any.

**PREMIUM LOANS.**—After the premiums hereon have been paid in cash for three full years, the Company will, upon the written request of the Insured or any assignee of the Insured (revocable in writing at any time), apply annually the loan value hereof to the payment of the premiums hereon as they severally become due, except that no such application will be made unless the then loan value, after deducting all indebtedness, is sufficient to pay a full year's premium and there has been no default in the payment of premiums hereon.

The sums so applied, with interest at the rate of five per cent. per annum, payable in advance, shall constitute an indebtedness against this Policy for all purposes, and may be repaid at any time prior to default in the payment of premiums hereon.

If the premiums on this Policy are payable either quarterly or semi-annually, no such application will be made except for a full year's premium in advance at the annual rate.

#### TABLE OF VALUES.

The net value of the insurance and the cash and loan values, as shown by the following table, are based upon the payment of full year's premiums, and are each equal to the other. Each is also equal to the entire reserve upon this Policy, computed according to the American Experience Table of Mortality, with interest at the rate of three per cent. per annum, less not more than two and one-half per cent. of the amount of this Policy. If premiums are paid semi-annually or quarterly, said values (except loan value) arising upon any such intermediate payment may be determined by adding to the values for the full year next preceding such payment, as shown by said table, such portion of the increase of values for the then current year as such intermediate payment bears to the full year's premium.

If at any time there be any reversionary additions to this Policy, or if there be any indebtedness existing against this Policy, the figures in the following table will not apply, but amended figures will be furnished by the Company on demand; the amended figures will be computed in the same manner as the figures in the following table, except that the computation will be based upon the amount of insurance with reversionary additions, if any, and subject to existing indebtedness against the Policy, if any.

#### PARTICIPATION IN PROFITS.

At the end of each Policy year, so long as this Policy is in full force by the payment of premiums, the divisible surplus accruing hereon as ascertained by the Company, shall be apportioned to this Policy, such apportionment at the end of the first and second Policy years to be conditioned upon the payment of the premium for the succeeding year. Such apportioned surplus will, annually, at the option of the Insured,

- 1—Be applied in reduction of the premiums on this Policy; or
- 2—Be used to purchase reversionary additions; or
- 3—Be paid in cash; or
- 4—Be left with the Company to accumulate to the credit of the Policy, with interest at the rate of three per cent per annum, which accumulations shall be payable at the maturity of the Policy or may be withdrawn in cash at any time on demand of the Insured. Such accumulations, when sufficient for the purpose, will be applied by the Company to the payment of any premium upon this Policy, which, at the expiration of the grace thereon, may be in default, and notice of such application, with a receipt for the payment of the premium, will be mailed to the Insured.

If the Insured, on or before the anniversary date upon which the apportioned surplus for any year is payable, shall elect none of the aforesaid options, the apportioned surplus for such year shall be payable in cash.

When option 1 or 3 is elected, the receipt of the Insured shall be a valid release of the Company.

Whenever, upon any anniversary date of this Policy, the accumulations under Option 4 (if not withdrawn in cash by the Insured nor applied by the Company to the payment of premiums as

in said Option provided) or the reserve upon any reversionary additions standing to the credit of this Policy under Option 2, or both, together with the then existing reserve under this Policy, shall equal or exceed the reserve required for fully paid-up Life Insurance of the face amount of this Policy, this Policy shall, at the option of the Insured, become a fully Paid-up Participating Life Policy for its face amount; or

Whenever upon any such anniversary date, the accumulations and reserves designated above shall equal or exceed the face amount of this Policy, the Company will, at the option of the Insured, mature and pay this Policy as an Endowment Policy;

Provided the Insured shall, in either case, exercise his option by notifying the Company in writing thereof within thirty days after notice by the Company that the time for exercising such option has accrued.

#### GENERAL PROVISIONS.

If the premiums are made payable semi-annually or quarterly, that part of the full year's premium, if any, which remains unpaid when this Policy becomes a claim shall be deducted.

**PAYMENT OF POLICY.**—The amount due upon this Policy will be paid upon receipt of due proofs of death of the Insured during the continuance hereof, but any indebtedness to the Company on account of this Policy will be deducted in any payment or settlement made hereunder

**ENTIRE CONTRACT AND MISSTATEMENTS.**—This Policy and application herefor constitute the entire contract between the parties hereto, and all statements made by the Insured in the application herefor shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defense to a claim under, or avoid this Policy, unless it is contained in the written application herefor and a copy of such application is endorsed hereon or attached hereto.

**CHANGE OF CONTRACT.**—Any change in the terms or beneficiaries of this contract or waiver of any of its terms or conditions or of any forfeiture must be in writing, signed by the President, Vice President, Secretary, Assistant Secretary, Actuary or Assistant Actuary, and endorsed on the Policy. No person is authorized to make any changes in this contract or waive any forfeiture of it, except as herein provided.

Upon receipt of such assignments, one copy will be returned and the other kept on the Company's files. No responsibility for the validity of any assignment in any event will be assumed by the Company.

rights" and "Cash and Loan Rights" hereinbefore mentioned, by the Insured, shall conclusively bind the Beneficiaries in this Policy and the assigns of such Beneficiaries. All of said foregoing rights and options are mere personal rights of the insured, and are not assignable except to the Beneficiaries hereof or the assigns of such beneficiaries.

**DEFINITIONS.**—The term "Insured," whenever used in this Policy, shall be construed as meaning the person upon whose life this Policy is written; the term "Beneficiary," as meaning the person, assignees excepted, to whom the proceeds of this Policy are at the time being payable; and the term "Indebtedness" shall include any loan made by the Company, or any note given for or application of the loan value to a premium or any part thereof, on this Policy.

It is hereby agreed that the anniversary date of this Policy is March 1, 1915, from which date the Policy year shall begin and all calculations hereunder shall be computed on the same day of the month annually thereafter during the continuance of this Policy.

All the foregoing agreements and promises are made in consideration of the written and printed application for this Policy, which is hereby made a part hereof, and of the payment in advance of the sum of *Three hundred and sixty-three and 70/100 dollars*, and of a like amount payable in advance on the first day of March in every year until premiums for *twenty* complete years shall have been paid in cash, after which no further premiums will be required, said payments to be evidenced only by the production of the official receipts of the Company therefor.

PAYMENT OF PREMIUMS.—All premiums are due and payable in advance at the Home Office of the Company, in Chicago, Illinois, to the Company's authorized agents, in exchange for receipts signed by the President or Secretary, and countersigned by the agent designated therein.

Premiums are payable annually in advance, but may be paid semi-annual instalments, in advance, at the Company's table. Any unpaid part of a year's premium will be deducted in settlement of this policy.

One month's grace will be allowed upon any payment of premium after the first year, without interest. During this month the insurance shall continue in force; if the insured shall die during a month of grace, the overdue premium will be deducted in any settlement under this policy.

If any premium, or any semi-annual instalment, or any note therefor, or any indebtedness secured by this policy, shall not be paid when due, this policy shall thereupon cease, except as to the Non-Forfeiture Options hereinafter recited; provided that this policy, not previously surrendered to the Company, may be reinstated any time within three years after such default, by payment of the past due premiums, with interest at the rate of six per cent per annum, upon evidence of insurability satisfactory to the Company.

**VALUATION.**—For the first year succeeding the date hereof, the reserve value of this policy shall be computed for one-year term insurance. For subsequent years, such net premium and valuation at an age at issue advanced one year shall be computed, as will provide for the benefits and guaranties stipulated in this contract.

**EXPENSE OF MANAGEMENT LIMITED.**—The expense under this policy shall be limited to the loading provided for that purpose in the premium payable thereon, together with any mortality savings in the first policy year, except as hereinafter stated.

**EARNINGS.**—This policy shall be credited with its apportioned share of the net earnings after the first policy year, arising from the following sources: Excess interest on the reserve, gains from issued and surrendered policies and savings from mortality, less amounts paid for taxes, license fees, registration fees, medical examination and inspection fees, together with any Governmental charges for examination expenses.

**ANNUAL DIVIDENDS.**—All earnings shall be apportioned annually after the second year, and at the option of the Insured may be withdrawn in cash, applied to reduce the premiums on this policy, used to purchase additions to the sum insured, or left to accumulate at three per cent interest. If the insured shall not select any other option the dividend shall be paid in cash, on demand.

**NON-FORFEITURE OPTIONS.**—After payment of premiums for one or more full years, this policy may be surrendered within one month after default in the payment of any subsequent premium; upon such surrender the Company will grant any one of the following options:

(a) A cash payment equal to the amount of the reserve value of this policy and of any dividend additions thereto, at the time of such default, computed upon the American Experience Table of Mortality and three and one-half per cent interest, less a sum not more than two and one-half per centum of the amount insured by this policy, and less any existing indebtedness to the Company on this policy;

(b) Without such surrender the policy will automatically continue in force as a Participating Paid-Up Policy for such amount as the cash value above defined will purchase, with dividends payable annually;

(c) Upon written request of the insured and assigns, if any, made with the Company at its Home Office within one month from date of default, and endorsement hereon by the Company, this policy will be continued in force as non-participating Extended Insurance for the initial amount insured hereby for the term of years shown in the Table of Extended Insurance on page 3, except that, in case of indebtedness to the Company on this policy, the net value of such Extended Insurance shall not exceed the cash value so defined; should the cash value be greater than the Reserve value required for such Extended Insurance, such excess will be retained by the Company, payable upon surrender of this policy. If the Insured, if living at the expiration of the term of Extended

Insurance; or, on due proof of the prior death of the Insured, to the legal holder of this policy, in addition to the initial amount insured. Until the time for the payment of the amount so retained, the Company will pay to the Insured, on demand, interest equal to three per cent of the amount so retained, payable one year after the date of such lapse, and annually thereafter. Any installments of interest not so paid, shall be added to the amount retained and subsequent interest payments shall be proportionately increased.

If at the date of default there be no indebtedness on this policy, and no dividend additions thereto, the values defined in options (a), (b) and (c) are as shown in the table on page 3.

**LOANS.**—After payment of premiums for three or more years, upon written request the Insured may borrow from the Company, upon the sole security of this policy, the whole or any portion of the Cash Value of the policy at the end of the current policy year as above defined, less any existing indebtedness to the Company on this policy and subject to interest in advance at six per cent per annum to the end of the current policy year; provided that this policy be incumbered be legally assigned to the Company as security upon the Company's form of assignment for that purpose, and provide all premiums shall have been paid for the policy year in which the loan is taken. Failure to pay any such loan or the interest thereon shall not avoid the policy, unless the total indebtedness thereon to the Company shall equal or exceed such loan value; and until one month after notice shall have been mailed by the Company to the last known address of the Insured or of the assignee if any. The Company shall have the right to defer the payment of the Cash Value or the making of the Loan (unless for an amount sufficient only to pay premiums then due the Company) for a period not exceeding six months.

**SPECIAL.**—When the guaranteed cash value, together with earnings to the credit of this policy, is sufficient to provide a paid-up policy for the amount hereby insured, this policy shall become participating paid-up policy with dividends payable annually, upon the request of the Insured and endorsement hereon by the Company.

**MODIFICATIONS.**—This policy and the application therefor, copy of which is attached hereto and made a part hereof, constitute the entire contract between the parties. All statements made by the Insured shall in the absence of fraud be deemed representations and not warranties, and no such statement shall avoid this policy unless it is contained in the written application, a copy of which is attached hereto. No person, except the President, Vice President or Secretary of the Company, has power, on behalf of the Company, to make or modify this contract, to extend the time of payment of premiums, to waive any forfeiture or to bind the Company by making any promise or by accepting any representation or information not contained in the application for this policy. These powers will not be delegated, and can be exercised by its officers only in writing.

This policy shall not take effect until the first premium thereon shall have been actually paid during the lifetime and good health of the Insured.

**INDEBTEDNESS.**—Any indebtedness to the Company on account or secured by this policy, including any balance of the current year's premium remaining unpaid, will be deducted in any settlement from the amount payable under this policy, or from the Cash Value; other Non-Forfeiture Options will be correspondingly diminished. In the case of Extended Insurance, such reductions shall apply first to the amount retained by the Company and the corresponding interest, and then to the term of Extended Insurance.

Any claim under an assignment shall be subject

proof of interest. The Company will assume no responsibility for the validity of an assignment.

**CHANGE OF BENEFICIARY.**—Subject to the rights of any assignee, the Insured may, at any time, and from time to time, during the continuance of this policy, change the beneficiary, by filing at the Home Office of the Company a written request therefor (executed in duplicate), such change to take effect only when the Company's acceptance of said request shall be endorsed thereon, and also upon the duplicate, which shall be attached to this policy; whereupon all rights of the former Beneficiary or Beneficiaries shall cease. If any Beneficiary shall die before the Insured, the interest of such Beneficiary shall immediately vest in the Insured.

The Company will admit the age of the Insured at any time on satisfactory proof, but if not so admitted, and if the age is shown to have been misstated, the amount of insurance payable shall be such amount as the actual premiums would have purchased at the true age.

**LIMITATION.**—The liability of the Company shall be limited to the amount of premiums paid on this policy, if, within two years from the date hereof, the Insured shall die, either by suicide (whether sane or insane), or in consequence of his or her criminal act.

If the amount insured hereunder is less than \$1,000.00, or if there is more than one Beneficiary, the instalment options shall not apply.

A grace of one month or thirty days (whichever period is the longer) subject to an interest charge at the rate of six per centum per annum shall be granted for the payment of every premium after the first year during which time the insurance shall continue in force. If death occur within the days of grace the unpaid portion of the Premium for the then current Policy year shall be deducted from the amount payable hereunder.

**CONDITIONS.**—This Policy contains no restriction upon the Insured in respect either of travel, residence or occupation, excepting always that if within one year after the issuance of this Policy the Insured shall go within the tropics, or north of the parallel of sixtieth degree north latitude, or engage in military or naval service in time of war, the liability of the Company in case of death of the Insured shall be limited to the return of the premiums actually paid hereon; and in the event of the death of the Insured by self-destruction, whether sane or insane, within one year after the issuance of this Policy, the liability of the Company shall be only for the return of the premiums actually paid hereon.

This Policy with the application therefor, a copy of which is attached hereto, shall constitute the entire contract and shall be incontestable, except for non-payment of premiums, after one year from its date. All statements made by the Insured in said application shall in the absence of fraud be deemed representations and not warranties, and no statement shall avoid or be used in defense to a claim under this policy, unless it is contained in said application.

If the age of the Insured has been understated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age; if the age of the Insured has been overstated the Company will return the excess premium, or premiums, paid.

**NON-PARTICIPATION.**—This Policy shall not participate in the profits of the Company.

**LOANS.**—At any time while this Policy is in force after three full years' premiums have been paid, this Company will advance on pledge of the Policy and on the sole security thereof the Loan Value as stated in the Table of Loan and Surrender Values for the end of the current Policy year at the time of the loan, (such loan value being the reserve on this policy, computed according to the American Experience table of mortality with  $3\frac{1}{4}$  per cent interest, at the end of the current policy year in which the loan is applied for, less a sum not to exceed  $2\frac{1}{2}$  per cent of the amount insured under this policy), deducting from such Loan Value any outstanding indebtedness hereon, interest at six per cent per annum on such loan to the end of the Policy year, and any unpaid portion of the current year's premium. Failure to repay any such loan or to pay interest shall not avoid or be used in defense to a claim under this Policy unless the total indebtedness hereon to the Company shall equal or exceed the Cash Surrender Value at the time of such failure, nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured and of the Assignee of record, if any, at the Home Office of the Company.

**ASSIGNMENT.**—No assignment of this Policy shall be binding upon the Company unless it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity of any assignment.

**OPTIONS ON SURRENDER OR LAPSE.**—After this Policy shall have been in force three full years it may be surrendered by the owner at any time prior to any default or within three months after any default. Thereupon,

(1) If there be no indebtedness hereon to the Company the owner may elect either (a) to continue the insurance in force from the date of default for its face amount, but without participation and without the right to loans; or (b) to purchase non-participating paid-up life insurance payable at the same time and on the same conditions as this Policy. The net value of the surrender equity allowed under either option (a) or (b) shall not be less than the reserve on this policy at the date of default, computed according to the American Experience table of mortality with  $3\frac{1}{2}$  per cent interest, less a sum not to exceed  $2\frac{1}{2}$  per cent of the amount insured under this Policy. The periods for which the insurance will be continued and the amounts of paid-up life insurance which will be allowed are shown in the table of surrender values herein set forth.

Values for later years will be computed and furnished upon request. For later years the Cash Surrender Value is the entire reserve on this Policy at the date of default, computed according to the American Experience Table of Mortality, with three and one half per cent interest per annum; the loan value is the entire reserve, computed according to the same table of mortality and rate of interest, at the end of the current policy year in which the loan is applied for, there being deducted from such loan value any outstanding indebtedness hereon, interest at six per cent per annum on such loan to the end of the policy year and any unpaid portion of the current year's premium; the paid-up Life Insurance is the equivalent of such cash surrender value upon the basis of the single premium at the attained age of the Insured, and the paid-up continued insurance is the equivalent of the American Experience three and one-half per cent reserve at the time of default, less a sum not to exceed two and one-half per cent of the amount insured.

by this Policy, on the basis of the net single premium under the above table and rate of interest at the attained age of the Insured.

(2) In computing values both for the period covered by the Table of Loan and Surrender Values and for later years, if there be an indebtedness hereon to the Company, it shall be deducted from the amount which otherwise would be applicable as a surrender value to the purchase of temporary insurance for the period aforesaid, and the owner may elect either to have the remainder applied (a) to continue the insurance in force from the date of default without participation and without the right to loans for the face amount of this Policy less the indebtedness, or (b) to purchase a proportionate amount of non-participating paid-up life insurance.

If in the event of any default in the payment of premium or otherwise, after the Policy shall have been in force three full years, the owner shall not exercise either of said options within three months after such default, the insurance shall be continued as provided by option (a) in either paragraph (1) or (2).

**CASH VALUES.**—After premiums have been paid on this policy for three full years, it may be surrendered to the Company within thirty-one days after default in the payment of any subsequent premium for the Cash Value as shown in the Table of Loan and Surrender Values herein set forth, less any existing indebtedness to the Company on this Policy.

The Surrender Values under Policies with Quarterly or Semi-Annual premium payments will be calculated upon the same basis as the Surrender Values at the end of the preceding full Policy year, allowance being made for the total premiums paid.

**REINSTATEMENT.**—Unless surrendered for cash, this Policy upon evidence of insurability satisfactory to the Company may be reinstated within three years after any default in the payment of premiums, by payment of arrears of premiums with interest at the rate of six per centum per annum, together with interest at the same rate on any indebtedness to the Company which existed at the date of such default, and with reinstatement or payment of such indebtedness.

**MODES OF SETTLEMENT.**—The Insured or the owner, or the beneficiary after the Insured's death, in case the Insured shall have made no election, may by written notice to the Company at its Home Office, elect to have the net sum payable under this Policy upon the death of the Insured paid either in cash or as follows:

(1) By the payment of an annuity equal to three and one-half per centum of such net sum payable at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said net sum, together with any accrued portion of the annuity for the year then current, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.

(2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each one thousand dollars of said net sum.

(3) By the payment of equal annual instalments payable at the beginning of each year for a fixed period of twenty years and for so many years longer as the beneficiary shall survive, in accordance with the following table for each one thousand dollars of said net sum.

Any instalments payable under (2) or (3) which shall not have been paid prior to the death of the beneficiary shall be paid, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.

When any option calling for annual payments is elected, this Policy shall be surrendered upon its maturity and a supplementary non-participating contract shall be issued for the option elected.

Unless otherwise specified by the owner or by the beneficiary in making such election, the beneficiary may at any time surrender the contract guaranteeing the payment of instalments, for the commuted value of the payments yet to be made, computed upon the same basis as option (2) in the following table; provided that no such surrender and commutation will be made under option (3) except after the death of the beneficiary occurring within the aforesaid twenty years:

DISABILITY PRIVILEGE.

In consideration of the payment of the premium of \$2.50 with each annual premium payable under the above numbered policy and subject to the terms hereof, The United States Life Insurance Company in the City of New York hereby grants the following FINAL AND PERMANENT DISABILITY PRIVILEGE:

1. If the Insured, after the policy has been in force for one full year, while he is under sixty years of age, and while said policy is in full force and effect, shall become totally and permanently disabled by accident or disease and shall furnish due proof that he is physically or mentally incapacitated to such an extent that he is rendered wholly and permanently unable to engage in any occupation or to perform any work for any kind of compensation of financial value, and if such disability has then existed for not less than sixty days, the Company will, upon receipt of said proof, waive the payment of any premium or premiums that may become payable thereafter under said policy during such disability, and in such case the values in the table of loan and surrender values shall be the same as if the premiums were being paid by the Insured. No deduction on account of said waiver shall be made in any payment under the policy.

2. If the Company accepts proof of disability under said policy, it shall, nevertheless, have the right at any time thereafter to demand of the Insured proof of the continuance of such disability and to make any examinations it deems necessary, and if the Insured shall fail to furnish such proof or refuse to permit such examinations, or if it appears at any time that the Insured has become unable to engage in any occupation whatsoever for remuneration or profit, all premiums thereafter falling due shall be paid in conformity with the policy. The Insured agrees to keep the Company informed of every change in his address and residence, and to give immediate notice should he recover from his total disability.

3. Failure to pay any premium under this Disability contract when and as it becomes due, shall render this contract null and void from the date when such payment became due.

THE VOLUNTEER STATE LIFE INSURANCE  
COMPANY.

In Consideration of the application for this Policy, which is hereby made a part of this contract, and endorsed hereon and of the payment in the manner specified of the premium herein stated, THE VOLUNTEER STATE LIFE INSURANCE COMPANY hereby insures the life of *Andrew Jackson*, of *Hermitage* County of *Davidson*, State of *Tennessee*, for the amount herein named, payable as specified and subject to all privileges and provisions contained herein.

The amount of insurance is *Ten Thousand* Dollars, payable in one sum at the Home Office of the Company in *Chattanooga*, *Tennessee*, upon receipt of due proof of death of the insured and surrender of this Policy, properly receipted, unto *Rachel Donelson Jackson*, (wife), if living; if not to the Executor Administrators, or Assigns of the Insured.

This insurance is issued for a term of one year from the 21st day of *March* 1912, and is based upon the payment of *Three Hundred Sixty-four and 30/100* Dollars on the delivery of the Policy as the premium for one year's insurance, and in consideration of one full year's premium being paid, this contract shall be continued as a Limited Payment Life Policy upon the further payment of *Three Hundred Sixty-four and 30/100* Dollars on or before the 21st day of *March* in each and every year thereafter until premiums for *twenty* full years from the 21st day of *March*, 1912, shall have been paid, or until death should it sooner occur, at which time, subject to its terms, shall become full paid insurance.

All premiums are payable at the Home Office of the Company in *Chattanooga*, *Tennessee*, or as provided under the heading "Provisions" on third page hereof.

PARTICIPATION.—This Policy shall participate in the surplus earnings of the Company apportioned and accruing to policies in this class, and its proportion of the divisible surplus shall be ascertained by the Company and distributed at the end of each five-year period from date hereof, provided the Policy be then in full force. Such dividend may be withdrawn in cash, applied to purchase a paid-up addition to the Policy, or to reduce the premium hereon. Unless the insured shall notify the Company in writing within three months from the end of each dividend period, which mode of settlement is desired, the Company reserves the right to make the selection.

## PRIVILEGES.

**CASH LOANS.**—The Company will, at any time after three full years' premiums have been paid, advance upon the sole security of this Policy, when legally assigned, a sum equal to the amount specified in the table below, plus the full legal reserve on all dividend additions apportioned and credited hereon, less any indebtedness to the Company on account of this Policy. The interest on such loan shall not exceed six per cent per annum and shall be payable annually in advance.

Failure to repay any such loan or to pay the interest thereon or to pay any loan and interest under the automatic loan clause shall not void this Policy unless the total indebtedness to the Company on account of this Policy shall equal or exceed the then total loan value at such time of failure, nor until one month after the Company shall have mailed notice of such fact to the last known address of the insured, also to the assignee, if any.

**AUTOMATIC PREMIUM LOANS.**—In the event the insured should, at any premium date, or within the days of grace thereafter, after three full years' premiums have been paid hereon, fail to pay or cause to be paid the then current premium, if the Policy be not surrendered by the insured with a choice of one of the options herein guaranteed, and if, at the time of the non-payment of premium there is a loan value hereon in excess of all indebtedness that may then exist against the Policy together with interest, the Company will apply such available loan value towards the payment of the premium then due, with interest thereon at a rate not exceeding six per cent (6%) per annum, chargeable annually in advance; and will continue to carry said Policy in force, in the form as written and at the rate of premium as provided for in the face hereof, subject to its terms and such indebtedness, the same as if the premium had been paid in cash, and will continue to so apply such loan value as long as such value, at the rate of premium provided in the face hereof, will suffice to pay for even one day's premium. At any time while this Policy is thus in force the insured may resume payment of premiums thereon without medical re-examination, and in that event, any indebtedness against the Policy may either be paid in cash or allowed to remain as a loan hereon. All such indebtedness shall be a first lien on the Policy, and the Policy will lapse unless premium payments are resumed by the insured within the actual period of extension.

**OPTIONS ON SURRENDER OR LAPSE.**—After this Policy shall have been in force three full years, it may be surrendered to the Company at any time prior to default in premium payment, or within the days of grace thereafter, and as a full consideration therefor, one of the following options may be accepted:

1. **CASH SURRENDER VALUE.**—Accept the cash value indicated by the following table, plus the full legal reserve on all dividend additions apportioned and credited hereon, less any indebtedness to the Company on account of this Policy; or,

2. **PAID-UP LIFE POLICY.**—Accept a non-participating Paid-up Life Policy for the amount indicated by the following table, plus all dividend additions apportioned and credited hereon, payable at the same time and on the same conditions as this Policy; provided, however, that if there be any indebtedness to the Company on account of this Policy, the amount of such Paid-up Life Policy will be reduced in the proportion that the total indebtedness bears to the then total cash surrender value; or,

3. **PAID-UP TERM POLICY.**—Accept a non-participating Paid-up Term Policy without the right to loans for the full amount insured by this Policy, plus all dividend additions apportioned and credited hereon, to be dated on the day to which premiums have been duly paid and to continue in force for the term indicated by the following table; provided, however, that if there be any indebtedness

the Company on account of this Policy, the amount of such Paid-up Term Policy shall be the face value of this Policy, plus all dividend additions hereon, less the amount of such indebtedness, and the term for which such Paid-up Term Policy shall run shall be changed to that term for which the cash surrender value of this Policy herein specified, after deducting such indebtedness, will carry the modified amount at the single premium term rates of this Company.

Values for later years will be computed on the same basis and furnished upon request.

The reserve maintained on this Policy and the loan and surrender values in the above table are based upon the American Experience Table of Mortality with interest at the rate of three and one-half per cent (3½%) per annum.

INSTALLMENT OPTION OF SETTLEMENT.—The amount insured under this Policy is payable in one sum, but if the amount payable be not less than \$1,000.00, it may at the option of the insured or beneficiary be made payable instead in either five, ten, fifteen, or twenty equal annual instalments. The amount of such instalments shall be based upon the amount insured under this Policy, together with any paid-up additions hereon, and shall be determined from the table opposite.

The first instalment shall be payable at the same time the original amount would have been payable under this Policy, and subsequent instalments shall become payable on succeeding anniversaries of the payment of the first instalment and continue until all of said instalments shall have been paid.

Unless the Company shall have been otherwise directed by the insured in writing, all unpaid instalments, at the time any instalment is due, may be commuted at the rate of three per cent per annum, compound interest, and the equivalent withdrawn in one sum.

## SPECIAL PRIVILEGES.

**GRACE IN PAYMENT OF PREMIUMS.**—In the payment of any premium under this Policy, except the first, a grace of one month will be allowed, during which time the Policy will remain in force. If death should occur within the month of grace, the unpaid premium for the current year will be deducted from the amount payable hereunder.

**TOTAL AND PERMANENT DISABILITY.**—Should the insured, after having paid the premium for at least one full year, and sixty days before any subsequent premium is due, and before attaining the age of sixty years, furnish proof satisfactory to the Company that he has become wholly disabled by bodily injury or disease, while this Policy is in force, so that he is and will be permanently, continuously, and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, the Company will, by endorsement hereon, agree to pay for the insured subsequent premiums hereon as they fall due during such total disability. Any premiums so paid by this Company shall not be deducted from the sum payable under the Policy, or from the loan and surrender options herein provided for, but such values shall increase as though the premiums were actually paid by the insured in cash; provided that satisfactory evidence of such continued total disability be furnished on or before each annual premium due date in lieu of payment of premium, and that the insured shall, at any time, on demand, furnish the Company satisfactory proof of the continuance of such disability, and shall, on request, submit to be examined by a physician named by the Company, and if the insured shall fail to furnish such proof, or if it shall appear to the Company that the insured is able to perform any work or to follow any gainful occupation, then all premiums thereafter falling due must be paid in conformity with this contract.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision, and not subject to further proof of disability.

**REVIVAL OF POLICY.**—If this Policy be lapsed for non-payment of premium, it may be revived any time after the date of lapse upon written application and the payment of arrears of premiums, with interest at a rate not to exceed six per cent per annum; provided, however, that evidence of the insurability of the insured satisfactory to the Company be furnished to the Company and its approval expressed all according to its usage and requirements in such cases. In the event of the revival of this Policy, the loan value hereon will be the same as if it had never lapsed, and the full amount thereof, less any indebtedness, will be available as a loan in the payment of arrears.

**CHANGE OF BENEFICIARY.**—The insured may, at any time while this Policy is in force, by written notice to the Company at its Home Office, change the beneficiary or beneficiaries under this

Policy, such change to take effect only upon the endorsement of the same on the Policy by the Company, whereupon all rights of the former beneficiary or beneficiaries shall cease; provided, however, that no such change of beneficiary shall be valid if the Policy or any interest therein be assigned at the time of such change.

**CHANGE IN POLICY FORM.**—This Policy may be changed at any time while in force, and not assigned, for any other form of Policy issued by the Company at the time of such exchange, provided the amount of insurance is not increased nor the premium rate lowered, and provided that the difference in past premiums, with interest at a rate not to exceed six per cent (6%) per annum is paid on such difference between the premium rate of the Policy exchanged and the Policy applied for. Such exchange may be made without medical examination, and the new Policy shall bear the same date as this Policy.

#### PROVISIONS.

**PAYMENT OF PREMIUMS.**—The premiums on this Policy are payable in advance. If the premiums be made payable in quarterly or semi-annual instalments, any instalments of the annual premium for the current year remaining unpaid at the maturity of the Policy shall be considered an indebtedness to the Company on account of this Policy. Premiums are payable at the Home Office of the Company, but may be paid to an authorized agent of the Company on or before the dates when due, in exchange for official receipts signed by the President, Vice President, or Secretary, and countersigned by such agent. If any premium be not paid when due, the liability of the Company shall be only as hereinbefore provided.

**INDEBTEDNESS.**—Any indebtedness to the Company on account of this Policy will be deducted from any payment or payments in any settlement under this Policy.

**MODIFICATIONS, ETC.**—No condition, privilege, or provision of this Policy can be waived or modified in any case except by an endorsement hereon signed by the President, one of the Vice Presidents, the Secretary, the Assistant Secretary, or the Actuary. No agent has power on behalf of the Company to modify this contract of insurance, to extend the time for paying a premium, to waive any forfeiture, or to bind the Company by making any promise or representation.

**ASSIGNMENT.**—No assignment of this Policy shall be binding on the Company unless such assignment shall be in writing and acknowledged under oath, and the original or a certified copy thereof filed with the Company at its Home Office and its receipt duly acknowledged. The claims of any assignee shall be subject to proof of insurable interest and the Company will not assume any responsibility for the validity of any assignment.

**SUICIDE.**—Suicide within two years from the date of this Policy, whether the insured be sane or insane, is a risk not assumed by the Company, but in case of such suicide the Company will return the premiums actually paid in cash.

**INCONTESTABILITY.**—This Policy shall be incontestable after two years from its date except for non-payment of premium and engaging in Military or Naval Service in time of War, for which written permission must be obtained from the Company.

**MISSTATEMENT OF AGE.**—If the age of the insured has been misstated, the amount payable under this Policy shall be the amount of insurance which the premiums paid would have purchased at the correct age of the insured.

20-PAYMENT LIFE ANNUAL DIVIDEND POLICY  
WITH DISABILITY PROVISION.

No. 99999.

AMOUNT, \$10,000.

AGE, 35

PREMIUM, \$364.00

WEST COAST-SAN FRANCISCO LIFE INSURANCE  
COMPANY.

SAN FRANCISCO, CALIFORNIA.

AGREES TO PAY *Ten Thousand* Dollars at the Home Office of the Company, in San Francisco, California, as follows:

To *Alice Doe, wife*, the beneficiary of the insured, immediately upon receipt of due proofs of the death of the insured, during the continuance of this policy, with right on the part of the insured to change the beneficiary.

The insured, *John Doe*, of *San Francisco*, State of *California*

TOTAL AND PERMANENT DISABILITY.

The Company will pay the premiums on this policy beginning with the next annual premium following the receipt of satisfactory proof of the total and permanent disability of the insured, provided that such total and permanent disability is due solely and entirely to bodily injuries or disease occurring while this policy is in full force, and before the insured has attained the age of sixty years and that such disability is such as to prevent the insured then and at all times thereafter from engaging in any gainful occupation. If the insured shall recover so as to be able to engage in any gainful occupation, the Company's obligations to pay further premiums hereon shall cease and the insured shall be required to pay all future premiums becoming due hereon after the date of such recovery. Any such premiums paid by the Company shall not be liable hereon and the Guaranteed Values shall continue to increase and progress from year to year in the same manner as if the insured had paid the premiums hereon.

The loss of the entire sight of both eyes by removal or disease or of the use of both hands or both feet or of the use of one hand and one foot, will be deemed total and permanent disability within the meaning of this provision. The insured may cancel this Total and Permanent Disability Benefit at any time prior to attaining the age of sixty years and thereupon the premium on this policy will be reduced by fifty cents per annum per thousand dollars of insurance.

This insurance is granted in consideration of the application herefor and of the payment of *Three Hundred Sixty-four and no-100* Dollars on *April 21st, 1916*, as the premium for one year term insurance and of the payment of a like sum on or before the anniversary of the same date in every year during the continuance of this policy until premiums for twenty full years shall have been paid hereon. The benefits and provisions on the succeeding pages of this policy are made a part hereof.

In Witness Whereof, THE WEST COAST-SAN FRANCISCO LIFE INSURANCE COMPANY has caused this policy to be executed at the City of San Francisco, as of the *Twenty-first* day of *April, 1916*  
GORDON THOMPSON, *Secretary*. C. O. G. MILLER, *President*

BENEFITS AND PROVISIONS.

All premiums hereon are due and payable at the Home Office of the Company in the City of San Francisco, but may be paid at

agents of the Company producing receipts signed by the President, a Vice-President, Secretary or Assistant Secretary and countersigned by such agents. The annual premium hereon may be paid in semi-annual or quarterly instalments at the premium rates in use by the Company at the date hereof, covering one-half year or one-quarter year, for which said instalment is paid, but no longer. In case of the death of the insured, any premium or instalment of premium falling due during the current policy year shall be deducted from the payment hereunder. This policy shall lapse if any premium is not paid as herein provided and no right hereunder shall exist except as herein expressly provided. Thirty days' grace without interest shall be allowed in payment of any premium after this policy has been in force one year.

**DIVIDENDS.**—After three years from the date of this policy, upon payment of the fourth year's premium, and upon payment of accruing year's premium thereafter, it shall share annually in the surplus earnings apportioned by the Company. Each dividend so apportioned may be used in reduction of the premium then payable, but if not so used shall be converted into a non-participating paid-up addition to the policy.

**RESERVE BASIS.**—The reserve basis used in computing the premiums and values under this policy is the American Experience Table of Mortality with interest at three and one-half per cent, and any value which may be given under the policy, including those tabulated herein, shall be at least the equivalent of the entire net reserve of this policy, less a surrender charge of not more than the amount allowed by the laws of the State in which this policy shall be delivered.

**REINSTATEMENT.**—Should this policy lapse for the non-payment of any premium, it may be revived at any time by the insured furnishing evidence of insurability satisfactory to the Company, and the payment of all premiums and other indebtedness in arrears hereon, with interest at the rate of six per cent per annum.

**CHANGE OF BENEFICIARY.**—When the right to change the beneficiary has been reserved, or in case of the death of any beneficiary, the insured, if there be no existing assignment of the policy made as herein provided, may, while the policy is in force, designate a new beneficiary by filing written notice thereof at the Home Office of the Company, accompanied by the policy for suitable endorsement thereon. Such change shall take effect when endorsed on the policy by the Company and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall vest in the insured. The insured may, without the consent of the beneficiary, except in the case of a permanent beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the insured by this policy.

**INCONTESTABILITY.**—This policy shall be incontestable after one year from date of issue except for non-payment of premium.

**ASSIGNMENT.**—This policy may be assigned, provided application for such assignment be made upon the Company's forms in duplicate and both copies sent to the Home Office, where one will be filed and the other returned to the insured. The Company will assume no responsibility for the validity of any assignment.

**AUTOMATIC EXTENDED INSURANCE.**—At any time after three full years' premiums have been paid hereon, if this policy shall cease and become void by the non-payment of any premium when due, the Company will, without any action on the part of the insured, extend the insurance provided herein for its face amount, as Non-Participating Term Insurance, for the period shown in the table endorsed hereon, provided, however, that any indebtedness to the Company under this policy shall be deducted from the cash value, and the remainder used as a basis of a new computation of extended insurance.

**CASH VALUE AND PAID-UP INSURANCE.**—In lieu of said Auto—

matic Extended Insurance, the insured, upon written application and satisfactory release and surrender of this policy within two months, may procure either the Cash Value of Paid-up Non-Participating Insurance as similarly stated in the table endorsed hereon.

**LOANS.**—After three years' premiums have been paid hereon the insured, on the sole security of this policy properly assigned may borrow at the interest rate of six per cent. per annum an amount not exceeding the Loan Value shown in the table endorsed hereon, interest to the next anniversary of the policy being payable in advance. If interest is not paid when due, it shall be added to the existing loan and bear interest at the same rate. Except in case of a loan for the purpose of paying premiums then due the Company, payment of Cash or Loan Values may be deferred for ninety days after the application therefor.

**INDEBTEDNESS.**—Any indebtedness to the Company on this policy shall be deducted upon settlement of any claim hereunder. If there be any such indebtedness, the Cash and Loan Values shall be diminished thereby, and the Paid-up Insurance shall be proportioned to the Cash Value so diminished.

**POLICY THE ENTIRE CONTRACT.**—This policy, together with the application, a copy of which is attached hereto, contains the entire contract between the parties hereto, and all statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy or be used as a defense to a claim thereunder, unless it be contained in the application for the policy. Only the President, Vice-President, Secretary or Actuary (and they only in writing signed by them), have power in behalf of the Company to issue permits, or make or modify this or any contract, or to extend the time for making any premium payment, and the Company shall not be bound by any promise or representation heretofore or hereafter given by any person other than the above-named officers, and by them only in writing and signed as stated.

**MILITARY OR NAVAL SERVICE.**—Engaging in any military or naval service within one year from date of issue, except in time of peace, is not a risk assumed under this policy, unless the Company shall have first issued a written permit.

**PROOFS OF DEATH AND ADMISSION OF AGE.**—Proofs of death of the insured shall be made on the forms prescribed by the Company and no suit under this policy shall be sustainable unless commenced within one year from the date of the death of the insured. The Company will admit the age of the insured upon satisfactory proof; failing such proof, if the age shall have been misstated, the amount payable hereunder shall be the amount of insurance which the premium paid would have purchased at the correct age of the insured.

**GUARANTEED OPTION—CHANGE OF PLAN.**—This policy may, at the option of the insured, at any anniversary of its date of issue, and without medical re-examination, be exchanged for any other form of policy issued by the Company, provided the amount of insurance under such policy shall not be greater or the rate of premium less than under this policy, and provided application for such change be made in writing to the Company, and the first premium on the new policy be paid while this policy is in force. Such change may be effected in one of the following methods, to-wit:

First. The Company will issue a new policy, to date concurrently with the date of exchange, in which case the entire net

reserve value of this policy will be applied toward the payment of premiums on the new contract; or,

Second. The Company will issue a new policy, to date concurrently with the original issuance of this contract, upon payment by the insured of the difference between the annual premiums on the two policies, with interest thereon compounded at six per cent per annum from the beginning of the policy.

**GUARANTEED ANNUITY OPTIONS.**—If this policy shall have been maintained in full force and all premiums as they fall due hereunder paid in full, and there be no existing indebtedness under the policy, the Company guarantees on surrender of this policy: (1) At the end of 20 years from the date hereof, or (2) on attainment of age 65, to issue to the insured, in lieu of all other benefits hereunder, an annuity bond guaranteeing for life the following annuities, first payments payable respectively on the dates specified:

1. \$479.60 annually or \$234.80 semi-annually. First payment April 21st, 1937.

Or 2. \$795.10 annually or \$396.40 semi-annually. First payment March 20th, 1947.

**NOTICE.**—The insured is requested to read carefully the copy of his application hereto attached, and to notify the Company by a letter addressed to its Home Office of any mistake or erroneous statement therein contained.

(2) That no knowledge of any person and no statement made or given by or to any person shall bind the Company or in any manner affect its rights unless such knowledge and statement are set forth in writing in this application? (3) That no policy issued hereunder shall take effect until the first premium shall have been paid and accepted by said Company or its authorized agent and such policy delivered to and accepted by you while you are in good health? (4) That unless written permission is first expressly granted by the Company no policy shall be valid if during the first year following its date you engage in any of the following extra hazardous occupations or employments: submarine labor, aeronautic ascensions, manufacture or handling of any highly explosive substance. TOTAL DISABILITY BENEFIT.

After one full annual premium shall have been paid, and before default in payment of any subsequent premium, if due proofs shall be furnished to the Company that the Insured has become wholly disabled by bodily injuries or disease, and will be permanently, continuously and wholly prevented thereby for life from pursuing any and all gainful occupations, the Company will agree, by endorsement in writing on this contract, to pay the face amount of insurance under this policy, in twenty equal annual instalments, or ninety-three per cent. of the said face amount in fifteen equal annual instalments, or eighty-five per cent. of the said face amount in ten equal annual instalments to the Insured or the executors of the Insured, and will continue to make annual payments of the same amounts during the life of the Insured, after the said twenty, fifteen or ten instalments shall have been paid; the said instalments and payments to be in lieu of all other benefits under this policy. This policy is absolutely free from conditions or restrictions as to Residence, Occupation, Travel or Place of Death, from the date of its issue. Neither a permit nor extra premium will be required for military or naval service in time of war, or in time of peace.

## GUARANTEED VALUES AND BENEFITS UNDER THIS POLICY.

**GRACE IN PAYMENT OF PREMIUMS.**—After this policy shall have been in force one year, thirty-one days of grace (without interest) will be allowed in payment of premiums, during which time the policy shall remain in full force.

**AUTOMATIC EXTENDED INSURANCE.**—If any premium shall not be paid on or before the date when due, the full amount of insurance hereunder will, without action upon the part of the Insured, automatically continue from said due date as term insurance, during the term, including the period of grace, specified in column three of the accompanying table.

**LOANS.**—At any time after two full years' premiums shall have been paid, and while this policy is in force, the Company will advance, on the execution of a proper loan agreement and upon proper assignment and delivery of this policy and on the sole security thereof, an amount which, with interest thereon to the end of the current policy year, shall be equal to, or at the option of the owner less than, the cash value at the end of said year, as shown in column one of the table of values given below; any existing loan hereon with accrued interest, and any unpaid portion of the premiums due or to become due during the said policy year and interest on the said loan to the end of the said year, shall be paid out of such advance. Interest on the loan will be at the rate of five per cent. per annum, payable at the end of each policy year and this interest, if not paid annually, shall be added to the existing loan and shall bear interest at the same rate. Failure to repay any such advance or to pay interest shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value at the time of such failure, nor until on month after notice shall have been mailed by the Company to the last known address of the Insured or of the Assignee of record, if any, at the Home Office of the Company.

**PAID-UP INSURANCE.**—In lieu of the automatic term insurance the Company will endorse on this policy the amount of paid-up life insurance, if any, specified in column two of the accompanying table, upon written request therefor made by the Insured within six months from said due date.

**CASH VALUE.**—Upon written request, and on surrender of the policy, the Company will pay the cash value, if any, specified in column one of the accompanying table, which is the net value of the extended or paid-up insurance stated above. If any indebtedness to the Company on account of this policy shall exist at the time the above values become available, such indebtedness shall reduce the amount of the said loan, cash or paid-up values,

shall shorten the extended insurance period, which values or period shall then be adjusted on the basis originally used in their calculation. The cash value and the net value of the term insurance and paid-up insurance specified above shall not be less, at the time the same become available, than the reserve on the policy at the end of the year for which premiums are paid, less a sum not greater than two and one-half per cent. of the amount insured under this policy.

In case of default in payment of a premium due at an intermediate period, the above values will be computed on the same basis as the corresponding values for the end of the policy year last expired. Values for subsequent years not shown above will be based on the full reserve on this policy, and will be furnished on request of the Insured.

ANNUITY OPTIONS.—(1) At the end of twenty years from date hereof, or, (2) on the anniversary nearest the age of 65 of the Insured, if this policy be then in force for the face amount of insurance hereunder, and the extended insurance provision therein shall not have become operative, and no indebtedness to the Company on account of this policy shall exist, an annuity policy, in lieu of all other benefits hereunder, will be issued by the Company on surrender of this policy, guaranteeing an income payable annually to the Insured during his or her life, of the amounts stated below, the first payment thereof to be made on the following dates:

- (1) \$470.00; on the first day of April, 1935; or
- (2) \$830.00; on the first day of April, 1945.

No fractional part of any annuity payment hereunder shall be payable on the death of the Insured.

REINSTATEMENT PRIVILEGE.—At any time after default in payment of any premium hereon, or after any non-forfeiture or surrender value option except cash surrender value herein given shall have been taken, this policy may be reinstated to its original form and amount on payment to the Company of arrears of premiums with interest at the rate of five per cent. per annum; provided, that such reinstatement shall require evidence of insurability satisfactory to the Company. The first year's insurance under this policy is term insurance.

CHANGE OF BENEFICIARY.—When the right of revocation has been reserved, or in case of death of any Beneficiary under either a revocable or irrevocable designation, the Insured may at any

and from time to time, subject to any existing assignment of the policy and during its continuance, name a new Beneficiary with or without right of revocation, by filing written notice thereof at the Home Office of the Company, accompanied by the policy for a suitable endorsement thereon, whereupon all rights of the former Beneficiary shall cease. If there be no Beneficiary living at the death of the Insured, the proceeds of this policy shall be paid to the executors, administrators or assigns of the Insured.

## GUARANTEED COUPON OPTIONS.

OPTION 1.—Beginning with the second year, the annual premiums payable hereon may be reduced by the amount shown on the coupons attached hereto and the Company will accept, on the dates thereon, or within thirty-one days thereafter, the said coupons in partial payment of the annual premium then due.

OPTION 2.—If the premium for the year commencing on the date of any coupon shall have been paid in full in cash without use of the said coupon, the amount shown thereon shall be placed to the credit of the policy on the said date, and interest thereon compounded annually at the rate of three and one-half per cent. shall also be credited from the same date; any part of the amount so credited may be withdrawn by the Insured at any time and interest on the amount so withdrawn shall then cease. Any balance remaining to the credit of the policy under this option shall be paid in cash by the Company to the Insured or Beneficiary in any settlement thereunder.

OPTION 3.—If all premiums due hereon shall have been paid in full in cash, and all of the amounts credited as in Option 1 shall have remained with the Company, the Insured shall have the option, at the end of fifteen years from the date of the policy, of surrendering the accumulated amount of the coupon and interest credits to the Company, whereupon this policy shall become full

paid-up, and endorsement to that effect shall be made by the Company on the policy on presentation thereof at its Home Office.

**OPTION 4.**—If all premiums due hereon shall have been paid in full in cash, and all of the amounts credited as in Option 2 shall have remained with the Company, at the end of thirty-one years from date of the policy, it may mature as an endowment, and the amount thereof shall then be paid in cash to the Insured.

Any balance of coupon accumulations above the amount necessary at net single premium rates to make the policy paid-up, or to mature it as an endowment for its face amount, under the above options, shall be paid in cash to the Insured.

**OPTION 5.**—If the premium for the year commencing on the date of any coupon shall have been paid in full in cash without use of the said coupon, the amount shown thereon may then, on written request of the Insured, and on surrender of the coupon, be applied by the Company as a single premium, at the Company's rates now in force, and at the age of the Insured at that time, to purchase additional paid-up non-participating life insurance, without medical examination. Such additional insurance may be surrendered on any subsequent anniversary of the policy for its legal cash surrender value, or the said value may be applied to reduce any subsequent premium, or drawn in cash by the Insured.

The said additional insurance may be applied, on any policy anniversary, to increase the paid-up value, or its cash value applied to increase the cash or loan values, under this policy. If the extended insurance specified on the second page hereof shall have become operative, any said additional paid-up insurance remaining in force shall be paid to the Beneficiary hereunder with the face amount of the policy if the Insured shall die before the end of the extension period, or the cash surrender value of such remaining additional insurance shall be paid to the Insured, if living, on the expiration of the extended insurance period, or said value may previously be paid to the Insured on demand. The cash or paid-up values, increased under this option, and the accumulated coupon amounts under Option 2, are shown in the following table:

**SETTLEMENTS UNDER COUPON OPTION 2, END OF TWENTY YEARS.**

If all premiums on this policy shall have been paid in full, and all coupon accumulations shall have remained with the C

pany until the end of twenty years, as in Coupon Option 2 herein, and no indebtedness to the Company on account of the policy exists, the Insured may then have the choice of one of the following options on surrender of this policy:

- (1) Receive in cash \$7,739.70.
- (2) Receive a policy of paid-up life insurance of \$10,000.00, and cash \$2,079.70.
- (3) Receive a policy of paid-up life insurance of \$13,670.00.
- (4) Receive a paid-up policy guaranteeing a life annuity, first payment at the end of one year, of \$650.00.

Option (3) shall only be available on receipt of evidence of insurability satisfactory to the Company.

#### GENERAL PROVISIONS.

(1) No Agent can make, alter or discharge this policy or extend the time for payment of premiums, nor can the policy be varied or altered or its conditions waived or extended in any respect, except by the written agreement of the Company, signed by the President or Secretary, whose authority will not be delegated. (2) If the age of the Insured shall have been incorrectly stated in the application for this policy, the amount payable hereunder shall be the insurance which the actual premium paid would have purchased at the true age of the Insured, unless a different method of adjustment be required by the laws of the State in which this policy shall be delivered. (3) If any premium shall not be paid on or before the date when due, the liability of the Company hereunder shall be only as hereinbefore provided. (4) No assignment hereof shall be binding upon the Company unless made by an instrument in writing endorsed upon this policy or attached hereto, nor unless a duplicate shall be furnished to the Company forthwith upon its execution. The Company shall not be held responsible for the validity of any such assignment. Any claim made under an assignment shall be subject to proof of interest and extent thereof. (5) Any indebtedness to the Company, including any balance of the premium for the insurance year remaining unpaid, will be deducted in any cash settlement of this policy or will reduce, proportionately, any other benefit thereunder. (6) The reserve on this policy shall be computed, for purposes of policy valuation and calculation of premiums and loans and surrender value benefits, by the first year preliminary term method, on the basis required by the laws of the State in which this policy shall be delivered, and the American Table of Mortality and three and one-half per cent. interest. (7) This policy and application therefor (a copy of which application is attached hereto) constitute the entire contract between the parties thereto. All statements of the Insured in the said application shall, in the absence of fraud, be deemed representations and not warranties, and no such statements shall avoid this policy unless it be contained in the written application therefor and a copy of such application be attached to the policy when issued.

**THIS POLICY IS INCONTESTABLE AFTER ONE YEAR,** if all premiums shall have been duly paid. In case of suicide of the Insured, committed while sane or insane, within one year from the date on which this insurance begins, the limit of recovery hereunder shall be the total amount of the premiums paid.

**PREMIUMS.**—The consideration for this insurance and all benefits hereunder shall be the declarations, answers and agreements made in the application for this policy, which is made a part hereof, and the payment of Three Hundred Eighty-three and 40-100 Dollars in advance before this contract shall take effect, which sum consists of the initial reserve at the date of this policy and the term premium for an insurance terminating on the first day of April, 1915.

In consideration of the said application and the payment to the Company of a like amount in the succeeding nineteen years or until the prior death of the Insured, at the Home Office of the Company on or before the same days, or upon the presentation of a receipt for the said amounts signed by the Secretary of the Company and countersigned by an authorized agent of the Company, this contract shall be renewed and continued until the death of the Insured.

The Insured shall have the privilege, on written request and on any anniversary of the date of this policy, of paying the premiums hereon semi-annually or quarterly, and such semi-annual premiums shall be fifty-two per cent. and such quarterly premiums twenty-six and one-half per cent. of any annual premium payable hereunder.

In Witness Whereof, WESTERN STATES LIFE INSURANCE COMPANY has caused this policy to be signed by its President and Secretary, at the Home Office of the Company at San Francisco, California, this *first day of April, 1914.*

FREDERIC S. WITHINGTON,  
*Secretary.*

WARREN R. PORTER,  
*President.*

#### OPTIONS AT THE DEATH OF THE INSURED.

The Insured, by written notice to the Company, at its Home Office, and with the written consent of the assignee and irrevocable Beneficiary, if any, may elect that the net sum payable under this policy at the death of the Insured shall be payable either in cash or as follows:

OPTION 1.—On demand of the Beneficiary, as may be directed by the Insured in the said notice; interest on the said net sum, at the rate of three and one-half per cent., to be paid by the Company annually to the Beneficiary until the said net sum is paid on the said demand.

OPTION 2.—By the payment of equal annual or monthly instalments for a specified number of years to the Beneficiary or executors thereof, the first instalment being payable immediately, in accordance with the following table for each \$1,000 of the said net sum. (See table, Option 2.)

OPTION 3.—By the payment of equal annual or monthly instalments, the first instalment being payable immediately, for a fixed period of twenty years, to the Beneficiary or executors thereof, the said payments to continue during the life of the Beneficiary after the said fixed period. (See table, Option 3.)

Unless otherwise specified by the Insured, the Beneficiary may, on any interest date, receive the amount of the said net sum yet due, under Option 1, or may, at any time, receive the commuted value of payments yet to be made, computed upon the same basis as Option 2 in the following table, provided that no such commutation will be made under Option 3 except after the death of the Beneficiary occurring within the aforesaid twenty years.

## ATLANTIC LIFE INSURANCE COMPANY

Richmond, Va., Jan. 7, 1913.

On certain business of the American National Life Insurance Company reinsured by the Atlantic Life Insurance Company issued prior to January 1, 1907, the policies are valued on the 4% reserve basis.

EXPLANATION.—For what amount ought a man to insure his life in order that his family and estate may suffer no loss in case of his premature death? At age 51 the expectation of life is twenty years (see table on preceding page). In the above table opposite 20, in column "No. of years of expectation," you will find the answer, \$13,590, and so on for other ages. To state it more clearly: An annuity bond paying \$1,000 annually, having twenty years to run, assuming interest @ 4% per annum, has a present value of \$13,590.30. That is to say, if \$13,590.30 be put at interest (4%) and \$1,000 be withdrawn annually it will last just twenty years—and no longer. It will yield twenty annual payments of \$1,000 each—and no more.

NUMBER OF YEARS THAT WOULD ELAPSE BEFORE THE SAME ANNUAL PAYMENT (AS PREMIUM), WHICH IS REQUIRED TO SECURE \$1,000 INSURANCE IN EVENT OF DEATH AT ANY MOMENT, WOULD REALIZE \$1,000, IF OTHERWISE INVESTED AT 5 PER CENT. COMPOUND INTEREST

Age.	Annual Premium.	Insurance at once in event of death.	Annual investment otherwise made.	No. of years Invested.	Will furnish as a five per cent. result if completed.

## **AMERICAN EXPERIENCE TABLE OF MORTALITY**

With Three Per Cent, Four Per Cent, and Four and  
One-Half Per Cent Interest.

---

**For the use of Actuaries, General Agents, and Solicitors.**

Many of the tables used in this book have not been published heretofore. The carrying of the reserve values on Ordinary Life Policies up to the extreme limit—up to the time when the Reserve is equivalent to the face of the Policy, age 100 years, actuaries 4 per cent, and age 96, American Experience 3, 4 and  $4\frac{1}{4}$  per cent, is an interesting and valuable feature not previously published. Nearly all of the subject matter covered by the American Experience  $4\frac{1}{4}$  per cent reserve is for the first time herein published, since most of these tables were calculated expressly for this book.

The American 3 per cent tables are substantially the same as those computed by D. H. Wells, actuary, and adopted by the Connecticut Mutual Life Insurance Company, March 23, 1882; copyrighted and subsequently published by this company in 1890. Through the courtesy of this company we were permitted to publish these. It will be noticed that all the tables on NET RESERVES are preceded by the net premiums.

Net Reserve Values, preceded by net annual premiums, on ten, fifteen and twenty year term insurance, is a new feature in reserve values; these are published for every year at all ages on the Actuaries 4 per cent reserve basis.

**Published by A. J. FLITCRAFT, 609 Maple Ave., Oak Park, Ill.**

A complete index of this book will be furnished upon request.

It is handsomely finished, printed on heavy paper (made especially for this book) with broad margins, bound in heavy beveled board cover with an embossed leather back containing title of book in gilt letters; the size is 10 inches long by  $7\frac{1}{4}$  inches wide; weight,  $8\frac{1}{4}$  pounds.
